

Waterford

David and Phillip VanPlew of Grand Rapids spent their Easter vacation with Waterford friends. David was at the W. K. Ryan home and Phil stayed with the Karl Kenyons.

Blanche Compton of Kalamazoo is spending the week with her son and daughter-in-law, Mr. and Mrs. Ray Compton of Waterfront Drive.

John Watchpocket, with Mr. and Mrs. Ellsworth Watchpocket, were Easter guests of Mr. and Mrs. Ed. George in Broomfield Hills.

Mr. and Mrs. John V. Mourik of Burlington, Ontario, arrived Friday for a visit at the home of her parents, Mr. and Mrs. Carl Mulward.

Don Dryden, senior at Michigan State University, spent the Easter vacation at his home with his parents, Mr. and Mrs. Albert Dryden.

The Donald Helman family arrived by plane Thursday evening from Liverpool, England, and are at the Joseph Helman

home. Don, who has been in the army, and in England for the past three years, received his discharge last Thursday in New York. His family consists of his wife, Josephine, whom he married in England, and the two babies, Donna and Peter. Their furniture and car will be shipped from England and they will be making their home in this vicinity.

Mrs. Henri Buck left on Monday for a visit with the Emerson Mitchells in Broomfield, Pa.

Mrs. Emery Beedle had her family with her for dinner on Easter. Here with her were the Don Chamberlains and 3 sons from Davisburg and the Don Beedle family and Robert Beedle. The dinner was in honor of Don Chamberlain's birthday on April 14th, Don Beedle's birthday on the 29th and the Chamberlain's anniversary on the 19th. The only member of the family absent was a son, Randall, who is stationed at Camp Pendleton, California, and a phone call from him during the afternoon was enjoyed by each one who took turns talking with him.

Mrs. John Williams has returned home from St. Joseph's Hospital where she recently underwent minor surgery.

Mr. and Mrs. Henry Mehlberg had most of their family with them on Easter. Mr. and Mrs. Fred Tuck and daughters, Barbara and Carol, from Rochester, and the David Mehlberg family from Drayton Plains were with them for the day. Their son, Robert and family spent the day in Toledo with Mr. and Mrs. Clifford Mc-Mackin, parents of Bob's wife.

Mrs. Anna Power enjoyed a lovely Easter at the home of friends, Mr. and Mrs. Chester Harold of Pine Knob Road. Mrs. Power has been confined to her home with illness for many weeks.

Mr. and Mrs. Robert Snyder and son, Wayne, drove to Hillsboro, Ohio, for the week-end. They took his mother home af-

ter a 3-weeks visit here and Wayne remained with his grandparents in Ohio for a couple of weeks.

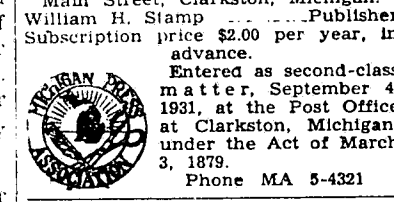

The Ladies Auxiliary of the Waterford Community Church will entertain the Ladies Guild of Christ Lutheran Church on May 2nd. This will be a social meeting and luncheon at 12:30. Mrs. Kline Powell is chairman of the food committee, and assisting her are Mrs. William Granger, Mrs. Roy Pammenter, Mrs. Lawrence Giddings and Mrs. W. B. Banghart. Mrs. Carl Milward, Mrs. R. Young and Mrs. Robert Winne have planned the program. The dining room committee is headed by Mrs. Thomas Corbin with Mrs. Hugo Magnusen, Mrs. David Mehlberg and Mrs. William King assisting her.

Last Sunday was the end of the Waterford Community Sunday School contest between the Reds and the Blues, with the Blue side the winner. The attendance goal of 500 was topped with 536 in attendance at the closing of the contest. The Sunday School party will be held on the 25th at the Isaac E. Cray Jr. High School from 7:00 to 9:00 P. M. Fathers, mothers and children will enjoy the games and refreshments planned for the evening.

ask

My wife, who would inherit my company if I were to die first, is always asking, "How would I keep it going without you?" Well, it is hard to find and train the right man to take over the management. How can I protect her from what might be a hopeless situation?

