Parents Re-Enact Their School Days

Clarkston High School held its "open house" and parents "back to school" night, Tuesday evening with more than 450 parents attending.

Each parent went through their child's regular daily schedule, during the evening, with the classes running 10 minutes in length. The faculty explained the aims and objectives of the various subjects and many student projects were on display for the parents to see.

Everyone seemed to have an enjoyable evening and it appeared that most parents felt young again in recalling their own high school days and they noticed many changes in the high school building.

It is planned to make this an annual affair.

VERBAL ORCHIDS TO MR. AND MRS. THOMAS S. BOYNS

MR. AND MRS. THOMAS S. BOYNS

Mr. Robert Beattie

Dear Sir:

I have read your poems published in the Clarkston paper the past several years and enjoyed them very much. They have been an inspiration to me as I know they have to many others.

Having this in mind I would like to suggest you write one about a wonderful couple who by their simplicity and devotion to God and their community have enriched the lives of all who came in contact with them—Mr. and Mrs. Thomas Boyns, 29 S. Holcomb St., Clarkston.

I was a tenant of Mr. and Mrs. Boyns for several years, in half of their duplex, and after my wife passed away in May 1956, lived in their home.

There it was I learned how a true christian family lives. Their devotion to God and all it implies brought a serenity and peace I had not known for some time.

During my wife's illness they were most kind, and would go out of their way to be helpful. Nothing was too much for Mrs. Boyns to do, always helping a neighbor in any way she could. I could write a book about her and Mr. Boyns' many acts of kindness, but that is not possible at this time.

The influence for good they have left on the lives of many in Clarkston, is too well known to need further elaboration.

So, Mr. Beattie, if you can see your way clear to write a poem in your inimitable way I would appreciate it very much.

Most Sincerely
W. J. Fielding

P. S. I am in Sarasota, Fla., for the winter with my daughter at 5146 Stevens Drive.

The above letter inspired The Clarkston News to extol the praises of this charming couple.

The church of Mr. and Mrs. Thomas Boyns has a very special place in its heart for the significant Christian character they bring to its ministry, not only to the youth in past years, but to its many services now. Quietly and humbly they work, retiring into the background when the spotlight of recognition shines too brightly on them. When asked by the pastor at Christmas to make presentation to the music directors of the church for their service they had given, Mr. Boyns declined, saying that he in no way wished any mention of his name though he, with others, had done much of the labor. This is typical as they quietly serve God. Mrs. Boyns' Christian service, in many modest ways too, exemplifies the teachings of Christ, in mothering young people, and with her husband, calling on the sick, helping the troubled, speaking to those they think are lonely, sacrificing for Christian work, and ready with a reassuring hand and smile for the downcast. Their lives speak eloquently of God's work from the text: "Let your light so shine before men that they may see your good work and glorify your Father which is in Heaven." As their own pastor says, "Their lives preach our Christian faith more vividly than any sermon."

TRUE CHRISTIANS

Dedicated to
Mr. and Mrs. Thomas Boyns

Blessed are we who know these folk
And share their ever loving deeds;
They labor long in Christian yoke,
Administering to others needs.
Christ's teachings they've exemplified
By deeds they've done and words they've said;
Their faith held fast though strained and tried,
And straight the path where they were led.

No greater love hath any man
Than he who totes another's load;
And teach those who don't understand
To travel on God's service road.

I find not words to well express
How neighbors feel about these two;
With all their acts of graciousness,
As God comes first in all they do.

But as we see them every day
In service to their fellow man,
We know that they have found a way
To fill their place in God's great plan.

They've found the Christ that lives within
And share His love with all who care;
Their radiant love will conquer sin,
That love and truth be everywhere.

Robert C. Beattie

The following was written
by Jane Christman

I have had the honor during the past week of becoming acquainted with two of the finest people in our community. Although I have never actually met Mr. and Mrs. Tom Boyns, I feel as though I have through my contact with their family and many friends. It is rare indeed to find people so warm, gentle and generous in giving of themselves. The one thing which impressed me most was the spontaneousness of response by people in lauding the commendable efforts of this fine couple. It is a great privilege to have a small part in this tribute being paid Mr. and Mrs. Boyns for their many, many years of tireless service to the community. Such wonderful people can be an example to all of us.

