CLARKSTON, MICHIGAN, THURSDAY, FEBRUARY 20, 1958

NUMBER 25

All Men!

The Clarkston Men's Club invites all men of the community to a real treat. Mr. Peter Christian Kalinke will address the men in a manner and on a subject that is of high and compelling interest to all of us who live in a free world. We have been fortunate, indeed, to have Mr. Kalinke visit us and when he leaves we will be more than thankful.

We will have first hand knowledge of some of the cold facts that lie beyond the fabled iron curtain. Peter Kalinke spent three years in slave labor as a captured German prisoner of the Soviet Union.

Plan to attend. Ask your own questions and get the facts from Mr. Kalinke.

Dinner—Swiss steak with all the trimmings—will be served at 6:30 in the dining room at First Methodist Church.

DON'T MISS IT!

CHILD STUDY CLUB HAS FEBRUARY MEETING

At the home of Mrs. Shirley Greathouse the Clarkston Child Study Club held its February meeting. The group discussed the topic, "Cause, Effect and Control of Prejudicial Attitudes of Children and Adults". Group participation led to a most interesting program. The discussion was led by Mrs. Doris Storer, Mrs. Ruth Mortenson and Mrs. Lois Carlson.

During the business part of the meeting reservations were made for the group to attend a luncheon for the Pontiac area Child Study Clubs to be held at Rotunda Inn.

CLINICS FOR RABIES VACCINATION TO BE HELD

Due to the demands of the dog-owning public, the Miscellaneous Committee of the Oakland County Board of Supervisors has authorized the establishment of six Rabies Vaccination Clinics to be held in central locations throughout the county.

In addition to having his dog vaccinated, it will also be possible for the owner to secure his dog license at any of these clinics.

It is not necessary for the owner to reside in the township in which the clinic is held as it was the intent of the committee to locate clinics in areas where it would be possible to best serve that part of the county covered by the Animal Welfare Division.

Clarkston Locals

Mr. and Mrs. Russell Lewis are the proud parents of a son born Thursday, February 13th.

Mrs. Etta Teggerdine is seriously ill in St. Joseph's Mercy Hospital.

The name of Miss Jo Anne Valentine, daughter of Mr. and Mrs. K. B. Valentine, 6423 Andersonville Road, appears on the Deans' List at Kalamazoo College, Kalamazoo, for academic achievement for the past semester. Miss Valentine is a junior.

Larry J. Bogner, son of Mr. and Mrs. Joseph Bogner of 5353 Pine Knob Road, husband of the former Miss Evelyn M. Webb of Pontiac, graduated from recruit training Feb. 8, at the Great Lakes Naval Training Center. The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries. In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Localite Wins Bowling Prize

The final rounds of the first annual March of Dimes Polio Bowling Tournament were held Sunday, February 9. The Men's Division was rolled at Auburn Lanes in Auburn Heights, and the Women's Division at Birmingham Bowling in Birmingham. The participants in this tournament were bowlers who had rolled the highest league scores in the establishments in which they bowl in their regular leagues as the first stage of the tournament. There were 55 men and 57 women representing 33 of the 37 Oakland County establishments.

There were many exciting moments in both roll-offs, but for the winners there were many anxious moments waiting for the second squad until their scores were proven tops. They each received a new car for their skill. Robert Leibler of Clarkston, the men's winner with a 679 actual and a 739 handicap score, won a 1958 Pontiac. Joyce Ann Wiggins of Pontiac, the women's winner, won a 1958 Vauxhall with a 630 handicap score, a 504 actual pinfall.

Bryon Cole of Pontiac was second place winner with a 640 score and Morton Kanfer of Farmington took the third prize with a 639. Other prize winners in the Women's Division were Dorothy Stroecker of Farmington with a score of 617 and Betty Murray of Royal Oak with 608.

The 112 finalists represented thousands from all sections of the county who participated in the tournament.

Joyce Ann Wiggins and Robert Leibler, as first place bowlers, will compete with first prize winners from other Michigan counties in a statewide March of Dimes bowling tournament to be held at Olympic Recreation in Detroit on March 1st.

