Rotary Anns Plan Christmas Party

On Tuesday evening of last week the Clarkston Rotary Anns met at the home of Mrs. Robert Wertman on S. Holcomb Street. Co-hostesses were Mrs. Leslie Greene and Mrs. Keith Halman.

The president, Mrs. Robert Klingman conducted the business meeting, at which time the Christmas Party Chairman, Mrs. Frank Ronk, announced that the annual party will be held on December 12th at the clubhouse at the Clarkston Golf Course. The members were asked to bring \$1.00 gifts for exchange and they also drew names for the Crippled Children's Christmas Tree at the Elks Temple in Pontiac on December 14.

Mrs. Ronald Walter then introduced the speaker for the evening, Mr. George Caronis, who is employed by the Youth Protective Service Bureau, working out of Probate Court.

Mr. Caronis explained that one of the ways to reduce juvenile delinquency is to try and stop it before it starts. Watch a child say from 7 to 10 years old; acquaint yourself with his traits and then be ready to help him if necessary. He cited many cases in Oakland County and how the Protective Service Bureau had managed to solve the problems. Following his talk, Mr. Caronis very graciously answered many questions.

At the close of the evening dainty refreshments were served from a very attractively arranged table with Mrs. R.M. Parker presiding at the silver service.

M. Y. F. CABINET MET SUNDAY

The cabinet of the Methodist Youth Fellowship met Sunday evening to set up plans for the Christmas season.

Linda Chapman and John Koskela were placed as co-chairmen of the annual New Year's Party.

Plans were also discussed for the Youth Banquet on December 29, and Ron Jyteen and Cheryl Hipp were named Co-chairmen.

On Sunday, December 4, the M. Y. F. will attend the District Carol Sing at Central Methodist Church in Pontiac.

CHRISTMAS PARTY FOR ROYAL NEIGHBORS

The Royal Neighbors will have their Christmas party on Wednesday, December 7, at Ted's Trailer at one o'clock. They will return to Mrs. Arthur Purdy's home at 4015 Edmore for their business meeting and an exchange of 50¢ gifts.

CURRENT BOXING ACTIVITIES

There's always something exciting going on at the new gym in the Community Center. Tuesday night Sheriff Irons was a guest of the boys, and showed great interest in the equipment, and in the boys' work-outs.

Last Saturday television wrestler "Red" Younger brought his own portable wrestling ring over to the Community Center and he and Leo Armstrong, gym director, set it up on the second floor of the Building. Next Saturday night about 8:00, he will put on an exhibition wrestling match with an opponent whose name at this time, is not known.

The number of boys participating in this activity is steadily increasing. Last Saturday night there were 30 to 35 boys in the gym, and the nightly average has now gone up to 20 to 25. Mr. Armstrong feels that the new boxing ring has helped to draw the boys out.

NOTICE

The coin and stamp club will meet on Thursday, December 1, at the Community Center. Bring your trading materials.

Episcopal Vicar And Family Arrive

Reverend Alexander T. Stewart is the new vicar of the newly organized Episcopal Church in Clarkston, which holds services in the Elementary School every Sunday morning, at 9:30.

Reverend Stewart and his wife, Edith, have moved to 6065 Sunnyside, with their two children, Phyllis, who is six, and two-year old David. They come here from the St. Johns Episcopal Church in Midland, although the original home of both Reverend and Mrs. Stewart is Detroit. Reverend Stewart is 37 years old, and is a graduate of Wayne University and Michigan Diocesan School of Theology.

Although there are a couple members of the new Church's Official Board, from Pontiac, the greatest share of the members are from Clarkston. These members include: Mr. Jack Haupt, Warden; Mr. John DeLind, Dr. John Naz, Mrs. James Glennie, Mr. Jerome Wilford, Mr. Wallace Whitmer, Mr. Water Forbes, Mr. Eugene Anderson and Mrs. John Haupt.

Clarkston Locals

Mr. and Mrs. Herbert Rose and family of Berkeley were guests of Mr. and Mrs. Arthur Rose on Thanksgiving Day.

Diane Hursfall, daughter of Mr. and Mrs. Duane Hursfall, 119 N. Holcomb, spent Thanksgiving at home with her family. She is in her first year at Central.

Lucy Oakley, Freshman at Albion is another college student "home for the holidays." She is the daughter of Mr. and Mrs. L. M. Oakley at 73 N. Holcomb.

Among college students who came home for Thanksgiving week-end are Frank Strothers, Cindy Anderson, Sharon Collick. Thanksgiving guests at the home of Mr. and Mrs. C. Drake were Mr. and Mrs. H. Theriot and children, Mr. and Mrs. M. Drake, Jr., and Mrs. Thomas Drake and sons of Pontiac, and Mr. and Mrs. Robert McVeane and family of Wydotte.

Gerald L. Snover radarman seaman, USN, son of Mr. and Mrs. R. A. Snover of 6221 Orion Road, Clarkston, is serving aboard the radar packet destroyer USS Stackell operating with the Sixth Fleet in the Mediterranean.

The destroyer, conducting air defense and anti-submarine warfare maneuvers, has visited France, Italy, Lebanon and Turkey. Lee Pike attended the sub-district representative meeting, for the MYF of the Methodist Church, last week, in Pontiac.

John Kieft, Oberline College, arrived home on Wednesday, to spend the Thanksgiving holidays with his parents, Mr. and Mrs. Howard Kieft, of 7260 Sagamore. On Saturday, the Kieft family drove to Grand Rapids to visit John's and Carol's grandparents. He returned to college on Sunday.

Richard Mansfield, who is a Freshman at Albion College, came "home" for the holidays. He is the son of Mr. and Mrs. William Mansfield, 6593 Clarkston Road.

Mrs. Isobel Seiden has returned from Detroit where she was called by the death of her brother-in-law, Dr. C. G. Drevdahl.

Mr. and Mrs. Richard Christian and Larry spent the Thanksgiving holidays with his mother, in Independence, Iowa.

OUT OF THE MOUTHS OF BABES

Jr. Hi student: Hey! There's snow on the ground. Cancel the school buses!

5th Grader, dreamily: I wish it would snow clear up around the chimney.

Baby who can't talk: I wish it would snow 10 feet by tonight, but I don't s'pose we'll be that lucky, do you, Dad?

11th grader: Well, if I'm to sick to go out, will you bring in some snow so I can make a snow man?

Sr. Hi Student: I don't care if it is still snowing, Mom, I'm not wearing rubbers!

4th grader, plotting with little sister in first grade: If we take a short cut to school, it's deeper in the ditches!

CUBS OF PACK 134 WATCH FIRES
Den 6 and Den 10 of Pack 134, with their respective Den Mothers, Mrs. Aivin Caverly and Mrs. Omer Brewer were recently invited to watch the procedures of planned fire fighting. A house on Sashabaw Road had to be demolished to make way for the oncoming Chrysler Expressway. The fire was "tended" by the Independence Firefighters with Fire Chief Don Beach, Firemen Bill Wilson, "Tink" Ronk, and the rest of the department all pitching in to do the job right.

Although the wrecking crew specified in their invitation that the boys would have to stay far enough away from the fire for absolute safety, that didn't dampen their enthusiasm, as they waited for the fire trucks — with the fire sirens sounding — and the firemen to start that fire scheduled.

During October, Fireman Roger Walstead and Fireman Edward Bailey had spoken to the boys at the Pack Meeting, on the dangers of fire.

A second house was burned on Sunday, when the Independence Township firemen started the fire, put it out, started it again, and put it out again. This was done repeatedly, until finally, they just let it burn to the ground.

The wreckers, Mr. Russell Harris and Mr. Ivan Mliover, both from Lansing donated the salvage rights from both of these houses, to the boys of Pack 134, which boosted the sum in their Treasury considerably. Their standard fund raising project is the selling of ribbons of all colors.

This event introduced the theme for November "New Worlds", as work for the new highway makes come home for Thanksgiving week-end are Frank Strothers, Cindy Anderson, Sharon Collick. CUBS VISIT MISSILE BASE

There was a good turn-out of Pack 49 Cubs, when the objective was the Uica Nikki Missile Base, last week! Between 50 and 60 boys and 10 or 12 fathers gathered at the school at 1:00 p.m. Mr. Evans reports that its the only time they've ever had more cars than they needed.

Upon their arrival at the Base, they were taken into the barracks where they were shown movies describing two different types of missiles, the Atlas and the Hercules.

Then they were shown how the missiles are taken from the ground and put into firing position. They were thrilled with the "Count Down", and sorely disappointed when the missile wasn't fired into the air!

The meeting will be held at the Lake Orion Community Center, at the corner of Orion and Kern Road, at 8:00 p.m., December 6.

FRIENDS OF ART CHRISTMAS SALE

The Clarkston Conservatory of Music has been ready by the Village Friends of Art for the Christmas Art Sale. Friday, December 2nd from 4-8 p.m. and Saturday, December 3rd from 1-5 p.m. are the sale hours. 49 South Main Street is the setting for the sale. The basement, too, has been garnished and lends an old world atmosphere to the scene.

Many of the exhibiting artist will be visiting the Conservatory during the sale hours. The patron will have the opportunity to meet the artist who will give added significance to any art object he may acquire.

Another feature of the sale is the students' and children's booth. Art work and crafts of the community young people will be displayed here.

This event presents an excellent opportunity for the community to share another fine production of the Village Friends of Art. No admission will be charged. An invitation is extended to the public to come in to browse and to become acquainted with some of the artists of the vicinity.

A coffee booth will be available for the pleasure of the patrons.

Teen-ager Lynn VanderVeld will be at the Art Sale on Saturday. She will be drawing pictures of horses to amuse the people, but will also draw to specifications given by anyone who wishes to order a picture, and have it done before their very eyes. Lynn's home is Catalina Island, California, but she is attending the Walled Lake School for this semester. Her parents are both artists, so she comes by her talent naturally. She is the niece of Mrs. Jerome Wilford.

There will be a Christmas party for all members of the chapter following the business meeting with an exchange of white elephant gifts. An offering will be taken for The Children's Villa at Adrian.

Mrs. George Lang is in charge of decorations and promises a real Christmas atmosphere. Refreshments in keeping with the season will be served by Mrs. Marvin Roberts, Mrs. Harold Locklar, Mrs. Kenneth Thomas, Mrs. H. J. Nelson, Florence Hollinger, Alberta Williams and Rosella Parcels, Mrs. Howard Johnson is chairman of hostesses.