Mr. and Mrs. Boyns were born within two miles of each other, Mrs. Boyns in Dowran and Mr. Boyns in Bostraze, little farming villages near Penzance, England, on the White Cliffs of Dover. They were acquainted in their early childhood days, as the two families were friends through the same church in St. Just, England. Mrs. Boyns had 14 brothers and sisters. Only 7 are still living: a sister in Canada, a sister in Boston, Mass., three brothers and two sisters in England. Mr. Boyns is one of three boys. His brother Bob lives in Clarkston also.

New Members In 4th Nighters Club

The Fourth Nighters Dance Club held its monthly meeting at the Community Center last Saturday evening. The theme of the evening was "Washington's birthday", with appropriate decorations and displays ornamenting the dance hall. Member danced to the music of Fenton Weaver's orchestra. Welcomed into the club as new members were: Mr. and Mrs. Bill Dobyns, Mr. and Mrs. Henry Rankin, and Mr. and Mrs. Bob Henderson.

The committee for the March dance was announced: Mr. and Mrs. Ron Collins, chairman; Mr. and Mrs. Joe Smith, Mr. and Mrs. Winston Farmer, Mr. and Mrs. Gary DeVar and Mr. and Mrs. Bob Surre.

A reminder to all basketball fans: the High School basketball tournaments begin next Tuesday. The Clarkston team will be taking part.

Clarkston Local

Janice Mickle, daughter of Mr. and Mrs. Francis Mickle of Whipple Lake, has been ill and confined to her bed for the past week.

Mr. Boyns came to the states in April, 1923 with his brother, Bob. They settled in Detroit and then sent for their wives and children to follow in November, 1924. Mrs. Boyns and their only child at that time, Muriel, came to America.

In these 34 years they never returned to England for a trip. Raising their three children meant business school, college, and Naval service. In that time their own parents in England passed away and the opportunity to return for a trip never came. Now that their family is grown and they are free to travel, they find it difficult to return for pleasure with their parents gone. But perhaps they will some day make the trip.

They have made their home in the village of Clarkston almost 27 years. Twenty of these have been spent in their present home on South Holcomb Street. With a great deal of hard work, they remodeled the residence and beautified the grounds. At one time, Mr. Boyns had a wonderful flower garden at the back, which is now seeded to lawn. The Village Garden Club commended him for his fine lawn and beautiful flowers when it was at its best. He has since given up the flowers because of the great task of keeping it up.

Their youth work started here when Dr. Dwight Large was pastor of the First Methodist Church, about 18 years ago. Mr. Boyns sponsored a young people's choir of mixed voices. The first adult choir robes were acquired for the church through the choir efforts that year. Later, together, they branched into the youth fellowship work and have continued thereafter. With the beginning of their choir work, Mr. and Mrs. Boyns started the traditional Christmas Eve caroling (the beautiful bass voice of Mr. Boyns can be heard, adding the wonderful mellow tones) for Christmas shut-in and sick. They have continued this each year, until now the community looks forward to this yearly activity.

They were responsible for starting a second Youth Fellowship group for intermediates as well as the senior group. Until the parents took on the role, Mr. and Mrs. Boyns used to entertain these young people in their home after the Fellowship meetings Sunday nights to give them guided recreation and fun with their religious training. The students often numbered some 40 odd. With the early youth choir and fellowship groups, Mrs. Boyns was famous for her pasty pies. The Boyns have not only given thousands of hours of their time to the youth cause, but have without hesitation given freely out of their own pockets a great deal to make the youth work continuous and successful. They never seek rewards of any sort for what they do for their church, as their love of God and His church are prime in their lives. But a very wonderful gift, as commemoration of the love and admiration of all the young people and parents, was the silver service given to them on Christmas Eve, 1950, following

Lenten Services At Methodist Church

Lent begins with Ash Wednesday, March 6th, when the Annual Ash Wednesday Service will be held at First Methodist Church at 7:30 P. M. The pastor, Rev. William J. Richards, will preach on the subject, "Forty Days". Mr. William Mansfield, Director of Music, is providing music for the service.

The following week the Lenten Evening Services will be held on Thursday evening as will all of the following Lenten Services. A Fellowship Dinner will precede each service at 6:30 p. m. which will be pot-luck and served in "smorgasbord" style. The dinners will be held in the church dining room. All of the residents of the community are cordially invited.

