NUMBER 12

Your Blood Can Save A Life

Yes, if you are a healthy person, your blood can save a life. All you have to do is to be a blood donor on Monday, December 1, at the C. A. I. Building, 5640 Williams Lake Road. The Waterford-Clarkston Business & Professional Women's Club is sponsoring this Blood Bank. However, if you are already a member of a Blood Bank Group you are privileged to give blood on Dec. 1, at the C. A. I. Building and have your donation credited to any Bank you wish.

Mrs. Homer Tinney is the general chairman of this Blood Bank and assisting her are the following chairmen: churches, Mrs. John Landon; schools and P. T. A.'s, Mrs. Harry A. Mitchell; business places, Mrs. Donald Fillmore; clubs and organizations, Mrs. Margaret Weber.

Scheduling appointments is Mrs. H. G. Fuller, ORlando 3-1973.

The Red Cross Blood Program is to save lives by meeting a human need. The Red Cross furnishes blood to only those individuals who have established credit in a Blood Bank Account with the Red Cross, by maintaining a "self" account, or by procuring donors when the need arises. A person who is a member of a Blood Bank Group may secure blood simply by contacting the group chairman. Blood credit at home entitles you to blood almost everywhere in the United States and even in parts of Canada.

Give the above information some serious thought and then consider being a blood donor. Call Mrs. Fuller at OR 3-1973 and she will be happy to schedule your appointment.

FORMER SUPERINTENDENT DIES IN ANN ARBOR

Carl Hood, 63, professor of education at Eastern Michigan College, died suddenly last Thursday while working in his garden at his Ann Arbor home.

A graduate of Michigan State Normal College and the University of Michigan, Mr. Hood once was superintendent of schools at McBain and Clarkston. He was principal of Dearborn High School in 1928 and from 1936 to 1946 he was supervisor of educational projects for Henry Ford in this country, England and South America. He joined Eastern Michigan College in 1946.

Mr. Hood served as school superintendent in Clarkston from 1920 to 1925.

He is survived by his wife, Ellen, and two daughters, Mary Hood and Mrs. Geoffrey Meech.

The funeral service was held last Saturday afternoon at First Presbyterian Church in Ann Arbor. Interment was in the cemetery at Highland, Michigan.

CHANGE TIME OF EVENING SERVICES

The First Baptist Church of Clarkston is announcing a change in time of the Sunday evening service, effective Sunday, Nov. 30. Beginning on Sunday, Nov. 30, the evening service will begin at 7:00 o'clock and continue to 8:00 o'clock. This is done primarily to encourage family attendance on Sunday evening—including school-age children.

The evening services at First Baptist Church are informal and consist of 30 minutes of song and testimony, and 30 minutes of message from the Word of God. At the present we are continuing a series of Bible studies in the Gospel according to Mark.

There is a cordial invitation always for anyone in the Clarkston area who would be interested in joining us in an evening of Christian fellowship, hymn singing, and Bible preaching. Our emphasis is always on the salvation of sinners.

Notice

Be courteous to your guests—have their names appear in your hometown paper. Call Diane Taylor at MAple 5-1358.

Outstanding Harpist To Be Heard

"The Queen of Her Domain", as one critic has dubbed her, Mildred Dilling, who will be presented in concert by the Waterford Civic Music Association on Sunday, November 23, at 4:00 P. M. in the Isaac Cray Junior High School Auditorium, has received world recognition

MILDRED DILLING

as one of the outstanding harpists of our time.

Born in Indiana, Miss Dilling began her early musical studies in America; later she continued them in Europe under Henriette Renie, the great French harpist. Her debut took place at the Salle Erard in Paris. Such was the success of this initial appearance that she was immediately engaged for gala concerts at the Trocadero and the Salle Gaveau, the largest concert halls in Paris, followed by concerts throughout the Continent and the British Isles. While in Europe, the American artist had the distinction of being the first solo harpist to broadcast over the radio in Ireland, the land of the harp. She was also the first harp recitalist to appear before the television cameras of the British Broadcasting Company.

Returning to America, Miss Dilling immediately duplicated her Continental triumphs. Today her annual recitals of North America comprise upwards of 70 performances. She has appeared in recital in all 48 of the United States and in Canada, Mexico, Cuba and the Caribbean area, Central and South America, Hawaii, and Europe which she tours annually. She has appeared as soloist with many of the nation's leading orchestras. Her New York recitals are brilliant events in the music calendar of the metropolis. She has appeared as guest artist on many musical shows over American radio and television networks. She has also given seven invitation concerts at the White House.

She will be bringing 8 harps with her and her program will include some of her own compositions.

W. S. C. S. CIRCLE HOLDS NOVEMBER MEETING

The Gertrude Atkins Circle of the Methodist W. S. C. S. held its November meeting at the home of Mrs. Edgar Collick, Chairman Mrs. Harold Sutherland presided at the business meeting. Final plans were set up for the bazaar.