Pine Marten, F. O. B.

This furry little visitor from Canada is one of several pine martens live-trapped in Ontario recently by Michigan Conservation Department workers. The martens, shipped by rail from Canada, were released in Porcupine Mountains state park in the upper peninsula as part of a program to re-establish the animals in Michigan. Pine martens, a tree-dwelling relative of minks and sables, were common in Michigan before dense forests were reduced by timber operations.

FIRST CHURCH OF CHRIST, SCIENTIST

Oxford, Michigan
Sunday School 11:00 A. M.
Sunday Service 11:00 A. M.
Man's God-given right of progress will be emphasized at Christian Science services Sunday.
Scriptural reading in the Lesson-Sermon entitled "Probation After Death" will include the following from Isaiah (9:2): "The people that walked in darkness have seen a great light; they that dwell in the land of the shadow of death, upon them hath the light shined."
The following selection will be among those read from "Science

and Health with Key to the Scriptures" by Mary Baker Eddy (233:1): "Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit as Jesus destroyed them. This is an element of progress, and progress is the law of God, whose law demands of us only what we can certainly fulfill."

"COLOR COMES CALLING" BY MICHIGAN BELL

A new program designed for feminine audiences, "Color Comes Calling," is being made available for booking during the spring housecleaning season. Michigan Bell Telephone Co. officials have announced. Presentations of the show, a demonstration of the use of color in decorating the home, can be arranged without cost through

the local Michigan Bell business office.

Designed expressly for women's club program use, "Color Comes Calling" explains simple, basic rules to help solve color decorating problems. In addition, it presents popular color schemes and explains how personal color preferences can be used to make the house reflect the homemaker's individuality.

Previously available only in the Detroit area, the show has won enthusiastic reception from women's clubs and church groups. The show was developed in response to requests from many women's club program chairmen, and augments Michigan Bell's variety of free lecture-demonstrations offered other clubs and service groups.

OLDSMOBILE
GEARED TO MIDWESTERN DRIVING

OLDs OWNER: "Mary and I decided we ought to get a little more out of life than just the ordinary things. That's when we started thinking about an Olds."

NEIGHBOR: "But what made you choose Olds?"

OLDs OWNER: "Well, we talked to our dealer. Frankly, it was quite a surprise to find that a Golden Rocket 88 cost lots less than we'd guessed."

NEIGHBOR: "That was a mighty good reason."

OLDs OWNER: "Of course, what really sold Mary was looks and style. It has a look that grows on you... won't be out of style overnight. Me, I liked the Rocket Engine. What a sweetheart! 277 horsepower!"

NEIGHBOR: "How does it ride?"

OLDs OWNER: "We think it's the smoothest ride we've ever had. I don't know what Olds did, but you can drive all day and arrive relaxed. No sideway... no leaning... no jolts. It's terrific!"

NEIGHBOR: "We've talked about getting an Olds, too, you know."

OLDs OWNER: "Here, I'll give you the name of my Olds dealer. He talks your language. Better see him soon."

GOLDEN ROCKET 88 HOLIDAY SEDAN

*277-h.p. Rocket T-400 Engine standard on all models. J-2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 312 h.p., available at extra cost.

