YOUR COOPERATION Civilian Defense is now in the spotlight again in this area as the tornado season seems to on Thursday night of last week Leader: Merle Bennett, Ground Observer Post Director and

Frank Green of the local police. It was decided that the tornado alert would be 8 blasts of the fire siren. The observers at the Ground Observer Post will not only watch the sky for planes but will keep a lookout for approaching tornadoes. They will then notify the fire department and the populace will be alerted by the 8 blasts of the siren. After the sound of the siren the people are asked to refrain from using the telephone as it might be needed for emergency calls. Also you should remain at home until the alert ends.

THE GARDEN GATE

For children who like to plant seeds and watch them grow (and most children do!) there are a number of fun ways in which this interest may be fostered. Try letting them sprinkle a small amount of wild bird seed on a pot of garden soil. Cover it lightly with a layer of soil, water the planting, and within a week or ten days all sorts of odd plants will push through the soil.

Or select a sweet potato showing signs of sprouting. Insert one end in a small-mouthed glass of water, place in a sunny window, and before long you'll vine. Seeds from the children's

breakfast grapefruit will sprout quite readily when they are potted and watered, and grow into an interesting and glossy-leafed An entertaining and educational experiment which will dem-

Mrs. Anna Powers is still confined to her home with illness. There will be a Good Friday Service at the Waterford Community Church at 7:30 in the evening. This will be a communion service, with special music and message.

PALM SUNDAY; HOLY WEEK AT LUTHERAN CHURCH

Festive Palm Sunday Services and Solemn Holy Week Services at Christ Lutheran Church, Airport and Williams Lake Roads, have been announced by the Rev. Arvid E. Anderson, Pastor, and the Board of Deacons. Next Sunday, April 14, is the traditional celebration of Christ's entry into Jerusalem, and at Christ Church the Palm Sunday Service at 11:00 A. M. will include festive music with anthems by the Senior Choir and the two children's choirs. Mrs. Martin Wager and Mrs. John Wiley are the directors. The Senior Choir will sing "He Is Coming" by Gerson. Pastor Arvid E. Anderson will preach the sermon on the theme The Welcome that Troubles" A large group of adults and children will be received into membership at this service. In the evening at 7:00 the Board of Administration will be hosts at an informal reception in honor of

During Holy Week, solemn services will be held on Maundy Thursday, April 18th, when The Lord's Supper will be celebrated at 8:00 P. M. and at 10:00 A. M. Pastor Anderson will preach the sermon on the theme: "Pictures of the Passion".

these new members.

On Good Friday from 12:30 2:00 the traditional Good Friday Service will be held, sponsored by several churches of the community. It will be held at Christ Church, and people of the community are cordially invited. At 8:00 P. M. on Good Friday, the Senior Choir of the church under the direction of Mrs. Martin Wager will sing the Good Friday cantata, "The Seven Last Words" by Dubois.

Easter Sunday Services will be held at 7:00 A. M. and 11:00

N. Y., to Moscow to fully acquaint the Soviet government with the true aims and purposes of Jehovah's Witnesses.

"We have acted only in good faith", Mr. Strong said. "Following the petition's adoption at each assembly, copies were sent by registered mail direct to Moscow and a copy for the Russian Embassy in each country was deolai A. Bulganin of the U. S. S. R. livered in person. Most of the ambassadors would not see us", he reported, "but we were able gregation of Jehovah's Witnesses, to talk to some Soviet diplomatin announcing the contents of ic officials. To date, the Soviet

> "Furthermore, when a copy was offered to the embassies many of the Russian officials refused to accept it, not even wanting to touch it, as if it were dynamite. Others insisted that many lies had been circulated about Russia and openly scoffed at the mention of the name of Jehovah God and claimed that the law of Russia was higher than the law of Jehovah and that it had to be obeyed in Russia."

In spite of all these deliberate rebuffs, the Watch Tower Society's letter assured Premier Bulganin that Jehovah's Witnesses, will stand ready to send their delegation to Moscow for the discussions proposed in the petition.

