CLARKSTON, MICHIGAN, THURSDAY, MARCH 9, 1961

Wolves Are Still Victorious

March 7, nineteen hundred and sixty-one was a date upon which the very first game of the Class "B" district tournaments was played at Clarkston High - a game whose outcome will surely go down in record books as one where history was caught repeating itself. Its significance being a day in which Clarkston's Wolves staged as near a repetition of a second "Little-Big Horn" that could possibly be performed on a basketball court when they battered, butchered and all but devoured the Falcons of Birmingham while rolling to an overwhelming 69-28 tournament conquest.

Historians witnessing the affair Tuesday have agreed that Clarkston's literally crushing victory over Birmingham was gotten in considerable respect in the same manner as Sitting Bull's when the chief and his tribe massacred "rival" General Custer and the boys in blue back in 1886.

From the start of battle, Clarkston was solely in command of the situation. They fashioned a wicked attack consisting of big Bill Powell, Gar Wilson, Ron Walter, Mike Applegate and Ron Lundy, then countered with various second quarter placements which included the "awesome threesome" - Roger Rolfe, Hal Weston and Chuck Funk, as well as others and powered to a 30-10 intermission lead. Actually the 30 point output was, as it turned out, enough to seal a victory, for Birmingham garnered only 18 points in the remaining half which added to their 10 point output in the first half, totaled a grand sum of 28 points and a miserable night as far as Groves was concerned.

The remaining two quarters saw Clarkston create a 40 point, plus deficit while compiling a 39 point half that made one wonder about the worthiness of the opposition to compete on such a basis with competition as that presented by Clarkston High School. To be candid, I simply did not feel the Groves team was of a calibre to be ranked as a Class "B" school, but of course rankings are not judged by the magnitude of a basketball team, of all things, but by student enrollment. It was obvious at least to me that the Birmingham Groves Falcons simply did not have the material to go along with its long name. What was supposed to be a "tournament game" looked from my point of view like a Varsity-Freshman scrimmage.

Despite the lopsided outcome the Birmingham team had the consolation of being thankful that they are not a current member of the W-O League.

Practically everyone on the Clarkston squad took part in one way or another in the mass destruction of the framework of the Falcon assault. Leading marksmen were Bill Powell, 12 points, and Roger Rolfe, 11 points. Others contributing to the Clarkston cause were, Jack McCall, 9 points, Gar Wilson, 6 points, Ron Walter, 6 points, Hal Weston 6 points, Jerry Powell, 6 points, Mike Applegate 4 points, Chuck Funk 4 points and Ron Lundy 2 points.

Now that the "Pack" has one victory under their belt they'll need another tonight to keep alive their hopes of a district championship which results in an advance to regional competition.

BIRTHS ANNOUNCED

Already loved as much as though he had been born to them, Gregory, son of Mr. and Mrs. Kuga Kojima, 5850 Dubay, in Waterford. Gregory was five months old when he came to them, on the first of March. Four year old Holly just hates to have her brother spend any time crying or sleeping!

Mr. and Mrs. Duane Anderson, 910 Eliria, Pontiac, are the parents of a baby girl born to them on February 20. They named their daughter, who weighed 7 lbs. 11 ozs., Kathryn Lynn. She was born in the Pontiac General Hospital. Kathryn has a big brother, aged five, and a three year old sister.
Grandparents of the baby are Mr. and Mrs. Herbert T. Baynes of Clarkston, and Mr. and Mrs. Oscar Anderson of North Dakota.

Revealed Freeway Plans

The Michigan State Highway Department will open bids March 15 for construction of Michigan's first six-lane freeway in a rural area.

State Highway Commissioner John C. Mackie said contracts will be let for 12.6 miles of Interstate 75 freeway from Holcomb Road west of Clarkston to Evans Road just south of the Oakland Genesee county line.

Cost of the project, which will be let in four contracts is estimated at \$9 million, including right of way.

Mackie said the freeway will be built to carry three traffic lanes in both directions to handle an estimated 50,000 vehicles per day that will use the freeway by 1975.

