"Good Ghosts" Will Call Soon

Next week, Thursday, is a day of make-believe when our children become changelings. Little girls hide their hair and blacken their teeth. Little boys disappear behind grisly masks and hold out fake hands that would shame a monster.

It is quite a transformation, but look carefully at the outstretched hand (if you can stand it) and if there's a UNICEF carton in it be sure you have some change to drop in. Not only will your kindness rid you of a fearsome spook, but you will be contributing to a children's fund which buys: vaccine, powdered milk, antibiotics, midwife kits, spraying equipment, insecticides, as well as basic equipment for maternal and child health centers, hospitals and milk plants in countries where children are dressed in rags every day instead of just for fun on Halloween.

To better understand the value of the UNICEF program, be sure to watch Ed. Murrow's TV show, "See It Now" on Sunday the 27th when a 60 minute version of "The Secret Life of Danny Kaye" will be re-televised. Mr. Kaye and little children together form an entertaining combination for both are very charming and very funny. Be sure to watch them!

And when Halloween arrives remember that "The Trick is to Treat" all the world's children. The "good ghosts" will be begging for those less fortunate than themselves.

CUBS RECEIVE BADGES AT PACK MEETING

Cub Pack 49 held its October meeting Wednesday night in the High School Gym. A new seating arrangement for cubs and their parents was quite effective—each den with its cubs and parents were seated together and in front of each den was a lighted Jack-O-Lantern.

A short Halloween skit was presented by Mrs. Kirchoff's den 5. A very impressive ceremony was performed by Mr. Jack Frost in giving the new cub scouts their bob-cat badges. Other cubs were given their well-earned wolf badges and arrow points. Denner bars were received by Michael Fulton for his help in Den 5. Dale Sage received his Denner bar for being assistant denner in Den 5.

The following boys were awarded Bobcat pins: Roger Erickson, Duane Flynn, John Gettel, Charlie Gillis, Mark Hood, Charles Horsch, Dale Kirchoff, Bob Lynady, Steven McGill, Larry Parker, Tommy Payne, and Clayton Wilson.

After this ceremony other awards were given to the following boys: John Seaman, Wolf badge; Morris Hyatt, Wolf badge; 1 Gold Arrow and 1 Silver Arrow; Jim Mansfield, 1 Gold Arrow and 1 Silver Arrow; David Gunter, 1 Gold Arrow; Greg Gordon, 1 Silver Arrow; Jerry McGill, Lion badge, and 1 Gold Arrow; Chuck Beach, 1 Silver Arrow.

Fourteen dens were represented at the meeting and there was a good showing of parents.

Rotary Club News

Harry Waggener presented the program at the regular meeting of the Clarkston Rotary Club on Monday, at the Community Center. His talk centered around Civil Defense and the necessary steps being taken to protect this area in case of attack. He explained how the utilities had arranged to have extra sets of plans in other towns in preparation for rebuilding in case of damage to the one plant. The talk also covered the precautions set up by utilities to detect fall-out in case an Atom Bomb was dropped.

The Club will assist at the youngsters' Halloween Party as in the past. More details next week.

Next Monday the meeting will be held at the High School in the cafeteria and will be Ladies' night.

Ground Broken For New Building

From all over Oakland County, Officers, Directors and the friends of the Oakland County Society for Crippled Children were present Sunday, October 20th to participate in the ground breaking ceremony on the site of the new Headquarters Building. A long cherished dream was actually being started with the completion of the new building to be early in the spring of next year. The new building will have six times the capacity of the present headquarters at 152 W. Lawrence St. With the present case load of 520 handicapped persons it will enable the So-

Open House At Camp Sherwood

The established camp committee of Northern Oakland County Girl Scouts will have "Meet the Camp Day" on Sunday, Oct. 27, from 2:00 to 4:00 P. M.

Here is your opportunity to get acquainted with Camp Sherwood this fall before registrations open in the spring. The girls and their parents, of new troops, will be most interested in visiting their camp for the first time, however, one and all are invited. Location of camp is 3 miles west of Lapeer on Davis Lake. Refreshments will be served in the "Rainy Day" building.

Twp. Recreation To Be Discussed

The Independence Township Recreation Commission will hold a public meeting October 30 in the ballroom at the Community Center on N. Main St.

Guest speakers will be Ernest Blohm, Executive Secretary of Inter-Agency Council for Recreation for Michigan, and Thomas Belton, Director of Recreation for Waterford Township.

Everyone is invited to attend this meeting to find out what a recreation program would do for Independence Township and what must be done to accomplish it. There will be a question and answer period.

