

Waterford

Word has been received of the birth of a daughter to Sp4 and Mrs. Karl A. Stichel...

Mr. and Mrs. Alfred Beebe of Van Syckle Street, with Mr. and Mrs. Jim Beebe and daughter...

Mr. and Mrs. Harold Wormley, who have been here several months with her mother Mrs. Nellie King of Andersonville Rd. have returned to Pompano Beach, Florida, for the winter.

Mrs. King is staying in Clarkston and would enjoy hearing from her Waterford friends. Her address is 5480 Drayton Road, care of Stephen Cole.

P/1c John Roberson is returning to Camp Pendleton, California, this week after spending a 23 day leave with his parents Mr. and Mrs. Fred Roberson of Baybrook Drive.

Mrs. Henri Buck of Andersonville Road entertained 13 ladies of the Good Will Club at her home last Thursday.

were enjoyed. Mrs. J. R. Blakeslee assisted the hostess. Mr. and Mrs. John Wendland and son John of Pontiac were Sunday guests...

The Cheery Chums Christmas Party was held last Friday evening at the home of Mrs. Russell May on Meip Street with 28 present.

Last Sunday saw the final service in the old Waterford Community Church with services beginning next Sunday in their new church on Airport Road.

Starting Sunday, December 18th, the services at the new church will be Sunday School at 9:45, morning worship at 11:00 and the evening service at 7:00.

MICHIGAN ANNOUNCES RECORD NUMBER OF WINTER SPORTS CENTERS A record number of Michigan

winter sports centers will be in operation during the 1960-61 skiing season with three new ski areas boosting the state total to 74.

Pre-season estimates by the state tourist council indicate some 165,000 skiers will make an average of three trips each to Michigan ski centers this winter.

This cold weather sport has been booming through out the state in recent years, particularly since 1953 when a total of 38 ski centers catered to about 65,000 skiers.

The three winter sports centers opening this winter are: Alpine Valley, on highway M-59, 10 miles west of Pontiac.

Granview Orchards Ski Area, four miles north of Fenton on Fenton Road. Plans for the area include five rope tows; a lodge with snack bar; rental equipment and instruction; a snow-making machine; and night skiing.

Birch Hills, six miles north of Big Rapids. This new area announces seven slopes with rope tows; warming shelter with snacks; and rental equipment and instruction.

A new state winter vacation guide, pinpointing and describing each of Michigan's 74 winter sports centers, is available after November 25 from the state tourist council.

obtained by writing to: Ski Map Michigan Tourist Council, Lansing 26.

The 74 areas, dotting the Michigan map from the far reaches of the upper peninsula to the fringes of metropolitan Detroit offer a variety of slopes for beginners as well as experts and intermediate skiers.

Snow machines will be in operation at 12 ski centers, assuring a longer season and more reliable conditions. Thirty-two areas offer night skiing.

In addition to downhill skiing, Michigan's winter scene features cross-country trails, slalom bowls, toboggan runs, skating rinks, ice fishing, ice boating and hunting.

Indoor facilities at many ski centers include lodge, dormitory and motel accommodations, restaurants, snack bars, lounges and warming shelters.

Nearby major improvements for the 1960-61 winter include a new chair lift at Mt. Holly and a new lodge with snack bar at the Lansing Ski Area.

Proceedings of a Regular Meeting of the Independence Township Board held December 6, 1960

Meeting called to order by Supervisor Hursfall. Roll Call: Hursfall, Doebler, Johnson, Anthony, and Bauer present.

Motion by Johnson supported by Johnson that the Township participate in the Clinton River Sewage System Planning and pay a fair share of the financial obligation.

The Supervisor appointed the following to work with the Building Inspector to revise the Zoning and Building Codes; Harold Bauer, Fred Tucker, Fred Turck, James Gardiner, and Duane Hursfall.

Motion by Johnson supported by Johnson that the Township enter into an agreement with the Oakland County Sheriff to furnish special police protection to the Township as outlined in his letter of November 29, 1960.

Motion by Johnson supported by Johnson that the Township Clerk be instructed to have the Township Attorney prepare a suitable resolution to be placed on the ballot at the Township Primary Election February 20, 1961.

Motion by Johnson supported by Johnson that the Township Board to acquire a 99 year lease on certain Village of Clarkston property along the East side of White Lake Road.

Motion by Bauer supported by Doebler that Township bills in the amount of \$2080.13, Fire Department bills in the amount of \$808.47, and Water Department bills in the amount of \$135.73 be paid as listed.

Carl P. Anthony, Jr. filed application for position as Building and Grounds Superintendent. Mr. Anthony asked to be excused for the balance of the meeting.

Motion by Bauer supported by Johnson that the resignation of Carl P. Anthony, Jr. be accepted effective immediately. Carried.

Motion by Bauer supported by Johnson that Carl P. Anthony, Jr. be hired as Superintendent of Buildings and Grounds at a salary of \$100.00 per week plus \$15.00 per month for car allowance. Carried.

Motion made and supported to adjourn. Carried.

