

Waterford

Mrs. Albert Kray is in Pontiac General Hospital and not at St. Joseph's as was erroneously reported last week. She underwent surgery on Wednesday of last week and is recovering nicely.

Mrs. Wayne White is convalescing at Pontiac General Hospital where she underwent surgery on Wednesday of this week. Mrs. Arthur Davis had Mrs. Agnes Blum, Mrs. Ella Shook and Mrs. John Watchpocket as her guests on Sunday.

Mrs. Robert Taylor and her family of Tull Road are all ill with the flu.

Mr. and Mrs. W. K. Powell of Sandy Beach Drive have announced the engagement of their daughter, Martha Jane, to Daniel Joseph Revoir, son of Mr. and Mrs. Percy Revoir of Drayton Plains. Dan is a graduate of

Waterford Township High School and Martha will graduate in June. The young couple have set September for their wedding. Rev. and Mrs. Robert Winne and children left Sunday for Chicago where Rev. Winne is attending the 52nd Founders Week Conference at the Moody Memorial Church. His parents, Mr. and Mrs. Robert Winne live in Elmhurst, Illinois, and the family is staying with them for the week.

The Swift twins, Caleb and Kenneth, of Andersonville Road, have both been ill with the flu.

Mrs. Ralph Sherrod, Mrs. Albert Purcell and Miss Josephine Seeley, all members of the Oakland County Visiting Nurses Association, attended the Michigan State Nurses Association Conference held in the Y. W. C. A. Building in Lansing on Monday of last week. This conference was for the chairmen of

the district. Mr. and Mrs. Henry Mehlberg went to Mt. Clemens last Tuesday night to attend the Mt. Clemens and Macomb County Camp of Gideons meeting held at the home of Ralph Samall.

The annual banquet of the Pontiac Camp of Gideons and Auxiliary will be held on Saturday, February 8th, at 6:30 in the Madison Junior High School. On Sunday, February 9th, members of the Gideons will speak at the various churches to present their work. All pastors and their wives are especially invited to attend the banquet.

The Waterford Branch of the Women's National Farm and Garden Club will meet at the home of Mrs. Arthur Arnold on Desmond Drive, Thursday, February 6th at one o'clock. The speaker for the afternoon will be Mrs. Robert Buehrig, a member of the Clarkston Garden Club. She and Dr. Buehrig lived in Japan for 4 years and she will talk on "Ikebana" which is the Japanese word for flower arrangements. Mrs. Buehrig first learned the Japanese language, then flower arranging and painting on silk later. Mrs. Don White will give a short talk on "Things I Intend to do Better in My Garden Next Year". Mrs. Gil Every is the club president.

Mrs. Albert Purcell attended the Mothers' Tea at the Hurley Hospital School of Nursing in Flint last Friday. Her daughter, Sally, is a student nurse there. Sally and another student nurse friend, Joyce Wigglesworth, returned home with Mrs. Purcell for the week-end and Joyce attended the Saturday evening wedding of Corrine Davison and Gerald Wedge in the Presbyterian Church in Pontiac.

Sunday, February 9th, Rev. Jim Morton, a missionary to Japan, will be the speaker at the 8:30 and 11:00 A. M. worship services at the Waterford Community Church. The mid-week

service was conducted by the assistant pastor, Rev. Edwin DuBois.

FORENSICS

by Dixie Parks

Work has begun on the annual Forensics contest in which there are three levels of activities

Carpenter Work OF ALL KINDS

INSIDE OR OUTSIDE RECREATION ROOMS ATTICS — PORCHES GARAGES — ADDITIONS - F H A TERMS - UP TO 5 YEARS TO PAY ALUMINUM STORM SASH Coyle Construction Co. Evenings MA 5-1554 OR 3-6021

held in declamation, interpretative reading, humorous reading, oratory and extempore speech at local (school), district, and regional meetings. The activities in interpretative reading, humorous reading, declamation oratory and extempore speech are conducted as separate sections of a combined meeting with recognition being given in each section. The local contest is administered within the school. First and second place winners are selected in each of the activities in which the school has entered. Either one or both of these winners are entered in a district contest with the representatives from other schools. Here a single winner is selected in each activity. Only winners of first place in the district contests enter the regional meetings. The specific district and regional arrangement in any given year is determined by the distribution of the member schools. The judging of the contest is done in one of three ways: 1. By a board of three judges; 2. By a