The Village Weathervane . . .

by Jane Christman

Last Wednesday, Colleen Smith was presented with an honorary membership in the Clarkston Women's Club. This in a small way, expressed the gratitude of the entire club for the tremendous job she has done in organizing our Township Library. Colleen had some formal training as a librarian and had worked in libraries, but, as one friend expressed it, "she appeared like a Genii from a lamp" when she was needed. The library was opened formally on Feb. 16, 1955, after several months work, much of it done in Colleen's home by board members under her direction, making cards, establishing a filing system, lacquering and repairing donated volumes. The library opened with 500 books and now has 3000 volumes. Colleen has worked regularly each Wednesday classifying books and repairing them. She has also spent a tremendous amount of time and money attending meetings, corresponding and reading. It is said Colleen is the greatest single contributor of money as well as time in this worthy cause. She is also taking a Correspondence Course in library work in order to make her efforts more effective. Difficult as it may be to believe, her activities have not been confined here. Since her transfer from the Metropolitan Methodist Church in Detroit to our local one here in Jan. 1951, both she and her husband, Philip, have served in many capacities. Colleen was Supply Secretary for several years, paving the way for the present organized system now used for religious instruction of the children and youth. She was, at one time, Recording Secretary for the W. S. C. S., and has served in various offices of the individual Circles of the church. Colleen has been of tremendous help to her husband during the time he was Sunday School Superintendent, and also in his present service as Chairman of the Board of Education. She has also agreed to be Church School Librarian when it is established. Colleen and Philip are the parents of five beautifully-mannered, intelligent and attractive children. Each, in his or her own way, is captivating. We were told by one who knows "they are just plain good company". Even though well disciplined, they are not cowed, but creative and imaginative and very industrious. This is a wonderful family of great credit to their community.

DAVE AND FRAN STEWART formerly of N. Main St., have moved into their new home on Parke Lake.

HALF THE male population of the township attended their annual Bowling Banquet last Saturday night. . . seem to have had a wonderful time. . . several cocktail parties given beforehand.

WOMEN'S CLUB met last Wednesday. . . much enjoyed a brief resume given by Mr. Chaffee of the "Ask Mr. Foster" travel agency, of the services rendered. . . he also showed an interesting movie of a trip to Hawaii. New officers were elected during the business meeting: Phyllis Stackable, Pres.; Betty Smith, First V. Pres.; Duffy Bell, Second V. Pres.; Georgina Auer, Corr. Sec.; Donna Goedde, Rec. Sec.; Jo Oakley, Treas.; Betty Games, Financial Sec.; Mary Colton, New Board Member. Next month's meeting will be principally social. Luncheon at Paul's at 1:30 followed by Bridge, if you wish. Please call Mary Ann Migan for reservations. The date is May 15. Don't forget. . . get your res. in. . . it should be fun.

OVER 1100 attended Easter Services in the Methodist Church last Sunday. This sets a record as the largest in the history of the church. . . Music was provided by a choir of 90 voices.

Had a lengthy chat with **LUCIA WILFORD** this morning. . . she and Jerry have just returned from California. Sounds as though they have some wonderful memories of their trip which should keep them occupied for a long time. Lucia told me of her somewhat panicky feelings (Jerry was just challenged) as they were pursued half way across the country by Mother Nature on a rampage (tornadoes, storm warnings and deluges of rain). They returned through the southern states which have been hit so hard recently. Lucia says she has returned with many new ideas for preparing food and rearing children (the brother whom she visited is the father of 7). She also did some painting of the unbelievably beautiful Laguna Beach area and her sister-in-law did an oil portrait of her. Wonderful as the trip was, we are all glad to have them home again.

MR. AND MRS. John DeLind are home after 2 months in Florida.

KRISSY SMITH, daughter of Dean and Betty Smith, entertained Gerilee Ellenwood of Birmingham over the Easter weekend.

MR. AND MRS. ED SPOHN of N. Main Street entertained Mr. Spohn's father, from Columbus, Ohio, over the week-end. The Spohns recently returned home from a vacation in Texas and New Orleans.

MR. AND MRS. WILLIAM JONES of Ortonville Road entertained many members of their family for Easter Day.

WE HAVE HEARD that the Easter Sunrise Service was especially inspiring. The youth

of the Methodist Church participated in Singing, Prayer, the Scripture Reading, and a playlet depicting the construction of the cross and search for bearers of it. Ira Pence was narrator of this especially moving and dramatic skit.

