## Letter To Everyone Building Crusade In Clarkston Area

Dear Friends-

For many years the people of the Village of Clarkston and surrounding area have held a parade on Labor Day.

Our parade has been more marching. It has generated a great feeling of community spirit and loyalty.

The reason why this com munity activity has been so successful is because everyone takes part. Most of the children march. Many families dress in costumes and participate. Neighborhood groups with terrific ideas for group had a lot of fun with it.

The Rotary Club of Clarkston would like to welcome every person in the area to join in this community project and share in the pleasures.

The parade will form on corner of Holcomb St., and Miller Road.

With your help the Parade Committee is looking forward to the biggest and best parade yet.

Conducted twice each year, the intensive course includes proper classroom and behind-the-wheel methods of teaching eligible high school students how to drive.

Miss Gray is attending the institute on an all-expense scholarship from Auto Club.

Driver education courses, which are compulsory in Michigan for persons under 18 years of age in order to be eligible for drivers' licenses, are being given in 537 school districts to 70,000 students this year.

STATE FAIR TAKING ENTRIES FOR CHILDREN'S DAY

> Now is the time for all children to enter the contests to be held on Children's Day, Tuesday, Sept. 3, at the State Fair.

This was announced by Donald L. Swanson, general manager, who said that because of the big success of the 1956 program the various contests this year will be held in front of the grandstand for the comfort of the spectators. The program, free of charge, will begin at 10:30 A. M., and will be completed in time for the regular afternoon grandstand entertainment.

The children's contests are for two age groups-6 to 9 and 10 to 14. There'll be cash prizes of \$5, \$4, \$3, \$2, and \$1 in addition to all hous for the first five places of each contest.

Bailoon bursting for both age groups will be new this year as will be a pogo stick race for the 10 to 14 groups.

"LET'S CALL HOME and tell them how far we've come today." When you're on a long trip it's fun to phone the folks at home. And nowadays it's so convenient with outdoor telephone booths along the way. Be sure to take along a Telephone Credit Card, too. Then when you make a Long Distance call you won't have to worry about having the right change in your pocket. Call our Business Office to arrange for one of these handy Credit Cards. Like convenient outdoor booths, it will make your trip more carefree.

DO YOU USUALLY ASK PEOPLE

to "speak a little louder, please" during phone conversations? Perhaps you haven't heard of the new volume control telephone. It's like other phones, but it has a small knob that lets you control the volume of the voice you're listening to. Volume control phones are invaluable for those with a hearing

loss, and they're just the thing for use in places where there are distracting noises. If you need some help to hear "loud and clear" on the phone, ask for a volume control set when you order an extension.

A TELEPHONE MAN said years ago, "Nobody ever goes into telephone work unless he really likes people." Surely anyone who's talked with telephone people realizes the truth of that statement. That applies off the job as well as on it. You can tell by the number of telephone people who work with such groups as the Boy Scouts, fund-raising campaigns, and many Service Clubs. This liking for people helps explain why it's people who make your telephone service so good.
