## LOCAL UNITED FUND PLANS CAMPAIGN

### Extension Course Taught Here

Interested adults may still enroll in the Michigan State University extension course to be taught this fall term at Clarkston. Additional enrollments will be accepted Monday night, Oct. 1 when the class will meet at Clarkston High School at 7 P. M.

In response to local requests Michigan State is offering a course at Clarkston in "Methods of Teaching Reading in the Elementary School". The course, to be taught by Dr. Harry T. Hahn, director of the Oakland County Reading Services and former professor of education at Lehigh University, held its organizational meeting Monday, Sept. 24.

The course will grant three term hours of graduate or undergraduate credit. Permission generally will be granted to adults who wish to attend the course but not for credit.

This M. S. U. course here is part of an overall Michigan State program to offer credit and non-credit courses during the evening across the state. Taught by various departments of the campus the off-campus adult program is coordinated by the Continuing Education Service.

Information about the course may be obtained from the office of the local superintendent of schools or from the M. S. U. instructor at the next class session.

### GINNY DOLL CLUB

We started our meeting by collecting our dues. The little children played in our big Ginny doll house. The rest of us worked on fashions for our dolls. We hope to have our Fashion Show in two weeks if the film comes. Susan Hampshire and Carol Kieft furnished the treat.

### It Was Different Then

This world we knew in twenty-three years was crude and odd in many ways.

It was a thrilling time for me, As I gave up my courtin' days.

Then, Wednesday was the only time

For man to enter wedded bliss. On Saturday 't would be a crime To sign a contract such as this.

Then, big house weddings were in style

With chicken dinners for the guests,

Who came o'er many a bumpy mile To see the bridegroom in distress.

Within the parlor said our vows, With trembling voice and shaky knees;

While at the barn the lowing cows Helped set my farmer heart at ease.

Our honeymoon in a model T Clear through Detroit to old Belle Isle.

The many wonders there to see By two scared kids in country style.

No palace waited our return. The silo needed to be filled, Undying love within us burned, We knew we lived as God had willed.

### Rotary Anns Start New Year

The Clarkston Rotary Anns held their first meeting of the season on Tuesday evening at the home of the president, Mrs. Ira Snader. Mrs. Frank Ronk and Mrs. Byron Nolan were co-hostesses. There was a splendid attendance.

Before the business meeting Mrs. Ronald Walter, program chairman, introduced Ted Hennig of Clarkston. Mr. Hennig has acted as Supervisor of the Ground Observer Corps in Clarkston. He stressed the need of such Civilian Defense in this area and expressed the hope that the G. O. C. Post here would be repaired and put into action very soon. He thanked the Rotary Anns for giving him the opportunity of talking to them and then introduced Mrs. George Eberle of Milford who is the G. O. C. co-ordinator for Oakland County.

Mrs. Eberle explained the workings of the Ground Observer Corps and said that the Air Force could not function to its fullest without the help of the G. O. C. She mentioned that there were 13 Posts needed in the county in order to do the work effectively—there should be one every 8 miles. All that is asked of the citizens is to give two hours per week or every other week to operate the Post and to see that it is manned for 24 hours per day.

Mrs. Eberle stated that Clarkston Post is located in a beautiful spot which is very desirable because of the absence of too much noise. Mrs. Eberle has done a good deal of traveling and studying and so was quite capable of telling in detail the true picture of the Ground Observer Corps. At the close of her talk she answered questions.

At the business meeting Mrs. Garnet Poulton, who represents the Clarkston Rotary Anns on the Board of Directors of the Oakland County Crippled Children's Society, gave an interesting report of their last meeting. Mrs. Walter outlined the Club's programs for the next three months and asked the members to keep the Christmas meeting in mind. Mrs. Earl Terry, Mrs. William Sharpe and Mrs. W. H. Stamp were appointed to revise the By-Laws and present them at the October meeting.

Dainty refreshments were served from a table attractive with a center arrangement of fall flowers and lighted candles.

The next meeting will be on October 23rd at the home of Mrs. W. H. Stamp.

### Clarkston Local

Sheldon Smith, son of Mr. and Mrs. Rolfe Smith, of Maybee Road has started his freshman year at the University of Michigan.

### Seymour Lake

Horace Cornell is quite ill and will enter a Detroit hospital.

Mrs. Herman Hattig has returned from Bronson, called there by the illness of a daughter.

The Seymour Lake Methodist Choir sang two numbers at the Singpiration held in Goodrich on Sunday evening.

Wallace Guile has been brought to his home on Seymour Lake Road and he is gaining nicely.

Mrs. Florence Donovan who lives with her daughter, Mrs. Harry Burr and family, had the misfortune to fall one day last week. She was taken to the doctor's office in Oxford.

The Belle Sherwood Circle has invited the Sally Bailey Circle to meet with them in the home of Mrs. James Allen, 9635 Pine Knob Road, on Monday evening, October 1, at 8 o'clock. The Belle Sherwood Circle is making plans to hold a Rummage Sale in the basement of the church on Friday and Saturday, October 19 and 20. There will be a bake sale in connection, and a special feature will be plenty of homemade bread.

### Large Crowd At Church Reception

An extra large crowd attended the reception at the Methodist Church last Friday evening to welcome the Reverend and Mrs. William Richards and family to Clarkston. The Woman's Society of Christian Service headed by Mrs. Harry B. Yoh planned a delightful evening.

During the evening Mrs. Jack Wignall at the piano and Mrs. Paul Eliason on her cello played soft music.

