Whether it be Nixon or Kennedy that the majority of the people choose, he is the President Of Our United States, and as such, has earned the right to be held in highest esteem by each one of us.

Registration High In Township

The Independence Township office reports that everything seems to point to an active day on November 8, the day of victory for some — and defeat for others.

Registration has been high in number, although percentage-wise there is room for improvement. Records show that the number of registrants equals about one-third of the census totals.

There will be seven voting machines in operation on election day, and it is hoped that voters will be able to cast their ballots without too long a wait. We of Independence Township can be thankful that there will be plenty of room inside the building in case there should be bad weather and a few minutes wait. Boost your self-confidence by obtaining instructions on how to operate the voting machines, from the Township office. Every effort has been made to make voting a pleasure, as well as the privilege it is.

BAPTIST YOUNG PEOPLE Halloween parties were enjoyed by the various young people's groups of the First Baptist Church during the past week. October 24, the Pilgrim group of Pioneer

girls had their party in the church basement. Thirty-one girls and their guides, Mrs. Virginia Taylor and Mrs. Elsie McLott were in attendance. Best costume prizes were won by Joyce Pine and Dorothy Glantzer, game prize, Laura Watterworth. Refreshments were served by Mrs. Vasko and Mrs. Beach to complete a gay party. On Saturday afternoon the girls' Guides and their Mothers enjoyed an afternoon of skating at the Universal Roller Rink.

On Saturday afternoon the leaders of the Beginners church, Mrs. Wendel Bishop, Mrs. Harold Elliott and Mrs. Joyce Lewis, entertained the little folks at a costume party in the church basement. Thirty children from 3 to 6 attended and were awarded prizes for games and costumes. The high point of the afternoon

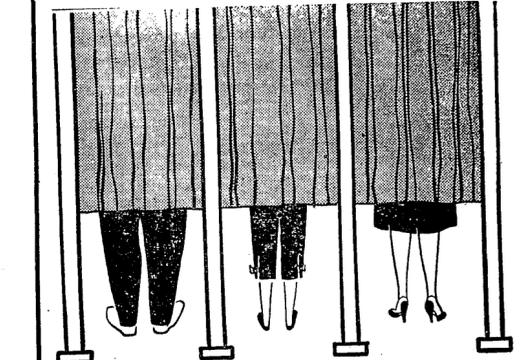

came when Pastor David Dee took their picture to be shown at the annual New Year Church party.

On Sunday evening Missionary Louise Marqueling spoke at the evening service concerning her work among the children of Formosa. Following the service she was honored at a reception in the recreation room of the church to enable the members to become personally acquainted with her. Refreshments were served from a table decorated in Halloween colors. Miss Marqueling will be leaving next month for her second term in Formosa under International Child Evangelism Fellowship. Out of town guests were Mrs. Olive Ross and Mrs. Lyla Ross of Keego Harbor and Reverend and Mrs. Lynn Stout of Plymouth.

THE EDITOR OBSERVES

After the passing of the election at the Clarkston High School, the national elections seem more real and exciting to the students. A surge of interest seems to surround the students whether they are Republican or Democrat. The Republicans, having won the school election, are more confident than the Democrats used to be. What we wonder now is whether the school election is any indication of the election on November 8th.

But, back to the school election, which regardless of your political choice, proved to be very interesting. Learning in high school how to run a voting machine helps the voter of the future. It's not really as complicated as some people think. And the interest born in the student now will prompt this same student into voting in the years when his vote counts in the national election.

As for myself, I was very pleased with the outcome of the mock election here in school, but I still have no idea who will come out the victor as far as November 8th goes.

If you are over 21, have you

registered to take advantage of the greatest American privilege, the privilege of voting?

STUDENT BOWLING

As the afternoon of bowling quickly progressed the standings of the teams rapidly mixed into different places for most teams. But, the excitement of bowling did not become dampened even though many balls seemed doomed for the gutter. At the end of another Monday session the standings stood as follows:

Team	W	L
Alley Demons	8	8
Rebels	11	5
Chuck's Girls	11	5
Scoreless Four	10	6
Stragglers	8	8
Alley Oop!	7	9
Wildcats	5	11
Falcons	5	11
Strikers	6	10
Terry's Ten Pins	13	3
Wolves	5	11
Gutter Bowlers	5	11

C. H. S. STUDENTS CHOOSE NIXON - LODGE!

by Mary Robbins
 With all of the formality of a national election, the students of Clarkston High School voted for the candidates of their choice in a school election held last week on Wednesday and Thursday, October 26 and 27.

