CLARKSTON, MICHIGAN THURSDAY, MAY 23, 1957

NUMBER 38

Memorial Day In Clarkston

As in previous years the Campbell-Richmond Post No. 63 of Clarkston has planned a program for Memorial Day morning. There will be a parade to Lakeview cemetery with the line forming at the Methodist Church corner at 9:30 A. M.

The local High School Band will lead the parade, in line just back of the color guards. Invited to parade are all Boy Scouts, Girl Scouts, Cubs and Brownies, with their colors; all veterans and Legionnaires and any others interested in marching to the cemetery. Frank Green will be the parade marshal.

The service at the cemetery will open with the National Anthem played by the Band; Invocation by the Reverend Gibson; Roll Call by Frank Ronk, Commander of Campbell-Richmond Post; Singing by a Quartet; the Gettysburg Address by Everett Butters; America by the Band; Address by the Reverend William J. Richards; placing of the Wreath by Frank Green; Rifle Volley by the American Legion; Taps and Echo by the band; Benediction by Reverend W. Gibson.

In case of rain there will be just a short program at the cemetery.

LOCAL CHAPTERS SPONSOR CONVENTION

The Nineteenth Annual Conference of Iota State of Delta Kappa Society was held at the Kellogg Center, East Lansing, from May 17 to 19 with 324 delegates registered. This international organization is composed of specially honored teachers throughout the United States and Canada.

Convention hostess chapters were Alpha Beta of Pontiac with Mrs. Irene Albright, president, and Alpha Gamma of Northeast Oakland County with Mrs. Leslie Purslow, president. Assisting the presidents on a Convention Steering Committee were Mrs. David Hicks of Pontiac and Miss Williamena Ribbink of Rochester.

Registrations for the convention started at 5 p. m. Friday when delegations from 38 chapters arrived for the Friendship Banquet.

Miss Catherine Riggs, State President from Saginaw, presided at all the meetings.

Speakers for the convention included Dr. Edith Sampson, former representative to the General Assembly of the United Nations, who spoke on "Our Global Problems"; Miss Francis Martin of Central Michigan College spoke on "American Schools after a Year in Afghanistan".

The convention was honored with the presence of the International President, Miss Margaret Boyd of Ohio, who spoke to the group at the Saturday night banquet which honored the founders, chapter presidents, and honorary members. She chose as her subject "Our Widening Horizons".

Alpha Gamma Chapter was proud to initiate Dr. Sara Van Housen Jones of Rochester as an honorary member on Saturday afternoon.

The new state officers were elected and installed on Saturday afternoon.

Members of Alpha Gamma Chapter who attended the convention from Clarkston were Mrs. Leon Leece, Mrs. Lola McCune and Mrs. Leslie Purslow.

4-H MEMBERS TO ATTEND CHURCH

4-H members will observe "Rural Life Sunday", May 26th. It is hoped that all 4-Hers will attend the church of their choice. The Sashabaw 4-H group will attend the Sashabaw Presbyterian Church.

Schools Observe Michigan Week

This week the High School is to be complimented for the following articles written in observance of Michigan Week. The schools throughout the state made an extra effort to devote time this week to emphasizing why "It's Great To Live In Michigan". Read the articles on page 3.

WHY IT'S NICE TO GO TO CLARKSTON HIGH SCHOOL

by Dennis G. Gritzinger

Clarkston High School is located west of Clarkston, Michigan. It's a neat school with well-kept grounds.

The Clarkston High School was built in 1930. This two-story building is as nice as a new, modern one and within the last three years Clarkston has added to this building to make a bigger and better high school. With this new addition we now have the conveniences of a new cafeteria and a shop, which Clarkston has never had before.

The Clarkston High School faculty is nice and very cooperative. They are always willing to help new students. They make you feel that you are wanted as well as making a hard worker out of you.

Clarkston High School has an excellent student body which is being helped by a new and very good Counselors Program. This Counselors Program is new this year.

Clarkston High School also has an Athletic Department which is one of the best. It offers all the major sports: football, baseball, basketball and track. Clarkston also has won the Sportsmanship award for the last two years.

Clarkston High School also has a band which is growing. The band has performed at all football home games, two evening concerts, in league activities and on other special occasions. These performances of the band are a definite contribution to the school spirit.

Clarkston's club activities offered to students are: Coin & Stamp, Future Nurses, Future Teachers, Biology, Hi-Y, Varsity Club, and 7th Math Club.

Clarkston High School has an excellent custodian staff that makes Clarkston High School one of the cleanest schools around.

MICHIGAN EDUCATION OPPORTUNITIES

by Constance Blimka

Education is a very important topic and since this is Michigan Week this is an article pertaining to some of the different colleges and other types of education opportunities.

Michigan State University was formed in 1855 with an eye to the farmer and so was formed as an agricultural college. Today, Michigan State offers 126 different courses of which 65 are on a graduate level. The more than 15,500 students are taught by a faculty of over 2,000. Students can prepare for their future in any of the nine schools which are offered—Agricultural, Basic Service, Education, Engineering, Graduate Studies, Home Economics, Science, Arts and Veterinary Medicine.

The East Lansing campus covers 570 acres besides the 3,230 acres of experimental farms.

The following is a brief roundup of some of the various short course opportunities: General and muck (includes soil, fertilization, insect control, etc.) farming, Poultry and Fruit Growing and Dairy Testing are a few of the short courses that Michigan State University offers to attempt to train young men and women interested in those fields. Forestry, Floriculture and Nursery are fields in which many people will be interested. Home Economics is not to be overlooked. The training of young women in home making has become as much a part of education as training in business or professional fields.

For information about scholarships, inquire at the Short Course Office, Michigan State University.

On the MSU campus are gardens and other scenic spots as well as the museum, radio and tv studios and similar points of interest. Many cultural and entertaining events take place throughout the year on the campus. Some of these are: concerts, lectures, films, forums, dramas, athletics and student entertain-

Choir Sunday At Methodist Church

Annual Choir Sunday will be held at both Morning Worship Services at First Methodist Church, Clarkston, next Sunday, May 26th, when the four choirs of the church will be featured in the services. Reverend William J. Richards, pastor, will deliver a sermonette entitled, "Life's Sacred Harmony".

The Children's and Junior Choirs under the direction of Mrs. Phyllis Mansfield will sing—the children singing "Tell Me the Stories of Jesus" and the Juniors, "Take My Hand Precious Lord". The Youth Choir under the leadership of Miss Beverly Bell will be heard in "Eternal Father".