Respectfully submitted, Harold J. Doebler, Township Clerk

JEHOVAH'S WITNESSES SPONSOR ASSEMBLY

The Watchtower Bible and Tract Society officially announced this week it's plan to sponsor a three-day circuit assembly for Jehovah's witnesses, January 6-8, 1961 at Pontiac, Michigan.

Forteen hundred Jehovah's witnesses from congregations in Mt. Clemens, Royal Oak, Milford, Port Huron and intervening points will attend the seminar to be held at the Pontiac Central High School.

Mr. Edward C. Thornton, President minister of the Pontiac West Congregation of Jehovah's witnesses, who will be host to the neighboring congregations, said assemblies of this kind are arranged semi annually for the purpose to carry on their preaching and teaching work from house to house.

The program, beginning Friday evening, will include morning, afternoon and evening sessions Saturday and Sunday. Featured will be Bible talks, discussions and demonstrations on home teaching and instruction to sincere seekers for Bible understanding.

Mr. Nicholas Kovalak, from the Watchtower World Headquarters at Brooklyn, New York, will be the principal speaker. The climax of the meet will be his address at 3 p.m. Sunday, January 8.

Mr. Edwin K. Kriefall, supervisor over the twenty-one Eastern Michigan congregations will conduct the Friday symposium on "Search For Jehovah White He May Be Found."

Mr. William P. Strong, president minister of the North Pontiac congregation, will appear on the Saturday evening program with Mr. Kovalak. They will discuss "Directing Interest to the Congregation."

All sessions are free and no collection plate is ever passed by Jehovah's witnesses. Jehovah's witnesses' local Kingdom Hall is at 4400 Walton Blvd., Drayton Plains.

FIRST CHURCH OF CHRIST SCIENTIST

Oxford, Michigan Sunday School 11:00 A M Sundaev Service 11:00 A M "Is the Universe, Including Man, Evolved by Atomic Power?"

Scriptural selections will include Christ Jesus' striking response to his disciples' call for help during the tempest at sea: "And his disciples came to him, and awoke him, saying, Lord, save us: we perish. And he saith unto them, Why are ye fearful, O ye of little faith?"

A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "The belief that the universe, including man, is governed in general by material laws, but that occasionally Spirit sets aside these laws."

Legal Notices

MILTON F. COONEY, Attorney, 812-15 Pontiac State Bank Bldg., Pontiac, Mich. MORTGAGE SALE

DEFAULT having been made for more than thirty days in the conditions of a certain mortgage made by Milton F. Evans and Rose F. Evans, his wife to Capital Savings Loan Association, a Michigan corporation dated the 14th day of May A.D. 1959, and recorded in the Office of the Register of Deeds for the County of Oakland and State of Michigan, on the 19th day of May A.D. 1959 in Liber 9889 on pages 489-490 Oakland County Register of Deeds Records on which mortgage there is claimed to be due at the date of this notice for principal and interest, the sum of Eighteen Thousand Eight Hundred Sixty-Five and 63/100 (\$18,865.63) Dollars, and an attorney's fee of Seventy-Five (\$75.00) dollars, as provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the moneys secured by said mortgage, or any part thereof.

NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage, and the statute in such case made and provided, on Tuesday, the 14th day of March A.D. 1961, at 10:00 o'clock in the forenoon, Eastern Standard Time, the undersigned will, at the Saginaw Street entrance to the Court House in the city of Pontiac, Michigan, (that being the place where the Circuit Court for the county of Oakland is held), sell at public auction, to the highest bidder, the premises described in said mortgage, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with 7 per cent interest, and all legal costs, charges and expenses, together with said attorney's fee, and also any sum or sums which may be paid by the undersigned necessary to protect his interest in the premises. Which premises are described as follows, to wit: Lot 8 of "Supervisor's Plat No. 7", being a part of Northwest quarter of Section 3, and part of Northeast quarter of Section 4, Town 4 north, Range 10 east, Township of Orion, County of Oakland, Michigan, according to the plat thereof, recorded in Liber 7 of Page 47, Oakland County Register of Deeds Records.

Dated: December 5, 1960 CAPITAL SAVINGS & LOAN ASSOCIATION Mortgagee.

THEY WORK HARDER BECAUSE THEY RIDE EASIER!

Because they ride easier they last longer, too. They take better care of payloads and they make a long day's work a lot more pleasant for the driver. All that—primarily because of Independent Front Suspension (I.F.S.). If you think it's stretching a point to attribute that many advantages to a suspension system, you haven't driven a new Chevy with I.F.S. Take the wheel and feel its road-leveling ride, its almost total absence of shimmy and wheel fight, its ease of steering even in the big rigs. Spend hours behind the wheel and you're not nearly as tired. You're not and neither is the truck. That independent suspension soaks up the worst shock and vibration—the kind that can twist sheet metal and loosen joints and increase your maintenance costs. That's why Chevy trucks keep on working and saving for extra thousands of miles.

HOLIDAY CASSEROLES

Have you done your Christmas shopping? Addressed the Christmas cards? Baked any holiday cookies? Wrapped gifts? Entertained friends?