School News

The Sigma Omecron Sigma Society, Clarkston High School Biology Club was quite proud of the showing made at the Science Fair. Seventy-six projects were entered and approximately one hundred and twenty-five people reviewed the exhibits. Mr. Greene, Superintendent, and judge at the Fair presented the two outstanding awards to Mary Inman, high school, experiment in bacteria, and Ronnie Fusilier and Tom Knox, elementary, for their demonstration in electroplating.

The following students and their projects also received awards: **SUPERIOR** - Sharon Miller, Donna VonKuehnen, Prehistoric Man; Sue Cushman, Digestive System; Larry Blackett, Skeleton; Cheryl Waggener, Shirley Bauer, Rat Feeding Experiment; Cappy Buehrig, Digestive System; Ethel Rawley, Chicken Hatching; Mary Inman, Bacteriology; 6th Grade Pine Knob Class, Wheat; Roy Johnston, Kidney System; 3rd grade Clarkston Class, Rock Collection; 6th grade Pine Knob, Making Soft Soap; 5th grade Pine Knob, Sea Life; Patty Bullard, Sue Johnson, Poisons; Karen London, Solar System; Victor Isom, Ronnie Armstrong, Fish Hatching and Management; 6th Grade Class, Solar System; Sally Thayer, Solar System; 1st grade Pine Knob, Plant Life; Russell Frick, Muscles and Bones of the Head; Barbara Papi, Cross Section of the Head; Nora Cornell, Cancer Display; Pat Fredericks, Structure and Bones of Skull; Bill Jacobs, Don Jockwig, Bone

There's more to be proud of in this one!

You'll be proud of Chevy's frisky performance. And you'll take extra pride in its new careful construction, in the finishing touches you don't find in other low-priced cars.

There's a certain something about the new Chevrolet that puts it head and shoulders above the other cars in its field. Actually it's a lot of "somethings." It's a look of substance. It's Chevy's rock-solid feel on the road. It's the fine finishing touch that Chevrolet gives even the smallest details.

For one thing, the others don't have Body by Fisher. For another, they can't hold a candle to Chevy when it comes to performance. Remember, only a couple of months ago Chevrolet won the Pure Oil Performance Trophy as "best performing U. S. automobile." Automotive experts decided that. And you'll agree with them once you drive a new Chevy. You can't help but like the sweet, smooth and sassy way Chevy takes to the road! Stop by your Chevrolet dealer's and find out firsthand.

Come in now—get a winning deal on the champion! **CHEVROLET** Only franchised Chevrolet dealers display this famous trademark

Remember YOUR HOME NEWSPAPER

We solicit the privilege of carrying such legal publications. This form of advertising is valuable to us. When you support us in this way we are able to give you a better paper each week.

Either the probate court officers or your attorney will have your legal publication carried in The Clarkston News if you request it.

All matters handled through the Probate Court require a certain amount of legal publication in one of the county papers. Foreclosing a mortgage entails publication of the foreclosure notice in a county paper.

The Clarkston News

the last in a series of five presented by Pontiac Symphony Orchestra this season.

The work, named a Chippewa Symphony by the composer, takes its theme from the Chippewa Indians who lived in this area, and its rhythm from authentic Indian music in which voices set up a counter rhythm to accompanying drums.

At the same concert Stella Peralta Baumann, Detroit soprano, will sing three operatic arias, Batti, Batti, from Don Giovanni by Mozart; the Jewel Song from Gounod's Faust, and the Laughing Song from Die Fledermaus by Johann Strauss, Jr. A fourth solo will be Handel's "O Sleep Why Dost Thou Leave Me".

The orchestra, conducted by Francesco Di Biasi, will play the accompanying music and will present Suite Antique by Albert Stoessel and Overture to Mignon by Ambroise Thomas.

 Present: Hon. **ARTHUR E. MOORE,**
 Judge of Probate.

In the Matter of the Estate of Andrew Wayne Myers, Deceased.