U. F. To Help Big Brothers

A successful campaign will net the Big Brothers of Oakland County \$113.16 from the Independence Township United Fund goal of \$8,329.10. While this represents a rather insignificant segment of the township campaign goal, the services provided by this great national agency are by no means insignificant.

A "one man to one boy" relationship expresses the basic theme of the agency's work. The job of the Big Brother is simply to be an honest and accepting friend of the boy.

"No man ever stands so straight as when he stoops to help a boy", the slogan of Big Brothers, is indicative of the kind of service offered to thousands of boys throughout the United States according to William L. Clark, Executive Director of Big Brothers of Oakland County.

"We need men from all walks of life in Oakland County to help the program", Clark stated. He pointed out that presently 23 boys are on the waiting list in all sections of the County. They need a helping hand. In the Pontiac area alone, eight Protestant Big Brothers and two Roman Catholic Big Brothers are urgently needed.

A Big Brother is a man interested in boys, who are working with professional direction, offers a sense of belonging to a lad in need of it. Big Brothers receive training at two orientation meetings which help them succeed in winning the boy's friendship, however, they soon develop their own methods and work in a manner natural to them. A natural attitude is necessary in order to accomplish a worthwhile relationship. The policy outlined in the orientation courses is general, but emergency aid is always handled through the office staff.

The following pointers, based upon actual experience with a large number of boys are stressed in the orientation meeting as a general guide:

1. Get to know your boy gradually. This will give him the opportunity to assure himself that he is making no mistake in placing confidence in you.
2. Deal with your boy on the assumption that his good qualities are important to you. Let him know you recognize these good qualities as they occur.
3. Boys have a great appreciation for those who know how to lead, without ordering or scolding. Be kind but firm.
4. Further stressed in the orientation courses, when a crisis arises call the worker in the office.
5. Share your information with the other members of the team, who are endeavoring to help the boy.

An adequate and complete case history is compiled on each boy from the material gained through the referral source and collateral information. A boy and his family are thoroughly prepared prior to the time of the assignment, both by the referral source and director of the agency. Complete acceptance of his parents is mandatory.

There are presently 45 active Big Brothers, one man working with one boy, in the non-denominational interracial organization.

HARVEST SUPPER AT DAVISBURG

The Annual Harvest Supper will be held at the Davisburg Methodist Church on Friday evening, October 25th, with the serving starting at 5:30. It will be a turkey dinner with all of the trimmings.

Everyone is invited. There is no set charge, but a free-will offering will be collected.

PIONEERS MEET AT SASHABAW

The Clarkston Pioneers will meet this afternoon in the Sashabaw Presbyterian Church where they will enjoy a noon luncheon and a fine speaker, Dr. Donald S. Pomeroy, who is a Psychologist at the Merrill-Palmer School in Detroit. Birthdays will be recognized and a business meeting will be conducted.

The Halloween Party for the Happy Helpers 4-H Club will be held in the basement of the Community Center on N. Main St., on Thursday evening, October 24th from 6 to 9:30.

Mrs. Raymond Miller of N. Main St., is ill and is in Pontiac General Hospital.

Hallowe'en Dance At Pine Knob

The "Hallowe'en Hoedown", an informal dance, will be sponsored by the Pine Knob School P. T. A. on October 26th, from 8:00 to 12:00 p. m. in the Pine Knob School on Sashabaw Road.

The entertainment for the evening will feature round and square dancing, and the opportunity for parents and teachers to meet on a social basis.

Joe Gidley and his Band will provide the music.

Refreshments will be free and will include the traditional Hallowe'en fare of cider and donuts.

The public is invited.

Chairman of the dance committee is Mrs. George Stitt. Assisting her are Mrs. Keith Kerton, Fernando Sanchez and James Bussard.

Engagement Announced

CONSTANCE STILLER

Mr. and Mrs. John Stiller of Clarkston announce the engagement of their daughter, Constance, to John Campbell, son of Mr. and Mrs. Ralph Campbell of Davisburg. No wedding date has been set.

METHODISTS CHANGE HOURS OF SERVICE

Beginning this next Sunday, October 27th, the hours of worship and the time of the Sunday School Sessions have been changed at First Methodist Church, as announced by the pastor, Reverend William J. Richards. The early Sunday morning worship service will be a Family Service beginning at 9:00 a. m. The Youth Choir under the direction of Miss Beverly Bell will lead the congregation in worship every Sunday, and the children's choirs under the leadership of Mrs. Phyllis Mansfield, will intermittently sing the anthem. Reverend Richards will make it the custom to tell a story for the benefit of the children present.