No doubt you too, have many things left to do between now and December 25 — and I suggest that gourmet casserole dishes can be your menu mainstay during the busy holiday season.

A beautiful, steaming casserole can be a real time and effort saver. Preparing, cooking and serving the main course in one dish cuts down considerably on dishwashing, and you can prepare two meals at once, storing one in the freezer until you're ready to use it.

There's no limit to the kind of "good for you" foods that a casserole can include. Meat, eggs, milk and vegetables, when disguised in a casserole, can be slipped into Junior without a murmur.

Don't be guilty of short-changing your family by stretching the protein in casseroles too far. Protein rich foods are meat, fish, poultry, cheese, eggs and milk. Allow 3 or 4 ounces of meat, or 2 or 3 ounces of cheese for each serving.

Casseroles are easy on the holiday food budget too. Skillfully combined leftovers can be as tasty as they were in their first appearances. Always keep pieces of food large enough to be identifiable.

Season casseroles imaginatively, making the most of herbs and spices. Popular casserole seasonings are thyme, sage, garlic, onion, basil, marjoram and lemon juice. For extra color as well as flavor, add pimiento, green or black olives, green pepper or crisp celery.

To dress up any casserole, be creative with toppings — crisp, buttered crackers, corn flakes, puffs of cornbread or biscuit, toasted almonds, fluffy potatoes.

Here's our recipe for baked chicken salad — a time-saver and a pretty casserole for family fare or for guests at a holiday buffet.

2 cups cooked, cubed chicken or turkey  
1 1/2 cup diced celery  
3/4 cup chopped toasted almonds  
2 teaspoons finely chopped onion  
Grated rind of 1/2 lemon  
1 tablespoon lemon juice  
1/2 teaspoon pepper  
1/2 to 2/3 cup salad dressing  
Salt and pepper  
1 cup (1/4 lb.) grated Cheddar cheese  
1 cup crushed corn flakes  
1 tablespoon butter

Measure chicken, celery, almonds, onion, lemon rind and juice, and pepper into mixing bowl. Add salad dressing. Toss lightly to blend ingredients. If desired, add additional salt and pepper. Place in a 1-quart casserole. Sprinkle cheese over top. Top with buttered corn flakes. Bake casserole in a moderate oven (375 degrees) 25 minutes, or until cheese begins to bubble. Makes 6 servings.

THE CHRISTMAS ROSE

The Christmas Rose, a winter-blooming plant which has been known to flower in the snow, has an interesting and heartwarming legend associated with it. According to an old legend, as the Three Wise Men presented their gifts of gold, frankincense and myrrh, a little shepherdess, watching from afar, wept because she had no gift to offer the Christ Child.

As her tears fell to the ground, flowers sprang up, says the legend, which the child gathered and hastened to bring to the Infant Jesus. While kneeling at the crib, so Jesus could see the flowers, His hands touched the petals and a delicate pink appeared on the flowers.

And so, a flower that had bloomed before came into being — the Christmas Rose.

THOSE FOOD FADDISTS

If you listen to the food faddists, who have sprouted like weeds in recent years, you won't be able to eat anything that's appetizing. More important, as nutritionists are pointing out, food faddism can be a major menace to health, both physical and mental.

The New England Journal of Medicine recently published an ironical little verse by David Kritchevsky of Philadelphia, which just about covers the case. It runs thus:

"Cholesterol is poisonous  
So never, never eat it.  
Sugar, too, may murder you.  
There is no way to beat it.  
And fatty food may do you in.  
Be certain to avoid it —  
Some food was rich in vitamins  
But processing destroyed it.  
So let your life be ordered  
By each documented fact  
And die of malnutrition  
But with arteries intact."

Some people, of course, must follow special and limited diets. These should be undertaken only on a physician's order and under his supervision. The vast majority of us need the standard foods that are found in every market — meat, vegetables, fruits, dairy products. These are the sources from which we draw our energies.

BEAU BRUMMEL RIDES AGAIN

Male Fashions Came Out of Hibernation This Fall

Not since the dandy days of the Diamond Jims and the Gentleman Jims have male fashions been as bold, dashing and conversational as for Fall 1960.

Everywhere you look — in town, in country, or on campus — the peacocks are back in plumage — cheerful, colorful and a compliment to the well-dressed woman.

The big news, of course, is the revival of the slim Edwardian suit — or as the off-the-peg clothiers call it — the long, lean, "London Look."

Trousers, de-cuffed, and in many instances, de-pocketed, are tapered to 17" at the ankle, 19"

at the knee. They hang straight, breaking just at the ankle and feature an accented waist, devoid of pleats and tucks.

Jackets are slightly shaped at the waist, a bit shorter than in previous years and cut to expose shirt collars. Natural shoulders, cutaway three-button front and a slimmed down sleeve punctuate — as Saville Row calls it — the continental contour.

Many jackets especially university shop models add a touch

of turn-of-the-century styling in affixing a defined one inch cuff to the sleeve.

