

Waterford

Mrs. Henri Buck returned home the first of the week from a visit with the Emerson Mitchell family in Broomhall, Pa.

George Richardson who has been in St. Joseph's Hospital for the past ten days, ill with pneumonia and other complications, is quite improved. He observed his 85th birthday on Tuesday of this week.

Mrs. Henry Mehlberg came

home Sunday from her son, David's home in Drayton Plains, where she stayed for a week following her recent illness in St. Joseph's Hospital. She is getting along fine and able to be up and around.

Mrs. William Wagner and children, Sue and Wayne, are visiting her folks on Long Island, New York.

Reverend Edwin DuBois, whose recent heart operation received wide publicity, was in church Sunday for the first time since

the surgery was performed.

Mrs. Anna Powers, who has been confined to her home with illness for many weeks, had several callers on Sunday, with little remembrances for Mother's Day which helped to brighten her day.

Mrs. Bruce Witherspoon of Albany, N. Y., visited here recently. She was at the home of her sister in Pontiac and at the Verne Witherspoon home in Waterford. The Witherspoons lived on Waterford Drive for several years and moved to New York about two years ago.

Reverend and Mrs. Robert Winne left Sunday noon to drive to Los Angeles, California, where they will attend the I. F. C. A. Convention. They stopped enroute at the home of his parents in Elmhurst, Illinois. During their absence their children are being cared for by members of the congregation of the Waterford Community Church. Shirley is with the Lyman Girts; Douglas is at the Robert Taylor home and the baby, Mary Lou, is being cared for by Mr. and Mrs. Ed. Hill. The Winnes will be back by June 2nd.

Mr. and Mrs. Ellsworth Watchpocket honored their mother, Mrs. John Watchpocket, at a family dinner Sunday at their home on Oakvista Street. The occasion marked her birthday, as well as Mother's Day. Enjoying dinner and the day together were Mr. and Mrs. Henry Mehlberg and the David Mehlberg family.

Mrs. Ida Beattie observed her 82nd birthday on Tuesday. Other birthdays to remember this month include Elmer Davis on the 19th; Mrs. Robert Hixon, the 20th; Ray Everett, Janet Corbin and David Mehlberg, all on the 21st; Mrs. Robert Winne, on the 27th and Mrs. Ashton Emery the 30th.

Mrs. Ray Everett entertained several little folks and their mothers on Monday afternoon honoring her little son Bruce on his second birthday. Party refreshments were served on the porch and movies were taken of the children. Attending the party were Brian Weil, Kirk Tucson, Richard Everett, Stevie Lewis, Gwen White, and Bradley and Brenda Starkweather, and their mothers.

