Celebrate July 4th In Clarkston

Plans are completed by the Independence Township Fire Department, for a real Fourth of July Celebration in Clarkston. The program for the day includes something for children and adults. Starting with the parade at 10:00 A. M. events will take place most of the day and until the fireworks at night.

The parade will form at the Community Center, with the horses and floats lining up on Robertson Court. Make the parade this year, the best yet; get into a costume or decorate your car or bicycle and make fun for yourself as well as for those on the sidelines.

There will be field events on the school grounds for boys, girls, men and women. In the afternoon there will be baseball games and at 6:30 P. M. the Firemen will display fire equipment on Washington Street at the Mill Pond. At 9:00 P. M. the fireworks will get underway at the High School.

Mrs. William Clement and Mrs. Raymond Jarvis were responsible for the table arrangements.

Mrs. L. F. Walter presided at the piano and led in the singing of "Happy Birthday".

A short business meeting was conducted by vice-president, Mrs. Nellie King, in the absence of the president, George Harris. The minutes of the previous meeting were read by secretary, Mrs. Ethel Burkenstock and John Gibson, treasurer, gave his report. The group decided to have a pot-luck picnic at Davisburg Park on July 24th.

Following the business meeting a hymn sing was held in the church with Ada Mae Powell at the piano.

The women who prepared the luncheon were: Mrs. Herbert Beach, Mrs. Raymond Ruggles, Mrs. Walter Gibson and Mrs. Harry Waggener. Couple Leaves For Adirondacks

Miss Sidonie Jeanne Shunck and Mr. Bradley Campbell Reardon spoke their marriage vows in Christ Church, Cranbrook on Saturday, June 28th. Reverend Robert L. DeWitt, rector of the church, officiated at the 1:30 P. M. ceremony before an altar decorated with white gladioli and cala lilies. Baskets of white gladioli were

used below the chancel.

The bride is the daughter of Mr. and Mrs. William Alfred Shunck of Longworth Road, Drayton Plains and the bridegroom's parents are Mr. and Mrs. Kenneth Norman Reardon of Pittsburg, Pa.

With Dr. Maurice Garabrant at the organ, the bride entered the church to the strains of Trumpeters' Chorale rather than the traditional march. The bride's gown of white organza over taffeta featured pin tucks and a Sabrina neckline which was outlined with leaves of white applique and continued on to form very short sleeves. A trail of leaves also followed each side of the bouffant skirt. The fitted bodice and the hoop skirt accented the tiny waistline. Her veil of French silk illusion fell from a circlet of Stephanotis. She wore short white gloves and carried a white prayer book with a nosegay of Stephanotis, white butterfly roses and white satin streamers.

Catherine Caldwell of Ridgewood, N. J., classmate of the bride at Oberlin College, was the honor maid and Anne Estelle Henderson of North Woodbury, Conn., the bride's roommate, served as bridesmaid. The bride's sister, Sarah Anne Shunck, was junior bridesmaid.

All of the bride's attendants wore ballerina-length gowns of white organza with an all-over pattern of pale blue flowers. The princess lines billowed over skirts of net and taffeta. Their sweetheart necklines featured blue and green velvet bows and streamers at the center back. Blue velvet leaves formed the bandeaux for their hair. Their flowers were wristlet bouquets of white daisies with blue velvet leaves and matching streamers.

Kenneth N. Reardon, Jr., of Ypsilanti assisted his brother as best man and seating the guests were Robert Reardon, brother of the bridegroom, from Pittsburgh, Pa.; Malcolm Griffith of Cincinnati, Ohio; Robert Kumer of Oberlin, Ohio, and three classmates of the bridegroom, Homer Gilchrist of Astabula, Ohio; David Powell of Mansfield, Ohio and Karl Stephens of Barrington, R. I. Peter Shunck, brother of the bride, was to have been present as an usher, but he was delayed at Camp Roberts, California.

Mrs. Shunck, mother of the bride, wore a sheath dress of beige lace over taffeta with a side drape of the same material. With this she wore lace shoes and beige gloves. A large brimmed hat of straw and silk organza in shades of green completed her costume. Her flowers were green cymbidium orchids worn at the waistline. Mrs. Reardon

This means a new Auburn Heights central office would serve an area with new boundaries. The Auburn Heights area would comprise a small portion of the present Pontiac zone and the "Brooklands" portion of the present Rochester zone as shown by the map below.

If the Commission approves this plan, it would increase or decrease charges for calls between certain exchanges as shown below:

MRS. PALMER BUNDY U. F. CHAIRMAN

Appointment of Mrs. Palmer Bundy, 8621 Eaton Rd., Davisburg, as chairman for the United Foundation's Torch Drive volunteer organization in Groveland, Springfield, White Lake and nine other Oakland County townships was announced today. The appointment was made by Mrs. Victor Marsh of Royal Oak,

chairman for the county's three regions in the annual campaign to support 195 health and welfare agencies serving this and other communities in the Metropolitan Detroit area. The campaign dates are Oct. 14 through Nov. 6.