A dash of Edwardian seasoning in accessories include bowlers, watch fob vests, the old school-striped tie and the characteristic Downing Street cane-umbrella.

For outerwear, the designers have again delved into the gaslight era with Prince Alberts and Chesterfields enjoying a jet-age revival. The inside track in outerwear however, is definitely

circa '60 with the new outershell fabrics chemically bonded to lightweight urethane foam linings to provide ventilated warmth without weight or bulk. These chemically constructed interlinings actually "breathe" so there's no chance of getting overheated and chilled during the gusty weather ahead.

The new knitwear, woolen and jersey fabrics endowed with as little as 3/32nds of an inch layer of urethane foam are opening a

new era of light winterweight comfort in sweaters, ski clothes, rainwear, overcoats and suburban casual attire.

Along with bowlers, bonding and Bond Street styling, perhaps the most conversational male fashion item this Fall is the whole scale departure from the traditional somber-toned attire to colors with a bit more bejazz for both business and pleasure. On tap for town — stimulating shading of martini olive, crushed

grape and cognac hold sway straight thru cocktail hour. Casual attire colors burnished browns, mulberry and blue spruce growing in favor. On campus, mustard promises to add spice to weekend dating as winter sets in.

Patterns, coordinated to these new color trends, add another gamey dash to the Fall landscape. Bold clan plaids, roughish checks and robust stripes offer a welcomed change-of-pace for weekend wear. In town, the more dashing

Galahad will no doubt add a cognac and olive plaid raincoat, and mulberry-burnished brown interwined check suit to his five-toned wardrobe while on campus, paisley print gambler's vest, hounds-tooth sport jackets and nordic inspired sweaters will hold forth in extra curriculum activities.

Summing up the fashions scene for men, it seems to be a trend towards color, chemicals and calorie counting.

## — STAFF —

EDITOR — Linda Jean Chapman.  
ASSISTANT EDITORS — Cheryl Hipp, Janet Tisch.

REPORTERS — Mike Howey, Dick Miskin, Rocky Bullard, Judy Leach, Linda Hallman, Nancy Crosby, Kathy Golombeske, Bobo Christides, Mary Robbins, Sue Turek, Sue Larkin, Naomi Armstrong, and Adele Lynady.

TYPISTS — Cheryl Hipp, Mary Robbins, Rocky Bullard.

## THE EDITOR OBSERVES

Winter is upon us and with it comes the yearly problems that always appear at this time. The problems of driving in dangerous conditions such as slippery, icy roads and snow covered windshields add to the hazards. As high school students we are more apt to be out on the road coming from or going to a school activity or something at our church, it is partly our responsibility.

Teen-agers are supposed to be poor drivers, but if you inspect the record you will find that most teen-agers are careful and considerate drivers. During the winter months to come put on that extra little remembrance to be cautious on the road. Remember it is better to be careful now than sorry later. Don't let a bad record spoil it for the rest of us.

## PLANNING FOR THE FUTURE

At a recent Senior class meeting, a preview movie on Washington, D. C. was shown to let them get an idea of what they see on their forthcoming Senior Trip in April.

Realizing that graduation is not in the too distant future, announcements are here for seniors to look at and then make their choice among the three different styles which are on display.

## OH, JOYOUS SEASON

The Christmas Season is again approaching, a happy time of the year. The only time of year when Dad gets to work late because of the increased sales and you never see him or when Mom is forever trying to figure out what old Aunt Martha wants because she has everything including a mink cape opener. But we are all happy, especially Junior. He has a big part in the pageant at Sunday School, he is a wise man. You can tell he is enjoying himself as he memorizes his lines watching out the window as the other boys build a snowman. But you can't forget that sister will soon be home from college and will be telling you how you will never make it. She seems to have gained a variety of knowledge about the world and she thinks she is the great philosopher. Did you know that no matter how much you study its not half as much as they do in college? But so goes the season full of crabby grandmothers, screaming women as they push you aside for the bargain table in the store and a million other things, but we love them all.

## CHRISTMAS PARTY, NEXT MEETING OF FUTURE TEACHERS

At the recent meeting of the Future Teachers on Wednesday, December 7th, Mr. Jadwin talked to the members on teaching to the emotionally disturbed.

Their next meeting will be on Wednesday, December 21st. This will be their Christmas party that will include a progressive dinner.

## DO RE ME

Last night, December 14, the CHS A Cappella choir entertained the Wednesday Night Dance Club with Christmas songs.

One of the songs they sang was "The Little Drummer Boy" and all of their songs had a Christmas atmosphere.

They had an extra rehearsal last Monday night to help them prepare for their presentation.

## POINT HAPPY WOLVES RIP CLARENCEVILLE 102-62

by Dick Miskin

Clarkston's Wolves extended their winning streak to two games Friday night by massacring hapless Clarenceville 102-62. The game was highlighted by the consistent foul persistency on the part of each team and a wild and hectic fourth quarter in which both teams scored frequently and played give away ball. During that quarter, our Wolves set a new scoring mark, surpassing the school's previous record high by 10 points. On that occasion, three years ago, Clarkston downed Holly 92-65.

