## Hear About Africa At Sashabaw Church

An excerpt from a letter written by Mrs. Kriuki Njiri of Nairobi, Kenya, Africa reads: "There is no compulsory education for African children although there is for European and Asian. With the few African schools now in existence, competition is so keen academically that if a student fails in just one subject, he is forced to leave school with no chance of returning. Consequently, there are droves of frustrated African children who can foresee no educational future. It is heart-breaking to hear them beg us to help them." (And then we might think of our own country and community with its abundant opportunities, and how we so often react to them.)

Clarence Randall, director of the Board of Inland Steel Company, wrote in an article for the Saturday Evening Post ("I Saw the New Africa"): "Africa desperately needs school at every level—primary, secondary and those of higher learning—What a wonderful thing it would be if we would be following the example set by our missionaries. No one can visit Africa and not be deeply moved by the great reservoir of goodwill which has been created for us on this continent by the unselfish service to humanity which has been given by generations of Christian missionaries, both Protestant and Catholic. It is they who have pioneered in fighting disease, in training men and women in the simple skills of primitive life, and in carrying to the most remote areas the ideals of Western civilization. For all this we owe them an eternal debt of gratitude."

Africa has been termed the "Awakening Continent." Mr. Randall goes on to write: "But deep underneath all other phases of the development of the new Africa lies the social problem, the passion for freedom which burns in the heart of every thoughtful African, and the final adjustment which ultimately must be made between the white and the black races. . . . For a country such as ours which so recently, as history goes, has itself grappled with these problems while all the world watched, we cannot but survey the rapidly changing African scene with apprehension and sympathetic interest. . . . that the eyes of Africa are upon the United States."

It is appropriate that during the month of February, when the birthdays of Lincoln and Washington are observed that we think about Africa. Sashabaw United Presbyterian Church will have as its guest at the February Family Night, TUESDAY, February 9th, the Reverend Alec U. Brooks, a Presbyterian fraternal worker in Cameroun, West Africa. Mr. Brooks has participated in missionary activities in the Cameroun since 1951. At the present time, Mr. and Mrs. Brooks are serving as house parents for the children who live in the dormitory of Hope School for Missionary Children.

Mr. Brooks is a graduate of Yale University and of McCormick Theological Seminary in Chicago. During World War II he was in the army for three years, taking part in the combat in Germany.

The public is invited to attend this Family Night, beginning with a cooperative supper at 6:30, Tuesday the 9th.

## Boy Scout Sunday In The Churches

This coming Sunday, February 7th, First Methodist Church will be the scene of the presentation of The God and Country Award to five Boy Scouts from the Church Troop No. 126. The presentation will also mark the 50th Anniversary of The Boy Scouts of America which nearly all churches are observing on this Boy Scout Sunday. Reverend William J. Richards, the pastor, will preach on the subject, "For God and For Country."

Mr. Jack Frost, Scoutmaster of Troop 126, will present Boy Scouts, James Chapman, John Jones, Douglas Osbo, James Eliason, and Richard Funk, Jr. to Lay Reader of First Church, Mr. Everett Butters who represents the congregation of the church. Reverend Richards will then make the presentation.

The God and Country Award is one of the highest distinctions and one of the most difficult achievements in Scouting. In order to receive it a boy must diligently work with the pastor in the ministry of the church, and study his Bible and church doctrine for a period of twelve months. He also must give to his church, over that period, 150 hours of service. Preceding this occasion, and under the ministry of the Reverend Mr. Bert Atkins, only three other boys have received the award. They were Richard Mansfield, Edward Glennie, and Frank Strother, Jr.

Thirty Boy Scouts are expected to be guests of the church in the Worship Service along with fifteen of their adult leaders from Troop 126. The Boy Scouts of America, whose beginning dates back 50 years this month, enters its second half-century just as it did its first, with an exceptionally strong tie to Methodist Churches all over The United States. Of all church sponsored units today, 20 per cent are in Methodist churches. Nearly one out of every three Scoutmasters is a Methodist.

In the last 50 years, over 30 million American boys have become Scouts; 50,000 are wearers of the God and Country Award. "To do my best for my God and my country", is inherently a major principle in The Boy Scout Oath. Tied in with the ministry of his church a Boy Scout lives reverently by preparing the church for worship on Sunday mornings, and conducting family devotions at home. Bible study and prayer are his every day personal religious habits. The five boys to be honored Sunday have interviewed Clarkston businessmen on how they put Christian principles to practice in their business. They have also made maps indicating the location of all the Methodist Churches in Oakland County, the hospitals, colleges, old peoples homes, and orphanages of the Methodist Church in Michigan, and the mission stations of The Methodist Church in Africa. Members of the community are invited to come and worship with these Scouts this coming Sunday at First Methodist Church. The early service is at 9:15 a.m. and the late service at 10:45 a.m. Following the late service there will be a Coffee Hour at which the Scouts will be honored guests of the congregation. Hosting the Coffee Hour are the people of The North Star Homes neighborhood, Mr. and Mrs. Richard Funk and Mr. and Mrs. Jack Frost, chairman.

