Reading Club

Library To Form

charter and which is designed to held a year ago. foster your interest in reading. The Right Reverend Monsig- Cherub Choir. Membership rules are simple

and the registration fee is one not often heard today- a plain old nickel! The most important rule is that you must read two | books to qualify, and after you have fulfilled this requirement you will be given a membership pin and can start reading your way to other goals-an honor member pin and finally a life membership pin.

Another interesting part of the club will be the "book tree" upon which you may hang a leaf with your name, the title of the book you've just finished and perhaps a comment about the book, written upon it.

The library board would like to see this readers' group become a real club organization with officers, regular meetings. and plans for future projects such as hobby and collectors shows. Reading can bring people of similar interests together so that everyone learns more and has more fun.

Come to your library (on, Main Street next to the Community Center) Saturday morn-ing and find out more about what's in store for you as a member of the Library Club of America, and while you're there pick up the two books you will need to read first.

For more information call Mrs. Philip Smith, MA 5-9051 or Mrs. John Bell, MA 5-1145.

ATTENTION! WOMEN BOWLERS

It's time to think of fall and winter activities and plan accordingly. Bowling enthusiasts are looking forward to a full schedule. All women in the Clarkston area who are interested in bowling are asked to attend the League's planning meeting at the home of Mrs Lester C. Howe, 6705 Dixie Highway, on Wednesday, August 13 at 8:00 p. m.

How strength and freedom are gained through understanding God, divine Love, will be a topic dealt with at Christian Sci-

ence services Sunday. One of the selections from the Bible in the Lesson-Sermon entitled "Love" is this from Matthew: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all

manner of sickness and all manner of disease among the people" (4:23).

Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (454:18-23): "Love inspires, illumines, designates, and leads the way. Right motives give pinions to thought, and strength and freedom to speech and action. Love is priestess at the altar of Truth. Wait patiently for divine Love to move upon the waters of mortal mind, and form the perfect concept."

- Graduate Michigan State University
- Experienced Public Administrator
- Native of Royal Oak and life-long resident of Oakland County

The following report, Misc. 3361, by the DRAIN COMMITTEE OF THE OAKLAND COUNTY BOARD OF SUPERVISORS taken from the meeting of that Board on April 15, 1958: Misc. 3361

by Mr. Goodspeed

IN RE: REPORT ON PRESENT STATUS OF DRAIN DEPARTMENT

To the Oakland County Board of Supervisors Mr. Chairman, Ladies and Gentlemen:

Your Drain Committee of this Board wishes to submit this report in conjunction with Mr. Barry, the Drain Commissioner, as to the present status of this

The following modernization has been accomplished by Mr. Barry and the Drain Committee. This office has been modernized without the necessity of legislative changes. All of the changes have been made since January 1, 1957, which was the date Mr. Barry assumed office. The following is the list of changes which modernized the Drain Office.

1. Establishment of permanent Drain Commission Library containing volumes pertaining to Engineering, Administration, Finance and Law. 2. Acquisition of new quarters housing all drain commission functions under

one roof which allowed complete reorganization in all departments. a. Accounting Department increased to four persons, now have monthly, quarterly and year-end reports on all fiscal operations.

b. Creation of assessing department of three persons. Now able to have assessment program on a year round basis. c. Creation of lake level section in Engineering Department to

facilitate the action of the Drain Commissioner under the Lake Level Act, due to amount of petitions now on file. d. The Engineering Department has been expanded to allow the bulk

of drain projects petitioned for to be designed in the Drain Office taxpayer in those drainage districts.

rather than "farming" such work out with resultant saving to the e. The Maintenance Department has been reorganized and expanded to insure swift and adequate handling of complaints.

f. Cooperation of Corporation Counsel in adding new position of "Assistant in charge of Drain Office legal work", to expedite projects now under processing.

Respectfully submitted,
