**WITNESSES ATTEND CONVENTION IN NEW YORK**  
Divine law must govern the family circle before the social problems of any community can be solved, program speakers told an international delegation of Jehovah's Witnesses assembled in convention at Yankee Stadium and the Polo Grounds, July 27 through August 3.  
According to Mr. William P. Strong, presiding minister of the local congregation, 405 delegates from five Oakland County congregations are returning from the eight-day event. He stated that the effects of the ministerial training program outlined will be "shared by every community on earth" as the more than 150,000 delegates seriously apply the Bible principles learned to their own congregations in 120 different lands, bridging racial and national barriers with the forces of love and unity.  
Featured was the graduation of the 31st class of the Watchtower Bible School of Gilead, missionary school of the organization. The program was filled with lectures and reports by

**ATTENDING CONVENTION**—Local delegates of Jehovah's Witnesses gather in the outfield of Yankee Stadium to look over the program of the 8-day international convention of Jehovah's Witnesses July 27-August 3. The convention is being held in both Yankee Stadium and the Polo Grounds and is the largest attended convention in history with delegates coming from 123 lands.  
From left: Edward W. Strong and Clint Duck of the Pontiac congregation, Lowell Nicolay of the Milford congregation, and Aaron Leppala of the Holy

delegates from many of the 254 missionary centers and 84 branch offices.  
Principal speaker was Mr. Nathan H. Knorr, president of the Watch Tower Bible and Tract Society, governing agency used by Jehovah's Witnesses. Admonition given in his talk to the graduate ministers on "Stick to Your Work" was applied to all present.  
Practical aspect of the house-to-house ministry was stressed at every session of the assembly and results of this apostolic method of preaching in modern times were noted. More than 719,000 Witnesses are now sharing in the Bible-teaching program world-wide as an evidence of their interest in a Christian community, the report stated.

**SPACE AGE IN MICHIGAN 100 YEARS OLD**

Michigan got off the ground and smacked into the Space Age just a century ago, according to material in The University of Michigan Historical Collections.

Charles M. Cleveland, a young clerk in his father's general store in Adrian, then a town of 7,000, recorded in his diary a lively account of a balloon ascension by a resident, W. D. Banister, on Sept. 16, 1858. Banister used a balloon belonging to Ira Thurston, veteran ballonist from Lima, N. Y.

With 500 Sunday School picknickers from Jonesville watching, Banister climbed into the car suspended below the gas bag. Partially released, the balloon showed so much buoyancy that Banister invited Thurston to accompany him on the flight.

When the ropes were released the balloon rose rapidly and floated off in a north-easterly direction. The open valve permitted enough gas to escape so that the balloon gradually descended and landed in Rigatownship.

With the aid of volunteers the aeronauts removed the netting from the bag and detached the car. To expedite deflation Thur-

ston sat on the valve block, a circular board one inch thick and 13 1/2 inches in diameter, resting on the ground. Holding the collapsed top of the bag with his arms and legs he directed Banister and two others to raise the mouth of the balloon so that the gas might flow out more rapidly.

They obeyed and Thurston told them to let go. Banister and one other did, but the third, a farmer, Westerman, retained his hold. Released of half of its human ballast, the balloon bounded into the air. When it was 10 feet from the ground, Westerman dropped but Thurston, sitting on the valve block, grasping the collapsed part of the bag, held on.

"Follow me across the field," Thurston called. "It will be all right."

But he had underestimated the buoyancy of the remaining gas, and the balloon rose rapidly into the air.

Rooted to the spot with horror, the spectators watched the upside-down bag veer away towards the northeast with Thurston clinging for his life to his precarious perch.

According to F. Clever Bald, assistant director of the Michigan Historical Collections,

"News of the runaway balloon was quickly spread about the town. The huge deflated bag was found in Ontario on the farm of Joseph Marks, 30 miles from Windsor. There was no trace of Thurston.

In spite of a prolonged search, his body was never found. It is likely that he lost his grip and fell from his seat on the valve block either into Lake Erie or Lake St. Clair."

**CINERAMA AT BRUSSELS WORLD FAIR**

Senator Kuchel, Republican of California, praised the Stanley Warner Corporation for its Cinerama exhibit at the Brussels World's Fair for having scored another victory over Communism in the cold war.