William Mansfield, Director of Music and Daniel Addis, Assistant Director, will direct the Senior Choir in two anthems, "Salvation is Created" and "Send Forth Thy Spirit". The Women's Chorus will sing, "Prayer" from Haensel and Gretel. The Junior and Senior Choirs will combine for "Hark, Hark, My Soul" and the Youth and Senior Choirs combined will sing "Go Down Moses" and "Bow Down Thine Ear". To close both services the Junior, Youth and Senior Choirs will sing "Beautiful Savior".

One year ago the music department of the church numbered some 20 voices in the Senior Choir. It now is an organization of four choirs including over 100 voices.

Members and friends of the church are invited to attend both services at 9:30 a. m. and 11:00 a. m.

Newlyweds Honored Tuesday Evening

On Tuesday evening Mr. and Mrs. Robert L. Jones entertained at dinner at their home on Robertson Court honoring Mr. and Mrs. Guy A. Walter.

The group enjoyed an evening of visiting and the Bank employees presented the honorees with a lovely gift. Mr. Walter, in his very capable manner, gave a fine response in which he added a little humor.

Smorgasbord At Methodist Church

Everyone is invited to the Smorgasbord Dinner at the Methodist Church on Friday evening, May 24th, beginning at 5:30 until all are served.

The ladies of the Woman's Society are preparing a varied menu—something to suit every taste, including turkey, ham and fish, relishes, salads, rolls, bread, choices of desserts, tea, coffee and milk. Bring the whole family and enjoy having dinner with your neighbors.

There will be no set charge but a free-will offering will be taken at the tables.

Bus Drivers Have Get-Together

On Thursday evening, May 16th the Clarkston School Bus drivers and their spouses met at the High School for their annual get-together. There were about forty in the group and they enjoyed a pot-luck dinner to start an evening of fun.

Honored guests were Superintendent of Schools, Leslie F. Greene and Mrs. Greene and the Assistant Superintendent Robert Klingman and Mrs. Klingman.

The dining tables were centered with arrangements of lilacs and at each place was an Ever-sharp ballpoint pen, a gift from General Motors Corporation.

Following the dinner dancing was the diversion for the evening with records furnished by Frank Green, who also called for the square dancing.

Hostesses for the evening were Mrs. Marvel McClanahan, Mrs. Lou Alexander and Mrs. Mary Clement.

Clarkston Local

Miss Joan Humphrey journeyed to Grand Rapids to spend the weekend with a friend, Miss Betty Jean Irvin. They went to Gary, Indiana, on Saturday, and also stopped at Holland, Mich., to view the Tulip Festival.

ment programs. Now that you have been given a general picture of life at Michigan State University, I will mention some of the other colleges in Michigan.

Folk Festival At Sashabaw

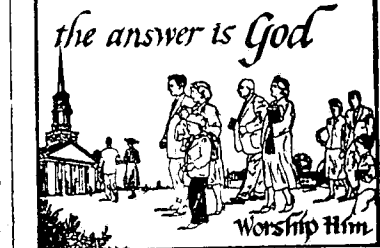

The children of Sashabaw Elementary School will present a Folk Festival, Friday, May 24th, at 2:00 P. M. under the direction of Mrs. Davidson, vocal music teacher. This event will be staged on the lawn at the front of the school. Each grade will represent a different country; they will wear the traditional costume and perform a dance symbolic of each country.

The Junior Band, under the direction of Mr. Eggert, will also perform at the festival.

In case of rain, the festival will be held Tuesday, May 28th, at 2:00 P. M.

Clarkston Local

Leon Decker, son of Mr. and Mrs. Leon Decker of Hadley Road, returned to school this week after a long illness.

Study To Be Made Of H. S. Needs

A 15 member steering committee has been organized at the request of the Board of Education to study the problems and the potential needs of the Clarkston High School program resulting from increased enrollments.

The membership of the steering committee is: Mary Colston, Barbara J. Dolt, Glenn Ellerthorpe, June Gates, S. F. Goedde, Michael Hart, Ralph Kreger, Robert Martin, John McGowan, Lloyd Miller, Sam Miller, Frank Ronk, Charles Torr, Fred Turek, and Jerry Wilford.

The newly formed steering committee is making plans for a meeting of the general public in the near future. The purpose of the meeting is to encourage as many people to take an active part in the study and planning of school facilities as members of an advisory board.

Missionary Talks To Auxiliary

Mrs. Raymond Ruggles opened her home to the Baptist Ladies' Auxiliary Tuesday evening, May 21st. A large group attended the meeting.

The speaker was Mrs. Lyle Legg who chose for her subject "Owe No Man Anything but Love". The Leggs are missionaries to the lepers in Africa and an unusual story of the life of a woman in Africa was unfolded.

Mr. and Mrs. Legg will be returning to Africa in June and are now in the process of collecting supplies and medicines to take back with them.

A short business meeting was held and plans were made to entertain the Clarkston Pioneers at a luncheon on June 27th at the Church.

Clarkston Local

The Job's Daughters held their regular meeting last Monday evening, May 13, at the Masonic Temple. Mrs. Emyl Torrey, Grand Guardian of Michigan, made the annual inspection of the Bethel, and offered suggestions for improvements. Election of officers was held and Shirley Carter was elected to the office of marshal. Joan Stayt is the Guide; Sharon Norgrove, Junior Princess; Barbara Jarvis, Senior Princess; and Janet Stayt will be the new Honored Queen. The Guardian of the Bethel is Mrs. Marvel McClanahan; and the Associate Guardian is Mr. Jesse Sparkman. Mr. Norgrove and Mrs. Jarvis presented the girls with a Job's Daughters emblem to be placed in the Temple. Mr. Sparkman also presented them with a mirror to be placed on the piano for the convenience of the pianist.

Clarkston Local

The Library Board is proud to announce that we have just received a set of the 1957 edition of the World Book encyclopedia. This is a memorial gift in honor of Mr. C. S. Goddard, made possible by the many friends of his daughter, Mrs. Don Stackable.

These books will be an invaluable addition to the usefulness of the library. Besides being interesting in themselves, they will be a great aid to students, as well as to adults preparing club papers or other studies.

If you have not yet visited the library, we hope you will stop in soon and see what has been accomplished by the efforts of the Women's Club and friends of the library in the community.

The library will continue to improve as you and your neighbors make use of it and let the staff know your interests and hobbies.