AWARDS FOR CUB SCOUT PACK 49

Many new boys were welcomed into Pack 49 by the Cubmaster, Del Walters at their November meeting. Bobcat Pins were awarded to David LePere, Jeff Smith, Greg Ronk, Randy Seagrath, Dick Hale, Mark Church, Gilbert Wright, Pat Rose, Danny Haleman and Bob Radoye.

These boys accepted their pins thankfully, as well as proudly, because they realized how lucky they were to get into the Pack. Many boys are still on the waiting list unable to be accepted because there are no Den Mothers to take charge. Being a Den Mother is a good way to get acquainted, whether one has a boy or not, and nothing could be more rewarding. If you are new in the community and would like to meet people, if you feel lost because your children are in school, or if you'd just like something different and interesting, why not call Mr. Walters and talk over the possibilities in being a Den Mother?

After the Bobcat pins were distributed, Wolf Badges were awarded to George Easton and Ralph Alexander.

A Lion Badge went to John Augler, with 1 Gold Arrow and 1 Silver Arrow.

One year pins went to: Eric Wooley, Jim Navarre, Greg Elliott, Craig Hutchins, Frank Jones, Billy Beach, Greg Seagrath and Gary Klann.

Two year pins went to: Mark Dalton, Greg Chartier, Gary Fuller, Bruce Sickelsteel, and Ralph Alexander.

Skits in keeping with the November theme were presented by two of the Dens. Den 3, with Den Mothers Mrs. Robert Kidd and Mrs. Vernon Sturdy presented the "Monaque Dragon", which was a huge colorful paper "dragon" which the Cubs had made.

Den 9 enacted "Space Cubs to the moon" with Mrs. Ralph Jones and Mrs. Dayton Hutchins as Den Mothers. The President of the United States, Danny Mastia, had the three boys farewell, and then the man at the controls, Mark Christies, released the space ship which contained Frank Jones and Craig Hutchins. When they landed on the huge yellow moon, with the green cheese, they found it to be already inhabited by three mice who had been shot up there by the Russians and refused to leave! There was also the "man in the moon", Louis Lessard. The three mice were Billy Beach, Greg Ronk and David LePere.

Group singing was led by Mrs. Arthur Rose and the Attendance Award was won by Den 9.

Seymour Lake News

Mr. and Mrs. Ray Dawley are the parents of a baby boy, born on Friday, November 25 at the Pontiac General Hospital. They named their baby, who weighed 7 lbs. and 1/2 oz., Jeffrey Raymond. Mrs. Dawley is the former Prudy Hutchins, daughter of Mr. and Mrs. Dayton Hutchins and the baby's paternal grandparents are Mr. and Mrs. Henry Dawley of Ortonville Road.

Woman's Club Has 20th Anniversary

The Woman's Society of Christian Service will meet at the Clarkston Methodist Church Thursday, December 8th. Since this month marks the 20th Anniversary of the Society, chapter members and past presidents of the organization will be honored guests at the luncheon served by Mary Circle at 12:30.

Immediately following the luncheon, a brief business session will be conducted by the president, Mrs. Richard Christiansen.

Mrs. Kenneth Johnson, vice-president in charge of programs, will then present Mrs. Carl Binkle a teacher and world traveler of Birmingham who will take those present on a most interesting trip through the Mediterranean and the Holy Land via pictures.

Mrs. Paul Ellason will render a cello solo accompanied by Mrs. Jack Skarrit. All women of the community are cordially invited to share in the fellowship of the occasion.

The executive committee will meet at 11:00 A.M.

TEA FOR NEW VICAR'S WIFE

Mrs. John DeLind entertained about 35 guests at a very lovely tea, on Sunday afternoon, to introduce the wife of the new vicar of the Episcopalian Church in Clarkston.

Mrs. James Glennie presided at the tea service, with Mrs. Wallace Whitmer and Mrs. Jack Haupt assisting.

GOODWILL TRUCKS TO APPEAR DECEMBER 7th AND 8th

Put all of the things that are of no further use to you in a box for the Goodwill, and let those things become useful and helpful again. The Goodwill trucks will canvass our neighborhoods on December 7th and 8th, to collect clothing, dishes, furniture and magazines which you can no longer use.

If you have some things you would like to have collected, contact Mrs. Lee at Maple 5-3381, and she will arrange to have the trucks stop at your home.

FOOD FILLERS

Careful food shopping may mean more to spend for Christmas advises the Marketing Information Agent, Mrs. Josephine Lawyer. Here's a December prediction you may wish to check.

Food shoppers buy fewer fryers in December than during any other months of the year, yet there is an estimated 15 to 20 percent more fryers ready to be marketed this December than last. Smart shoppers will realize that the combination of fewer customers and larger supplies will result in economical prices for consumers.

Using more fryers in December could mean some money saved toward a Christmas gift. It could mean more fryers in the freezer for future use.

Big trucks of Christmas trees are moving. But did you know that the best time to select a Christmas tree is when they first appear for sale? You can select the size, shape and kind of tree you want before it dries out from exposure to sun and air suggests the Marketing Information Agent, Mrs. Josephine Lawyer.

Once the tree is home, give it a cold shower to remove the dust. Then make a fresh cut about an inch or two from the butt end of the tree. The original cut is always too gummed to permit water to pass through. Then split the butt end crosswise with a sharp hatchet making the splits one to two inches long. This will allow more water absorption. Set the tree in a container of water and store in a cool shaded place until ready to decorate.

Do you get the best eating quality from the frozen foods you buy? asks the Marketing Information Agent, Mrs. Josephine Lawyer. Do you protect the quality of frozen foods by keeping them cold enough and using them soon enough?

Frozen food should be stored at zero degrees Fahrenheit or lower. At temperatures above zero, Chemical changes in the food cause rapid loss of color, flavor, texture and some of the health or nutritive value.

If the temperature of your

Rotary To Sell Goodfellow Papers

Frank "Tink" Ronk, president of the Clarkston Rotary Club announces that the Clarkston Rotarians will be on the streets and at the busy intersections on Friday and Saturday of this week selling the annual Goodfellow Papers. Harold Goyette, chairman of the sale, is asking for the cooperation of all Rotarians and all the good folks in this area.

He hopes to realize enough from this sale of papers to make the club's project bigger and better than ever. You see, this year, the Clarkston Rotary Club is striving to put a pair of new shoes on the feet of every needy child in the area and this means quite a few pairs. So, you are asked to give as generously as possible when approached by the paper boys.

When you put your hand in your pocket to take out your small change — stop — and say to yourself — oh, yes, I am helping to buy a pair of shoes for little Johnny or little Mary, and I must be fair with them.

Then too the proceeds from the paper sale will help add to the Christmas Spirit in Clarkston by bringing Santa to town on Christmas Eve with a treat for the little folks, and also the Rotarians will drop by with a greeting for the shut-ins.

Do you like to mix biscuits, use a biscuit mixer, or buy canned biscuits? Which ever you serve them, there is not much difference in cost says the Marketing Information Agent, Mrs. Josephine Lawyer.

If you make biscuits at home and make them the same size as those in the cans, they cost almost one cent each. If you use biscuit mix, they cost one cent each. If you buy canned biscuits they cost about one and one-half cents each.

Twenty-five years ago only 17,000 dozen packages of biscuits were sold in a year. In 1958, 60,000 dozen packages of biscuits were sold.

THE EDITOR OBSERVES
 Again the weeks have rolled by and another report card is due. Six weeks of hard work have been put in for some, the ones who are planning ahead and thinking of what the future holds for them. These people know that the grades they earn today will count quite a lot in future years. When the day they enroll in college comes they will be the ones who are prepared, the ones who will be accepted.

Why are your grades so important? That is a good question because right now they seem dead once they are recorded. But, when you want to have a job or go to college, this may depend entirely on your grades. If you work hard and get good grades, besides having an interest in what you are doing, naturally your employer or the dean at college will realize that you will do as much or as little for them.

Why are your grades important? Simply because they chart the way your future will go.

TOOTSIE POP HOP SUCCESS
 by Adele Lynady
 Linda Hallman
 "Tootsie Pops" sure seem to be the fad now days. The Pep Club realizing this decided to sponsor a dance. The Theme? Why of course, the "Tootsie Pops Hop!"

From 8:30 to 11:30 students danced to popular records deejayed by Bob Knight. Refreshments of cookies and pop were served along with colorful Tootsie Pops.

Corinne Blackett and Bob Jennings seemed to be enjoying the evening, along with Katy Bird and Jack Lundy, Jemie Mansfield, and Denny Theakston, Iton Lundy, and Eleanor Carney, while Ruth Jackson and Chuck Houston, Gay Huffman and Larry Blackett, Adele Lynady and Jerry Powell, Jeannette Whitlock, and Mike Bates just yanked it up. Among the many people stag were: Carol Walter, Leslie Hursfall, Ron Applegate, Vicki Burley, Sue Turek, Sue Larkin, Rocky Bullard, Mary Bates, Mike Applegate, Gary Haiser, Linda Hipp, and Harold Weston.

Many thanks are in order to the Pep Club for sponsoring this dance. Committees were as follows: Publicity chairman, Cheryl Newbigging, Decorations, Lynn Ellsworth; Clean Up, Marcy Fox, Refreshments, Cheryl Hipp, and Records, Louise Johnson.

MYSTERIOUS WORD
 by Judy Leach

What do you think a LANLAUS is? If you like to guess the meanings of words then try this one. The following students did and here are their answers:
 Barbara Gray thought the word might be the name of a newspaper.
 Marion Medcalf thought it was the name of a hay loft.

"Some kind of animal", was the answer given by Bill Black.
 Brenda Martin thought it was a scientific invention.

But even though some of these answers may sound a little logical, Webster says it is a "ski race on a flat terrain."

SCIENCE CLUB HOLDS FIRST MEETING
 by Adele Lynady

The first meeting of Clarkston High School Science Club was held November 21 to begin and plan their 1960-61 program. Meetings will be held on the first Tuesday of each month at 7:00 P.M. in the Senior High School.

The committee program, composed of Carolyn Talmage, Sue Cushman, Mary Robbins, and Ron Jyleen, have planned an interesting year for the members, having guest speakers come and discuss the different phases of science, interesting films dealing with all types of sciences, and various field trips.

The advisors and officers for this year's club are: Mr. Kelly Burnette, Mrs. Bob Varner, Mr. Ralph Kenyon, Ron Jyleen, President; Larry Blackett, Vice-President; Mary Robbins, Secretary; and Sue Larkin, Treasurer.

