THE WILL TO GIVE

When we see a crippled child we wish it were in our power to work miracles and give the gift of health. Each of us would, f we could straighten limbs locked in braces, lift bodies from wheelchairs and help guide faltering feet without the aid of crutches.

We cannot wave a wand and work our will. We can, however, support a program through which skill and patience yield near-miraculous results. The contributions we give to the annual Easter Seal campaign represent, in a real sense, the share we contribute toward the gift of health for crippled children and

HEARING CLAIMS in home after home after home

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

Here's the convenient, modern way to GET IT HOT ... GET A LOT for an operating cost as low as \$3.88 per month.

Only electric water heaters give you all these important advantages:
