The Rotary Anns of Clarkston have given the Library "Cavalcade of America" by E. Carl Carmer. This is an attractive new kind of American History told through the stories of men and women who made it. This book contains short biographies of 100 American men and women from all walks of life. It is beautifully illustrated and will be of interest to everyone from junior-high up.

Reverend and Mrs. William Richards have given a subscription to the "New York Times Book Review". This will be of great help to the Library Board in selections of new publications. The Pioneer Club has given

four more memorial books: "America Remembers" by P. Samuel Rapport. A collection of short stories and memories of Americans a generation ago and stories of our best loved customs and traditions. This book was given in memory of Lèm Van-Syckle.

"My Forty Years With Ford" by Charles E. Sorenson. Recollections of Henry Ford as told by a man who was undoubtedly more closely associated with him than any other person outside his immediate family. This book was given in memory of Frank Howland.