Sunday, February 7th, Boy Scout Sunday, will be observed at Sashabaw United Presbyterian Church, along with other churches across the country. This is a special year for the Scouting movement in America since it marks their Golden Anniversary. The theme of the anniversary year is "For God and Country."

National Scouting officials are urging all Cub Scouts, Boy Scouts and Explorers, with their parents, to attend the church of their choice in uniform on February 7th Boy Scout Sunday. Sashabaw United Presbyterian Church will give special recognition to Scouting at that time, and Boy Scouts from Troop 134, which is sponsored by Sashabaw Church will take part in the worship service. Vernon Vargo and Bobby Rocha will usher; Glenn White and Gary Bass will receive the offering; Melvin Smith will read the Scripture selection and Tom Bass will lead the Responsive Reading. Cub Scouts of the area, with their Den Mothers, Committeemen and Cubmasters are invited to attend the service.

Scout Troop 134 sponsored by Sashabaw United Presbyterian Church has a praiseworthy record over the last year and a half.

## Clarkston Local

Frances Hancock made a flying trip to Clarkston last Friday night. She gave her grandparents, Mr. and Mrs. R. M. Parker of N. Main Street, a pleasant surprise. She flew back to her home in Louisville, Ky., on Monday evening.

The troop was reactivated in the fall of 1958 under the leadership of John Cuthbertson and Gordon Dean. At that time there were about six boys participating. At present time there are 25 boys enrolled. In the past year Troop 134 has taken the highest award, the Brown Jug, at both the spring and fall Round-Ups of the Clinton Valley District.

During the past year, in addition to the regular Monday night scouting program, troop 134 has taken numerous day hikes and overnight trips. These camp-outs took the boys to Canada, to Wildwood and Bald Mountain State parks and other local camping areas. Plans are now being made to hold a week long camp-out next summer at East Jordan, Michigan, on the northeast shore of Lake Michigan.

The Scouts have worked together to raise the finances to purchase seven six-man tents and other equipment. A Christmas tree business venture this year proved very helpful. Over the last twelve months the troop has carried on an old newspaper and magazine collection.

The next Court of Honor for Troop 134 will be held Monday evening, February 8th. The evening will begin with a cooperative dinner for the scouts and their parents at 6:30.

Leading and advising Troop 134 are the following men: John H. Cuthbertson and Harold Young, co-scoutmasters and Gordon Dean and Albert Knudson, co-assistant scoutmasters. The following are enrolled as Committeemen: Forrest White, chairman; Gerald Bass; Clifford Haskins; Giles Morris; Raymond Pine; Melvin Smith and Dave Dorsick. Troop 134 also provides nine Den Chiefs to Cub Scout Packs 134 and 188.

Eagle Scout, Robert H. Chambers of Troop No. 7 in Pontiac, and Star Scout, Arthur Brennan Petar of Troop No. 67 will be presented with the God and Country Award Certificate at services next Sunday, February 7. Mr. Edward H. Leland, Scout Executive of Clinton Valley Council No. 276 has agreed to present the boys with their awards in observation of Boy Scout Sunday.

Personal letters have been sent to the boys from Bishop Richard S. Emrich, congratulating them on their outstanding achievement. Under special instruction from Reverend W. R. Hunt, Rector at St. Andrew's, these boys have been working toward this presentation since March, 1958. Their outline of instruction contained study on items pertaining to the Bible, Church organization in the Diocese and throughout the World, Church history, Worship and Sacraments, and various other areas of study of their religion. Both boys have contributed more than seventy hours a piece in active service to their Church. Other requirements included keeping a Rule of Life in Self-discipline, Bible study and Church work.

Robert is the son of Mr. and Mrs. Arthur Chambers, 140 Coleman St., Pontiac; and A. Brennan is the son of Mr. and Mrs. Arthur Petar, 788 Irwindale Ct., Pontiac.

Two other Boy Scouts, Allan Aulgur of Clarkston Troop No. 126, and George Ballingal of Waterford Center School Troop are already working toward obtaining the same awards next year.