Any student wishing to join the Science Club should attend the next meeting to be held, December 8th.

Varsity to Clash with Bloomfield Hills in Opener

The first clash on the basketball court will come Friday, December 2nd, for Clarkston. With the scrimmage of the preceding Tuesday behind them the team is in full spirits to face their Bloomfield Hills opponents. The excitement of the new gymnasium and the practice weeks behind the students are looking forward to an exciting game.

Ten C. H. S. boys made the Varsity with 6 Seniors represented. Bill Powell, our tallest player at 6' 4", will have a tough job trying to control both backboards. Forwards are Ron Walter and Ron Lundy with the positions of guards being filled by Hal Weston and Jack McCall. Gary Wilson at 6' 2" will play center and forward.

The Juniors on the squad are Mike Applegate, Jesse Rogers, and Chuck Funk as guards and Jerry Powell as a forward.

Clarkston students have nothing to hold them back from getting out and really cheering their team on to victory. The immense, new gym provides seats for 2,000 spectators plus the convenience of two scoreboards, one placed at each end of the court. The concessions stand in the commons area will be open and in operation. Admission is 75c for adults and 35c for students who purchase their tickets in advance.

CHRISTMAS DINNER PLANNED BY C.H.S.F.T.A.

At a recent business meeting held November 22, the C. H. S. Future Teachers discussed plans for a progressive dinner to be held at their Christmas party. To begin the dinner, appetizers will be served by Diane DeLongcamp. The group will then proceed to Mrs. Ruth Purslow's home where they will be served the main course. To complete the dinner, dessert will be furnished at Joyce Galligan's home, where there will also be entertainment. To complete the evening, gifts will be exchanged among members of the organization.

Clarkston High Wins First League Debate
 by Janet Tisch

Winning their first league debate of the season, Clarkston High School was able to further their winning streak to ten consecutive wins. The negative team from Clarkston, Earl Pearson and Dave Smith, defeated the affirmative debaters from West Bloomfield in the first round debate, and in the second round, Carolyn Suggs and Phil Smith, affirmative team again defeated the west Bloomfield debaters.

The topic debated on November 22, was, resolved: That the United Nations should be significantly strengthened a topic that officers debaters the opportunity to present a wide variety of plans and counter plans.

WHO'S WHO

The teacher that was picked for the Who's Who feature this week is not new at Clarkston this year, but in the few years he has been here he is considered, as most boys say, "one of the fellas."

Being a coach for football, basketball, track, and baseball has given him the opportunity to be known as one of the most favorite teachers at C. H. S.

Along with his coaching abilities he also teaches Biology and General Science.

In a crowd either of boys or girls you surely can see this Personality Plus Person otherwise known as Mr. Kelly Burnette.

EXTRA! EXTRA! EXTRA!

They're only seven cents, seven tenths of a dime. This is all we're charging for the newspaper of ours. We've noticed that many of our students are just sneaking by with a hope that they won't get caught. If they are flagged down they give the all time flimsy excuse that they don't have any money. Of course all of the C. H. S. students aren't like that, some of them are loyal and try to keep up the school spirit. Now we're not saying that all the students that don't buy a newspaper are unloyal but won't you please help us?

J. V. BEGINS SEASON

Facing the Bloomfield Hills opponents preceding the Varsity game will be the J. V. squad for this basketball season. The game will begin at 7:00 and promises to be exciting for all the J. V. Fans. The complete team consists of: Roger Rolfe, Kenneth Abbott, David Cullen, Larry Gardner, Bob Jennings, Richard Lord, Jack Lundy, Robert Osgood, Danny Ragatz, Mike Simonson and Darrell Williams.

The next J. V. home game will be December 23rd with the West Bloomfield Lakers.

Party Marks Final Performance of "Eileen"

Following the final performance of "My Sister Eileen" on November 18th., a cast and committee party was held by Sally Moore and her parents Mr. and Mrs. James Moore at the Community Building.

A delicious buffet added the perfect touch and everyone enjoyed dancing. Some who attended were: Cheryl Hipp, Mel Joseph, Naomi Armstrong, Bill White, Linda Chapman, Ron Lundy, Gay Ann Huffman, Larry Blackett, Ron Jyleen, Judy Booth, Kay Derbyshire, Donna Harris, Bob Knight, Dennis Galligan, Jane Zumbunnen, Kathy McDermott, Bonnie Buella, Karen Smith, Joan Bailey, Fred Warrick, Gary Baker, Becky DeLong, Nancy Walker, Cappy Buehrig, Fred Manning, Kathy Blimka, and Carolyn Talmage. Betty's party marked the ending of many weeks work and was really appreciated.

A LIFE OF EASE?

You may think that a day in the life of the publications staff is very simple. If that's what you are thinking you are mistaken, although the customer is always right, this is one exception. There are things to be typed and copy has to be written and also articles proofread. These aren't half the duties that the staff has to do. Believe me the Publications class is one of the most hard working in the school.

CLARKSTON JUNIOR HIGH BASKETBALL LEAGUE
 by Danny Williams

This league is made up of the seventh and eighth grade boys. The teams are made from the first four classes. A seventh grade team and an eighth grade team do not compete together.

The captains and co-captains are chosen by the boys in the class. They also vote on names for the teams.

SCIENCE PROJECTS
 by Charlene Hardy
 Pamela Haiser

During the past six weeks we have planted different kinds of plants and done many experiments, in Mr. Grice's science class.

Gale Getzan, Karen Bray, Charlene Hardy, and Pamela Haiser have been making charts of different kinds of bark.

Also we have collected leaves and made them into a booklet. While trying to work with our plants and doing experiments we have been cleaning the science room. It was quite untidy before we started cleaning. It looks better now.

WHAT IS ENGLISH?
 by Gaye Lynn

"What is English class?" is a question that every English student thinks about at one time or another.

English is a subject that is taught for a purpose. You should have correct English to get ahead in the world. After all, English is a tool and you must know how to use it.

Then again, the student comes back with, "I know all the necessary points about English. All you get in school are tests and more tests." Have they ever stopped to think what tests were for? They are to let both the teacher and yourself know where and what your problems are in English.

When you apply for a job you should use correct English. You cannot walk in an office and say, "Can I have this here job?" and expect to get it.

So, if you ever ask, "What is English class?" stop and think a minute about what I have just said.

IT'S JUST AROUND THE CORNER
 by Alice Upward

Christmas is on its way again so we're going to have to look for Christmas trees on sale and where we put the ornaments last year. Around our house we're always losing the stand.

Decorating the Christmas tree isn't so bad; it's when you have to take it down. Have you ever noticed how Dad helps to put it up but when it comes to taking the thing down he's busy.

It seems that good old Dad always picks out the tree and usually it's either too big or it's so bushy we can't get the presents under 'it.

Last year Mom bought quite a few ornaments. Now Daddy wants to buy a little Christmas tree for the table — that's life!

NOTICES FOR ALL CLARKSTON JUNIOR HIGH

Six week exams are coming up soon so study and try to get good grades!

Overdue books better get to the library or you will be running out of money!

Mrs. Mansfield was born in Cornwall, England. In 1924 she came to Highland Park, Michigan. In 1928 she moved to Maceday Lake. After that she moved to Clarkston where she now lives. In 1936 she graduated from Clarkston High. She spent a year at Pontiac Business Institute. She has four children, Richard, Joan James and Cheryl.

Her hobbies are: all kinds of sports, Dixie Land music, and being instructor for boys and girls choir at the Methodist Church in Clarkston.

NEW CURTAINS ! !
 by Carole Strohkirch

Miss Gernaat has been having some of the seventh and eighth grade girls make new curtains for the home economic rooms. They are red and white checked.

The new curtains are very pretty and make the rooms look more like real kitchens and sewing rooms.

Notice them?

HOME ECONOMICS CLUB
 by Margaret Keech

The seventh grade Home Economics Club met on Tuesday, November 15, 1960 in room 110 from 3:05 to 4:30 p.m.

The club members divided into two groups, sewing and cooking. Then the people who were cooking divided into three groups, making Christmas cookies, fruit cakes and candy.

RIDING A HORSE
 by Brenda Shaw

Have you ever ridden upon a horse,

Going over a jumping course; Riding with the wind in your hair,

With ever so quickly a pleasant scare.

Galloping so fast you seem to have wings like a bird.

You hardly notice the small horse herd.

Watch out here comes a fin!
 Please, don't worry, cause we will win!
 Over a jump that is nearly too steep.

My horse will have to make a giant leap.
 Steady now! Here we go;
 Ever so lightly and pretty and so,
 Now we shall retire for another day;
 So rest now boy, while I get you some hay.

SCIENCE CLASS
 by Margaret Keech

In Mrs. Beach's seventh grade science classes we are reading reports on plants. They are on the apple, cotton, walking fern, violet and many others.

BASKETBALL IN ACTION
 by Pat White

What is basketball? Some people are thrilled by the game. To them it is a great sport, with a specific meaning. But, to me it means something different. Here are some of my viewpoints on what I think, basketball really is.

The game consists of ten perfectly normal boys, running around in different directions, all looking wildly up in the air, hoping that they will have a chance to get a hold of the ball. Once in a while Mike J. and Carl H. will collide. But, of course, this is a minor detail.

Then there is always short, little Jeff H. to dribble the ball between the legs of Jerry H.

Of course, the game wouldn't be complete without some fool tossing an orange-colored ball into the air, and accidentally landing it in the side of the basket. So there it lies, stuck. Of course Randy A. would like to be a hero. So, he jumps, waves his hand wildly at the ball trying desperately trying to get the ball down but, he finally turns away in defeat.

Then comes the climax. The score is zero to zero, with forty seconds to go. The whole game depends on Gary P.! The ball is passed, very swiftly, to him. When all of a sudden . . . PLOP! Was it Gary's fault that some joker had laid a banana peel in the middle of the court? Well, that's the way the ball bounces, I guess!

FIRST METHODIST CHURCH NEWS

The Intermediate Youth Fellowship of First Methodist Church are selling Christmas Wreaths this year as their special project in helping to build their new church. These are the same wreaths which the Hi-Y Boys sold last year. Under the leadership of Mr. and Mrs. Thomas Boyns and Reverend William J. Richards the group has grown to about forty young people. Mr. Boyns announced that the wreaths will go on sale Saturday, December 3rd. Many of the young people will go door to door and will be identified by a letter from the church office.

