Graduate Studies at the University. Mr. Jewell, a graduate of Clarkston High School, attended the University of Detroit and is now completing his junior year in the University of Michigan Medical School. He is affiliated with Phi Kappa Phi, a professional medical fraternity.

The wedding will take place June 14.

## Obituary

### MRS LEDA MILLER

Mrs. Leda Miller, 81, of Orion Road, passed away at her home on Thursday, May 2nd, following a lengthy illness. She was born in Waterford Township May 30, 1875, the daughter of Andrus and Barbara Struble Bradley. She and her husband, Benjamin F. Miller made their home on N. Main Street for many years. He died in 1946.

Survivors include one daughter, Mrs. C. C. Chamberlain of Clarkston; two sons, Bradley of Clarkston and Clark of Ortonville; six grandchildren and eight great grandchildren.

The funeral service was held at the Sharpe Funeral Home on Sunday afternoon with the Reverend William J. Richards officiating. Interment was in Lakeview cemetery.

### SMORGASBORD AT SASHABAW

The women of the Sashabaw Presbyterian Church are planning a smorgasbord dinner to be served at the church on Saturday, May 11, beginning at 5:30 P. M.

If you have ever attended one of these famous dinners then you know about the extra fine service and the delicious food. Plan to take the whole family to dinner on Saturday evening. There is no set charge for these dinners but a free-will offering is collected. The proceeds are used for a charitable project and for the church building fund. Last month the proceeds went for cancer research.

## Clarkston P. T. A. Meets Tonight

The final meeting of the Clarkston Elementary P. T. A. for this season will be held tonight, Thursday, May 9th, at 8:00 o'clock in the High School Gym. The guest speaker will be Arthur Ruhl, assistant administrator of the County Juvenile Court. Mr. Ruhl is a graduate of Wayne University and has been active in Juvenile Court work since 1950. He will speak on "Juvenile Delinquency." The public is cordially invited and parents are especially urged to attend.

Refreshments will be served by the 1st and 2nd grade room mothers.

The Future Teachers Club will provide a nursery at the school to allow the parents with small children to attend the meeting.

### CANCER WORKERS MEET WEDNESDAY

The Clarkston Service Branch of the American Cancer Society asks all women of this area interested in sewing cancer dressings to meet in the Service Center, located in the annex of the Community Building, at one o'clock on Wednesday, May 15th.

The Branch needs sewing groups to keep the supply of dressings replenished in the loan closet. Also any white materials such as sheets, pillow cases and men's shirts are needed.

The Mobile Unit of the A. C. S. which was in Clarkston last week was met with much enthusiasm from the people in this area. The Branch thanks Walter's Department Store for their cooperation, also Mrs. Fred Turk, Mrs. Glenn Kerton, Mrs. Jack Wignall, Mrs. L. M. Oakley, Mrs. Charles Beach and Mrs. Ward Robbins.

### GOODWILL TRUCKS HERE WEDNESDAY, MAY 22

This is the time of year when everyone in the United States begins to think of Clean-up-Paint-up duties, both inside and outside the home.

In recent years it has been put on a community basis with prizes given from the national level down to the local level.

We have improved here each year, both individually and collectively, in cleaning up our yards, back and front.

One of the important organizations in our Clean-up drive annually has been Goodwill Industries, who takes away our usable discards. By doing so, the organization helps the householder, who can make one telephone call and get rid of almost everything that is to be thrown away. It leaves the householder with a good feeling, knowing that he or she has helped give work to handicapped people, who take these discards, reconduct them and sell them in their retail stores.

Civic officials and Goodwill Industries both are asking again that you separate your usable discards from your junk and send anything repairable to the handicapped people at Goodwill Industries.

The next visit of Goodwill Industries pick-up trucks to Clarkston is scheduled for Wednesday, May 22. To arrange for a Goodwill truck to call at your home, call your local Goodwill representative, Mrs. Alfred Lee at Maple 5-3381.

### Rotary Club News

On Monday, at the Community Center, Marcus Davis of the Davis Camera Shop, entertained the Clarkston Rotary Club with 3-D pictures he had taken while on a trip to England, France and Belgium. The pictures were in color and being in 3-dimension they were very lifelike. An interesting feature of the pictures was that they showed very little, if any, of the destruction caused by World War II.