Featuring the Lenten program at First Methodist Church are three outstanding preachers: Thursday, March 14th, the Reverend Harold Palthorp, former president of the church and present pastor of Greenfield Methodist Church, Detroit will be the speaker. Thursday, March 21st, the full length feature sound-movie, "Martin Luther" will be shown. This picture packed the movie houses of Detroit for months and is now being widely acclaimed as one of the great pictures of the decade. Thursday, March 28th, Dr. Milton Bank, beloved pastor of Central Methodist Church, Pontiac, Dr. Bank is well known for his great preaching among the people of Clarkston. Thursday, April 4th, Dr. Paul Durham, pastor of the First Methodist Church, Royal Oak, will be the guest speaker. The Lenten Services will close with the new color-sound movie just released from Hollywood last week, "The Crucifixion and Resurrection".

All those attending are invited to bring a dish to pass, buttered rolls for their family, and their own table service beginning on Thursday, March 14th.

MAILERS ADVISED BY POSTMASTER

Postmaster Mrs. Elizabeth Ronk today urged all Clarkston area mailers to use postal zone numbers when writing to individuals or firms in large cities.

"Nation-wide experience of the Post Office Department shows," the Postmaster said, "that some types of mailings gain as much as 8 or 10 hours by using zone numbers, because zoned mail can be sorted more quickly. When you use the Postal Delivery Zone System you reduce the number of times your mail is handled and thereby expedite its delivery."

Mrs. Ronk pointed out that the delivery zone system has been in use in this country since 1943 and has proved itself by many years of service. "One hundred and six major cities over the nation are zoned for delivery," the postmaster explained, "and these 106 cities handle about half of the nation's mail load of 58 billion pieces."

Midwestern cities where zone numbers should be included are: Chicago, Illinois; Evansville, Indianapolis and South Bend, Indiana; Des Moines and Sioux City, Iowa; Kansas City and Wichita, Kansas; Louisville, Kentucky; Detroit, Flint, Grand Rapids and Lansing, Michigan; Duluth, Minneapolis and St. Paul, Minnesota; Kansas City and St. Louis, Missouri; Akron, Canton, Cincinnati, Cleveland, Columbus, Dayton, Toledo and Youngstown, Ohio; Madison and Milwaukee, Wisconsin.

The Postmaster recommends the following specific steps for the benefit of local mailers:

1. Mailers in Clarkston who send considerable mail to major cities, where zone numbers are in use, may obtain zone directories for those cities by writing the Division of Post Office Services, Post Office Department, Washington 25, D. C.

2. When writing your correspondents ask what their postal delivery zone number is, and if they have one always use it.

The Village Weathervane . . .

by Jane Christman

WE ARE ALL AWARE that our community is growing by leaps and bounds. Such growth necessitates careful and thoughtful long-range planning and a watchful eye to the future with the requirements of our youth. According to the County Clerk's office, there were 3,500 residents in Independence Township in 1950. During the ensuing 7 years, the population has increased to 9,000. Waterford Township is the fastest growing township in Michigan and we are safe in assuming Independence is not far behind. The Women's Club is very much aware of the situation and was encouraged by the attitude of the panel members who honored us with their presence at our last week's meeting.

The consensus of opinion seems to be that there is an immediate need for a so-called "hang-out" or youth canteen here in Clarkston. Judy Weaver and Jerry Urick of the Student Council, ably presented the views of their fellow classmates. Their desire is for a place to meet informally, both after school and in the evening, where they may dance if they wish, gossip and chat if they wish, or just sit . . . BUT . . . sit with their friends. It need not be an impressive or pretentious

place, but merely one which they may call their own. Of course, there would be supervision in the form of a willing parent or grown-up who would volunteer a couple of hours periodically. The canteen could be self-supporting in that there would be a charge for special dances held and possibly coke and snack concessions. Jerry and Judy both emphasized the fact that there is no place for the young people to go following activities to hash and re-hash the events of the evening. The building located behind the Community Center was mentioned but I have not been able to learn whether or not it would be permissible to use it for this purpose. Such a plan would certainly be feasible under the leadership of the aforementioned panel thus integrating the efforts of church, school, local civic groups and parents. It seems to me a set-up of this sort would do much to keep the boys and girls occupied here at home, eliminating the necessity for them to go to more distant gathering places. What are your views on the subject?