The refreshment table was centered with a lovely arrangement of red gladioli and lighted tapers. Presiding at the silver services were Mrs. Yoh, Mrs. Heinrich Kobrak and Mrs. Leslie Greene. Mrs. Robert L. Jones was in charge of the guest register.

### Rummage Sale Articles Wanted

Don't forget to save your rummage for The Clarkston Farm and Garden Club Annual Rummage Sale. It will be held on October 12 and 13 at The Clarkston Community Center.

### Township Officers Meet Today

A Township Officers Conference for the township and city supervisors, township clerks, treasurers and trustees of the Counties of Huron, Tuscola, Sanilac, Lapeer, St. Clair, Genesee, Macomb and Oakland is scheduled for the American Legion Hall in Port Huron today, Sept. 27, with registration starting at 9:30 A. M.

This conference is one of a series covering the state under the sponsorship of the Michigan Institute of Local Government and the State Association of Supervisors.

The time will be devoted to an open forum discussion of the practical everyday problems of township government and of the county board of supervisors.

The morning panel will discuss the powers, duties and policies of the township board. There will be a noon luncheon and in the afternoon there will be three panels—one for supervisors; one for township clerks and one for township treasurers.

### Clarkston Local

Mr. and Mrs. H. J. Gador returned Saturday from a trip to the Upper Peninsula and also visiting relatives in Wisconsin.

### EXAMINATION FOR ENTRANCE TO U. S. COAST GUARD ACADEMY

Congressman Dondero announces that the competitive examination for entrance to the U. S. Coast Guard Academy will be held nationwide on February 25 and 26, 1957. These examinations will be given in 111 cities.

Congressman Dondero emphasizes the opportunity offered young men who choose this four-year course which leads to a bachelor of science degree and a commission as a career officer in America's oldest sea-going service.

"There are no appointments or geographical quotas for entrance to the Coast Guard Academy", he said. "I urge all qualified young men who are interested in a worthwhile profession to write for details and applications as soon as possible to Coast Guard Headquarters in Washington, D. C. Applications must be postmarked on or before January 15th."

A candidate for the next examination for the Coast Guard Academy must be single, must have reached his seventeenth birthday by July 1, 1957, and must be in excellent physical condition.

A high school diploma is the minimum educational requirement, although high school seniors assured of being graduated by June 30 are eligible to take the examination if they will have at least 15 credits by that time. All applicants must have three units of English, two of Algebra, and one in Plane Geometry by graduation.

### P. T. A. Reception At School Tonight

The Clarkston P. T. A. Reception for elementary teachers will be held tonight, September 27, at 7:30 o'clock in the High School Gym. The teachers will be introduced.

All parents are urged to attend. Dessert and punch will be served.

### Honors Conferred At Bethel Meeting

Job's Daughters, Bethel 25, met at the Masonic Temple on Monday, September 24. Shirley Lambertson acted as Honored Queen in the place of Phyllis Snover who is away at school. Reports were given by the committees as to the progress of the plans for the Bake Sale at the Masonic Temple on Saturday, September 29, and the Dance at the Community Center the same night.

An honorary degree and certificate were awarded Verona Adams who is Past Honored Queen—from June, 1952 through December, 1952. Kathy Stauter, Patricia Wagonjack and Joan Parcells were not present but they will receive these honorary degrees.

### Goodwill Trucks Here Next Week

The next visit of Goodwill Industries pick-up trucks to Clarkston is scheduled for Wednesday and Thursday, October 3 and 4. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative, Mrs. Alfred Lee, at MAPle 5-3381.

### Practical Nurses Meet Tues., Oct. 2

The Oakland County District Association will meet Tuesday, October 2, at the Pontiac Osteopathic Hospital, 50 N. Perry St., Pontiac.

Be there at 7:30 P. M. sharp to go on a tour of the hospital before the meeting.

Bring an interested friend.

### Women's Club Starts Season

The Clarkston Community Women's Club wishes to thank Thelma's Smart Shop of Rochester, and the Town Shop of Clarkston for the Fashion Show presented at the first meeting of the Club, held September 19th. They also are grateful to O'Dell's Drug Store, Walter's Department Store and Boothby's Old Farm Shop for the attractive displays.

The next meeting of the Club will be on Wednesday, October 17th at the Community Center.

### Special Services At Andersonville

A series of Evangelistic Services are in progress at the Andersonville Community Church, 10350 Andersonville Road, near the Andersonville School, and will continue through Sunday, September 30. The services begin at 7:30 nightly, except Saturday.

Evangelist Bill Goodwin, a student at Midwestern Baptist Seminary, has been bringing stirring and thought provoking messages from night to night.

Special music is being provided by groups from Hazel Park, Ortonville, and Pontiac. The church has been greatly blessed by these services and the public is invited to attend. Reverend E. Ralph Davidson is pastor at the Andersonville Community Church.

### Clarkston Local

Mr. and Mrs. James R. Mortenson of 75 S. Holcomb Street are receiving congratulations on the birth of their first child, a 6 lb 11 oz son, Christopher Edward, on Monday, September 24th, at St. Joseph's Mercy Hospital in Pontiac. Grandparents are Mr. and Mrs. F. E. Davies of Clarkston and Mrs. L. C. (Mathilda) Mortanson of Pontiac.

### Bake Sale Saturday

Job's Daughters, Bethel 25, of Clarkston will hold a Bake Sale on Saturday, September 29, at the Masonic Temple. The sale will start at 10:00 A. M.

