CLARKSTON, MICHIGAN, THURSDAY, NOVEMBER 21, 1957

NUMBER 12

## Recreation Program Is Discussed

A good response by residents of Independence Township to plans for Community Recreation was shown at the public meeting, Wednesday, October 30, at the Community Center in Clarkston. Ernest Blohm, Executive Secretary for the Inter-Agency Council for Recreation in Michigan presented several different aspects on the meaning of recreation. Thomas Belton, Waterford's Director of Recreation, outlined their program and participated in the question and answer session.

The Township and School Boards had voiced their approval on going along with a community recreation program within their financial limits and would discuss such a program at their future meetings.

William Godfrey, the Chairman, and other members of the acting recreation committee, will sit in on the Township and School Board meetings and get their formal consent on setting up a Recreation Commission for Independence Township.

A meeting was held Wednesday evening of this week at the Methodist Church, when reports were given on the Board meetings. An endeavor will be made to set up a program under volunteer leadership, co-ordinating some of the various club activities, covering a greater range of age groups. It is hoped that more people will become interested and will attend future meetings. Mr. Godfrey can be reached at MAple 5-2097.

## Clarkston Locals

Last Friday evening Mr. and Mrs. Harold Elliott entertained 15 guests at a surprise birthday dinner for Mrs. Edward Luscomb of Sylvan Village. Mrs. Luscomb is Mrs. Elliott's aunt, and members of the family were present from Pontiac, Dearborn and Lansing.

The friends of William Dunston are sorry to learn that he is seriously ill in Pontiac General Hospital and all are wishing him a speedy and full recovery. At the present time he is resting comfortably but is unable to have visitors. However, mail is always a great help when one is ill. William's room number is 423.

## United Fund Passes 40%

With a reported total of \$3355, the Independence Township United Fund has now passed the 40% point in the drive to raise \$8329.00.

As the campaign goes into the final week there still remains many homes which have not been contacted. Mrs. DeVere Games, chairman of the residential group, advises that practically every street in the township has been assigned to a solicitor and it's her hope that no home will be missed. Bad weather has slowed up work of solicitors somewhat, but it is believed by the end of the campaign, which will end this week, most all homes will have been called on.

In the event that your home is missed or you have questions to ask, a telephone call to Mrs. Games, MA 5-1474 or to Merle Bennett, MA 5-1421, will bring someone to answer questions and receive your contribution.

Please remember that a resident of a community which has an active "Blood Bank" everyone is entitled to get blood without charge. But in order to receive this service you must contact the American Red Cross. Your hospital will charge you for any blood you receive unless your Red Cross has been called—the hospital does not generally ask you if you have blood bank services available. The Red Cross will ask you to arrange donors to replace blood if this is possible, but it is not mandatory.

Since January 1st this year the Red Cross has furnished 8 pints of blood to Independence Township residents through our Blood Bank. Others may have received blood through banks where they work.

The Red Cross is a United Fund supported agency—your dollars serve an important place in its operation.

## Men's Club To Hear About Leader Dogs

BILL MCCREADY AND STORM

## "DON'T PITY ME"

I'm sure that is what Bill McCready might say, and he may even add "I'm very fortunate" and to hear his story you will most likely agree for there are so many tragic stories that could be told.

However we are interested in a happy tale—Bill McCready's—and to hear what he has to say attend the Men's Club meeting tonight at 6:30; dinner is served in the dining room in the First Methodist Church.

We are sure that many would like to know the facts about the Leader Dogs for the Blind. Get those facts first hand. Local donors to the United Fund may be pleased to know that the Leader Dog School is a member of the Michigan United Fund and receives a part of its annual budget through this organization. So—when you give to the U. F. you make it possible for all the Bill McCreadys to enjoy the priceless gift which so many of us take for granted.

For reservations for tonight call MA 5-1908; MA 5-1614 or OR 3-9809.