RUTHIE ADDIS, five year old daughter of Leda and Dan Addis was rushed to Pontiac Osteopathic Hospital last Friday with

acute appendicitis. She was operated on early Saturday and is now recovering beautifully, and should be home now.

WONDERFUL TO HEAR that so many of our hospitalized residents are returning home . . . Dr. Yoh, Mrs. Ira Pence, Mr. Sam Bennett, Mrs. E. D. Rummans.

THE GERTRUDE ATKINS Circle is planning a Bible Study group which will meet regularly for three months . . . Rev. Richards in attendance.

METHODIST CHURCH had its largest attendance of this year for the late morning service last Sunday . . . 282 . . . Dr. Wm. O. Moulton conducted the service. He also baptized the two McConaughy children. . . he had baptized the children's mother many years ago in his previous ministry at the Ferndale First Methodist Church.

JACK BEACH, son of Mr. and Mrs. Don Beach of Church St., was home on leave recently from Washington, D. C.

MRS. RALPH JANS, daughter-in-law of Mrs. Paul Jans was here for a short visit. She and her husband are currently living in Vienna, Austria. Ralph is with the diplomatic corps. Maureen was in this country with her two sons due to the death of her father in Chicago.

REVEREND AND MRS. RICHARDS entertained 26 teachers and their wives in their home following last Friday night's basketball game. Lots to celebrate . . . another victory. . .

MRS. JAMES EASTON of Northview, fell last Tuesday night and broke her ankle. . . our sympathy to Mrs. Easton. . . she is the mother of two small children and things will no doubt be pretty difficult for awhile.

LT. J. G. JIM HUTTENLOCHER, son of Mr. and Mrs. H. W. Huttenlocher of Middle Lake Road, was home on leave from his Navy duties in Washington.

THE CLARKSTON MENS CLUB which met at the Methodist Church last Thursday, had its largest turnout of the year. 72 in attendance. Mr. Ziem gave a very interesting talk on his various experiences as Prosecuting Attorney.

MR. JOHN OSBO of Northview has returned home from a 10 day visit with his parents in West Palm Beach. . . Do you suppose he is responsible for the little bit of Florida weather we are so much enjoying today. . .

HIGH SCHOOL ORATORS TO COMPETE MARCH 1

Oakland County High School orators will compete at an unusual meeting of the 18th District American Legion, March 1, at Frank Wentland Post 253, Rochester and 12-Mile Roads, Royal Oak.

District Commander Charles Heatherington of Royal Oak states that the regular business meeting will be carried out in 30 minutes and the remainder of the evening given over to the oratorical contest.

He said that the program is part of the Americanism program of the Legion which is chairmanned in the 18th District by Elton Knapp. Knapp is also a candidate for department commander this coming year.

Each contestant speaks on the subject "The Constitution of the United States" with a time allotment of not less than 10, nor more than 12 minutes.

Later each one is called back for an extemporaneous speech of five minutes. Contestants are not identified other than by number until after the contest is over. Three competent judges have been selected to decide the winner.

District winners enter zone competition, with the five zone winners making up the state contest. Each state winner then has a chance to enter the national contest which offers a first prize of \$4,000 scholarship. The Michigan winner receives a \$300 scholarship.

The regular district meeting will start at 8 p. m. with the oratorical contest set for 8:30 p. m.

This marks the first time in the history of the district that such a contest has been held at a district meeting.

MANY VETERANS TO HAVE WHEEL CHAIR HOMES

More than 240 seriously disabled Michigan veterans have been approved to date for Federal Grants totaling more than \$2,400,000 for wheel chair homes as of February 1, 1957. Of these 240 Michigan veterans who cannot get about without the aid of wheel chairs, crutches, braces, or the like, and have established their eligibility for these special

grants, 131 have already received grants totaling approximately \$1,200,000 and either have moved into their homes or are in the process of building them. The remainder have not as yet put their plans into effect.

The Veterans Administration defrays 50 percent of the cost of wheel chair homes for eligible veterans, up to a maximum of \$10,000 under grants which were first authorized in 1948. The average grant is \$9,800.