Obituaries

Roy N. Hoyt

Roy N. Hoyt, 73, of 665 Hemmingway Road, Lake Orion, passed away at his home on Monday, February 17. He was born June 3, 1884, in Oakland County.

He is survived by his wife, Ethel; one son, Clayton, of Holly; one daughter, Mrs. Ada Showler of Imlay City; two stepsons, John Tuggle of Commerce and Jay Johnson of Lake Orion; and five grandchildren.

The funeral service will be held at the Sharpe Funeral Home on Thursday, February 20, at 2:00 P. M., with the Reverend William J. Richards officiating. Interment will be in Lakeview cemetery.

Mrs. Grace Crosby

Mrs. Grace Crosby, 84, passed away in Melbourne, Florida, last week. She was born July 20, 1873.

Mrs. Crosby formerly lived in Andersonville, Michigan and was the wife of the late Vern Crosby.

Funeral services were held Monday afternoon at two o'clock from the Sharpe Funeral Home in Clarkston with burial in Andersonville cemetery.

GIRL SCOUT WEEK STARTS MARCH 9

The Girl Scouts of the United States of America will observe Girl Scout Week beginning Sunday, March 9, and continuing through Saturday, March 15.

The purpose of Girl Scout Week is to celebrate the anniversary of the founding of the Girl Scouts of the U. S. A. It always includes March 12, anniversary of the day in 1912 when Juliette Gordon Low's little group of 12 girls voted to set up the first Girl Scout Troop. This year, Wednesday, March 12, will be marked by special Girl Scout observances not only in our local troops, neighborhoods, and districts, but all across the nation.

Just as we found last year, that Girl Scouts all over town opened Girl Scout Week by attending religious services in the church or synagogue of their choice, so on Sunday, March 9, the pattern of brown, green and mariner Scout blue uniforms in church pews will be repeated across the country as each girl in her own way renews her promise, "On my honor, I will try to do my duty to God and my country."

The principal emphasis for 1958 is "You Can Count on Her."

New Hymnals Dedicated Sunday

One hundred new hymnals will be dedicated at the 10:00 A. M. Worship Service of the Crescent Hills Baptist Church Sunday. The new hymnal is "The Service Hymnal" published by the Hope Publishing Co. of Chicago. Funds for the purchase of the new hymn books has been donated by members and friends of the church.

Five young people will assist the pastor in the service, the theme of which will be "Brother Like Andrew" based on the New Testament account of the Disciple Andrew, Simon Peter's brother. The objective of the service is to emphasize the need for personal witnessing by lay members of the church and the need for the "America For Christ" offering to strengthen missionary work in the United States and Central America.

The Women's Missionary Society will observe "World Day of Prayer" at the home of Rev. and Mrs. Benjamin A. Bohn, Friday evening at 7:30 o'clock. Mrs. Edith Shaffer will lead the devotional service and Mrs. Charles Hazel will sing "The Lord's Prayer". A film-strip titled "Judson in Burma" will be shown. Guests for the evening will be members of the Women's Missionary Society of the Bethany Baptist Church. Mrs. Gerald Cameron, Mrs. Shaffer and Mrs. Bohn will serve as hostesses.

Services of the church are being held Sundays at the John Monteith Grade School on Crescent Lake Road near Hatchery Road.

GOODWILL TRUCKS HERE NEXT WEDNESDAY

The next visit of Goodwill Industries pick-up trucks to Clarkston is scheduled for Wednesday, February 26. Goodwill trucks collect discards of clothing, shoes, hats, toys, most types of furniture and other household discards.

To arrange for a Goodwill Industries truck pick-up, call the Mrs. Alfred Lee, telephone number MAple 5-3381.

A PICTURE IS PAINTED

Perhaps one of the interesting talks heard by Rotarians for this Rotary year, was the talk given to the Clarkston Club on Monday when it met in the Community Center for the regular weekly meeting. The Parke-Davis Drug Company is featuring a number of pictures showing the advance in medicine. These are on display in the offices of doctors. Robert Plumb, a member of the Birmingham Rotary Club is the painter of these pictures and in his talk he gave the history of how accurate the detail is followed. The slides were in color and showed the picture at different stages.