Special summer hours are under consideration, and the library staff would like to know the day and time you would find most convenient for your library visits.

The library is located at 88 North Main Street, south of the Independence Township Offices.

LIBRARY HOURS
Monday - 7 P. M. to 9 P. M.
Tuesday - 3:30 P. M. to 6 P. M.
Thursday - 3:30 P. M. to 6 P. M.
Saturday - 10 A. M. to 1 P. M.

Road-E-O At Waterford

You can learn good driving habits and win a college education while doing so.

A contest for teenagers is to be held on Sunday, May 26, at the Waterford High School parking lot at 1:00 p. m.

The event is being sponsored by the Junior Chamber of Commerce.

The teen age Road-E-O is for any teen age boy or girl or boy who will not have reached 20 years of age by August 15, and he or she must have a driver's license or permit. To be eligible he or she must not have received a moving violation citation within six months.

The awards for winners include: 1st place trophy, all expense trip to Road-E-O finals to be held at Detroit; second and third place winners win a trophy. If you win the State Contest, you are given a \$500 scholarship and then will be awarded an all expense trip to Washington, D. C., August 12-15. The national winners will receive three scholarships totaling \$4,500.

The judges are: L. D. Anderson, chairman of Waterford Safety Committee; Police Chief Van Atta; State Police Trooper Gerald Tafel; Waldo Ashley, teacher at Waterford High School and Ralph Thayer, teacher at the Clarkston High School.

If you have any questions about the contest you can call Edward J. Kuhn at ORlando 3-9123.

LOCAL CHURCH STARTS FINANCIAL DRIVE

Sunday, May 26th, is the day when First Methodist Church begins its annual Financial Crusade for the support of the ministry of God through His church. This year a different program has been adopted as a part of the Every Member Visitation. Members and friends of the Official Board of the church will call on all the members and friends of the church and invite them to be their guests at a Complimentary Congregational Dinner on Tuesday, June 4th, when the program of Evangelism, Missions, Christian Education, and Finance, will be presented for the new year beginning June 1st. Heading the Crusade is Mr. Richard Bullen, Chairman of Finance, Mrs. Kenneth Johnson, Financial Secretary, and Mr. Robert Jones, Treasurer.

The Congregational Dinner will be held in the High School Dining Room where the meal will be served through the auspices of Paul's Good Food by Mr. Paul Eliason, and Mrs. William Allen and Mrs. R. W. Osgood of the High School Cafeteria. Thirty members of the First Methodist Church Youth Fellowship will serve in the dining room. Dining Room decorations are in charge of Mrs. Guy R. Littleton and the Youth Fellowship. All members and friends of the congregation are invited. Visits in homes will be made every evening throughout next week.

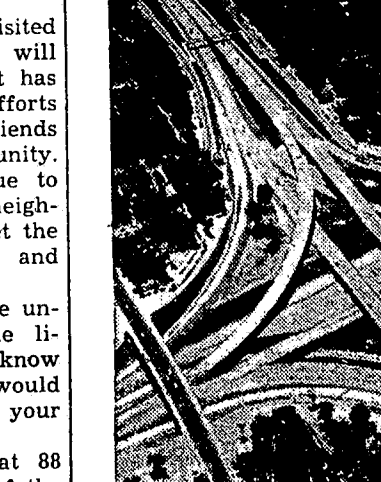

Clarkston Locals

Mr. and Mrs. Ed. Collick and daughter, Sharon, have left for a trip to California which will last several weeks.

Miss Marcia Klausner, Miss Mary Ann Spencer and Mrs. Bob Wilkinson gave a bridal shower Wednesday for Miss Pat Branch, bride-elect of Ron Schebor of Clarkston. Guests attending the shower at Mrs. Wilkinson's home were Mrs. Dom Mauti, Mrs. Don Harris, mother of the prospective groom, Mrs. Fred Davison, Mrs. Clark Lynn, Mrs. James Glennie, Mrs. Genevieve Van't Roer, Mrs. Rhea Upchurch, Mrs. Joe Petroff, Mrs. Paul Hanson, Miss Anne Jeffreys. An August 10th wedding is planned.

Barbara Jackson, a sophomore at Clarkston High School returned to school this week after a two-weeks bout with the mumps.

EXPRESSWAYS MEET

EXPRESSWAYS MEET in this gigantic interchange in Detroit, a key part of the freeway system which could carry some of the Motor City's auto-riding populace to rural safety. Although civil defense studies show that COMPLETE evacuation of large cities after warning of likely attack is not generally feasible under today's warning times, a big start toward more evacuation capacity is being made in urban freeway construction under the new National Interstate Highway program. (Photo courtesy Bureau of Public Roads)

Mother - Son Banquet Saturday

The first Annual Mother and Son Banquet of the Cedar Chapter of DeMolay will be held May 25 at 6:30 P. M. in the Clarkston Masonic Temple.

Jerry Snover of Clarkston will give a speech of tribute to the mothers, and Mrs. Clark Easley of Drayton Plains will reply to the sons. Entertainment will consist of some interesting slides taken in the West by the chapter's Master Councilor, Larry Ruggles, who will explain the unusual circumstances under which some of the pictures were taken.

Any mother and son who are interested in DeMolay are cordially invited to attend the banquet. Tickets may be purchased from DeMolay members.

AN INVITATION TO FLOWER SHOW

The Garden Club extends a cordial welcome to all interested residents, both children and adults, in the area, to exhibit in their Flower Show on June 14.

House plants (which must have been in possession of the exhibitor for at least three months prior to the show) should be given extra attention now to bring them to prime condition by show time.

Attention is also called to plants protected by Michigan law, which are as follows and are not to be exhibited: Trailing Arbutus, Bird's Foot Violets, Flowering Dogwood, North American Lotus, Climbing Bittersweet, Native Trillium, Native Orchids, Gentians, Michigan Holly, All Club Mosses.

For further information on classes and entries, Flower Show schedules are now available at all prospective exhibitors at the places of business listed: Boothby's Old Farm Shop, Ye Olde Tyme Shoppe, Alger's Hardware, Kelley's Hardware, McNeil's Nursery and the Dixie Floral.

REPUBLICAN WOMEN PLAN FINANCIAL DRIVE

The time has rolled around again for the Republican Women's Annual Financial Drive. A committee of local women has been working with Mrs. Rolfe Smith, area chairman, in setting up a plan for raising funds for the Republican Party.