There will be a variety of pastries, cakes, cookies, rolls and breads. Get there early and get a treat for the weekend.

### Clarkston Local

The Clarkston Pioneers will meet at the Community Center this afternoon. A luncheon will be served at 12:30. Election of officers will take place.

### INVITING THE UNDERTAKER-

### Sixty Years Of Wedded Bliss

Next Sunday Mr. and Mrs. John Beardsley of Milan, Michigan will celebrate their sixtieth wedding anniversary. They will be remembered by some of the older residents of Clarkston. They were both born in this area, attended school here—he at Clarkston and she at Oak Hill. They were wed on the Joseph Bird Farm north of the village. Their attendants were Mr. and Mrs. McGonigal of Holly. Mrs. Beardsley will be remembered by some as Miss Bessie Lowery.

In their earlier years Mr. Beardsley worked with his father in the lumber business. The lumber yard was where the Charles Matthews home now stands. They made their home on East Church Street. From Clarkston they went to Detroit and then to their present home on Judd Road, just about 4 miles out of Milan.

Mrs. Beardsley is the oldest living Past Matron of Joseph C. Bird Chapter, O. E. S., of Clarkston.

Their old friends in Clarkston wish them "A Happy Anniversary".

### Citizens League To Meet Candidates

The Oakland Citizens League will interview candidates from Oakland County for state, county and congressional offices Monday and Tuesday, Oct. 1 and 2, at open meetings at St. Dunstan's Playhouse on Lone Pine Road in Bloomfield Hills.

All nominees have been invited to appear before the League's candidates committee for personal interviews. On the basis of these interviews, along with background data the League has assembled, the candidates committee will rate the nominees according to its preferences for public office.

The League's ratings and biographical sketches of the candidates will be published in the organization's bulletin to be available to the public and press in late October.

The public is invited to attend the two interviewing sessions and will be allowed to question the candidates. Candidates for state legislature and congress will be interviewed Monday starting at 7:45 P. M., while county nominees will be queried on their platforms at 8:00 P. M. Tuesday.

A non-partisan organization, the Oakland Citizens League is dedicated to promoting a better understanding of citizenship problems and their solution. Chairman of the League is Henry S. Booth of Bloomfield Hills.

### Association Grows In Clarkston Sub'n.

The Clarkston Gardens Improvement Association is growing each month. The group now includes the North Star subdivision which is just across the road from Clarkston Gardens.

The membership committee with George Brinkman as chairman is happy to announce that the Association now has 34 members. A membership meeting was held on September 19 and the next membership meeting will be on December 19.

The Public Works Chairman, Devere Ganes, reports that he has contacted local and state police in regard to traffic violations in the subdivisions.

The residents in the subdivisions have been notified that their mail will be delivered to boxes in front of their homes. Their mail must be addressed to street and number and MR-3, Clarkston.

The next Association Board meeting will be held on October 9th.

### LOCAL WOMEN ATTEND HONOR SOCIETY MEETING

Mrs. Ruth Purslow of 6320 S. Main Street and Mrs. Ruth Leece of 6052 Middle Lake Road, attended Region C Conference of Delta Kappa Gamma at Ingleside Club in Detroit on Saturday. Delta Kappa Gamma is an honor society for women educators.

Highlights of the National Convention held in New Orleans this summer were presented. Six workshops were available and reports of their accomplishments were presented following the luncheon.

### You Are Invited By Job's Daughters

Let's get together for dancing, modern and old-time on Saturday, September 29th, at the Clarkston Community Center from 9 P. M. to midnight, with music by Haan's orchestra.

Door prizes will be given. Tickets may be purchased from any Job's Daughter, at the Village Market in Clarkston or at the door.

Everyone is cordially invited. Let adults and teen-agers mix and have a wonderful time. A special invitation is extended to all of the new-comers in the surrounding territory—a good way to get acquainted.

Jo's Daughters, Bethel No. 25

### MRS. F. D. ROOSEVELT TO BE SPEAKER

Mrs. Franklin D. Roosevelt will be the main speaker at the Independence Day Stevenson-Kefauver rally, Wednesday, Oct. 3. The rally, which is open to the public and without admission charge, will be held in the Scottish Rite Cathedral of Detroit's Masonic Temple, starting at 8:30 p. m.

Mrs. Roosevelt's speech, which will deal with the issues of civil rights, the Middle East and the needs of humanity, will be televised live on WJBK-TV at 10 p. m. (Oct. 3). Prentiss Brown, state chairman of the Volunteers for Stevenson-Kefauver, will introduce her.

Eleanor Roosevelt, First Lady of the World, was instrumental in bringing about Adlai Stevenson's nomination at the 1956 National Democratic Convention in Chicago. She told the delegates "the next president must be young and progressive enough to adapt old traditions to new situations." Stevenson, she added had shown in California that he had that ability.

Mrs. Roosevelt, who will be 72 on October 11, is as busy as ever with her lecturing, writing and traveling. She possesses one of the keenest minds of our day and is loved by many millions because of her warmth and her love for humanity.

The Volunteers for Stevenson-Kefauver is an independent voters' organization with national headquarters in Washington. C. Allen Harlan and Dr. Alfred H. Kelly are co-chairmen of the local group. The Detroit office is at 2602 David Stott Bldg., WO 1-8110.

Recognizing the increasing responsibility of a growing Clarkston and Independence Township toward county and state societies, a group of local citizens have formed a new Independence United Fund organization. A board of directors includes local men and women experienced in United Fund work, and new people, who have met regularly since Spring to outline the aims of the Fund, and to organize the annual Fund drive.