Last Tuesday evening over 30 Young Adults of First Methodist Church met for their first social evening at the church. Dinner was served hostess style by Mrs. Evan Leonard, Mr. Kenneth Leslie, Mrs. Richard Johnston, and Mrs. Larry Stuart in the dining room amidst lovely Christmas decorations. Mr. and Mrs. Lewis Wint and Mr. and Mrs. Richard Huttenlocher led the group in an evening of fun and social festivities afterward. Reverend Richards, the pastor, closed the evening with devotions.

Mrs. David Stewart and Mrs. Robert Jones, chairmen of The Altar Guild of First Methodist Church, announced this week the memorial poinsetta will again deck the Altar of the church. Last year more than 25 poinsetta beautified the church Altar at Christmas time. In order that memorials may appear in the Christmas bulletin they must be in by Thursday, December 15th. Poinsetta may be ordered through the church or ones own florist.

Young people, some 65 strong, from the Senior Hi and Junior Hi Youth Fellowships of First Methodist Church, Pontiac, this Sunday evening December 4th at 7:00 p.m. Over 1200 Methodist youth from the greater Pontiac area are expected. Last year the church took care of an overflow crowd, and it was reported that this was one of the most inspiring services ever held at the church.

Clarkston youth will leave the church at 8:15 p.m. under the leadership of Mr. Robert Varner, Mr. and Mrs. Garwood Maunela, Mr. and Mrs. Thomas Boyns, and Reverend and Mrs. William J. Richards. Refreshments will be served at the church following the service.

NEW TELEPHONE BOOKS BEING DELIVERED

Michigan Bell Telephone Company began delivery of its new Clarkston telephone directory Friday, November 25, announced John D. Kamego, manager here for the company.

"Some 4,200 copies of this annual 'best seller' will be distributed here and in the surrounding area," Kamego said.

Both the alphabetical — white pages — and the Yellow Pages classified sections reflect the additions and changes which have occurred in local listings since the last directory was issued, he added.

"When the new directory arrives, the old one should be discarded," Kamego said. "However, telephone users should check their old books and remove any valuable papers they might have placed in them."

He also suggested that personal lists of frequently-called numbers be transferred to the new book.

Kamego added that the local directory also contains separate listings for Lake Orion and Oxford-Leonard area.

CONTRIBUTE TO A WORTHY CAUSE

Here is your chance to put some of thoughts you've had, be-

ginning with "If only they would . . .", on paper, and perhaps prevent an accident, which could mean death, permanent disability, or at the very least, certain destruction of property — perhaps even your own!

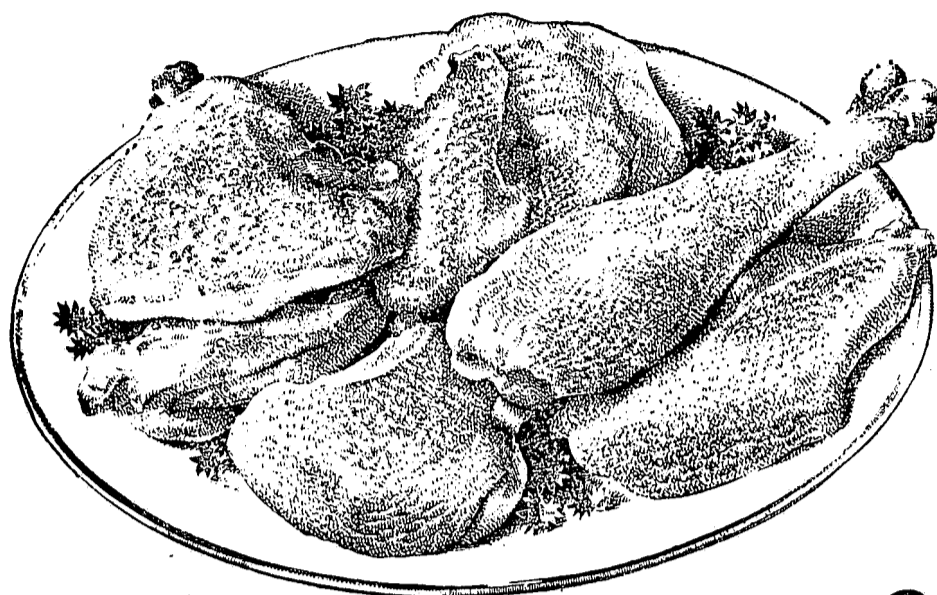

James M. Hare, Chairman of the State Safety Commission would like to know what you, a citizen of Clarkston, or surrounding areas, would do to help reduce Michigan's highway death and accident rate. The Thanksgiving

Holidays are passed, leaving us starkly aware of the heavy price some of us must pay on the highways, to fulfill the law of averages. With these accidents fresh in your mind, what ideas do you have which you feel might tend to eliminate even one accident during the Christmas Holidays, which are so very close?

Any of you who have suggestions for improving the highway safety program are urged to write to James M. Hare Michigan State

Safety Commission, The Capitol, Lansing, Michigan.

Remember that the stop sign, the double-stripe on highway 'no passing' zones and the red-amber-green traffic lights were all once "just somebody's ideas". So were the high school driver training program, the License Appeal Board and the school bus law. Here's an opportunity to "do your bit" and to "contribute to a worthy cause" without it costing you a penny!

Waterford

Mrs. Nellie King, of Waterford, will celebrate her 85th birthday on the 2nd of December.

Mr. and Mrs. Clare Hillman of Island Park Drive, and formerly of Airport Road in Waterford, had their family with them for Thanksgiving Day. Having dinner with them were Mr. and Mrs. Malverne Hillman and three daughters and Mr. and Mrs. Terry Walker and son, all from near Clarkston, and Cheryl Hillman.

The O. D. O. Club Christmas meeting is set for Thursday, December 8th, when the ladies will attend the luncheon given by the Waterford Branch of the National Farm and Garden Club at the C. A. I. Building. The luncheon will be held in connection with the Greens Market taking place that day. In the afternoon the O. D. O. ladies will continue their party in the Women's Club Room, with a short meeting and gift exchange.

Mrs. Glenna Duguid and her son-in-law and daughter, Mr. and Mrs. Kenneth Clark, all of Sylvester Street, had the Duguid family gathering at their home on Thanksgiving Day. Thirty-one guests were there from Saco, Bay City, Alpena, Ypsilanti, Highland Park, Grosse Pointe, Montgomery, Reading and Jackson.

Mr. and Mrs. Jack Hall of Waterloo Street, and daughter Mrs. Ray Everett of Clayton St. and her two boys Bruce and Jackie, drove to Detroit early Thanksgiving morning to see the J. L. Hudson Parade. Later they joined the Bruce Everetts of Lincolnshire Road for a family gathering with 31 at their home for dinner. The senior Everetts are flying to Ft. Lauderdale, Fla. this Thursday where they will spend

the winter. Mr. and Mrs. Lawrence Lewis of Manistee spent the Thanksgiving Holiday with their son and family, Mr. and Mrs. Gerald Lewis of Andersonville Road.

Mrs. Arthur Davis of Andersonville Road had the misfortune to fall in her home Sunday and break her hip. Mrs. Davis who recently had her 89th birthday lives alone and was not found for about 4 hours after falling. She is in Pontiac General Hospital and is scheduled to undergo surgery Wednesday morning.

Mr. and Mrs. Robert Snyder and son Wayne of Terrell Street drove to Jackson, Tennessee, for Thanksgiving and the week-end where they visited Mr. and Mrs. Roy Thomas and their family. Mrs. Snyder and Mrs. Thomas are sister. They enjoyed a trip through Mammoth Cave in Kentucky on their way down.

Recreation Director and Mrs. Thomas Belton, with their children Jimmie and Debra, spent Thanksgiving with his folks in Dowagiac.

The Waterford 500 Club will be entertained at the home of Mrs. Albert Dryden on Williams Lake Road, Monday evening, December 6th. This will be their Christmas Party with gift exchange.

Mr. and Mrs. William Shunk are the proud grandparents of George Andrew, born to Mr. and Mrs. Bradley C. Reardon (Sidonie Jeanne Shunk) of Nashville, Tenn., on Sunday, November 13. Paternal grandparents are Mr. and Mrs. Kenneth N. Reardon of Pittsburgh, Pa.

PEARL HARBOR, CIVIL DEFENSE DAY COINCIDE TO STRESS NEED FOR NATIONAL WARNING NET

"Civil Defense Day, December 7, falls on the 19th anniversary of the Pearl Harbor disaster — a date which reminds us of the vital need for swift warning for our civilian population in an attack emergency," said Director Leo A. Hoegh of the Office of Civil and Defense Mobilization.

"The lesson of Pearl Harbor is that national disaster can stem from an inadequate warning system and incomplete public knowledge of warning signals. Thus, OCDM considers the maintenance and expansion of the National Warning System (NAWAS) to be one of its most vital operations."

Mr. Hoegh pointed out that OCDM Attack Warning Officers are on duty at all times at North American Air Defense Command Headquarters. The same information that would trigger military retaliation in case of attack would cause a warning to be flashed across the country to the civilian population in less than 90 seconds.

NAWAS today has 376 major warning points throughout the Nation on 24-hour alert. The addition of 60 more stations is planned during the next 12 months, the OCDM Director revealed.

Inadequate public knowledge of the warning signals is being overcome by public information and education at all levels of government, Mr. Hoegh pointed out.

Wallet cards and pamphlets that explain the warning signals are available free at every civil defense office. These cards tell the public that a steady siren blast of 3 to 5 minutes means: "Attack probable — take action as indicated by local government." A waiting tone or short blasts for 3 minutes means: "Attack imminent — take cover immediately in best available shelter."

Knowledge of the warning signals is one of five fundamentals of effective civil defense, Mr. Hoegh points out. The others are: Know your community plan for emergency action.

Know first aid, which is valuable for everyday living as well. Know how to use CONELRAD. In an emergency, turn to 640 or 1240 on your radio dial for local official instructions and information.

Know fallout protection measures. Plan your home shelter. Get from your local civil defense office or by writing Box House Shelter, Battle Creek, Michigan, a copy of "The Family Fallout Shelter" booklet.

"If we wait until the sirens sound to prepare, it could be

too late. We must prepare our homes and families now to meet an emergency if it should come. Civil defense begins with a prepared family and ends with a protected Nation. This is the lesson of Civil Defense Day, 1960," Hoegh concluded.