### Seymour Lake News

Millicent Solley will attend a training session for Camp Counselors at the Methodist Camp on Lake Huron this weekend.

Stanley Solley and daughter, Millicent, will go to Hamilton, Ontario, on Friday, May 10th, to attend the annual reunion of the 5th Field Ambulance Co.

Mr. and Mrs. Lee McIntyre returned to their home here Friday after spending the winter months in Florida.

## Honor Students Named At C. H. S

Lola Johnson has been named valedictorian and Joyce Shuler, salutatorian for the Class of 1957 at Clarkston High School.

Miss Johnson, daughter of Mr. and Mrs. Glen W. Johnson of

LOLA JOHNSON

2400 Mann Road, has a grade average of 3.96 out of a possible 4 point for her four years of high school. She has been an

JOYCE SHULER

active member of the student council, future nurses club, biology club, girls athletics and class officer. Lola will enroll at Harper Hospital school of nursing, in Detroit, next September.

Miss Shuler, daughter of Mr. and Mrs. Charles Shuler of 7531 Clintonville Road, has a grade average of 3.75 for her four years of high school. She has been active in the future nurses club and as a senior class officer. Joyce plans to enroll at Highland Park Junior College next September.

### MOTHER'S DAY AT METHODIST CHURCH

Three Morning Worship Services will be held at the First Methodist Church in recognition of Mothers Day, next Sunday, May 12th, the first beginning at 8:00 a. m., the second at 9:30 a. m. and the last service at 11:00 a. m. Reverend William J. Richards, the pastor, will preach on the subject: "A Mother's Life". The scripture lesson will be taken from Proverbs 31. The Junior Choir will sing and lead in the service at 8:00 a. m. and the 9:30 a. m. service will feature both the Youth Choir and the Junior Choir. At the 11:00 a. m. service the Senior Choir will sing and lead in the service of music assisted by the Children's Choir. The nursery will be open during the 9:30 and 11:00 a. m. services.

### Girl Scout News

At the meeting of Girl Scout Troop 390 we discussed more about our hospitality badge. We set the table correctly or practiced setting it that way. Lela Wilts and Sharon London furnished the treat of lemonade and peanut butter cookies. We had some left over so we gave it to Brownie Troop 445.

Susan Jackson, Scribe

### Cub Scout News

Cub Den 10 visited a Fire Station in Pontiac on Monday. The boys were accompanied by their Den Mothers, Mrs. Floyd Gordon and Mrs. L. V. Cushman. It was an interesting experience for the boys and they enjoyed seeing the fire equipment. The treat was furnished by Johnny Wilmot.

## School Census Starts May 11

It is again time for taking the school census. Enumerators will be calling at your home sometime between May 11 and May 31 for the purpose of obtaining the names and addresses of the children under 20 years of age together with the names of parents or legal guardians as required by Section 944 of Public Acts 1955 Revised.

Section 972 of Public Acts provides that any person who shall refuse to give any census enumerator of school children the necessary information for the compiling of a correct census or who shall intentionally give to such enumerator any false information as to names or ages of school children or as to the names or residence of parents or guardians of any school children shall be guilty of a misdemeanor.

Your cooperation will be appreciated.

### WOMEN'S CLUB MEETS NEXT WEEK

The Clarkston Community Women's Club will hold its final meeting of the season on Wednesday, May 15th, with a luncheon at Paul's at 1:15 P. M. Please call Mrs. C. J. Migan at MA 5-4367 for reservations.

## Local Students At Science Fair

Sally Thayer, daughter of Mr. and Mrs. Kenneth Thayer, and Mary Inman, daughter of Mr. and Mrs. DeForest Inman, went to Hillsdale last weekend to exhibit their science projects at the College Fair. Sally and Mary, juniors at Clarkston High, received awards at the Science Fair held recently at the local High School. Sally's project dealt with the solar system and Mary's with bacteria. Mr. and Mrs. Thayer went to Hillsdale on Saturday and brought the girls back on Sunday. While there they visited their daughter, Nancy, who is a student at Hillsdale.

## Boy Scouts Make Appeal

The Boy Scouts of Troop 49 of Clarkston are asking for a Scout Master. They feel there should be some man in the area interested in scouting and willing to give a few hours a week to help them. They are in danger of losing their charter unless they get a leader. They would like to start planning summer activities.

If you are interested in helping with this work please contact Frank Green at MA 5-5626 or Frank (Tink) Ronk at his barber shop.