Virginia Myers Becker having filed in said court a petition praying that the administration of said estate be granted to the petitioner or to some other suitable person, and for determination of the legal heirs of said deceased.

It is Ordered, That the 6th day of May, A. D. 1957, at nine o'clock in the forenoon, at the Court House in the City of Pontiac, Michigan, be and is hereby appointed as the time and place for hearing said petition.

It is further Ordered that notice be given to all interested parties as shown by the records in this cause by delivering a copy of this order to each of them personally, or by mailing such copy to each of them by registered mail with return receipt demanded addressed to their respective last known addresses as shown by the files and records in this cause.

And it is further Ordered, that public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing in The Clarkston News, a newspaper printed and circulated in said County.

MORTGAGE SALE
 DEFAULT having been made for more than thirty days in the conditions of a certain mortgage made by Kenneth D. Willis and Grace Wyllys, his wife, to Clarkston State Bank, a

Michigan corporation, dated the 10th day of December, A. D. 1954 and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 15th day of December, A. D. 1954 in Liber 224 Oakland County Register of Deeds Records on page 382 to 384 inclusive on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Four Thousand Three Hundred Seventy Seven and 7/8 per cent interest, and all legal costs, by Seven and 28/100 (\$4,377.38) Dollars, and an attorney's fee of Fifty (\$50.00) dollars, as provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Monday the 6th day of May, A. D. 1957, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Saginaw Street entrance of the Court House in the city of Pontiac, Michigan, (that being the place where the Circuit Court for the county of Oakland is held), sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with charges and expenses, together with said attorney's fee, and also any sum or sums which may be paid by the undersigned necessary to protect its interest in the premises. When premises are described as follows, to-wit:

Lot 155 of "Harris Park", a subdivision, Waterford Township, Oakland County, Michigan, according to the plat thereof recorded in Liber 27 of Plats on page 20, Oakland County Records.

MORTGAGE SALE
 DEFAULT having been made for more than thirty days in the conditions of a certain mortgage made by George Hodge and Eileen Hodge, his wife, to Capitol Savings and Loan Company, a Michigan corporation, dated the 25th day of April, A. D. 1955, and recorded in the office of the Register of Deeds for the County of Oakland and State of Michigan, on the 17th day of June, A. D. 1955, in Liber 350 Oakland County Register of Deeds-Records on pages 479 to 481, both inclusive, on which mortgage there is claimed to be due at the date of this notice, for principal and interest, the sum of Eleven Thousand Three Hundred Sixty and 58/100 (\$11,360.58) Dollars, and an attorney's fee of Seventy-Five (\$75.00) dollars, as provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Monday the 17th day of June, A. D. 1957, at 11:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Saginaw

Street entrance of the Court House in the city of Pontiac, Michigan, (that being the place where the Circuit Court for the county of Oakland is held), sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with 7 per cent interest, and all legal costs, charges and expenses, together with said attorney's fee, and also any sum or sums which may be paid by the undersigned necessary to protect its interest in the premises. When premises are described as follows, to-wit:

Lots 76 and 77 "Silver Beach", a subdivision of the Southwest quarter of Southwest quarter of Section 12 and Northwest quarter of Northwest quarter of Section 13, Town 3 North, Range 9 East, and on southeast quarter of Southeast quarter of Section 11, Town 3 North, Range 9 East Township of Waterford, Oakland County, Michigan, according to the plat thereof as recorded in Liber 10 of Plats, Page 33, Oakland County Records, excepting that part, if any, included in the right-of-way to Michigan State Telephone Company as recorded in Liber 3 of Miscellaneous Records, Page 136. Also excepting right-of-way as described in warranty deed recorded in Liber 455 of Deeds, Page 268, Oakland County Records. Dated: March 1, 1957

Plenty of hot water with **DETROIT EDISON'S NEW ELECTRIC WATER-HEATING SERVICE**

New, more efficient water heaters—built to Edison's specifications. New water-heating plan from Edison. Together they make the finest hot water service ever offered in Southeastern Michigan.