Again, for the second week in a row the Wolves found themselves slowly but surely running away from their opponent in points being scored. At the half the Wolves held a massive 25-point lead, 51-26 and were well on their way to victory.

Bill Powell paced the winners with 24 points. Following him in scoring were Chuck Funk 16 points, Mike Applegate 12, Hal Weston 11, Ron Walter 11, and Jerry Powell 10. Again the Wolves were able to maintain good balanced scoring.

In other league action Holly nipped Bloomfield Hills 49-44, Brighton whipped Northville 50-37, and Milford defeated W. Bloomfield 64-53. As it stands Clarkston, Holly, Brighton and Milford all share first place with two victories each.

The Wolves travel to Northville, tomorrow, and will be hoping to increase their winning streak to three games before coming home to play W. Bloomfield December 23rd.

## C. H. S. WINS 12TH DEBATING VICTORY

by Janet Tisch

The Clarkston High School debating team, under the excellent coaching of Mr. Robert Mills, continued to add to their winning streak by defeating the Holly debate team, December 6th at Milford.

Phil Smith, Earl Pearson, and Ron Fusilier were the winning debaters from Clarkston, defeating the negative and affirmative teams from Holly.

Also attending the debate were Carolyn Ruggles, Fred Lissner, Tom Wells, Mike Howey, Dave Smith, and Mary Fusilier, who participated in novice debates with the negative and affirmative teams from Milford, and the affirmative team from Bloomfield Hills.

The remaining club members,

Roger Pearson, Floy Kuklaw, and Jim Chapman spent the afternoon listening to their fellow debaters out speak their opponents on the topic, Resolved: That the United Nations Should be Significantly Strengthened.

## CLASS WINNESSES COURT IN ACTION

by Linda Hallman

Last Thursday, December 8th, second hour Business Law class attended Court in Pontiac. There they saw an actual court case involving a suit for damages of an accident.

Prosecuting Attorney George Taylor told the class what the Oakland County Law Library was used for, and that there were approximately 55 thousand volumes in the library.

Judge Beer also gave a lecture on the law and what it meant to the people.

From there the class went to the Oakland County Jail, where they experienced being locked in a cell.

The class all agreed that it was a most enjoyable and informative trip.

## "WHAT DID YOU SAY?"

by Judy Leach

The word for this week is herculean. Do you know what it is? The following people tried to guess.

Bob Kriss had no idea what it could have been and was afraid to try and guess.

Nancy Stanquits thinks it might have something to do with Bert Montross' car.

Bob Cobb said he had no idea what it was.

"Something to do with the gym," was the answer given by Miss Ruesing.

A "herculean", given by Webster's Dictionary, means having the great size of Hercules; calling for great strength, size or courage.

## BETTY CROCKER HOMEMAKER OF TOMORROW

by Janet Tisch

The Betty Crocker Homemaker of Tomorrow Contest was held at Clarkston High School, Tuesday, December 6th.

Fifty-one Senior girls participated and answered questions on homemaking, baby-sitting, budgeting, and other domestic problems. The winner will be awarded a pin and her test will be entered in the state contest. The winner of the state contest will receive a \$1500. scholarship and an educational tour. (Second prize—a \$500 scholarship.) The national prize in this contest is a \$5000 scholarship, with prizes of \$4000, \$3000, and \$2000, going to the 2nd, 3rd, and 4th place winners.

Each girl who took the test was given a copy of "Betty Crocker's Guide to Homemaking."

## OLD-FASHIONED WINTERS MAY RETURN

If you're shivering now, beware! According to a Michigan State University geologist, the weather's due to turn colder.

Average temperatures may drop over the next 50 years to what they were in the 1880s when the winters were much more severe than they are today," says Dr. Maynard M. Miller.

Dr. Miller's research, coupled with that of some meteorologists, indicates that weather, at least for the past 300 years, has run in cycles corresponding with changes in solar energy.

Full cycles are estimated to last 90 years. The warm phase of the present cycle, notes the MSU geologist, apparently reached its maximum temperature during the past 10 years, which should indicate that the weather is now due to become colder.

## HAPPY HOLIDAYS

Holiday hazards center in four major areas — Christmas trees, toys, family cars and highway driving.

Edward J. Slezak, associate supervisor of physical education for men at The University of Michigan, offers five tips for safety in each of these areas to help keep the holidays happy:

**Christmas Trees**  
Anchor trees securely; Check tree wiring for possible shorts; Avoid using breakable decorations; Don't overload trees; Keep trees alive — put base of tree in water container with sugar added.

**Toys**  
Buy safe toys for each age group; Fit skates and skis properly. Skate, ski, slide and sleigh in supervised and safe areas; Keep toys clear of stairs and heavy pedestrian traffic; Restrict "flying-object" toys to safe areas.

**Family Cars**  
Keep brakes adjusted — never slam on brakes on icy roads; Inflate tires moderately — hard tires skid more easily; Keep windshield and rear windows clear of snow and ice; Open garage doors before starting cars — avoid carbon monoxide poisoning; Make sure manifold, exhaust pipe and muffler do not leak.

