## Township U. F. To Raise \$6,978.00

The Independence Township United Fund will attempt to raise \$6,978 for its 46 community service agencies during its annual campaign scheduled to kick off on October 21, and run until November 11.

"This year's goal is most realistic when one considers agency services and our community's ability to support their services. While it represents an absolute minimum goal, I feel it is challenging enough to inspire our volunteer workers and contributors", stated Campaign Chairman Merle Bennett.

Heading up the so-called local agencies included in this year's drive is the Independence Recreation Fund which has been budgeted at \$1,000. The Southeastern Division of the American Cancer Society and the American Red Cross have been budgeted at \$1,000 and \$1,050 respectively. This insures that neither of these two great national agencies will conduct a separate campaign in the township. They and all other member agencies in the United Fund subscribe to the "give once for all" principle of giving. The Independence Pioneers Club, a local agency with services geared to the needs of the senior members of the Township's population, is included in the United Fund "package" for the first time this year.

This year's campaign marks the second, consecutive year the Independence Township United Fund has affiliated with the Pontiac Area United Fund. The Pontiac Area United Fund supplies professional staff time, guidance and campaign supplies to aid the township appeal; however, local volunteers direct the drive and establish the goal.

The 47 local, state and national health, welfare, recreation, counseling and character building agencies included in this year's campaign were closely budgeted by the Pontiac Area United Fund to insure that Independence will receive maximum service for every dollar donated locally.

Bennett, in addition to heading up the campaign for the second straight year, is a member of the Pontiac Area United Fund's governing Board of Trustees. Bennett is the official representative for Independence Township.

The 47 community service agencies included in this year's (continued on page 6)

## Judy Abare Becomes Bride

First Methodist Church in Clarkston was the scene of a very pretty evening wedding when Darrel Deane Blackett took Judy Sharon Abare as his bride.

The Reverend William J. Richards read the double-ring rites in the presence of 300 guests before a candle-lit altar bedecked with baskets of white gladioli, large pom-pom mums, and palms.

MRS. DARREL D. BLACKETT

The bride is the daughter of Mr. and Mrs. William Abare of 6187 Lakeview Drive, Clarkston, and parents of the bridegroom are Mr. and Mrs. Russell Blackett, also of Clarkston.

A number of the Clarkston Pioneers attended the State Fair on Old Timers Day and Mrs. Parmalee was recognized as the second oldest person there. Others attending from the Clarkston Club were Mrs. Marguerite Miller, Mrs. Charles O. Lanning, Miss Myrtle Skinner, Mrs. Opal Beach, Mrs. Ivan Rouse, George Elliott, Mr. and Mrs. John Beemer, Mrs. Forrest Jones, Mrs. William Windiate, Mrs. Lola Mann, Mrs. Bird Stevens, Mrs. Laura Eaton, and Mrs. Pearl Urch.

Mr. and Mrs. Clarence Ingersoll and children of 6677 Snowapple Drive returned home on Labor Day after a trip through Ontario and upper Michigan.

Mrs. Abare chose a minuet blue dress of silk organza with a matching feather hat, blue accessories and a corsage of cymbidium orchids. Mrs. Blackett wore a blue lace dress with matching blue accessories and a corsage of cymbidium orchids.

A reception in the church parlors followed the ceremony. Patience Thayer of Clarkston, took charge of the guest book. Assisting at the bride's table were Mrs. Victor Seney, sister of the bride and Mrs. Daniel Magnier of New York City. Mrs. Paul Ballow and Mrs. Garald O'Dell served the punch. Miss Barbara Walker, Miss Onalee Morgan and Miss Janice Farrell, all of Clarkston, presided at the gift table.

When the young couple left for a honeymoon in the Pocono Mountains, New York City and Canada the bride was wearing a white arnel ensemble with white and black patent accessories and a coral carnation corsage.

## OPEN HOUSE AT WISNER HOME

The Oakland County Historical Foundation, following its annual meeting on Wednesday, September 17th, at 2 P.M., will hold open house at the Governor Moses Wisner Home at 405 Oakland Ave., Pontiac.

The Wisner home served as the Governor's mansion from 1859-1861 and is now the home of the Oakland County Historical Foundation.

The white-columned structure of Greek Revival architecture, with its 12 inch thick brick walls, its heavy doors put together with wooden dowels, its grained oakwork, is a landmark of Oakland County.

The parlor remains in its original state with the same paper on the walls, the lace curtains at the windows, and the same carpet. The furniture, the paintings, the alabaster fireplace mantel and ornaments, are the original furnishings.

A gracious and genial host, Governor Wisner greeted many guests in this parlor. There is a legend that Abraham Lincoln was once a guest here and slept in one of the hundred year old beds.

Moses Wisner received his commission as Colonel of the 22nd Michigan Infantry on the 8th of September, 1862. The men of the regiment came almost entirely from Oakland County—from Milford, Birmingham, Royal Oak, Farmington, and from cross-road villages no longer on the map.