Although this is not a presidential campaign year, the Republican women feel that they must keep on working if the party is to remain strong. The local committee has sent out letters and they hope that a good response will be the outcome.

Clarkston Locals

Mr. and Mrs. Ed. Collick and daughter, Sharon, have left for a trip to California which will last several weeks.

Miss Marcia Klausner, Miss Mary Ann Spencer and Mrs. Bob Wilkinson gave a bridal shower Wednesday for Miss Pat Branch, bride-elect of Ron Schebor of Clarkston. Guests attending the shower at Mrs. Wilkinson's home were Mrs. Dom Mauti, Mrs. Don Harris, mother of the prospective groom, Mrs. Fred Davison, Mrs. Clark Lynn, Mrs. James Glennie, Mrs. Genevieve Van't Roer, Mrs. Rhea Upchurch, Mrs. Joe Petroff, Mrs. Paul Hanson, Miss Anne Jeffreys. An August 10th wedding is planned.

Barbara Jackson, a sophomore at Clarkston High School returned to school this week after a two-weeks bout with the mumps.

State Police To Hold Open House

A special invitation to the public to visit the Pontiac post of the Michigan State Police during the observance of Michigan Week, May 19-25, has been issued by Sgt. Charles Mulick, commander.

"While the public is welcome to visit a State Police post at any time, Michigan Week is a very appropriate occasion to do it", Sgt. Mulick said. "The best hours will be from 10 a. m. to 4 p. m. each day."

Officers will show visitors through the post and answer questions about State Police operations.

"We will be happy to have anyone call on us who is interested", Sgt. Mulick said. "This open house has been arranged to better acquaint the people with their State Police and to inform them on our numerous activities to protect their security. Many persons believe the State Police are strictly a highway patrol, when actually we do general law enforcement and much of our time is spent on criminal investigations and other matters not having anything to do with the highways. Michigan Week will afford an opportunity to find out just how broad a field we cover."

Open house will be held at every State Police post during the week.

NEW OFFICERS PRESENTED AT CLUB LUNCHEON

The final meeting of the year was held by the Clarkston Community Women's Club on Wednesday, May 15th, with a luncheon at Paul's.

The new officers were introduced: president, Mrs. Don Stackable; vice-president, Mrs. Dean Smith; 2nd vice-president, Mrs. John Bell; corresponding secretary, Mrs. Norman Auer; financial secretary, Mrs. DeVere Games; recording secretary, Mrs. S. F. Goedde; treasurer, Mrs. L. M. Oakley.

Obituaries

Marion M. Beemer

Marion M. Beemer, 35, of 6091 Maybee Road, passed away at his home on Saturday. He was born August 24, 1921, the son of Mr. and Mrs. John Beemer.

Besides his mother and father he leaves one brother, Stanley of Corvallis, Oregon.

The funeral service was held at the Sharpe Funeral Home on Tuesday afternoon with Reverend William J. Richards officiating. Burial was in Lakeview cemetery.

Harold Terry

Harold Terry, 59, of 6304 Saline Drive, Waterford, passed away in St. Joseph's Mercy Hospital on Saturday. He was born December 20, 1897.

He is survived by his wife, Thelma; one daughter, Charlotte, at home; one step-son, Carl Trupp of Lexington; two grandchildren and two brothers, Charles of California and Louis of Drayton Plains.

The funeral service was held at the Sharpe Funeral Home on Tuesday morning at ten o'clock with the Reverend William J. Richards officiating. Interment was in the Drayton Plains cemetery.

SKYWATCH PERTS

MAPLE 5-9861

"NIKES" DID YOU KNOW—that there is a guided missile base near Commerce?

The G. O. C. Supervisors were invited to a tour of inspection of this very important installation. Some 100 Army Artillery men are keeping this post on alert continuously. A practice drill was executed which was a pleasure to watch and hear explained the extreme accuracy of these missiles which can search out and destroy any plane—IF !!!

We, as ground observers, and our nation's radar stations will tell NIKE where they are.

Waterford

Mr. and Mrs. Ray Everett (Virginia Hal) are the parents of a 6 lb 13 oz son, John Barron, born May 17th at St. Joseph's Hospital. Grandparents of the baby are Mr. and Mrs. Jack Hall of Waterloo Street and Mr. and Mrs. Bruce Everett of Lincolnshire Road.

Mr. and Mrs. David Kerr (Judy Materna) are announcing the birth of a 6 lb 13 oz son, Robert Michael, born May 14th at St. Joseph's Hospital. Mr. and Mrs. Robert Materna and the Donald Kerrs are the grandparents.

Mr. and Mrs. Charles Callahan spent several days last week at the home of their son-in-law and daughter, Mr. and Mrs. Leo Hurton who live in Sissionville, West Virginia. They saw a new granddaughter for the first time.

Harvey Craft and Jack Davidson spent the week-end at their cabin at Lovells, near Grayling.

Mr. and Mrs. Fred Mitchell left last week to spend the summer at their cabin near Atlanta.

Mr. and Mrs. Harold Wormley of Fort Lauderdale, Florida, are visiting at the home of her mother, Mrs. Nellie King. Mrs. Wormley is spending several days at the Henry Ford Hospital for observation. They expect to return home to Florida the first of June.

Mrs. Glenn Davison (Sara Lou) underwent an emergency appendectomy last week in St. Joseph's Hospital. She is now convalescing at her home.

Mr. and Mrs. Earl Wilcox spent the week-end at their cabin near Atlanta.

Mr. and Mrs. Joseph Helman attended the Saturday evening wedding of Rodney Attwater and Phyllis Irene Coons at the Marimont Baptist Church in Pontiac. The Attwater family formerly lived on Van Syckle Street for many years and now make their home at Sylvan Lake.

The Waterford 500 Club members enjoyed a dinner Party, Monday evening, held at the

Carrie Lee Tea Room in Birmingham. Following the dinner the ladies played cards for the rest of the evening.

Mr. and Mrs. Alton Goll and Mr. and Mrs. Elmer Davis spent the weekend at the Goll's cabin near Luzerne.

The final party of the Waterford Good News Class was held Monday afternoon at the home of Mrs. Ted Pearson. Due to the cold weather the picnic planned for out-of-doors had to be held inside for the 23 young folk present. Mrs. Lyman Girst has been the teacher and assistant of the club.

This week is the closing of all the weekly meetings of the Good News Clubs for the summer months and they will resume the first of October. The closing rally has been set for the evening of June 7th at the Waterford Community Church and the annual picnic will be on June 8.