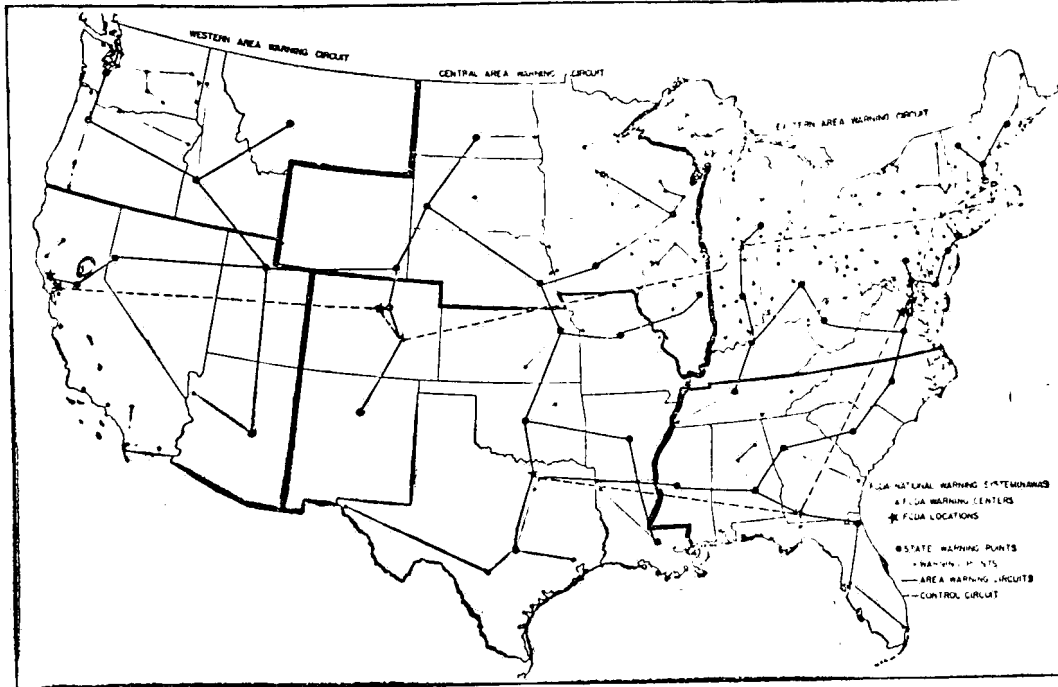

The Waterford Township Library Review Club will meet on Monday, May 20th at 1:00 p. m. at the home of Mrs. Karl Kreitz, 1841 Watkins Lake Road. The review will be given by Mrs. W.

H. Vann, Mrs. Gil Every and Mrs. Ruth Goodwin will assist the hostess. All interested women in the township are welcome to attend.

The King's Disciples Annual Spring Banquet will be held Saturday evening, May 18th at 6:30 at the Waterford Community Church. All young people 14 years of age and over are included in this banquet.

Reverend Noel O. Lyons, home director for the European Bible Institute in France, and the German Bible Institute in Germany, will be the guest speaker at both services at the Waterford Community Church this week, Sunday, May 19th.

The Good Will Club will meet on May 23rd at the home of Mrs. Percy Hunt in Pontiac. Mrs. Willard Stephen will assist the hostess. The time is 12:30.

NATIONAL WARNING System, including some 28,000 miles of wire, is shown with its intricate connections to 200 civil defense warning points across the nation. The new network may be used to sound a single national attack alarm from the Federal Civil Defense Administration's National Warning Center at Colorado Springs, or if necessary, from similar warning centers at Stewart Air Force Base, N. Y., or Hamilton Air Force Base, Calif. From the warning points, State and local civil defense hook ups would pass the word along to the people to evacuate or take shelter.

President Eisenhower's proposed budget devotes \$45 billion, almost two-thirds of the total to the cause of waging peace. About 90% of the budget increase is for major security programs. Great as this cost of peace may be, it is a small price to pay compared with the cost of war—such as the 157,530 casualties in Korea.

Speeding was blamed for 13,830 deaths on U. S. highways in 1956.

Nearly 28 per cent of U. S. drivers involved in fatalities in 1956 were under 25 years of age.

GOLDEN ROCKET 88 HOLIDAY COUPE

"Come on try it... there's nothing like a J2 Rocket!"

Olds Owners: Let me show you. This J-2 Rocket* is like two engines under the hood.

Friend: Neat trick—how does it work?

Olds Owners: It's a new progressive carburetor system. Gives you more economy... or extra power for safety. Take your choice.

Friend: Economy sounds swell... but with a big car like this...?

Olds Owners: You bet! They engineered the J-2 Rocket Engine for our kind of driving... top efficiency at normal driving speeds because it's fueled by one carburetor.

Friend: How about that extra power?

Olds Owners: Give it 3/4 throttle and two extra carburetors cut in. It's mighty reassuring to know you've got that extra power in the bank.

Friend: I get it. Economy when you want it—power when you need it.

Olds Owners: Correct. But talking about it won't give you the whole story. This one you've got to drive. Climb in—let's go.

PERSONAL NOTE: Your Olds dealer would like you to try J-2, too! It's available now on all models, including the Golden Rocket 88, lowest priced Rocket Engine car. Be his guest for America's newest driving experience.

*Optional at extra cost.

LOCAL STUDENT GETS READER'S DIGEST AWARD

Lola Johnson, valedictorian of the graduating class at Clarkston High School, has been given the Annual Award of the Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community, it was announced today by Mr. F. S. Goedde, principal.

Miss Johnson will receive an honorary subscription to The Reader's Digest for one year and an engraved certificate from the editors, "in recognition of past accomplishment and in anticipation of unusual achievement to come."

The Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class. The award to Miss Johnson, who is the daughter of Mr. and Mrs. Glen Johnson of 2400 Mann Road was made possible through Mr. Goedde and his teaching

staff. They selected Miss Johnson to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good reading after graduation.

FUTURE NURSES CLUB

The Future Nurses Club has been at Clarkston at least seven years. In the meantime it has handled many and varying projects. For instance, this year they have made three dozen stuffed toys for the Children's Hospital, place mats for the old folks home, Christmas decorations for the State Hospital and taken tours through several hospitals. To top this year off they had a Tea for their mothers last week.

The club's sponsor is Mrs. David McInnes and the president is Lola Johnson.

Week-ends are the most dangerous time to be on U. S. highways. In 1956, more than 56 per cent of all fatalities occurred on Fridays, Saturdays and Sundays.

M. S. U. CONDUCTS SURVEY FOR EDUCATION NEEDS

Residents of the community are urged to cooperate in a survey being conducted now by Michigan State University to determine the needs for post-high school education in Oakland and Macomb counties. Questionnaires will be given to many high school students and also will reach many of the area homes during the next week.

Distribution of more than two counties began early this week. The project is being conducted by M. S. U. with the close cooperation of local public and parochial school systems, reports Dr. Robert L. Hopper, coordinator of the M. S. U. survey team.

The questionnaires will be distributed to students in the 10th and 12th grades in the two counties and to the parents of children in the 2nd, 10th and 12th grades. All teachers and school administrators also will be included.

Information sought by this method will help M. S. U. plan its projected branch at the Meadowbrook Farm estate near Pontiac and also will help junior college study committees in the two counties.

"Michigan State urges the students, parents and teachers to cooperate in this important study", declares Dr. Hopper. Dr. Hopper is head of the department of administrative and educational services, M. S. U., College of Education.

The questionnaires were delivered Monday, May 13, to the office of the county superintendent of schools for distribution to the many local schools. The project previously had been explained to and endorsed by the various Macomb and Oakland county organizations of superintendents and principals.

"Other adults in the area will be brought into the project later this summer", reports Dr. Hopper. Questionnaires will be circulated later to civic-service clubs, management and labor groups, women's organizations and other representative groups in the two fast-growing counties. This survey will help Michigan State to analyze the area needs in planning the projected M. S. U. branch at the Meadowbrook Estate near Pontiac. Mr. and Mrs. Alfred G. Wilson gave the estate and \$2,000,000 to M. S. U. last January for a branch institution.

ARMED FORCES DAY SATURDAY, MAY 18

The Armed Forces of the United States, throughout the country and overseas, will be hosts to their American and International neighbors Saturday, May 18, when the Army, Navy, Air Force, Marines, Coast Guard and Reserve Forces throw open their gates to the public.

"Power for Peace" will be the slogan of the day on which the public is invited to take a close look at the national defense system.

Armed Forces Day Project Officer, P. A. Woessner, LCDR, USNR-R, U. S. Naval Reserve Training Center, announced that on this date at 1:00 P. M., Company M, 3d Bn., 125th Infantry Regiment, local National Guard Unit, commanded by Captain A. J. Largent, together with Company L, from Port Huron, commanded by Captain Jack Story, will stage a Mock Battle consisting of a Reinforced Rifle Company in the assault of a reinforced position. Rifles, machine

SPRING CLEANING IN STATE PARKS

Spring cleaning is always quite a task, but imagine the preparations necessary to receive 16,000,000 to 20,000,000 visitors.

Conservation Department park workers are conducting just such a massive spring cleanup and fixup campaign to make Michigan's state parks and recreation areas ready for the heavy flood of summer visitors. Some 16,000,000 persons made use of

state parks in 1956 and an even greater turnout is expected this year.

The annual maintenance job at some 60 state parks and recreation areas means thousands of man-hours devoted to painting, patching, repair and replacement of facilities worn by weather and heavy use.

Park crews have been taking advantage of fair weather this spring to carry out maintenance work on roads, sidewalks, picnic tables and stoves, bathhouses, concession buildings, toilets, beaches and other facilities. All types of equipment, from paint brushes to bulldozers, are being utilized in the race to get parks spick and span before the annual rush of visitors occurs.

Other crews are busy with the giant task of hauling and setting up thousands of picnic tables, stoves, wastebaskets and other equipment.

