FIRST CHURCH OF CHRIST, **SCIENTIST**

Oxford, Michigan Sunday School 11:00 A. M.

Sunday Service 11:00 A. M. The healing and protecting power of effective prayer will oe brought out at Christian Science (services Sunday in the

Lesson-Sermon entitled "God the

Preserver of Man". Scriptural passages will include the following from Psalms (145: 18, 19): "The Lord is nigh unto all of them that call upon him, to all that call upon him in truth. He will fulfill the desire of them

that fear him: he also will hear their cry, and will save them.' From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (231:8): "If God heals not the sick; they are not healed, for no lesser power equals the infinite All-power; but God, Truth, Life, Love, does heal the sick through

the prayer of the righteous." The Golden Text is from Hosea (12:13): "By a prophet the Lord brought Israel out of Egypt, and by a prophet was he preserved.'

Sweet, smooth and sassy—that's the new Chevrolet! You'll be hard put to find another car so alive, alert and eager for a full day's run - and vet so delightfully easy to control!

To know a Chevy in all its glory, head one into the open for a stint—the more mountains the better. You'll soon see why so many people dote on that smooth sure Chevrolet response and stout-hearted power. Chevy's performance and solid build make their dollars look big!

You don't have to urge this car along. The power—and there's plenty—is charged with gumption. The wheel responds in a twinkling to tight corners or turns. And on a back road a Chevrolet steps with case over ruts that would look like barricades to lesser suspension systems. In short, a Chevy shows "sayvy." You can, too-by seeing your Chevrolet dealer!

Bridesmaid: You mean Lucille...or are you talking about their Oldsmobile? Bost Man: Both! But I was really looking at their car. What a beauty!

Bridesmaid: They sure are a lucky couple. Best Man: And smart, too. That Olds costs less than you'd think. It has style that will stay in style. They get real comfort . . . a

wonderful ride . . . and the big Rocket Engine . . . Bridesmaid: She looked so lovely ... Bost Man: They'll really find out how smart they are to own an Olds at

the most expensive cars, even after a couple of years of use. Bridesmaid: You know what I wish? I wish that someday . . .

Best Man: That you can own an Olds? Don't waste your wishes. Let's take a ride in my Golden Rocket 88. Maybe your dreams'll come true sooner than you expect.
