LABOR DAY PARADE IN CLARKSTON

Clarkston Pioneer Died Sunday

Mrs. Ina Beardslee, 84, passed away early last Sunday morning. She was born January 3, 1873 in Elsie, Michigan, the daughter of Alcott and Harriett Warner. When Mrs. Beardslee was just five years old her mother died and she came to live on the Plumb Farm on Maybee Road with her aunt and uncle.

Mrs. Beardslee graduated from the Clarkston High School and taught in country schools in Oakland County until her marriage to Byron T. Beardslee on June 14, 1892. They lived in Pontiac until they came to Clarkston in 1908 to operate a general store on the southwest corner of Main and Washington Streets—the building was destroyed by fire several years ago. Mrs. Beardslee helped with the work in the store and when Mr. Beardslee bought the lumber and coal business and moved it to its present location on Holcomb Street, Mrs. Beardslee managed the store by herself until it was sold in 1918 and then she enjoyed being a housewife.

Mrs. Beardslee was a member of The Clarkston Pioneer Club and in her early years she was quite active in the work at the Clarkston First Baptist Church.

Shortly after Mr. Beardslee's death in 1952 Mrs. Beardslee went to Lapeer to make her home and that is where she died.

She is survived by three daughters, Mrs. Ruth Beckman of Lapeer, Mrs. Helen Beckman of Milford and Mrs. Harriett Miller of Pacific Palisades, California; eight grandchildren; sixteen great grandchildren and one great grandchild.

The funeral service was held at the Sharpe Funeral Home on Wednesday afternoon at two o'clock with the Reverend Walter C. Ballagh of Lake Orion officiating. Interment was in Lakeview Cemetery.

Dr. and Mrs. A. W. Emery returned home last Thursday after spending several days in Cleveland, Ohio, attending the American Veterinary Medical Association Convention.

The Community Birthday Calendar has now been delivered to everyone who ordered one. The library is tremendously grateful for the support of those who bought one, and will have some new books and extra services for its readers because of this support.

A particularly welcome addition will be the new Friday evening hours. Starting September 6th the library will be open from 7 to 9 so that a visit there can become part of your Friday night shopping routine and the perfect time to stock up good reading for the week-end. Some excellent new books are being added to the shelves and will be reviewed here regularly to help you find the things in which you are most interested.

Every time you use your Birthday Calendar remember that not only is it useful and enjoyable during the year but that it will bring you and your family permanent pleasures as you use your library through all the years.

MAN ON FIRE

Vows Spoken In Methodist Church

A very pretty wedding took place in The First Methodist Church at seven-thirty o'clock last Saturday evening when Ronald James Thronset of Pontiac, claimed Valerie Hoyt of Clarkston, as his bride. The double-ring rites were read by the Reverend William J. Richards before two hundred guests. At the altar were large baskets of white gladioli and chrysanthemums and lighted cathedral candles.

The bride is the daughter of Mrs. Bernadene Hoyt of 24 Washington Street, Clarkston, and parents of the bridegroom are Mr. and Mrs. Rudolph Thronset

MR. and MRS. RONALD J. THRONSET

of 118 E. Beverly Street, Pontiac. Mrs. Jack Skarritt presided at the organ for the traditional music and accompanied Mrs. William Mansfield who sang "Because", "Always", and "The Lord's Prayer".

The bride, escorted to the altar by her uncle, Mr. Henry Hoyt, wore a ballerina length gown of Chantilly lace featuring a Sabrina neckline, short sleeves, a white taffeta cummerbund and a skirt which fell into tiers of lace. Her finger-tip veil of French tulle flared from a heart-shaped crown of sequins and pearls. She wore small pearl earrings, a gift of the bridegroom, and carried a cascade arrangement of white roses and lilies of the valley.

Mrs. Patrick Thompson of Clarkston, as matron of honor, wore white eyelid nylon over blue taffeta fashioned with a scoop neckline and blue taffeta cummerbund with a large bow in the back. With this she wore a small blue hat with nose-length veil and she carried a colonial bouquet of blue carnations and white roses.

The bridesmaids were Miss Jacqueline Powell of Clarkston and Mrs. Eugene Cretal of Pontiac. Their dresses of pastel yellow were styled the same as the matron of honor's and they carried white carnations and yellow roses.