## 21 Club Plans May Dance

The 21 Club will hold its last dance of the season on Saturday, May 11, from 8 until 10:30 P. M.

The young people of the 6th, 7th and 8th grades will dance to records furnished by a disc jockey from the University of Michigan, with Station WCBN. There will be special entertainment during the evening and refreshments will be available.

The Club members are reminded that no one in blue jeans or Bermuda shorts will be admitted to the dance.

Mrs. L. V. Cushman will be the chairman for the evening.

## Achievement Day Held Last Week

The County Home Demonstration Annual Achievement Day was held at the Oakland County Sportsman's Club on Thursday, May 2nd, with approximately 500 in attendance.

The theme for the day was "Around the World with Extension". The Past County Chairmen were in charge of the registrations and they are to be commended for the unique lapel name cards which were handmade little hats recognizing each country, as it was "International Day".

To open the program the children's chorus of 6th grade boys and girls of Webster School presented a couple of numbers.

Mrs. George Perry, County Chairman, gave the address of welcome, and the invocation. She also introduced the distinguished guests. Among them were Mrs. Leona MacLeod, Assistant Director of Extension at M. S. U. The main speaker of the morning was Mrs. Kimiyo Onaga head of the Home Economic Department at the University of Ryukyus, Okinawa. She told of life in Okinawa and related her experiences as a Home Ec Instructor.

About thirty women took part in the morning dress revue. They displayed the dresses they had made in the past few weeks. Mrs. Joyce Rapes, Assistant Home Demonstration Agent, was in charge of the Revue.

Mrs. Mary Hixon, County Home Demonstration Agent, introduced the County chairmen, leaders and secretaries and presented each with a small gift for their splendid work during the year. Members who had been active in Extension work for 25 years were recognized and presented with pins. They numbered 55.

At the morning session a very fine safety report was given. It was announced that about \$600 was already raised towards the purchase of a station wagon for the State Hospital.

The special speaker in the afternoon was Mrs. Kate Kopera, Detroit News Food Editor. She gave a foreign foods demonstration.

Special music in the afternoon was by Mrs. Rebecca Gould who sang several numbers. She was accompanied by Mrs. Bernice Rosenthal at the piano.

It was a busy day for all of the Extension Groups in the County, but they enjoyed every minute of it and a great many thought it was the best Achievement Day ever held.

We read about "the fisherman of the year", "the mother of the year", "the queen of this or that", but how many times do we read about "the good citizens of the year". In this category should be listed Clarkston's good citizen, Charles Broadway of 6665 Northview. His generosity and thoughtfulness has added greatly to the pleasure of driving along Perry Lake Road. Mr. Broadway, because he likes to see things neat and clean, went along Perry Lake Road and loaded his truck with trash thrown from cars by litterbugs and hauled it to the dump. Those who live along this road are especially grateful to Mr. Broadway.

## SKYWATCH PERTS

MAPLE 5-9861

### "8'S" AND COMETS

Between watching Jet maneuvering and perusing the northern sky for the wandering comet our G. O.'s were entertained during the past week. Seemingly the Jets were putting on a show just for us as they seemed to be playing around our Post.

When Charles Alexander called the Supervisor to ask how to report a Jet doing figure 8's over the Post, he was advised to report it just that way to the filter center and let them worry about it.

Those observers on duty after dark could get a good look at the visiting comet as it was visible even without glasses.

Pictured above at the First Annual Fellowship Meeting for New Members at the First Methodist Church are over one hundred people received into the fellowship of the church. The church has received 108 new members into its membership this year.

During Lent, the Pastor, Reverend William J. Richards, assisted by Mr. and Mrs. Thomas Boyns, instructed four classes in preparation for the reception of members into the church. Included in the group are 30 young people who united with the church on Confirmation Sunday, April 28th. They are planning to leave on a trip to Bob-Lo, sponsored by the church, on Saturday, June 15th.

Mr. Everett Butters, Lay Leader, told the story of the origin and growth of First Church of Pearl Harbor on December 7, 1941.

"The Proof of the Pudding" by Phyllis Fenner. Miss Fenner, a librarian for thirty years, knows what children like to read and why. This book serves as a guide to parents and grandparents in the selection of reading material for children of various ages. It is cleverly written and has the warm and frank expressions of children themselves who have read the books and what their reactions were. She recommends hundreds of specific books for various groups and types of readers. Look for this book in the children's section of the library.