The late morning service will be at 11:15 a. m. and will be made convenient for parents of pre-school children with the nursery and Primary Departments meeting at that hour to allow them to worship. The Senior Choir under the direction of William Mansfield will sing every Sunday.

The Sunday School Sessions will also change their times with the Junior Department on up through the Adult Department meeting at 10:00 a. m. instead of 9:30. Readers of this paper are asked to check the church notes for full details. The second session of the Sunday School will meet at 11:15 a. m., at the same time as the worship services. This session will include the Nursery, the Kindergarten, and the Primary Departments. This will also give older children an opportunity to attend the worship service with their parents while the smaller children are in Sunday School. For further inquiry phone the church office at Maple 5-1161.

REFORMATION SUNDAY AT LUTHERAN CHURCH

Next Sunday, October 27th, will be observed as Reformation Sunday at Christ Lutheran Church, Airport and Williams Lake Rds. It is in recognition of the historic event of October 31, 1517, when Martin Luther nailed his 95 theses on the church door in Wittenberg, Germany. This was a high point in the beginnings of the Protestant Faith and religious liberty. At the 11:00 A. M. Worship Service the congregation will sing the great hymns of the Reformation

H. S. Program Being Studied

The 44 members of the Clarkston High School Faculty are engaged in an evaluation of the high school curriculum and facilities. This evaluation is being carried out as one of the requirements necessary to become accredited by the North Central Association of Secondary Schools and Colleges.

There are 26 different committees covering every phase of the high school program. Each member of the faculty is serving on at least one committee and some are serving on two or more. The basis of evaluation is the use of the Evaluative Criteria prepared by the American Council of Education based on a cooperative study of Secondary School Standards. This evaluation started last year and will be completed by November 1, of this year.

The purpose of this evaluation is to determine if any area of the high school program is in need of improvement and if so what steps should be taken to improve these areas. In addition the results of this evaluation will be coordinated with the findings of the citizens committee which has been studying the needs of the high school for the past six months. These findings will then be put into a recommendation to be given to the board of education for study and use in planning for the future high school needs of the school district.

In addition to the combined effort of the entire high school faculty, 17 members are taking a course from Michigan State in Educational Planning for High School Needs. Dr. Floyd Parker is acting as coordinator for the course. He is also the coordinator and advisor for the Citizens Committee formed by the Board of Education last year. According to present plans, the findings of the faculty and citizens committee will be presented to the public at a meeting to be held in November.

The citizens committee was organized by the Board of Education because of increasing enrollments at the high school. This year there are 1025 students enrolled in grades 7 through 12. According to current enrollments there will be about 2000 students in grades 7 through 12 by the 1964-65 school year. The present high school building has a capacity not to exceed 1150 students. This number of students will be enrolling for the 1958-59 school year.

ATTENDANCE CONTEST AT BAPTIST CHURCH

After five weeks of committee meetings and planning, the First Baptist Church Sunday School will begin its Rocket attendance contest on Sunday, October 27. When members and visitors arrive in Sunday School this week, they will find an intricate and interesting control board occupying some eight feet of the platform. "Radioman" Dick Anderson will operate the board each week to contact the 30 foot Rocket which will arrive sometime during the contest.

Following the slogan, "Blasting off to reach the lost", each class will have its own "Rocket to the Stars" for individual records. To stimulate interest and participation in the contest, a prize will be awarded to the winner in both the Junior and Senior departments. Scoring will be based on attendance, bringing visitors, and attendance of those visitors. A six foot replica of the larger rocket will be placed in the leading classroom in each department every Sunday.

Wendell Bishop, Sunday School Superintendent, and George Luenberger, Contest Chairman, join their pastor, Reverend Walter Gibson, in offering a warm invitation to the community to take part in this unusual activity. Sunday School begins at 10:00 a. m. and classes are offered for all ages from infants to our senior citizens.

and the Rev. Arvid E. Anderson will preach on the theme, "On the Rock we Stand". The Sunday School classes for Parents and Children meet at 9:30 P. M. At 7:30 P. M. next Sunday the film, "Martin Luther" will be shown at the church and the public is invited to all of these events on Reformation Sunday. The film was shown throughout the county in the public theaters a few years ago, and is a widely acclaimed story of the life of the great reformer.

From left: L. C. Megee of Clarkston, Society President; Craig Baker, Royal Oak, son of past President Phillip Baker; Mrs. Fred H. Rollins, Jr. of Birmingham, second Vice-chairman; Four year old polio victim Debra Shelton, Pontiac, Miss Easter Seal of Pontiac, 1957; William Bullock, Royal Oak, first Vice-President and the Building Committee Chairman.

ciety to enlarge its activities to more properly take care of all who need help in our fast growing county.