Mrs. Wilbert Fitzthomas was in charge of the program and she reviewed a book on "Culture".

Refreshments were served by Mrs. Ralph Jones and Mrs. Harold Sutherland.

The next meeting which will be on December 8th, will be a Christmas party at the home of Mrs. Russell Blackett.

Seymour Lake News

Among the visitors to attend the Reading Circle in the home of Miss Gladys Sherwood Tuesday afternoon were Miss Frances Carran and her sister, Mrs. George Elliott and Mrs. Guy Selden of Clarkston.

Mr. and Mrs. Walter Herrod of Pontiac accompanied by her sister-in-law, Mrs. Millard Perry

"Red" Jones

Former major league umpire, "Red" Jones, will be the guest speaker at the Men's Club, tonight, Nov. 20th, in the dining hall at First Methodist Church. All the men, young and old, of the community are invited to attend. Red's baseball stories will prove interesting to all. Don't miss it! Remember 6:30 tonight. Bring a friend!

Christmas Bazaar Saturday, Nov. 29

The women of First Methodist Church are preparing for one of their biggest projects of the year—a Christmas Bazaar, on Saturday, Nov. 29, from 2 to 9 P. M. in the basement of the Church.

There will be fun for everyone with continuous movies—cartoons and short subjects. Here too, will be a good place to do some of your Christmas shopping, as there will be booths galore with all kinds of gift suggestions. And you won't have to go hungry, because a lunch counter will be handy to supply your needs. Boy Scouts will be busy selling fruit cakes and the Youth Fellowship will be glad to sell you all the popcorn you want.

At the various booths there will be needle work, stuffed toys, baked goods, Christmas decorations and wrappings, popcorn and candy, grab bags and a general store. Plan to attend the bazaar on Saturday, November 29, at First Methodist Church, Clarkston.

BABY DEDICATION SERVICE AT BAPTIST CHURCH

Following the morning service this Sunday, Nov. 23, at First Baptist Church, Clarkston, there will be a dedication service for parents with new babies. The morning service begins at 11 o'clock. This service is one at which Christian parents dedicate themselves to bring up their child in the nurture and admonition of the Lord and seeking, as soon as possible, to bring that child to a saving knowledge of the Lord Jesus Christ. This is not to be in any way confused with infant baptism or "christening". The child becomes the recipient of the parents' best intentions and efforts—nothing more.

Such parental interest by couples who know the Lord Jesus Christ is the only requirement. Any parent interested in joining in the service, first contact the Pastor, Rev. Walter B. Gibson, phone MAple 5-1375.

Clarkston Locals

Among those attending the University of Michigan - Indiana football game Saturday were Chuck Hancock and Bob Porritt.

Mrs. Gray Robertson of Robertson Ct., entertained Mrs. Richard Lowrie, Mrs. James Glennie and Mrs. Robert Osgood at brunch on Saturday morning. They played bridge the rest of the morning.

Mr. and Mrs. Frank Petty recently spent a week-end with their niece, Mary Lynn Muma, formerly of Clarkston, daughter of Mr. and Mrs. R. K. Russell of Birmingham. Mary Lynn is attending William Woods College in Fulton, Missouri.

Don't forget your visit to the library when you make out your list of "things to do this week". You will find any number of titles to interest you and your family.

The North Oakland Library Project, to which your library belongs, has added a variety of new fiction and non-fiction that you can't afford to miss.

Perhaps you've been promising to learn bridge this winter. If so, try **CONTRACT BRIDGE** by Ewart Kempson. This is an excellent little book which not only explains the point-count system almost everyone uses now, but starts the new player out from scratch with how to deal, shuffle, sort his cards, and determine partnerships.

After studying your bridge for awhile, try a companion piece book, **LIFEMANSHIP, OR THE ART OF GETTING AWAY WITH IT WITHOUT BEING AN ABSOLUTE PLONK**. If you can't learn bridge you may be able to learn how to throw your opponents into a flap by practicing "Lifemanship" and thus win the game anyway, acquiring a reputation for shrewdness which only you will know is fraudulent. Try it.

Family Night At Baptist Church

Family Night at First Baptist Church, Clarkston, will be held this month on Monday, Nov. 24, at 7:30 P. M., in the church basement. This month's meeting will be a Missionary-Thanking program sponsored by the Lydia Circle of the church. Miss Isabelle Moses, sister of Missionary Carl Moses, and herself a missionary to Guatemala, will be speaking and showing slides of her work. Special music and a skit will be included in the program. "Family Refreshments" will conclude the evening.

You have nothing to bring but your whole family, and an evening of fellowship and refreshments to gain. Plan to join us for this family night. You will always find a warm welcome.

SOUND FILM IN COLOR AT CRESCENT HILLS BAPTIST

A sound film in color, "The Living Word in Japan" will be shown at the Crescent Hills Baptist Church of Drayton Plains next Sunday at 7:30 P. M. The film which is produced by the American Bible Society was made in Japan and portrays the distribution of Bibles and New Testaments by the Bible Society in that country. A short hymn sing will precede the showing of the film which will take place at the Monteith Elementary School on Crescent Lake Road near Hatchery Road.