Unfortunately, some of the repair work is necessary because of damage caused by vandals. However, most of the maintenance needs are simply the result of intensive use by the public.

USE CAUTION WHEN HIKING

Learn to recognize Michigan's two most common poisonous plants—poison ivy and poison sumac—if you want to avoid them, the Michigan Department of Health said today.

Poison ivy can be found almost anywhere in the state—along fences, at the edges of roadways, near golf courses, in parks, near beaches and in recreation areas. It flourishes in shady as well as sunny locations and in both moist and dry soils. Poison ivy also grows in a variety of forms, appearing as a vine, shrub or bush.

Each poison ivy leaf is divided into three shiny green leaflets. An aid to identification is this old couplet: "Leaflets three, let them be."

Poison ivy sometimes is mistaken for Virginia creeper, which has five leaflets and is harmless. Virginia creeper can be identified by remembering that if the leaf has five leaflets just as you have five fingers, then it's all right to shake hands. The sumac leaf has between seven and 13 leaflets.

The non-poisonous staghorn sumac grows alongside poison sumac and resembles it in all ways except for a growing characteristic that makes identification easy. Poison sumac always grows in clumps, while the staghorn variety grows only as single plants.

The active ingredient in poison ivy and poison sumac is believed to be a mixture of four catechol compounds. This poisonous mixture is present in all the plant parts except the fruit. Inflammation of the skin can result from touching the plants, by touching animals, tools or

clothing that have contacted the plants, or by inhaling smoke arising from the burning of poison ivy or poison sumac plants. Parts of the body which have come in direct or indirect contact with poison ivy or poison sumac should be washed thoroughly with strong laundry soap, and a physician should be called immediately.

MICHIGAN BELL

TELEPHONE lines

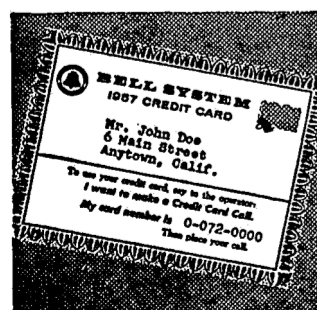

"MOM, can I stay at Tommy's for lunch?" Just a simple telephone message, but because of it Mom knows just where her youngster is. The telephone makes it easier to keep track of the children. Remind them to call you if they're going to be late

getting home from school or if they stop off at a friend's house. And, Mom, you can check on Junior's whereabouts just by calling the neighbor down the street. Why not let your telephone help you all it can? It's always there, ready to serve you whenever you need it.

TELEPHONE OFFICES

on wheels are being used in a number of fast-growing communities. Eight of these large trailers, carrying complete dialing equipment, are now in use. They were wheeled into rapidly built-up towns where the demand for telephone service increased faster than anyone could foresee. They serve up to 1,200 customers apiece. These trailers were put into operation in a matter of weeks. Michigan Bell was one of the first telephone companies to use this ingenious mobile central office to help provide service until telephone buildings can be enlarged to house permanent equipment.

BELL SYSTEM Credit Cards are now more convenient than ever. They make it so easy to telephone Long Distance when you're away from home. Just say to the operator: "I want to make a Credit Card call. My card number is..." Your call goes through and is charged to your own telephone. You'll find it comes in mighty handy when you're traveling or visiting in another's home. So, if you don't already have a Bell System Credit Card, call our Business Office and ask for one. Credit Cards are furnished free of charge, of course.

Drive with care... everywhere!

New Chevrolet station wagons have Body by Fisher, of course. Above, the Bel Air 4-door Townsman.

They're eager-beaver beauties... these Chevrolet wagons!

They're built to carry heavy loads, yes, but you can drive them with a light touch—these gay, good-looking Chevrolet wagons. You have six models to choose from—All Sweet, Smooth and Sassy!