Universal brotherhood will be a theme dealt with at Christian Science services this Sunday. Peter's awakening to a higher sense of brotherhood highlights the Lesson-Sermon entitled "Spirit."

The account of Peter's meeting with the centurion called Cornelius will be read, including the following: "Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him, and worketh righteousness, is accepted with him" (Acts 10:34, 35).

A correlative quotation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states in part: "God gives the lesser idea of Himself a link to the greater, and in return, the higher always protects the lower. The rich in spirit help the poor in one great brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good" (518:13-19).

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful: Supple Full Coil suspension—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle. Butyl rubber body mounts—Thicker, newly designed body mounts further insulate you from the road. Body by Fisher—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher. Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one. Safety-Girdor frame—X-built and not merely X-braced, the Safety-Girdor frame affords greater rigidity to minimize twisting and squeaks. Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper. Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel. Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too. Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you. Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels. Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

**JEHOVAH'S WITNESSES PLAN SPECIAL MEETING**

Mr. William Strong, presiding minister of the Pontiac North congregation of Jehovah's Witnesses, has announced that Edwin W. Kriefall, Circuit ministerial supervisor, is making his Semi-annual visit this week.

Mr. Kriefall, for 20 years an ordained minister, is assigned to serve as area supervisor over 22 congregations in Eastern Michigan by the Watchtower Bible and Tract Society.

"The congregation anticipates a week of increased activity and spiritual benefit from Mr. Kriefall's visit," said Mr. Strong. The visit is described as a part of a continuing training program in teaching, provided by Jehovah's Witnesses. As a part of the program, Mr. Kriefall will join with ministers from the congregation in doorstep Bible discussions with people of all faiths in the community.

The Saturday evening program begins at 8 with a discussion regarding the activity of the congregation in teaching. A dis-

course by Mr. Kriefall giving counsel in improving one's personal preaching work concludes the session.

Highlighting the week will be his public address "Walking Wisely in a Wicked World" at 3 P. M., Sunday. A congregation Bible study on the subject "The Seeking of Peace" and final remarks by Mr. Kriefall will close the week's events. All meetings will be at Kingdom Hall, 4400 Walton Blvd.

During his month's stay in Pontiac, the supervising minister has served all four congregations of Jehovah's Witnesses.

Mr. Strong reported that last year over 870,000 Jehovah's Witnesses in 175 lands spent 126,300,000 hours teaching door-to-door, plus conducting weekly Bible studies in over 600,000 private homes. He said this activity accounts, in part, for the rapid growth of Jehovah's Witnesses.

Playing cards were the first paper money used in North America. World Book Encyclopedia says that in 1685 the French colonial governor of Canada failed to receive money from France to pay his troops. When the soldiers threatened to desert, the governor seized all playing cards and declared that they were to be honored as currency when bearing his signature.

**Photogenic Bushytail**

With his front paws reverently clasped, Mr. Fox Squirrel appears to be completely intrigued by a Conservation Department photographer at work. This photogenic squirrel has made a point to show off his familiar bushy tail which comes in handy as an umbrella, shield, signal flag and balancer. Ever alert, graceful, curious and full of energy, the fox squirrel is a popular fellow in Michigan. Although classed as one of the state's so-called farm game animals, he is also commonly found in cities and villages. His country cousin prefers oak-hickory woodlots, groves and fencerows of farmlands in southern Michigan.

**FOOD COSTS IN WORK TIME**

The industrial worker in Italy labors almost 12 times as long as the American workman to earn a pound of coffee.

The French worker is on the job more than five times as long to provide a pound of beef sirloin for the dinner table.

Bread, the most universal of foods, costs American and Canadian workers approximately five and one-half minutes of working time for one pound of enriched white bread. A pound of white bread in Austria costs 20 minutes in working time; in Belgium, seven minutes; in Denmark, nine minutes; in France, 12 minutes; in West Germany, 13 minutes; in Italy, 16 minutes, in the United Kingdom, six minutes.

A nine country food-cost-in-work-time study conducted by the National Industrial Conference Board, a non-governmental research bureau, shows that industrial workers in the United States spent one hour's pay in 1958 to provide a meal for a family of four. The meal consisted of white bread, 7.2 oz.; beef sirloin, 1 lb., 5.2 oz.; potatoes, 1 lb., 5.2 oz.; cabbage, 1 lb., 12.3 oz.; butter, 1.4 oz.; milk, 1 quart, and apple, 1 lb., 5.2 oz. The individual servings con-

ishes from Belville, Farmington, Howell, and Southfield. These former missions now have the right to be represented by three elected delegates and their newly elected rectors, instead of the former 1 Lay delegate and a minister from each mission. Delegates elected to represent St. Andrew's will be Messrs. Geo. D. Elliott, Sr. Warden; J. D. Boardman, Chairman of the Incorporation Committee; Harry S. Richardson, Original Chapel Warden; and Reverend W. R. Hunt, newly instituted Rector.