**Highways**  
Never drive while intoxicated; Observe and obey all highway signs and signals; Use chains on ice and snow covered roads, never on clear pavement; Allow for increased distance to stop on snow or ice covered roads; Reduce speed slowly in icy, snowy or wet roads — even with snow tires.

"A Holy and Joyous Christmas to All"

## The Christmas Services

Sunday, December 18th  
9:00 a.m. 10:15 a.m. 11:30 a.m.

Reverend Richards tells his annual Christmas story for children: "The Miracle of Christmas"

Five choirs, 150 voices, under the direction of Mr. William Mansfield.  
Guest instrumentalist: Cellist, Mrs. Paul Eliason.

## The Christmas Candle Light Choral Service

Sunday, December 18th at 5:00 p.m.  
All the choirs will sing with guest baritone, David Lemelin; Cellist, Mrs. Paul Eliason; Organist, Mrs. Adele Thomas.

## The Christmas Eve Candle Light Holy Communion Service

Saturday, December 24th at 9:00 p.m.  
Reverend Richards delivers Christmas meditations for communicants every ten minutes with carols to be sung by the choirs.

## The Christmas Day Services

Sunday, December 25th at 9:00 a.m. and 11:00 a.m.  
Reverend Richards preaches on "Be Born in Us Today"

The nursery is open for all services. The Church School will not meet so that children may worship with parents during the Christmas Services.

## CLARKSTON

By JOHN D. KAMEGO, Manager

Are you having a Christmas Gift Problem? If so, the Telephone Company Gift Counselor can be of help to you. She can arrange for

the usual services and equipment — and the unusual too! For example: for the person who has difficulty hearing over the telephone a Volume Control Set would be an ideal gift suggestion. This set permits the user to control the volume during a call to fit his individual need. This and other unusual gift suggestions may be obtained by calling our Business Office at FEderal 3-9911.

## PROMISE A Princess!

Let this lovely little phone light up the season for someone you love

What a wonderful, colorful telephone! The new Princess extension phone is so small you can hold it easily in your hand. It will glow beautifully anywhere in the home. Its dial glows softly at night (no need for a separate night light).

Order a Princess phone for someone special. Five Princess colors: white, beige, pink, blue or turquoise. A call to your Bell Telephone business office will arrange it. Or ask the man on the telephone truck.

Michigan Bell Telephone Company

## Confetti Eggnog Pie

Confetti Eggnog Pie, with its flaky pastry and creamy smooth filling, studded with bits of candied fruit, will be a welcome newcomer to your holiday festivities.

A look to the New Year is a look to new holiday foods — foods that are easy to prepare and a delight to serve. Confetti Eggnog Pie is the perfect choice for holiday party planning. And you can be sure it's a new "acquaintance" your party guests and family will long remember.

The chiffon filling is a quickly prepared vanilla creme that's combined with whipped cream for a melt-in-your-mouth texture. Delicous rum flavoring and rich bits of candied fruit add a final touch of elegance. The pastry shell also puts on holiday with tiny pastry stars lining the edge.

Prepare Confetti Eggnog Pie in the morning or afternoon before your party. Chill it in the refrigerator, and it's ready to serve any time.

You'll be serving your guests double goodness in Confetti Eggnog Pie. The pastry and all foods baked with enriched flour offer valuable nutrients — iron and three essential B-vitamins.

**PASTRY**  
1 cup sifted enriched flour 1 1/2 to 2 1/2 tablespoons cold water  
1/2 teaspoon salt  
1/2 cup shortening

Sift together flour and salt. Cut or rub in shortening until mixture is crumbly. Sprinkle with water, mixing lightly until dough begins to stick together. Turn out on lightly floured surface; pat into 11-inch pie pan; brush with egg wash; prick with fork. Prick with fork. Bake in hot oven (425° F.) 10 to 15 minutes. Cool and fill.

**FILLING**  
1 tablespoon unflavored gelatin 2 eggs, beaten  
1/2 cup cold water 1 teaspoon rum extract  
1 1/2 cups milk 1/2 cup candied cherries, cut in halves  
1/4 cup sugar 1/2 cup chopped candied citron  
2 tablespoons enriched flour 1/2 cup whipping cream

Soften gelatin in cold water. Scald milk. Add sugar and flour to eggs. Mix well. Add about half the milk to egg mixture, stirring constantly. Combine milk and egg-milk mixture and return to heat. Bring to boiling over medium heat, stirring constantly. Cook 2 minutes. Remove from heat and add softened gelatin. Stir until dissolved. Chill until partially set. Fold in rum extract, cherries and citron. Whip cream until stiff. Fold into gelatin mixture. Turn into cooled pastry shell. Chill until firm. Garnish with additional cherries and whipped cream, if desired. Makes 1 8-inch pie.

## Pontiac trims side overhang to give you a new Wide-Track...greater stability

Notice that the sleek lines of the body are closer than ever to track width. We've trimmed side overhang. Every inch and ounce of this '61 Pontiac travels with steadier footing.