Sixty-five young people attended the semi-formal annual party of the King's Disciples at the Community Church. Following the turkey dinner a well planned program was enjoyed. The invocation was given by Margaret Studebaker and toastmaster for the evening was Daniel Revoir. David Mehler, song leader, was accompanied on the piano by Mrs. Helen Coventry. Ronald Coventry gave a toast to the girls and the one to the boys was given by Marcia Cameron. The film "Sunday on the Range" was shown and there were several numbers by the National Quartet.

Another work night at the Waterford Community Church will be held tonight (Thursday) beginning at 6:30. Any help given will be greatly appreciated.

The annual election of officers for the Waterford Community Church was held last Tuesday. Elected to the Mission Board were Charles Maxwell and Robert Taylor; Church Council, Ed. Hills and Henry Mehler; Board of Trustees, David Mehler and Earl Johnson; Church Clerk, Elna Banghart; Sunday School Superintendent, Wallace Brown; Ladies' Auxiliary, President, Mrs. Henry Mehler.

Wednesday, 8:00 P. M. Choir Rehearsal

Thursday, 4:00 P. M. Jr., Choir Rehearsal

STATE POLICE PREPARE FOR HOLIDAY PATROL DUTY

Holiday week end schedules of the Michigan State Police for 1957, the first such period being the coming Memorial day week end, again call for all available enlisted personnel being on either desk or patrol duty, cancellation of pass days, and patrols working 1-hour shifts.

In addition, 180 National Guardsmen will be assigned to the State Police for traffic duty and 120 to sheriff departments.

The intensified schedule of the State Police over the Memorial week end will be in effect from 12 noon Wednesday, May 29, to 12 midnight, Sunday, June 2.

Similar schedules are planned over the Fourth of July and Labor Day holiday periods.

Patrols will give particular attention to high accident areas, especially during the hours of the heaviest flows of traffic. Department planes will be used for aerial observation of traffic conditions.

Memorial day marks the beginning of the warm weather season during which traffic accidents and deaths normally show sharp increases.

The worst Memorial holiday period on record was in 1941 when 58 persons were killed, and the best was in 1950 when only four died. Last year there were 10 deaths. Part of the difference is accounted for by the length of the periods, which varies according to the day of the week the holiday falls on.

"Our deaths in May are running somewhat higher than in May last year and now is the time to bring about a reverse", said State Police Commissioner Joseph A. Childs. "This can be done by drivers doing what they should—practicing safety every minute. Many persons think that 'it can't happen to me', but

the death tolls show it happens to anyone. It's better to be cautious during your minutes or hours at the wheel than dead forever."

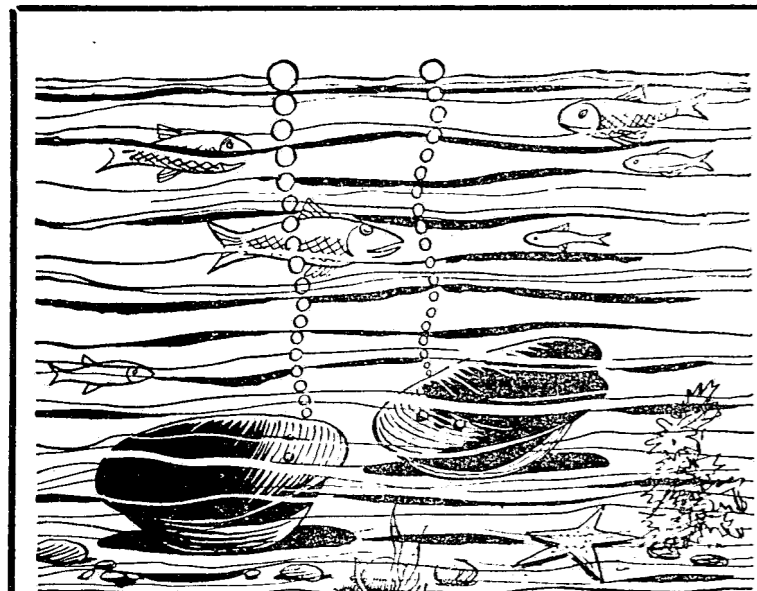

What To Do In a Tornado

- People in open country can view the approach of a tornado and move at right angles to its path. If there is no time to escape, lie flat in the nearest depression, such as a ditch or ravine.
- In towns or cities, seek shelter inside, preferably in a substantial building. Stay away from windows.
- The southwest corner of the basement of a frame house is safer than in a brick or stone house. If there is no basement, lie down on the first floor under a table or bed (preferably in the southwest corner).
- Urban schools: Stay inside, away from windows; remain near an inside wall on a lower floor. Avoid auditoriums and gymnasiums.
- Rural schools of frame construction: Teachers should remove children to a ravine or ditch if storm shelter is not available.

ask My car trailer was parked overnight in the driveway of a friend's home, and was damaged by a fire in the house. Can I obtain insurance that would cover this trailer and other such property when I lend it to friends?

"But why an electric water heater?"

"Because I'm tired of running out of hot water. Besides, everyone knows it's the safest heater built."

SOMETHING NEW IN ELECTRIC WATER HEATING!

Only electric water heaters give you all these important advantages:

- ☑ Safest water heater built—flameless
- ☑ Plenty of hot water—24 hours a day
- ☑ Install anywhere—no flame, no flue
- ☑ Efficient—no heat wasted up a flue
- ☑ Cleanest—no soot, it's all-electric
- ☑ Cool to the touch—top to bottom
- ☑ Long lasting—built to rigid Edison standards

They add up to the finest hot water service ever offered in Southeastern Michigan

See them at your dealer's, plumber's or Edison office

MICHIGAN EDUCATION

Alma College is a liberal arts college of 500 with courses leading to degrees of BA, BS, and B. of Musical Education. The college is accredited by N. C. A. of College and Secondary schools. It offers educational and cultural preparation now required for entry into professional schools. Courses in Education and Practice Teaching are offered to students and entitles them to State Certificates for teachers.

Another liberal arts college is Albion. The school also offers pre-professional courses. Available also are courses in preparation for the christian ministry. M. S. N. C. offers courses mainly in the line of teaching. Teaching, non-teaching professional, general non-teaching, and pre-professional programs are offered.

Kalamazoo College is a Christian Liberal Arts college offering courses leading to the degree of Bachelor of Arts. Kalamazoo's concentration lies in fields of Art, Science, English or English Literature, Language, Economics, History, Mathematics, Religion and Sociology.