Ladies of the Parish also will be well represented at the Convention of Churchwomen, to be held at the same time Wednesday, in the Scottish Rite Temple, Masonic Bldg., Detroit. Officially elected representatives are Mrs. J. B. Walker, Mrs. Angus Miller, Mrs. Herbert White, and Mrs. Walter Forbes. Other women will also attend to represent the women of St. Andrew's.

Preliminary meetings will be held on Tuesday, with a luncheon provided by Bishop Emrich and Bishop Crowley for the clergy and their wives, which Reverend and Mrs. Hunt will attend. An afternoon of preliminary discussion with clergy and Lay delegates will cover problems of finance, Canon Law and other problems which will come up at the Convention. The Bishops wives will entertain the wives of the clergy at tea.

St. John's Church, Downtown Detroit, will be the scene of the opening service of the Convention, with Bishop Emrich preaching and many of the 200 clergy of the Diocese marching in procession.

Climaxing the two-day Convention will be the great Diocesan Dinner in the Fountain Room of the Masonic Temple, when some 1200 expect to hear the Rt. Reverend Wm. F. Creighton, D. D., newly elected Bishop coadjutor of the Diocese of Washington, D. C., as the main speaker.

New president of the Michigan Press Association is Jack C. Sinclair, publisher of the Hartford Day Spring. He was elected at the 92nd annual meeting of MPA Jan. 30 at Kellogg Center in East Lansing.  
 Other officers named are Dale Stafford, Greenville News, president-elect; James Tagg, Alma Record, first vice president; Vidian Roe, Fremont Times Indicator, treasurer. Elmer E. White was renamed executive secretary.  
 E. C. Hayhow, publisher of the Hillsdale News, is immediate past president.  
 Elected to the Board of Directors were John Batdorff, Traverse City Record Eagle; John P. Parks, Highland Park; Walter J. Rummel, Sebawaing Blade.  
 The meeting, which was attended by more than 600 representatives of the newspaper industry, was climaxed by the 19th All Michigan Dinner. This banquet, co-sponsored by the Michigan Department of Agriculture, consists entirely of food produced in Michigan. Entree was pork loin, especially selected to illustrate the "new look in pork." The meat, leaner trimmer and tastier than pork in the past, is already available to the public from several Michigan producers.

Behind every wildlife track in the snow there is a story of activity; a story which often provides information about the range and habits of its maker. Since many animals and birds are nocturnal and seldom seen, their tracks often offer the only clues to secrets of wildlife. Reading tracks is not easy. Some animals and birds make tracks which are confusingly similar. Like a detective, the tracker must use a keen eye, his knowledge of the usual habits and haunts of wildlife, plus a bit of ingenuity to interpret what he sees.

 An anticipated record turnout of around a quarter-million visitors, according to George A. Duke, Jr., chairman of the show committee, has prompted enthusiastic exhibitors to sign up for more space than at any previous home or flower show.  
 "Almost 90 per cent of the nearly seven acres of exhibition space already has been sold," Duke said. "We have signed up about 350 exhibitors and more are coming in every day."  
 The builders association executive said the show will blend home and garden displays into

settings rivaling anything that can be seen outdoors in the middle of June.  
 "There is no way to make comparisons with this combined show and the separate home and flower shows of the past," Duke asserted. "It's not only more than twice as big, but is far more complete than any previous show possibly could have been."

The chairman of the show committee revealed for the first time several of the outstanding displays planned for the event.  
 One of these is the famous Dancing Waters, with the multiple colored streams motivated by organ music. This eye and ear stopping display will be shown at regular intervals.

A full-size home of a radically new type of construction also will be featured. The home will be completely decorated, furnished and landscaped.

Being featured in advance of the combined show is the 1960 Idea Home now open to the public on the Burton Hollow Estates at Farmington and Six Mile Rds., Livonia.  
 Visitors can buy tickets to the Builders Home and Flower Show and have an opportunity to enter a contest to win the Idea Home by estimating the number of nails contained in a replica.

### THREE-DAY SALE AND OPEN HOUSE AT GOODWILL INDUSTRIES

For the first time since Goodwill Industries was founded in 1921, customers will be able to buy refurbished articles in the workshops where physically handicapped persons work, making discards into articles of value.