The change is also noticeable inside. We've increased seat height and allowed more headroom, legroom and footroom.

Clearance between steering wheel and seat is 12 per cent more than before. Doors are wider, swing open farther. More balanced in motion. More comfortable inside. That's the Wide-Track way to travel. And there's only one place to try it...in a '61 Pontiac! Take a deciding drive soon.

THE ONLY WIDE-TRACK CAR! Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.

PONTIAC '61 — IT'S ALL PONTIAC!

## THE TOY TWIRL

by Sue Munsee  
 Come one, come all! The Home Economics Club is sponsoring a dance — "The Toy Twirl." This dance is to be held December 16, in the cafeteria from 7:00 til 10:00. Admission will be a toy, book, or game in good condition. Please help a homeless child have a Merry Christmas, all toys collected will be taken to and distributed at the Oakland County Children's Home.

## WHAT'S "ROCK AND ROLL"

by Linda Foote  
 To us, the teenagers of Clarkston Junior High and all over the United States, Rock and Roll is a series of calculated steps done in a set pattern. But what is it to the adults and children of the world? To some adults it is "junk" but to others what it is depends mostly on the dance and way it is done. When I baby sit and I see little tots jumping around the way they see the kids do it on American Bandstand I wonder, "Is that the way we look to other people?"

## SCULPTURE

by "Cricket" Embrey  
 In all the art classes everyone started working with clay. Some very artistic items have been made. Everyone is enjoying this type of work.

## MOVIES IN RUSSIA

by Dianna Henson  
 Marcia Holt  
 Monday Mrs. Beattie's seventh grade geography classes saw a movie on the Soviet Union. The movie was based on the important cities and the people. It told of the many different kinds of people who live in the different parts of Russia. Although there are many kinds of people the Russians make up most of the population. Because the newspapers in Russia are so few the people stand in long lines even in the rain to buy them. The Soviet Union is three times the size of the United States. The capital city is Moscow. The Soviet Union covers nearly one sixth of the land of the earth. The students found the movie most interesting.

## ODDS and ENDS

by Karen King  
 Mrs. Anderson's math. classes and history classes had a substitute, Mrs. Johns, Thursday and Friday of last week. Mrs. Wiseman's English classes are working on verbs. Mr. Jakeway's history classes are still studying the Constitution. There will be a test Wednesday, December 14. Mr. Maunula's classes are studying rocks. Report cards came out Wednesday of last week. The students took Honor Roll verification sheets to the teachers Friday; that is, those who were eligible took them.

## CHRISTMAS PLAY IN SEVENTH GRADE

Some of the seventh graders found a play about a Swedish family's first Christmas in America. The play, "THE MYSTERY OF JULAFTON" by Maxine Karpman is taken from the Junior Scholastic magazine. It depicts the Christmas customs of the Swedish people. Pamela Haiker and Cindy Johnson were so pleased with it they asked Mrs. Foster if they might dramatize it for their 1st hour English class if they could find enough students to take the parts. The parts were taken by Ernest Morgan, Darryl Hicks, Karen Johnson, Steven Barnett and Peggy McCormick. The students work hard every day at the beginning of the period practicing their lines. A stage in the room is quite an asset. Producing the play means more home work to complete the daily assignments but the young actors seem to enjoy doing it.

## STRANGE MUSIC

by Sue Hampshire  
 Mr. Charles Gregory presented a melange of comedy and music, Thursday, December 8th, for the 6th, 7th and 8th grades. In rapid succession and with great showmanship, he played beautiful tunes on a Hoover Cleaner. Danny Williams assisted Mr. Gregory in "playing a saw melody, and a tire pump tune. Next followed a strange but beautiful sounding instrument called the theremin. Bobby Roccha and Dawn Hicks took part with this. Coming up next was a trick where coordination counted. Roger Smith, Phil Roach, Danny Addis, Phil Moon, and Randy Nelson, tried this stunt. The last but not least act was a clever Do-It-Yourself Orchestra where Lester Hubbard, Carolyn Atkins, Rita Curtis, Pam Weir, Brenda Davis, Vicky Fife, plus two teachers Mr. Spelbring and Mr. Maunula participated. I have only told some outstanding parts of Mr. Gregory's fascinating entertainment. His ability in performing by playing music with a rubber glove, scotch bag pipes, a violin, and a guitar amazed everyone. Following the assembly many comments showed that it had been a big success.

## CHRISTMAS ALL AROUND US

by Sandra Smalley  
 When you walk down the halls what do you see? "Christmas". How do you see Christmas by walking down the hall? By looking at doors and peeping in windows and seeing decorated rooms. Many windows are painted in Christmas style, with carolers and religious designs. If you pass the outside of the school you will see our shepherd scene in beautiful Christmas colors. The art class is responsible for this piece of art work. I am sure all of the pupils of the school feel much more in a Christmas mood when they see this fine display. I wish you all a very sincere and Merry Christmas and Happy New Year.