single critic judge; 3. By a board of judges consisting of the official representatives of the schools entered in any given meeting with each representative ranking all participants except his own. Through the cooperation of The Detroit News, an American College Dictionary is presented to each participant in each regional meeting in interpretative reading, humorous reading, declamation oratory and extempore speech. Here at the Clarkston High School a group of about 20 students will participate in the Forensics meets, under the sponsorship of Miss Lorna Wildon. The Local Contest will be held the week of February 17. The District Contest is scheduled for March 22 and the Regionals will be held in April.

CHEERLEADERS SPEND EVENING OUT

by Dixie Parks

Tuesday evening, January 28, the Varsity and Junior Varsity Cheerleading squads, along with their sponsor, Miss Mary Ann Spencer, and her roommate, Miss Ann Jefferies, spent a very lovely evening dining at Ted's. Besides enjoying a delicious chicken dinner they had the pleasure of celebrating the birthdays of Miss Bobo Christides and Miss Prudence Hutchinson. The evening was spent delightfully in eating and visiting with each other.

SADIE HAWKINS DANCE

by Norm Powell

The cafeteria of the high school was the scene of a Sadie Hawkins Dance on Saturday, February 1.

According to Mr. Vaara, sponsor, a large crowd of seventh and eighth graders enjoyed dancing to popular records.

The Student Council wishes to extend its thanks to Mr. and Mrs. Wolff, Mr. and Mrs. Van Hentenryck and Mr. Scholler, who acted as chaperones for the evening.

HI-Y HAS SWIMMING PARTY

by Norm Powell

A swimming party for members of the Hi-Y was held at the YMCA in Pontiac on Wednesday, January 29th.

Members are also asking for contributions from the faculty and student body to the annual March of Dimes campaign.

YOUR ROVING REPORTER

by Lorraine Juliano

For the next two weeks I decided to try something a little different than usual and instead of having upper classmen voice their opinions on questions of controversy here at the school, I thought that I would devote the whole column to having some of the eighth graders express their opinions on what they are looking forward to most of all in being in high school next year. This week some of

the boys will tell us what they think, and next week we'll be hearing what some of the girls have to say about the matter. We know that going from Junior High to High School is a very big event in the life of eighth graders. That's why I think we will get some very interesting opinions on just what they are looking forward to with the coming of next semester when they will be Freshmen. Now, let's get started: I first heard from popular Ron Zumbrennen, who said this: "I think that I'll like High School pretty well, and I'm really looking forward to it. Besides that, I think it will make us feel and act more grown up and there will be more things to do. I don't think we'll be looked down on as much by the upper classmen either. There will also be many new kids to meet and more sports and things to participate in."

I next talked to Mike Longton, who, after thinking it over for a while commented in the following way: "I'm looking forward to having a good time and meeting more and interesting people. I think that the teachers might be a little more strict, but not too much. I think that being a High School student will really make us feel just as superior and as needed as the upper classmen. There will be so much more of everything to do, too, I can't wait to be a ninth grader."

While in study hall Russ Lane said this: "I can't wait to get to High School because then we 8th graders won't be made to feel as if we were babies. We'll be able to attend more assemblies and school affairs too. And that more than anything else will make us feel as though we're really a part of the school itself. It should be fun, as well as hard at times."

And finally after thinking over the subject carefully Kenny Warden added the following: "I think High School will be fun and will give us a chance to participate in more activities. I also think that it may get a little rougher on us at times, too. We will also meet a lot of new and interesting friends. On the whole, I'm really looking forward to being a Freshman."

We hope you've enjoyed hearing what some of our future Freshmen have said and we'll see you again next week with more eighth grade opinions. Next week from eighth grade girls.