Completely new, completely different, the electric water heaters for 1957 are not only the safest kind you can buy—they're the most practical, too. Built to Detroit Edison's own rigid specifications, dollar for dollar these new electric water heaters last longer than any other heater you can buy.

higher wattage heating units that operate completely automatically. As your hot water supply goes down, one unit automatically goes on—quickly heating up more water for you to use when you need it. No waiting, no worries. There's always plenty of hot water on tap. And because of this unique new design, you can get more hot water than ever before from the same size heater. Then, too, since it's built to Edison's own specifications, you know you can rely on the quality and depend on it to operate better, last longer.

For still greater economy—Edison's new Super-Supply Plan. To make the new electric water heaters even more economical, Detroit Edison has introduced its Super-Supply Plan. This simply means that now, for a surprisingly low flat monthly rate, you can get much more hot water than ever before for just pennies per day.

Safer . . . no flame, no fumes. There's automatic safety always built into an electric water heater. No flame, no fume. It's even safe enough, and good-looking enough, to go right in your kitchen or utility room. Because of its excellent insulation, it's cool to the touch—top to bottom. And only electric water heaters are so clean, noiseless and odorless.

Here is new proof that you always live better, electrically.

Roddy Kilowatt invites you to inspect these tremendous advantages of ELECTRIC water heating before you buy.

Fully Automatic	Yes

GOODWILL EXPANDS CONTRACT FACILITIES

Goodwill Industries has expanded its contract facilities, and has 2500 square feet available for new contracts, if and when they are available with private industrial firms," said Harold H. McKinnon, Executive Secretary today.

"Goodwill Industries hires physically handicapped people and considers age a physical handicap," said McKinnon. "We are now in a position to aid the Governor's committee for the aged in giving employment to many in this category. As the committee has pointed out, suitable jobs that older people can handle are a necessary factor in meeting this social problem in Detroit."

At the present time Goodwill Industries has 181 people employed over 50 years old. Some of these people have another handicap in addition to their age. A breakdown as to age groups is as follows:

Age group 50 to 59: 90 persons; 60 to 69: 70 persons; 69 to 79: 18 persons; 80 or over: 3 persons. Total: 181 over 50.

Goodwill Industries has proved over the past five years that it can handle small light assembly and manufacturing work as well as packaging. It offers industry a chance to help Detroit solve a

difficult civic problem and at the same time help themselves. Sub-contract work can be done as efficiently and economically by Goodwill as is done by private industry.

Contracts now in operation with Goodwill Industries include several with The Detroit Edison Company, R. C. Mahon Company, The Bulldog Electric Products Company, the Smith-Matthews Foundry Company, and WJBK.

Many other private industries in Detroit have from time to time been served by Goodwill's Contract Department, and in every instance the contractor was satisfied.

"We feel that industry needs Goodwill and that Goodwill needs industry," said Harold H. McKinnon.

"In allocating space for contracts to be done by employees whose age is such that it is considered a physical handicap, Goodwill Industries can point out three major reasons why older people hired under Goodwill auspices can do a good job of salvaging and light manufacturing or assembly work. Records prove that the aged have as good or better record of absenteeism than other employees on similar jobs. The aged have experience and loyalty that younger men and women don't possess, and being in a bracket where unemployment is high, they appreciate their jobs more, putting out more effort to do a good job.

"Goodwill intends to put on a concentrated drive for contracts during the next two months," said McKinnon. "It is hoped that many of the hundreds on the active waiting list can be hired. It is a project, however, which will take a combined effort of the Goodwill Staff and industrial and civic leaders", he said.

ciate their jobs more, putting out more effort to do a good job.

BROOMFIELD SEEKS TAX RELIEF

Immediate income tax relief will be sought in the House of Representatives by Congressman

William S. Broomfield (R-Royal Oak).