Incidentally the finished picture was contained in The Arab World, a monthly magazine which arrived in The Clarkston News Office the morning after the Rotary meeting. Along with the picture was some of its history. Abu Ali Al-Husayn ibn Sina, the character in the picture was a renowned physician around 1037 A. D. and was the author of an encyclopedia of medical knowledge which was used as a standard medical text in the seventeenth century. The picture shows the gentleman writing the text book in Arabic. It is always a pleasure to see something created and to see the picture unfold from a charcoal outline to the finished product in its gorgeous colors was a picture in itself.

Special efforts will be made during Girl Scout Week to demonstrate that Girl Scouts can be counted on: to help at home, in church, or at school with the care of younger children; to bring happiness to the aged by adopting lonely grandparents in institutions throughout the Council Area and remembering them with cards, visits, and gifts of their own making and baking on special occasions; to learn and serve in libraries and hospitals; to beautify their communities through such services as planting trees, staging public park clean-ups; and to further our democratic way of life by offering aid to voters at election time. In short, that Girl Scouts are true to their promise, "to help other people at all times."

Service Added At Methodist Church

The congregation of First Methodist Church, Clarkston, voted overwhelmingly last Sunday for Sunday Services to be held at 8:30 a. m., 9:45 a. m., and 11:15 a. m. The pastor, Rev. William J. Richards, announces that the three services will more adequately serve the needs of the overcrowded attendance in the late service. Members and friends of the church attending services will now find comfortable room for worship. Rev. Richards will preside at the 8:30 a. m. service, and will be assisted in the pulpit by Lay Leader, Everett Butters and members of the Pulpit Fellowship, Thomas Peterson, Stanley White, Philip Smith and Jackson Byers.

William Mansfield, Director of Music of the church, announces that a quartet will sing regularly at the 8:30 a. m. service. The Youth Choir under the direction of Miss Beverly Bell will sing at the 9:45 a. m. Service, and the Senior Choir will sing at the 11:15 a. m. Service. Mrs. Adele Thomas will be at the organ for the three services.

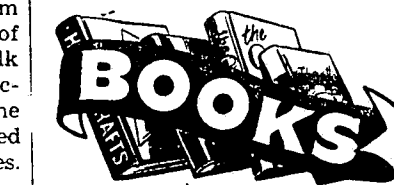

Besides holding its regular rehearsals at 8:00 p. m., Tuesday the Senior Choir will hold an extra rehearsal on Sunday mornings at 10:00 o'clock. Those unable to attend Tuesday evenings are invited to attend the Sunday morning rehearsal.

Beginning next Tuesday, February 25th, the first of The Lenten Family Fellowship Dinners will be held, and will be served pot-luck style. Families are invited to attend by bringing a bowl of salad, vegetable, potatoes or meat loaf, and rolls for the family at 6:30 p. m. The meal will be followed by one of a series of sound-movies on the "Life of Jesus" called: "Discipleship". The service will terminate at 8:00 p. m. Parents are invited to bring their children to all of these Lenten Tuesday Evening Fellowship.

Rev. Richards urges the members of his congregation to note the change in times of the Sunday Services and avail themselves of the opportunity to attend the Lenten program. A Coffee Hour will be held at 8:00 a. m. each Sunday morning prior to the early service.

Norman Davison is confined to his home on Eastlawn. He was brought to his home on Sunday after being a patient in Pontiac General Hospital Annex for the past eleven weeks.

Your library has been becoming considerably more attractive during the past weeks, and your librarian, Mrs. Dean Smith, will be happy to show you the improvements on your next visit.

First of all you won't have to grope cautiously about the outside steps at night, for there are new lights to guide you. When newcomers ask for directions to the library you can be sure they'll find it easily as there is a new sign on the building, and there will soon be one near the street.

The lighting inside the building has been improved, too, and the kitchen which has closely resembled a prison cell, is getting cupboards, a water heater and a more convenient arrangement.