Mrs. Bundy served as a Torch Drive regional chairman for townships last year, and is a member of the Michigan United Fund budget committee. She

also is active in the Catholic Social Services of Oakland County, American Cancer Society Southeastern Michigan Division, and the American Red Cross Oakland County Chapter.

In her new position as a regional chairman, Mrs. Bundy will name and coordinate the work of chairmen representing each division in her region. The divisions are: Addison, Commerce, Farmington, Groveland, Holly, Lyon, Novi, Rose, and Springfield Townships, and the Huron Valley Townships of Highland, Milford, and White Lake. These chairmen will set up the campaign organizations within their districts.

NEW CINERAMA PICTURE TO BE SEEN HERE IN FALL

The first showing of "This Is Cinerama", the revolutionary three-strip film entertainment will have its first Pacific Islands exhibition when it opens in Honolulu this week.

Following shortly thereafter, installations will be made in Sydney and Melbourne, Australia. At present there are nine Cinerama theatres outside of the United States.

Most of the 20 United States Theatres are now showing Lowell Thomas' "Search For Paradise" with the fifth Cinerama production, "South Seas Adventure" to follow some time this fall.

Currently "Search For Paradise" is in its fifth month at the Music Hall Theatre, Detroit, the only theatre in Michigan that can or will ever show the revolutionary Cinerama process.

PARENTS GIVE CHILDREN CUE ABOUT LOVE

"If parents spell out 'love' by their actions, children will reflect their behavior and strive to be like them and respect them", says John Fisher, lecturer in The University of Michigan School of Education.

"Children need to experience self-reliance, and to gain this they need a set of built-in controls established in their babyhood", Fisher says.

"In their helplessness, they depend largely upon the assistance of others. Everybody knows this simple fact, but what is often forgotten is that the young child reads a meaning into all the every-day acts. If they are performed graciously, gently and tenderly, they spell out 'love' and 'security'. When the infant discovers he's wanted, we can see the shine all over him.

"The child really makes a bargain with adults who treat him this way. He pays us the compliment of becoming 'like us'. He develops a cheerful outlook on life; he becomes a force rather than a fretful clod of ailments.

"The child who feels emotionally secure he can count upon the people around him to discipline him with consistency and love will also look to them for

training in judgment and morality. We're off to a good start. He will be able to relate himself to our complex society and he will learn to know himself.

"If the ingredients of love and tenderness are in the background of the child, they will create the conditions which are best suited for realizing the wonder, beauty and apparently powerful forces that shape the concept of self."

TREES CAN BE FRAMES FOR HOME

"Trees can be used as frames and backgrounds to buildings in a comparatively simple manner provided a few rules and regulations are followed", says Prof. Harlow O. Whittemore, chairman of the Department of Landscape Architecture at The University of Michigan.

"If your house is near the street, there usually is no room for additional trees in front without over-shading and crowding. But if your home is back 30 to 40 feet or more, additional framing in front is desirable.