"Maybe their hearts will be hardened against us Just as Pnaraoh's was many centuries ago when Moses was sent to Egypt to demand the freedom of Jehovah's chosen people so that they could worship Him without interference", Mr. Strong said. "But even if the Communists continue to arrest our ministers, as they are doing in the U.S.S. R., and most of the Satellite countries, Jehovah's Witnesses must-and will, with the help of Jehovah God-continue to live Christian lives and worship the Most High."

Asserting their purpose was to inform the world of the bitter Christian persecution that still rages behind the Iron Curtain, Strong revealed, "A full report is being published in the April 1 issue of The Watchtower, official magazine of Jehovah's Witnesses. This issue will have stepped-up world circulation of 10,000,000 copies in 45 languages, which is three times normal circulation. Plans are being made by the Drayton Plains congregation of Jehovah's Witnesses to call at every house in this area with this significant report."

Plenty of hot water with DETROIT EDISON'S NEW ELEGIRIC

WATER-HEATING SERVICE

Bath time is fun time with lots of hot water

1957 electric water heaters, built to Edison's rigid specifications, give you all the let water you want!

Now Detroit Edison has joined with leading electric water heater manufacturers to bring you the most advanced electric water heating method at down-to-earth cost. With Edison's new Super-Supply Plan you get much more hot water than ever before for only pennies a day. No waiting for water to heat. No hot water shortages.

How Does It Wark?

New 1957 electric water heaters are built to give you large quantities of piping hot water automatically. The tank has two elements—one near the on one near the bottom — with greatly

increased wattages. In fact, because they are designed to supply hotter water faster, you can get more than twice the supply from the same size tank. And operation is completely

automatic.

What is Edison's Super-Supply Plan? To make these 1957 electric water heaters more economical, Edison is offering a new plan. The new Super-Supply Plan provides much more hot water than ever before, at a surprisingly low flat-rate charge. This means you have plenty of hot, hot water on tap all of the time to meet all of your family's needs.

Why Buy an Electric Water Heater?

Electric water heaters are the safest water heaters ever built. And these new models offer other advantages, too. There's no soot to clog heaters. No flues to limit where the heater must be installed. Put your new electric water heater where you want it, even in the kitchen or utility room. There's no flame to worry about. No odor from fumes. And insulation makes them cool, and they're noiseless. You can put your confidence in an electric heater built to Detroit Edison's rigid specifications for years of trouble-free operation.

Reddy Kilowatt invites you to check these tremendous advantages of ELECTRIC water heating before you

D. A. R. CHAPTER

(continued from page 2) Mrs. A. L. Travis and Mrs. Charles Ball.

Miss Agnes Hilton chapter hist-

orian reported the awarding of four certificates, by the chapter, to winners of an essay contest. The children from the sixth garde in the Whittier school, Pontiac for several weeks studied the scientific, educational and cultural contributions to our nation, by famous Negroes. Essays were then written on "Good Citizens" and were judged by Miss Hilton, the best essay writers received the certificates.

Judith Eldred of Watkins Lake | Lake, couple only. MAple 5-9721. epresented the chapter at the conference as a page. She together with the other pages carried the D.A.R. banner and the flag of the United States of America in the various processionals. Judith d_eθ - gred as personal page to the State Regent, Mrs. Clarence Wacker of birmingham.

-Lowest Priced Car with Tri-Power Carburetion!

Pontiac started 'em all talking by tagging this eye-popping Chieftain below 30 models of the low-price three. Now Pontiac has tossed another firecracker into the low-price field . . . with Tri-Power Carburetion available at extra cost on any model. Pontiac alone at so low a cost offers this sensational track-proved* carburetion system that has officially outperformed super-charged and fuel injection cars. Here's how it works: For normal driving, only one of three double-barrel carburetors is in operation. When you want a safety-surge of power, press your toe and pronto!—the other two carburetors pour out a bonus of go as long as you need it. Ease up . . . and you're back to the gas-saving economy of one-carburetor operation! In short—your new Pontiac Chieftain can be tame or terrific—at the touch of a toe! Try it, and you'll

see why they're biting their nails in the low-price field. Check the car . . . check the price . . . and all bets are that you'll graduate to Pontiac with plenty left over in your budget to celebrate the occasion!