Altogether it's going to be a much cheerier place to be, and an ideal setting for meetings. So, if any of your groups wish to use it, you may do so by calling Mrs. Don Stackable at MA 5-6841 or Mrs. Philip Smith at MA 5-9051.

While you're enjoying coffee at your meeting, look over the book shelves. They contain hours of good reading.

Scholarship Test In Junior Year

Of interest to every college-bound high school student in America is the qualification test of the National Merit Scholarship Program. Dr. John Stalnaker, Director, announced today in Evanston, Ill., several new values of the 1958-1959 Merit Scholarship Program.

The National Merit Scholarship Corporation administers the nation's largest independently supported college scholarship program for high school students. The amount of the scholarship is determined by financial need and they are renewable annually without further competitive examination.

The 1958-59 testing program is designed to provide more service to participating student and schools. While it will serve primarily as a preliminary screening instrument to select thousands of scholarship winners, the program has several new and important guidance and educational-planning features. These additional benefits will be best realized by testing at the end of the junior year rather than at the start of the senior year. These new values are such that many students will want to take the test for purposes of educational or vocational planning, even though they do not expect to win a scholarship, Dr. Stalnaker stated.

All students will receive a report of their scores. These test results will enable students to understand their present academic strengths and weaknesses, will give them facts with which to plan their senior year, will help them decide about going to college, and will enable them to select college courses of study in which they are most likely to succeed.

All high school students in their second-semester junior year or first-semester senior year are eligible to take the test. Students can be enrolled in any public, private or parochial school. The charge for taking the test is \$1.00 per student, payable on the examination day—Tuesday, April 29, 1958. Tests will take place from 9:00 to 12:00 in all participating high schools.

Science Research Associates of Chicago, an educational testing, consulting, and textbook publisher, has been retained to construct, administer, and score the scholarship qualifying examination.

Students are urged to register promptly at the Principal's Office—before the March 20th deadline.

Fishermen are reminded that artificial light may not be used when spearing through the ice during the season on inland waters open to spearing. General fishing regulations are listed in the 1958 Guide to Michigan Fish Laws, available free at license dealers and Conservation Department offices.

Clarkston Gets Closer To Title

Clarkston took a step nearer the Wayne-Oakland League Championship last Friday by downing West Bloomfield 77-46. The Wolves need only one win out of the three remaining games to gain at least a tie for Championship.

Clarkston had a rough first half but managed to hold a 34-22 half time lead. The Wolves used a good fast break to completely dominate the last half. Leroy Parks was high point man with 27 getting 20 in the last half. John Parks got 10 and Bob Porritt 12.

Clarkston plays Holly at Holly next Friday. Game time is 8:00 o'clock.

YOUR ROVING REPORTER
by Lorraine Juliano.

This week we are going to continue our interview with some of the eighth grade girls and find out just what it is they are looking forward to the most with the coming of the next semester when they will be Freshmen and a part of the High School.

I first talked to popular Joyce Burnett who commented: "I don't think that there will actually be too much of a change in the goings on in the school itself, although I feel that we will be considered more or less a better part of the High School itself and will probably be able to participate in more of the goings on and the dances too. I can't wait!"

My next interview came from Amanda Turk who added: "I really think that it is really something for us to look forward to and I really can't wait for next September to come. There will be so much more in store for us too. A lot of new kids will be there for us to meet too."

Beverly Sennapee then answered in this way: "I just plain can't wait. Although things may not change too much I am really looking forward to High School a lot. I know too that the upper classmen won't look down upon us as much either and that's one thing that I am especially happy about. There will be much more to do and so many more interesting kids to meet too."

And my final comment came from cute Glenda Harriman who said: "I'm really anxious to become a High School student. There are so many things that will change, and all for the best that I am just all excited."

That rounds it up for this week. See you soon!

FRESHMAN CLASS NEWS
by Lorraine Juliano

On Friday, February 14th there was a meeting of all of the Freshman Class Officers and Sponsors.