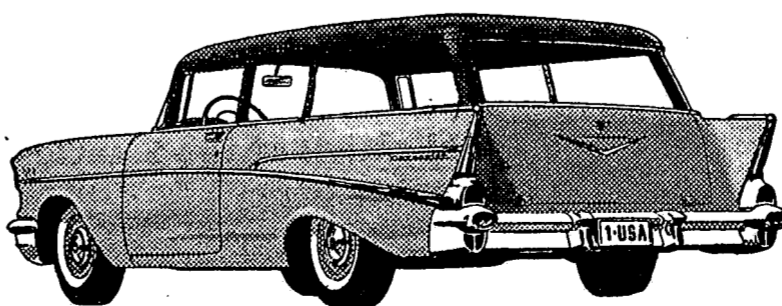

Talk about beautiful hard-working wagons! Chevrolet offers you the handsomest line-up of all to choose from. Whether you hanker for a wagon for do-it-yourself projects, to tote outdoor gear, or as an all-round family car—here are eager beavers to see. There are two-door and four-door models, with six- or nine-passenger capacities, and they convert to take up to half a ton

of cargo. The tailgate opens first, so you can slip in lots of loads without opening the topgate. Being Chevrolets, they have the performance, too, up to 245* V8 horsepower. And the one you choose will be a joy to handle with its steady way of going and alert response. See your wagon at your Chevrolet dealer's!

*Optional at extra cost. 270-h.p. high performance V8 engine also available at extra cost.

GET A WINNING DEAL ON THE CHAMPION!

CORN CONTEST FOR COUNTY FARMERS
A "Corn Contest" will be held again in 1957 for Oakland County farmers.
It was announced by Jay Poffenberger, Assistant County Agricultural Agent, that the contest will be sponsored by the Oakland County Crop Committee, composed of farmers and interested seed and fertilizer dealers.
Prizes donated by the seed and fertilizer dealers will be presented to the first, second, and third place winners in each division.
Entry blanks are available from your local seed or fertilizer dealers, and from the Co-operative Extension Service Office, or the Soil Conservation Service Office, 1260 West Boulevard, Pontiac.

ART STUDENTS SELL WARES
Kilns are being fired around the clock at Cranbrook Academy of Art as ceramic students prepare to meet a May 17 deadline when their annual "Lawn Sale" opens to the public.
The student-run sale will be held out-of-doors in the ceramic courtyard just off Lone Pine Road. It will be open to visitors and prospective buyers during daylight hours through May 30.
In addition to ceramic wares of all sizes and shapes, weaving, jewelry, drawings and some paintings will be for sale.

GOOD TOOLS AID GARDEN EFFORTS
Careful selection of garden tools can be the first step toward easier gardening and more vegetables for you this summer, points out Fred Widmoyer, extension horticulture specialist at Michigan State University.
You will need a hoe, rake, and shovel for your garden. A small wheelbarrow is also useful.
Check the handles of your hand tools when you buy them. They should be unpainted, as paint will hurt your hands and can hide imperfect grain. The grain of the handles should be straight, with no knots.
If you do buy painted tools sand the paint off with a fine (.00) sandpaper. Then paint with a mixture of 1/2 turpentine and 1/2 raw linseed oil. Several coats of this mixture will give a smooth waterproof coating that will protect the handles and the hands that use them.
See that there is a good head on the rake, and that it is firmly attached to the handle. It should have a strong shank, not merely

a spike driven into the handle. The shovel's weakest point is usually the shank, too. Get the strongest you can find, and don't use it to pry with.
A flat file will be needed to sharpen the hoe. A few minutes of sharpening can save hours of work. Use firm strokes on the curved surface of the hoe, and don't worry about making a "wire edge" on the blade. A single stroke of the file will remove it.
A rubber-tired wheelbarrow with ball bearing wheels can be a handy and inexpensive addition to your garden equipment. But one that isn't built well is no bargain at any price.

P. T. A. COUNCIL PLANS SCHOOL OF INSTRUCTION
The Oakland County Council of Parent-Teacher Associations will hold its annual Spring School of Instruction at Davisburg Elementary School, Davisburg, on Tuesday, May 21, at 8:00 P. M. Installation of new officers will be held, at which time the following people will be formally received into office: president, Mrs. Walter Havranec; 1st vice-president, Hugh Findlay; 2nd vice-president, Mrs. Harvey Hasock; recording secretary, Mrs. Arthur Heiple; corresponding secretary, Mrs. Dale McIntyre; treasurer, Mrs. J. L. Grovensteen; historian, Mrs. William Kelly.
This year there will be two

one-half hour sessions for workshops, enabling members to take advantage of two workshops during the course of the evening. The workshops are devised to aid officers and committee chairmen of the local P. T. A.'s in carrying out their duties. The workshops are as follows: Treasurers, Budget and Finance, Presidents and Parliamentarians, Juvenile Protection and Adult Education, Secretaries, Program, Safety, Hospitality and P. T. A. Magazine, Publicity.

