Direct Distance Dialing

to call many out-of-town business associates, friends and relatives

Direct Distance Dialing is the exciting new telephone service which starts Sunday, April 20. Then you'll be able to dial many business and social calls yourself across Michigan ... and across the entire country.

We'll mail you a booklet soon showing WHERE and HOW to dial these calls. You can help yourself to best service by familiarizing yourself with the booklet and noting what places are listed where you have business associates, relatives or friends. It'll be easier,

faster - and more fun - to keep in touch with them starting April 20.

You'll also get a handy BLUE BOOK to jot down numbers, including out-of-town numbers you'll be able to dial yourself. Please

keep both booklets handy near your telephone so you can make best use of this convenient, new service . . . starting Sunday, April 20.