Those present at the meeting were: Miss Juanita Wallace and Mr. Don Healy, sponsors; David Gresham, Jeanette Whitlock, Sue Turek, Dennis Galligan, Thespo Christides, Harold Weston, Ronnie Walter and Naomi Armstrong, class officers.

The main topic of discussion was the fact that at the coming scheduled class meeting there would be an election of a new Student Council member to replace one of the members who recently has moved away from the school area.

Other things that were discussed was the fact that a class party might be nice for sometime in the near future, and also another dance is being planned.

The Freshmen are off to a good start and are quite a credit to the school this year, too.

TUBERCULIN TESTS TO BE GIVEN

by Norm Powell

As part of a move to combat tubercular cases in schools, students in grades six and eleven will be given the opportunity to have a Mantoux test the first week in March.

The test is a simple one—tuberculin is injected between the layers of skin on the forearm and two or three days later the area is examined to determine whether or not tuberculosis is present.

Parents of students in the grades mentioned will be sent permission slips which they may sign if they wish to have their child tested.

Prior to the testing, on February 20, a doctor will speak to the students and on the 26th of this month, a film related to the subject will be shown.

THE IMPORTANCE OF AN EDUCATION

(The following is an essay for English II, by Fred Park, son of Mr. and Mrs. Melvin Sterling of 5095 Westview Rd.)

First of all, the importance of an education is to be able to take life as it is, to be able to face a society which is sometimes harsh. Of course one can always go out and live in the hills and never need an education, but the young people of today are in a new age—an age of machines which have made life easier, and an age of rockets which are opening new life and chapters of a new life. Life is going faster now than it ever has, and will continue to move at a faster pace.

In this fast age it takes young and new ideas to better what we have now. Without an education where will we get the human material for the new ideas? There are many who can think up new ideas but when it comes to planning and building and putting the idea into action, it takes someone with an education.

Sure, it is easy to sit back and say, "Why should I get an education? There are other people to do the building of a new age."

Yes, it's true that there are other people, but what if they all started thinking that way, then where would the nation be?

Look at it this way—even if one doesn't build rockets for space travel, or open new fields, or do something that will be a great thing for this country, he owes it to himself to get a better place in which to live.

All through the ages man has been striving to better himself, for the good of his own family and future, so that his children would have an easier and better way of living than did their fathers before them.

If you don't want to get an education for yourself, get one for the future of your family, and the future of our country—a country for which many men have given their lives. A country which is too wonderful to be ruled by those whose purposes are alien to the hard-won freedom and tranquility of American life.

Education is the key to success in a chosen career and to the fullest possible life. There have been few men who wouldn't dream of a rich or full life—a life full of happiness and good things. Life can't give the best to everyone, naturally, someone has to take the bad, but why lower your chances of a good life by starting without the proper education. Skid row is full of ambitionless men who have nothing but dreams.

The point is that there is no way around education, because one either has it or he doesn't—there is no substitute. So if there is anything worth while in life which you really want, you will work to your fullest to achieve your goal, and the easiest way is through education. To better yourself and to better everything you have contact with, especially your family, an education is essential.

It's not impossible to reach

your goal without a formal education, but an education makes it so very much easier and so much better. Finally, education gives you self-confidence, and self-confidence can win many

a battle or struggle. To handle yourself, use your heart; to handle others, use your heart. —Donald Laird

they can. He has not learned the lesson of life who does not each day surmount a fear. —Ralph Waldo Emerson

NOTICE TO DOG OWNERS

Oakland County, Michigan

It is necessary that all dog owners in Oakland County must produce a certificate that their dog (or dogs) has been vaccinated against rabies within the last 12 months before township residents or city residents of Walled Lake or Keego Harbor can receive a 1958 dog license from their respective treasurers.

If such dog owners do not possess such a certificate, the same may be obtained from their local Veterinarian or at one of the county-operated clinics which will be held at the following listed locations:

Time: 1 to 4 P. M.

Saturday, February 22
Ortonville Fire Hall — Ortonville

Sunday, February 23

Oakland County Animal Shelter — 1260 West Boulevard, Pontiac

THE 1958 DOG LICENSES WILL ALSO BE AVAILABLE AT THE ABOVE CLINICS.