Cheryle Eastman, niece of the bride, as flower girl, wore a white nylon dress with tiny blue flowers accented by a powder blue sash. On her head was a coronet of blue carnations and white roses. She carried a white basket holding pink rose petals.

Serving as best man was Chester Myren of Birmingham and seating the guests were Eugene Cretal of Pontiac and Orlyn Skjeruheim of Birmingham.

Immediately following the ceremony a reception was held in the church parlors. The bride's table was centered with a four-tiered wedding cake.

For the wedding the bride's mother chose a beige lace dress with pink accessories and a corsage of pink roses. The bridegroom's mother was in aqua lace with beige accessories and she also had a corsage of pink roses.

Superintendent Gets Doctors Degree

Leslie F. Greene, Superintendent of the Clarkston Community Schools since 1951, was awarded the Doctors Degree in the field of Education from Michigan State University at the close of the summer session.

Dr. Greene obtained the Bachelor of Arts Degree from Kalamazoo College, the Master of Arts Degree from the University of Michigan, and he also attended Western Michigan University.

Since graduating from college in 1935, he has been actively engaged in public school work and has served as superintendent of schools for the past 19 years.

Pioneers Have Outdoor Party

August 24, a perfect summer day, ended the outdoor parties for the Pioneer Club this year. A smorgasbord lunch presented an array of food fit for a king. Membership library cards were given to the winners of the games played at the party. The host, George Harris of 104 N. Main St., served ice-cold beverages while the games were in progress.

The birthdays were recognized and everyone wished for a piece of the beautiful pink and white birthday cake made by Mrs. Ben Powell.

Thanks go to Mr. William Sharpe of The Sharpe Funeral Home, for the loan of chairs throughout the summer.

The service committee consisted of: Donna Harris, Shery Waggener, Mrs. Arnold Mann, Mrs. Howard Lord, Mrs. Floyd Nelsey, Mrs. Harry Waggener, and Mrs. Fred Warrick.

The Pioneers will take part in the Labor Day Parade. All those participating please be at the home of Mrs. Ira Jones, 55 N. Holcomb, at 9:00 A. M. sharp.

Those planning to go to the State Fair call MA 5-0721. Transportation will be provided.

BAPTIST YOUTH RETURN FROM BIBLE CONFERENCE

Over thirty young people of the First Baptist Church of Clarkston returned home Monday after a week spent at Maranatha Bible and Missionary Conference at Muskegon. With the young people as counsellors and chaperones were Rev. and Mrs. Walter Gibson, Mr. and Mrs. Harold Wilson and Miss Velma Bishop.

The young people who spent the week there were Dolores Bailey, Duane Bailey, Patsy Gehring of Detroit, Robert Lissner, Marshall London, Sharon London, Karen London, Jim Lumm, Harold Lumm, Carol Lumm, Bert Montross, Janice McClelland, Janet Milligan, Mary Metevia, Jerry Powell, Bill Powell, Kathleen Swayne, Lyman Thornton, Harold Welch, Mary Wilt, Leila Wilt, Joan Wooley, and Karen Wooley.

The speakers for the week were Dr. James Bedford of Detroit, Dr. Allen Lewis of Cleveland, and representatives of the Sudan Interior Mission, including the thrilling presentation of the Gospel by veteran missionary Tommy Titcombe.

school facilities in light of making recommendations to the Board of Education for future building programs and curriculum revisions.

During the school year, the Pine Knob Elementary School (26 rooms), the Clarkston Elementary addition (9 rooms), and the high school addition (5 rooms) were completed and put into operation. The seven room addition at the Andersonville Elementary School is now in the final stages of completion, and will be put into operation at the beginning of the 1957-8 school year.

The staff for the 1957-8 school year is comprised of a total of 194 employees. In addition to the superintendent and his assistant, there are 5 principals, 124 teachers, 7 clerks, 14 custodians, 26 bus drivers, 1 mechanic, and 14 cooks and helpers.