The Junior Baptist Youth Fellowship, conducted by the sponsor, Mrs. Benjamin A. Bohn, will assist in a Thanksgiving Service Sunday at the 10 A. M. Worship Service. Those taking part in the program are as follows: Carol Wood, Call to Worship; Linda Barnes, Invocation; Patricia Ferguson, Responsive Reading; Barbara Sue Smith, Piano Solo; Michael Wood, Kenneth and Stephen Main, and Kenneth Bushman, Ushers; and the entire group will sing a choral selection, "We Plow the Fields and Scatter". The pastor, Rev. Benjamin A. Bohn, will use as his sermon subject, "The Stewardship of our Talents".

Mrs. Bohn and Mrs. Norman Schmuck attended a meeting Monday at The First Baptist Church of Ann Arbor. The morning session was a workshop on Christian Social Relations and the afternoon session was a meeting of the Wayne Baptist Association officers and the presidents of the Missionary Societies of the various churches. Mrs. Bohn is Fellowship Guild Counselor for the association and Mrs. Schmuck is president of the Missionary Society for the local church.

LOCAL GIRL HONORED ON 16th BIRTHDAY

On Friday evening a group of Pat Anthony's girl friends gathered at the Clarkston Cafe and honored her at a surprise birthday supper. They presented her with a lovely gift.

On Saturday night Pat entertained eighteen guests at her home on Sunnydale Street. The young people had a good time dancing in the recreation room. Late in the evening refreshments were served buffet style from a table covered with white, gold and green and centered with an arrangement of yellow and bronze mums flanked by yellow candles in crystal holders. Gracing the table was a large birthday cake which was decorated in colors to harmonize with the floral centerpiece.

Clarkston Locals

Mr. and Mrs. Harold Inman of Owosso were week-end guests at the home of Mr. and Mrs. H. J. Gador on Andersonville Road.

Mr. and Mrs. Nicholas Rossano of Main Street had as their guest recently, Mr. Kingman Douglass, Jr., of Lake Forest, Illinois.

Friends of Mr. and Mrs. Mallory Stickney will be sorry to learn that Mr. Stickney is seriously ill and is a patient in Beaumont Hospital in Royal Oak.

Last week Duane Hursfall, Independence Township Supervisor, was appointed to the County Equalization Committee by the Chairman of the County Board of Supervisors, Delos Hamlin.

Mr. and Mrs. Leland Masters of Maple Drive spent a pleasant five-day trip to Troy, New York, last week where they visited their daughter, Mrs. E. G. Quinn and family. On their way home they spent one night in Rochester, N. Y., with Mr. and Mrs. James Tisdale (Judy O'Dell).

Rotary Club Has New Project

The proceeds from the GOOD-FELLOW PAPER SALE this year will be used to buy shoes for needy children in this area. Each year at Christmas time the Rotary Club has tried to help unfortunate families in some way. Previously baskets of food have been delivered to the homes.

Several other organizations have carried on this same project, thereby causing duplication of donations to some homes and other homes being left out.

The Rotary Club feels that their new project will be very beneficial to many children and will supply a felt need in the community.

Names are being secured through the Elementary Schools of the area. If you know of any children in need of this service please contact your closest school or call Mr. Klingman at MAple 5-1126.

Engagement Announced

Mr. and Mrs. Ralph E. Thayer of 15 Miller Road, announce the engagement of their daughter, Patience Angela, to James Collier Lowry, son of Mrs.

PATIENCE A. THAYER

Charles Beck of 4800 Harding Street, Waterford.

Patience is a sophomore at Eastern Michigan College. No date has been set for the wedding.

NEW INTEREST ADDED TO DRIVER EDUCATION CLASSES

Through the courtesy of the Haskins Chevrolet Inc., a new car has been loaned to the Clarkston High School for use in Driver Education classes.

At the present time all people between the ages of 16 and 18 must have Driver Education before they may obtain a driver's license. If they have not had a course they must wait until they are 18 and who wants to wait. This law went into effect February 3, 1957, and since then the number of students taking the course has grown rapidly.

So far the students have been working off the required classroom instruction and now comes the most interesting part of the course—a chance to actually drive an automobile. At the present time there are 119 students anxiously awaiting their turn.

Clarkston Locals

Among those attending the Lions - 49ers football game Sunday were Joe Courier, Bob Porritt, Larry Powell and John Tisch.

Miss Judy L. Inman, daughter of Mr. and Mrs. D. C. Inman of 6847 Snowapple Drive, has just been pledged to Zeta Tau Alpha, national Greek letter sorority at Albion College. Miss Inman is a freshman at Albion.

Sheryl Miller of Middle Lake Road held a surprise birthday party in honor of Paula Parker's and Craig Smith's birthdays. About twenty friends enjoyed pizza pie and they had a good time dancing.