## CHILD STUDY CLUB MET NOVEMBER 7

The November meeting of the Clarkston Child Study Club was held at the home of Mrs. Richard Surre. Mrs. Earl Hawke was the speaker of the evening. She made her topic, "Developing Work Habits and Responsibility" very interesting. It was enjoyed by all.

Refreshments were served by the hostess and co-hostess, Mrs. Frank Ronk.

The next meeting will be on December 5th at the home of Mrs. Jos. Petroff.

## PLAY READERS MET AT EGGERT HOME

The Clarkston Play Readers did some listening last week as well as reading when they heard a recording of Jose Ferrer in his famous role of Cyrano de Bergerac. The group had its second meeting, November 13th, at the home of Mr. and Mrs. Ellwyn Eggert of Clarkston, and spent the remainder of the evening reading the Greek play of Aeschylus, Prometheus Bound.

Plans for future meetings include such varied fare as Moliere, Ibsen and O'Neill.

The group's next meeting will be on Wednesday, December 4, at 8:00 P. M. at the home of Mr. and Mrs. Richard Urban, 2188 Briggs Street, Drayton Plains. Anyone interested in joining is cordially invited to attend. For more particulars, call Mrs. Richard Urban at OR 3-8187.

## G. O. C. Ceases Active Operations

Effective Jan. 1st, 1958, all U. S. G. O. C. Posts will begin operating on a "Ready Reserve" status. This means that "round the clock" observing will be discontinued. In its place an organization will be maintained capable of performing sustained operations for an indefinite period when alerted to do so.

This change in no way lessens the importance of the G. O. C. as a link in the defense network of this nation. Our early warning radar capabilities are now developed so we have assurance that sufficient notice can be given to alert our G. O. C. Posts in time to become fully operative.

Merle Bennett will continue as Supervisor and Mrs. N. E. Maytag as Chief Observer. They both, at this time, wish to thank the many people who have been so faithful in the giving of their time to the operating of the local post, which has given it a position noteworthy of praise from the G. O. C. officers.

A pin presentation meeting will be held early in December at which time a "Wings Pin" will be given to all observers who have served 24 hours or more.

## MEETING TO DECIDE ON NEW PARSONAGE

Through the authorization of the Flint District Superintendent, Dr. Chester A. McPheeters, a Methodist Church Conference has been authorized for Monday, Nov. 24, at 8:00 P. M. when the congregation will decide on the type of parsonage they wish to have constructed. All bids have been received by the Building Committee who are ready to report. Every member of the First Methodist Church over the age of 21 should be present and cast their ballot.

## B. & P. W. Club Has November Meeting

The Waterford Business and Professional Women's Club held its November meeting on Wednesday evening of last week at St. Andrew's Episcopal Church on Hatchery Road. A delicious dinner was served at 7 o'clock.

Following the dinner the business meeting was conducted by the president, Mrs. John Landon. Several guests were introduced. It was decided to hold the Christmas meeting at the Cass Lake home of Mrs. Royal Pazik. Mrs. Genevieve Van't Roer and Mrs. Olive Jones were welcomed as new members and they will be initiated at the Christmas meeting.

Among the guests were Mrs. Virginia Lynch, Chairman of District No. 10 and Mrs. Helen McNamara, Past District Chairman. Mrs. Lynch spoke briefly about the Small Business Clinic held recently at Kellogg Center in East Lansing. She also complimented the Club on the success of their recent Blood Bank and their newly monthly bulletin.

Mrs. E. L. Windeler, public affairs committee chairman, showed a film "Our Mr. Sun" loaned by Michigan Bell Telephone Co. It was very interesting.

The rules of operation for the recent Waterford Township Community Blood Bank were established. There will be two groups of persons eligible to receive whole blood or its derivatives through the above named blood bank. The "immediate family" of the donors, and term "donors" includes those who were rejected, as well as those giving a pint of blood. The "rejects" made, and kept their appointments, in good faith, so it was no fault of theirs that they were unable to donate at that specific time. As sponsors of the October Blood Bank at the C. A. I. Building, the second group who will be able to draw from the bank will be the "immediate family" of the active members of Waterford Township Business and Professional Women's Club. "Immediate family" is defined as "persons living under the same roof as the eligible person". The 3 release co-chairmen are: Mrs. H. C. Tinney, FE 2-2937; Mrs. H. G. Fuller, OR 3-1973 and Mrs. F. M.