Others from Clarkston who attended the ground-breaking ceremony were Mr. and Mrs. Ira Snader, Mrs. Ronald Walter, Mrs. Charles C. Rockwell and Farmer E. Davies.

SPECIAL SERVICE AT METHODIST CHURCH

This Sunday, October 27th, the new site of First Methodist Church will be recognized in the Morning Worship Services as a memorial to Eber and Harriett Parent, who before their death, were residents of Clarkston. A tribute will be read by one of the laymen of the church as to the contribution they made to the community and their friends. For many years they occupied the home on East Church Street, just a block east of Buffalo and the church. They were quietly religious people, devoted to God, and showed a strong personal love for the children and grand children in their family. Some residents have said that they symbolized, "the kind of love given by all good mothers and fathers".

Ill health kept them from participating in the community affairs in the latter years of their lives. It made their flowers and gardens their center of interest in the home. The neighbors knew them as people of a gentle heart and good natured disposition. Mr. Parent passed away in 1939, and Mrs. Parent followed in 1943.

Characterizing the memorial the new grounds of the church will be beautified with flowers and shrubbery which was so much a part of their life. It is in this respect that Reverend Richards, pastor of First Methodist Church will memorialize them at both the 9:00 and 11:15 A. M. services on Sunday.

Obituary

Guy C. Allen

Guy C. Allen passed away suddenly at his home at 9200 Allen Road on Sunday. He was born in Clarkston February 4, 1895.

Mr. Allen was a retired farmer. He lived and died in the house where he was born. He was a member of the Clarkston Pioneer Club.

He is survived by his wife Lydia; one daughter, Mrs. Richard Snover and one son William, both of Clarkston; and five grandchildren.

The funeral service was held on Wednesday afternoon at the Sharpe Funeral Home with the Reverend Marshall Saunders of Davisburg officiating. Interment was in Lakeville Cemetery, at Lakeville, Michigan.

W. S. C. S. TO MEET THURSDAY, OCTOBER 31

The Woman's Society of Christian Service of Clarkston Methodist Church will meet at the church, Thursday afternoon, October 31st.

Miss Sylvia Aldrich who has spent many years as a missionary to Africa and is now home on furlough, will address the group giving pertinent and interesting information regarding the area, and many human interest stories about the people whom she has served.

Preceding Miss Aldrich's talk, beginning at one-thirty o'clock a quiet hour of meditation, prayer and music will be observed as part of an observance by all Methodist women, of a week of Prayer and Self Denial. Those participating in the service will be Mrs. Leo Erickson, Mrs. George Perry, Mrs. Stanley White, Mrs. Herman Gentry and Mrs. William Mansfield.

The women of the Methodist

churches of Davisburg, Ortonville, Mt. Bethel and Seymour Lake will be special guests and all women of Clarkston are cordially invited to share the christian fellowship and inspiration of the meeting.

The Dorcas Circle will serve tea at the close of the meeting.

ROTARY ANNS PLAN FUTURE ACTIVITIES

The Rotary Anns met at the home of Mrs. W. H. Stamp on Tuesday evening. Mrs. William Sharpe and Mrs. Rudolf Schwarze were co-hostesses.

Mrs. Ronald Walter, president, conducted the business meeting at which time committee reports were given and future meetings discussed. William Godfrey spoke briefly about the United Fund and stressed the need of a recreation program in this township. The Club decided to give \$25 to the United Fund. The group also voted to give \$5.00 to UNICEF. Registration fees for Girl Scout Committee members were allowed.

Following the business meeting Mr. and Mrs. Robert C. Beattie took the group on the 1954 Glidden Tour through the New England States. Mrs. Beattie read the story of the trip written by their daughter, Margaret Ann, and Mr. Beattie showed colored movies. The trip was very colorful and in many instances quite amusing as no one could enter the tour with a car newer than a 1913. The Beatties received the trophy for having the best restored car, their little, red 1903 Ford.

Refreshments were served at the close of the evening with Mrs. Ronald Walter, presiding at the silver service.

Mrs. Lavina Barrows of Jackson, formerly of Clarkston, is visiting friends in this area and also at the A. R. Downey home in Pontiac.

Waterford

Charles Anderson of Waterford Drive is in Chicago this week attending the 45th National Safety Congress. He is the safety representative from Baldwin Rubber and is among 10,000 persons attending and representing all kinds of safety.