During the summer months the maintenance crews have been busy renovating the various buildings. Worn out equipment has been repaired or replaced. Rooms have been painted, washed and put in order. Floors have been scrubbed, waxed and polished. Desks have been washed, sanded, and refinished. Grounds have been cared for and beautified. Last year, the high school drive was black topped, and the Clarkston Elementary drive was black topped in August of this year. It is the plan of the Board of Education to black top the Pine Knob drive next year and the Andersonville drive the following year.

Everything appears to be in order for the ensuing school year, and it is believed that the 1957-8 school year should be a most successful year for students, parents, and employees.

Localite Weds Waterford Girl

Last Saturday at twelve o'clock noon Barbara DeConinck, daughter of Mrs. Albert DeConinck of 4682 Rockcroft, Waterford, and the late Mr. DeConinck, and Michael Thayer, son of Mr. and Mrs. Ralph Thayer of 15 Miller Road, Clarkston, spoke their nuptial vows to the Reverend Frederick Delaney in Our Lady of the Lakes Church in Waterford.

The altar was decorated with white gladioli and cathedral candles.

Mrs. Carleton Brown presided at the organ.

The bride, who was escorted to the altar by her uncle, Omer DeConinck of Pontiac, was charming in a floor-length gown

of nylon tulle over taffeta. Made by the bride's aunt, Mrs. Omer DeConinck, it was fashioned with a basque waist of Chantilly lace with a scalloped, v-neckline. On the full skirt were appliques of Chantilly lace. Her finger-tip veil fell from a pill-box cap of white satin trimmed with seed pearls. She wore gauntlets of lace and carried a colonial bouquet of white carnations, pink rosebuds and stephanotis.

Shirley DeConinck, as her sister's maid of honor, wore pink chiffon over pink taffeta and carried a colonial bouquet of pink carnations centered with white roses. Her head band was made of flowers to match her bouquet and from this fell a scalloped flare of net.

Bridesmaids were Joyce McMullen of Pontiac and the bridegroom's sister, Patience Thayer of Clarkston. Both of the girls were attired the same as the honor maid, except that they were in light blue and carried blue carnations centered with white roses.

The little flower girl, Jackie Selin of Ramsey, Michigan, cousin of the bride, was sweet in a gown of white, eyelid embroidered organza over pink taffeta. She wore a headpiece similar to the other attendants and she carried a basket filled with pink roses and carnations.

Roger Thompson of Clarkston assisted Mr. Thayer as best man and seating the guests were Paul DeConinck of Pontiac, cousin of the bride, and Jim Lowry of Waterford.

For her daughter's wedding Mrs. DeConinck wore blue lace with white accessories and a corsage of pink and white roses. Mrs. Thayer was in lilac lace with pink accessories and her corsage was of pink roses and white carnations.

District Governor Visits Rotary

District Governor Lloyd R. Hirth of the Utica Rotary Club, made his official visit and addressed the Clarkston Rotary Club at its regular meeting on Monday at the Community Center.

Mr. Hirth's address included notes of the trip made by he and his wife to Lucerne, Switzerland, to the International Meeting of Rotary, this last summer. Included with items of interest about the trip were facts about Rotary International.

At 5:00 P. M., preceding the regular meeting the District Governor met with the Officers and Committee Chairmen and reviewed the activities of the club.

The Clarkston Rotary Club has announced completion of plans for the annual Labor Day Parade.

The Parade will form at the corner of Miller Road and Holcomb Street at 9:30 A. M. Monday.

Hending the parade will be an exceptionally large group of riders from the Dixie Saddle Club. The Clarkston Pioneers will be represented, riding in a covered wagon. The Clarkston High School Marching Band will be in line and many cars of yester years, floats and marching groups will represent various organizations.

Balloons and refreshments will be furnished all children immediately after the parade.

It is expected that with the recent influx of fine new citizens in the area and the loyalty of the many supporters from past years, this will be one of the finest parades Clarkston has had.

CLUB CLOSES SEASON WITH STREET DANCE

The Youth Variety Activities, Clarkston's recently organized summer teenage club, is bringing to a close their successful season of activities with a street dance on August 31. The dance will be held at the Clarkston High School from 8:00 until 11:30. All teens are invited, and any of the older generation are welcome, too. There will be no admission charge. Refreshments will be sold. The lucky winners of the door prizes will be glad they attended.

