Home Service

In the Township we have served 74 cases involving 207 individuals. Home Service cases might involve servicing and relaying wires to and/or from the ily. serviceman. It could involve securing a psychiatric family hisinto northern Michigan.

tory for a serviceman needing psychiatric treatment. It could include securing and

verifying information which might lead to a serviceman's leave, discharge or transfer. (Red Cross does not make these decisions, it places verified information in the hands of the responsible military). Our cases can mean financial assistance to a serviceman's dependent family, in certain situations prescribed by the military.

Home Service is also available on call for assistance to civilian families needing help following a burn-out.

Volunteer Services

There are: egiht Gray Ladies from the area, five of whom are: Mrs. F. C. -ADAM SMITH (1723-90) Scottish economist

The striving, go-ahead character of England and the United States is only a fit subject of disapproving criticism on account of the very secondary objects on which it commonly expends its strength. In itself it is the foundation of the best hopes for the general improvement of mankind.

J. S. MILL (1806-73) English philosopher

America is the land of the future where, in the ages that lie before us, the burden of the world's history shall reveal itself—perhaps in a contest between North and South America. It is a land of desire for all those who are weary of old Europe. It is for America to abandon the ground on which hitherto the history of the world has developed itself.

WHAT'S SO WONDERFUL

about the Princess Phone? Everything!

IT'S LITTLE! Small enough to fit easily on top of the narrowest night table (and leave enough room for the alarm clock, too!). The Princess Phone is the most compact telephone you've ever seen.

IT'S LOVELY! Five attractive decorator colors: white, beige, blue, pink, and a brand new color for telephones-turquoise. There's a pretty Princess Phone to go with every color scheme-in every room in your house.

IT LIGHTS! With a dial that glows in the dark so you can find it quickly, the Princess Phone lights up brightly when you lift the receiver.

THE PRINCESS PHONE with its glamorous new features costs only pennies a day after a one-time charge.

- It goes beautifully
- * in the bedroom where the light-up dial is handy

* in the living room by your favorite chair

* in the kitchen to help you run your home

* in a teen-ager's room to give privacy

Order your new Princess Phone soon. Call or visit your telephone business office-or ask the man in the telephone truck.

charge of the program.

About 500 of Jehovah's Witnesses from the Pontiac and Drayton Plains congregation will at tend the "Peace-Pursuing District Assembly of Jehovah's Witnesses" in Detroit, Michigan, July 28 through 31.

Mr. William P. Strong, presiding minister of the local congregations in announcing the plans of the local delegates, said that it has been necessary to cancel all meetings at the Kingdom Halls in Pontiac and Drayton Plains from July 25 to August 1, due to many being away for the Christian assembly

Mr. Strong said the object of the assembly program in Detroit is to train Christian witnesses of this 20th century in the art of pursuing a peaceful ministry to the praise of God and the benefit of the entire community.

The convention, he said, will further the understanding and good will among the various races and nationalities of Jehovah's Witnesses, and also will demonstrate to the world how the Bible message and Christian living in peace can unite people from all walks of life, regardless of race or other backgrounds that tend to divide the world. Only common interest in the pure worship of the Creator, Jehovah God, can do this, he concluded.

Watchtower convention officials in Detroit announced that an attendance of 40,000 persons is expected for the four-day gathering, to be held in Briggs Stadium. The minister delegates and their families will arrive from some 20 states and Canada.

According to Strong, the convention is being sponsored by the Watchtower Bible and Tract Society of New York. The society's vice-president, Fred W. Franz will deliver the principal talk of the assembly on Sunday, July 31 at 3:00 p.m. The talk, to be delivered at Briggs Stadium, will be on the subject! "Security During 'War of the Great Day of God The Almighty' '' All sessions of the assembly are free of charge. 6751 DIXIE HIGHWAY

A MONTH ON CORVAIR THINKS IT'S MARVELOUS GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting -"at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the folddown seat doubles as a built-in baby sitter.

IN RE: SPECIAL COUNTY ELECTION ON SINKING FUND & MILLAGE FOR CONSTRUCTION OR REPAIR OF COUNTY BUILDINGS.

TO THE OAKLAND COUNTY BOARD OF SUPERVISORS: MR. CHAIRMAN, LADIES & GENTLEMEN:

WHEREAS, the new Court House and County Building now under construction at the Service Center Site was planned to be built in stages and the Court House Tower being the first stage is now under construction and funds are on hand to finance the cost thereof; and

WHEREAS, the rapid expansion of population of the County has necessitated providing increased services for the public which, in turn, has created a serious space problem which aggravates the pre-existing problem of housing for the various county offices;

WHEREAS, it previously appeared that the construction of the remaining stages of the Court House and County Building could be delayed several years, it now appears not only expedient but vitally necessary that the last stages of construction should be
