Girl Scouts Present Program

On Tuesday evening when the Clarkston Rotary Anns met at the home of Mrs. Charles Robinson the Girl Scouts of Troop 194, directed by Mrs. William Race and Miss Joan Humphrey, presented an interesting and lively program. They sang, danced, explained some of their projects for merit badges; they gave the Scout Promise and closed their program just as they close their regular scout meetings, with Taps and a Goodnight.

The Rotary Anns presented the Troop with a check for five dollars.

At the business meeting, conducted by the President, Mrs. Ronald Walter, many splendid reports were given. Mrs. Ira Snader told about the work being done for the Easter Seal Campaign. She also stated that the new building for the Crippled Children's Society which is being constructed on Telegraph Road will be ready for use very soon and when it is completed there will be an 'open house' for all organizations. Mrs. Snader reminded everyone about the Lily Parade when the Girl Scouts will sell lily buds, with the proceeds for the Crippled Children's Society.

The Rummage Sale on April 25-26 was discussed and workers were named.

Mrs. S. F. Goedde was welcomed as a guest and was invited to become a member.

Dainty refreshments were served at the close of the meeting.

WOMAN OF THE YEAR BEING SOUGHT

The Woman of the Year in the Waterford-Clarkston area will be honored at an Award Banquet by the Waterford-Clarkston Business and Professional Women's Club on Thursday evening, April 17th, in the C. A. I. Building on Williams Lake Road.

An exceptionally fine program is being planned with Elinor K. Rose, nationally syndicated feature writer as the guest speaker. Mrs. Rose writes light-verse quatrains for daily newspapers and her poetry and prose have been published in such magazines as Christian Herald and Reader's Digest. Her topic is SUGAR AND SPICE and her program will consist of witty comments on everyday life.

Tickets for the banquet are available from any of the Club members. Make your reservations now. For further information call MAple 5-4321.

If you have a choice for The Woman of the Year make sure you get an application blank, fill it out and send it in at once.

ROTARY CLUB HAS LADIES NIGHT

On Tuesday evening of last week the Clarkston Rotarians entertained their wives at dinner at Devon Gables. The ladies' places were marked with pretty white boxes tied with pastel colored ribbon. The boxes contained dainty clutch purses in which were small coin purses. Al Lee gave the invocation.

Following the dinner president Byron Nolan welcomed the guests. Charles Robinson introduced Joe Zabelski of Pontiac who entertained with piano numbers and a little bit of humor mixed in. Mr. Zabelski is certainly master of the key board and it was amazing the way he played every request number, without the music. The crowd kept him busy for at least an hour and a half.

Rotarian L. M. Oakley and his committee were responsible for a very fine Ladies Night.

Joe Junglas, a former Clarkston High student who is at present serving aboard a destroyer with the Navy, is anxious to get letters from his old friends and promises to answer promptly. His address is: Joseph H. Junglas, SN 4859001 USS Barton, DD 722 c/o F. P. O., New York, N. Y.

CINERAMA OBSERVES FIVE RECORD YEARS IN DETROIT

Cinerama in Michigan is five years old this week. It was on March 23, 1953, that the revolutionary new entertainment was introduced to the midwest, making Detroit the second city in the world to have a Cinerama installation. The founding fathers decided wisely to expend \$250,000 when they blueprinted an amusement outlet here that set every local record for long exhibition and for money grossed.

Since then citations, awards and certificates have been bestowed on the Stanley Warner Cinerama Corp., for attendance records from such organizations as the Greater Board of Commerce, the City of Detroit, Michigan Motion Picture Council, De-

Easter Seal Sale Aims For \$40,000

Mrs. Elizabeth Kirkby, Executive Secretary of the Oakland County Society For Crippled Children, reports one of the projects financed by your Easter Seal contributions is the Royal Oak Day Nursery. The Society has sponsored this school since March, 1955, paying the teachers salary. The class meets in the First Baptist Church on Main Street in Royal Oak and there is no charge for the building. Mrs. William Welsh, teacher, tells us there are 23 children presently enrolled, attending 4 days per week. These children are mentally retarded and are denied entrance in the public schools but are taught how to live a little better life.

Mrs. Welsh was very happy to report some of the children have progressed so much they have been advanced to the public schools.

Last year a total of some 500 children in Oakland County received medical care, special education, wheelchairs, crutches, braces, occupational therapy, handicrafts for crippled children confined to their homes, summer camping, speech correction, physical therapy, and a start toward a useful life.

If every man, woman and child in Oakland County gave 7 cents the goal of \$40,000 would be oversubscribed. 7 cents means nothing to the average person, but this same 7 cents means a complete new way of life to the handicapped and afflicted. Nowhere in the world are greater dividends realized on an investment.

 God's supremacy and all-power will be explained in the Lesson-Sermon entitled "Reality" at Christian Science services Sunday.

From the Bible will be read the following (1 Chronicles 29:11): "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty; for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all."
 Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (472:24-25): "All reality is in God and his creation, harmonious and eternal."
 The Golden Text is from Psalms (33:11): "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations."

THE VERTEBRAE WERE VIBRATING FRIDAY NIGHT

by Janet Bullard

The Biology Club sponsored a dance Friday, March 21, in the C. H. S. gym. The name of the dance was "Vertebrae Vibration". It was a girl's choice.

The gym was packed with happy "teenagers" who had a "blast-and-a-half". We would like to thank the chaperones and Mr. Terry Thomas, the sponsor of the Biology Club, for putting on the dance.

TRACK & BASEBALL SEASON OPENS

by Ed Eaglen

The Track and Baseball Season started last Monday, March 17, and we had quite a turnout.