WATERFORD FARM AND GARDEN CLUB SPONSOR GREENS MARKET

Christmas trees of all kinds — a jewelry tree, artfully concocted nut trees and the tall Scotch pine — will be among items offered at the fourth annual Greens Market sponsored by the Waterford Branch of the Women's National Farm and Garden association.

The event is scheduled from 9 A. M. to 9 P. M. Thursday, December 8, at the CAI Building, 5640 Williams Lake Road.

Orders for the Scotch pine Christmas trees will be taken at the sale. Proceeds from this project will go toward the club's exchange student scholarship fund. Now attending Waterford Township High school under club sponsorship is Heidi Vogelberg of Germany. A local student will be sent abroad next summer.

Be-acquired felt stockings, watches and wreaths to enhance the fireplace, centerpieces of art-

ficial and dried materials, holiday corsages and decorated candles will also be on sale. In addition, styrofoam churches, della Robbia wreaths, roping, fruit cakes and floral calendars will be offered. A do-it-yourself table greens, ornaments, ribbons and mire for those who would like to make something special for home, office or church.

Mrs. Richard Gorman and Mrs. Ralph Dikeman are co-chairmen of the Market and with club president, Mrs. Eugene Cleland, have headed a committee which has worked for the past two months making the della Robbia wreaths. Forty of these attractive works of art were sold at the recent Women's City Club bazaar in Detroit. Assisting with the project were Mrs. Mark Stewart, Mrs. Donald Gilchrist Mrs. E. L. Windeler, Mrs. Garrett Prible, Mrs. Ralph Bump, Mrs. James Green, Mrs. Delton Ettinger, and Mrs. A. L. Adams.

Other chairmen are Mrs. William Baer and Mrs. Fred Hellman, stockings and Santas; Mrs. Adams, churches; Mrs. William Miller, nut trees; Mrs. Gilchrist and Mrs. Peble, corsages; Mrs. A. W. Fisher, greens.

Mrs. Stewart is in charge of the luncheon to be served between 12 and 1:30. Mrs. Wals Goodwin and Mrs. Miller are arranging the tea table which will offer coffee, tea and cookies during the day-long event.

LOCAL AUTO LICENSE SERVICE TO BE OFFERED

Automobile owners in nearly 200 Michigan communities will again be able to purchase their 1961 license tabs in their home communities instead of travel-

ing to branch offices elsewhere in the county.

Secretary of State James M. Hare reminded auto owners that this itinerant service is offered at no additional cost to the taxpayers or to the persons purchas-

ing their vehicle license.

Hare said, "The community service program is made possible through the cooperation of civic-minded local citizens who are providing the quarters where the tabs are being sold and by branch managers who are willing to put in many hours of extra time to bring forms and licenses to other communities so that they do not have to travel across the county to the regular branch office."

This program was initiated on an experimental basis in 1958. The success of the program and the stories of its convenience has spread so that the service has been extended to still additional communities this year.

Unlike the first program, which was largely a one-night stand proposition, some of our branch managers will offer daytime and repeat services in a few of the larger stops on their January itineraries.

The program saves a great deal of time and expense for both rural and urban groups. It also helps to sell tabs early in the year and avoid the long lines as the February 28 deadline nears.

Car owners are reminded that they must again fill in their own applications blanks. This is part of an economy drive which will save the taxpayers of Michigan approximately \$250,000.

Application blanks, which can be picked up at all branch offices and many police stations, auto dealers, and other places

throughout the State, should be filled out in black ink letters or typed.

Hare reminded all vehicle owners that they must bring their

car titles to complete the registration process, whether they get plates in the regular branch office or at the temporary community sales point. Personal checks cannot be accepted.

"It would be impossible to offer this time-saving service," Hare said, "if we did not have the friendly help of local editors, civic groups, public officials, and other citizens who are offering their cooperation in setting up the program in local halls, churches, community centers, and service stations."

Christmas

"And when they were come into the house, they saw the young Child with Mary His mother, and fell down, and worshipped Him; and when they had opened their treasures, they presented unto him gifts, gold, and frankincense, and myrrh." As on the night when the Wise Men found the place where He was, may the story of the first Christmas bring to us wonder and joy ever new. And may His message, heard again in song and story, give to all of us the great gifts of spiritual joy, eternal hope and promise.

THE MAN WHO MISSED CHRISTMAS

We are Rotarians! When you bought this paper, you bought shoes. Shoes for needy children in Independence Township. When the Clarkston Rotary Club first started this Christmas venture two years ago some of us discovered the desperate need of some of our children. The men who fitted the shoes at school found one little fellow wearing discarded boots that reached up to his hips. When he walked, he walked stiff legged. Another child's feet were wrapped in newspapers. A two year old received her first pair of shoes. The stories go on and on.

When you buy this paper, you buy shoes for needy children. This is a natural thing for Rotarians to do not only in this Christmas season, but

throughout the year. We have adopted as our special project the Michigan Society for Crippled Children, and dedicate ourselves to the needs of crippled children for the great keynote of Rotary is, "Service Above Self!"

As Rotarians we have discovered that life loses its purpose without this dedication. A little story I read somewhere illustrates what I mean:

It was Christmas Eve, as usual George Mason was the last to leave the office. He walked over to the massive safe, spun the dials, and walked inside to check the interior. When he did so the ponderous door swung shut. He was entombed in a sudden and terrifying darkness. He hurled himself against the unyielding door to no avail. When he calmed down he thought, "Someone in the morning will come and open the safe —

but no! No one will come! Tomorrow is Christmas." Once more he flung himself at the door shouting wildly for help. Exhausted he sunk to the floor. Even the fact that the dark silent vault was ventilated did not raise his spirit. More than 36 hours would pass before any one would come. Thirty-six hours in a steel box three feet wide, eight feet long, seven feet high.

"Who would miss him?" he thought. The maid who cleaned his apartment was only a servant, and he treated her so. She would not. A friend had asked him to go to a home for elderly people and play the piano for their carols, but he had refused. He would not be remembered. He had been invited to spend Christmas Eve with his brother's family, but children got on his nerves and expected presents. He had turned down the invitation and would not be

remembered. "Nobody, nobody, will come and let me out!" he cried.

Miserable, Christmas Day and Christmas night passed. On the morning after Christmas the head clerk opened the safe and went back to his desk. No one saw George Mason rush out and gulp down water from the cooler. No one paid him any attention as he pulled his overcoat over his soiled clothes and took a taxi home. After he had shaved and dressed again he thought of his life.

No one had missed George Mason! It was as if it was unnecessary for him ever to have been born! No one had much of anything to do with him! Mason's later Christmases were far different. His deeds of kindness, his acts of unselfishness, and his warm helpfulness to the younger generation building for a bet-

ROTARIANS SAY "THANK YOU"

This paper sale is put on by the Rotary Club of Clarkston in order to help make a Christmas for the children of this community. It is one of our Community Service projects. We thank you for your help in making this possible. Your splendid cooperation and the very fine work of the active corps of Goodfellow salesmen last year helped us realize the largest fund from the paper sale in the history of the Club. Thus we were able to do more good at Christmas time. I wish to take this opportunity to explain what Rotary is and how it got started.

The first Rotary Club in the world was organized in Chicago, Illinois, on February 23, 1905 by Paul P. Harris, a young lawyer, who gathered together in a spirit of friendship and understanding a group of men, each of whom was engaged in a different form of service to the public. That basis of membership — one man from each business and profession in the community, still exists in Rotary. At first, the members of the new club did not meet at luncheon, but met in rotation at various places of business of the members, and this suggested the name of "Rotary".

Since 1905 the ideals of Paul Harris and his friends have become ideals which have been accepted by men of practically all nationalities, and of many political and religious beliefs. Today there are Rotary Clubs in Algeria and Australia, in Ceylon and Chile, in the Fiji Islands and French West Africa, in Sweden and Switzerland — in 119 countries of the world. The universal acceptance of Rotary principles has been so great, there are now more than 10,741 Rotary Clubs which have a membership of some 497,000 Rotarians.

The general objectives of Rotary Clubs in every country are the same — the development of fellowship and understanding among the business and professional men in the community, the promotion of community-betterment endeavors and of high standards in business and professional practices, and the advancement of international understanding, good will and peace. Rotary Clubs everywhere have one basic ideal — the "Ideal of Service", which is thoughtfulness and helpfulness to others.

The slogan of Rotary is "Service Above Self" and "He Profits Most Who Serves Best". We who are members of the Clarkston Rotary Club, have accepted this slogan wholeheartedly and are trying to plan and introduce to our little community, programs and activities that are benefits to all of us. We have worked with our young people, with many projects and have plans for many more. Our members want nothing more from their membership in CLARKSTON ROTARY but the privilege of serving their community with the best.

Reverend William J. Richards
Pastor,
First Methodist Church

ROTARIANS PLAN YULE ACTIVITIES

Each year the Clarkston Rotary Club sponsors the annual Goodfellow Newspaper Sale. This year the chairman is Harold Goyette and he has worked steady in his spare time to get the Rotarians all lined up for their turn at selling this paper on the streets for these two days to try and sell as many papers as possible this year. The funds received from the sale of the paper will be used to insure a bigger and happier Christmas for all the children of the area and also to help take care of the families in our community that are not as fortunate as most of us at this Holiday Season. Another use of the money collected from the paper sale is in aiding the Oakland County Society For Crippled Children. The Society each year has a special Christmas program for the children of the home with a gift for each child plus candy and all the things that make Christmas for children, (including Santa Claus).

The Rotary Club has already decorated the Main Street of town and we hope to add more decorations before the week of the holiday season. The financing of the decorations does not come from the money of the Goodfellow Sale but rather from the programs such as the Pancake Supper that lots of you enjoyed about six weeks ago.

Plans are well on the way for our annual Christmas Party at the main four corners of town on Christmas Eve. There will be a letter on the way to Santa Claus in a few days and we are sure

he will be on hand to greet all the kids and he usually has a gift for them all. This year we are happy to have the area of the parking lot at the corner of Main and Washington on which to hold the program. The time and details of the evening will be published in the Clarkston News in our letter to Santa. Another Christmas Eve activity of our club, is the delivering of roses and cigars to the aged of the community. Some of the members of the club, give their time on Christmas Eve to go door to door and present a rose to the elderly women and a cigar to the men. This does not seem like much to most of us but to these people who receive the gifts it means a great deal just to know that someone is thinking of them.

Every year we receive many calls from people who live next to or know of a family that needs help. We take care of as many of these people as possible but we just don't have the money to do it. We do however try to refer the ones we can't help to a larger organization with the hopes that they can help them in some way.