Headed by A. W. Rose, Jr., the directors are Daniel Addis, Merle Bennett, James Gardner, Mrs. Leslie Greene, Allen Hawke, Duane Hursfall, Lee Kelley, Mrs. Charles Rockwell, Mrs. Rolfe Smith, Mrs. Alex Valentine, and Jerome Wilford. Robert L. Jones, vice-president of the Clarkston State Bank, is treasurer.

Merle Bennett, chairman of the campaign for funds which begins October 15, told board members that this year's drive offers an opportunity for old and new residents to join hands in an outstanding community peacetime activity. Bennett stated, "We can share our well-being with those whom trouble will strike in months ahead. Remember how wonderful it was that the Red Cross, a United Fund activity, was ready to help the victims of the Flint tornado. Time was not wasted looking for help."

Mr. Bennett has organized the 1956 Fund drive, which begins October 15, into two separate solicitations. Mrs. Leslie Greene will captain a home solicitation group. Mr. Rose will head a business and industry solicitation.

Working with the county organization, the directors approved a 1956 quota of \$4,588.80. They emphasize three factors for community consideration in meeting this quota. First, individuals are encouraged to plan their giving, which may include payment of pledges on a quarterly or monthly basis. Second, residents who are now contributing elsewhere through payroll deduction plans are asked to give a minimum amount to the Independence United Fund. Solicitors will suggest a range of contributions figured for various income groups. Third, the directors of the Fund have agreed that if the 1956 quota is met, they will undertake a "one-for-all" drive in the future which will offer the advantage of a single annual drive to replace the several solicitations now made by national organizations each year.

In talking to the industry committee this week, Mr. Bennett pointed out that the Independence United Fund is not only a charity which helps the flood stricken, the tornado victim, and the needy elsewhere. It is also he stated, insurance for this community and its individuals. "Our citizens should know", he said, "that their contributions may be repaid a hundred fold if disaster strikes this community or one of its families."

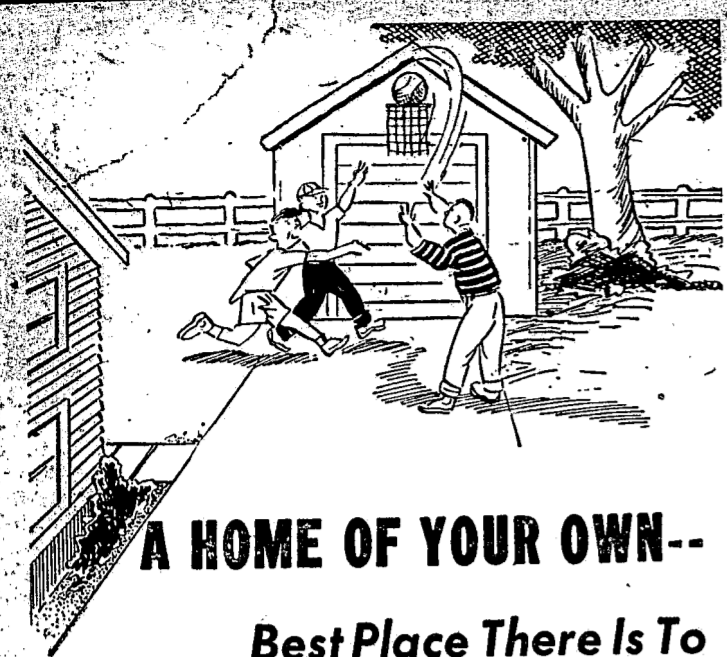

Mr. Rose, the Independence Fund president, is also campaign chairman for all township drives in Oakland County. Having visited meetings in other communities, Rose believes that the Independence quota is fair. "More importantly", he said, "the spirit exhibited by our local organization is a true reflection of the heart of the community. I am confident that our drive will be successful, and that we will earn the respect of other communities in supporting our share of the year around work of the United Fund."

Herbert Straley, Chief of Police of Pontiac, was the speaker at the Monday evening meeting of the Clarkston Rotary Club. He gave a very interesting address on the origin and history of police work from the beginning of time until now.

A fine dinner was served by the ladies of the Clarkston Baptist Church.

Be sure to attend the reception for teachers in the Clarkston High School Gym tonight.

### Special Season Deer Hunting Areas

Numbered areas on the map show where special permit holders will be allowed to take one deer of any age, either sex, during special hunting seasons this fall. The extra seasons were established by the Conservation Commission to harvest more deer in 22 starvation and crop damage areas. A special season will be held December 1-2 in all these areas except No. 1, 2 and 17. In area 1, Allegan county, the special season will be held December 1-9. In areas 2 and 17, the special season will be concurrent with the regular season November 15-30. Each special permit will be valid for only one area.

tain the Waterford 500 Club at her home next Monday evening instead of the usual Tuesday night meeting of the club. Mr. and Mrs. Jack Hall went to Detroit on Saturday where they were dinner guests of Mr. and Mrs. Will Grant on Santa Rosa Drive.

Mrs. Robert Granger honored the 4th birthday of her son, Robin on Saturday afternoon at a party for six of his young friends. The party was held in the recreation room with games and refreshments enjoyed by the children.