Western Michigan College is centered around Vocational, Industrial, Technical and Education programs. Olivet College is accredited by the Michigan Committee on College Accreditation. Olivet offers you challenge and achievement in the academic world of liberal arts. It offers courses in pre-professional training, training in elementary and secondary education, etc.

Of course these are only a few of the many, many, colleges in Michigan.

AMERICAN LEGION POST 63 POPPY FUND

The members of the Campbell-Richmond Legion Post No. 63 purchased glasses for a needy area student this past week. The money is a part of their Poppy sales proceeds received from their annual Poppy sale. This fund is set up for the purpose of helping needy people.

RECREATION IN MICHIGAN

Michigan's many miles of sparkling waters and sand covered beaches, together with public parks, woods and an abundance of wooded country attract vacationers, summer residents, hunters, and fishermen, alike.

The beaches along the Great Lakes are excellent for boating and bathing. Woods, lakes and streams give many opportunities for hunting and fishing. Camping is popular throughout the state, especially in the upper half of the lower peninsula, where there is much wild country. This section is also free from pollen which causes hay fever, and situated in this area are many 'kerchoo clubs' and other organizations made up of people who have come to Michigan to get relief from hay fever.

Michigan's upper peninsula has many points of interest: Pictured Rocks, Miners Castle, The Big Spring, Tahquamenon Falls, and the Soo Locks are a few, but also the favorites of many of the summer travelers.

The lower peninsula offers its Cherry Festival, Tulip Festival, Greenfield Village, Sleeping Bear Sand Dunes and many, many other spots of interest.

Si quisquis peninsulam amoenam circumspice. "If you seek a pleasant peninsula, look about you" Get out and travel around this state, it's yours so enjoy it.

"WHY IT'S GREAT TO LIVE IN MICHIGAN"

In Michigan there are many types of sports, such as: camping, hiking, fishing, swimming, boating, sightseeing, skiing, skating, tobogganing, canoeing, and all sorts of festivals. Many people, young and old, enjoy sports of some kind.

There are also some beautiful places to live, beautiful places to see, such as: Les Cheneaux, Tahquamenon Falls, Pictured Rocks, Huron Mountains, Mackinac Island, Greenfield Village, loads of lakes to go to so you may enjoy your sports.

There are thousands of things to do. There is never a dull moment in Michigan. Besides that everyone is your friend. You have freedom of church, recreation, and school for your child. And you work at what you are best fitted.

MICHIGAN HEALTH FACILITIES FOR CHILDREN (Oakland County)

The Oakland County Health Department receives assistance from both State and Federal Health Agencies and patterns its working program on that outlined by the higher agencies.

There are certain "things to get done in the spring" as far as

everything goes, and it's also part of the health program. Parents should protect their children from smallpox, whooping cough, diphtheria, and lockjaw by getting booster shots for those starting school the following year.

Spring is emphasized as the time for immunizing for 3 reasons: 1. To complete immunization of as many youngsters as possible before the start of the polio season. 2. Because the school child is more accessible while still in school. 3. It takes time for the body to react to vaccines in building up anti-bodies to fight disease.

A large part of the program throughout the county schools a few years ago was vision and hearing. Teachers and P. T. A. mothers help the nurses set up the program.

Children needing more accurate hearing examinations were given a puretone audiometer test by the Michigan Department of Health consultants, and those with significant hearing losses were examined by local otologists. From these parents were advised of the results and given recommendations.

The Pediatric Clinic in the Royal Oak Health Center has been in operation for 7 years. Such services are provided for those children whose parents are unable to pay for examinations and treatments by private physicians.

Children under 21 years of age whose activity is or may become so far restricted by defect or deformity of bones or muscles, or the impairment of function of bones or muscles, as to reduce his or her normal capacity for education and self support, make up the crippled children's register.

An understanding of the child and his condition by the mother is helped by the nurse; also how to meet his physical, mental, and emotional needs so that she can prepare him for an independent life as far as his physical condition will permit.

Every few years some schools have a Dental Hygiene program sponsored by some Health Council. At this time the children are given Sodium Fluoride Treatments. A small fee is taken and used to meet expenses.

There are some 32 Rheumatic Fever Centers throughout the state, placed according to the population, to aid in diagnosing and giving consultation. At these centers no treatment is given.

T. B. is no longer listed among the 10 leading causes of death in Oakland County. This is due to the long range TB control program carried on in our state for the last 30 years. A reasonably adequate case-finding program has been established, with complete x-ray facilities.

All these health facilities combined with the sanitation laws add up to a stronger and healthier Michigan.

HAS YOUR CHILD BEEN EXAMINED LATELY?

"IT'S GREAT TO LIVE IN CLARKSTON"

Clarkston, Michigan, a village of approximately 900 happy inhabitants, is located about 10 miles north of Pontiac. The village is pleasantly situated on gently rolling hills and surrounded by many scenic lakes. Peppering the snug, sedate village are such historic spots as the mill pond which was constructed under the direction of the late Henry Ford; the building which presently houses the Community Center was originally a power plant of the Ford Motor Corporation; the century old Caribou Inn which has offered accommodations to tourists over the years; in addition to these are many of the original homes and buildings.

Although for many years Clarkston has been a small agricultural village, it is no longer so. Clarkston is becoming a thriving community. For many months new subdivisions have been developed around the village. With the increase in population have come increased school facilities and booming businesses.

Clarkston has several activities—in the summer there is swimming, boating, golfing and many others. In the winter there is skiing, skating, fishing, hunting and many more. All in all the citizens of Clarkston take great pride in their up-and-coming community.

C. H. S. PROM

Clarkston High School held its annual Jr.-Sr. Prom last Saturday night, May 18, 1957. The theme of the Prom was "Neptunes Holiday". The students spent a lot of time setting it up this year. Foremost in view, anywhere you looked were fish. These fish ranged anywhere from 2 inches to a yard long and were hung in all convenient places. Included in the decorations were: aquariums; a wrecked ship, a treasure chest, caves. A shell housed Neil Kimier and the Kin Tones.

Refreshments of cookies and punch were served in the hall which was decorated to look like a cave; and eaten around tables set up on both sides of the cafeteria. In spite of the weather the Prom was very well attended.

Seniors

by Chuck Hancock

This week the two seniors are Parvin Conwell and Dave (Hack) Beni.