These wheel chair homes in-

corporate such special features as ramps instead of steps; doorways and halls wide enough to accommodate a wheel chair; special bathroom features including ample space to permit easy access to each facility from a wheel chair; exercise rooms which are equipped to meet the needs of the veteran; emergency exits, etc.

In order to qualify for these special grants, veterans must be entitled to compensation for permanent and total service con-

nected disabilities for the loss or loss of use of both legs, due to certain specified conditions. The Veterans Administration assists veterans in obtaining specifications and blueprints for specially adapted homes; also assists them in negotiating any necessary finances and in every other way possible.

The veteran may use the grant in several ways. He may buy or build a home, remodel his present home to suit his needs in conformance with the requirements of the VA Medical and Surgical Department, or apply the grant against the mortgage if he already has a suitable home. Of the total number of grants paid to date in Michigan, 123 were for new homes and 8 for remodeling.

Trout fishing grows more popular in Michigan each year, with the addition of about 10,000 new trout anglers recorded every year since 1952.

WHAT DOES A TEENAGE BOY WANT WHEN HE REACHES THE AGE OF SIXTEEN?

by Dennis G. Gritzinger

The first thing an average American teenage boy wants when he reaches the age of sixteen is a car, or to him a jalopy.

Why does a boy want this car? Well, he wants it to take his girl to the Friday night dance; go with the gang to a movie, and he wants something to tinker with in his spare time.

He could go to his girl friend's home and ask her old lady . . . whoops! . . . dear mother and father for their car to go to the dance, but he's done that before and he told them—just that one time—so that's out. He could ask his Dad to borrow his car, to go to the movie, but his Dad always says, "No! ! ! not until you get an 'A' average, don't go to the games for a month, and do more work around the house". So, that's out because it's impossible to do those things.

A boy wants his car to look like a real gem. In other words, he wants spinners, hollywoods, duals, full race engine. He wants it chopped, shaved, shackled, customized, and many, many more things.

When a boy gets his car he respects it. He takes good care of it. He keeps it well greased, washed, keeps the motor in good shape, and the gas tank empty.

There are five things a boy knows he shouldn't do:

1. He shouldn't Drag;
 2. He shouldn't Race;
 3. He shouldn't Speed;
 4. He shouldn't lay a strip of rubber every time he takes off or when he goes around a corner;
 5. He shouldn't show off with his car.
- So, Dads of boys sixteen, let your boy have a car. He'll respect it and he won't keep asking for the family buggy, and he'll do more in school and at home. If you find out your boy can't respect the right to have a car, then step in and take over. Let him go back to walking, bumming rides from others and soon he'll respect his car.
- So, boys sixteen who want a car, show this article to Dads and hope. Maybe it'll help.

INTERVIEWS WITH SENIORS

by Sally Bauer

During this week's senior girl, Jean Longton, who is 5 feet 9 inches tall, with brown eyes, and reddish brown hair. In her spare time she likes to ice-skate and then eat hamburgers. Jean's favorite sport is horseback riding and when she goes Jean takes along her portable radio and listens to "Young Love". Jean likes to say, "Yup!" After she graduates from C. H. S. she is planning to attend a Commercial Arts School.

Introducing Ira Pence who is this week's senior boy. When I asked him what his favorite food was he replied "steak and lobster, and both together in the same meal is enough to kill any human being." In his spare time Ira likes to read and listen to "Little by Little". His favorite sport is football, and he likes to say "Aw Nuts!" His post-graduate plans are to attend college.

Last Thursday, after school, the Sigma Omicron Sigma Society (the S. O. S. Club) was called to order by the President Lola Johnson and Suellen O'Dell. They discussed several things, such as: making plans for field trips, discussing the Science Fair which will be April 6, from 9 to 7; and finishing plans for their dance which will be Friday night from 8:00 to 11:00 in the H. S. gym. It is to be called the "Phalanges Fling" and the price 35c stag, and 50c drag.

