MITED TIME ONLY

If you've never owned an electric dryer, you've never known complete washday freedom because only electric dryers give you all this:

Clean-The cleanest method of drying clothes there is! There are no fumes or products of combustion to circulate. No flames to guard. Clothes dry in clean electrically heated air.

Safe for all fabrics-There's exactly the right setting for every fabric. No hot spots. No temperature fluctuation. The most accurate controls are electric.

Fast-Gentle radiant heat starts drying right away. Drying time cut to a minimum.

Low priced—Because of fewer operating parts and simple trouble-free design, electric dryer prices are surprisingly low.

Special installed price-For a limited time, the price you pay for one of these well-known electric dryers will include normal wiring installation on Detroit Edison lines in dwellings up to and including four-family. "Normal wiring installation" means one dryer (220-volt) circuit only.

Free Service-Over and above the manufacturer's warranty, you are protected by Edison's long-standing policy of service without charge for electrical parts or labor.