Mr. Varra and Mr. Burnett opened track Monday and there were about forty boys out. All the boys are doing this week is running and getting into shape. They are using no equipment this week. They are having an intersquad meet next Thursday, March 28, and the boys will be able to compete against each other and run in anything they want to.

Mr. Birtsas opened their season Monday when all pitchers and catchers came out for baseball, March 17, and all they are doing so far is playing catch back and forth. They had about 5 boys try out for pitcher and about 3 try out for catcher.

We hope both the Track Team and Baseball Team have a good season this year. So, lots of luck to you boys.

CHARLEY GETS DISGUSTED

by Chuck Ferrand

Special Agent Charley X, the martian, reporting from the planet Earth to Mars.

Perhaps you have noticed that I am becoming rather lax in my regularity of making reports to you, I am very sorry for this, but if you had been through as much bodily punishment as I have in the past weeks you would be very much in sympathy with me, I am sure. Since my arrival at this base I have had very little time to do any writing other than to scribble a few notes in my data book at the end of the day.

In all the time I have spent on this planet I am sure I have never met a meaner set of people than the officers at this base. My immediate superior is one of the biggest, gruffest, loudest, orneriest, slave driving, inconsiderate, trouble making, obnoxious, overbearing, conceited, illiterate, profane, dumb, incompetent, insulting, knuckle-headed stuffed shirt you could ever hope to meet! I sincerely believe that he must stay awake nights, thinking up ways of making our lives miserable. From the first thing in the morning until the last thing at night, I am forced to put up with his incessant mouth exercise.

Another thing to make life more unbearable around here, is the lack of nutrition pills. My supply ran out shortly after I arrived here, therefore, I am forced to choke the food served in the mess hall down my poor throat and into my poor aching stomach. How the other men can eat the garbage and pretend to enjoy it I shall never understand. While I am on the subject of food, I might add the fact that I never seem to escape the duty of peeling potatoes, and washing dishes for some 800 men, every evening. To be very blunt, I'm getting sick and tired of this. I had hoped to be able to gather much information on the armed services, but the way things are at present I have seen nothing but the inside of the kitchen and the obstacle course. I shall report again in the near future.

P. S. As you have probably noticed, I'm not very happy here!

YOUR ROVING REPORTER

by Lorraine Juliano

This week we are going to get some opinions on a subject that is by far one of the most controversial that we've ever discussed. This week we are asking, "What do you think of the new 'sack' style and chemise style dresses?" These dresses seem to be quite the rage now and since there are so many different opinions on them we thought you readers might like to hear a few comments. I first talked to Pat LeMaster, who commented: "I think they are alright, but to look their best they should be chosen with care to insure proper fit. The style should also be taken into consideration."

LEAGUE CONCERT GIVEN AT CLARKSTON

by Dianne Chapman

The Wayne-Oakland All-League Choir gave its first concert of the year in the C. H. S. gym last Tuesday, March 18. A sizeable crowd turned out to hear the choir, which is made up of members from each of the eight W-O League high schools.

The program included eight group numbers, plus a solo or ensemble number from each school. The group numbers opened with "Let All Things Now Living", followed by Fred Waring's arrangement of "Give Me Your Tired, Your Poor", the Tchaikovsky composition "Cherubim Song", "And He Never Said A Mumbly Word", "I Hear A Song", a square dance number "Country Style", a beautiful medley of songs from "South Pacific", and a tremendously moving and inspiring interpret-

Another assembly was held Tuesday, March 25, sponsored by the Clarkston High School Student Council. This consisted of a travelogue film.

CINERAMA
(continued from page 1)
troit parochial school system, and a score of Michigan and Ohio civic and social organizations.

First Music Hall presentation was the Lowell Thomas and Merian C. Cooper production "This Is Cinerama" which served as an introduction to the wide-screen phenomenon. It ran just shy of two years and attracted 2,250,000 patrons. The second release was Louis de Rochemont's "Cinerama Holiday" which had the healthy run of over 78 weeks and two days and was viewed by 1,200,000 then followed by Lowell Thomas' "Seven Wonders of the World", with an attendance of 995,000, which also ran 78 weeks.

What was described as a ghost proposition when Cinerama first came in, with the wise-aces saying that 3 months would be the existence of the Music Hall and that it would be torn down to make a parking lot, has come back to haunt those sharpers.

Virtually a gold mine for Music Hall owner Mervyn G. Gasikin, head of a structural-steel fabricating firm and for Stanley Warner Cinerama Corp., the house operators, the early predictions now become humorous memories.

The neighboring business firms are happy with the rejuvenation of what was pretty much an "off-beat" street. Improvements running into a tidy sum were negotiated by the Detroit Athletic Club, the Madison and Lenox Hotels and the Powell photographic studios. The city has paved the streets in front of the theatre and placed overhead traffic signals at the now busy corners of Madison and Brush.

With nearly 3,500,000 drawn to this section during the past five years, most of them from outside and as far away as 300 miles, plus the hundreds of foreign visitors to Detroit weekly, it isn't any wonder that Cinerama and the Music Hall management have won its citations.

The current and newest Cinerama production, Lowell Thomas' "Search for Paradise" is now in its sixth week at the Music Hall.

Mr. and Mrs. Paul Weber of Walters Road expressed their appreciation to the local fire department for the speed with which they answered their call when their house caught fire on Sunday from an overheated water heater. The damage was held to a minimum for which the Webers are very thankful as they have no insurance on their home due to much illness in the family and Mr. Weber is still recovering from recent surgery.