## Baptist Banquet Monday, Dec. 2

Sunday, Nov. 24th, will be the final week of the Rocket Attendance Contest at the First Baptist Church. Winners will be determined after the Sunday School hour.

The official end of the contest will be marked by a "Family Praise Banquet" on Monday, December 2, at 6:00 p. m. Captain M. L. Alexander, Commander of the U. S. Nike Base at Commerce, will be the speaker of the evening and will show a movie on the rocket and missile program of the U. S. Government.

Members of the committee are working together to make it a memorable banquet for all who attend. Mrs. John Brooks heads the kitchen crew; Mrs. Howard Lord and Edith Teggerdine are on the decorating committee; Mrs. Wendell Bisop will organize the servers, and Mrs. Walter Gibson and Mrs. Harold Elliott are on the program committee. The Ladies' Auxiliary and the Lydia Circle are both lending full assistance to these committees.

Reservation tickets for the banquet are available from Claude Campbell, Mrs. Harold Elliott, Janet Milligan, Carol Lumm and William Powell. There is no charge for the tickets, and a free-will offering will be taken.

## W. S. C. S. Circles Met Last Week

The Dorcas Circle met on Thursday of last week at the home of Mrs. William Gulick on East Church Street. There were thirteen members and one guest enjoyed the pot-luck luncheon at noon. The luncheon table was centered with an attractive arrangement of chrysanthemums.

The business meeting and program took place in the afternoon with Mrs. Sam Miller in charge of the meeting. Mrs. William Sharpe gave the devotions. During the meeting the group sewed cancer pads.

Mrs. Harry Yoh gave an exceptionally interesting talk on Japan. She mentioned the unity of churches in that country—there is only one denomination. The Labor Unions control, not only the home but also the churches. Mrs. Yoh also stated that the male dominates in Japan and the women and girls are almost like slaves. Japanese children, many of them orphans, are in need of medical attention, clothing, food and almost everything that a normal child requires.

The next meeting of the Circle will be in January at the home of Mrs. Leland Masters. Everyone was reminded that the General Meeting of the Society will be at the church in December.

The Martha Circle met last Thursday at the home of Mrs. N. E. Maytag. A planned luncheon was served with Mrs. Ralph Kreger and Mrs. Esther Smith assisting Mrs. Maytag. There were fifteen members and one guest present.

Mrs. Earl Terry, Circle Chairman, conducted the business meeting at which time plans were made for the Men's Club dinner on Nov. 21st.

Mrs. Guy Littleton and Mrs. Thomas Boyns entertained the Mary Circle at its regular meeting on Thursday, Nov. 14, at the Littleton home. Fourteen members and two guests enjoyed a delicious luncheon served at noon.

The business meeting was conducted by the chairman, Mrs. Ira Snader. Devotions were led by Mrs. George Perry. Mrs. Philip Smith gave an interesting report on the study book. During the meeting the members sewed cancer pads.

LeRoy, FE 4-2200. When needing blood contact one of the above persons, who, in turn, will give the release order to the Red Cross. The number of pints used, if over and above your credits are expected to be paid back at the next local bank. The next 2 banks will be Dec. 16 and Jan. 13 at the Elks Temple in Pontiac.

## Thanksgiving In The Churches

The Annual Thanksgiving Service will be held at the Methodist Church in Clarkston next Sunday, November 24th, when Reverend William J. Richards will preach on the subject, "Thoughtfulness and Thankfulness" taken from the text, "Bless the Lord, O my Soul, and forget not all his benefits." Psalm 103:2.

The altar of the church will be decorated with "the bounties of the soil" by the children of the Church School. Members of the congregation are invited to bring commercial canned goods which will be sent to Children's Village, Detroit. The Junior Department children are constructing a succoth booth, a characteristic of Hebrew tradition for the church sanctuary.