On the 19th of this month the club with their wives will again go to the doors of the shut-ins and sick singing carols and trying to bring as much cheer to these folks as possible.

It is the hope of the Rotary Club that the time and work put forth through the holiday season will bring as much happiness as possible to as many people and homes as we can.

 Again the weeks have rolled by and another report card is due. Six weeks of hard work have been put in for some, the ones who are planning ahead and thinking of what the future holds for them. These people know that the grades they earn today will count quite a lot in future years. When the day they enroll in college comes they will be the ones who are prepared, the ones who will be accepted.

Why are your grades so important? That is a good question because right now they seem dead once they are recorded. But, when you want to have a job or go to college, this may depend entirely on your grades. If you work hard and get good grades, besides having an interest in what you are doing, naturally your employer or the dean at college will realize that you will do as much or as little for them.

Why are your grades important? Simply because they chart the way your future will go.

TOOTSIE POP HOP SUCCESS
 by Adele Lynady
 Linda Hallman
 "Tootsie Pops" sure seem to be the fad now days. The Pep Club realizing this decided to sponsor a dance. The theme? Why of course, the "Tootsie Pops Hop!"

From 8:30 to 11:30 students danced to popular records deejayed by Bob Knight. Refreshments of cookies and pop were served along with colorful Tootsie Pops.

Corinne Blackett and Bob Jennings seemed to be enjoying the evening, along with Danny Bird and Jack Lundy, Jonie Mansfield, and Denny Theakston, Ron Lundy, and Eleanor Carney, While Ruth Jackson and Chuck Houston, Gay Hullman and Larry Blackett, Adele Lynady and Jerry Powell, Jeannette Whitlock, and Mike Bates just yakked it up. Among the many people stag were: Carol Walter, Leslie Hursfall, Ron Applegate, Vicki Burley, Sue Turek, Sue Larkin, Rocky Bullard, Mary Bates, Mike Applegate, Gary Hauser, Linda Hipp, and Harold Weston.

Many thanks are in order to the Pep Club for sponsoring this dance. Committees were as follows: Publicity chairman, Cheryl Newbigging, Decorations, Lynn Ellsworth; Clean Up, Marcy Fox, Refreshments, Cheryl Hipp, and Records, Louise Johnson.

MYSTERIOUS WORD
 by Judy Leach
 What do you think a LANLAUS is? If you like to guess the meanings of words then try this one. The following students did and here are their answers:

Barbara Gray thought the word might be the name of a newspaper.
 Marion Medcalf thought it was the name of a hay loft.
 "Some kind of animal," was the answer given by Bill Black.
 Brenda Martin thought it was a scientific invention.

But even though some of these answers may sound a little logical, Webster says it is a "ski race on a flat terrain."

SCIENCE CLUB HOLDS FIRST MEETING
 by Adele Lynady
 The first meeting of Clarkston High School Science Club was held November 21 to begin and plan their 1960-61 program.

Meetings will be held on the first Tuesday of each month at 7:00 P.M. in the Senior High School.
 The committee program, composed of Carolyn Talmage, Sue Cushman, Mary Robbins, and Ron Jylen, have planned an interesting year for the members, having guest speakers come and discuss the different phases of science, interesting films dealing with all types of sciences, and various field trips.
 The advisors and officers for this year's club are: Mr. Kelly Burnette, Mrs. Bob Varner, Mr. Ralph Kenyon, Ron Jylen, President; Larry Blackett, Vice-President; Mary Robbins, Secretary; and Sue Larkin, Treasurer.
 Any student wishing to join the Science Club should attend the next meeting to be held, December 6th.

VARISITY TO CLASH WITH BLOOMFIELD HILLS IN OPENER

The first clash on the basketball court will come Friday, December 2nd, for Clarkston. With the scrimmage of the preceding Tuesday behind them the team is in full spirits to face their Bloomfield Hills opponents. The excitement of the new gymnasium and the practice weeks behind the students are looking forward to an exciting game.
 Ten C. H. S. boys made the Varsity with 6 Seniors represented. Bill Powell, our tallest player at 6' 4", will have a tough job trying to control both backboards. Forwards are Ron Walter and Ron Lundy with the positions of guards being filled by Hal Weston and Jack McCall. Gar Wilson at 6' 2" will play center and forward.

The Juniors on the squad are Mike Applegate, Jesse Rogers, and Chuck Funk as guards and Jerry Powell as a forward.
 Clarkston students have nothing to hold them back from getting out and really cheering their team on to victory. The immense, new gym provides seats for 2,000 spectators plus the convenience of two scoreboards, one placed at each end of the court. The concessions stand in the commons area will be open and in operation. Admission is 75c for adults and 35c for students who purchase their tickets in advance.

CHRISTMAS DINNER PLANNED BY C. H. S. F. T. A.

At a recent business meeting held November 22, the C. H. S. Future Teachers discussed plans for a progressive dinner to be held at their Christmas party.
 To begin the dinner, appetizers will be served by Diane DeLongchamp. The group will then proceed to Mrs. Ruth Purslow's home where there will be served the main course. To complete the dinner, dessert will be furnished at Joyce Galligan's home, where there will also be entertainment. To complete the evening, gifts will be exchanged among members of the organization.

CLARKSTON HIGH WINS FIRST LEAGUE DEBATE

by Janet Tisch
 Winning their first league debate of the season, Clarkston High School was able to further their winning streak to ten consecutive wins. The negative team from Clarkston, Earl Pearson and Dave Smith, defeated the affirmative debaters from West Bloomfield in the first round debate, and in the second round, Carolyn Ruggles and Phil Smith, Affirmative team again defeated the West Bloomfield debaters.
 The topic debated on November 22, was, Resolved: That the United Nations Should be Significantly Strengthened a topic that offers debaters the opportunity to present a wide variety of plans and counter plans.

WHO'S WHO

The teacher that was picked for the Who's Who feature this year, but in the few years he has been here he is considered, as most boys say, "one of the fellas."

Being a coach for football, basketball, track, and baseball has given him the opportunity to be known as one of the most favorite teachers at C. H. S.
 Along with his coaching abilities he also teaches Biology and General Science.
 In a crowd either of boys or girls you surely can see this Personality Pure Person otherwise known as Mr. Kelly Burnette.

EXTRA! EXTRA! EXTRA!

They're only seven cents, seven tenths of a dime. This is all we're charging for the newspaper of ours. We've noticed that many of our students are just sneaking by with a hope that they won't get caught. If they are flagged down they give the all time flimsy excuse that they don't have any money. Of course all of the C. H. S. students aren't like that, some of them are loyal and try to keep up the school spirit. Now we're not saying that all the students that don't buy a newspaper are unloyal but won't you please help us??

J. V. BEGINS SEASON

Facing the Bloomfield Hills opponents preceding the Varsity game will be the J. V. squad for this basketball season. The game will begin at 7:00 and promises to be exciting for all the J. V. Fans. The complete team consists of: Roger Rolfe, Kenneth Abbott, David Cullen, Larry Gardner, Bob Jennings, Richard Lord, Jack Lundy, Robert Osgood, Danny Ragatz, Mike Simonson and Darrell Williams.
 The next J. V. home game will be December 23rd with the West Bloomfield Lakers.

PARTY MARKS FINAL PERFORMANCE OF "EILEEN"

Following the final performance of "My Sister Eileen" on November 18th, a cast and committee party was held by Sally Moore and her parents Mr. and Mrs. James Moore at the Community Building.
 A delicious buffet added the perfect touch and everyone enjoyed dancing. Some who attended were: Cheryl Hipp, Mel Joseph, Naomi Armstrong, Bill White, Linda Chapman, Ron Lundy, Gay Ann Huffman, Larry Blackett, Ron Jylen, Judy Booth, Kay Derbyshire, Donna Harris, Bob Knight, Dennis Galligan, Jane Zumbunnen, Kathy McDermott, Bonnie Buella, Karen Smith, Joan Bailey, Fred Warwick, Gary Baker, Becky DeLong, Nancy Walker, Cappy Buehrig, Fred Manning, Kathy Blimka, and Carolyn Talmage. Betty's party marked the ending of many weeks work and was really appreciated.

A LIFE OF EASE?

You may think that a day in the life of the publications staff is very simple. If that's what you are thinking you are mistaken, although the customer is always right, this is one exception. There are things to be typed and copy has to be written and also articles proofread. These aren't half the duties that the staff has to do. Believe me the Publications class is one of the most hard working in the school.

CLARKSTON JUNIOR HIGH BASKETBALL LEAGUE

by Danny Williams
 This league is made up of the seventh and eighth grade boys. The teams are made from the first hour classes.
 A seventh grade team and an eighth grade team do not compete together.
 The captains and co-captains are chosen by the boys in the class. They also vote on names for the teams.

SCIENCE PROJECTS

by Charlene Hardy
 Pamela Haiser
 During the past six weeks we have planted different kinds of plants and done many experiments, in Mr. Grice's science class.
 Gale Getzan, Karen Bray, Charlene Hardy, and Pamela Haiser have been making charts of different kinds of bark.
 Also we have collected leaves and made them into a booklet.
 While trying to work with our plants and doing experiments we have been cleaning the science room. It was quite untidy before we started cleaning. It looks better now.

WHAT IS ENGLISH?

by Gaye Lynn
 "What is English class?" is a question that every English student thinks about at one time or another.
 English is a subject that is taught for a purpose. You should have correct English to get ahead in the world. After all, English is a tool and you must know how to use it.
 Then again, the student comes back with, "I know all the necessary points about English. All you get in school are tests and more tests." Have they ever stopped to think what tests were for? They are to let both the teacher and yourself know where and what your problems are in English.
 When you apply for a job you should use correct English. You cannot walk in an office and say, "Can I have this here job?" and expect to get it.
 So, if you ever ask, "What is English class?" stop and think a minute about what I have just said.

IT'S JUST AROUND THE CORNER

by Alice Upward
 Christmas is on its way again so we're going to have to look for Christmas trees on sale and where we put the ornaments last year. Around our house we're always losing the stand.
 Decorating the Christmas tree isn't so bad; it's when you have to take it down. Have you ever noticed how Dad helps to put it up but when it comes to taking the thing down he's busy.
 It seems that good old Dad always picks out the tree and usually it's either too big or it's too bushy we can't get the presents under it.
 Last year Mom bought quite a few ornaments. Now Daddy wants to buy a little Christmas tree for the table — that's life!