LICENSE FEES:

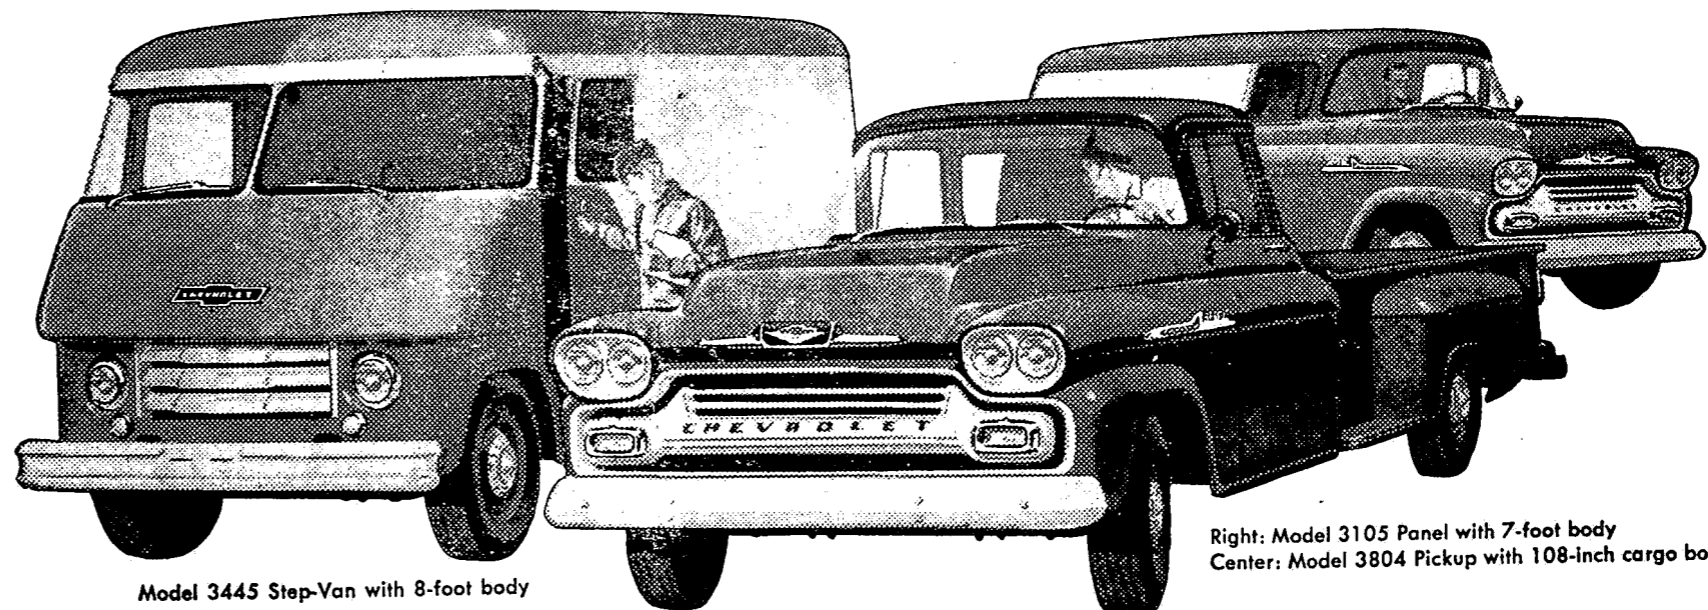

MALE DOG	\$1.00
FEMALE DOG	2.00
UNSEXED DOG	1.00

On March 1, 1958 the above fees will be doubled.