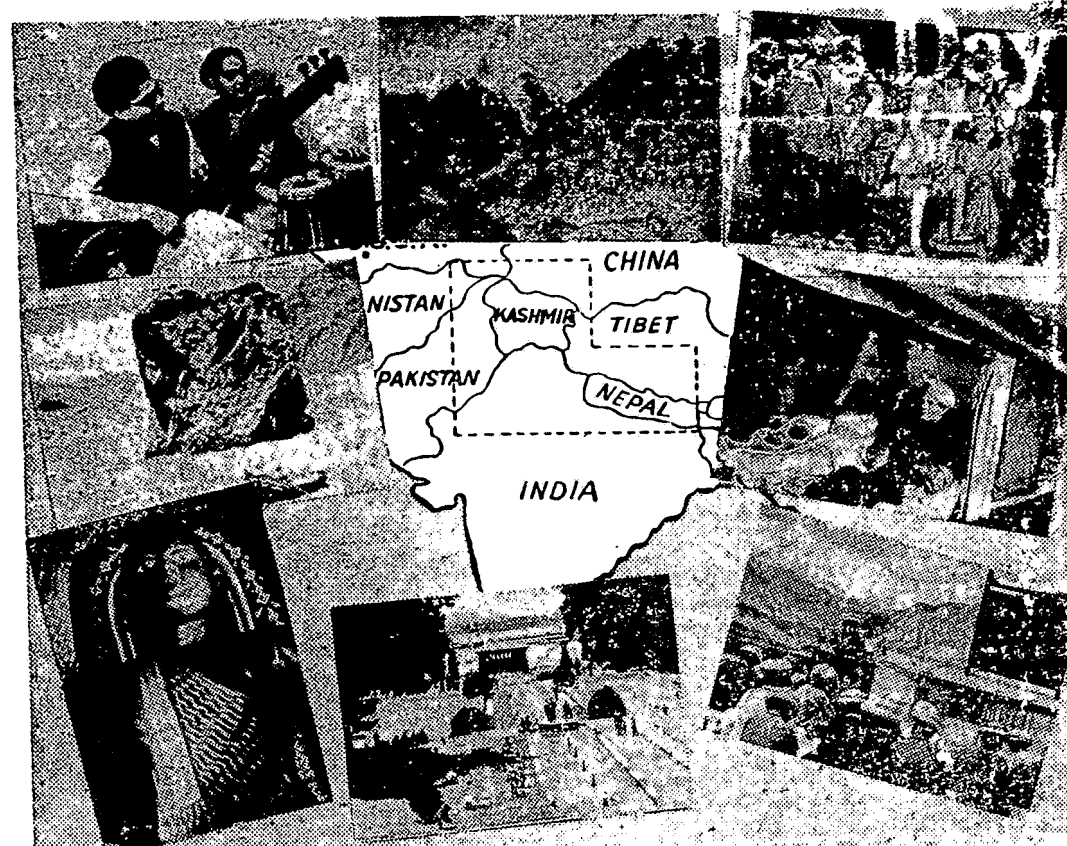

See you next week!!!

PICTURES FOR ANNUAL

by Nora Marie Cornell

Powell studios are back with us once again to take pictures for the 1957-58 "Hilltopper".

The pictures to be taken today are of the clubs and classes, also pictures of the football and basketball players.

Lowell Thomas' new Cinerama presentation, "SEARCH FOR PARADISE," opens at the Music Hall Theatre in Detroit on Tuesday, Feb. 11. The new Cinerama, in Technicolor, transports the viewer on a 100,000-mile trip, fulfilling mankind's most fabulous dream... beyond the Karakoram "Killer Mountains"... beyond the uncharted forests of the Indus in a frail craft... beyond the forbidden Land and the Sky Kingdom... beyond the enchanted gardens of Shalimar... beyond the Vale where Time Stands Still... through dangers unimaginable and pageantrics unchanged since the days of Napoleon.

Pictures are taken under the direction of the annual staff.

SENIOR HIGHLIGHTS

by Chuck Ferrand

A meeting was held in the gymnasium of Clarkston High School on Monday morning. The purpose of the meeting was to decide where the seniors wanted to go on the second day of the annual class trip to Washington, D. C., next May. There were two alternatives, one to take the Skyline Drive into Virginia, the other to spend the day at Annapolis, the United States Naval Academy. The class decided to visit the latter. The class will also visit a night club one evening. The night club chosen was the Casino Royal.

Volunteers were asked to work on committees for a dance that will be held after a game in the near future. The students serving on the dance committees will be given points toward their class trip.