Normally rural freeways are built with four traffic lanes. However, the section of I-75 between Clarkston and the Oakland-Genesee county line is being built with six lanes because of an anticipated growth in the area and the heavy volume of traffic expected to enter the freeway from old US-10 which intersects the route northwest of Clarkston.

With this section, the freeway will be under construction for a distance of 34.5 miles from Pontiac to the Fenton-Clio freeway three miles south of Flint.

Interstate 75 in Oakland county is a continuation of the Walter P. Chrysler Freeway in Detroit. Contracts will be let in 1962 and 1963 to complete the freeway between Pontiac and Detroit.

Individual jobs scheduled for the March 15 letting are: - 6.1 miles of I-75 from Holcomb Road west to M-87 including interchanges of M-87 and US-10, two miles west of Clarkston; grade separations at Davisburg and Rattelle Lake Roads and a bridge at Deer Lake creek.

Completion Date - November 30, 1962.

6.5 miles of I-75 from M-87 northwest to Evans Road, including an interchange at Grange Hall Road and grade separations at Bedford and Lahring Roads.

Completion Date - November 30, 1962.

A package for six structures between Holcomb and Joslyn roads, including interchanges at Ortonville Road (M-15), and Joslyn Road; grade separations at Holcomb and Clintonville roads and two structures to carry the freeway over Clarkston Road.

The roadwork on this section was let December 7, 1960.

Completion Date on the structures in July 1, 1962.

Twin bridges to carry I-75 over the Grand Trunk Western railroad tracks 1.5 miles north of Pontiac.

ATTENTION! PARENTS OF 8th GRADERS: On Monday night, March 13th, a high school orientation night will be held in the Little Theater of Clarkston High School, beginning at 8 o'clock.

All parents of students entering the 9th grade in September, 1961, are urged to attend the program in order to learn about the high school courses of study. It will also be possible at this time to construct the 9th grade program and to form tentative plans for the remainder of the high school years.

Please call the high school for further information, if necessary.

EPISCOPALIANS SCHEDULE INQUIRERS' CLASSES

Classes for those who wish to learn about the Episcopal Church, its faith and practice, will be held on Wednesday evening March 25 in the vicarage, March 22. These classes will be held in the vicarage, 6065 Sunnydale.

Confirmation classes for children will be held on Saturday mornings at 10:00 A. M., beginning March 25, in the vicarage. These classes are open to all who are interested. For further information, please call the Reverend Mr. Stewart at M-45-1751.

LARGE CROWD SEES FASHIONS

A large crowd enjoyed the program at the Fashion Show-Card Party given by the Clarkston Community Women's Club last Thursday evening. Co-chairmen Mrs. Gary Duncan and Mrs. A. S. Hamilton report 145 tickets sold. Proceeds will benefit the MSUO Scholarship Fund.

Accompanied by music provided by Mrs. William Race and Mrs. Paul Eliason, models from Peggy's showed a variety of lovely spring fashions. Narration was given by Mrs. Marvin Barnett, of Peggy's.

The many door prizes and table favors were collected from local merchants by Mrs. Lewis Wint assisted by Mrs. Neil Braun, Mrs. Harry Fahrner, and Mrs. Richard Kroninger.

D.A.R. Chapter Elects Officers

Mrs. T. W. Jackson opened her interesting home on Mt. Clemens Street in Pontiac Thursday, March 2 for the annual meeting of the General Richardson Chapter of the Daughters of the American Revolution.

Regent, Mrs. L. L. Echninaw conducted the business meeting at which the following slate of new officers was elected. They will be serving the next two years starting in June and are: Regent, Mrs. Frank Allen; first vice regent, Mrs. T. W. Jackson; second vice regent, Mrs. James Isles; Chaplain, Mrs. Louis B. L. Dunlap and Mrs. Wm. Kalwitz.