Mr. and Mrs. Nicholas Rossano and Andrew, Katie and John of N. Main Street visited Mrs. Rossano's mother, Mrs. L. W. Hutchins in Grand Rapids Saturday and Sunday.

Alan B. Walton, sonarman seaman, USN, son of Mr. and Mrs. Ralph Walton of 9662 Hadley Road, graduated October 22 from the Basic Submarine School at the Naval Submarine Base, New London, Conn. During the eight-week course students are trained in the routine watch standing stations and familiarization of submarine life.

Parents Enjoyed School Classes

Some 337 parents flocked back to school last Thursday night. A most delicious and nourishing meal was served by the school cafeteria staff. The parents witnessed for themselves the efficiency with which their children who buy their lunches are served.

While the parents ate in their children's individual classrooms, various announcements were made over the inter-com. Miss Mary Slater gave an informative talk on how the school lunch program is operated and what part Federal subsistence pays.

The teachers conducted classes to demonstrate present teaching methods and to answer some questions asked by parents.

It was very interesting for all the parents who attended feel well informed as to what their offspring does during school hours.

BUSY SATURDAY AT THE LIBRARY

A total of twenty-five books were read this week by Book Club members. These will be represented by ornaments on the Christmas tree which club members will display at the Township Library within the next few weeks.

A hilarious reading of "A Visit From St. Nicholas" was enjoyed and plans made for its presentation during the Christmas program.

Members have shown great enthusiasm for the dozens of children's books which have recently been added to the Library collection, including all of Laura Ingalls Wilder books, dear to the hearts of young readers everywhere. Many of the Burgess animal stories were recently purchased and judging from their active circulation, they are still favorites of the six to nine-year-olds.

Danny Smith received his honor pin at this meeting. Mary Wertman will bring the treat next week.

Obituaries

William Walstead

William Walstead, 79, of 139 N. Holcomb Street, passed away on Friday, November 14th, in the Powell Nursing Home in Pontiac. He was born in Farmington October 6, 1879.

Mr. Walstead was a resident of Oakland County for his entire life. He lived on a farm at Seymour Lake for many years and when he retired 13 years ago he came to Clarkston to make his home. Some of the old-timers will recall that Mr. Walstead was the first in the community to own a stationary gasoline engine and also the first to have a tractor. His family often remarked that their father ushered in the gasoline age for the family.

He is survived by his wife, Lottie; one son, Roger of Clarkston; one daughter, Mrs. Jack White of Woodville, Texas; three grandchildren, one of whom, Mrs. George Morgan, lives in Ortonville; and four great grandchildren.

The funeral service was held at The Sharpe Funeral Home on Monday afternoon at two o'clock with the Reverend William Lovejoy officiating. Interment was in Franklin cemetery at Franklin, Michigan.

Thomas Greathead

Thomas Greathead, 93, of 6441 Delwood, Drayton Plains, passed away on Monday, November 17, in the Curtis Convalescent Home in Pontiac. He was born January 29th, 1865, in Birmingham, England.

Mr. Greathead, who was a jewelry engraver, came to this country in 1924, and had lived in Oakland County for 13 years. His wife passed away in 1957.

He is survived by two sons, Joseph with whom he lived and Frank of Ohio; one grand-daughter, Mrs. Edward Mogg of Miami, Florida; two great grandchildren; one sister, Lillie Greathead and one brother, Frank, both in England.

The funeral service will be held this afternoon at two o'clock, at the Sharpe Funeral Home with the Reverend William J. Richards officiating. Interment will be in Lakeview Cemetery.

NOTICE

On account of Thanksgiving falling on our regular publication day The Clarkston News will go to press on Monday. All material must be in the office by Friday, Nov. 21, at 5:00 P. M.

Waterford

Mr. and Mrs. Roy Pammenter of Andersonville Road are now in Glendale, Arizona, where they plan to stay until March. Their daughter, Joann and family (the Jack Rayments) are living in the Pammenter home while they are away.

Mrs. Mary McFarland of Hatchery Road drove to Wooster, Ohio, Monday with friends and visited her son and family, the Harold McFarlands, who now make their home there.

Mr. and Mrs. W. K. Ryan of Andersonville Road had several members of their family for dinner Monday night honoring their son Dale who left for Florida early Wednesday. There for the evening were Mr. and Mrs. Charles Simmons of Goodrich, Mr. and Mrs. Elwood Simmons of Pontiac and the Bill Ryan family from Ortonville. Leaving with Dale was Gordie Coulter of Clintonville Road and the two boys will be located at St. Petersburg.

Houseguests this week of Mr. and Mrs. Pat Wolfe of Windate Drive are Mr. and Mrs. C. M. Frank of Des Moines, Iowa, Mrs. Edgar Heintz from San Antonio, Texas, Mrs. Raymond Borie and children Judy and Danny of Chicago and Richard Hibbard from the Travis Air Base in Fairfield, California. They all came to attend the Saturday morning wedding of Bette Wolfe and John Alvaro held at the Shrine of the Little Flower in Royal Oak. Mr. and Mrs. Frank, who are the parents of Mrs. Wolfe, will observe their 55th wedding anniversary while they are here, on November 25th.