Parvin is a lad of about five feet ten inches with wavy hair—blond with green eyes. His favorite food is ice cream. While eating his ice cream he likes to listen to "All Shook Up". Sports are Parvins pastime, and his favorite saying is "What's Happening". Parvins plans for the future are to go to business school.

Now for Hack Beni! Hack is a lad about five feet eight inches with brown hair and brown eyes and his favorite song is "Peace in the Valley." His favorite pastime is golf. Incidentally that is why we call him Hack. His favorite saying is "Don't bug me". After graduating Dave plans to take a hitch with the Navy and see the world.

1956-1957 STUDENT COUNCIL ACTIVITIES

by Sandy Walls

The Student-Council under the capable and efficient guidance of its sponsor, Mr. Bonner, and President, Jerry Urick, has accomplished a great deal this year. The Student Council was divided into two councils: the Junior and the Senior High. In order to cope with this the constitution was revised.

It sponsored the Friday noon hour program and supported it the rest of the week. In the course of the year the Student Council has sponsored five paid assemblies. Among them were movies and speakers. With the backing of the Rotary Club we were also able to have the Halloween Party, which was very well attended.

This week student handbooks will be distributed to the student body. It sponsored the Carnival as it does every year, but this year it was different. In the past the Student Council has received all the proceeds from the carnival, but this year part of it was divided between the classes. Aside from the Student Council made approximately \$540.26.

A \$600 CARE package was sent overseas. We attended all League meetings. In other years we have always had at least one person in an office in the League Student Council and this year we had the honor of having our own Student Council President, Jerry Urick, as President of the League Student Council.

When Clarkston was awarded the Sportsmanship award it was received by the Student Council.

Clarkston was active in all exchange days this year; and also, sent representatives to civic organizations.

The Student Council elections will be held after the Seniors return from their trip. The Student Council would like to thank Mr. Bonner who has been a big help this year in keeping things going.

The following is a complete coverage of the activities of the Debate Team of 1956-1957. In September of 1956 Mr. Healey, the new coach found only two debaters from the previous year wishing to take part in the 56-57 activities. They were Pat Hart and Ira Pence. Three others were added to this team; David Lissner, Joe Jennings and Perry Smith. The question of debate for the Wayne-Oakland League was: "Resolved that the Federal Government should sustain the prices of major agricultural products at not less than 90% of parity."

Pat and Joe took the affirmative while Ira and David debated the negative. Perry studied both sides of the question and debated where and when it was suited. Of four League meets Clarkston's affirmative lost 2 of the 4 debates and the negative lost one of the four. Clarkston placed third in the District Debates while Northville placed 1st and Holly 2nd.

Clarkston then attended the Regionals at Durand. Clarkston met 3 of the 12 participating

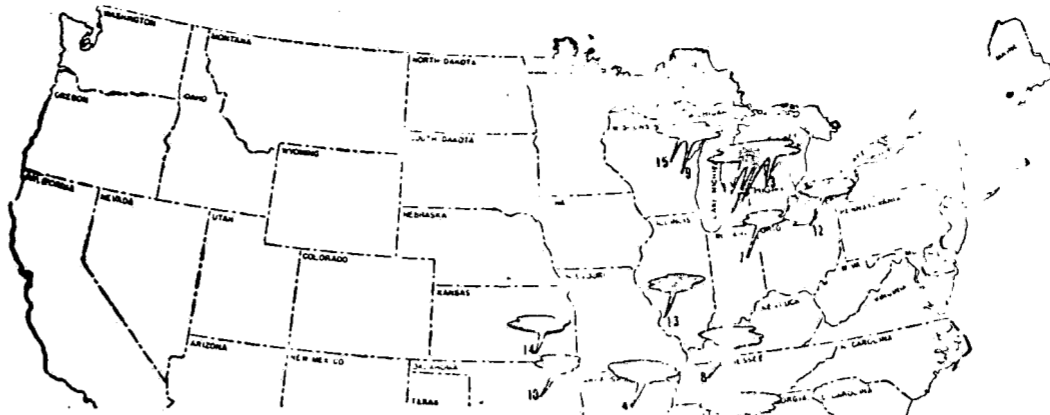

Table titled 'TOP TORNADOES OF 1956' with columns for Date, Place, Dead, Injured, and Damage. It lists major tornadoes across various states including Michigan, Ohio, and Indiana.

MAJOR TORNADOES OF 1956, as compiled from preliminary Weather Bureau data, clearly point to Spring as a time for special watchfulness by residents of the central United States—the world's most dangerous tornado area. Civil defense units are on special call throughout this vast region for possible rescue work. In addition, if a tornado-hit area is declared a major disaster area by the President, as has been done in Numbers 1, 3, 6, and 10 above, the Federal Civil Defense Administration can provide funds to aid communities in temporary repair of public facilities. (F.C.D.A. Photo)

C. H. S. SPRING CONCERT BAND AND CHORUS

The C. H. S. Spring Band and Chorus concert was held May 16 in the high school gym.

The band featured two seniors as soloists. Glenn Underwood, 1st clarinetist, played Interlude accompanied by the band. Pat Thayer, 1st saxophonist, played Song of India, accompanied by Mrs. Peterson, the Chorus Instructor.

The choir had one featured soloist, Suellen O'Dell, who sang a selection from South Pacific, "Why Do I Love You". This Spring Concert holds the record for attendance.

S. O. S. CLUB NEWS

In 1954-55 a new organization was started at Clarkston High. Mr. Terry Thomas started a Biology Club. That is what it was called because it was meant for students who had had a year of biology and who were interested in science.

The name Biology Club was used until last fall at the beginning of school when they had their first meeting which was on October 11, after school. They chose the name S. O. S. meaning Students of Science. They also elected officers: Suellen O'Dell and Lola Johnson, President and Vice-President; Helen McInnes, secretary-treasurer; Mr. Thomas and Mr. Alan Peterson, sponsors.

On Nov. 14 they had another meeting and discussed the possibility of forming a Junior Red Cross Chapter at the school—but there was no further discussion about the matter.

By this time they had begun working on their shell collection.

They give their many thanks to Mr. and Mrs. Barrows of Clarkston, now of Florida, who donated some shells and their time in helping with the project.

On Nov. 19 they went on a field trip to the Serpenterium on the Dixie Highway and enjoyed it very much.