New members numbering six in the local D. A. R. Chapter are Mrs. Marian Benter, Lynne Benter, Mrs. Harvey Bidstrup, Barbara Shadley Mrs. F. H. Warner and Carolyn Lewis.

It was announced that the D. A. R. plaque originally marking Pontiac's first house was saved by Pontiac Police when the Oakland Theatre burned last year. It will be placed again.

Attending the National D. A. R. Congress in Washington, D. C. the week of April 16-21 will be Regent, Mrs. Lisle Echninaw and Mrs. Bradley Scott.

In her annual report Mrs. E. G. Clarks told of coverage in local newspapers. D. A. R. publicity in The Clarkston News totaled 123 inches in the last year.

A program of American Music was given by Mrs. Carl J. Leonard. She sang three selections and was accompanied by Mr. Charles Wilson, minister of music of Pontiac's Congregational Church.

Refreshments were served from a table decorated in a St. Patrick's motif with Mrs. Allan Monroe and Mrs. L. B. West pouring. Members on the serving committee were: Mrs. Roderick Taylor, Mrs. Julius Feldkamp, Mrs. F. N. Hilton, Mrs. H. M. Hilton, Miss Agnes Hillen, Mrs. E. D. Benjamin, Mrs. Frank Gerls, Mrs. Harry Going, and Mrs. E. L. Tibbals.

LOCAL DOCTOR PARTICIPATES IN HEART PROGRAM

The Pontiac Heart Unit of the Michigan Heart Association is sponsoring a free public program in Pontiac on March 22, 1961, according to Dr. Robert Lyons and Mr. Michael Kozonis, co-chairman of the program. The program on "High Blood Pressure" will be held at Pontiac Northern High School, beginning at 8:00 P. M.

Featured on the program will be Dr. Elmer Mueller, Birmingham; Dr. Arthur Stecker, Clarkston; Dr. Murray Levin, Pontiac; and Dr. Kenneth McIntyre, Pontiac. The program, dealing with causes, effects, treatment, research and prevention of high blood pressure will be moderated by Dr. Charles Patrick of Drayton Plains. A colored movie on "High Blood Pressure" will be shown; the film utilizes live photography, diagrams and animated drawings to outline facts about high blood pressure.

The Pontiac Heart Unit cordially invites the public to attend this free program dealing with one of the most important problems of the heart disease. At the end of the program, there will be an opportunity to direct questions to the panel.

YOUNG PEOPLE DATING TOO YOUNG?

The M. Y. F. held the fourth program in their Boy-Girl Relations program Sunday evening. The parents of the members were the special guests. Dr. Russell Mahan of the Clare Elizabeth Foundation in Flint talked with the parents in the sanctuary. They discussed the issue of dating at early ages and the problems that arise later in the teens from this early dating. A lively discussion too, on the recreational facilities for teen-agers, was carried on.

The youth met in the dining room and listened to a record on teen problems.

AUTHORITY SPEAKS TO VILLAGE FRIENDS

John McKinney, authority on framing, from the Little Gallery, Birmingham will deliver a lecture before the Village Friends of Art on March 15 at 8:00 P. M. at the Clarkston Conservatory. The gathering will also feature the Clarkston High School Acappella Choir in works of Vittoria and Nathaniel Dett.

Mr. McKinney was born in Rochester, Michigan on February 18, 1927. His formal education was obtained in Pontiac, Anchor Bay and the Army. Upon his discharge at Fort Riley, Kansas, he returned to Little Rock, Arkansas, where he had previously been stationed at Camp Robinson and joined the staff of the Blacklock Fine Arts Gallery. Here his real education began. As youngest of a group of four he was required to learn every facet of the art business from fitting pictures to organizing exhibitions. By the time he left Blacklock's eight years later he had acquired a basic knowledge of all the restoration. Most importantly, his inherent taste had been developed by contact with artists, dealers and public. And the necessity for perfectionism in the craft of framing had become an ingrained characteristic. Immediately after his return to this area he joined the Little Gallery where his abilities have found even greater opportunity.