Lyman Girst, Henry Mehler, and Jerry Orr left Thursday for the north and are at the Girsts cabin near Luzerne. They were joined Sunday evening by Rev. Wright VanPlew and son Philip from Grand Rapids.

Reverend Robert Winne was honored with a "surprise" sing-along after the evening service on Sunday, November 9th. The occasion was his birthday and 150 persons stayed to enjoy and share it with him. The Ladies Auxiliary, the Adult Bible

Class and the Gospel Fellowship Class sponsored the party. Birthday cakes were made by Mrs. William Granger and Mrs. Earle Johnson. Rev. Winne was presented with a purse of money.

Ralph DeLoy and two children, Douglas and Shirley, of Rehoboth Beach, Delaware, are visitors this week at the home of Howard Jewell and Mr. and Mrs. William DeLoy.

Mrs. Frank Schultz and her brother, Christy Hallead, went to Detroit last Wednesday to see another brother, Glen Hallead, who has been ill and is now convalescing at his home.

Word has been received of the birth of an 8 lb 7 oz son on September 27th to Staff Sergeant and Mrs. Neal Robert Schultz at the Kendley Air Force Base Hospital in Bermuda. The baby has been named Neal Robert, Jr. Grandparents of the baby are Mr. and Mrs. Cecil Bartlett of Guntersville, Alabama, and Mr. and Mrs. Frank Schultz of Lanman Street.

The annual Thanksgiving breakfast and service at the Waterford Community Church will begin at 8 o'clock on Thanksgiving morning.

SPECIAL SPEAKER AT DRAYTON BAPTIST

Evangelist James R. Calhoun, of the extension department of Moody Bible Institute, Chicago, will speak at The First Baptist Church, 3714 Sashabaw Road, Drayton Plains, on Monday, November 17, through Sunday, Nov. 23 at 7:15 P. M.

A graduate of the Pastors' course at Moody Bible Institute, Mr. Calhoun has devoted himself to a pastoral and evangelist ministry. He served in two Michigan churches, and has conducted evangelistic services from the Rockies to the Atlantic seaboard.

An effective musician, Mr. Calhoun has had wide experience directing choral groups and serving as song leader and soloist.

Mr. Calhoun, who has been with the Institute for more than ten years, was born in Pennsylvania and received his education there. He now lives in Jackson,

Michigan. Assisting Mr. Calhoun with these special services at First Baptist will be Mr. and Mrs. Walter Morrow who will provide special solos, duets, instrumental numbers as well as direct the songs of the congregational singing. Any and all are invited to attend any or all of the meetings. Rev. Taulbee, pastor of the church, in behalf of the church invites you to come.

Recognition of man's true nature as God's spiritual image and likeness is a central theme of the Lesson-Sermon entitled "Soul and Body" which will be heard in Christian Science services Sunday.

From the King James Version of the Bible will be read the following (II Corinthians 5:1): "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens."

Also bringing out man's spiritual nature is this passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"Rightly understood, instead of possessing a sentient material form, man has a sensationless body; and God, the Soul of man and of all existence, being perpetual in His own individuality, harmony and immortality, imparts and perpetuates these qualities in man,—through Mind, not matter." (280:25-30).

"...We Need 'em Fast!"

THE SCENE IS the traffic department of any of the hundreds of manufacturing plants in Michigan. The time 4:00 P.M. on any day of the week. The traffic manager is talking long distance to a supplier in another state about some parts needed for production.

"Send 'em by truck," he says, as he prepares to hang up, "we need 'em fast!"

He knows from experience that motor transport is the fastest link between shipping and receiving. He knows he can depend on it. In fact, he and thousands of his fellow traffic managers have been the men most responsible for the rapid growth of motor transport. Once they experienced the efficiency and speed of trucks, there was no satisfying them with anything less — and today their companies could not operate successfully without truck transport!

That's something for every wage earner in Michigan to think about.

MMPA NAMES NEW SECRETARY-MANAGER

Jack W. Barnes of Royal Oak has been named secretary-manager of Michigan Milk Producers' Association to succeed Howard F. Simmons when the latter retires January 1.

The appointment was made by the board of directors following installation of newly-elected directors.

The board unanimously re-elected Walter Christenson, of Muskegon, treasurer.

In announcing the appointment Lake said, "Jack Barnes has repeatedly demonstrated his ability to become an outstanding manager. His calm judgment and his ability to analyze problems

make him particularly equipped for his new responsibilities. The board of directors had no hesitation in selecting him.