Beginning June 1st the Library hours will be increased. The library staff would appreciate any suggestions you might have regarding the hours which you desire your library to be open to serve you better. If you have any preference won't you please call: Mrs. Philip Smith, MA 5-9051; Mrs. Esther Smith, MA 5-7137 or Mrs. Henry Rankin, MA 5-4581.

"The American Conscience", Roger Burlingame. A panorama of three centuries of American behavior as seen through the moral judgments of the people upon themselves.

"Born in a Crowd", Gloria Braggiotti. Next best thing to being born into the fabulous Braggiotti "crowd" is to share their mad and wonderful adventures in this warm, fond and funny story of their young days together. It is fun to read of famous people and this book is full of them.

The above books are this most recent additions for adult reading in the Independence Township Library.

Come in and browse around. There are many new books on the shelves as well as many of the old favorites.

In case you are a new resident in the community, your Library is located next to the Community Center on N. Main Street.

### Clarkston Local

The Children's Choir of the Methodist Church held a picnic last Tuesday at the home of Mrs. Charles Broadway, Choir Mother.

through the years, as the Fellowship Meeting opened. Mr. Richard Bullen, Chairman of Finances, and Mr. Robert Jones, Treasurer, explained on behalf of the Official Board, how the church received its support, and the manner in which it used its finances.

Mr. Kuga Kojima, Chairman of Missions, and Mr. George McRae related the story of the missions program of the church and presented a tape recording of the Navajo Indian boy whom the church supports in the Farmington Indian Mission in New Mexico. Mr. Philip Smith, Chairman of the Commission on Christ and Education, and Mr. Stanley White, Church School Superintendent, drew a colorful picture of the program of Christian learning among the children of the church. The future growth

of the church was outlined by Board of Trustees President, Mr. Harold Bauer, and then the nearly two hundred Board and new members separated into three groups, the women attending a meeting conducted by the president of the Woman's Society, Mrs. Harry Yoh; the men attending a meeting conducted by Lay Leader Mr. Butters, and the young people were told the story of the Methodist Youth Fellowship by Mr. and Mrs. Guy Littleton, sponsors, and Miss Pat Thayer, president.

The afternoon's program closed when the new members were entertained at an evening meal at which they were complimentary guests of the Official Board of the church. With the 108 new members the church membership now stands at 634 active members.

The true status of man, created in the perfect image and likeness of God, Spirit, will be set forth at Christian Science services Sunday in the Lesson-Sermon entitled "Adam and Fallen Man".

Luke's account of one of Christ Jesus' healings will be included in the Scriptural readings (Luke 5: 12, 13): "And it came to pass, when he was in a certain city, he beheld a man full of leprosy: who seeing Jesus fell on his face, and besought him, saying, Lord, if thou wilt, thou canst make me clean. And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (259:6-11): "The divine nature was best expressed in Christ Jesus, who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought-models would allow,—thoughts which presented man as fallen, sick, sinning and dying."

**TRY IT AND YOU'LL WANT IT!**

**J-2 ROCKET!**

**ECONOMY WHEN YOU WANT IT!**  
Here's the secret of its greater gas mileage. In the J-2 Rocket a single two-barrel carburetor serves the engine, at peak efficiency, for all your ordinary power needs. You choose your own kind of performance—you're in economy range up to 3/4 throttle. Yet you enjoy famous Rocket action all the way.

**POWER WHEN YOU NEED IT!**  
All three carburetors (six barrels) go into action, automatically, whenever the occasion demands. Push your foot to the floor, and you have extra safety power on top to whisk you up the steepest grade, or out of the path of danger. Here's alert action for added safety in any driving situation!

**OLDSMOBILE NOW OFFERS YOU THE MOST EXCITING NEW ENGINE DEVELOPMENT SINCE THE FIRST HIGH-COMPRESSION POWER PLANT!**

Greater economy for all normal driving! A greater reserve of extra safety power for the exceptional situation! That's why Oldsmobile's new J-2 Rocket Engine\* is like two engines in one. And you, the driver, are in complete control of how you want to travel. For practically all driving needs you enjoy the fuel-saving economy of a single carburetor. Or, a touch of the accelerator and past the three-quarters mark will bring two additional carburetors into use. This gives you gas-saving performance over a 50 percent broader operating range plus a reassuring reserve of power that means added safety. If you have not already tried the J-2 Rocket, your nearby Oldsmobile Dealer invites you to come in for a drive soon. Be his guest for a J-2 test. You'll find it is a totally new and wonderful driving experience.