The Waterford Branch of the Women's National Farm and Garden Association will hold a Rummage Sale at the Community Activities Building, 5640 Williams Lake Road, on Friday, October 12, from 9:00 A. M. to 9:00 P. M. Proceeds from the sale will go into the scholarship fund for two Waterford Township High School students. The ladies will welcome rummage of any kind and ask that all donations be left at the C. A. I. building on Thursday, the day before the sale, for sorting and marking.

Twenty members and guests of the Good Will Club were entertained at luncheon last Fri-

day at the home of Mrs. Mae Hall on Airport Road. Mrs. Alman Austin of Pontiac was co-hostess. Mrs. Wallace Watts, a niece of Mrs. Hall and superintendent of the Girls' Training

School at Adrian, gave an interesting talk on the school and her work there. Mrs. Percy King's birthday was honored with a birthday cake and she was presented with a corsage. Corsages

were also given to the speaker and the president, Mrs. Henry Mehler. The October 19th meeting will be held at the home of Mrs. William King, with Mrs. Bessie Owen as co-hostess.

The Adult Bible Class of the Community Church will meet at 7:30 on Tuesday evening, October 2nd, at the home of Mr. and Mrs. Arthur Davis.

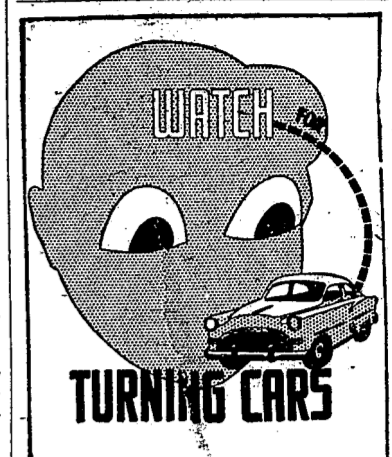

The Ladies Auxiliary of the Community Church will have its meeting on Thursday, October 4th at the home of Mrs. Earl Johnson. She will be assisted by her mother, Mrs. Elva Johnson. A cooperative luncheon will be at 12:30.

The Men's Beacon Club meets this Saturday night at the Community Church. A co-operative dinner is at 6:30, followed by a program. Lawrence Giddings, David Mehler and Roy Pammenter are on the committee for the evening.

Family Day at the Waterford Community Church will be Sunday, September 30th. Sunday School starts at 9:30 with the adult, junior and nursery churches at 11:00 A. M. Former Pastor, Wright VanPlew and his family will be here all day and he will bring the message at the morning and evening services. Musical numbers will be furnished by the Howard Burt family of Ortonville. The Ladies Auxiliary and the Adult Bible Class members will be co-hostesses for the one o'clock family dinner. Each one is to bring their own table service, chicken for the family, a passing dish and a dessert. Milk, coffee, rolls and butter will be furnished. Esther Banghart is in charge of the dining room and she will be assisted by a group of teen-age girls. On the committee for the dinner are Mrs. Henry Mehler, Mrs. Wallace Brown, Mrs. Arthur

Davis, Mrs. Roy Pammenter and Mrs. W. B. Banghart.

At 2:00 P. M. there will be an informal fellowship at the tables, with music, a short message and a film for the children. The evening service is at seven o'clock.

## MICHIGAN BELL

### TELEPHONE lines

THE BELL TELEPHONE LABORATORIES has developed a new device that will let one telephone line handle five separate conversations at the same time. Special electronic equipment installed along the wire lines and in central offices is used to keep each call on its own "voice channel." This fall, Michigan Bell plans to try out the new system in a few outlying areas where the building of conventional wire circuits would be difficult and expensive. This is another example of how the telephone company is always trying to bring you the best telephone service at the lowest possible cost.

ON THE ENTERTAINMENT COMMITTEE of your club? Here's a suggestion to make your job easier. Show Michigan Bell movies. The films in our library are entertaining, non-technical glimpses into the world of the telephone. For example, the movie called "Music in Motion" tells the story of radio's famous musical show, "Telephone Hour." And "The World at Your Call" dramatizes the magic of Long Distance. The use of these films is, of course, free but you should reserve them in advance. Call the business office if you'd like to have a list of titles available. Arrangements can usually be made for a projector and operator, if needed, also at no charge.

DID YOU KNOW about the U. S. Patent Office employee back about 1870 who said the office ought to close because everything had already been invented? How foolish he was! There'll always be better ways of doing things. That's the idea behind the Michigan Bell Employee Suggestion Plan. We've had the plan for eleven years so far. It's produced thousands of ideas on how to do telephone jobs faster, safer, more economically. The ideas come from everyone—linemen, stenographers, operators, engineers, cable splicers. Cash awards are given for accepted ideas.

**SOIL BANK PAYMENTS FOR '56 DUE**  
Some farmers may be able to comply and received payments in 1956 in the conservation reserve phase of the soil bank program, according to Lyle B. Abel, County Agricultural Agent. Inter-

ested farmers in this area should contact their Agricultural Stabilization and Conservation Committee. Those farmers who planted or harvested less acreage than their "soil bank base" of depleting crops during this year may

be eligible. The "soil bank base" is the acreage eligible for the full payment in the conservation reserve. It includes all cropland except that normally used in conserving crops or idle land. Land in the acreage reserve phase of the soil bank is included, but this acreage is normally eligible for acreage reserve payments which are higher than conservation reserve payments. Farmers who put land in the conservation reserve may also be paid some cost sharing payments for certain practices including cover crops, pond construction, or forestation.