The 22nd Michigan Infantry left Pontiac in September, 1862, under the command of Colonel Wisner. Colonel Wisner never returned. He died near Lexington, Kentucky, in January, 1863. His home, a proud monument to Governor Moses Wisner and to the history of Oakland County will be open to visitors on Wednesday, Sept. 17, 9:30 A. M. to 5:00 P. M., and through Friday.

## School Bus Law In Effect Saturday

Michigan's new school bus law requiring motorists to stop when meeting as well as overtaking a school bus stopped to receive or discharge passengers will become effective Saturday, September 13, according to a reminder by Sergeant Charles Mulick, of the Pontiac Post of the Michigan State Police.

The old law required stopping only from the rear. The new law now conforms with all states but Utah in requiring stops from both ways.

The law does not apply in incorporated villages and cities but stopping can be required by local ordinance if there are signs informing motorists of the regulation.

"Stops must be made at least 100 feet in front of or from the rear of a stopped bus and motorists may not proceed until the school bus resumes motion, or the school bus driver signals other drivers to proceed, or visual lights on the bus are no longer actuated", said Sergeant Mulick.

"There are two exceptions to the rule. Stops are not required at intersections controlled by a stop-and-go signal or a police officer. But in this case drivers may not pass a bus at a speed greater than 10 miles per hour and then with due caution. Cars traveling on the opposite side of a divided highway are not required to stop when meeting a school bus.

When a school bus is about to stop or is stopped to receive or discharge school children, the bus driver is required to give notice by operating flashing red lights at the front and rear of the bus. Mulick warned, however, that motorists are still required to stop even though the red lights may not be operating.

Recognition that true substance is spiritual brings individual growth and progress—this fact will be stressed at Christian Sciences services Sunday.

Bible readings in the Lesson-Sermon on "Substance" will include the following (I John 2:15): "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him."

A correlative passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy includes this (239:16-18,20): "To ascertain our progress, we must learn where our affections are placed and whom we acknowledge and obey as God."

The objects we pursue and the spirit we manifest reveal our standpoint, and show what we are winning."

The Golden Text is from II Corinthians (4:18): "The things which are seen are temporal; but the things which are not seen are eternal."

JEHOVAH'S WITNESSES PLAN SPECIAL WEEK

The Drayton Plains congregation of Jehovah's Witnesses plan a week of special activity beginning Tuesday, September 9 under the leadership of Mr. H. E. Shalkoski.

Mr. W. P. Strong, presiding minister here, outlined the week's activity, extending an invitation to all people of goodwill to attend the meetings with special emphasis on the Public Bible Lecture by Mr. Shalkoski Sunday at 4 P. M. entitled: "Is Love Practical Among the Nations in Our Time?"

"During the visit of Mr. Shalkoski there will be many opportunities for people to enjoy scriptural discussions", Mr.

Strong reported, "As a part of our regular work we will be calling at the homes of our neighbors in Clarkston to extend a personal invitation to hear the special talks."

A capacity audience is expected at their Kingdom Hall, 4400 W. Walton Blvd., he said.

Jehovah's Witnesses carry on their work in 165 countries and isles of the sea world-wide, explained Mr. Strong. They believe God's Kingdom will remove all trouble makers from the earth and set up a peaceful new world within the present generation.

CENSUS BUREAU TO GET INFORMATION ON POLIO SHOTS

The United States Public Health Service needs to know how much polio vaccine will be required for the 1959 season.

To assist the Health Service in estimating requirements, information on polio shots will be collected in the September Current Population Survey.

The questions, to be asked of all persons under 60 years of age are: Have you had any polio injections or shots? How many shots have you already had? When did you get the latest shot?

These special questions on polio immunization will be in addition to the usual inquiries on employment and unemployment which are asked each month of the 35,000 "sample" households covered in the Current Population Survey.

Current Population Survey information will be collected locally during the week of Sept. 15 by certified enumerators.

NEW CINERAMA AT MUSIC HALL WEDNESDAY, OCT. 8

"South Seas Adventure" is the new Cinerama attraction that will have its midwest premiere at the Music Hall Theatre in Detroit, on Wednesday, October 8.

Orson Welles narrates the voyage to Hawaii, Tahiti, Tonga, Fiji, New Hebrides, Australia, and New Zealand. Alex North provides musical accompaniment to authentic native music recorded on location with Cin-erama Sound equipment.

Completing the new Cin-erama attraction are sequences filmed in the British Commonwealth nations of Australia and New Zealand. The land "down under" comes to life in "Cin-erama South Seas Adventure" with its kangaroos and kaolo bears.

Don't plan your work unless you plan to work your plan. Culture, like custard, curdles when it's overdone. To achieve success one must make an attempt.