FEE FOR RABIES VACCINATIONS AT COUNTY-OPERATED CLINICS IS \$2.00

D. A. R. CHAPTER HEARS HISTORY OF PONTIAC

The General Richardson Chapter of the Daughters of the American Revolution met recently at the home of Mrs. Maxwell Doerr on Ottawa Drive, in Pontiac. Delegates elected to attend the Continental Congress in Washington were as follows: Mrs. E. G. Clark, with alternates, Mrs. E. V. Howlett and Miss Ora Hallenbeck. At the state conference to be held in Detroit March 17-19, delegates chosen are Mrs. Lloyd Porter, Mrs. Harry Going, Mrs. Bradley Scott and Mrs. Allan Monroe. Possibly needed alternates are Miss Hallenbeck, Mrs. Lisle Echtenaw, Mrs. L. L. Dunlap and Mrs. Harry Chapman. Assisting the hostess were Mrs. H. B. Austin, Miss Grace Clark, Mrs. L. L. Dunlap and Miss Carolyn Dunlap. Mr. Richard Poole from Birmingham spoke before the organization giving them a brief history of Pontiac. He said that Colonel Stephen Mack came up the Clinton River in 1818 and founded Pontiac. Pioneers mindful of the water power followed and settled. They built a log house, the first in town, at the point near the Oakland Theatre and now marked with a D. A. R. plaque. A woolen mill, an ashery, brewery and a hotel were built in time.

In 1840 a fire destroyed the most of Pontiac but the hotel called the Hodges House was saved. Men and women handled water to such good purpose that Pontiac's Oldest Hotel was saved and it is still functioning as a lodging place and is called the Chapman Hotel.

Mr. Poole further told about the Oakland County Historical Foundation. This is an Association of public spirited citizens organized in 1943 to perpetuate a place or center to hold meetings and to house and preserve property of a quite famous former citizen of Michigan.

This person was Governor Moses Wisner who was head man for two terms during the Civil War. Later he organized a military division and went South with it finally succumbing to typhoid fever there.

The Governor Wisner home on Oakland Ave., is a charming mansion now about 120 years old. It is a roomy two-storied brick building with a long porch on a site with plenty of old-fashioned landscaping. The area of but a few acres now is a remnant of a farm of 700 acres formerly.

Mrs. Edward Wallace was the last of the family to live in it and sold it to the good people who strove to preserve property that is now far too rare. Mrs. Wallace was a granddaughter of the governor and has a good lot of memories and memoirs to give along with the lovely old home and its interesting and elegant furnishings. The parlor stands with the same wallpaper, rug, curtains, grand piano and paintings as Mrs. Wisner selected and used. In the halls are show cases containing wearing apparel, book cases and around are a bust of the former owner, a library, desk and many things of interest.

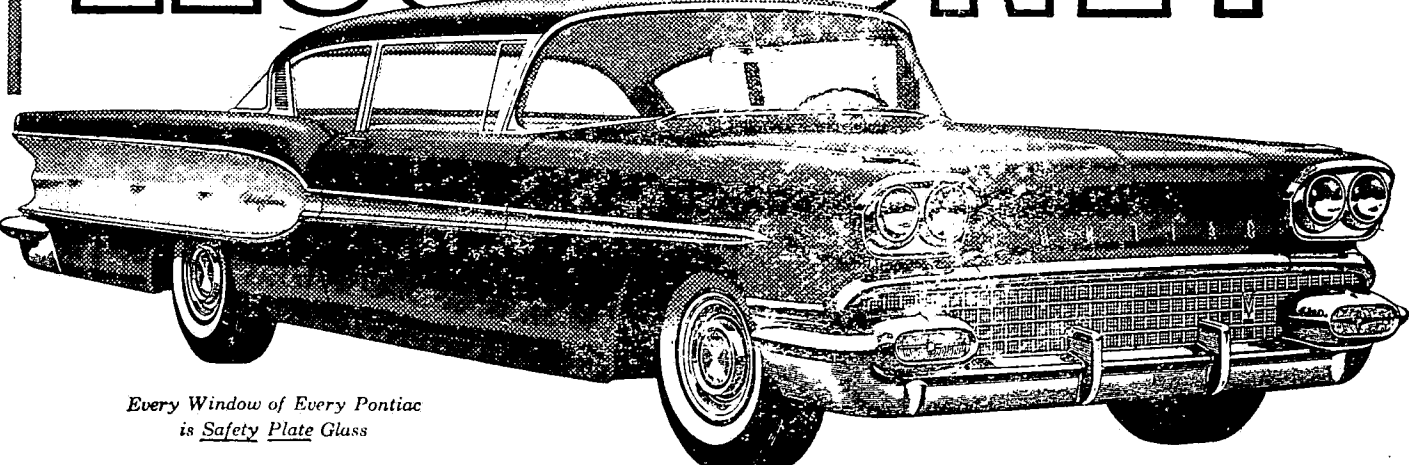

The property was secured years ago by a number of clubs and organizations manned with any number of far-sighted, generous, able people who did a great service in saving the place. Now it is being restored gradually, room by room by equally good people.