"Why wait a year?" asked Broomfield. "We are going to end up with a budget surplus this year of better than \$1.5 billion. We ought to pass that saving right back to the taxpayer where it belongs."

Broomfield said the avowed intention of some Democratic leaders to cut taxes in 1958 "is not soon enough. We need the tax relief right now."

"The Democrat-controlled Congress is trying to make political hay out of the income tax issue by waiting until an election year to cut taxes," said Broomfield. "If they really have the best interests of the Nation at stake, they will go for a tax cut right now which will mean lower payments when taxes are due next April."

Broomfield said the House of Representatives is in a "good position to start cutting right now. We have already approved reductions in the 1958 budget amounting to more than \$1 billion."

"The major part of the cuts are still to come. They include reductions in our foreign aid program and in our defense budget. Both of these items make up the lion's share of our coming budget."

Broomfield said he has received "literally hundreds of letters" from Oakland county residents asking for a cut in taxes. "Many of these people are small income wage earners and small businessmen, who are caught in the Federal income tax squeeze."

"These people need help. Waiting until 1958 for a tax cut isn't going to solve their problems for the coming year." Broomfield also criticized recent House action approving deferment of interest on Britain's debt to the United States until the year 2,000. "England's just recently reduced her taxes substantially. That ought to prove the country isn't in as dire financial straits as they would have us believe."

"We have economic problems right here at home which have to be solved," said Broomfield. "We ought to see that we are giving our own taxpayers as much consideration as we are giving the British."

ADVICE ABOUT SPRING MEALS

The homemaker comes "up to bat" three or more times a day in the kitchen. Whether she makes a base or a "homer" depends upon how well she matches the day's food needs to her buying and cooking practices, says the Consumer Marketing Information Agent, Mrs. Josephine Lawyer. Spring weather is adding new life to produce counters making it easier for her to score with dark green and yellow fruits and vegetables. Meat counters boast variety in kinds of meat and price per pound. Dairy products are increasing at this season, and there is a good supply of large size eggs.

California asparagus is increasing in volume, and generally speaking, quality is excellent. Cabbage is a favorite green vegetable to add at low cost.

Fresh fruit cups, fruit salads, and with cereal are just three of the many ways bananas might be used while they are so reasonably priced. The large No. 8 size of pineapple makes a good fresh fruit companion. Pineapple prices are lowest, supplies are heaviest, and quality is best during April and May. When the leaf-like spines at the crown of the fruit pull out easily, when it has a fragrant ripe odor, and when it has color for the variety (either yellow to deep yellow-orange) the pineapple is ripe.

Meat, eggs, and dry peas or beans will put the family on home base where protein needs are concerned. Two servings are needed each day. For those who are watching the budget after Easter finery and feasting, some of the thriffter choices include: large size Grade A eggs, ground beef, Boston butt, chuck roast of beef and variety meats such as liver or heart.

The egg is the cement that holds the castles of cookery together, once said a famous chef. You may use eggs to thicken a custard or sauce, to leaven, or lighten a souffle or cake, to hold together oil and vinegar in a creamy mayonnaise. Use egg whites to make cloudy soups clear, or an eggshell with some of the white still clinging to "settle" muddy coffee.

Clarkston Local

A total of 1,133 people attended the four Easter Services of The First Methodist Church in Clarkston. This was the largest turnout of any public gathering ever held in the village. Those who were a part of the congregation were deeply moved by the four choirs of over ninety voices as they sang the praises of the Risen Christ. An offering of nearly \$2,300 was received, most of which will be placed in the parsonage building fund.

If the glasses you are about to wash contained a liquid such as milk, rinse them first in cold water containing soda or other water softener. This helps to remove the milk and makes them much easier to wash.

An aluminum pan should nev-

er be exposed to continuous high heat when it is empty as this may cause it to melt on the bottom. Aluminum cooks food best with low heat and gives superior service. Good quality pots and pans, if properly cared for, will last a lifetime.