Plans for this plant-wide sale to be held February 17, 18 and 19 at 6522 Brush were announced today by Harold H. McKinnon, executive secretary.

"There are nearly a quarter of a million housewives who contribute their clothing and household discards to Goodwill Industries. We thought they would be interested in seeing what happened to these discards and the manner in which they were used to help the physically handicapped," McKinnon said.

"At the same time they will be able to purchase any 'priced' article within the plant itself before it is taken to one of Goodwill's retail stores."

"There is hardly a discard, no matter what its value, that is not wanted by somebody although

"For these reasons Goodwill is holding this three-day combination open house and sale for the public during which time anyone can see the condition of the articles before and after Goodwill's workers prepare them for sale.

"In addition the public will be able to see first-hand the expert methods used by physically handicapped people in their work, despite disabilities," McKinnon said.

### "WINDJAMMER" COMES TO DETROIT

Louis de Rochemont's production, "Windjammer" will have its Michigan Premiere at the Cinerama Music Hall Theatre, Wednesday, March 23rd, under the auspices of the Detroit Memorial Hospital.

This announcement of the sixth presentation in the three strip Cinerama process was made this week.

The new romantic adventure film features the sailing ship "S/S Christian Radich" and its crew of Norwegian Sea Cadets. These Nordic youths are taken from Norway to the Caribbean on a training cruise. Featured in their adventures are visits to Curacao, Trinidad, Madiera, New York City and Philadelphia.

Arthur Fiedler and the Boston Pops Orchestra play an important part in the film as does Pablo Casals, the world famous cellist.

The opening of "Windjammer" will mark the seventh anniversary of Cinerama in Detroit. It was on March 23, 1953 that the first production, "This Is Cinerama" opened its record breaking run of 100 weeks at the Music Hall. It was followed in turn by "Cinerama Holiday" and "Seven Wonders of the World" each with a 78 week run and "Search for Paradise", 35 weeks. The current production, "Cinerama South Seas Adventure" will conclude its run of 77 weeks on March 21.

Mail orders are now being accepted by the theatre and announcement of the public sale at the box office will be made at a later date. The present performance schedule and price of admissions will remain the same.

### APPLE IN THE OVEN

Bake an apple that keeps its shape. Mary Morr, of the foods and nutrition department at Michigan State University, says apple variety is important and suggests Jonathan or Northern Spy apples as good "bakers." To prepare the fruit, slit the skin around the entire apple—parallel to the blossom end. Make the cut just deep enough to pierce the skin. This allows for expansion during baking.

Winter's come without much sun! But don't fret because 300 days of concentrated, transported sun has arrived in the area from Florida and our western Sunshine States, says Josephine Lawyer, Consumer Marketing In-

formation Agent. It's to be found in the bag of oranges at your market. 300 days is how long it takes for our Sunshine States to produce an orange from blossom to maturity.

**Winter Freeze Is Good to Eat**

No matter how cold the winds blow, the school crowd loves ice cream in January as it did in June. Here's a new way to have fruit-flavored freezes all year round. It's easy enough for the teenage lady of the house to make at home and it's inexpensive enough for her to serve often to her friends after school.  
Evaporated milk and canned fruit are the reasons for the low cost of Fantasia Fruit Freeze - about 25¢ a quart. These ingredients are easy to store on the pantry shelf, to be opened when the yen to make ice cream strikes.  
It's the evaporated milk that gives Fantasia Fruit Freeze its satin-smooth texture, and the double solid content of evaporated milk prevents formation of large ice crystals during freezing. Once the dessert has been poured into the freezing tray, it stays there until it's served. There's no going back to beat it midway.

**Fantasia Fruit Freeze**  
1 tall can (1 ½ cups) evaporated milk  
3 tablespoons lemon juice  
1 cup sugar  
½ teaspoon salt  
1 can (1 pound) fruit of your choice

Chill evaporated milk in freezer tray of refrigerator until ice crystals form around edges. Turn into large chilled bowl and whip with cold rotary beater or on high speed of electric mixer until milk is stiff. Add lemon juice; beat until blended. Combine sugar, salt, fruit and liquid from can; fold into whipped mixture. Turn into 2 freezer trays; freeze until firm. Yield: 2 quarts.  
Apricot: Use 1 can (1 pound) apricots, finely cut.  
Blueberry: Use 1 can (1 pound) blueberries.  
Cherry: Use 1 can (1 pound) red tart cherries, water pack, finely chopped.