The art of picture framing is as complete as it is individual and creative ideas can increase the value of any picture. It is the combination of creativity and perfectionism which makes John McKinney one of the outstanding authorities.

Refreshments were served from a table decorated in a St. Patrick's motif with Mrs. Allan Monroe and Mrs. L. B. West pouring. Members on the serving committee were: Mrs. Roderick Taylor, Mrs. Julius Feldkamp, Mrs. F. N. Hilton, Mrs. H. M. Hilton, Miss Agnes Hillen, Mrs. E. D. Clarkston Junior High School will present its first play production for the public in the Junior High gym-auditorium, Friday, March 10th at 8:00 P. M.

The hilarious hour and forty-five minutes long play by Madge Miller and produced by special arrangements with The Children's Theatre Press is an Oriental fantasy that will delight both children and adults.

The cast has been working on this dramatization since the beginning of the second semester.

Bobette Buehrig as the lovely Princess Jade Pure is concealed from the sight of the people of the Southern Kingdom by her avaricious aunt, Precious Harp (Kathy DeArmond) and her equally greedy accomplice, the Chancellor, Ted Hollis. They are assisted by three cousins, Janeece Carter, Sandra Smalley and Cynthia Kolos.

The Stage Manager, Morris Hyatt and his Property Man, John Jones assist the audience in discovering what parts the wandering student, Road Wanderer, John Allen, his dragon, Bill Long and a farmer, Fergie Wood play in discovering that the princess is not ugly but beautiful.

That real looking little dragon, Bill Long, has been made so by Miss Helen Gernaat's adept hands that made the costume and the ability of Aice Upward and Marie Holler to fashion a dragon head under the direction of Mrs. Turner from the Art Department.

The Oriental stage settings are the handiwork of Mr. Lee Hathaway and his helpers, Mike Madison, Dan Addis, Mark Keolan, Bob Lynady, and Mr. Thomas Lamm and the property committee, Mary Wertman, Lucia Wilford, Kristyn Dougherty and John Holcomb.

The cast looks quite Oriental when Mrs. Walter Wilberg and her make-up girls, Kathryn Rossano, Jacquie Leonard, Nyla Locklear, Donna Ventimiglia finish with the paint and make-up.

There will be Oriental music under the direction of Mr. Barton Connors, by the Junior High School Band to introduce the play.

Gary Foraker will be assisted by "Bucky" Hinkley in making all the sound effects that support the play.

Sue Hampshire, Brenda Shaw, Dick Cranick, Cindy King and Jody Strother have been responsible for the posters and the publicity for this first Junior High drama production.

Mrs. Edwin Beattie and Mrs. O. F. Foster have done the directing of "The Land of The Dragon!"

VILLAGE PLAYERS SELECT FIRST PLAY

The wheels have been turning round and round, setting the machinery in motion for the production of an intriguing, hilariously funny play, by the newly organized Village Players.

Nick Rossano will be the manager for the comedy, "Two Blind Mice". His past experience and ability to keep things moving steadily towards accomplishment, promise a play which will draw large audiences from all the surrounding area.

The casting committee is at work selecting candidates for the various roles, and it must be admitted that every member of the Players is just a little hopeful and excitedly expectant! No one can be too disappointed, however, because there are important opportunities, behind the scenes, for every one not in the cast.

Another general meeting will announced soon. If you haven't already joined this amazingly versatile group, watch for the date of the next meeting, and at least give it a try. Our guess is that once you attend, and find that there is a special spot just for you, you will be happy to fill that spot, and make the most of it. Watch for the forthcoming announcement.

A TWO WEEKS MISSION AT OUR LADY OF THE LAKES

Two members of the St. Vincent de Paul Mission Society from Brooklyn, New York, Father John Roche and Father John Hallahan, have been invited by Father Delaney, Pastor of Our Lady of the Lakes Waterford, to conduct a two weeks' Mission, beginning on March 12th. The first week, March 12th to 18th, will be for all women, married and single; the second week, March 19th to 26th, will be for all men, married and single.