Let all members come and praise God for his blessings at this harvest time.

The annual Thanksgiving Service at Christ Lutheran Church, Airport and Williams Lake Roads, will be held at 10:00 A. M. Thanksgiving Day, Nov. 28. The Reverend Arvid E. Anderson, Pastor, will preach the Thanksgiving sermon and the church choir will sing. The President's Thanksgiving Proclamation will be read.

The public is cordially invited to this festive service.

## MEN'S CLOTHING STORE IN WATERFORD

George D. Engel, with over 35 years experience in merchandising men's suits and overcoats, has opened a store in Waterford known as the Waterford Men's Apparel, just north of the Beattie Ford salesroom.

During the time he spent in Pontiac George became known as the best fitter of suits in Pontiac and he invites all who wish a fine fitting suit to stop in and inspect his merchandise. You will be interested in his advertisement on page 2 of this issue.

## Clarkston Locals

Last week Mr. and Mrs. L. B. Gardner attended the meeting of the Dinner At Eight Club at the home of Mr. and Mrs. James Polub in Royal Oak.

The friends of Lee Volberding will be glad to know that he is recovering nicely from injuries received in a recent fall.

Mr. and Mrs. Edmund Gunter are receiving congratulations on the birth of a 7 lb 12 oz son, Richard Clark, on November 11, in St. Joseph's Mercy Hospital. Grandparents are Mr. and Mrs. Herbert Baynes of Clarkston.

Herbert Baynes and his brother were among the hunters near Comins. Herb was lucky enough to return home with a 120 lb buck, as did his brother also.

Mrs. Fred L. Pritchard of Holcomb Road took care of her grandchildren in Richmond, Michigan, while her son, Dr. Robert Bernard represented the Michigan Optometric Association at the American Optometric Association Public Relations Roundtable meeting in St. Louis, Mo., Sunday and Monday. Mrs. Bernard accompanied her husband to St. Louis.

Among the lucky hunters from Clarkston are Frank Petty who hunted near Harrisville and John Ronk who was with a party near Gaylord.

Mr. and Mrs. Raymond Lewis entertained 48 members and friends of their Sunday School Class of Dixie Baptist Church Monday evening. Pastor George Dagley of the Flint Berean Baptist Church showed slides of South African Missions taken on a recent mission visitation by the Pastor and his wife. A buffet supper climaxed an enjoyable evening.

The friends of Mrs. Floyd Andrews will be sorry to hear of the death of her father, Louis E. Biggs, in Jacksonville, Ill., last Friday morning. A Masonic funeral was held from the First Christian Church on Sunday afternoon. Mr. Biggs is survived by his wife, Grace; two daughters besides Mrs. Andrews; two sisters and a brother.

## Seniors Present Annie Get Your Gun

by Frances Hancock and Dianne Chapman

This Saturday evening at 8:15, the Clarkston High School Senior Class will present their class play, "Annie Get Your Gun". The play is under the supervision of Miss Lorna Wildon, who has had much experience with dramatics.

The play itself is by Irving Berlin, and was originally a musical, starring Ethel Merman, and later Mary Martin. The school's version will not be a musical, but songs from the show will be featured between-acts entertainment.

The show centers around Annie Oakley, shy and awkward backwoods girl who becomes involved in a shooting match with handsome Frank Butler, sharpshooter in Buffalo Bill's Wild West Show. She immediately falls in love with Frank, but beats him in the contest. Buffalo Bill asks Annie to join the show, and Frank hesitantly agrees, but stipulates that she must be no more than his assistant. Unfortunately, this agreement is broken, causing further upheaval between the two, during which Frank announces he is leaving to join the rival Pawnee Bill's Far East Show. The ensuing reconciliation and further disagreement build to an exciting and unexpected climax which no one will want to miss.

Tickets are on sale now and may be purchased from any senior or from Miss Mary Bowlby, faculty sponsor on the ticket committee. There are some reserved seats.