NOTICES FOR ALL CLARKSTON JUNIOR HIGH

Six week exams are coming up soon so study and try to get good grades!
 Overdue books better get to the library or you will be running out of money!
 Better keep lockers clean for the near future inspections!
 Bring all news to Mrs. Foster for next weeks paper or we won't have any paper!

JUNIOR HIGH SCHOOL NEWS INTRAMURAL BASKETBALL TEAMS

by Steve Barnett
 The seventh and eighth grade first hour classes elected captains for basketball teams.
 There are ten boys on each team.
 Mr. Treais and Mr. Pemberton are the coaches.

GOOD HOUSEKEEPERS???

by Charlene Hardy
 On November 22, 1960 Mr. Wilkinson and the Student Government checked the lockers to see if they were untidy.
 Some lockers were not neat. Mr. Wilkinson said students should arrange their lockers for next locker inspection which will be in the near future.
 The reason some of the lockers were untidy was because many people share and only one part of the locker was in disorder.

OUR JUNIOR HIGH SECRETARY

by Pamela Haiser
 Charlene Hardy
 Mrs. Mansfield was born in Cornwall, England. In 1924 she came to Highland Park, Michigan. In 1928 she moved to Maceday Lake. After that she moved to Clarkston where she now lives. In 1936 she graduated from Clarkston High. She spent a year at Pontiac Business Institute. She has four children, Richard, Joan, James and Cheryl.
 Her hobbies are: all kinds of sports, Dixie Land music, and being instructor for boys and girls choir at the Methodist Church in Clarkston.

NEW CURTAINS !!

by Carole Strohkirch
 Miss Gernaat has been having some of the seventh and eighth grade girls make new curtains for the home economic rooms. They are red and white checked.
 The new curtains are very pretty and make the rooms look more like real kitchens and sewing rooms.
 Notice them?

HOME ECONOMICS CLUB

by Margaret Keech
 The seventh grade Home Economics Club met on Tuesday, November 15, 1960 in room 110 from 3:05 to 4:30 p.m.
 The club members divided into two groups, sewing and cooking. Then the people who were cooking divided into three groups, making Christmas cookies, fruit cakes and candy.

RIDING A HORSE

by Brenda Shaw
 Have you ever ridden upon a horse,
 Going over a jumping course;
 Riding with the wind in your hair,
 With ever so quickly a pleasant scare.
 Galloping so fast you seem to have wings like a bird.
 You hardly notice the small horse herd.
 Watch out here comes a fin!
 Please, don't worry, cause we will win!
 Over a jump that is nearly too steep.
 My horse will have to make a giant leap.
 Steady now! Here we go;
 Ever so lightly and pretty and so.
 Now we shall retire for another day;
 So rest now boy, while I get you some hay.

SCIENCE CLASS

by Margaret Keech
 In Mrs. Beach's seventh grade science classes we are reading reports on plants. They are on the apple, cotton, walking fern, violet and many others.

BASKETBALL IN ACTION

by Pat White
 What is basketball? Some people are thrilled by the game. To them it is a great sport, with a specific meaning. But, to me it means something different. Here are some of my viewpoints on what I think, basketball really is.
 The game consists of ten perfectly normal boys, running around in different directions, all looking wildly up in the air, hoping that they will have a chance to get a hold of the ball. Once in a while Mike J. and Carl H. will collide. But, of course, this is a minor detail.
 Then there is always short, little Jeff H. to dribble the ball between the legs of Jerry H.
 Of course, the game wouldn't be complete without some fool tossing an orange-colored ball into the air, and accidentally landing it in the side of the basket. So there it lies, stuck. Of course Randy A. would like to be a hero. So, he jumps, waves his hand wildly at the ball trying desperately trying to get the ball down. But, he finally turns away in defeat.
 Then comes the climax. The score is zero to zero, with forty seconds to go. The whole game depends on Gary P. The ball is passed, very swiftly, to him. When all of a sudden... FLOP! Was it Gary's fault that some joker had laid a banana peel in the middle of the court? Well, that's the way the ball bounces, I guess!

FIRST METHODIST CHURCH NEWS

The Intermediate Youth Fellowship of First Methodist Church are selling Christmas Wreaths this year as their special project in helping to build their new church. These are the same wreaths which the Hi-Y Boys sold last year. Under the leadership of Mr. and Mrs. Thomas Boyns and Reverend William J. Richards the group has grown to about forty young people. Mr. Boyns announced that the wreaths will go on sale Saturday, December 3rd. Many of the young people will go door to door and will be identified by a letter from the church office.

Last Tuesday evening over 30 Young Adults of First Methodist Church met for their first social evening at the church. Dinner was served hostess style by Mrs. Evan Leonard, Mr. Kenneth Leslie, Mrs. Richard Johnston, and Mrs. Larry Stuart in the dining room amidst lovely Christmas decorations. Mr. and Mrs. Richard Wint and Mr. and Mrs. Richard Huttenlocher led the group in an evening of fun and social festivities afterward. Reverend Richards, the pastor, closed the evening with devotions.

Mrs. David Stewart and Mrs. Robert Jones, chairmen of The Altar Guild of First Methodist Church, announced this week the memorial poinsetta will again deck the Altar of the church. Last year more than 25 poinsetta beautified the church Altar at Christmas time. In order that memorials may appear in the Christmas bulletin they must be in by Thursday, December 15th. Poinsetta may be ordered through the church or ones own florist.

Young people, some 65 strong, from the Senior Hi and Junior Hi Youth Fellowships of First Methodist Church, Pontiac, this Sunday evening December 4th at 7:00 p.m. Over 1200 Methodist youth from the greater Pontiac area are expected. Last year the church took care of an overflow crowd, and it was reported that this was one of the most inspiring services ever held at the church.

Clarkston youth will leave the church at 6:15 p.m. under the leadership of Mr. Robert Varner, Mr. and Mrs. Garwood Maunela, Mr. and Mrs. Thomas Boyns, and Reverend and Mrs. William J. Richards. Refreshments will be served at the church following the service.

NEW TELEPHONE BOOKS BEING DELIVERED

Michigan Bell Telephone Company began delivery of its new Clarkston telephone directory Friday, November 25, announced John D. Kamego, manager here for the company.

"Some 4,200 copies of this annual 'best seller' will be distributed here and in the surrounding area," Kamego said. Both the alphabetical — white pages — and the Yellow Pages classified sections reflect the additions and changes which have occurred in local listings since the last directory was issued, he added.

"When the new directory arrives, the old one should be discarded," Kamego said. "However, telephone users should check their old books and remove any valuable papers they might have placed in them."

He also suggested that personal lists of frequently-called numbers be transferred to the new book.

Kamego added that the local directory also contains separate listings for Lake Orion and Oxford-Leonard area.

Wednesday, December 7 An Informal Adult Instruction Class meets at the home of the Johns', 6986 West Church St. Discussion will center on the theme: "How Can a Holy God Have Fellowship With an Unholy Man and Still Remain Holy?"

CHRISTMAS BAZAAR AT ST. STEPHEN LUTHERAN CHURCH

The Ladies Guild of St. Stephen Lutheran Church, corner of Sashabaw and Kempf Roads in Drayton Plains, is presenting a Christmas Bazaar December 3rd, from 12:00 to 7:00 P.M. Everyone is invited to come just as they are to do their Christmas shopping with us. Lovely handmade gifts

of sewing, ceramics, baked goods, candy, and surprise packages will be offered. Luncheon will be served throughout the bazaar hours. A fish pond for youngsters of one month to ninety years of age will be a special feature of fun.

CONTRIBUTE TO A WORTHY CAUSE

Here is your chance to put some of thoughts you've had, beginning with "If only they would . . .", on paper, and perhaps prevent an accident, which could mean death, permanent disability, or at the very least, certain destruction of property — perhaps even your own!

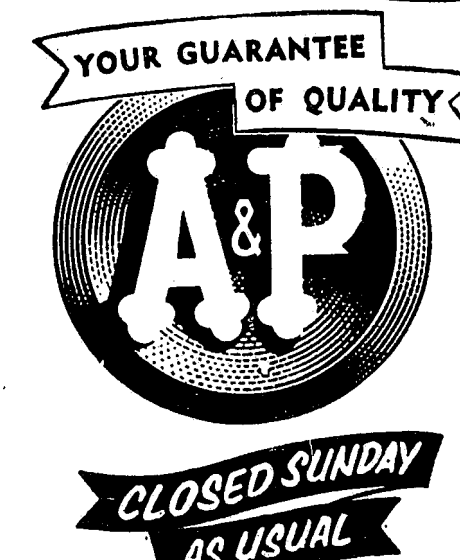

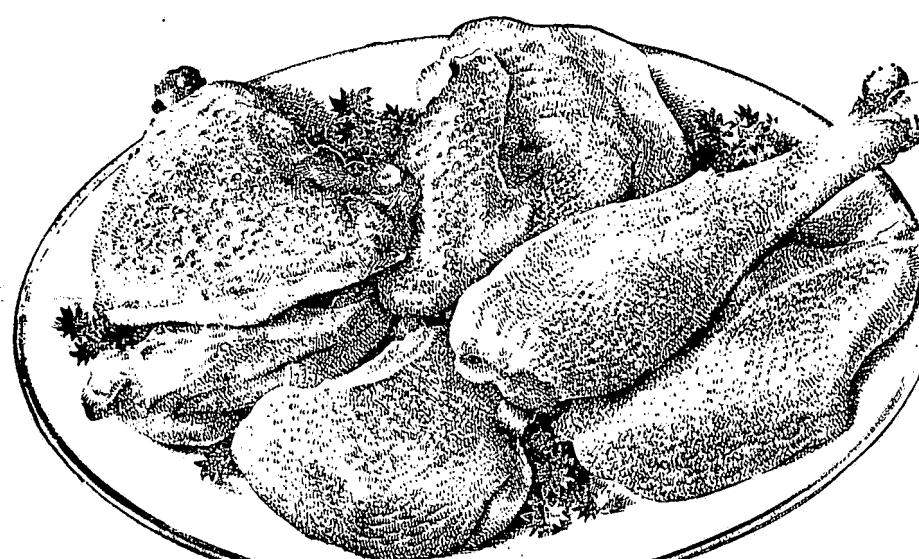

James M. Hare, Chairman of the State Safety Commission would like to know what you, a citizen of Clarkston, or surrounding areas, would do to help reduce Michigan's highway death and accident rate. The Thanksgiving

Holidays are passed, leaving us starkly aware of the heavy price some of us must pay on the highways, to fulfill the law of averages. With these accidents fresh in your mind, what ideas do you have which you feel might tend to eliminate even one accident during the Christmas Holidays, which are so very close?