Michigan's Future Forests

Conservation Department forestry workers package seedling trees for shipment to landowners engaged in reforestation programs. Each year, millions of young trees are produced at the Department's three state nurseries for plantings on private and state lands.

DEFAULTING MORTGAGE SALE
DEFAULT having been in more than thirty days in violation of a certain mortgage by George Hodge and Ellee his wife, to Capital Savings Company, a Michigan corporation, dated the 25th day of April 7 and recorded in the office of the State of Michigan, County of Oakland, on the 23rd day of June A. D. 1955, in 1 Oakland County Register 1. Records on pages 475 to 481, inclusive, on which mortgage claimed to be due at the time of this notice for principal and the sum of Eleven Thousand Fourteen Dollars and 87/100 Dollars, and an attorney's fee of Five (5.00) dollars, and interest on said mortgage, due on Monday the 17th June A. D. 1957, at 11:00 o'clock in the forenoon, Eastern Standard time, at the place where the Court for the County of Oakland, hold public auction, highest bidder, the premises set in said mortgage, together with any and all other items which may be paid by the mortgagor to protect it from foreclosure. Which items are described as follows, to-wit: a subdivision of the Southeast quarter of Section 12 and Northwest quarter of Section 13, Town 3 North, Range 9 and 10, and Southeast quarter of Section 13, Town 3 North, Range 9 and 10, situated in Oakland County, Michigan, which part, if any, is included in the right-of-way Michigan State Telephone Company as recorded in Liber Miscellaneous Records, Page 48, excepting right-of-way, as created by a certain deed recorded in Liber 435 of E. Page 298, Oakland County Records, March 1, 1957.

"2 hours more sleep on washday mornings... thanks to my WATER-HOTTER"

Some of the 13 reasons why **WHITE WATER-HOTTERS ARE BETTER**

1. White Enamel Finish—White's special durable enamel baked on by modern infra-red process maintains smooth, attractive appearance for years.
2. Pure White Fiberglass Insulation—Attains highest insulating efficiency. Keeps the water hotter, longer.
3. Inside Tank of Copper Bearing Steel—Zinc-in-lized. White's modern method of automatically freezing zinc slowly permits absorption of an extra durable zinc coating, inside and out, materially increasing life and safety of tank.
4. Butt-Welded Tank Construction—Absence of crevices or deep seams eliminates voids in galvanizing... does away with corrosion common with conventional lap joints.
5. Tank Supports—Reduce heat conduction away from tank... form strong permanently rigid base.
6. Recessed Base—Toe space type in conformity with the latest in home design.
7. Removable Front Panel—Permits easy access to operating areas.
8. Compact Design—Easy to handle—easy to install—requires little floor space.