MORE TO LAMPS THAN LIGHTING

Since Tom Edison's invention of the first practical incandescent lamp 79 years ago, light bulbs have taken on a versatility and variety never dreamed of by the inventor, says Miss Hardy, Detroit Edison Home Service Advisor.

Mr. Edison and other electrical pioneers will be honored this year during National Electrical

Week, February 9 through 15.

Among today's wide selection of lamps, Miss Hardy mentioned sun, heat, germicidal and ozone. A sunlamp gives the same beneficial rays as natural sunlight and is available in incandescent and fluorescent types. Used under a doctor's direction, a heat lamp can have therapeutic value. A germicidal lamp kills airborne bacteria, is especially useful in bathrooms, nurseries and schoolrooms. To eliminate unpleasant odors, an ozone lamp is

helpful in kitchens, basements, and bathrooms.

These uses are listed in Edison's "Recipes and Hints" for the month. A guide to common can sizes; telling how many cups in each size can, is also given. Recipes include Strawberry Sour Cream Pie, Sweet and Sour Pork, and Jiffy Fu Fu.

Printed on cards, designed for easy filing, new recipes and hints are issued each month, says Miss Hardy. They may be obtained without charge at any Edison office.

TELEPHONE lines

DRIVING CAN BE pretty tricky this time of the year. So Telephone Company drivers get special training for winter. Among other things they make a special effort to:

- Keep windshields clean.
- Watch for unexpected icy spots where roads are shaded by trees or buildings.
- Keep plenty of stopping space between their car and the car ahead.