LAMB COOKING SCHOOL TO BE HELD
 A cooking school featuring lamb will be presented by Mrs. Marguerite B. Hague, home economist for the American Sheep Producers Association at the Rochester High School on Walton Boulevard, Tuesday, March 5th. Sponsored by the Oakland County Extension Service, the school will be staged in the home economics room starting at 3:00 P. M. A similar program will be held at 8:00 P. M.
 Hostesses for the occasion will be the Rochester High School Future Homemakers Club and the Home Economics teacher, Miss Helen Wilson.
 Free tickets for the program should be obtained before March 4th by writing to Mary Hixon, Oakland County Home Demonstration Agent, 1260 West Boulevard, Pontiac, or to Miss Wilson at the Rochester High School.

SCHOOLS TO TRY TEACHING BY TV
 This year will be the biggest yet for experimentation in teaching by television, declares Edward Stasheff, associate professor of speech at The University of Michigan.
 "I predict that a great many elementary schools will experiment during the coming year with closed circuit TV, either

in one school or in a group of two or three schools situated close enough so that fewer miles of cable will be needed to connect them", he says.
 The U-M professor feels that "We have already proved TV's success in imparting factual information. The next two steps are to find some way of getting around the loss of human contact and to offset the very natural prejudice against anything mechanical and impersonal on the part of both students and educators."

INTERNAL REVENUE SERVICE ADVISES INCOME TAXPAYERS
 Many progressive businesses have in recent years stressed the ease and speed of telephone use in their contacts with the public. The Internal Revenue Service this year is intensifying its adaptation of the idea to provide assistance to Federal income tax payers with problems.
 "We began to emphasize our program of assistance by telephone during last year's filing period", Mr. James F. Deane, Assistant District Director, recalled. "It was a big help to taxpayers and we were very pleased at the response. We think, from our study of last year's program, that a majority of taxpayer questions can be satisfactorily answered and computations explained over the phone."

"From his table at home or his office desk, the taxpayer with a question can call us up, with his form and records before him, and get a clear and understandable answer. There is no distraction, and, at this time, there is no waiting. As the filing season approaches April, of course, we can't guarantee that one or the other of our information lines will be open. The best advice I have is start your return, find your problem, if any, locate the telephone number available for our service in your area - and call us now."

VERBAL ORCHIDS TO MR. AND MRS. BOYNS

(continued from page 1)

one of the caroling festivities. The Huttenlochers were entertaining the carolers and Reverend Atkins presented it to them in complete surprise. Not many

had dry eyes at this touching moment.

Tom Boyns is not a very big man in stature, but he commands a powerful bass voice. This bass voice has been most effective to call into line some six-footers who start fooling around, as kids will, in Fellowship with just

something as undramatic as "that's enough, boys"—and the kids love him for it, too.

Mr. Boyns is employed at the Ford Motor Company in Milford. He expects to be transferred any day to the new plant near Ypsilanti. We're hoping it will not take them away from us.

Young people not only enjoy their group leadership, but many seek their loving and understanding counsel.

Mr. Boyns is also chairman of the Church Music Committee and is on the Board of Directors. Both Mr. and Mrs. Boyns serve on the Board of Education. Between the Sunday church services, they serve coffee and donuts to the young people's choir before the young people go on to their Sunday School classes.

Mr. Boyns has been appointed by the Township Board to serve on the Community Center Board. He also serves on the Village Zoning Appeal Board. Mrs. Boyns

is active in the church women's W. S. C. S. Her last project has been raising funds and organizing helpers for the new Junior Choir surpluses. They were worn for the first time February 24.

The Boyns' three children live within the area: Muriel (Mrs. Roy Spencer, Jr.) of Pontiac; Doris (Mrs. Henry J. Storer, Jr.) of Clarkston; and Leslie of Metamora. All three children are married. The Boyns' have one grandchild, Tommy, son of Mr. and Mrs. Storer, who is named for his grandfather.

There are many anecdotes which could be added here, and many of the readers will have their own humorous or heart-warming experiences that will make the mention of Mr. and Mrs. Boyns with a warm glow. Floyd Amos was a good one. Tom will take most undertakings without a fear, except climbing up to the roof. Floyd recalls he and Tom were building a chimney on a two-story house, but had to use a ten-foot scaffold to keep them from falling. Some of the humor of it by taking a picture.

NOTICE

BOARD OF REVIEW
The Board of Review of the Village of Clarkston will meet Tuesday, March 5, 1957, from 8:00 a. m. until 5:00 p. m. at the Village Hall for the purpose of reviewing the 1956 assessment and to handle any other business that may come before the meeting.