Pointing out that Cinerama is receiving no government subsidy, Kuchel said its Brussels exhibit was an outstanding illustration of the American free-enterprise system. The California Republican quoted reports that Cinerama was the hit of the fair and said its triumph was all the greater when compared with a parallel Soviet entry called Panarama. Cinerama, he said, is attracting huge audiences at \$1.25 a ticket while Panarama failed so dismally at 20 cents a ticket that it had to be replaced by a ballet company.

Moreover, Kuchel said, Cinerama scored the same triumphs earlier at world's fairs in Damascus and Bangkok, making in all "three victorious skirmishes in the cold war."

Cinerama's latest production "Search for Paradise" produced by Lowell Thomas is now in its 26th week at the Music Hall Theatre in Detroit, where it will continue throughout the summer.

**STATE FAIR SEEKS THE CROCHET CHAMP**

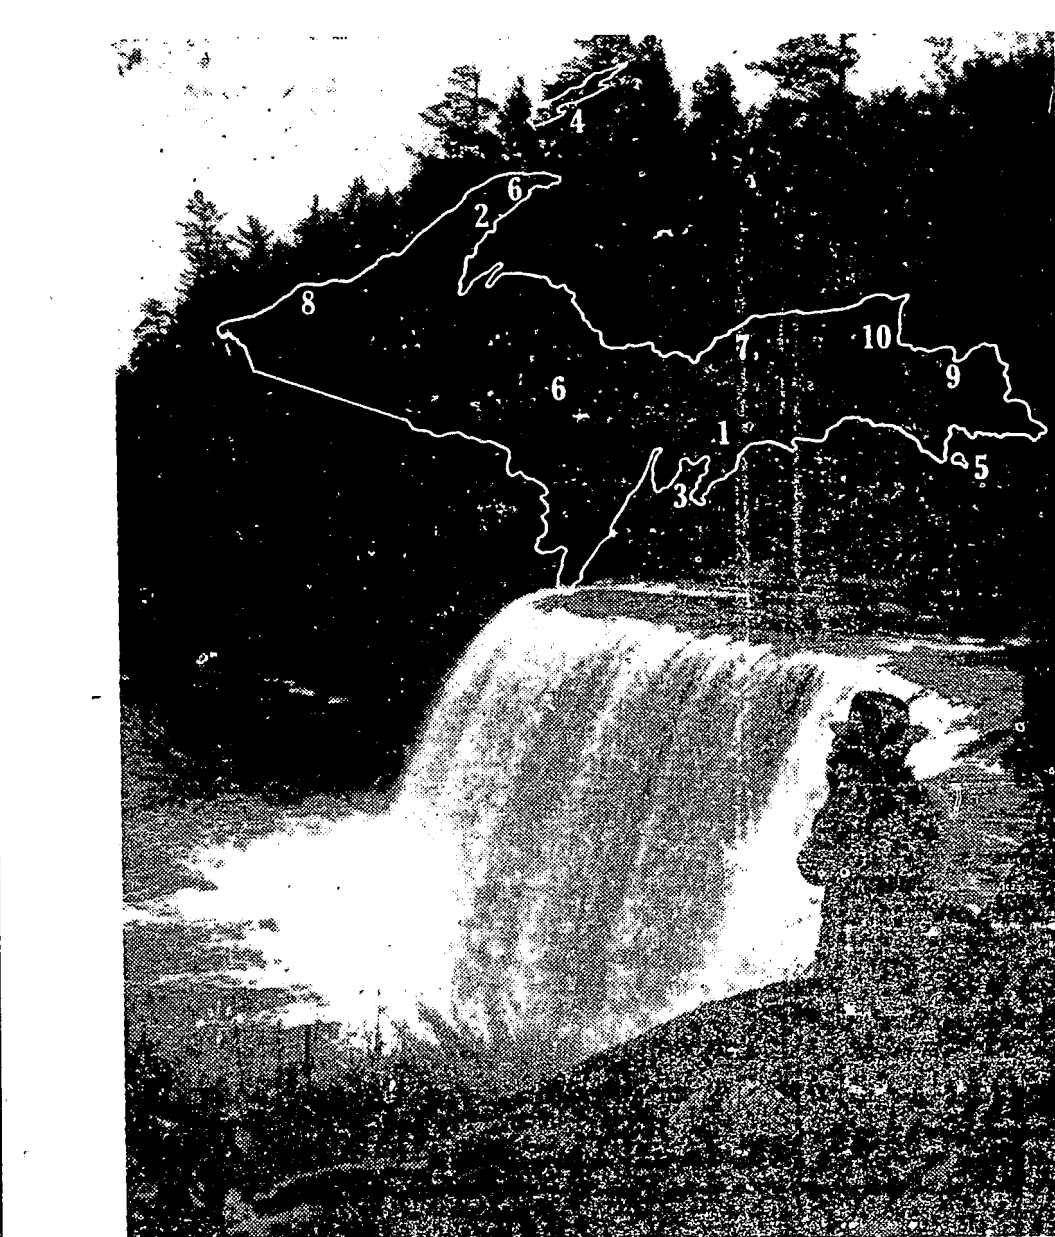

Michigan women, age 60 and over, will have a special chance to demonstrate their crocheting skill in a brand new contest scheduled for the 1958 Michigan State Fair, Donald L. Swanson, general manager, announces.

It will be a "Nimble Sixties" contest to be held on Old Timers Day, Thursday, September 4.

Contestants will be given a half-hour to crochet on a simple, scalloped edging and five prizes will be awarded to the winners who have completed the most number of scallops.

The ladies just bring their own No. 8 hook and ball of No. 50 mercerized thread. Entry blanks may be secured by writing to the Michigan State Fair, Detroit 3, Michigan, attention Harry Weberman, director of Old Timers Day.

A copy of the pattern to be used will be sent along with each entry blank so that contestants can do a little practicing at home.

Tahquamenon Falls (No. 10 on map), the second largest cataract east of the Mississippi River, ranks as one of 10 top tourist attractions in Michigan's Upper Peninsula. Others chosen

to the list by Harry N. Rogan, Automobile Club of Michigan travel director and UP tourist officials are: 1. Big Springs; 2. Brockway Mountain Drive;

3. Fayette; 4. Isle Royale; 5. Mackinac Island; 6. Mather and Arcadian Mines; 7. Pictured Rocks; 8. Porcupine Mountains; and 9. Sault Locks.