\*Optional at extra cost on all Oldsmobile models.

**OSTEOPATHIC AUXILIARY PLANS ANNUAL EVENT**

The Oakland County Osteopathic Auxiliary will stage its annual Smorgasbord, Bridge Party and Fashion Show on Thursday, May 3, 12:30 P. M., at the Federal Savings and Loan Association Building in Pontiac. The smorgasbord table will be laden with favorite recipes prepared by the Auxiliary members, and Shiller's of Northland will present the fashions.

Co-Chairmen of the affair are Mrs. Gale Huddle, Jr., and Mrs. Paul Trimmer. Proceeds will go to the Student Loan and Research and the Scholarship Funds.

**ADVICE TO DISABLED PERSONS**

Thousands of disabled persons may be in danger of losing some or all of their Social Security rights. This pertains to civilians as well as disabled veterans.

By a 1956 Act of Congress, a new Social Security program for the disabled will start in July 1957.

For many disabled people who have been unable to work for several years, failure to file an application with their Social Security Office before June 30, 1957 will mean loss or reduction of Social Security protection for themselves and their families.

Severely disabled workers 50 and over may be eligible for cash benefits starting in July 1957. Disabled workers under 50 may have their Social Security records "Frozen" so that their average monthly earnings record — on which future benefits will be based — cannot "Melt Down."

The office of the Oakland County Department of Veterans Affairs has received many inquiries and we suggest that all Veterans who believe they may be entitled to some of the benefits under the Act of 1956, apply immediately to their nearest Social Security office.

The fact that a person is receiving benefits for disabilities because of service in the Armed Forces of the United States, may not qualify for the Social Security benefits under this or any other act.

**OLDIER FOLKS, CHECK DIET, EXERCISE**

How can older folks get enough of the nutrients they need for good health without gaining weight?

Easy-to-use diet patterns would be one way to help keep calorie intake low, yet emphasize milk, foods rich in vitamin C and other "protective" foods which are often neglected in many older people's diets.

This is one of the conclusions drawn from findings of research being done by Michigan State and six other state experiment stations. Part of the cooperative studies done at M.S.U. included calling on women and keeping records of their food habits to find out calorie intake.

Researchers found that from one-fourth to one-half of the people in the studies were overweight, but that on the average, calorie intakes were lower than they should be. This puzzling situation might be explained by the lack of physical exercise and by the use of modern labor-saving equipment.

The studies also revealed evidence of calcium-low diets in older people, which could be corrected by increased milk drinking. Nonfat dry milk is an example of food high in calcium and low in calories. This is the type of product that older people need to consider when planning their meals.

Vitamin C also was found to be lagging in older persons' diets, especially at low incomes. A

relationship between low vitamin C intake and poor conditions in teeth and gums was disclosed in the studies. Frozen and dried citrus concentrates, now available on the market, may help to clear up the low vitamin C intake problem by providing readily accessible sources of vitamin C year-round.

In general, the studies proved that older people need to include more milk, vitamin-rich fruits and more vegetables in their diets if they want to make their longer lives more useful and productive.

Spring is a dangerous time of year for Michigan wildlife, and especially for deer in northern counties. Because highway right-of-ways are open to the sunshine, greenery appears on trees here before it does in the deep forest. This draws deer to highways and makes them more liable to destruction by automobiles.

The Sigma Omicron Sigma Society is planning to visit Andy's Kingdom today, May 9, right after school.

The club is also waiting for their pins to arrive which we hope will be in the near future.

The S. O. S. Club will also present an award to some lucky senior on Senior Award Day. The advisors are Mr. Terry Thomas and Mr. Al Peterson.

There are 11 school days 'til the Senior trip to Washington and 20 school days left for the Seniors.

Thursday, May 16, there will be presented in the High School Gym the annual Spring Chorus and Band Concert. Tickets are available from band and chorus members. Tickets will also be on sale the night of the concert.

**C. H. S. CARNIVAL**  
by Connie Blimka

Friday, May 3rd, Clarkston held the Annual School Carnival from 7 to 10:30 P. M.