Those students with large roles in the production are: Annie Oakley . . . Sally Bauer  
Frank Butler . . . Bill Niles  
Buffalo Bill . . . Ed. Shadowen  
Charlie Davenport . . . Boyd Mosier  
Sitting Bull . . . Dave Montreuil  
Dolly Tate . . . Dixie Parks  
Winnie Tate . . . Hazel Miller  
Tommy . . . Leon Decker  
Jessie . . . Connie Blimka  
Minnie . . . Judy Dickerson  
Little Jake . . . Terry Kelley

## LANNY LEAK ELECTED TEAM'S CO-CAPTAIN

Word comes from Albion that the Briton football squad elected Tom Taylor, end for the second straight year, and Lanny Leak, guard, as the two men to lead them in captaincy for the 1958 season. The coaches feel that the squad has made very wise choices.

As in Taylor's case, he did an excellent job leading the squad this year from what was forecast a dismal season, to a fine tie for second in the MIAA. Leak, who came into his own last year as the Britons' fight guard, performed brilliantly all year, both offensively and defensively, and was a bearcat in the middle of the Briton forward wall. He is rugged and aggressive, an excellent trap blocker and very similar to Taylor in giving an all-out effort in every game.

Lanny, a junior, stands 6 ft. in height and weighs 185 pounds. Taylor, a senior, is 6 ft. 2 in. and weighs 188 pounds.

According to the Albion College Football Department the Britons couldn't have two finer leaders for the 1958 season than the two men they chose.

Mrs. Victor Lindquist will entertain the Good Will Club at her home on Friday, November 22nd, Mrs. Percy Hunt will assist the hostess at the 12:30 luncheon.

The Waterford Township Library Book Review Group met at the home of Mrs. George Dean on Monday afternoon.

Mrs. Helen Haeney of Beloit, Wisconsin, is visiting her son and family, the Bernard Haeneys of Waterfront Drive.

Mr. and Mrs. James Stark of Royal Oak visited Mr. and Mrs. Gray Robertson of Clarkston and Mrs. John Watchpocket of Waterford on Sunday.

Little Keith Lucas, 16 month old son of Mr. and Mrs. Wayne Lucas of Waterloo Street, is home from his stay in St. Joseph's Hospital where he was treated for burns and head injuries suffered from a fall into the washing machine when it was full of hot suds.

Mr. and Mrs. Alton Goll, Mrs. Carl Kenyon and son, Rickey, and Rev. and Mrs. Robert Winne went up to the Goll cabin Thursday to enjoy a few days of hunting. Also on the same day the Lyman Girsts and Henry Meh-

bergs went to the Girst cabin near Luzerne. They were joined there by Rev. and Mrs. Wright VanPlew and boys from Grand Rapids. Mr. Girst was the only one in the party lucky enough to get a buck.

Al Beebe is spending this week hunting near Clare.

The Waterford Women's Club will meet tonight (Thursday) in their club room in the C. A. I. Building. Plans for their Christmas dinner and charitable work will be made at this meeting.

The annual Thanksgiving Breakfast sponsored by the Ladies' Auxiliary of the Waterford Community Church will be held at 8 o'clock on Thanksgiving morning. Each family is to provide their own table service.

On Thanksgiving night there will be a sacred concert at the Community Church at 8 o'clock. Guest Musicians will be Mr. and Mrs. Marvin Schwartz, outstanding baritone soloist and organist. Ken Apple and the Singing Star trio will present southern style singing.

The Gospel Fellowship Class will have its November meeting on Tuesday, the 26th, at the home of Mr. and Mrs. Harold Smith, 6178 Lakeview, near Clarkston.

BROOMFIELD'S VIEWS ON ST. LAWRENCE SEAWAY

Congressman William Broomfield (R-Oakland County) urged President Eisenhower today to keep the St. Lawrence Seaway in the hands of the Army.