Contracts for payment for 1956 compliance must be completed before October 15. Contracts for 1957 may be signed any time before March 15, 1957, both landlord and tenant must sign the contract. Complete details on the conservation reserve program and contracts for sign-up are now in the hands of the county ASC committee. Offices in Oakland County are located at 321 Hubbard Building, 20 S. Perry St., Pontiac.

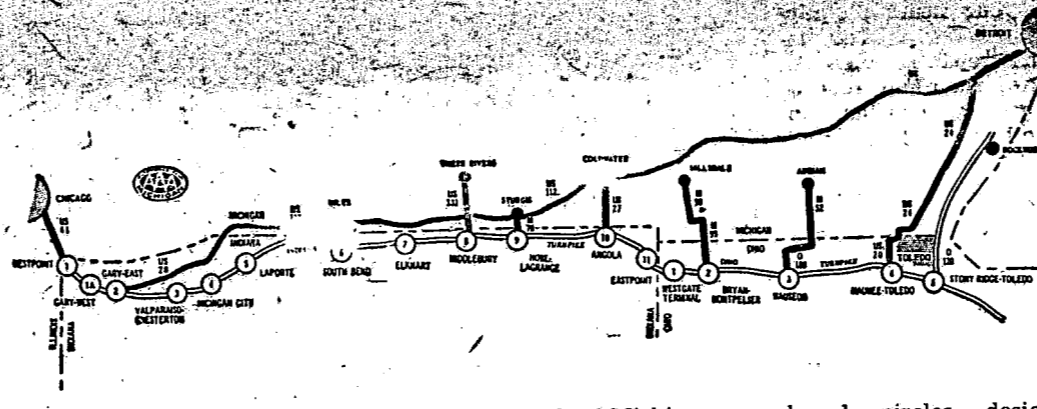

**DESTROY EXTRA WHEAT SEEDS**  
When you finish planting wheat it's a good idea to bury, burn, or otherwise destroy any small surplus of seed, advises Lyle Abel, County Agricultural Agent. The reason, he says, is this: The treated seed is apt to get mixed with clean wheat and that will render the entire bin unsalable as human food, and it shouldn't be fed to livestock or poultry.

Most wheat seed is treated with a mercury compound which is poisonous. Such grain is called "pink" wheat. This has been one of the main sources of grain contamination in the past two years in Michigan.

Michigan law prohibits the presence of mercury in food products, and many carloads of wheat have been seized by authorities within the past year for that reason. Under a new provision of law, all seed grain that has been treated with a poisonous substance must be stained a distinctive color so that it can be readily identified. The agent points out that in no way does this condemn the treating of seed. Seed treatment is the best method of controlling covered smut, or bun, and seedling blights.

Boulders in our paths can be stumbling blocks or stepping-stones.

Eight main entrances to the Chicago-New York turnpike route which will serve state motorists are shown on this map

**SPARTAN BAND PREPARES SHOWS**  
There is an extra "football field" at Michigan State University that never knows the tread of a hefty griddler. This playing field, exclusive domain each fall of the M. S. U. marching band, is complete with yard lines and goal posts. Prof. Leonard V. Falcone, 30-year veteran who directs the Spartan band, has his personal gridiron prepared in an open area outside the music building. The yard stripes are important to the band because they are the landmarks Falcone and Drillmaster C. Oscar Stover use in blueprinting spectacular band formations.

Like the football players, Spartan bandmen report well before school starts to get in some early twice-daily practice sessions. They began Sept. 10. The 125-piece Spartan band, a distinct success on last season's Rose Bowl trip, will present musical shows at all four M. S. U. home football games this fall and will take to the road for three away games.

Oldsmobile Division of General Motors Corp. will sponsor the band on two road trips—Oct. 20 to South Bend for the Notre Dame game and Oct. 27 to Champaign for the University of Illinois contest. The third trip is the traditional journey to Ann Arbor for the Oct. 6 set-to with Michigan's Wolverines.

**NEED SPEAKERS? U-M HELPS CLUBS PREPARE PROGRAM**  
Organizations and communities throughout the state who desire speakers on topics of general interest or specific subjects can get help through The University of Michigan Lecture Bureau, part of the U-M Extension Service.

For community meetings sponsored by clubs, civic organizations, or by the community itself, the University will provide a speaker without charge if the meeting is to discuss a special local problem or to develop a better understanding of broad social or civic problems. The University never charges for lecturers who are speaking about the University. Further information may be secured from Lecture Bureau, Extension Service, 4524 Administration Building, Ann Arbor.

Since peaches are fragile and bruise easily most are picked in the firm-ripe stage. Choose peaches that are firm, that have good background or ground color, and that are free from blemishes. According to the Consumer Marketing Information Agent, Mrs. Josephine Lawyer, the ground color may vary from a creamy white to a deep golden yellow depending upon variety. Peaches with a greenish ground color will never ripen properly, but will shrivel, become leathery, and finally decay.

**BE BRIGHT RIDE RIGHT**  
There are no tricks in wise tomato buying at this time of year. Let the eye be the guide. Pick out firm, well-formed, plump, smooth skinned fruit. Tomatoes do not have to be red ripe as long as they are starting to turn color. Leave partially ripened tomatoes at room temperature until they become red enough to serve. Fully ripe tomatoes keep best in the refrigerator.

**"BABIES' BRAND NEW"**  
How many diapers shall I buy? What does it mean when the mother is Rh negative and the father Rh positive? How do you know when the baby is hungry? He cries for everything, doesn't he?