Mrs. Mary McFarland is enjoying a visit from her sister, Mrs. Chase Hawkins, who arrived Sunday morning by plane from her home in Vista, California. This is their first meeting in 20 years and the two sisters are leaving the last of the week to visit a brother in Chicago and another sister in Bloomington, Illinois, where they will get together for a family reunion.

Mrs. John Watkins, president of the Drayton Plains Chapter of W. C. T. U., and Mrs. Floyd Wilson are delegates to the W. C. T. U. convention in Lansing this week.

Mr. and Mrs. Al Kray observed their 31st anniversary Sunday and the day also marked Mrs. Kray's birthday. With them for the day and dinner at Howard Johnsons were their daughter and family, the Dick Essers of Sylvan Lake.

Mr. and Mrs. William Good and family of Waterfront Drive moved Saturday to their new home at Otter Lake.

Dinner guests of Mr. and Mrs. Ray Everett on Tuesday night were his parents, Mr. and Mrs. Bruce Everett of Lincolnshire Road and her parents, Mr. and Mrs. Jack Hall. The dinner honored the two mothers who have October birthdays.

Mrs. Bert Farkas of Harrisburg, Illinois, is visiting her daughter and family, Mrs. E. M. Fife of Saline Drive.

Mr. and Mrs. Carl Milward left on Wednesday for a visit in Burlington, Ontario, at the home of their son-in-law and daughter, Mr. and Mrs. John C. Mourik. This Saturday night they will attend the wedding of Geraldine Milward and Walter Hamsey in Burlington. They will also visit a brother in Niagara Falls and another in Hamilton, Ontario, and expect to return home on Sunday.

Mrs. James Stites, who now makes her home near Grand Blanc, entertained the Waterford Birthday Club for luncheon at her home last Wednesday. Due to several members being ill with the flu only five from here were able to attend the get-together instead of the usual twelve.

The Waterford Good News Class will start on October 28, directly after school, at the home of Mrs. Betsey Brown on Waterfront Drive. Mrs. Lyman Girst and Mrs. Henry Mehlberg have charge of the group.

On October 26th the Men's Beacon Club of the Waterford Community Church will hold their Father and Son Banquet at 6:30 P. M. at the church. Ladies from the Auxiliary are preparing and serving the dinner. Mrs. Harriett Johnson is chairman and Mrs. Klein Powell, co-chairman. Working on their committees will be Mrs. Tom Corbin, Mrs. Lawrence Giddings, Mrs. Joseph Young, Mrs. Henri Buck and Mrs. David Mehlberg.

A group from the Missionary Internship Training Program of Detroit will be at the Waterford Community Church on Sunday and will have a part in all services. Bill Fletcher and R. E. Thompson will be the special speakers.

There were 72 from the Waterford Community Church who made the trip to Grand Rapids last Saturday when the choir from the church gave a program at the Open Bible Church. The Auxiliary from that church served supper to the Waterford folks.

Mrs. Henri Buck entertained the Good Will Club last Friday at her home. There were 12 ladies present for the 12:30 luncheon. Mrs. Lyman Girst, who assisted her, also showed interesting colored slides, among them being pictures from Quito, Ecuador

and the home of Miss Ruth Burbank in New Hampshire. Miss Burbank is the missionary candidate in the Waterford Community Church. Plans were made for Christmas activities for the group and the November 15th meeting will be with Mrs. Victor Lindquist.

Man's responsibility for spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Probation after Death" at Christian Science services Sunday.

Scriptural selections to be read include the following (Philippians 3:13-15): "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as be perfect, be thus minded; and if any thing ye be otherwise minded, God shall reveal even this unto you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (291:12-13): "Universal salvation rests on progression and probation, and is unattainable without them."

The Golden Text is from James (1:12): "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

I have been observing humans all over the earth, but there is something fascinating about this area known as Clarkston. It seems that the people here, as well as everywhere else, are suffering a severe blow from a rare disease that is unknown to our doctors and scientists.

Unfortunately, I have fallen a victim to the discomforts of this rapidly spreading epidemic. The humans seem to overcome this illness in a matter of days, but it could possibly be fatal to our people who suffer very little sickness during their lives.

I have been able to find that the common name for this sickness is "flu". The symptoms include a splitting headache, tight chest, high body temperature, and for me a persistent desire for sleep. I think I shall surely die if something is not done for me soon. However, I dare not go to an earth doctor for fear he may discover my true identity, and to return to Mars for treatment would cause an epidemic among our people. Therefore, I shall remain here on earth and feel completely miserable. As you can see I am not happy here, and I have heard the rumor that spys are executed when discovered in America.

I sincerely hope that I shall live long enough to send more information to Mars but the way I now feel, it is hard to predict when I shall be well enough to contact you again.