Broomfield fears that a reported move to turn the Seaway over to the Commerce Department will "play directly into

the hands of railroad interests". "These interests would like nothing better than to stifle Seaway development in any way they can", Broomfield told the President. "If the Seaway is to be a success it must be kept out of the hands of those who would do it harm."

The 35-year-old Congressman joined with Senator Charles E. Potter (R-Michigan) in charging that the Commerce Department tends to favor railroads.

"As a co-sponsor of bills to allow additional funds to complete Seaway construction, I know the bitter-in-fighting which has taken place over the Seaway", said Broomfield. "Railroads and eastern seaports still haven't given up the battle against the Seaway, even though construction is almost completed."

"The Seaway is going to mean a rekindling of business and industry to the entire Midwest", said Broomfield. "It is going to mean cheaper goods for customers and will open up foreign commerce to a large number of cities on the Great Lakes."

"It is imperative that no obstacles be placed in the path of the Seaway project, for the good of Michigan and the entire Nation", he told the President.

The play ANNIE GET YOUR GUN, stars pretty Miss Sally Bauer and an excellent cast of seniors under the direction of Miss Lorna Wildon. The play will be open to the public on Saturday night of this week.

Next Monday a photographer will be here to make retakes of the seniors who were dissatisfied with their first set of prints. There will be no extra charge, if the pose is selected from the retakes.

**SOMETHING DIFFERENT HAS BEEN ADDED**

by Dianne Chapman

This week the senior class at Clarkston High School will present their annual class play, "Annie Get Your Gun". But there's a new twist. The play a musical originally, will not be done as a musical this year. Therefore, Mrs. Peterson of the music department has chosen some songs from the show to be used for between-acts entertainment.

These songs will feature Joe Jennings and Carolyn Biber singing "Anything You Can Do"; Danny Althouse with "The Girl That I Marry" and a special ensemble of senior girls doing "There's No Business Like Show Business". The girls are: Sharon Booth, Sandy Walls, Betty Hannah, Joanna Springer, Judy Weaver, Connie Blimka, Mary Inman, Judy Inman and Janice Mickle.

Tickets are now on sale. There are some reserved seats at 75 cents. The play will start at 8:15 Saturday evening, Nov. 23.

**FUTURE NURSES CLUB FIELDTRIP**

Wednesday, November 13, the Future Nurses Club took a field trip to the Henry Ford Hospital in Detroit. The student nurses who were off-duty that afternoon acted as hostesses. They were all impressively clad in their crisp white uniforms. Guided tours around the Clara Ford Nurses Home and the Henry Ford Hospital were enjoyed by the 12 members of the Clarkston Future Nurses and Mrs. McInnes and Mrs. Pence, who are the sponsors.

**SPUTNIK SPARKS PUBLIC INTEREST IN STAR GAZING**

Not everybody peering skyward is looking for Sputnik and its rocket. There are still some persons watching the natural celestial wonders, a University of Michigan astronomer asserts.

Ushering in of artificial satellite age Oct. 4 only served to stimulate and renew interest in the heavens, and will continue to do so during the month of November, one of the most beautiful times to watch the stars, says Hazel M. Losh, U-M associate professor of astronomy.

The Sun is rapidly moving southward, appearing daily in shortened arcs across the sky, she points out. Its height at noon above the south horizon point has decreased from 48 degrees in September to 34 degrees by early November, and will continue declining until it reaches 26 degrees by the month's end. Days will have shortened to about nine hours and 20 minutes, with only 15 minutes to decrease be-

fore the shortest day of the year in December.

What is the bright evening planet appearing at sunset on these clear, cold nights? It is Venus, by far the brightest object in the sky, barring the moon, and cannot escape detection, Professor Losh says. Visible in the southwestern twilight, it will set about three hours after the Sun.

On Nov. 25 the crescent moon will again pass close above Venus, as it did in October, and the beautiful scene created by these two celestial bodies will be repeated.

The only other planet now visible in the evening sky is Saturn, which may be seen early in the month, also setting in the southwest about an hour and a half after the sun.