"Normally we might have to look a long way to find a qualified successor to a man of How-

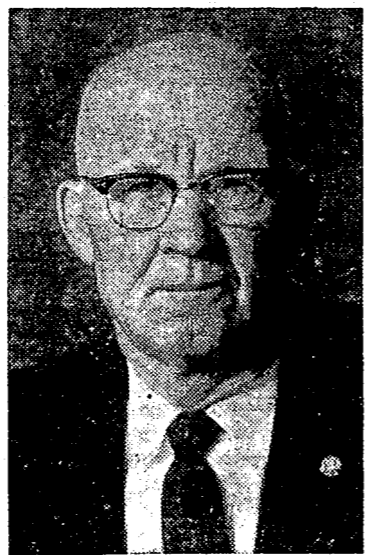

Jack W. Barnes

ard Simmons caliber. Fortunately we had an extremely well-trained man right within the association."

Barnes, 38, joined MMPA as a fieldman in 1946 following his service in the army during World War II. He had achieved the rank of captain upon separation. A few months following his employment by MMPA he was promoted to director of field service and held that position until November 1955 when he was named assistant secretary-manager.

As assistant secretary-man-

Howard F. Simmons

ager he has been involved in price negotiations, day-to-day operations of the association as well as obtaining an intimate knowledge of milk marketing generally.

The new secretary-manager grew up on a dairy farm at Kinderhook, near Coldwater, and was graduated from Michigan State University in 1943 with a degree in dairy production.

He is married and has two sons.

EDISON GRADUATES 36 IN LIGHTING

Seven weeks of intensive training in new lighting equipment and techniques were climaxed Tuesday, Nov. 4, by presentation of proficiency certificates to 36 prominent Oakland County architects, electrical contractors, engineers and maintenance superintendents.

In congratulating the participants, Howard Canfield, Detroit Edison District Manager, said, "The knowledge you have acquired here advances your ability to design and recommend lighting systems of excellent quality both as to function and beauty. Earning this certificate proves your interest in giving your clients the best in modern lighting."

Among those attending the Lighting Workshop was James K. Allen of The Allen Electrical Service, 9645 Pine Knob Road.

REPUBLICAN CLUB ELECTS OFFICERS

At the annual meeting of the Oakland County Lincoln Republican Club Gordon D. Haupt of 454 Withington, Ferndale, was elected to succeed Wendell Brown of Farmington Township as President. Other officers elected are: 1st Vice-President, Theodore Koella, Jr., Sylvan Lake, Pontiac; 2nd Vice-President, George W. Kuhn, 1573 Beverly Blvd., Berkley; 3rd Vice-President, Mrs. Florence Allen, 4025 South

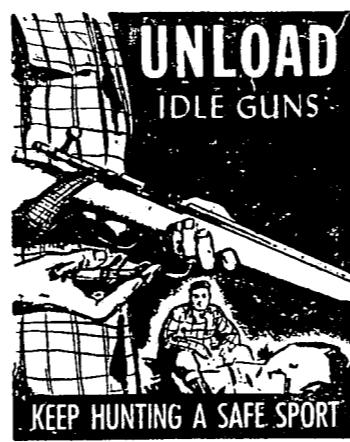

Shore Dr., Pontiac; 4th Vice-President, Mrs. Harry Henderson, 25520 W. 13 Mile Road, Birmingham; Secretary, Mrs. Robert B. Lamb, 10261 Troy, Oak Park; Treasurer, Mrs. John R. Schock, Berkley.

The President appointed the committee chairmen.

The 69th annual banquet sponsored by the club is slated for February of next year.

Y-TEEN FUN FAIR

The Y-Teen Fun Fair will be held Saturday, November 22, from 4:00 to 9:00 P. M. at the Y. W. C. A. in Pontiac, at 22 Franklin Blvd. There will be fun for everyone. Refreshments will be sold. This event is being held for the benefit of the World Fellowship Fund.

MICHIGAN BELL

LONG AGO IN MICHIGAN there lived an Indian who had quite a reputation as a weather prophet. One fall, he predicted a long, cold winter. When somebody asked him how he knew this, he pointed down the road to his neighbor's house. "Paleface put in two extra tons of coal," he said.

UNLESS YOU HAVE AN INDIAN handy you'll just have to wait and see how hard a winter this one will be. But you can be sure of one thing. You won't be able to visit friends and relatives as much as you'd like. And there'll be many days when getting to the store will be difficult, if not impossible. But cheer up, there is one thing that laughs at rain and cold—your telephone. Use it often to keep in touch, to order supplies. Since the invention of the telephone, winters are never as bad as they were. When snow piles up, just go by phone.

YOU NEVER CAN TELL

where the benefits of telephone research will turn up next. Bell Telephone Laboratories have just been awarded a Navy Certificate of Merit for their work on guided missile control systems. And from Nebraska U comes word that a cow is giving cattle researchers valuable information on rumen pressure by means of a small radio in its stomach. What made the tiny radio possible is the transistor—a Bell Laboratories invention first used in Long Distance circuits. The cattle people say the information they get from the radio will help them improve the quality of beef and dairy cattle. The cow's comment we don't have.