Polly Leurs, director of the State Fair home arts department, is making up the pattern and members of her department will assist in running off the contest.

**GOODRICH FARMS NEWS**

by Bob Jensenius

Some pleasant news about our Goodrich Farms softball team: Having acquired another pitcher from the subdivision, our men are really clicking. On July 20 our men won 5-4 over a team from Oxford; on July 27 they won 8-5 over the New Hope Church team. Good luck men! continue to report such nice scores.

July 24th was the day set to hold an "out of doors" meeting of the Homeowners Association.

It was scheduled in the evening at the Bob Jensenius home. Well, due to a misunderstanding the meeting was delayed long enough for the mosquitoes to take over and the meeting was moved inside. The evening was a nice warm one, and crowding a number of people into the living room was a bit of a job. Ever see sardines? We just were not in neat rows. Nominations of officers took place as follows: President, Tom White of Mary Sue, Jesse Purcell of Columbia, Bob Jensenius of Dvorak; Vice-president, Jerry Leroux of Columbia, Pat Callahan and Duane Fife of Dvorak; Secretary, Mrs. Ginger Callahan, Mrs. Betty Townsend of Dvorak, Mrs. Eileen Rowland

of Everest, Mrs. Dot Williams of Burgundy and Mrs. Francis White of Mary Sue; Treasurer, Bill Ballard, Jerry Leroux, Mrs. Jeane Leroux of Columbia, Jim Isbister, Jerry Williams, Ray Plagens of Burgundy; Trustee to serve for two years, Frank Miller, Harvey Williams, Tom White, George Thomas of Mary Sue, Duane Fife, Maynard Paulson of Townsend, Pat Callahan, Hank DeVries of Dvorak, Vern Hopper of Console, Bill Ballard of Columbia, Bob Luke of Griggs, Duane Springer of Everest; Trustee for the three year term, Jim Isbister, Jerry Williams of Burgundy, Hersh Williams of Dvorak, Mrs. Barbara Black of Griggs, Mrs. Delphine Williams of Mary Sue, Jerry Leroux and Bill Ballard of Columbia, Bob Jensenius of

Dvorak. Serving on the election committee are Mrs. Rosy Plagens, Mrs. Diane Isbister, Mrs. Eggert of Dvorak and Mrs. Clinton Reed, also of Dvorak. The election of officers will be held at the Community Center Building in Clarkston, at 8:00 P. M., Monday, August 25. Be sure to look over the list of candidates carefully, and select the ones you feel will work for the mutual satisfaction of all.