White WATER-HOTTER
Electric Automatic Water Heaters

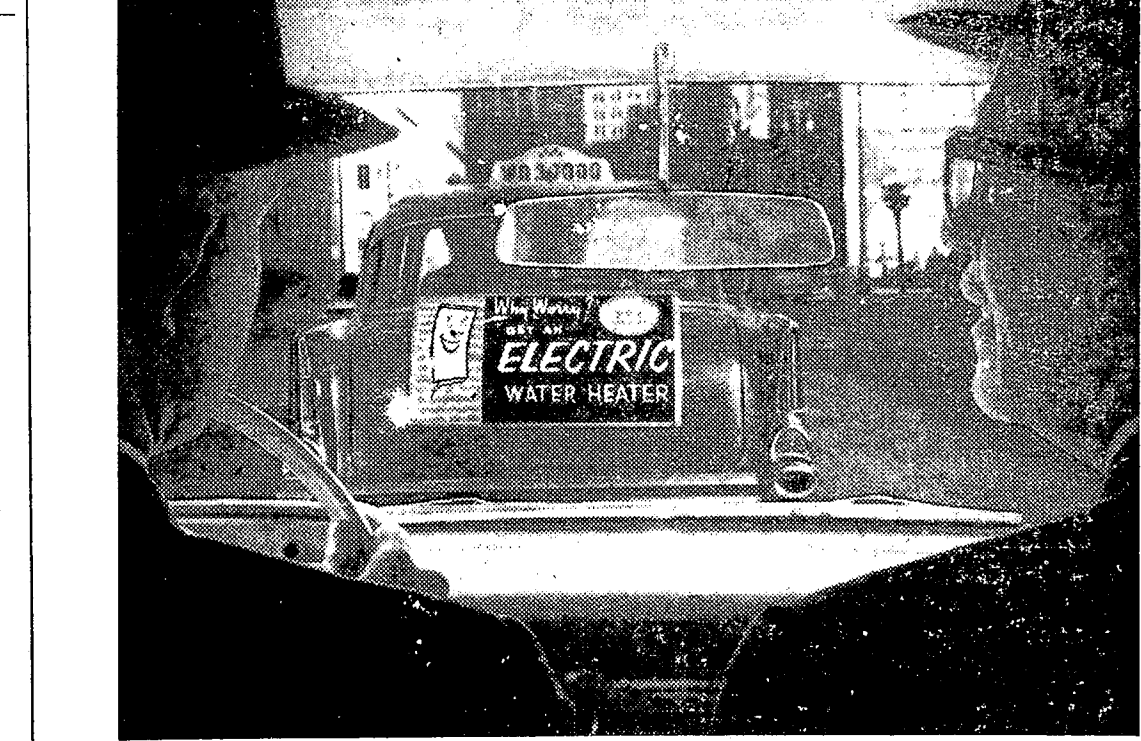

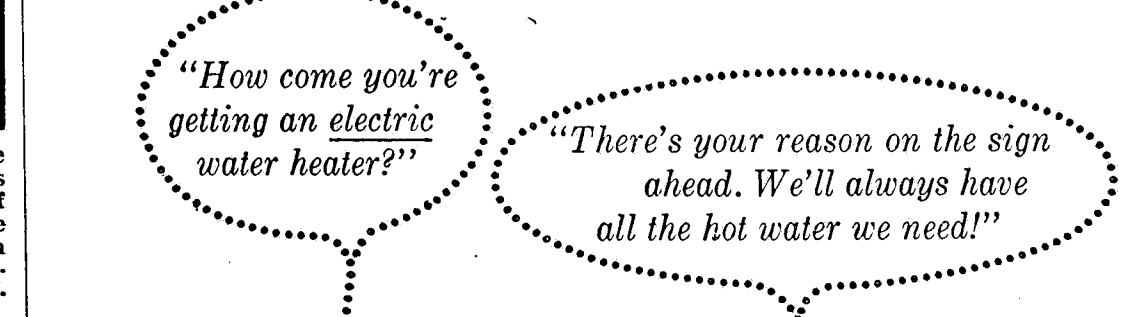

6.9% MORE hot water than most utility requirements with a White electric. Because White's EXCLUSIVE Water-Hotter baffles diffuse and temper incoming cold water—permits 6.9% more hot water with-

Many are the particular reasons given by delighted home-makers in praise of their **White WATER-HOTTERS**—but here's what they all add up to: (1) housework made easier, (2) much time saved, (3) more comfort, (4) greater cleanliness and, (5) substantial savings of money. Come see our wonderful **White** automatic **WATER-HOTTERS** and learn how easily you may have one in your home right now. Priced As Low As **\$89.95**

INSTALLED ON EDISON LINE AS LOW AS \$6.50 PER MONTH

SOMETHING NEW IN ELECTRIC WATER HEATING!
Only electric water heaters give you all these important advantages:
 Safest water heater built—flameless
 Plenty of hot water—24 hours a day
 Install anywhere—no flame, no flue
 Efficient—no heat wasted up a flue
 Cleanest—no soot, it's all-electric
 Cool to the touch—top to bottom
 Long lasting—built to rigid Edison standards
They add up to the finest hot water service ever offered in Southeastern Michigan.

FIRST CHURCH OF CHRIST, SCIENTIST

Oxford, Michigan
Sunday School 11:00 A. M.
Sunday Service 11:00 A. M.
Humanity's need of spiritual growth and progress will be brought out at Christian Science services this Sunday.