Voting machines, borrowed from Independence Township, were assembled in the Student Commons for the students, who had registered to vote the preceding week, to cast their votes during their study halls or lunch hours.

The board on the machines appeared just as it will appear on November 8. All candidates

for national, state, Oakland County, and non partisan were listed, as well as the proposals. Republican presidential candidate, Vice President Richard M. Nixon and his running mate, Henry Cabot Lodge defeated the Democratic candidates John F. Kennedy and Lyndon B. Johnson by a total of 59 votes. The final count being 285 for Nixon and Lodge, and 226 for Kennedy and Johnson.

Candidates for the governor of Michigan, Paul Bagwell and John Swainson, ran the closest race of all. Republican Bagwell nosed out Swainson by 9 votes. 261 to 252 was the final tally. Alvin Bentley, Republican candidate for the U. S. Senate beat the democrat incumbent Patrick McNamara, 274 to 238. Republican incumbent William Broomfield of the U. S. House of Representatives defeated democrat James Kellis 290 to 213.

Republican Reid nosed out Democrat Lesinski for Lieutenant Governor 277 to 221. The only democrat to win was James M. Hare who defeated Kreger for Secretary of State by a vote of 263 to 242. Republican Miles edged out Democrat Adams for Attorney General 262 to 244. The students chose Republican Calhoun for State Treasurer over Democrat Brown 279 to 223. Clements, a Republican, defeated Smith 275 to 231.

Roberts defeated Democrat Bronson for State Senator from the 12th district by a vote of 266 to 236. The largest vote of all was cast for Anderson, Republican incumbent for representative of the 1st district who overwhelmingly defeated democrat Daly, 306 to 200.

The remaining results were: Prosecuting Attorney, Taylor 267, Fulkerson 241; Sheriff, Irons 301, Hight 201; Clerk and Register of Deeds, Murphy 276, Lees 229; County Treasurer, Sparks 274, Benson 233; Drain Commissioner, Barry 274, Russell 228; and County Surveyor, Main 278, Dunn 228.

On the proposals, results were as follows: Proposal No. 1, yes 241, no 29; Proposal No. 2, yes 76, no 106; and Proposal No. 3, yes 156, no 48.

PRACTICE DEBATING STARTS

by Michael Howey
 Resolved: That the United Nations should be significantly strengthened. That is the subject that will be taken up by the Clarkston High debaters for the year's debating season.

Mr. Mills, the coach of the debate team, had a trio of practice debates set for Monday, October 31st. They took place in Miss Wildon's third, fourth and sixth hour classes and served a double purpose. First they introduced Miss Wildon's classes to what debating is. Secondly they gave the debaters a chance to get in the groove of debating. The inexperienced debaters took the affirmative case, while the experienced ones charged back with the negative case.

HILLTOPPER STAFF VERY BUSY

by Cheryl Hipp
 The 1960 Hilltopper plans are well underway as the Clarkston High School staff members are busily putting it together. Weeks go into months of work to put out one yearbook. Bobo Christides, Editor, began this spring planning the dummy or layout for our yearbook. That was only one third of what had to be done. There is still cropping of pictures, pasting up, and then copy has to be written. There are 15 members of the staff all working and trying to make this yearbook even better than last year's.

FUN IN THE AIR

by Linda Hallman
 With Halloween Spirit in the air, many dances and parties took place over the holiday weekend. Friday night after the game with Northville, a dance was held in the high school cafeteria. The theme, of course, was Halloween and it was sponsored by the Freshman Class. From 9:30 to 11:30 the cafeteria was a scene of gay laughter and fun, as many couples danced to popular records, while others chatted with friends.

Freshman class officers were in charge of the different committees. Ken Miskin was head of tickets; Panky Golombeski, publicity; and Cheryl Dinader, records. Marty Madison head of chaperones, and Corrine Blackett, clean-up.