Lloyd Sibley, Assessor

In Memory

In loving memory of Elizabeth M. McCrum who entered into rest, March 4, 1956. God took your hand, we had to part. He eased your pain, but broke our hearts. Sadly missed by her husband, sons and daughter.

Appreciation

I would like to thank all of my classmates, friends, neighbors and relatives for all the cards and gifts sent to me while I have been sick. I enjoyed and appreciate all of them.

Rusty Wilson

Card Of Thanks

I wish to extend my sincere thanks to all who remembered me while in the hospital and while convalescing at home. The cards, gifts, calls, and flowers helped to brighten many a dreary hour.

Mrs. James C. Jennings

Badger fur, while thick and handsome in color, is rather coarse and is not valued very highly.

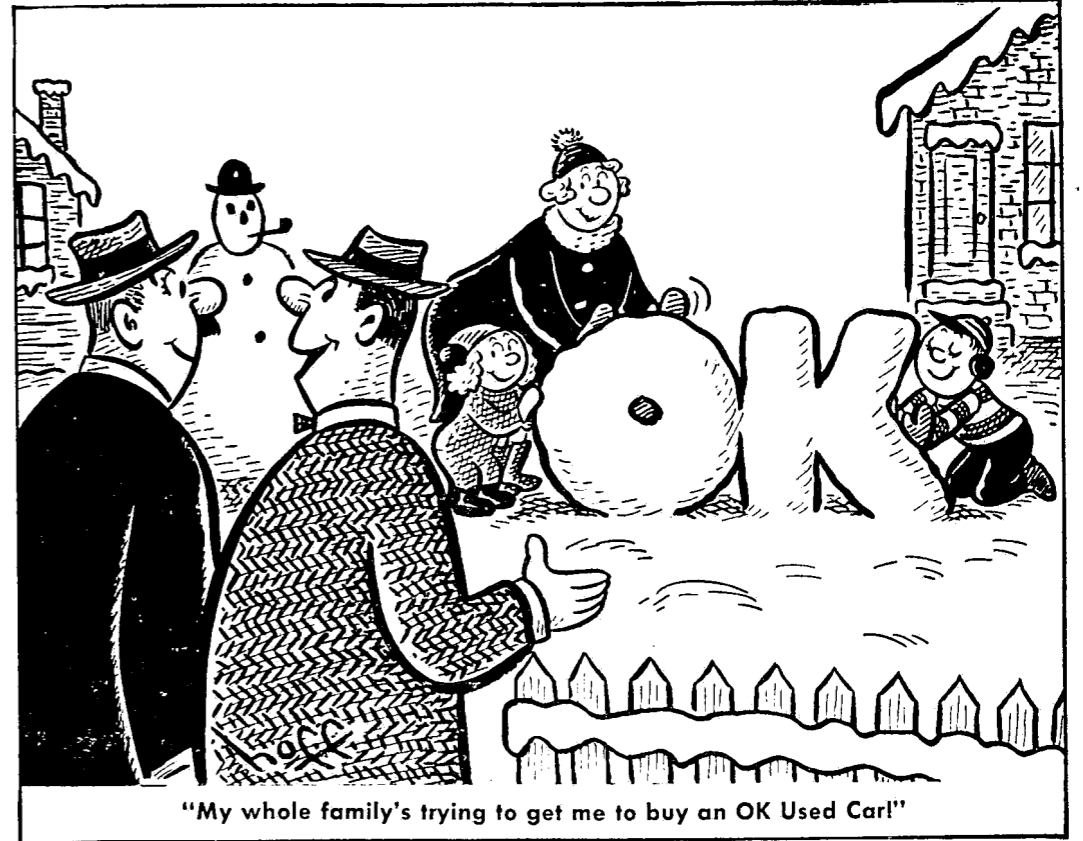

Foxes have several calls, the commonest being a short, yapping bark.

Baby skunks are usually born in April or May. Six is an average litter.

Unlike the Atlantic salmon, which enters fresh-water streams to spawn and then returns to the sea, the Pacific species spawn

in fresh water and then die.

As many as 15,000 eggs may be laid at one time by the American toad, but less than one tadpole in a hundred will live to reach the adult stage.