Among the many different concessions were: The Variety Show which featured an imitation of Elvis Presley by Dave Beni; The Spook House and a new item for this year—dancing in the cafeteria, which proved very successful.

As yet, the Student Council does not know the total amount taken in, but it is estimated that it is more than the amount of last year. This year the classes will receive one half of the prof-

its from each concession.

The high point of the carnival was reached at 10:00 P. M. when the King and Queen and their court were introduced. Senior Janice Farrell, Queen and Junior, Bill Noles, King, reigned over the carnival, along with Prince and Princess Larry Crouch and Naomi Armstrong, of the 8th grade. The court consisted of Bruce Hall, Louella Jacobs, Jay Campbell, Carolyn Warrick, Richard Caverly, Shanna Stewart, Neil Keith, and Janet Spangler.

Drawings for the door prizes were held after the announcement of the King and Queen.

Did you know that the Clarkston High School Counseling Office is handling summer jobs for students? But at this point there aren't any jobs to give the students, so the Counseling Office and the students are asking you to please comply. If you have any full time or part time summer jobs call the Counseling Office.

The Counseling Office will do its best to find a capable person for the work you desire done. A great many students have come to the Counseling Office looking for jobs and they all say they are willing to work, really work.

So, remember if you need a person to garden, do housework, to baby sit, do office work, odd jobs, selling, etc., call The Clarkston High School Counseling Office at MAple 5-5361. Thank You

**HI-Y CLUB**  
**ACTIVITIES FOR 1956-57**

by Harold O'Berry

The Clarkston Hi-Y Club, sponsored by Mr. F. Vincent and Mr. A. Lytle, started its service year with a dance held to raise money for the March of Dimes Crusade. Then the Boys' Club of Pontiac put out a call for old clothes and repairable toys, to which the Hi-Y Club of Clarkston responded by collecting 4 loads of old clothes and toys. The Cancer Drive was the next recipient of Hi-Y aid, as a dance was held and the proceeds went to support this movement.

The Christmas season found the Hi-Y boys selling Christmas wreaths. The one hundred dollars raised this way purchased clothes for needy families in the Clarkston area. A United States flag was also purchased and presented to the school. This flag was subsequently used by the Hi-Y Club in the presentation of the colors and the National Anthem before each home basketball game.

This spring two members of the Hi-Y Club were sent to the older boys conference in Manistee. Members also directed the parking of cars at local Easter church services. 141 Easter baskets were filled and delivered to the Children's Home. Initiation of new members was held April 25th.

At a future assembly, pins will be presented to the out-going and the newly elected officers. A picnic for the members is planned before school is out for the summer. Immediately after school is out a large group of the boys is traveling into the wilds of Canada for a five-day camping trip. This trip will be under the direction of the Y. M. C. A. services.

The club also established a fund for the Home Economic Department. This fund is for students who have a Home Economics class and are unable to purchase supplies.

Requests for the material should be addressed to the U-M Library Extension Service, Room 1, University Library, Ann Arbor, Michigan.

**D. A. R. CHAPTER**  
**INSTALLS NEW OFFICERS**

General Richardson Chapter, Daughters of the American Revolution, met recently at the home of Mrs. Earl McHugh of Sylvan Lake and installed the new officers who will serve for the next two years. The chaplain, Mrs. Eldon Gardner, installed the officers and will serve under the new regent, Mrs. Lloyd Porter of Waterford Township. Others are Mrs. George Edred, Mrs. William Kalwitz, Mrs. McHugh, Mrs. Harry Going, Alice Serrell, Sarah VanHoesen Jones, Agnes Hilton, Adah Shelly, Mrs. Harry Chapman, Grace Clark and Margaret Stewart.

Reports from the annual continental congress, held at the D. A. R. building in Washington, D. C., were given by the delegates, Mrs. Porter and Mrs. E. G. Clark. Also attending the congress was Mrs. E. V. Howlett of Sylvan Lake. The delegates told their impressions of the business meetings where speakers of national reputation spoke. In addition they attended the Michigan D. A. R. buffet supper and the banquet, both held at the Mayflower Hotel.