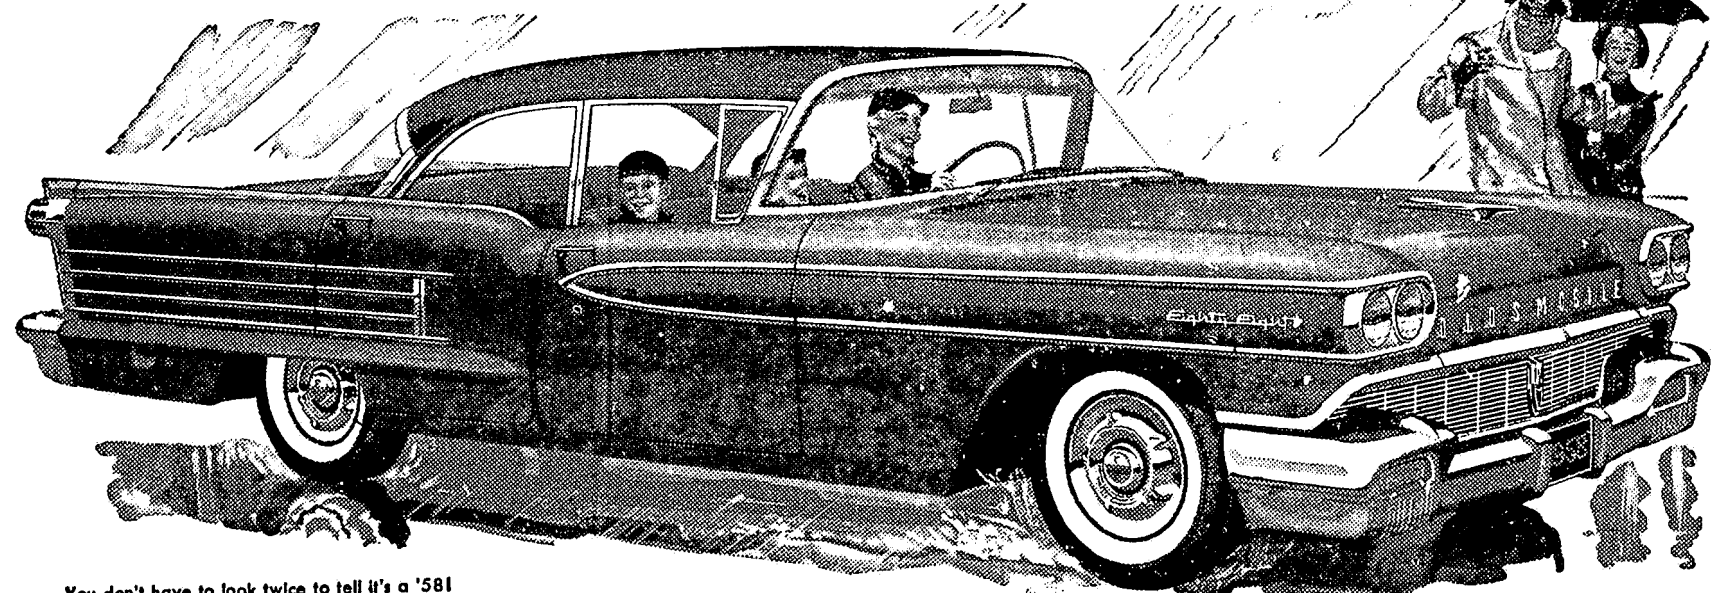

When a telephone man waves good-bye to his family in the morning and says "See you tonight," we want to do everything we can to, make his words come true.

PEOPLE WHO WERE LUCKY enough to get a preview showing of the weather science movie, "The Unchained Goddess," say that if you want to know what it's like to go through a tornado or hurricane without actually being in one, by all means see this show. It will be shown on a nationwide television network at 9 p.m. Wednesday, February 12, and on some additional stations a few days later. After its use on TV the film will be available for school, church and other civic groups on request from our Business Office, free.

JEHOVAH'S WITNESSES HEAR NEW YORK MINISTER

Peter D'Mura of New York City, addressing the concluding session of the three-day Bible conference of Jehovah's witnesses at Waterford Township High School, cited two basic reasons why today's peace efforts are

failing. Offering scriptural proof, he held that man is "imperfect, selfish and weak", and secondly that "unseen superhuman creatures dominate earth's affairs and especially control world rulers who have no faith in God". With inspiring optimism, D'Mura stated lasting peace is a

reality, and will be forthcoming in this generation, not by man's efforts but by means of a "Kingdom that Christians have been praying for over 1900 years". Quoting from the Bible at Psalm 48:9, 10, the minister said, "Come near and see God's acts done on earth; how he puts an end to wars, the bow shivered, the weapons shattered, the shield burnt to ashes." Some 1592 delegates from throughout Eastern Michigan heard D'Mura in remarks on the topic, "What Are the Prospects For Lasting Peace?" Purpose of the conference sponsored by Watchtower Bible and Tract Society was to "train in the works of Christian preaching". In a baptismal ceremony Saturday afternoon, 49 persons took

up the ministerial work of Jehovah's witnesses, which has no paid clergy. Pulpits in more than 164 countries are the "door-steps, living rooms, business desks, store counters, vacant lots, ball parks, stadiums and civic auditoriums of the earth". In 10 years, 1942-52, membership doubled in North America, multiplied five times in Asia, seven times in Europe and Africa, and nearly 15 times in South America. The official organ, The Watchtower, has a circulation of more than 3 million copies and is printed in 47 languages. Those attending this semi-annual conclave were guests of the three Pontiac area congregations of Jehovah's witnesses.

Miss Janet Burack was one of 49 baptized as new members of Jehovah's Witnesses at their Bible conference in Pontiac this weekend. Mr. Laverne Stewart and Ernest Woods, both of Pontiac, are doing the baptizing. Jehovah's witnesses baptize by complete immersion in water. They recognize baptism as a symbol of the dedication of one's

life to God. Going under the water symbolizes death to one's former course of life and coming out means the Christian is henceforth alive to the doing of God's will. That is his dedication vow. Sprinkling, pouring or some similar method would not show this full and complete agreement, according to the belief of Jehovah's witnesses.

MRS. JOSEPHINE HUNT 7280 Perry Lake Rd. MA 5-0661

The woman headed for a gala evening is the woman who always keeps her clothes flower-fresh — with regular dry cleaning... the woman who is always fastidious about things like powder-begrimed necklines, underarm stains, tell-tale spots. Prompt service, quality work. Call us.

Dual Purpose Cutting

A logger fells an aspen in one of Michigan's state forests and serves a double purpose. Revenue from the sale of state forest timber products goes to the public treasury and is used for reforestation programs. In addition, winter forest cuttings supply food for Michigan's large deer herd. Whitetails feed on treetops left by cutting operations and on new growth which springs up when mature trees are removed.
