CLARKSTON, MICHIGAN, THURSDAY, APRIL 7, 1960

### **Karen Andre** Paim Sunday At First Methodist

Palm Sunday will be celebrated at First Methodist Church with three Sunday Worship Ser- Bjorn Faulkner, is set for April P.M. vices at 9:00 a.m., 10:00 a.m., 8th and 9th by the honorable J. Richards, the pastor on the subject, "Christ Triumphant". The Sunday School will meet as round midnight, a disfigured follow. of Mrs. Curtis Bishop is open ner's death Karen Andre, Faulk- Refreshments will be served. at all services.

One of the features of the services is the instrumental selections to be presented by violist, Mrs. Mary Eliason, Trumpet, Mr. Philip Smith, and organist, Mrs. Adele Thomas. In keeping with the tradition of children meeting Jesus on his triumphal entry into Jerusalem the music of the church will be augmented by the Sunbeam Choir at the 9:00 a.m. Service. The Boys and Girls Choirs at the 10:00 a.m. Service, and the Intermediate Choir at the 11:15 a.m. Service. Lay Reader, Everett Butters will assist Reverend Richards in the services.

At 8:00 a.m. Reverend Richards will officiate at the Adult Baptismal Service, and at 1:00 p. m. will hold the Service for the vice of Baptism for young people Bjorn Faulkner. will be held.

members are expected to be received at the 10:00 a.m. and 11:15 a. m. services. Those who are uniting with the Christian Church for the first time and those transferring from other denominations have been attending Membership Classes held in the church every Sunday afternoon at 4:00 p.m. Reverend Richards announces that the next Membership Training Class will begin on the Sunday following Easter at 4:00 p.m. with the next class of members being received on Mothers Day, the second Sunday of May.

The full schedule of services at the church for Holy Week are to crash!' listed in an advertisement on another page in the Clarkston News.

### **Clarkston Locals**

Mr. and Mrs. Donald McRae returned Sunday from a three weeks vacation in Florida. While report fine weather and a wonderful time.

Mr. and Mrs. Orrie Adams have returned to their home on Maybee Road after spending almost three months in the western states following their marriage on February 7th. They say the

THE PRINCESS PHONE. It's not very often that we devote a whole column to a single subject, but it's a thrill to introduce to you the beautiful new Princess Phone. It's one of our most exciting new products and we want to tell you all about it!

### 

WHAT'S SO WONDERFUL

about the Princess Phone? Everything!

IT'S LITTLE! Small enough to fit easily on top of the narrowest night table (and leave enough room for the alarm clock, too !). The Princess Phone is the most compact telephone you've ever seen.

IT'S LOVELY! Five attractive decorator colors: white, beige, blue, pink, and a brand new color for telephones-turquoise. There's a pretty Princess Phone to go with every color scheme-in every room in your house.

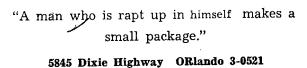

IT LIGHTS! With a dial that glows in the dark so you can find it quickly, the Princess Phone lights up brightly when you lift the receiver.

THE PRINCESS PHONE with its glamorous new features costs only pennies a day after a one-time charge.

It goes beautifully

- \* in the bedroom where the light-up dial is handy
- \* in the living room by your favorite chair
- \* in the kitchen to help you run your home
- \* in a teen-ager's room to give privacy

Steel Arterles

# Bamboo Network

brine

In China, thousands of years ago, Natural GAS was channeled directly from the top of the ground to the consumer! The Chinese built an intricate, aboveground network of bamboo pipelines for transmission of Naural GAS from its seepage point in the earth to locations where they processed salt from

FASCINATING FACTS ABOUT NATURAL GAS

Now man probes deep into the earthclose to the mile mark - for this wonderfuel, Natural GAS! A specially-developed steel pipe carries this "stored sunshine" thousands of miles - over mountains, unde rivers - through underground passageways to throughout America. Utility companies then distribute it to homes and industries.\*

and Larry Crouch; Sue Jackson with Doug Green.

\*In ancient China, bamboo pipelines were satisfactory only for short distances -\_today, pipelines bring this wonder-fuel from faraway places. Consumers Power Company receives its Natural GAS from Texas, Oklahoma, Kansas and Louisiana. GET THE FACTS - BETTER YET - GET GAS! PG - 6992 - 21

# Corvair "CAR OF THE YEAR"

"Four-wheel independent suspension totally unlike any other U.S.-built car" . . . "air-cooled aluminum engine . . . not dependent on the properties of a liquid coolant" . . . a rear-mounted transaxle "affowing a flatter floor and a lower roofline. . . ." These are some of the praises heaped upon Corvair by the editors of Motor Trend-the world's largest general automotive magazine-in announcing their coveted Car-of-the-Year award. Other cars didn't even come close. The Motor Trend experts, who evaluated every make in the country, were unanimous in their decision, published in the April issue. But, unless you have personally driven a Corvair, you can't appreciate what this engineering achievement really means in combining compact car economy and agility with big for economical transportation car ride, room and sure-footedness. Drop fown to your dealer's, take a trial drive and then judge the orvair **BY CHEVROLET** Car of the Year for yourself!