Many other students were given chances to earn points by working on these committees.

AN EVENING WITH THE PIRATES

by Adele Lynady
 Twelve members of the Senior Chorus went to Pontiac Northern High School Thursday evening to see the operetta "Pirates of Penzance." It was presented by the students of Pontiac Northern under the excellent direction of Melvin Larimer.

The cast included many fine young singers as well as actresses. The audience was especially delighted by the policemen scene and by the excellent singing of the soprano lead.

All these factors contributed to an entertaining evening for the following people from Clarkston who attended: Terry Powell, Glenn Laplam, Willie Knox, John Marsh, Marvin Frick, Milton Frick, Linda Burgess, Mary Hinkley, Barb Hagen, Karen Hamilton, Lona Nelson, Mary Crosby and under the supervision of Miss Martha Jetter.

SPOOKS AND GOBLINS VISIT DANCE

by Cheryl Hipp
 Goblins and Spooks pounced out of every corner, at the Halloween Dance sponsored by the Seniors Monday night. The true Halloween spirit came alive as some actual spooks and goblins entered the dance. (Really they were only CHS students in disguise).

Beginning at 7:30 the dance rolled along quite smoothly, with only a screech or squeal from a few scared girls. Seen laughing at some of the scary pranks were: Ron Zumbrunnen, Sharon Gotschall, Skip Bonner, Sharon Dawley, Naomi Armstrong, and Bill White.

Larry Blackett, Gay Anne Huffman, Jane Zumbrunnen, Chuck Roehm, Gar Wilson, and Shirley Bauer were seen at the free donut and cider counter.

Several spooky faces were seen in the stag line. They were: Sue Turek, Janet Spangler, Mike Applegate, Jerry Powell, Rocky Bullard, Janet Tisch, Becky DeLong, Diana Crites, Darlene Borst, Leslie Hursfall, Carole Walter, Blair Bullard, Donna Harris, Harold Weston, Marvin MacAbo, Jim Johnson, Darwin Donaldson, Dennis Galligan, and Mary Bates.

The dance ended at 10:30 sharp giving all the spooks and goblins 30 minutes to get home in time for the 11:00 drawings.

50-YARD AERIAL NIPS CLARKSTON

by Dick Miskin
 While fog shrouded the field, a 50-yard touchdown toss, Steve Juday to Jim Petrock, was enough to gain Northville a 7-0 win over the Wolves of Clarkston. As a result of their win the Mustangs took sole possession of third place while Clarkston remained in the number four position in the league standings.

Over playing the W. O. C. L. perennial champs, for the past five years, throughout the game the Wolves dominated everything statistic wise-but the score. This deficiency proved decisive as one might see.

Numerous scoring opportunities were stymied because of penalties. Clarkston totaled an unbelievable 110-yards in penalties which is or must be close to somekind of a record for a single team. But as any coach will tell you, it takes points to win games.

The Wolves close out the current football season tomorrow, at Bloomfield Hills. As it stands the Wolves in league competition have a 2-3-1 record. A victory tomorrow would square their wins with their losses and assure them of a respectable fourth place finish.

HALLOWEEN DANCE

by Kathy McDermott
 Monday night, the night for spooks and goblins, furnished the perfect setting for the Halloween Dance at the new Senior High School. Free donuts and cider were given away at the Senior sponsored dance. A small admission was charged at the door. After the dance everyone hurried home to wait by the telephone, hoping they would be one of the many winners of the prizes offered by the area merchants. Some of them offered were a free hair-cut from Ronk's, \$2.00 credit at the Sporting Goods Store, \$1.00 worth of gas at Morgan's Gas Station, a man's tie from Shifman's, \$2.00 credit at the Town Shop, and a shampoo and wave at Letta's. Dennie Evans was chairman of the prize committee. Other committees were headed by Adele Lynady tickets, Naomi Armstrong, records, Fred Manning, clean-up. Head chairman of the dance was Dave Gresham.

REPORT CARDS!

by Gaye Lynn
The students at Clarkston Junior High received their report cards on Wednesday, October 26.

It's sometimes interesting to hear opinions on report cards. We have asked some students just what they thought of their report cards.

