Man's fundamental right to reedom from all kinds of bondage will be explained in the Lesson-Sermon entitled "Man" at Christian Science Services

Scriptural selections will inlude this passage from Romans: 'For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father" (8:14,15).

Citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (228:11-15): "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses. Mortals will some day assert their freedom in the name of Almighty God."
