Vows Spoken Last Saturday

A ceremony performed by the Reverend Frederick Delaney at Pontiac, formerly of Clarkston, Branch, Michigan. Gladioli and chrysanthemums

were used to decorate the altar. The bride was lovely in a French lace and net, waltzlength gown featuring a Queen Anne collar and long sleeves. Her fingertip veil fell from a tiara of seed pearls. She wore a pearl necklace and earrings, a gift of the bridegroom.

Eileen Jones was her sister's maid of honor. She was in gold, waltz-length crystalette gown featuring a pleated bodice. Valerie Hoyt of Clarkston and Margaret D. Robertson, sister of the groom, as bridesmaids, wore green crystalette styled the same as the honor maid's gown. They all carried bronze mums. James F. Robertson served

his brother as best man and seating the guests were Deward Cloutier, Frank Luzod Macadag and William Cook, all of Pontiac. For the wedding Mrs. Jones wore blue taffeta with black accessories and Mrs. Robertson was in blue lace with white ac cessories. Their corsages were of pink and white carnations.

A breakfast at the home of the groom's parents in Pontiac followed the ceremony. Twenty five of the immediate families attended the breakfast and this number included four grandmothers. Also at the breakfast a brother-in-law of the groom William A. Shelton, shared in the honors of the day by celebrating his birthday. A lovely birthday cake graced the table.

A reception for two hundred guests was held in Grange Hall at Davisburg in the evening. Guests were from Royal Oak, Goodrich, Walled Lake, Pontiac, Clarkston and Washington, D. C.

Guest speaker was Mrs. Mildred Bennett of the Oakland County branch of the American Red Cross. Knowing that her listeners were familiar with Red Cross work, Mrs. Bennett devoted her talk to the often unseen but valuable work of other agencies. She cited the children's aid workers who place Oakland County children in homes for adoption, the rehabilitation of epileptics by St. Joseph's Mercy. Hospital, the cerebral palsy association, multiple sclerosis society, and heart association.

Chairman of this year's Independence United Fund campaign, Merle Bennett, pointed out that these agencies receive fiancial support from the United Fund. They conduct no other solicitation in Clarkston or the ownship.

Evidence was presented at the meeting which demonstrated that the community is generous, having contributed beyond quota requirements to cancer and polio drives. However, lack of knowledge of Fund work has resulted in failure to meet the Fund quota n previous years.

To help residents to know more about the Fund, and how their contributions are used, solicitors plan to make two calls where Mary May Stowell, was born in possible. Oxford, Michigan Sunday School 11:00 A. M. Sunday Service 11:00 A. M. Mankind's need for spiritual growth and progress will be stressed at Christian Science

services this Sunday. Readings from the King James Version of the Bible and "Science Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon entitled "Probation After Death.'

Scriptural passages will include the following from Psalms (37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."

Among the selections to be read from Science and Health is the following (291:12-13): "Universal salvation rests on progress and probation, and is unattainable without "them."

The Golden Text is from John (5:25): "The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live."

Chevy goes 'em all one better—with a daring new departure in design (looks longer and lower, and it is!), exclusive new Turboglide automatic transmission with triple turbines, a new V8 and a bumper crop of new ideas including fuel injection!

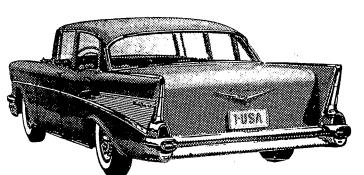

*270-h.p. engine also available at extra cost. Also Ramjet fuel injection engines with up to 283 h.p. in Corvette and passenger car models. New right down to the wheels it rolls on—that's the '57 Chevrolet!

By now you know it's new in style. You can see that Chevy's longer, lower—and every inch a beauty.

But Chevrolet's new in lots of ways that don't show up in our picture. It's new in V8 power options that range up to 245 h.p.* Then, you've a choice of two automatic drives as extracost options. There's an even finer Powerglide-and new, nothing-like-it Turboglide that brings you Triple-Turbine takeoff and a new flowing kind of going. It's the only one of its kind-the newest, sweetest, smoothest automatic of them all!

Come see the new car that goes 'em all one better-the new 1957 Chevrolet!

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

Here are the trucks that conquered the ALCAN Highway—one of the world's most challenging roads! Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B. C., through 1,520 miles of mountains and mire, rain and hail—every conceivable natural roadblock—to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours.

Like a carelessly unwound ribbon, the Alcan Highway twists and reels for 1,520 miles. It tumbles over towering mountains of awesome beauty and wanders through desolate Yukon forests.

It's the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts jolt and jar each chassis unit.

This is the road that was chosen to give the new '57 Chevrolet trucks a supreme test of stamina, performance and handling ease. The results of that

test made hauling history! Six new Chevrolet trucks - representing light-, medium- and heavy-duty models-traveled the length of the Alcan highway in less than 45 hours. They ran day and night-but this was no test of speed. The Chevrolet Alcan fleet made normal stops, and maintained safe and legal speeds all the way. As a special additional test during the run, two of the trucks went the entire distance without once having their engines

stopped! It's all down in the AAA record book. Never before has a new truck been so thoroughly proved. Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 delivers 160 high-torque horsepower. Standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines. Revolutionary Powermatic Transmission-exclusive with Chevrolet trucks—is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

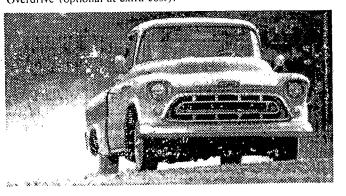

L.C.F. models outdate the C.O.E. because they're lower, handsomer, easier to get into and out of, and save time in routine engine maintenance. Yet they offer all C.O.E. advantages. Heavyweight Champs with Triple-Torque tandem are rated at

32,000 lbs. GVW, 50,000 GCW. And Chevrolet's advanced tandem axle unit offers a built-in three-speed power divider.

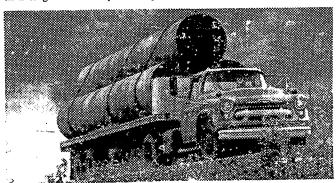

The Chevrolet Alcan run was sanctioned and official results certified-by the AAA.

Proved on the Alcan Highway . . . ALEVROLET Champs of every weight class!

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

New Super Taskmaster V8 flattens Yukon mountains! This Series 5000 truck with its new 283-cubic-inch V8 climbed towering grades with ease.

Vote for the

DEMOCRAT the REPUBLICANS LIKE, TOO! DEMOCRATS are voting for Paul Sutton:

will be a FIGHTING CONGRESSMAN who'll represent ALL the people of Oakland County, regardless of party, regardless of special interests.

SUTTON

as Congressman, has the ability to act as a clearing house for all our townships, villages and cities, helping all at the expense

SUTTON

will fight for Federal aid to help us with such costly overall projects as the Twelve-Town Drain. He'll see that our district gets a fair share of our Federal tax dollars, for such important projects as flood control, highways and water supply.

SUTTON

will fight for an effective Federal flood insurance program to put low-cost flood insurance within everyone's reach.

SUTTON

will fight for Federal aid to education so we can improve our schools, staff them adequately, and raise teachers' pay.

SUTTON

is a mature man of proven stability and widely diversified experience. He's sound . . . levelheaded . . . a man who knows international, national and local community problems.

OAKLAND COUNTY CAN TRUST SUTTON HE KEEPS HIS PROMISES

> Choose the MAN not the party! Thousands of wise Republicans will vote for Sutton!