The only real way to celebrate Thanksgiving is to seat the whole family around the dining table and fill them with turkey. But if some of the family can't get home, remember the next best thing: have your family party by Long Distance. Call your loved ones on The Day. They'll enjoy it. So'll you!

A REPORT TO DETROIT EDISON OWNERS, CUSTOMERS AND THE PUBLIC

On November 17, Detroit Edison was host once again to its stockholders at the Annual Informational Meeting held at the Henry and Edsel Ford Auditorium in Detroit. The company's management reported to its owners what progress has been made, what plans it has, and how it is continuing to help everyone in Southeastern Michigan to live better electrically. Here is part of the story:

Walker L. Cisler, President The Detroit Edison Company

"The continued prosperity of our communities, our State and our Nation depends upon productivity of all kinds resulting from the investment of money, the judicious use of natural resources and the application of the intelligence and skills of people. These have brought to our Nation the greatest industrial capacity and the highest standard of living in the world. We in Detroit Edison will always endeavor to do our part to bring an even brighter future to Southeastern Michigan."

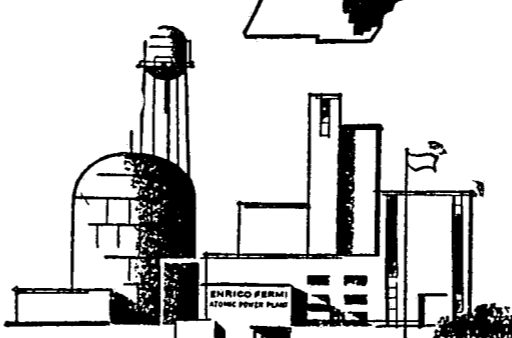

Detroit Edison builds for the future—To meet the demands for more and more electricity, Edison is continually expanding and improving its facilities. On October 20 the third steam turbine-generator at the River Rouge Power Plant went into operation. This new 321,500-kilowatt unit brings the capacity of Edison's electrical system to nearly 3½ million kilowatts. And there is more to come. Two new 325,000-kw. turbine-generators are being added to the St. Clair Power Plant—one in 1959 and the other in 1961. Both are forward-looking projects to permit Edison to supply power in any amount, large or small, to any of its one and a quarter million customers anywhere in its service area.

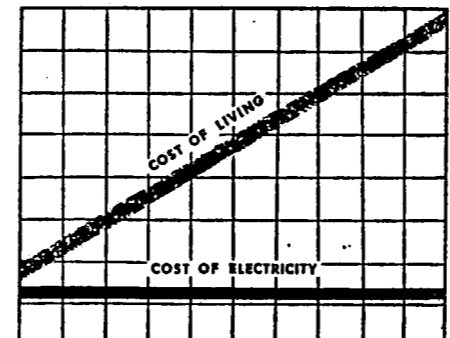

Modern living is electric living—Those things which make yesterday's dream home today's reality are electric. New comforts, conveniences, work savers are built right in when homes go up. For instance, the Gold Medallion homes—the ultimate in electric living—include electric space heating, the most significant advance in home comfort. Every day in many new ways electricity is proving more and more versatile in the home, in agriculture, in business and industry.

Area development—Detroit Edison will continue to promote broader recognition of our State's exceptional industrial advantages. By working closely with communities in its territory and through a national advertising program, new industry is being attracted to Southeastern Michigan. This means new jobs and increased commerce of all kinds.

Atoms for peace—Detroit Edison is a member of the Power Reactor Development Company which is building the reactor portion of the Enrico Fermi Atomic Power Plant. The 91-ton reactor vessel, heart of the project, was set into place during April and assembly of related equipment is progressing as planned. Each day the target date for nuclear operation, late in 1960, comes closer—the date when private industry will have made another big contribution to the nation's atomic leadership.

Electric dollars work hard—We will continue to plan for the future to provide even better service at the lowest possible cost. The rates for our service have not changed since January, 1949, except for metal melting and steam service. With continued increases in the cost of equipment, supplies and fuel, in payrolls, and in all other expenses, there may be limitations on our ability to offset rising costs with internal economies indefinitely. We will, however, endeavor to make every dollar work hard for the Company's owners, customers and employees.

Customer-Owners

Of the nearly 100,000 stockholders, 70% live in Michigan and 60% are customers of Edison service. Service is a big word at Edison; for in addition to adequate electric power, it means a complete electric service. Appliance repair, light bulb exchange, advice on industrial and commercial lighting, a new fast recovery hot water supply, tips for homemakers—these are only a few of the special services offered to Edison customers.

SAVE YOUR GOODWILL BAG FOR HANDICAPPED PEOPLE

Many bags filled with clothing to help handicapped men and women earn a living at Goodwill Industries never reach their destination.