S. Smalley: "In my opinion the report cards this time were pretty good, considering that the first six weeks are the hardest. The reason being because it's hard to get back in the swing after vacation and also it's hard to get used to new teachers."

M. Lambert: "I thought my report card was awful."

J. Jones: "I thought my report cards were just great."

B. Hinkley: "Ugh!"

R. Lippert: "I liked it ok, except one little ugly grade that goofed everything up. But the rest of my grades were ok."

G. McCall: "I had a pretty good report card."

WHAT IN THE WORLD IS FOOTBALL?

by Alice Upward
When a girl goes to the football game she doesn't notice if Jim Gunter is kicking the ball or if Willie Knox is making a touchdown. She is usually looking around to see who came. By the time the first quarter is over she has memorized who is with whom and what they're wearing. Once in a while she'll glance at the scoreboard but it doesn't help any because she doesn't know one number from the other. During the half she is either trying to talk some poor unfortunate person into running over to the refreshment stand for her or going down under the stands to get the mitten she dropped.

Why a girl wastes her money on a football ticket is probably because the game is played by boys.

INDUSTRIAL ARTS CLUB

by Gary Fitch
October 19th the Clarkston Junior High Industrial Arts Club held a meeting. The meeting was held at 7:30 p.m. and minutes of the previous meeting were read by the secretary.

The members then discussed a dance that is going to be held by the Industrial Arts Club in the future.

The dues were paid and the meeting adjourned. After the meeting the members are making small wooden trains which will be given to orphans. Two or three boys are assigned to make each different kind of car for the trains. At nine o'clock the members stopped work.

MOVIE SHOWN TO GYM CLASSES

by Sandra Smalley
Wednesday, October 26, an informative picture was shown to Mrs. Isola's gym classes. The movie was about the human foot. It explained the structure and care of the foot. It also named foot diseases and how to help prevent them. After the movie the gym classes wrote a theme on what they had learned.

THE HALLOWEEN DANCE

by Charlene Hardy
A Halloween Dance was put on by the Student Government and the Rotary Club on October 31, 1960 at the Clarkston Junior High School for the 6th, 7th, and 8th grades. The dance started at 7:00 and ended at 10:00. To dress in costume or not was optional. There was a prize for the best costume and Joanne Kriss won it. Refreshments were served between 8:00 and 8:30. For refreshments there were cider and doughnuts.

During the dance some of the teachers and parents were there to chaperone.

We thank the Student Government and the Rotary Club for making this dance possible.

CHATTERBOXES

by Carol Coador
Nancy Gottschall
Kathi Clark
Connie Papi is a very busy girl lately, but it seems she finds time to give dancing lessons to a few certain boys! Patti White once said, "No boy would go for me, I can't even catch a fly!" But Ken Powell seems to be very interested in her. Is the feeling mutual? Larry Day seems to be raising quite a stir among the 7th and 8th grade girls. Will the 8th grade boys stand for this?? Brenda Davis, is it true what we hear about your having a crush on Joe Moody?? Looks Like: Carol Sage and Cindy Sloutour both have a crush on Dave J. Bob Thompson's found himself a new girl friend. How about it Virginia? Dick Cranick has a crush on a certain 8th grade girl named Joyce. Victor likes Pam Atchison. Milt Longstaff has a crush on Sandy Richmond and Jill Cunningham. Larry Linty has a crush on Jill too. How do you do it Jill?? Darryl Orr has a crush on Jill Cutter. Pam Wier might be wearing Carl's ring when she comes back to school Monday. Pat Kath will be wearing Johnny's ring after Thursday night. Robert Adcock was seen walking Connie Thompson to her class. Linda Nolen, are you really chasing Ernie Morgan?? Linda Barteon doesn't like Larry Day anymore. Rumor has it there's another boy, how about it, Linda??

DISSECTION OF FROGS

by Sandra Smalley
Mr. Grice's sciences classes have been studying the muscles of the body. This past week he has dissected frogs to show his classes muscles of the leg. Also the skeleton, heart and alimentary muscles.