Dick Mason, disk jockey from WPON will be on hand to entertain the crowd. There will be plenty of popular music for dancing all evening.

The YVA is proud of the success of their attempts to provide youth in Clarkston with good, clean entertainment throughout the summer months. Mr. Terry Thomas is sponsor and can be given credit for starting the organization. Throughout the summer the membership climbed until it reached the 90 point. YVA dances were held every Friday night with two side attractions. A Mystery Bus Trip took forty-five to see "Seven Wonders of the World". Twenty-four teens and six adults went to Bob-Lo a week ago. The rides on the island, the moonlight cruise, and dancing were all enjoyed.

The club would like to thank the following people who have shown much interest and co-operated admirably in chaperoning dances and other activities: Mr. and Mrs. Ira Pence, Mrs. Harold Weston, Mr. and Mrs. Earl Taylor, Mr. and Mrs. David Stewart, Mrs. R. W. Osgood, Mrs. Alfred Haddrill, Mr. and Mrs. C. R. Anderson, Mr. and Mrs. D. C. Inman, Mr. and Mrs. Harold Ostrom, Mr. and Mrs. Courier, Mrs. Carl Anthony, Mr. and Mrs. Terry Thomas, Mr. and Mrs. Paul Etter, Mr. and Mrs. Cutwright Mrs. Edgar Collick, Mr. and Mrs. Dan Addis, Mrs. James Glennie, Mr. and Mrs. Arthur Rose and Mr. and Mrs. Keith Ellibee. Y. V. A. would like to thank the stores who have co-operated with them in advertising. The use of the Community Center and Clarkston High School were also appreciated.

The club hopes to have its own activities building by next summer. Any parents or young people who are interested in helping the Youth Variety Activities continue its work next summer for the youth of Clarkston, please call Mr. Terry Thomas at MA 5-0422 or Judy Inman at MA 5-1083.

Don't forget! Dancing under the stars at the Y. V. A. Street Dance this Saturday night. See you there!

IT CAN BE DONE!

That ever elusive hole in one was scored by Howard Altman last week on the Clarkston Golf Course. Partners and witnesses to the feat were Johnny Wright, Bill Jones and Carl Bates, all of Clarkston.

Paul Frechette, owner and operator of the golf course and club, was on hand to examine the rarity which was performed at the 144 yd, 9th hole.

Mr. Frechette, who, by the way, has done wonders with the course and club house, with many improvements to come, immediately submitted one doz-

en Spalding golf balls to Howard

as part of his promise to anyone who makes a hole in one on his course.

Incidentally, the hole in one gave Howard a 34 on the nine holes and an 18 hole score of 73.

There's a FORD for every garage

The New kind of Ford for '57 comes in two big sizes . . . the big (over 16 foot) Custom models and the still bigger (over 17 foot) Fairlanes. I rom the Fairlane 500 Sunliner (above) on down . . . there's a Ford to suit every need.

Station wagon minded? Ford has 5 to choose from (including the 9-passenger Country Squire, above). Like all '57 Fords, they're fine cars in every sense of the word. Yet, they're yours for half the fine-car price!

Fairlane 500 Sunliner

...and a price for every pocketbook

Whichever '57 Ford you choose . . . one thing's sure. You can pay more, but you can't buy better. And Ford is solidly built to be worth more when you buy it . . . worth more when you sell it, too!

Ford is the lowest priced of the low-price three! The '57 Ford, for all its expensive-car features, is the lowest priced of the low-price three.* Another reason why smart buyers everywhere say, "Little budgets love big Fords!"

POST-POLIO PATIENTS NEEDS BEING SURVEYED

A countywide survey to discover the current rehabilitation needs of all post-polio patients will be conducted this month by the Oakland County Chapter of the National Foundation for Infantile Paralysis, the Rev. G. Burton Hodgson, chapter chairman announced.

The local survey is part of a nationwide project by the National Foundation to compile a roster of polio cases of all ages and degree of disability, regardless of date of onset. The canvass here is to be completed by September 1st.

"Modern medicine has made impressive strides in developing new rehabilitation techniques in recent years", Mr. Hodgson said.