These bags are picked up by solicitors who represent themselves as being affiliated with Goodwill but actually are not. Harold H. McKinnon, executive secretary, said today that calls are received daily from contributors complaining that a Goodwill driver solicited discards when the person had not made a call for a pick-up.

"In none of these cases is it possible that a Goodwill driver solicited the material, because Goodwill does not go from door to door. A Goodwill truck is sent out only when a householder has placed a call asking that clothing or other repairable discards be picked up. The contributor can expect a Goodwill driver at that time and only at that time."

"Goodwill bags cost the organization money, and when given to anyone other than a Goodwill driver, it means a financial loss plus clothing that was intended to give a job to a physically handicapped person", he said.

Goodwill Industries of Detroit is the only agency in the area that collects discards for the sole purpose of giving jobs and rehabilitation to handicapped persons. It has worked in harmony with other agencies collecting discards since 1921.

Goodwill Industries does not want material intended for anyone else, but does need all materials that the householder intends to give to Goodwill for the purpose of helping handicapped persons help themselves.

Goodwill also works in cooperation with other agencies whose purpose is the rehabilitation of physically handicapped people. They are governmental and

BIGGEST SHELL IN THE SEA... is the title of this fanciful float which will be seen by millions of Americans on Thanksgiving Day when the J. L. Hudson Company presents its annual Santa parade in Detroit. Designer Carol Kulesza, 10-year-old elementary school student, was first prize winner in a float design contest sponsored among Detroit's schools. Shown at right, she is admiring the three mermaids who grace the float. The parade will be televised nationally over the ABC-TV network on Nov. 27.

From where I sit... by Joe Marsh

Whitey "Auto" Not Sell Now

Folks thought it was a big joke when Whitey Fisher— who owns a chicken farm up on Murphy Hill—bought an old taxicab.

"Bought it mainly to haul eggs," Whitey told me. "Take out the rear seat and there's as much room as a truck. Put it back, and I can take all the kids on the Hill to school.

"In warm weather," he continued, "I can slide back the roof and get sunshine. And when I go hunting, I'll wind up the glass partition and the dogs can't lick the back of my neck!"

From where I sit, things aren't always what they are at first glance. "More than meets the eye" is often true whether you're talking about Whitey's "cab," or a new neighbor down the street. Give things a chance to be proved... give every man a chance to be heard. Sit down over a glass of beer or butter-milk and get to know each other. It's the American way... a road of "tolerance" we all ought to ride on.

PROCEEDINGS OF REGULAR MEETING OF INDEPENDENCE TOWNSHIP BOARD HELD NOVEMBER 18, 1958

Meeting called to order by Supervisor Hursfall.

Roll Call: Hursfall, Doebler, Anthony, Bauer, present; Snader, absent.

Motion by Anthony, supported by Bauer, that the reading of

the minutes of the last meeting be waived and they be approved as printed in The Clarkston News, November 13, 1958. Carried.

Communication from Florence J. Allen read and placed on file. Communication from Ivan C. Risley read and tabled until a paid tax receipt is presented.

Mr. Fred Miller was present to inquire about his property in section 13, in Walter's Lake, which he wants to improve. Advised him to contact Oakland County Road Commission and the County Health Department. Board also agreed to contact the Township Attorney for his opinion.

Discussed replacing the well point at Fire Station No. 2. Decided to have Jim Price replace the point and determine the condition of the pump before replacing or repairing it.

Mr. Anthony inquired regarding the status of the gravel pit suit. Mr. Hursfall stated the Court had set a date for hearing a month hence.

Motion by Anthony, supported by Doebler, that bills in the amount of \$2,284.35 be paid as listed.

Roll Call: Hursfall, Yes; Doebler, Yes; Anthony, Yes; Bauer, Yes.

Motion by Anthony, supported by Bauer, that requisitions in the amount of \$71.00 be approved. Carried.

Motion made and supported that meeting adjourn. Carried

THANKSGIVING

1621 1958

Thanksgiving was first observed in 1621 by our Pilgrim Fathers. Ever since in the late autumn, a Thanksgiving feast is spread. This time honored custom could only be so observed in Free America, where there is free enterprise for the individual.

As an American family, we are proud to make a contribution to your Thanksgiving celebration. As our Pilgrim forefathers did these days should be observed with gratitude and personal prayer.

We would enjoy greeting and meeting you at our turkey ranch.

HE MAY BE AN INDUSTRIAL PROSPECT

The visitor to your town or to the lakes and streams of your area is an important person.

But he may be more important than you think; more important, that is, to the future of your town. He may be the executive of a manufacturing company which could consider your town as the location for its expansion, now or in the future.

Talk to him about your town as a good place for industry to locate and prosper. At the slightest indication that he might someday be an industrial

prospect, or that he could lead your town to one, call in a representative of your industrial development committee for detailed discussion with him. A town on its toes always looks good.

Almost always you'll find that a company's interest in a town began when somebody visited the town and liked it.

Join hands with your local industrial development organization and the Michigan Economic Development Department to help your community prosper.

This ad is published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.