HOME ECONOMICS CLUB

by Margaret Keech
The second Home Economics Club meeting was held, Tuesday, October 18, 1960. The meeting lasted till 4:00 p.m. It was held in room 112. At the meeting we nominated five people for each office. Then we voted out of each five for

the president, vice-president, secretary, and treasurer. The four people for offices were Star Bailey, president; Penny Cook, vice-president; Linda Bennett, secretary; and Cindy Johnson, treasurer. Each person had many votes.

In the Home Economics Club we shall make and cook things. We shall, also, put on dances or cook sales. Miss Gernaat is in charge of the meetings.

A NEW CLUB

by Patricia Spohn
A Journalism Club was organized on October 25th, 1960. The meeting was held in room three. The Junior High has two columns in the Clarkston News. There were quite a few pupils who wanted to become reporters. Forty students came to the meeting. The club discussed articles to go in the Junior High School paper.

OLD BUILDING? ?

by Bobette Buehrig
Who said the old building isn't as nice as the new? We now have our new windows and you may smell new paint too. Yes, the old phrase of the "old building" is now turning "modern".

THROUGH THE DOORS OF SCIENCE

by Patricia Spohn
Mr. Grice dissected a frog in his classes on October 25, 1960. Veronica Zimmerman and the other girls did not feel well after it happened. He removed the skin carefully trying not to harm the muscles. Mr. Grice passed the frog around. He later took the muscles apart. A skeleton was the only thing left.

A & P OPENS AT NEW NORTH POINTE PLAZA

Grand Opening Huge Success

A capacity crowd of area residents thronged A & P Food Stores' new Early American super market which opened yesterday (November 2) at 5785 Ortonville, Road, Clarkston.

The new super market, containing nearly 14,000 square feet of floor space, is located at the Junction of U. S. 10 and M-15.

Participating in the grand opening ceremonies were a group of A & P officials headed by Vice President M. W. Alldredge and Sales Manager R. J. Murray of the Detroit Unit.

A special program of awards and giveaways had been planned to mark the grand opening. Among top awards were, two portable TV sets, two bicycles, one tricycle, two surreys, one card table with four chairs, two electric coffee makers and five 8-place settings of dishes.

Outdoors and indoors nothing has been left undone to furnish the utmost in efficiency and convenience. A huge, paved parking lot will accommodate nearly 200 cars.

Vice President Alldredge said the new store was designed to conform to findings of a comprehensive survey of the food needs of consumers in this area.

"We hope," he said, "consumers in this area will be as proud and as pleased with what they see in this new super market as we are."

Space has been liberally used inside to enable each department to stock a full line of merchandise. In addition to departments for meat, produce, dairy, bakery, groceries, frozen foods, ice cream, and candy, it also features such extras as health and beauty aids and non-food items.

Quick and efficient shopping characterizes the design and layout of the store. In addition to six power checkout stands, the store also provides an "express" stand to facilitate shopping even on busy weekends.

Food Expert To Manage A & P

Henry P. Klopman, an A & P employee for nearly 15 years, will head the new Early American super market at 5785 Ortonville, Road, Clarkston.

In talking to Klopman you will discover that it takes quite a bit of know-how in many fields of activity to manage a modern food department store.

Klopman has been pretty busy the past week directing stock crews, compiling orders of perishable foods that must be made ready at the last minute to protect their freshness, and performing a myriad of other tasks for the grand opening.

From Klopman's own experience with A & P it would seem the super market manager must be a master of many trades and have a smattering of knowledge of several professions as well.

Basically, of course, a super market manager must have authoritative knowledge and experience in the store's main operation -- meat, produce, dairy, coffee, bakery, frozen foods and candy. And if he has a store as complete as this new super market at 5785 Ortonville, he also must know how to handle and merchandise health and beauty aids and non-food items.

He also must function success-

fully in the field of diplomacy, education, research, public relations and agriculture.

Like other A & P managers, Klopman helps in planning the company education of his staff. All store employees, including managers, participate in the company's intensive training program which fits them for promotions and enlarged responsibilities. When Klopman uncovers a promising young man he recommends him for further training in a company school.

Super market managers sometimes are called on to work with colleges and government agencies in research projects designed to determine customer preferences and buying habits.

Klopman feels he is well qualified on the subject of food retailing. He has been with A & P full time since 1946 and has served in practically every department of a food store. He received his first managerial appointment in 1952. Prior to his most recent assignment, he was manager of the W. Huron Street store in Pontiac for three years. He also served various Detroit stores.