The guest speaker at the chapter meeting was Mrs. William F. Streit of Detroit, state chairman of the D. A. R. national defense committee. She discussed the resolutions adopted at the national meeting. Among the issues was a plea for a stimulation of spiritual values in our homes, schools and government, lest we lose the heritage of courage and faith inherited from our God-fearing forebearers. Policies endorsed urged that the study of American history be required in our schools and the promotion of February as American History Month, also opposition to the centralization of power in the federal government in relation to matters better handled by the states or private enterprise.

New members accepted by the society are: Mrs. James R. Peterson of Rochester, Geraldine Haynes, Doris Haynes and Janice Antona, all of Pontiac. Mrs. Porter announced that this month Junior American Citizens awards will be presented to the outstanding citizens in the various J. A. C. clubs sponsored by the chapter.

On May 30th the chapter will decorate the graves of Revolutionary soldiers buried in Oak Hill cemetery, Pontiac. The ritual will be held at the grave of Colonel Stephen Mack, one of the soldiers and a founding father of Pontiac.

**CREATIVE WORK BY KIDS GETS BOOST FROM TV**

Nearly all children's creative activities have had a tremendous impetus from television, declares Edward Stasheff, associate professor of speech at the University of Michigan.

"And this goes not only for painting and writing, but runs the gamut of hobbies such as puppetry, ballet, modern dance, and crafts," he states. "TV will do for ballet and modern dance what radio did for good music. Youngsters start dancing a bit just watching TV and then are spurred to join dance classes."

"Televised art activity is chiefly on the pre-school level. While Ding Dong School is no longer with us, there are other programs which encourage children to draw and paint at home.

In fact, more kids are doodling with crayons - and doing it more purposefully - than ever

before. TV gives them subject matter—not just the flower pot on the window sill or the pussycat in the garden. It's given the kids so much more contact with the world, that they now have something to draw about and paint about and sculpt about. My hunch is that the kids are more responsive to the formal art program in the classroom because they have become interested in informal art through TV.

"What's more, I predict that color TV five years from now will have an even greater stimulus on children's crafts activities. A lot of highly skilled craftsmen are spending a lot of their time and pains on costume and scenic design for color TV. Children will unconsciously be picking up a sensitivity to good color design."

**LIBRARY NEWS**

by Sharon McDermott

Another of the new fiction books on the library shelves is "Half Pint" by Elizabeth Montgomery, author of "The Story Behind Musical Instruments, etc." This is the story of a boy who is suffering from a problem quite common among teenage boys, the fear that they will never grow tall. Bart Skinner tries to compensate for his smallness by show-off stunts and practical jokes and he cannot understand why he is not popular.

His rivalry with Steve, the biggest and best liked boy of the crowd becomes all absorbing and the necessity to win the fishing derby almost an obsession. The idea for Half-Pint Fisherman came from the Alke Kids Fishing Derby, one of the first such derbies in the United States, held annually in the author's own neighborhood. The excitement and sportsmanship of the contest caught Mrs. Montgomery, as they will the reader. For boys from 10 to 14 years.

by Harold O'Berry

Last Thursday the Hi-Y Club held a business meeting in the high school gym. In the meeting the officers for next year's club were chosen: president, Richard Lippert; vice-president, Dennis Alexander; secretary, Harold O'Berry; treasurer, Bob Price; chaplain, Gerry Snover.

**U-M LIBRARY OFFERS CLUBS PROGRAM AIDS**

Program chairmen for women's clubs throughout the state are urged to take advantage of the package lending service which has been maintained for many years by the Library Extension Service of The University of Michigan Library. These packages of program aids supplement those available in the local library, Miss Clover Flanders, chief extension librarian, points out.

Drive with care... everywhere!

come try  
*Chevrolet's new*  
*Triple-Turbine*  
*take-off!*

Sweet, Smooth and Sassy—that's Chevy! Model illustrated, the Bel Air Sport Sedan with Body by Fisher.

Chevrolet's new Turboglide is the first and only triple-turbine automatic transmission in any car. You can feel the difference from your very first take-off!

Just slip Turboglide into "D" for "Drive" and pay it no mind. There is no "Low" or other positions to worry about because with Turboglide they just aren't needed.

For this is the automatic with triple turbines. One for quicksilver starts from a standstill. Another for cream-smooth cruising. And a third turbine that teams up with the other two for passing response that's safer all the way.

In GR (Grade Retarder) position Turboglide helps slow you down—saves your brakes on long, steep hills.