Skywatchers can expect three minor meteor showers during November, and although they are not unusual displays, should contain more than the ordinary number of shooting stars. Two of these have already taken place and the next one will emanate from the general direction of Andromeda (high in the sky) November 17-27.

**BUS SERVICE OVER MACKINAC BRIDGE**

The Mackinac Bridge Authority will operate a bus service over the Bridge providing transportation between St. Ignace and Mackinaw City, according to Prentiss M. Brown, Chairman of the Mackinac Bridge Authority.

"It was the unanimous opinion of the Authority that bus

service for commuters as well as transients who do not have cars or do not wish to use cars should be provided by the Authority. In supplanting the ferry service which carried many foot passengers, a reasonable substitute had to be established. Walking across the bridge would actually be impractical for most people, and will be prohibited", said Brown.

The Chairman stated that the Greyhound Central lines had given the Authority permission to pick up and drop off passengers at the sheltered Greyhound stations in both St. Ignace and Mackinaw City. The fare per trip will be 50 cents with commuter tickets selling 15 for \$5.00.

The ferries charged 25 cents per passenger, but dropped off passengers at the docks, a considerable distance from the business centers of each community. Buses will run on an hour and half schedule from each side. Plans for more frequent trips can be quickly carried out should the traffic warrant.

The Authority has purchased two 31-passenger buses from the Detroit Street Railway System for \$2,000 each. They have been completely reconditioned, repaired and painted to match the bridge color scheme of green and ivory.

You can buy eggs in six different sizes according to their weight per dozen. All sizes are not on the market at all times during the year. Smaller sizes usually appear in late summer and early fall with larger sizes most common during the winter and spring.

**M. S. U. MARCHING BAND FINAL APPEARANCE SATURDAY, NOV. 23**

The Michigan State University marching band will make its final appearance of the season Saturday, Nov. 23, during half time of the Kansas State-Michigan State football game in Spartan Stadium.

Highlight of the half-time performance will be the forming of several "doodles", the popular abstract cartoons. The band will form a doodle facing the east stands and the "Block S" student card section will picture the same doodle for the benefit of the people in the west stands.

The band will play appropriate music to give the crowd a clue to the meaning of each doodle.

In addition, the M. S. U. band will salute each team and form the words "The End" as the closing formation.

**TOM TURKEY IS KING AT LANSING SHOW**

Michigan turkey growers will show off their top birds at the annual Michigan Turkey Festival, Dec. 3, 4 and 5 at the Lansing Civic Center.

The show includes dressed and live bird classes for growers and hatcherymen and breeders, according to D. D. Moyer, Michigan State University extension poultryman. A special class is designed to locate the largest turkey in the state.

Entries need not be made ahead of time but birds must be brought in to the Civic Center for entry by 2 P. M. on Tuesday, Dec. 3.

Besides the live and dressed turkey show, the festival will feature more than 30 commercial exhibits and discussion sessions on marketing and merchandising.

## School News

**YOUR ROVING REPORTER**  
by Lorraine Juliano

These past couple of weeks we students here at the High School have been experiencing something relatively new in the means of a split noon-hour system. It was decided that in order to prevent dangerous safety hazards and at the same time be able to accommodate more students in the cafeteria at lunch time the best way possible would be by means of a split noon-hour. Many of the students agreed and many disagreed and much controversy and differences of opinion were formed in the minds of the students. So as a result I decided to salvage a few of these well-thought-of opinions to let you readers know just what they think of this new idea.

I first talked to popular freshman, Andy Winterbottom, who said: "I don't care for it much for the following reasons: 1. It doesn't shorten the hot lunch line any and many days it's longer than it used to be. 2. Those of us who were used to going home or downtown for lunch aren't being given very much time to do so. 3. It really doesn't provide enough time for most of us to finish our lunches enjoyably. 4. I, as well as many others, miss the noon programs we used to have in the gym. If some solution could be worked out I'm sure it could probably, in due time, become a success."