The Oakland County Historical Foundation is supported by women's organizations and men's membership dues and gifts. There is now a junior group in public schools who are interested in the restoration of the home. In time the work will be done; it will be a show place—a fascinating and unusual bit of early Michigan left in this great industrialized region.

MICHIGAN.

The cottontail rabbit is Michigan's most popular game animal
and it isn't likely that his position of prominence will ever be
challenged. The long hunting season, October 21-March 1 in
the southern lower peninsula, means plenty of enjoyment for
sportsmen. Success is good, too, as indicated by some 1,400,000
rabbits taken each year by hunters.

DOCTOR LEAVES FOR CONVENTION IN WEST

Dr. Calkins, known to many

in this area, leaves with his family today for Los Angeles, Cal., for a medical convention at the College of Medical Evangelists. The annual post-graduate con-

vention will be held in the Biltmore Hotel for one week to begin with a vesper service on Friday, Feb. 21.

U. S. Navy Surgeon-General, Rear Admiral Bartholomew W. Hogan will be the key speaker on Tuesday, Feb. 25. Ten other outstanding medical authorities will participate in the program. Some of the doctors will come in colorful costumes from far away mission fields for a missionary pageant.

Scientific studies, lectures, sermons and workshops will refresh the doctors for a better service and to bring more spiritual help and comfort to their patients. Dr. Calkins will visit his family, having three brothers in the ministry there.

PROCEEDINGS OF THE REGULAR MEETING OF THE INDEPENDENCE TOWNSHIP BOARD HELD FEBRUARY 18, 1958

Meeting called to order by Supervisor Hursfall.

Roll Call: Hursfall, Doebler, Snader, Anthony and Bauer, also Attorney Cooney, present.

Motion by Snader, supported by Anthony that the reading of the minutes be waived and they be approved as printed in The Clarkston News. Carried.

Communication from J. Gardner read regarding a refund for Building Permit No. 1819 to Mr. Emery Brown, Jr.

Motion by Snader, supported by Bauer that the request of Mr. Brown be denied. Carried.

Communication from the Oakland County Department of Public Works regarding funds for survey of the proposed Clinton River Sewerage system received and placed on file.

Mr. Godfrey appeared before the Board to explain the organization of the proposed Recreation Program.

Mr. Cooney explained his proposed resolution creating a Citizens Recreation Committee. This proposal would leave the working of the Commission in the hands of the Committee and would impose no financial liability on the Township. Decided to study the matter further and Mr. Godfrey would send a list of names for the Committee that are interested, that might be appointed at the next meeting.

Motion by Anthony, supported by Bauer that the Board appoint Erwin A. Baker, Constable, to fill the unexpired term of William Hampshire, resigned, effective upon qualifying for office by Mr. Baker. Carried.

Discussed the Bill of Mr. Walker for engineering services rendered Mr. Staebler. Decided the Township has no right to spend taxpayers dollars for procurement of services on private property.

Motion by Anthony, supported by Bauer that we pay the bills in the amount of \$1460.60 as listed.

Roll Call: Hursfall, yes; Doebler, yes; Snader, yes; Anthony, yes; Bauer, yes.

Mr. Beach appeared before

the Board to request approval of a reciprocal fire agreement between the Northeast Oakland County Townships. He was asked to prepare a tentative agreement and submit it to the various municipal bodies for approval.

Decided that the Road Truck should remain at the No. 1 Fire Hall at least until freezing weather is over.

Motion made and supported to adjourn. Carried.