Any of you who have suggestions for improving the highway safety program are urged to write to James M. Hare Michigan State

Safety Commission, The Capitol Building, Lansing, Michigan.

Remember that the stop sign, the double-stripe on highway, "no passing" zones and the red-amber-green traffic lights were all once "just somebody's ideas". So were the high school driver training program, the License Appeal Board and the school bus law. Here's an opportunity to "do your bit" and to "contribute to a worthy cause" without it costing you a penny!

Waterford

Mrs. Nellie King, of Waterford, will celebrate her 85th birthday on the 2nd of December.

Mr. and Mrs. Clare Hillman of Island Park Drive, and formerly of Airport Road in Waterford, had their family with them for Thanksgiving Day. Having dinner with them were Mr. and Mrs. Malmer Hillman and three daughters and Mr. and Mrs. Terry Walker and son, all from near Clarkston, and Cheryl Hillman.

The O. D. O. Club Christmas meeting is set for Thursday, December 8th, when the ladies will attend the luncheon given by the Waterford Branch of the National Farm and Garden Club at the C. A. I. Building. The luncheon will be held in connection with the Greens Market taking place that day. In the afternoon the O. D. O. ladies will continue their party in the Women's Club Room, with a short meeting and gift exchange.

Mrs. Glenna Duguid and her son-in-law and daughter, Mr. and Mrs. Kenneth Clark, all of Sylvester Street, had the Duguid family gathering at their home on Thanksgiving Day. Thirty-one guests were there from Saginaw, Bay City, Alpena, Ypsilanti, Highland Park, Grosse Pointe, Montgomery, Reading and Jackson.

Mr. and Mrs. Jack Hall of Waterloo Street, and daughter Mrs. Ray Everett of Clayton St. and her two boys Bruce and Jackie, drove to Detroit early Thanksgiving morning to see the J. L. Hudson Parade. Later they joined the Bruce Everetts of Lincolnshire Road for a family gathering with 31 at their home for dinner. The senior Everetts are flying to Ft. Lauderdale, Fla. this Thursday where they will spend

the winter.

Mr. and Mrs. Lawrence Lewis of Manistee spent the Thanksgiving Holiday with their son and family, Mr. and Mrs. Gerald Lewis of Andersonville Road.

Mrs. Arthur Davis of Andersonville Road had the misfortune to fall in her home Sunday and break her hip. Mrs. Davis who recently had her 89th birthday lives alone and was not found for about 4 hours after falling. She is in Pontiac General Hospital and is scheduled to undergo surgery Wednesday morning.

Mr. and Mrs. Robert Snyder and son Wayne of Terrell Street drove to Jackson, Tennessee, for Thanksgiving and the week-end where they visited Mr. and Mrs. Roy Thomas and their family. Mrs. Snyder and Mrs. Thomas are sister. They enjoyed a trip through Mammoth Cave in Kentucky on their way down.

Recreation Director and Mrs. Thomas Bolton, with their children Jimmie and Debra, spent Thanksgiving with his folks in Dowagiac.

The Waterford 500 Club will be entertained at the home of Mrs. Albert Dryden on Williams Lake Road, Monday evening, December 5th. This will be their Christmas Party with gift exchange.

Mr. and Mrs. William Shunk are the proud grandparents of George Andrew, born to Mr. and Mrs. Bradley C. Reardon (Sidonie Jeanne Shunk) of Nashville, Tenn., on Sunday, November 13. Paternal grandparents are Mr. and Mrs. Kenneth N. Reardon of Pittsburgh, Pa.

PEARL HARBOR, CIVIL DEFENSE DAY COINCIDE TO STRESS NEED FOR NATIONAL WARNING NET

"Civil Defense Day, December 7, falls on the 18th anniversary of the Pearl Harbor disaster — a date which reminds us of the vital need for swift warning for our civilian population in an attack emergency," said Director Leo A. Hoegh of the Office of Civil and Defense Mobilization.

"The lesson of Pearl Harbor is that national disaster can stem from an inadequate warning system and incomplete public knowledge of warning signals. Thus, OCDM considers the maintenance and expansion of the National Warning System (NAWAS) to be one of its most vital operations."

Mr. Hoegh pointed out that OCDM Attack Warning Officers are on duty at all times at North American Air Defense Command Headquarters. The same information that would trigger military retaliation in case of attack would cause a warning to be flashed across the country to the civilian population in less than 90 seconds.

NAWAS today has 376 major warning points throughout the Nation on 24-hour alert. The addition of 60 more stations is planned during the next 12 months, the OCDM Director revealed.

Inadequate public knowledge of the warning signals is being overcome by public information and education at all levels of government, Mr. Hoegh pointed out.

Wallet cards and pamphlets that explain the warning signals are available free at every civil defense office. These cards tell the public that a steady siren blast of 3 to 5 minutes means: "Attack probable — take action as indicated by local government." A wailing tone or short blasts for 3 minutes means: "Attack imminent — take cover immediately in best available shelter."

Knowledge of the warning signals is one of five fundamentals of effective civil defense, Mr. Hoegh points out. The others are: Know your community plan for emergency action.

Know first aid, which is valuable for everyday living as well.

Know how to use CONELRAD. In an emergency, turn to 640 or 1240 on your radio dial for local official instructions and information.

Know fallout protection measures. Plan your home shelter. Get from your local civil defense office or by writing Box House Shelter, Battle Creek, Michigan, a copy of "The Family Fallout Shelter" booklet.

"If we wait until the sirens sound to prepare, it could be too late. We must prepare our homes and families now to meet an emergency if it should come. Civil defense begins with a prepared family and ends with a protected Nation. This is the lesson of Civil Defense Day, 1960," Hoegh concluded.

WATERFORD FARM AND GARDEN CLUB SPONSOR GREENS MARKET

Christmas trees of all kinds — a jewelry tree, artfully concocted nut trees and the tall Scotch pine — will be among items offered at the fourth annual Greens Market sponsored by the Waterford Branch of the Women's National Farm and Garden Association.

The event is scheduled from 9 A. M. to 9 P. M. Thursday, December 8, at the CAI Building, 5640 Williams Lake Road.

Orders for the Scotch pine Christmas trees will be taken at the sale. Proceeds from this project will go toward the club's exchange student scholarship fund.

Now attending Waterford Township High school under club sponsorship is Heidi Vogelbusch of Germany. A local student will be sent abroad next summer.

Be-sequestered felt stockings, watches and wreaths to enhance the fireplace, centerpieces of art-

ficial and dried materials, holiday corsages and decorated candles will also be on sale. In addition, styrofoam churches, della Robbia wreaths, roping, fruit cakes and floral calendars will be offered. A do-it-yourself table greens, ornaments, ribbons and mire for those who would like to make something special for home, office or church.

Mrs. Richard Gorman and Mrs. Ralph Dikeman are co-chairmen of the Market and with club president, Mrs. Eugene Cleland, have headed a committee which has worked for the past two months making the della Robbia wreaths. Forty of these attractive works of art were sold at the recent Women's City Club bazaar in Detroit. Assisting with the project were Mrs. Mark Stewart, Mrs. Donald Gilchrist Mrs. E. L. Windeler, Mrs. Garrett Prible, Mrs. Ralph Bump, Mrs. James Green, Mrs. Delton Ettinger, and Mrs. A. L. Adams.

Other chairmen are Mrs. William Baer and Mrs. Fred Heltman, stockings and Santas; Mrs. Adams, churches; Mrs. William Miller, nut trees; Mrs. Gilchrist and Mrs. Peble, corsages; Mrs. A. W. Fisher, greens.

Mrs. Stewart is in charge of the luncheon to be served between 12 and 1:30. Mrs. Wals Goodwin and Mrs. Miller are arranging the tea table which will offer coffee, tea and cookies during the day-long event.

ask

People complain about the "high cost of living," but I realized the "high cost of driving" recently when a friend lost a traffic suit and was ordered to pay a judgment nearly double the amount of his auto liability insurance. Now he's being forced to sell his house to meet the obligation. Isn't it true that increasing liability coverage to an adequate amount costs very little?

LOCAL AUTO LICENSE SERVICE TO BE OFFERED

Automobile owners in nearly 200 Michigan communities will again be able to purchase their 1961 license tabs in their home communities instead of travel-

ing to branch offices elsewhere in the county.

Secretary of State James M. Hare reminded auto owners that this itinerant service is offered at no additional cost to the taxpayers or to the persons purchas-

ing their vehicle license.

Hare said, "The community service program is made possible through the cooperation of civic-minded local citizens who are providing the quarters where the tabs are being sold and by branch managers who are willing to put in many hours of extra time to bring forms and licenses to other communities so that they do not have to travel across the county to the regular branch office."

This program was initiated on an experimental basis in 1958. The success of the program and the stories of its convenience has spread so that the service has been extended to still additional communities this year.

Unlike the first program, which was largely a one-night stand proposition, some of our branch managers will offer daytime and repeat services in a few of the larger stops on their January itineraries.

The program saves a great deal of time and expense for both rural and urban groups. It also helps to sell tabs early in the year and avoid the long lines as the February 28 deadline nears.

Car owners are reminded that they must again fill in their own applications blanks. This is part of an economy drive which will save the taxpayers of Michigan approximately \$250,000.

Application blanks, which can be picked up at all branch offices and many police stations, auto dealers, and other places

throughout the State, should be filled out in black ink letters or typed. Hare reminded all vehicle owners that they must bring their

car titles to complete the registration process, whether they get plates in the regular branch office or at the temporary community sales point. Personal checks cannot be accepted.

"It would be impossible to offer this time-saving service," Hare said, "if we did not have the friendly help of local editors, civic groups, public officials, and other citizens who are offering their cooperation in setting up the program in local halls, churches, community centers, and service stations."

Card of Thanks

I would like to thank the many while I was in the hospital and since I returned home. Your thoughtfulness is deeply appreciated-

Cold War

I bid you not to take up arms at once, but to send and remonstrate with them in a tone not too suggestive of war, nor again too suggestive of submission, and to employ the interval in perfecting our own preparations.

As the nature of foul weather lies not in a shower or two of rain, but in an inclination thereto of many days together, so the nature of war consists not in actual fighting, but in the known disposition thereto during all the time there is no assurance to the contrary.
