Due to the bad weather and driving conditions, the Waterford The Electrical Association of De-500 Club which was to have met Monday evening was postponed and will meet next Monday evening at the home of Mrs. Albert Dryden on Williams Lake Rd.

Richard (Dick) Dean, formerly of the Waterford Hardware, has accepted a position in Wisconsin and is now out there working.

The Waterford Women's Club will hold a pot-luck supper at the C. A. I. building on February 20th. It is hoped that many of the former members who desire to become active in the club again will attend the supper and meeting beginning at 6:30.

Mrs. Glenna Duguid and Mrs. Hazel McLaughlin will be hostesses for the evening.

The annual membership meeting of Community Activities will be held on Tuesday, February 17th, at 8:15 p.m. Five new board members and new officers are to be elected and yearly reports given. The board of directors will meet at 7 o'clock the same

The Fellowship of Waterford Township Church Women have planned a World Day of Prayer Service on Friday, February 13th, to be held in the United Presbyterian Church, Drayton Plains. Registration will be at 1:30 p.m. followed by the program. A nursery will be provided for children. Officers of the new fellowship are: Mrs. W. J. Teeuwissen Jr., president; Mrs Anderson, secretary, and Mrs. Henry Mehlberg, treasurer.

#### ELECTRICAL WEEK FETES YOUNG SCIENTISTS

Outstanding high school science students will tour Southeastern Michigan electrical installations during Electrical Week, February 8-14, it was announced today by John O'Rourke, District Manager of Westinghouse Electric Supply Company and chairman of this year's celebration.

On February 11, the 112th anniversary of Thomas A. Edison's birth, the students visited the Enrico Fermi Atomic Power Plant at Monroe, and Edison's original Menlo Park Laboratory and other exhibits at Greenfield Village.

Designated as "Science Youth Day", this is part of the 3rd International Celebration of Edison's birthday which was sponsored locally by the Engineering Society of Detroit. A number of area firms outside the electrical industry participated, providing tours of their facilities.

4-H Club members will be guests of Detroit Edison on February 14 at three of the company's power plants.

Electrical safety will be discussed in the schools and students will receive a simple home electrical inspection form.

All segments of the electrical industry - manufacturers, distributors, contractors, inspectors, dealers and power suppliers are taking part in the observance, according to O'Rourke.

This year's slogan is "Electricity Builds Jobs". In recent estimates the American electrical industry in 1959 is measured at approximately 40 billion dollars — 14 in wages and salaries to its millions of employes and 26 billion dollars in goods and

Climax of the observance for the industry will be reached on February 12 when the Electrical Association of Detroit sponsors a dinner dance at the Sheraton-Cadillac. Speaker of the evening will be Kenneth Haagensen, Director of Public Relations for Allis Chalmers.

Appliance dealers will observe the week with special displays appliances. Contractors will exhibit the Electrical Week emblem and give free HOUSEPOWER

Promote your present Circuit Court Commissioner as ONE OF YOUR FIVE CIRCUIT COURT JUDGES

Having served Oakland County for 22 years, and having heard thousands of cases as Commissioner, Mr. Hampton is well qualified to now serve as your Circuit Judge. As past president of Oakland County Bar Association, he is personally acquainted with all members of the profession and recognizes their many problems. His judicial temperament sincer-, ity and courtesy in office makes him an outstanding candidate for this important position.

One senior at Clarkston high school has been commended by the National Merit Scholarship of educational development, according to Principal S. F. Goedde. The senior honored is Susan

The Clarkston High School tudent was among the Michigan runners-up in the 1958-59 Merît Scholarship Corporation. John M. Stalnaker, President of NMSC, believes that the 10,000 students who received the commendation rank in the top two or three per cent in ability of the senior students in their respective states and should be given every encouragement to continue with

heir education. "While the students receiving this commendation did not quite work are as follows: reach the finals of the 1958-59 Merit Scholarship competition, each of them has demonstrated standing promise to benefit from college training," declared Mr. Stalnaker.

will make a special effort to Smith. people can play a vital role in Whitlock. our nation."

The annual National Merit Scholarship competition offers the largest system of privately financed scholarships in the United States. The program is open to all high school seniors in the United States and its pos-

Over 478,000 students in 14.600 high schools entered the 1958-59 competition, which began with the National Merit Scholarship Qualifying Test on April 29, 1958. Another group of about 10000 students - the highest scorers in each state, prorated by population -- were announced last October. These students, who have since Scholars of 1959, to be chosen are Perry Smith and Alan Wells. The students receiving Certifi-

## Chevy panel steps lively in Florida...runs day and night, delivers 19.3 miles per gallon!

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day . . . runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip anything that comes their way-and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economycontoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy! If you have a job that puts a truck on its mettle,

see your Chevrolet dealer! No job's too tough for a Chevrolet truck! CHEVROLET

# in home after home after home.

# new <u>electric</u> water heater way

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently-do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to GET IT HOT ... GET A LOT for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:

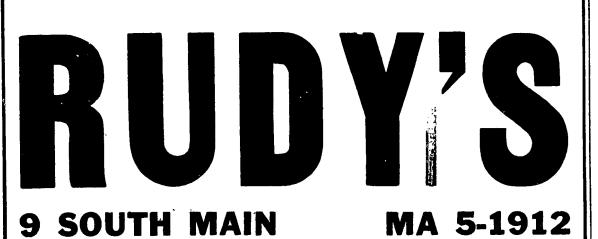

Fast—new, more efficient heating

- Efficient—the heat goes into the water
- | Install anywhere—need not be near a chimney
- Long life—meet Edison's rigid standards
- Automatic—all the time
- Edison maintains electrical parts without charge

Outer shell—cool to the touch all