C. H. S. TEAM BEGINS WORK
by Dixie Parks

At this point the high school debate team is building and preparing their cases which will be presented during their meets. The team which consists of 16 members is under the sponsorship of Mr. Healy. The topic to be presented is: Resolved: That Direct United States Economic Aid to Individual Countries Should Be Limited to Technical Assistance and Disaster Relief.

The officers of the team are: Pat Hart, president; Connie Blimka, secretary; Paulette Kimbell, treasurer and David Sanford, librarian.

Throughout the year the team will take part in 4 league meets and 4 non-league meets. There will be 7 of the league schools taking part in league debate.

YOUR ROVING REPORTER

by Lorraine Koneda

'Oh gee mom! I don't have a thing to do', is probably one of the most commonly used phrases by teenagers (especially

on weekends).

Most of the students here at Clarkston High would like to be given the chance to attend some form of out-of-school activity with their parents. Being that the controversy on this subject is really great I thought you might be interested in hearing a few opinions on it. So as this week's topic I'm asking "What would you think of a parent-sponsored club here in Clarkston and what type of an organization would you like to see formed?"

Interviewed during the noon hour Freshman Dave Shortnacy said, "I think it would be nice to have a parent and adult sponsored club. It would show that the parents do take an interest in doing things for the welfare of their teenagers and the kind of activities they participate in. The type of club formed doesn't really make any difference to me but I do think it should be educational, as well as entertaining and interesting."

Sophomore Linda Engelman, interviewed on the way home from school commented, "The school activities we now have are enough to keep most of us busy during the week but on the weekends it would be nice if we could have some type of an organization to look forward to. I think the club should be a place where we could relax and could also provide different types of recreation facilities too."

One of our Seniors who wished to remain anonymous, said, "A parent-sponsored club would be just the thing for some of the students at C. H. S., that are interested in doing things with their parents. On the other hand, there are always a few students who always manage to be rowdy at dances or any school activities and I hope they won't spoil an out-of-school club too. As for the type of organization formed I think it depends mostly on the interest of the student body as a whole."

And in Journalism class, Nora Cornell, Junior, added, "It is my belief, and I am not alone, that Clarkston needs something for the young people. I know most of our parents are interested enough in their children to want to see them close to home and who do care about the kind of friends they have and who don't want to see them just running wild. But there aren't enough who are willing to help us organize something. I, personally, would like to see a theater or teen club."

Well, that winds up another segment in this series. See you next week!

3 R'S, AGAIN

Roguish

Raccoon

Returns

If the Roaring Twenties look of the store window fashions is any indication, the raccoon coat's ready to return to the college gridiron.

Where do these popular fur trappings come from?

Strictly from the point of a University of Michigan mammal expert, "The animal is commonly found in most of the state."

William H. Burt, curator of mammals at the U-M, says the animal with the handsome black mask may present a roguish appearance. "But it's just an occasional raccoon who will raid poultry houses or damage cornfields during 'roasting ear' time."

"And, to lots of people, the fur value of the pelts and the pleasure derived from hunting the animals with dogs far outweigh the harm they do."

About the size of a Boston Bull dog, the raccoon's fur is long and grizzled gray. The black mask over its eyes and the ringed tail are distinctive characters found in no other Michigan mammal.