## CHRISTMAS PROJECTS IN GEOGRAPHY

by Sue Putnam  
 Judy Ragatz  
 Mr. Treais's first hour geography class is making pictures of Christmas in different countries of the world. The class has chosen a captain, Heidi Buehrig, and a co-captain Greg Grogen. There is a leader for each of the four groups and their countries are: Vickie Davison, France; Pam Fisher, America; Billy Wanike, Mexico and Chris Torr, Italy. Mr. Treais said the students may come in during third and seventh hours and after school to work on the pictures.

## STUDENT GOVERNMENT MEETING

by Bobette Buehrig  
 The junior high student government held a meeting, Wednesday, December 7th. The members decided to have a secretary instead of one girl being both secretary and treasurer. The new secretary is Sue Hampshire. Having a talent show was discussed. However, nothing definite was decided.

## CLARKSTON JUNIOR HIGH CHORUS AND BAND

by Julie Wilson  
 Clarkston Junior High Chorus and Band will have a Christmas assembly for every one in Junior High on Friday, December 23rd. The chorus will be doing some Christmas songs that might not be familiar to everyone but it is hoped others will learn to like these songs such as "Silent Night". There will be a special arrangement of the spiritual "Rise Up, Shepherds and Follow". The sixth grade band will also be playing.

## "Dear Santa..."

All over America, boys and girls are eagerly awaiting the coming of Christmas . . . looking forward to the toys for which they've asked in their letter to Santa. It's a big job for Santa—keeping all these boys and girls happy—but he has a big helper in the trucking industry. The hundreds of thousands of trucks and trailers that all year long bring Americans everything they eat, wear, or use are kept extra busy at Christmas time. From factory to showcase to Santa's pack, the toys and other gifts that bring so many happy smiles on Christmas morning depend on trucks to get where they're going . . . Merry Christmas, everyone!

**FOR SALE** — Two oak office desks; two greeting card racks, like maple. 5 Main St. MAple 5-4676.

Regular Meeting of the Village Council Held November 21, 1960  
Meeting called to order by President Colton.  
Roll: Beach, Huttenlocher, Jones, Terry, present; Butters and Wilford absent.

Minutes of the last meeting were read and approved.  
Moved by Beach, "That Robert Waters and L. Mack Oakley be appointed to fill the unexpired terms of A. E. Butters and Robert Jones respectively. The latter two having resigned from the Council." Motion seconded by Terry. Motion carried.  
Moved by Terry, "That the following Accounts be paid."  
General Account  
Richard Kincaid, Work on trees, \$61.87; G. Hawes, Work on trees, 20.25; William Allen, police work, 43.00; Robert Phillips, police work, 112.00; Frank Green, police work, 51.00; Jack Hess, police work, 49.00; Bill Wilson, police work, 32.00; Rex Fenstamaker, police work, 44.00; John Ronk, police work, 96.00; Jack Beach, police work, 57.00; John Reabe, police and street work, 100.48; Mike Thayer, police and street work, 90.00; Robert Jones, Jr., police and street work, 88.00; Riegle Press, register sheets, 72.97; Oakland County Road Comm., traffic light, 9.32; Consumers Power, Heat for Village Hall, 2.85; King's Insurance Agency, Police Bonds, 28.00; Morgan's Service, battery and winterize truck, 38.65; Fuller's Service, winterize tractor, 5.72; Bob's Hardware, Paint, 5.88; Ann Arbor Construction, Blacktop, 25.38; Clarkston News, Publications and envelopes, 7.76; Detroit Edison, Street and Rink lights (2 Mos.), 219.20; H. W. Huttenlocher, Agency, Workman's Comp., 80.65; Mich. Dept. of State, License for truck, .85.  
Motion seconded by Hutten-

locher. Roll: Beach, yes; Huttenlocher, yes; Jones, yes; Terry, yes. Yeas, 4; Nays, 0. Motion carried.  
It was noted by Jones that Consumers Power would give one work order at the end of the year to cover construction repairs rather than after each job.  
Moved by Jones, "That the meeting be adjourned." Seconded by Huttenlocher. Motion carried. Approved, Ralph Thayer Village Clerk

**CAR LICENSE TAB SALES HIGH**

Automobile license tab sales

are running more than 10 percent above those last year. A report issued by Secretary of State James M. Hare showed 142,686 tabs sold in November, 1960, compared to 126,395 issued in November, 1959.  
Our own State Branch Office reports that in this vicinity 1000 more tabs have been sold than at this time last year. At the time we contacted the Branch Office, 8500 license tabs had been sold, this, of course, barely scratching the surface of the ones yet to be sold.  
"Many factors seem to be responsible for this increase," Hare said, referring again to the state wide picture. "For one thing,

we've had good weather and people are finding that it pays to get their tabs early, even if they don't always take time to mount them."  
Hare also pointed out that the unusually large inventories of 1960 new cars still available as 1961 automobiles were introduced lead to bargain prices and increased sales.  
"As long as new car buyers must transfer their old plates from one car to another anyhow," Hare said, "they may as well put their black-on-aluminum 1961 tabs, on, too."
