Young People Busy Midget Races **Chairman Named** For Mothers' March At First Methodist At Miracle Mile

Concluding months of planning Mrs. Everett Dennis has been appointed Mothers' March Chairman for the Independence Township area Emergency Appeal of the March of Dimes. The appointment was announced today by Ernest Goldsworthy, campaign director for the Oakland County ings for parents. Chapter of The National Found-

ation. The Mothers' March will be held on Tuesday, August 25.

The Emergency Appeal is necessary to care for local polio them to the week. They were derway at 3:00 P. M. patients. "We need your help given a registration to be turned now", Mrs. Dennis said. "A polio in to the church office. Any in these days of the Salk vaccine, but the fact remains that this church office. drive is needed because the bur-

den of polio from past years is greater in this area. During last year's epidemic, one out of every five cases in the U.S., occurred in Michigan. Many of the cases in this county require expensive long-term rehabilitation. Local and national funds for this purpose have been exhausted."

"Unfortunately, an increase in polio has been predicted for this season", she continued. "Funds must be available to provide care for those paralytic polio patients requiring March of Dimes assistance.'

"There are two good ways for every citizen to respond to this Emergency Appeal", Mrs. Dennis said-"give what you can to help those polio patients, and get yourself and your family vaccinated against polio."