Keynoting the Lesson-Sermon entitled "Mortals and Immortals" is the Golden Text from I Corinthians (15:53): "This corruptible must put on incorruption, and this mortal must put on immortality."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (265:5): "Mortals must gravitate Godward, their affections and aims grow spiritual,—they must near the broader interpretations of

being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off."

Scriptural selections to be read include the following from Psalms (89:15): Blessed is the people that know the joyful sound: they shall walk, O Lord, in the light of thy countenance."

PAGINATION ERROR

Clarkston Locals

The Future Teachers' Club at Clarkston High School held an election of officers this week, and the new officers will be installed for the next school year at a ceremony on Monday, May 20, at the high school. The F. T. A. members' parents are invited to the installation, and a program is planned. The sponsor is Mrs.

Leslie Purslow and the president is Judy Weaver.

Mr. John Reabe's 5th graders at the Clarkston Elementary School are planning a picnic for this Friday afternoon.

The Future Nurses Club at Clarkston High School held a Tea for their mothers last Wednesday, May 8. A program was presented by the girls and refreshments were served. Carol Orr played a clarinet solo, and Betty Brian and Barb Tossey did a pantomime. Ann Pontz, secretary of the F. N. A., reviewed events and projects completed during the past year.

The Michigan Department of Health has several firsts: first state health agency to distribute blood plasma to hospitals and physicians for civilian use; leading state for providing community programs for the application

of sodium fluoride solution to the teeth of children; had first mobile X-ray unit in the country, October, 1940.

The middle west's first hydro-electric plant was built in Grand Rapids in 1881.

Card Of Thanks

The family of the late Mrs. Leda Miller wishes to extend heartfelt thanks for kindness and sympathy of friends in our recent sorrow. For the beautiful service, the floral offerings and other kindnesses we are deeply grateful.

MICHIGAN WEEK TO SET NEW RECORD

With nearly 4,000 citizens working on committees in every county and community through-

out the state, all indications are that the Fourth Annual Michigan Week Celebration, May 19-25, will surpass all others. It will focus national attention on the state! It will advertise Michigan's industrial products and resources. The state's agricultural products and tourist industry will be promoted. The cultural and educational advantages will be pointed up.

All Michigan residents are called upon to show their loyal-

ty to the state by displaying the Michigan flag during the annual celebration. Historically the Michigan flag dates back to 1837 when the first state banner was presented to Brady Guards, the first uniformed company of militia in the state. One side bore the state seal with a soldier and lady, and the reverse side carried the portrait of Governor Stevens T. Mason.

Following the Civil War a new design was adopted in which one side of the flag carried the state coat-of-arms on a field of blue and the reverse side, the arms of the United States.

The State Legislature changed it again in 1911 so that it carried only the state coat-of-arms, omitting the national arms on the reverse side.

Off The Shelf Elegance

Amazing . . . and so gratifying . . . to know that a dessert of this elegance can be made, literally and entirely, from ingredients right off the kitchen shelf! A package of butterscotch instant pudding, a can of evaporated milk, instant coffee from a jar—all stored without benefit of refrigeration—combine quickly into a dessert of interesting flavor and rich creamy texture. And, since making it calls only for shaking it, you can prepare this Toffee Pudding at a moment's notice for drop-in company; or plan to serve it to family or guests in a sophisticated manner, with an attractive topping of chocolate "curis".

Shake-A-Toffee Pudding

- 1 tall can (1 1/2 cups) evaporated milk
- 1/2 cup water
- 1 tablespoon instant coffee
- 1 package butterscotch instant pudding mix
- Toasted chopped almonds or shaved chocolate (optional)

Combine evaporated milk, instant coffee, and pudding mix in a shaker, quart jar, or other container with tight lid. Cover and shake briskly for 1 minute, or just until well mixed. Pour into serving dishes and let stand to set—about 5 minutes. Garnish with toasted chopped almonds, or shaved chocolate. Makes 6 or 6 servings.

SPORTING GOODS

ask

I'm taking a motor trip this month . . . and these days there's always the chance of a serious auto accident. Would my auto liability insurance company be able to step in quickly and help me if I were involved in an accident out-of-state?