Questions like these are commonly raised in classes for Expectant Parents. The classes are conducted by public health nurses and are sponsored by the Oakland County Medical Society, the Oakland County Health Department, Pontiac City Health Department and various Adult Education Departments.

Expectant Parents' Classes offer an opportunity for parents to gain knowledge and understanding that will help to increase their enjoyment in this new experience and will prepare them to give care when the baby arrives. The first four

Classes are centered around the mother. There is ample opportunity for discussion of family adjustments, growth and development of the baby before birth and labor and delivery. The last four classes will cover feeding of the baby, what the new baby is like, and baby's first year.

Audiovisual aids are used to supplement discussion and conducted hospital tours are arranged during the series of 8 classes. Classes in the Pontiac area are being held at the Oakland County Health Department at 1070 N. Telegraph Rd., and at the Pontiac City Health Department. Classes started Tuesday, September 25, 1956, at the County Health Department from 7:30 to 9:30 P. M. and at Pontiac Health Dept. Call FE 2-9255 for registration and further information.

**Ask us about Standard's Fuel Oil Budget Plan**  
Cut down the mid-winter payment peak. No interest, no carrying charge.

This is how you use your heat. Dotted line shows how you can pay for it.

Standard will help you estimate your entire year's heating costs and divide the amount into equal monthly payments. You make 9 equal monthly payments to cover a full heating season. You never pay more than the agreed amount monthly. At the end of the heating season, any slight difference in amount paid or payable will be adjusted.

No record or payment book to keep. You'll receive a statement of your account each month. The plan applies to STANDARD FURNACE OIL with STA-CLEAN, STANDARD Heater Oil, and to PERFECTION Kerosene. Call today for full details.

**FIRE PREVENTION TIPS  
OUTLINED BY U-M EXPERT**

Nine out of ten home fires in Michigan could be prevented if everyone followed seven simple safety measures, according to Francis A. Hartman, University of Michigan fire prevention specialist.

- The steps:
1. Keep matches out of reach of children.
  2. Smoke cigarettes safely and never in bed.
  3. Stop misuse of electricity—check and correct improper fusing, overloaded circuits, defective wiring and appliances.

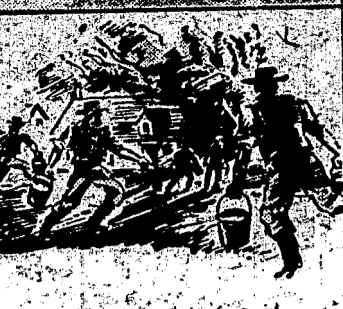

4. Have your heating equipment and chimney cleaned, inspected and repaired annually.
5. Use fire retardant roofing.
6. Keep gasoline, benzene, naphtha and other volatile liquids outside the home—never use them for dry cleaning or starting a fire.
7. Regularly remove rubbish and other unnecessary combustibles from your home.

Home fires cost Michigan families upwards of \$11 million annually, Hartman notes, and well over 150 persons die in fires in the state every year.

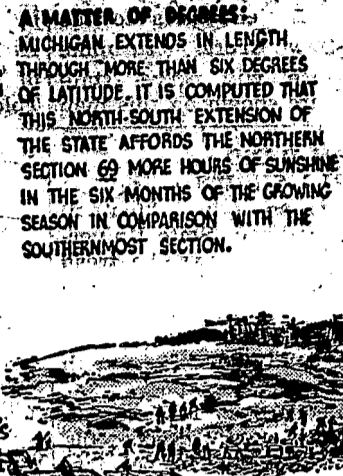

Fire Prevention Week, October 7-13, is an especially good time to check your home with the above list and take all corrective measures indicated, Hartman continues. Fall is the best season for checking your heating plant for winter and—like spring—

**From where I sit... by Joe Marsh**  
**Changed Her Whole "Point of View"**

Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them—Miss Williams—got homesick. "To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard—my heart just sank!" But, when Miss Williams noticed a pot of geraniums on the window sill—and a note saying "Look at these instead. (signed) Last Occupant"—she decided to stick it out. She kept those flowers

watered and tended to make things that much easier on the next occupant. From where I sit, it's often hard to adapt to new surroundings—just as new customs often seem strange to us at first. For instance, if you've always had tea with your meals you might find it odd that I prefer a glass of beer. It's OK to prefer what's familiar to you... but also keep an open mind on what's not.

*Joe Marsh*  
Copyright, 1956, United States Brewers Foundation.

While inspection of your home wiring and heating systems usually must be done by professionals, he concludes, the expense involved is far less than what even a small fire would cost. And most of the fire prevention steps are a simple matter of getting everyone in the family safety conscious.

**GET THE BEST SERVICE  
FROM YOUR AUTOMATIC  
CLOTHES DRYER**

"It's not what you do, but the way you do it" certainly applies to using your automatic clothes dryer. To get the best service from it, Mary Hixon, Home Demonstration Agent, suggests you be sure clothes are thoroughly rinsed before they go into the dryer. This prevents the possibility of yellowing from detergent left in the fabric. Don't overload your dryer. This increases the drying time, prevents uniform drying, and causes clothes to wrinkle, making ironing more difficult. Though a dryer, like a washer, may take 8 or 9 pounds (dry weight) of clothes, research shows that a lighter load of about 6 pounds washes better and dries faster. When the automatic dryer turns off, it pays to take out the clothes promptly to prevent wrinkles. Careful timing pays, too, because over-drying causes wrinkles and uses more electricity than necessary. When you sort the clothes for the washer, Mrs. Hixon suggests

thinking ahead to the dryer, because it is more convenient to transfer the load directly from washer to the dryer than to sort the damp load. Consider the weight of the fabric for greater drying efficiency and ease of handling loads. Turkish towels or other heavy fabrics, for example, take considerably longer in the dryer than lightweight nylons. The time needed to dry a load depends on the kind of fabric, the weight, the size of the load, and the amount of moisture in the clothes. If you wish to feel the dryness of clothes, pull them out into the air because they will feel moist in the dryer. Remember that clothes don't have to get "bone dry" in the dryer; in fact, it's usually better for the fabric if they don't. Clothes come out hot and the heat left in them gives the final drying outside the dryer.