As for shopping trends, Klopman believes present-day consumers are tending strongly to prepared and semi-prepared foods such as prepackaged meats, fish and produce, frozen foods, brown-and-serve rolls and cake mixes.

"Many of these items save the housewife a good deal of time and effort," he says.

Klopman is a native of Detroit and a veteran of World War II. He is married to the former Blanche Marchiori of Mark III. They have two children, Carol, 15, and Michael, 4.

'DANGER' MONTHS COMING UP

With November and December averaging a fifth of the annual Michigan Traffic deaths, Sgt. Mike Ahlgrim, of the Pontiac State Police post, is warning motorists and pedestrians to be unusually vigilant in these hazardous months.

The toll for last November and December was 299, or 20 per-

cent of the 1959 total, the same as the 33-year average computed since traffic records were begun.

"More alert driving and walking can cut down this year end toll," Sergeant Ahlgrim emphasized. "To increase their safety, motorists and pedestrians must work at it every day. You can't take safety for granted."

Sergeant Ahlgrim offered these safety tips:

To drivers: Because traffic hazards increase in November and December, increase your alertness. Take it easy after dark and in bad weather. Increase your caution at hills, curves and inter sections — there may be ice or snow. Obey the traffic

laws and signs and watch out for the motorist or pedestrian who may not. Safe driving can prevent accidents.

To pedestrians: Be especially alert for the added walking hazards of the season. Don't block your vision with packages or other objects. Walk only where drivers expect you, but be on guard for the motorist who may be inattentive or careless. Be extra cautious at night and in bad weather. Remember, careful walking can keep you unharmed so always take your best steps in traffic.

Vote as you please, but be sure to express your desire for good Government. Tuesday, November 8th.

HORSEPOWER THAT MAKES SENSE FOUR CYLINDERS TO SAVE GAS! THE NEW SWEET RUNNING TROPHY 4 ENGINE FROM PONTIAC PERFORMANCE SPECIALISTS!

The new Trophy 4 engine puts real performance in the Tempest and cuts gasoline bills to boot. This new baby is *eager to move out* for safe passing. Holds the going pace on any expressway. Breezes up steep hills in high gear. This new 195 cubic inch displacement, 45° inclined, short stroke, 4 cylinder engine has a wide range of h.p. ratings. With single-barrel carburetor and stick shift: 110 h.p. (regular gas) or 120 h.p. (premium gas). With the same carburetor and extra cost automatic shift: 130 h.p. (regular gas) or 140 h.p. (premium gas). Want still more? Order the 4-barrel carburetor with the automatic and jump the output to 155 h.p. (Or buy the 155 h.p. aluminum V-8 option.)

Rear axle drive and transmission are combined (a trans-axle). Flexible shaft from front engine delivers smooth, quiet power. Perfect 50-50 balance gives a flat, level ride that no other new-size car can touch. *Rides like the big ones!* An equal load on every wheel. Steering is light and easy! Better braking and improved traction in snow, sand or mud! *Independent suspension at all wheels.* Swing axles keep Tempest on an even keel over bumps, ruts, dips and holes! *112" wheelbase.* Long enough for a cradled ride—short enough to handle like a sports car. *Big 15" wheels.* Good road clearance. Long tire life. (13" compact tires turn at least 4900 more times to go 100 miles.) *Seats six men.* The big transmission hump is gone. The middle man can stretch out size 12 brogans! *Wide-Track, too!* The track is up to 3 inches wider than most compacts. Less lean. Less sway. Better cornering. *Pontiac dealers have it—and they have it now!* A four-door sedan... a station wagon... a full line-up of accessories. Try the Tempest out for an hour—you'll want in for keeps! It's priced with the compacts!

It had to happen! If men thought they could keep Jantzen's "Fair Isle" picture shags all to themselves, they were mad, mad, mad! The gals campaigned for them and now we've got them — real man-type boatneck pullovers, marvelously blended brushed wool and mohair to out-shag any shag you've seen. And wait 'til you get a look at those softly glowing colors. Umm! 16.98. His matchmate, 16.95.