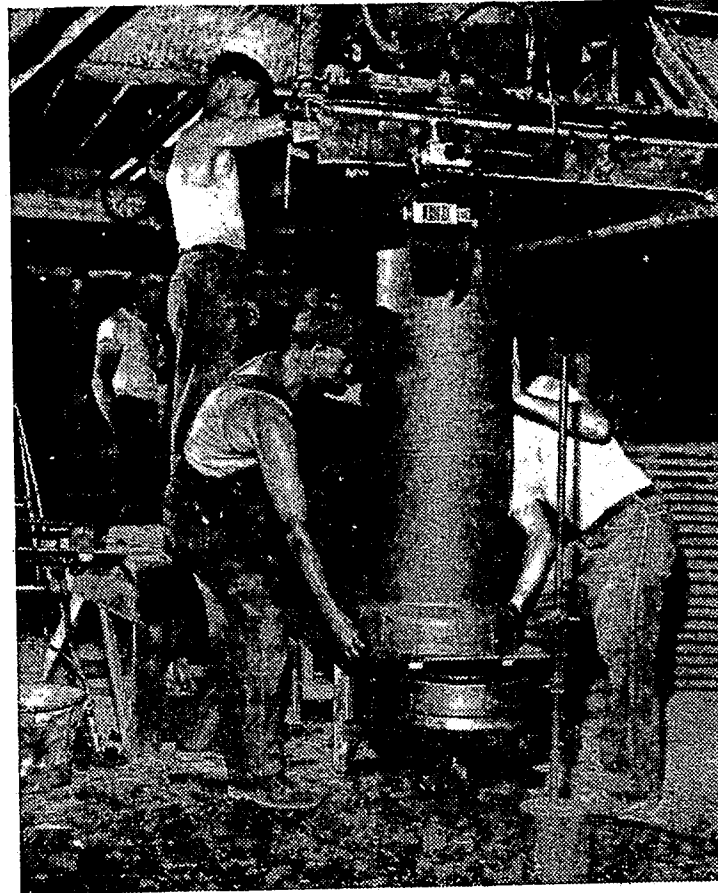

"The raccoon favors wooded areas, especially along streams and near lakes where large hollow trees are present," says the professor. "Primarily a nocturnal animal, it's seldom seen abroad during the daytime."

"Raccoons prefer hollow trees for their homes and dens. They eat a great variety of foods, including nuts, fruits, grains, insects, crayfish, frogs and bird eggs."

Ever hear the nocturnal call of the raccoon? Says Professor Burt, "It's a shrill, tremulo cry, almost like a whistle, and on a still night it may be heard for a long distance. When caught by a dog, it sometimes utters a snarling cry, from rage or pain."

As for the temperament of this creature, Burt says, "The raccoon is a sociable animal, at least within the family group. This group usually forages and dens together. The raccoon does not look for trouble, but when it is hard-pressed by dogs and can

not reach a tree, it fights valiantly. It's a good dog that can dispatch a raccoon without help."

NATURE PROVIDES FOR WINTER BOUQUETS

During fall and winter when fresh flowers are scarce, you can still have interesting arrangements around the house, says Miss Luella Nault, Oakland County Home Demonstration Agent.

Nature provides many things for winter bouquets. Pick some dried weeds, grasses and branches. Dry corn stalks can add the straight lines and Indian corn or gourds may be used with the arrangement. Now you can still find some shrubs and bushes with colored berries that are attractive.

Hollow tile and brick can be used as containers. Their texture and colors blend with the materials from nature. Pottery, earthenware and wooden containers are good, too. Use a shallow basket to hold colorful Indian corn. Add a few small gourds, and some clean, brown oak leaves for centerpiece or table arrangement. For a point of interest on a coffee table try some gourds. Arrange smooth textured gourds, in shades of one

color, on a bamboo place mat.

You can use some large 'eye-catchers', too, says Miss Nault. A large arrangement of fall foliage can be set on the floor by the fireplace or in a corner as an accent in the room. An old, deep crockery pickle jar makes a good container. Such an arrangement looks nice near a light to cast interesting shadows on a plain wall.

FOOD SHOPPERS ARE PROTECTED

Michigan food shoppers are protected by many laws which are enforced by the Michigan Department of Agriculture. As recently as September 27, some new food laws went into effect to prevent false advertising of meat and meat products, reports the MSU Marketing Information Agent, Mrs. Josephine Lawyer.

It is now unlawful to describe any meat by the use of the words 'prime', 'choice' or 'good' unless the meat advertised for sale actually bears the "USDA" federal stamp designating such grade, or is of equal quality as the federal grade would designate.

Grades tell you most about meat quality. The better grades will be more tender and have

more flavor while the lower grades will be less tender requiring different cooking methods to develop the best flavor.

Retailers must now state whether ham is skinned or regular. Beginning September 27, any ham marked as "one-half" or "half ham" must be a half ham with no center slices removed. Pork shoulder cannot be described as "ham".

In each part of the state, men from the Bureau of Foods and Standards of the State Department of Agriculture are constantly checking to see that food in the stores meets its advertising claims. These men are silent helpers of all food shoppers.

BAND TO DEPICT 'STUDENT LIFE' AT GRID SHOW

With tongue in cheek, the Michigan State University march band will attempt to tell the old grads how a 1957 M. S. U. student spends his time during its half-time show at the Illinois-Michigan State homecoming game at Spartan Stadium Saturday, Oct. 26.

Entitled "A Day In The Life Of An M. S. U. Student", the

show will open with the band forming an alarm clock (set for 7:45 A. M. for an 8 o'clock class) and playing "Oh! How I Hate To Get Up In The Morning".

By use of formations and music, Band Director Leonard Falcone will have the fictitious student called on the carpet by the dean, go canoeing on the Red Cedar, write home for money and attend the big dance.