"Pilot surveys already undertaken show that there are thousands of polio-handicapped in the United States who have not yet had an opportunity for medical evaluation to determine if they might benefit from these new techniques.

"Some of the techniques employed today for those disabled by polio and other causes were unknown or unused as recently as ten or even five years ago.

"The March of Dimes organization, having scored a tremendous victory in its war on polio, does not now propose to walk off and leave the wounded behind, so long as help for them is possible. We wish to find everyone who has had polio, whether paralytic or non-paralytic. We want to know what their special problems may be, so that they may be helped to regain useful lives, if humanly possible, even though it will take a considerable period of time."

Mr. Hodgson said that the roster was to be made in close cooperation with the Oakland County Medical Society and member physicians, and the Oakland County Health Department. Information sought for each patient includes whether he is employed or attends school, if he can climb stairs and dress himself, whether he receives regular treatment and if he uses a respiratory aid.

Mr. Hodgson asked that all persons who have ever had polio, whether disabled or not, send their names and addresses to the Oakland County Chapter Office, National Foundation for Infantile Paralysis, 75 W. Huron Street, Pontiac, Michigan.

CHILDREN NEED EYE EXAMINATION BEFORE ENTERING SCHOOL

All children entering school for the first time should have their eyes examined by a competent eye doctor before school starts or soon thereafter, the Michigan Department of Health recommended today.

Approximately 340,000 of the 1,700,000 school age children in Michigan need some kind of vision care, the department said. About half of the 340,000 already are receiving care, leaving 170,000 youngsters who can't see well enough to do their school work as satisfactorily as they could if their vision defects were corrected.

Periodic screenings sponsored by local health departments and schools using adequate screening methods will help to locate new cases of defective vision as they develop, the department said. At the present time about 300,000 Michigan children are being screened each year, by adequate methods.

Annual screenings are a necessity, the department explained, because the eyesight of growing children changes constantly. Young eyes which function perfectly today can develop defects in a relatively short time, and serious eye trouble can result if the defects aren't found and corrected. Because of these changes, a pre-school examination does not rule out the need

for later eye examinations by a doctor.

The health department said eye examinations and screenings are valuable not only because they uncover vision defects but also because they sometimes lead to discovery of unsuspected diseases.

MOVING PICTURE TELLS STATE POLICE STORY

"State Trooper", a new moving picture telling the story of the Michigan state police and produced by the Ford Motor Company, is now ready for public distribution and may be obtained on loan upon request.

The picture is not just an ordinary dry documentary of the various divisions and bureaus of the state police, but a lively narrative with dramatic overtones including a bank robbery, that give it high entertainment value.

The emphasis is placed upon the many types of work done by the state police other than traffic patrol, although this receives its share of attention.

"State Trooper" is a 16 millimeter film in black and white with sound. Running time of 27 minutes is designed to make it particularly suitable for schools, luncheon clubs and similar meet-

ings, and television. There also are 35 millimeter prints for showing in theaters.

The film may be obtained without charge from the state police public information office at East Lansing headquarters, or through any state police post, or from any library of the Ford Company. The Ford Company also plan its distribution on a national scale.

An allowance for your children? Ben Ard, family specialist at Michigan State University, says the amount should be different for each child and should be based on the child's age, experience and spending needs. It

should take into account the community's "going rate" as well as the family's financial status, he explains.

Man's responsibility for demonstrating divine healing power will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Christ Jesus".

Readings from the King James Version of the Bible will include the account in Luke of Jesus' healing of Peter's mother-in-law (4:39): "And he stood over her, and rebuked the fever; and it left her: and immediately she arose and ministered unto them."
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (25:22-26): "Though demonstrating his control over sin and disease, the great Teacher by no means relieved others from giving the requisite proofs of their own piety. He worked for their

guidance, that they might demonstrate this power as he did and understand its divine Principle."

SUNRISE SERVICE AT MICHIGAN STATE FAIR

More than 10,000 are expected to hear Bishop Gerald Kennedy, Methodist resident Bishop of the Los Angeles area, speak at the seventh annual Sunrise Service to be held Sunday, September 1, at 8 A. M. at the Michigan State Fair, in the Music Shell.

