COUNTY REPUBLICANS ISSUE NEW PUBLICATION

Oakland County Republican Chairman, Arthur G. Elliott, Jr. today announced that the first issue of a new county publication, The Oakland Republican, is in the mails to party members throughout the county. Elliott said this is the first step in an intensive organizational

According to the County Chairman, "the prime purpose of the publication is to get our storyour objectives and our needsacross to all the Republicans in Oakland County, and to solicit their active support".

Elliott said that he believed one of the weak points in party organization in past years has been the lack of communication and that the Oakland Republican would "go a long way toward eliminating this weakness".

George Dondero, retired Congressman from the 18th District echoed Elliott's sentiments with the following statement: "The initiation of this publication is certainly a major step toward the formation of a solid grass roots organization-and make no mistake about it-that's what wins elections!"

Elliott said that the circulation of the first edition would exceed 8,000, primarily in Oakland County. Current plans call for bi-monthly publication for the remainder of 1957, with monthly issues scheduled to be gin early in 1958.