Taxpayers Take Notice

Your attention is called to:

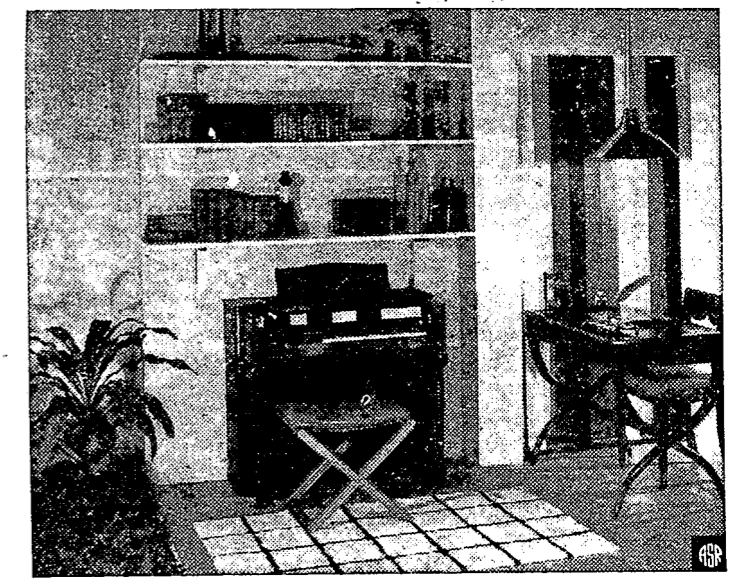

Section 211.59 of the Compiled Laws of Michigan for 1948 provides that on and after October 1st, \$1.50 (Expense of Sale) shall be added to each years tax subject to sale the following May.

Payment of delinquent taxes prior to October 1st of the year before sale will save this penalty and keep your property from appearing in the published list of lands subject to sale at the next May Tax Sale.

Beginning October 1, 1958, in addition to regular interest and penalties this charge will be added to each delinquent 1956 or prior years tax appearing on the records in the Oakland County Treasurer's Office.

Beauty Treatment For A Wall

To break the monotony of a long wall, consider putting up shelves to hold books, and an interesting arrangement of some of your treasured china and glass pieces. Space under the shelves makes a good place to recess a love seat, your chord organ, or a desk. If the width of the room permits, use chairs or other furniture at right angles to the book shelves, to create a separate little area within the room.

**"BABIES BRAND NEW"**

How many diapers shall I buy? What does it mean when the mother is Rh negative and the father Rh positive? Questions like these are commonly raised in classes for Expectant Parents. The classes are conducted by public health nurses and are sponsored by the Oakland County Medical Society, the Oakland County Board of Health, Pontiac City Department of Health and various Adult Education Departments.

The first four classes are centered around the mother. There is ample opportunity for discussions of family adjustments, growth and development of the baby before birth and labor and delivery. The 1st four classes will cover feeding of the baby, what the new baby is like and baby's first year. Audio visual aids are used to supplement discussion and conducted hospital tours are arranged during classes. Registration must be made in person and is open one week prior to the stated registration dates.

Pontiac Office—1070 N Telegraph, FE 2-9255. Registration Dates—6:30 to 7:30 p. m., Sept. 16, 1958, Jan. 13, 1959, March 17, 1959.

Twelve young guests attended an outdoor party last Saturday given for Timmy Godfrey on his sixth birthday at the home of his parents, Mr. and Mrs. William Godfrey on Peach Drive. The afternoon was an enjoyable one with everyone participating in the games and later having a hot dog roast.

More honors were awarded the Raven Hills Kennels when the two Dane puppies, Raven Hills Jughead and Raven Hills Thunderbird took first places in the puppy dog class and the puppy bitch class at the Oakland County Kennel Club Puppy Match held in the Royal Oak Farmers Market on Sunday, Sept. 7. The Raven Hills Kennels on Foster Road are owned and operated by Mr. and Mrs. Henry P. Roberts.

The W. S. C. S. of the Mount Bethel Methodist Church will have its regular meeting at 8:00 p. m., September 11. This invitation is open to the public. Miss Doris Warren of Ortonville will be the speaker. She is the daughter of Mr. and Mrs. T. Warren. She is a missionary with the Amara Indian tribes which are descendants of the Incas. She was there for five years and returns in December. Her work is of a pioneer nature. In many places she was the first

white to enter the territory. Miss Warren will show colored slides with her talk. There will be light refreshments afterwards. The W. S. C. S. will have a short business meeting after the program.

**Card Of Thanks**  
Many, many thanks to all who remembered me while I was in the hospital and since returning home. I also appreciate the kindnesses extended to my wife. Thoughtfulness of friends seems to be a stimulant to one in a sick bed, at least it did to me.

**does he really know about your health?**

When a peddler rings your doorbell or your grocer offers you bargain medicines, he probably sympathizes with you when you're not feeling well, but it's unlikely indeed that he's qualified to do more.

Only your physician can determine what you really need. And the medications he orders can only be obtained from a registered pharmacist. Dispensing fine-quality medications is our business and professional responsibility.