The service is held in cooperation with the Detroit Council of Churches and annually draws thousands to the early morning worship services with Detroit area ministers of many denominations participating. Admission to the State Fair Grounds will be free for those arriving by 8 A. M. for the worship.

Bishop Kennedy has chosen "The Kingdom Minus One" as the title of his sermon.

Presiding will be Dr. Samuel C. Weir, pastor of Dearborn's Littlefield Presbyterian Church who is president of the Detroit Council of Churches.

Following greetings from Rev. William Sperry, of the Christ Episcopal Church, the invocation will be read by Dr. Frank P. Madsen of Detroit, president of the Michigan Synod of United Lutheran Churches.

The scripture reading by Dr. Fred Porter, pastor of the John Wesley, A. M. E. Zion Church, will be followed by a prayer led by Dr. Philip W. Saries, of the Detroit Mayflower Congregational Church. The benediction will be given by Carl E. Schock, Detroit Council of Churches director of general activities.

Brigadier Clyde Cox, Division Commander of the Salvation Army, will have the honor of introducing Bishop Kennedy.

The soloist will be Lucia Turcane. Other musical numbers will include singing by the choir from New Calvary Baptist Church under the direction of Mrs. Grace Waites. The choir will present, "Praise the Lord" and "Bless the Lord, O My Soul".

As in past years, a concert by the Detroit Police band directed by Lt. Frederick Mitman, will precede the actual services. The band program will start at 7:30 A. M.

Leading the hymns and supervising the entire program will be Dr. Nellie Huger Ebersole, director of music, radio and television for the Detroit Council of Churches.

DRIVE CAREFULLY OVER LABOR DAY

The target of the Michigan State Police over the Labor Day week end will be to reduce the toll of one highway death every three hours, which has been the average of Labor Day week-ends for the last five years.

The accident record is computed from 6 P. M. Friday to midnight Monday, a period of 78 hours. Because the Labor Day holiday is the last long holiday weekend of the summer, the troopers are bracing for an unusually heavy flow of traffic which will be increased by a number of vacationers returning from summer camps so that children may re-enter school.

Although encouraged by the fact that highway fatalities in the state are substantially below the number that occurred up to the same date in 1956, there will be no relaxation in enforcement efforts. Again an intensified patrol will be in effect from noon Friday, August 30, to midnight Monday, September 2.

All pass days have been cancelled and more than a thousand state police officers will be on duty. Traffic patrols will work 10 hour shifts, assisted by 134 National Guardsmen. Sheriffs have been assigned 116 Guardsmen.

The state police will use marked, semi-marked and unmarked cars, including the plain cars of detectives who will be on desk duty to relieve uniform men for patrol. The department's two planes will be aloft for aerial traffic observation and congestion control.

PREPARING NOW FOR U. F. DRIVE

The Pontiac Area United Fund will attempt to raise \$612,000 for its 55 health and welfare agencies during a three-week drive beginning November 4, top UF officials announced today.

this year's goal represents a 5 2/2% increase over the amount raised last year in the Waterford Township-Pontiac area.

Independence Township goal is not included in this amount. The goals for Independence, Oxford, Orion and Brandon will be announced later.

The final goal handed down by the Fund's Board of Trustees represents the culmination of six months work by UF officials and interested citizens. In the early spring, budget panels composed of citizens from every type of profession, from business and industry carefully analyzed budgets submitted to them by the various agencies. The panels recommended appropriations for each of the agencies. These recommendations then went to the Fund's Administrative Committee which had to approve them before they could go to the Board of Trustees.

"The figure of \$612,000 as set by the Board of Trustees is, in my opinion, an absolute minimum goal," said Campaign Chairman Dr. Whitmer. He further stated: "I feel sure the people of Pontiac will again rise to the occasion and surpass this amount"

A total of \$369,494.14 is earmarked for the 14 local Community Chest agencies financed by this year's "give once for all" campaign. These agencies are: Boys' Club, Boy Scouts, Camp Fire Girls, Catholic Social Services, Family Service of Oakland County, Girl Scouts, Michigan Children's Aid Society, Pontiac Area Day Nursery, Salvation Army, Urban League, Visiting Nurse Association, YMCA, YWCA and the Oakland Child Guidance Clinic.