WOLVES DOWN BRIGHTON IN SEASON FINALE

Clarkston ended another milestone, in the wild and sometimes surprising Wayne-Oakland League race by closing out its 1960-61 basketball schedule with a decisive 59-50 victory over Brighton. By winning, the Wolves were able to claim a share of second place in the standings and thus lived up to pre-season expectations. Clarkston, in its quest for a high finish position-wise could do no better than to claim a one-third portion of this slot. The other two-thirds portion was divided equally between Milford, also a victory Friday and Northville the club that lost last week to create the bottled up finish.

Reflecting back on some of the season's highlights, accomplishments such as — beat Clarenceville 102-62 to set a new WOCL record for total points scored by a single team in a game; set a new school mark as well with that record-breaking 102 points output to be the first Clarkston team ever to reach such a goal; were one of the very few clubs

that had the distinction of holding a victory over the champion Holly Broncos; will surely be remembered for some time to come, by the students and team loyalists of Clarkston High School. Congratulations are in order to Coach Dom Mauti and his squad for their superb showmanship of basketball — win or lose throughout the "60-61" schedule and for what can be considered a very successful season.

The victory last week, Clark-

ston's 8 in 14 league games and 10 in 16 games over all never was in doubt despite the close 9-point margin. The Wolves held a slim lead throughout the first half of play while gaining a 31-27 advantage at the intermission but really began to pour it on in the second half letting up somewhat, however, in the final round when reserves were used to a great extent.

The contest was not of the type in which fitness meant much.

Neither team followed anything resembling consistent play patterns. This simply was a run, jump and shoot affair.

Clarkston threatened to start a run-away after moving to a 13-9 lead in the first quarter. The margin was widened to 23-13 midway in the second period. But, just when Brighton appeared to be sinking it emanated again to come within four points of equalizing the score near the half. Led by forward Dace Hill

the Bulldogs poured in 18 points to trail 31-27. Eventually, this drive turned out to be wasted effort on the part of the Bulldogs for the Wolves refused to be bothered by any thoughts the "dogs" might have had in mind and climaxed the evening with a third quarter explosion that completely eradicated whatever hope Brighton had of coming home a victor.

In the end big Bill Powell and scrappy Ron Walter were stand-

outs for Clarkston High. Powell, an all important cog in the Clarkston machine with his shooting and rebound ability was particularly effective in the third quarter breakaway spurt and wound up taking individual game scoring honors with 19 points. Walter collected only 13 points, but his over-all play pulled the Wolves out of tight spots several times. Elsewhere, in W-O league play, Holly's devastating defense killed Northville 64-43. Milford whip-

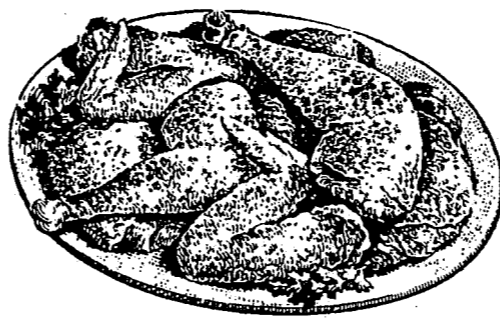

ped Clarenceville, 52-35. And W. Bloomfield downed Bloomfield Hills, 57-45 to avoid a last place finish.

HOW MUCH TIME SHOULD A STUDENT SPEND STUDYING?

It is difficult to set the exact number of minutes a student should study. There are many other factors that should be considered as well as number of minutes. The study time should be of value. For good results a quiet place away from distractions is necessary. Not much can be accomplished if the television set is on or conversation is going on while the student is attempting to study. The ideal place for study is in his or her room with doors closed and no interruptions. The secret word in studying is concentration. A student may feel he is studying, but he may not be concentrating. He must discipline his mental abilities to understand the subject matter. Too often, students say they study

and still cannot grasp the material. That proves they are studying for facts rather than for understanding the reading. Many students tell their parents they can study with the radio or phonograph playing. This is a popular idea expressed by young people in school. Research has definitely shown that concentrated study cannot be achieved with outside interference whether it be the radio, television, phonograph or other disturbances.