The band will close its performance in a departure from traditional procedure, forming an outline of Beaumont Tower, campus landmark, and playing the "Fight Song" and "M. S. U. Shadows". Usually the band forms a diamond "M. S. U." when playing the Alma Mater.

PROCEEDINGS OF A SPECIAL INDEPENDENCE TOWNSHIP BOARD MEETING, OCT. 8, 1957

Meeting called to order by Supervisor Hursfall.
 Roll Call: Hursfall, Doebler, Snader, Bauer, Anthony, present. Absent: none.

Mr. Hursfall stated the Waldon Road bid was \$12,385.30 which will finish the road to the East side of Almond Lane; plus not to exceed 10% for contingencies. Our share of the additional cost would be not more than \$1,811.90 which the Road Commission will carry over to next year's matching funds, if we do not have the money.

Motion by Snader, supported by Doebler, "That the Township recommend to Oakland County Road Commission that they accept the Stan Jones' bid of \$12,385.30 plus a possible 10% for contingency for the reconstruction of Waldon Road, identified as project No. 253."

Roll Call: Hursfall, yes; Doebler, yes; Snader, yes; Anthony, yes; Bauer, Yes. Nays, 0. Motion carried.

Motion made and supported to adjourn. Carried.

PROCEEDINGS OF INDEPENDENCE TOWNSHIP BOARD MEETING OCT. 15, 1957

Meeting called to order by Supervisor Hursfall.

Present: Hursfall, Doebler, Snader, Anthony, Bauer.

Motion by Bauer, supported by Anthony, "That the reading of the October 1 minutes be waived and ordered approved as printed." Carried.

Minutes of Special Meeting, October 8, 1957, read and approved as read.

No statements from the audience.

Mrs. Rogers was present with a revised drawing of proposed Supervisor's Plat No. 9 showing a 30 ft. road instead of a 30 ft. easement. Decided to have Mrs. Rogers submit the proposed plan to see if County Road Commission will approve a 30 ft highway.

Mr. Anthony stated the Bellows' vault was not ventilated. He would investigate further.

Mr. Snader stated he felt we should not recommend any particular tree according to the request of Mr. Lanbrecht.

Motion by Bauer, supported by Snader, "That the matter be tabled for further study and action at a future meeting." Carried.

Mr. Snader submitted a treasurer's report for the month ending Sept. 30, 1957.

Motion by Anthony, supported by Bauer, "That the treasurer's report for the month ending Sept. 30, 1957, be approved." Carried.

Motion by Doebler, supported by Anthony, that the bills be paid in the amount of \$1,743.99, as listed."

Roll: Hursfall, yes; Doebler, yes; Snader, yes; Anthony, yes; Bauer, yes. Nays, none. Motion carried.

Mr. Snader submitted a budget review from April 1 to October 1, 1957.

Motion to adjourn. Carried.

WOMEN'S DAY FOR DEMOCRATS

Democratic women office-
holders, from members of state
government to township clerks,
will be honored at luncheon
during Democratic Women's Day
in Lansing, Saturday, October
26.

Oakland County women to be
honored include Mrs. Irene Mur-
phy, Birmingham, regent-elect
of the University of Michigan;
Mrs. Donald Adams, state histori-
cal commission; Miss Louise
Lawton, West Bloomfield, state
commission to study uninsured
motorists; and Miss Gladys Davis,

mission.

Serving on the welcoming com-
mittee will be Mrs. Jack Mos-
kowitz, Oak Park, Oakland
County Democratic Committee
Vice-Chairman.

Keynoting the day's activities
will be Governor G. Mennen

Williams, following registration
at 9 A. M. The governor will al-
so participate in a "Stump the
Experts" panel, which will dis-
cuss political topics suggested
by the audience.

Other panel members include
Congresswoman Martha Griff-
iths, State Representative Luc-
ille McCollough, Democratic
State Chairman Neil Staebler,
State Vice-Chairman Adelaide

HOLLY BEATS CLARKSTON 20-7
By Ed Eaglen
Clarkston went ahead in the first quarter 7-0, with Russ Sufredine carrying both the Touch Down and the extra point over. Holly came back strong, and had Clarkston on about their own 20 in a fourth down punt. Due to a bad hike from center, Holly got the ball on the Clarkston 5 yard line, where Holly's quarterback bootlegged the ball into the end zone for the Touch Down. The kick for extra point

was good. The half ended 7-7. Holly scored in the second quarter but were called back because of clipping. Clarkston was inside Holly's 40 yard line all the 3rd and 4th quarters but they couldn't put the ball over. Clarkston plays Bloomfield Hills here this Friday, Dad's Night. Lots of luck and we're all for you.