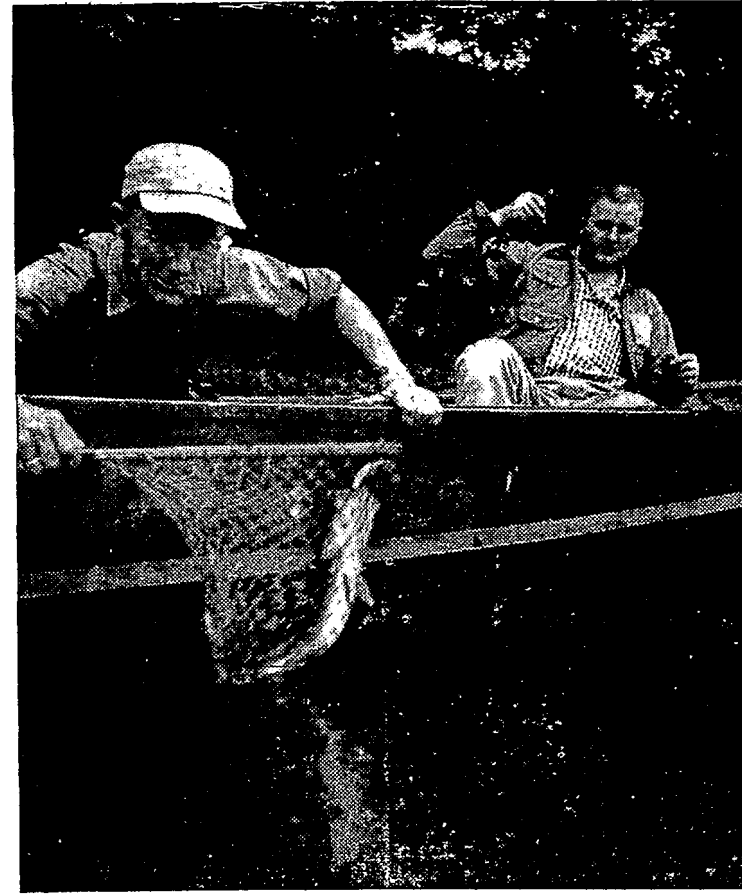

"With a large house it is best to use two trees, one on either side of the house, and locate them diagonally off the corners, 15 to 20 feet away from the corners. If the house is a small one, one tree may be enough, located off one corner and repeated by a small flowering tree of similar form off the other corner.

"If two trees are used, they should be those which have canopy form—spreading top with trunk and branches revealed below—so as not to hide the house, but frame it. Theoretically, the trees should rise above the house and spread out above it so as to encompass the whole frame. A tall house calls for a tall tree, a low house for a medium-sized or low tree.

"Some trees that make good frame trees are American elm, honey locust, tulip tree, white ash, red oak for large houses. For smaller houses, scarlet oak, white oak, European linden, red bud, and Japanese lilac are good.

"In addition to the frame, there should be background trees located at two distances, first those located immediately back

Landing a good-sized black bass is a pleasing event for any fisherman and this scene will be repeated thousands of times this year in Michigan. Bass fishing season opened June 21 and runs through September 14 in designated trout lakes and streams and through December 31 in all other waters. Minimum size limit is 10 inches.

of the house, and second, those at the back end of the property. In the case of a large house, there might be two trees off each of the rear corners, balancing those in front; for the small house, off the rear corner, diagonally opposite the one framing tree in front.

"In any case, a mass of trees across the rear would be satisfactory. Background trees can be more solid and with lower branches, such as sugar maple, American linden, burr oak, red oak, red gum and such pines as white, Austrian or red."

A REMINDER FOR FISHERMEN

Fishermen are reminded that:

a maximum of five black bass may be taken daily from Michigan waters. This limit applies both to inland waters and Great Lakes waters under Michigan jurisdiction.

In the Great Lakes, Lake St. Clair and connecting waters, a combined daily total of 10 pike-perch, black bass and northern pike may be taken, but not more than five singly or combined of black bass and northern pike.

In other words, anglers in these waters may take five black bass or five northern pike per day, or any combination of the two species not exceeding five fish.

"BAGS" TURN INTO "SACKS" FOR STATE FAIR CONTEST

Never will the sack dress be so appropriately named as at the Michigan State Fair this year when Michigan women enter the National Cotton Bag Sewing Contest.

Creating smart apparel and unusual household accessories from feed or flour bags will be a challenge to all women who enter the contest, in the opinion of Mrs. Polly Luers, director of Home Arts.

Cash prizes, totalling \$100 and a sewing machine, will be awarded at the Michigan State Fair, August 29 through September 7. The grand prize winner will become an automatic finalist to compete in the nationwide contest.

Entry classifications include mother-daughter dresses, brunch coat, kitchen apron and two pot-holders, man's or boy's sport shirt, pillow cases, luncheon set, stuffed toy and crib quilt.

The 1957 Michigan champion was Mrs. Marion Becker, of Almont who received first awards for her entries in the kitchen apron, kitchen curtains and stuffed toy categories.

Further information and entry blanks may be obtained from the Home Arts Department, Michigan State Fair, Detroit 3, Michigan. All needlework entries must be submitted by Friday, August 22.

We sure had a great turnout for our 4th meeting of the boys softball team. We hope to hold practice Wed. July 2 from 9:30 A. M. to noon and Saturday, July 5th at the same time if it doesn't rain. Want all boys who wish to come out for softball only, so we can pick out positions. Hoping to arrange a ten-game schedule at least, if not more with the Waterford Township Little League softball teams. So please try your best to come out so we get enough practice and then we can give them a good game. Will let you know just what teams we will play, when and where by next Saturday, I hope.

Junior Boys Softball On Saturday, June 26th we had another softball game and sure had a good turnout. Hope all the boys enjoyed themselves. I want to thank Mr. Del Walter and Mr. George Keyser for helping with the supervision. They did a good job and we hope to see them again Saturday. We have about forty boys signed up for junior softball and it takes plenty of supervi-

ion. Would appreciate seeing the fathers out to help.

We missed Mr. Drake and Mr. Hintz this week but hope to see them again Saturday, July 5, at 9:30 A.M.