Interviewed after school one day cute sophomore Judy Mart-in commented:

"I think it is something in which the students should cooperate as much as possible for these reasons: 1. More of us should realize that it is done for our own health and safety

and it put Mr. Goedde on the spot to have to do it too. 2. At the student council meeting it was also said that anyone (including students) who had any better suggestions for something that would look more appealing and be better for the students would be tried also, but as a result hardly any opinions were received and so I don't think that there is any reason for the students to have any complaints about it at all. But there are also reasons that I don't particularly care for it too much as there is hardly enough time to go downtown and many of us need more time to eat. It inconveniences those who don't usually do much doing the noon-hour and were used to going to the gym for something to do at noon time.

One of our new juniors Valerie Petippin added:

"I think that it is just one of those things that we will have to cope with regardless of how much grumbling is done about it. I've been used to a double noon-hour from previous experiences and it's not really so bad now although I do wish we could have a little longer period of time to eat in. I also miss the noon-hour activities in the gym as well as going downtown every once in a while."

And finally one of our most dignified seniors remarked:

What's all this controversy going on for? By now I thought most of us would have enough sense to know that no matter what is said it certainly won't help any or change anything. So what if you do get indigestion once in a while. It won't hurt us any and besides it's for our own benefit and safety anyway. I, myself, think it's the best thing that could have happened to our noon-hour program. And as for our noon-hour activities, they weren't that important to us anyway. We were about the only school that had them and it certainly isn't as if we don't get enough dances here at the school on weekends. In other words, I really like it and think a lot of it and who ever thought it up really had a good idea". —Anonymus!

Well, from these comments I hope that you've been able to derive some idea about what

the students think about this new method of noon-hour time. I, myself, think that it's not too bad an idea once one gets adjusted to it. I think it has its faults but it shouldn't be criticized as highly as it sometimes is. That's all for now. See you next week.

## BIOLOGY CLUB NEWS

by Pat Anthony  
A field trip to Sparks-Griffin Funeral Home was taken by 12 members of the Clarkston High School Biology Club, Saturday, November 16.

A tour of the home with emphasis on embalming procedures, the type and cost of various funeral services, and a discussion was given on mortuary science as a vocation by Mr. Wellmen, Professional Embalmer at Sparks-Griffin in Pontiac. Mr. Wellmen also showed and explained the ambulance service which they offer.

Plans are being arranged to take more field trips in the near

future and some of the places in mind are: The Pontiac State Hospital, The Kingsville Bird Sanctuary, Cranbrook, Michigan State University, The Detroit Zoo and The Serpenterium. In our schedule for the year we are also making plans for the annual Science Fair which is to be held in March.

**TELEPHONE lines**

**WHAT GIFTS BRING** pleasure every day of the year, make life easier, and are not likely to be duplicated? Additional telephones in color, of course, a welcome solution to the "what to give" problem. Bedroom phones are wonderful for Mother. Dad would get a real kick out of a telephone for his den or basement workshop. And teen-agers think a phone in their own room is tops. Christmas will be here before you know it—a perfect time for giving gift telephones.

**THE DISTANT EARLY WARNING LINE**—a chain of radar stations stretching 3,000 miles across the Arctic—is now in operation and will give 4 to 6 hours warning if enemy planes approach from the north. The Air Force asked the Bell System to design the DEW line. Among the thousands of men who worked for many months in the cold and desolate Arctic to complete the job on schedule were 4,478 telephone men—many from Michigan. The Bell System skills that produced the DEW line are the same ones that help make your telephone service better and more useful to you every day.

**WE RAN ACROSS** these figures recently, and we thought you might be interested in seeing how the telephone industry is contributing to Michigan's prosperity. Last year the Bell System's manufacturing and supply unit, Western Electric Co., paid \$19,325,784 for supplies and materials bought from 1,223 firms in some 146 towns and cities in Michigan. That's quite a lot of business coming into the state, creating job opportunities and helping to keep the factories humming. Since we're all Michiganders ourselves, we're mighty glad to see this.