At the beginning of the 2nd semester, two new members had

united with this organization from Pontiac High, Mary and Judy Inman. They were members of the Biology Club in Pontiac and Mary had been the secretary. Since they needed a new secretary (because Helen could not be with them any longer), Mary was appointed. They no longer liked the name Students of Science, so they called it the Sigma Omicron Sigma Society, and everyone was well pleased with its new name.

On the 1st of March they sponsored a dance "The Phalanges Fling, which was the beginning of their treasury. They made \$42.00.

On April 10 the club sponsored the first Science Fair and it was a real big success, with Mary Inman taking highest mentioned award. Her project was "Bacteria". The profit was \$28.00. During this time they ordered their club pins which are to be here in the near future.

An award will also be presented to the highest outstanding senior in the field of science.

On May 10, they took a field trip to Andy's Kingdom on the Dixie. They saw many things: a snake being milked by Andy and an alligator being put to sleep.

The S. O. S. Cub will have one more meeting this year. There are approximately 13 active members, all will receive pins for being active. They are Suellen O'Dell, Lola Johnson, Betty Hannah, Mary Inman, Judy Inman, Myra Woodall, Pat Fredericks, Pat Thayer, Winston Farmer, Donna VonKoenen, Bryce Landon and Carol Fitch.

ROADS TO SURVIVAL

New Interstate Highway Net to Aid CD Evacuation

A line on a drawing board to day may someday save your life. That line might be one of

CIVIL DEFENSE auxiliary police will be needed in great numbers to help control traffic if warning of impending enemy attack ever forces cities to evacuate. Banning of cross traffic, and permitting one-way outbound traffic only on arterials and the great urban freeways now being built will aid these men in their thankless task. (FCDA Photo)

America's roads to survival, a part of the 41,000-mile National System of Interstate and Defense Highways that will be carefully laid out over the continent within the next 12 years.

THIS INTEGRATED \$33,000,000,000 network—the world's greatest public works project—will include freeways running from the heart of major cities to the outskirts and beyond. Over these roads, the millions who live and work in cities could seek the safety of distance from a nuclear bomb blast if adequate warning of impending attack were given.

In normal times, restless Americans drive 50,000,000,000 miles a year in private autos. Families must also rely on cars to flee from danger in the event of civil defense emergency.

The automobile is a rolling home in an emergency, the Federal Civil Defense Administration points out. You can eat and sleep in it, keep warm and dry, receive vital instructions by radio, drive out of danger areas, and even get some shelter against blast or fallout.

WORLD'S LONGEST BRIDGE, the 24-mile Lake Pontchartrain Causeway north of New Orleans, is a spectacular example of new highway construction which could be used to help empty target cities ahead of attacking planes. Map shows how civil defense forces, frustrated in almost every side, could send thousands of cars straight across the huge lake barrier to the north. The bridge was opened to traffic in August 1956.

Clarkston Locals

Mr. John Reabe took his 5th grade class from Clarkston Elementary School on a picnic last Friday afternoon, and afterward escorted them to the drive-in where they saw a double feature.

Mrs. Bob Wilkinson gave a bridal shower last Thursday, May 16, for Miss Betty Lou

Gardner, bride-elect of William Walker of Waterford Township. Guests at the shower were Helen McInnes, Suzanne Hadrill, Ann Pontz, Judy Abare, Sharon Glennie, Janice Farrell, Lola Johnson, Myra Woodall, Onalee Morgan, Pat Thayer, Suellen O'Dell. The couple plans an early summer wedding.

The Future Teachers' Club of Clarkston High School held installation of officers last Monday evening at the Elementary School. The purpose was to install the officers for the coming school year. They are: Judy Weaver, President; Carolyn Biber, Vice-President; Dianne Chapman, Secretary; Alice Lounsbury, Treasurer; Dixie Parks, Historian; Joe Jennings, Librarian. The members enjoyed a program featuring the Taylor Sisters, Diane and Kathy. A brief resume of the activities of the past

year was presented, including the field trips to Eastern Michigan College of Education at Ypsilanti, the Christmas Party for students of the Clarkston Elementary School, and the new program of cadet teaching instituted this year.

NIXON TO BE SPEAKER AT MSU COMMENCEMENT

Vice-President Richard M. Nixon will be the speaker at Michigan State University's annual spring commencement exercises Sunday, June 9.

Mr. Nixon will be the second U. S. vice-president to address a June graduating class at M. S. U. The late Alben W. Barkley delivered the commencement address at Michigan State in June 1950.

The commencement program will be held at 4 P. M., June 9, in Macklin Field stadium.

Folding the top crust over the lower crust of your next fruit pie before crimping the two crusts together will help keep juices in the pie where they belong.

To store asparagus for a short period of time, wrap it in a damp cloth and place in the refrigerator.

Michigan Dairy Princess

Brown-haired and brown-eyed 17 year-old Annetta Stamm, Hastings High School Junior (center) is Michigan's 1957 Dairy Princess. Along with her two alternates, Beverly Geiger, 17, route 2, Pigeon (left) and Lavonna Luchenbill, 18, route 2, Corunna (right) she will represent Michigan's half-billion dollar dairy industry during June Dairy Month and the remainder of the year. Miss Stamm, who shares the daily milking chores of a 30-cow dairy herd with her parents, Mr. and Mrs. Robert Stamm, route 3, Hastings was picked from nearly 500 entries in the contest. She has an outstanding 4-H Club background and plans a career as an elementary school teacher.

If you have space in a home freezer, you might make sandwiches in quantity. They keep well for about three weeks.

Got a job for this giant killer?

Here's proof of the reserve strength in GMC's 370 that pays off in any operation.

DEEP in the pine woods, this 2 1/2-ton GMC, with locally added trailing axle, wades into a pile of forest giants, using its power take-off to flip 1,000-pound logs onto its back. In ten minutes it has a staggering load—and practically no road to haul it over.

You may never need to subject your trucks to such grueling service, but experience like this is your assurance of stamina and reserve strength far beyond normal requirements.

And the GMC 370 can be yours for hundreds of dollars less than comparable competitive trucks. Just check with your GMC dealer.

HUB-DEEP RUTS, soft ground, down and up ravines, it totes a Herculean payload day in and day out in the timberlands of North Carolina. Five trips a day, six days a week the year around—and it stays a stranger to the repair shop!

GMC MONEY-MAKERS

From 1/2-ton to 45 tons. Gasoline and Diesel
See your authorized GMC dealer.

Illustrated: GMC 370 rated 19,500 GVW—22,000 with optional H.D. front axle. 206-hp V8 or 140-hp Six.