There's nothing that someone cannot make a little worse and a little cheaper.

Lighting the way of men to betterment is the finest profession known.

Making a fool of oneself isn't so bad if you know who did it.

Mid-week Service, Wednesday, 8:00 P. M.

**FIRST CHURCH OF CHRIST. SCIENTIST**  
Oxford, Michigan  
Sunday School 11:00 A. M.  
Sunday Service 11:00 A. M.  
Man's God-given ability to cope successfully with fear, sickness, and all discord will be emphasized at Christian Science services this Sunday.  
Keynoting the Lesson-Sermon entitled "Unreality" is the Golden Text from II Timothy (1-7): "God hath not given us the spirit of fear; but of power, and of love and of a sound mind."  
The account of Jahaziel's prophecy and the overthrow of the enemies of Jehoshaphat (II Chronicles 20) will be included in passages to be read from the King James Version of the Bible.  
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (228:25-27): "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God."  
Concord grapes are favorites for juice. When buying them, for making juice, use this guide: one quart (1½ pounds) yields 1 pint juice; 3 pounds yields 1 quart of juice; and 1 bushel gives 16 quarts.

"Nobody ever gets anything for nothing, but a lot of people keep trying."

# NOTICE

## SPRINGFIELD TOWNSHIP VOTERS

October 8th is the last day to register to vote in the Election November 6. Register now at the Clerk's Office, Davisburg, Michigan.

### Ford Motor Films Police Work

Motion picture cameras will be rolling in several Michigan communities and rural locations during the next few weeks recording the life and work of the Michigan State Police. The careful training of recruits, operation of the crime laboratory, procedures in policing the highways, and the tracing and apprehension of criminal suspects will be featured in a 16mm, public service film to be released in the spring of 1957. The working title is "State Trooper", and the film is being photographed by Ford Motor Company's Film Services Sec-

### BROOMFIELD CONFERS WITH EISENHOWER

William S. Broomfield, Republican candidate for Congress in the 18th Michigan District, is shown above conferring with President Eisenhower. Broomfield was called to Washington to meet with the President. Meetings with several candidates last week were a part of the President's stepped-up campaign activities in the drive to elect a Republican Congress. Mr. Eisenhower wished Broomfield every success in November.

tion.

One major sequence of the film will portray a bank robbery, establishment of road blockades, and the pursuit and final capture of the robbers. It is based on similar robberies recorded in the state police files.

The Michigan Police were selected for filming because of their excellent record and national standing as a police organization. The film has been described by the producer as a tribute to all police organizations—federal, state and local—cooperating in the protection of American life and property.

After its release, the film will be available for loan to schools, service clubs, civic organizations and other non-commercial film

users. It will be distributed nationally by the Ford Film Libraries, and will be available on request from the Michigan State Police. It will be approximately 25 minutes in length.

Michigan's turkey growers will show off their best birds at the 10th annual Michigan Turkey Festival, Dec. 4-6. The festival will again be held at the Lansing Civic Center.

Beware of the man who talks about what he did instead of what he's doing.

**FALL SEEDING IS BEST!**  
Plant **MICHAEL-LEONARD Power-Pak Treated Grass Seed NOW!**  
  
When you seed in the fall, you give your grass a longer period of cool weather in which to get established... there are fewer weeds... the seeding will get a faster spring start, which will choke out most weeds... the seeding is better protected against hot/dry weather. Come in now and get Michael-Leonard Power-Pak treated grass seed. Power-Pak protects against soil and seed borne diseases; pre-germinates seed; produces heavier stands.

### CAUTION!

Children are continually being cautioned to be careful crossing the streets—now it is time to caution the adults too. Remember that Church Street is especially crowded during the school hours and youngsters are bound to run into the streets. Drivers are asked to be overly careful. Help protect our children.

A favorite meat for a meal that must be cooked in a hurry is minute steaks. To cook minute steaks, lightly grease a skillet, heat and pan-fry the meat about 2 minutes per side. Warm some chili sauce in the drippings and spoon over the hot steaks before serving.

Large thick crayons are better than the thinner ones for the pre-schooler, suggest M. S. U. child development specialists. They will not break as easily and they can be held and managed more easily by small children.

Dieters need not worry when they bite into a crisp, fleshy stalk of green celery for an in-between meal snack. A large, long stalk of it has only seven calories.

It's the original noise that counts; most people are merely echoes.

If you find life is empty, try putting something into it.

**LOOK ALL WAYS BEFORE CROSSING**  

### Card Of Thanks

My sincere thanks go to my many friends who remembered me while I was in the hospital and since convalescing at my home. The cards, flowers, gifts, fruit, candy, nuts, reading material and calls all helped to brighten what might have been dreary days. Such kindness and thoughtfulness can never be forgotten.

Mrs. Agnes Richardson  
It takes a lot of courage to admit that sometimes you don't have any.
