Fantasy-land figures like these six will brighten Detroit's main street, Woodward Avenue, Thanksgiving morning during The J. L. Hudson Company's 31st Annual Thanksgiving Day Children's Parade. Over a mile long, the parade will boast 12 marching bands, 20 gaily decorated floats and 1,650 costumed marchers. One of the nation's largest Thanksgiving Day parades, it begins in mid-town Detroit at 9:30 a.m. and rollicks its way downtown, televised nationally on the ABC network. Santa's arrival on his huge, gaily decorated sleigh (seen in background) will climax the morning's fun-filled activities.

Use vegetables, gourds, leaves and Indian corn for fall centerpieces. For a touch of green add an evergreen sprig.

First look at a smart performer

MODAY we're proudly displaying the 1958 GMC Money-Maker. And we think you'll find it the handsomest hustler you ever handled.

An eager 200 horsepower swings a top load like a cargo of feathers. Turning ease is like power steering's.

A fast-ratio cruising axle gives you an overdrive's road pace and gas savings. Foam-rubber seats cradle you in a roomy cab. Boulevard styling carries out the feeling of luxury.

But this beauty is built like a pocket battleship. You'll see that in its massive spring hangers. In rear springs with the highest deflection rate of all light-duties.

You can sit solidly on an unhooked end of its tail gate—and you can't crinkle the roof or door panels with a smack of your hand.

You'll get the same quality instrument panel as on the big, \$10,000 GMC heavyduties. A radiator mounted on a bulkhead integral with the frame. A steering column braced like a mast.

These and more tell the inside story of GMC stamina. Come in and see for yourself. Why not do it today?

THE SOLID LOOK-Beautiful but rugged, GMC's full family of fine trucks also includes Truck Air Suspension models, Super Tandems and America's No. 1 Diesel. From a half-ton to 45 tons, every GMC is a Money-Maker!