Had word the other day that the Little League team managed by Wally Arsenault, and assisted by Ben Golding, and called the Dodgers, had a grand time at the Clyde Beatty Circus as guest of their sponsor, the Martin Service Window Cleaning Company. It is understood that these same boys will enjoy a picnic planned in their honor at the home of their sponsor, with swimming and everything. The Dodgers must be some ball players, as they have won three out of the last four games. Their best pitcher is also their best batter, and there are five boys batting over the 400 mark, with Johnny Williams of Dvorak leading the list by virtue of a batting average of .708. That is really batting the ball around the park.

As soon as I can complete the entire list of the games so far, it will be published in this paper.

Jerry Leroux of Columbia and his son, went fishing this past week. Had no luck—just a few nibbles all evening. Seems like the fish were on vacation.

Our thanks go to Mrs. Helen DeVries who has consented to write this column in the future. I would like all the people who helped contribute to this column, and don't for a minute think I haven't appreciated your interest, to treat the new reporter the same way you did me. Many thanks.

**Family Fun in State Parks**

Hot weather means Michigan's state parks and recreation areas are jammed with persons seeking fun and sunshine. At present attendance rates, new records for state park use are likely to be established this year. During recent years, parks have hosted a total attendance of 15,000,000 to 18,000,000 annually.

"Swimmers Itch" is caused by a tiny flatworm that is able to penetrate human skin when the skin is covered by a film of water and when the water is evaporating. The worm is not known to penetrate while a person is in the water.

Man usually is not a part of the life cycle of this flatworm. The usual course is for the flatworm to enter small aquatic snails, then to be taken into waterfowl when the snails are eaten, finally passing through the fowl and starting the cycle again by entering snails.

When the flatworm bores into man, an annoying skin irritation is set up for two or three days. The itching can be reduced

with calomine but can be avoided entirely, according to the state health department, by using the towel rubdown method. The flatworms can be eliminated from water sites either by killing the snails with chemicals or by keeping aquatic birds away from the sites.

PONTIAC SYMPHONY GETS READY FOR 1958-59 SEASON

Musicians interested in becoming members of Pontiac Symphony Orchestra, which has announced plans for five concerts with prominent guest soloists for the 1958-59 season, are invited to contact Mrs. Arthur Roger Welton, 286 Bird St., Birmingham, recruitment chairman.

The 70-piece orchestra, which has completed five successful seasons, will again be directed by Francesco di Blasi of Detroit. Celia Merrill Turner of Bloomfield Hills is associate conductor.

The orchestra draws both musicians and listeners from a wide area in Oakland and Wayne counties. Clarkston is represented this year by Charlotte Darling, 6621 Transparent Drive, celloist.

Concerts this season will be given in a new 1000-seat auditorium at Pontiac's Northern High School building, now being completed. The first concert is scheduled for Oct. 14 when Mischa Mischakoff, violinist, will be soloist.

Players of any orchestral instrument are asked to contact Mrs. Welton, phone MI 4-4248, to arrange for an audition. The greatest demand for new musicians is in the string section.

From where I sit ... by Joe Marsh

## A City-Ditty

Took a back road home last week and stopped for gas at Hopkins Crossing — a village with three or four stores, a few houses and a Post Office.

While I was there another fellow drove up to the gas station, with Big City written all over him—from his clothes to his block-long car, to his attitude. "Nothing like the real country for peace and quiet, is there?" he remarked to the attendant.

"Why, I wouldn't know," the attendant said. "I lived all my life right here in town!"

From where I sit, opinions are sometimes like fingerprints, never two exactly the same. The idea is not that you have to think like the next fellow—but to understand his point of view. (For instance, your preference for tea, my liking for an occasional glass of beer.) It makes neighbors more like neighbors.