When you team Turboglide with Chevy's new Positraction rear axle, you've really got it made! This new engineering development delivers power to the wheel that grips, not the wheel that slips. You have surer, safer control on any road surface.

Try a Chevrolet with these two new extra-cost options at your Chevrolet dealer's.

A card from Mr. and Mrs. Fred Beckman says they are having a grand time in Europe. The card came from Venice, Italy, and they were on their way to Rome. They expect to be home sometime in May.

A card comes from Mrs. Frank Lambert who has been with her mother in Arkansas for several weeks, saying she is on her way to Atlanta, Ga., for a few days and then on to visit her daughter in Richmond, Va.

Reverend William Richards preached last Tuesday at the Sweetheart Banquet at the Central Methodist Church in Pontiac. The Methodist Youth Fellowship held its regular meeting last Sunday evening at the church. Ira Pence conducted the worship service and read the topic. After a short talk by Reverend Richards concerning the Sunrise Service Easter Sunday, the group enjoyed refreshments. Next week the MYF will have a guest speaker. Mr. Mustafa Salma of Jordan will speak on "Islamic Religion and Customs of the People of Jordan". He will also show slides.

The Pontiac Panhellenic Council held a Tea Sunday, April 28, for Senior girls in the surrounding area. Attending from Clarkston were Lola Johnson and Myra Woodall. The girls enjoyed a talk, "Panhellenic Rushing on Michigan Campuses", concerning sororities.

The Future Teachers' Club at Clarkston High School held a meeting last Monday afternoon and made final plans for a field trip to the Eastern Michigan campus Thursday. The group, sponsored by Mrs. Leslie Purslow, will tour the campus, attend a college assembly, and observe several classes.

The Fourth Nighters' Dance Club held its monthly meeting last Saturday evening. After a delicious turkey dinner, a successful takeoff on the Ralph Edwards

### Mrs. Michigan's Chocolate Pie

Good neighbor that she is, charming Mary Weitzel of Detroit, chosen Mrs. Michigan at the recent Mrs. America state finals in Detroit, shares with us her recipe for Chocolate Chiffon Pie.

At the national contest in Fort Lauderdale, Florida, Mrs. Weitzel upholds the reputation of Michigan cookery against skillful homemakers from other states and the District of Columbia in a Baker's Chocolate Dessert Contest. Her pie was a favorite of the family long before it was known as

**Mrs. Michigan's Chocolate Chiffon Pie**  
1/4 cup cold water  
2 squares (1 ounce each) unsweetened chocolate  
1/2 cup hot water  
1 cup sugar  
4 egg yolks  
1/4 teaspoon salt  
1 teaspoon vanilla  
4 egg whites  
1 unbaked 9-inch graham cracker crust  
Lightly sweetened whipped cream  
Soften gelatin in cold water. Melt chocolate in hot water over low heat. Remove from heat. Add gelatin and stir until thoroughly dissolved. Gradually add 1/2 cup of the sugar to egg yolks and beat until light and fluffy. Blend into chocolate mixture. Then add salt and vanilla. Cool.  
Beat egg whites until foamy. Add remaining 1/2 cup sugar, 2 tablespoons at a time, beating after each addition. Continue beating until stiff peaks will form. Fold into chocolate mixture. Pour into Graham Cracker Crust. Top with sweetened whipped cream.  
To make Graham Cracker Crust, combine 1-1/4 cups graham cracker crumbs, 3 tablespoons sugar, and 6 tablespoons butter, melted. Mix well. Press firmly onto bottom and sides of a 9-inch pie pan. Chill.

Pre-emergence treatment for weeds in corn is good control insurance when wet soil makes early cultivation impossible.

To get the best results from spray equipment, give it a thorough check this spring. Clean out the sprayer and repair broken parts, agricultural engineers emphasize at Michigan State University.

Some of the most attractive flowers used for home beautification are the colorful annuals. They are valued not only for their own beauty, but for the beauty they develop in the scenes in which they are a part. Obtaining a beautiful landscape effect with flowering annuals is not merely a matter of chance, but rather is the result of appropriate selection and arrangement. Frequently, home gardeners can be helped by charts that explain times various plants and flowers are in bloom.

Michigan's Upper Peninsula contains 30% of the State's land area and 24.8% of the State's population.

Michigan borders on four of the five Great Lakes. No place in Michigan is more than 85 miles from an inexhaustible supply of fresh water for industry, recreation and sanitation.