Educational authorities have suggested thirty minutes outside study for each class, each day. This means a student taking five subjects should spend two and one-half hours per day in study. Part of this time could be during the school day. If the student has a study hall, this time could be very useful in completing assignments. Too often, valuable study time in school is wasted by students. Teachers usually allow study time at the end of a class period. This is valuable to the student because the teacher is there to answer any questions dealing with his specific subject matter.

Difficulty with certain subjects should also be considered in planning study time. Some subjects will require more than the suggested thirty minutes, others perhaps less. Also, the student should study his difficult subjects first while his mind is fresh and ready to work. His easier

subjects should be studied last. Above all, a student should realize that studying is something that no one can do for him. He must realize his strong and weak points and plan accordingly. Good study habits are formed in the early elementary grades. Students who are successful in college had concentration as their high school motto.

Let's remember that every student should study every day. Too often, parents and students do not understand the difference between homework and concentrated study.

FIRST SCHOOL TALENT SHOW, MAY 10-11

The Clarkston High School Students Government will stage the first Clarkston Community School Talent Show during the evenings of May 10-11. The talent show will be held in the Clarkston High School little theatre. It is their hope this will be the beginning of an annual affair in the Clarkston Schools.

The money received from the sale of tickets will be used to aid students continue their education beyond high school. This advanced training program includes college, trade school, Beauty Schools, Barbering Schools, etc. The talent show committee will have their auditions between April 1-24 in the high school little theatre. Application forms may be secured from the elementary schools and the junior high school principal's office. High school students may pick them up from Miss M. Jetter, or Mr. T. Thomas.

CLARKSTON J. V. DOWNS BRIGHTON TO WIND UP SEASON

by Mike Howey
 The Clarkston Junior Varsity ended their season with a bang as they walloped Brighton's Reserves 73-35. By the time the first period was less than half through, Clarkston was playing at a rate that could not be overcome by Brighton's Reserves. When it was half time, the mighty J. V. had racked up a 33-20 lead.

Brighton came back with a big rush in period two and in the last few minutes of the period matched the twelve points Clarkston had scored. The third period was all Clarkston's as they scored 18 to Brighton's 12. Brighton was held to a meager three points in the final minutes of the game allowing Clarkston to finish the season with a quarter that they could be proud of. They hooped 22 points to lay Brighton down in a 75 to 35 defeat.

Bob Oswood sparked the night's scoring by laying in 17. Rich Lord hooped 15 with Roger Rolfe and Bob Jennings getting a total of seven. Roger Rolfe headed the team in rebounds by grabbing a total of 20 from the backboards. This game helped Clarkston all the way around as it brought their record to 9-7. This shows that Clarkston has been getting hot during the final part of the season, winning six of their last seven games. It raised their average points per game to 52.6. 201 points was the best single output of the season from an individual Clarkston player, coming from Rich Lord an average of better than 12 points per game. Roger Rolfe took a total of 282 rebounds giving him better than 18 per game.

CLARKSTON'S J. V. CLOBBERS MILFORD'S RESERVES

by Mike Howey
 An amazing display of skill and ability was put on by Clarkston's Junior Varsity on February 24th when they came up against tough opponents, Milford, Clarkston rose up to the game and pulled through with a 65-56 victory.

The desire and skill of this team was outstanding throughout the whole game by every member participating. Dave Cullen had his best offensive output of the year as he hooped sixteen points. Roger Rolfe had another fine night as he made seventeen points to lead the team in this department. Bob Jennings came through with ten points, while Bob Oswood was getting six. Bob's eleven rebounds was the second best individual effort for rebounds. Five defensive grabs from the backboard came in the fourth period saving at least ten points for Milford.

As halftime neared, Clarkston was piling up a lead that would be hard for Milford to overcome. When the period ended, Clarkston was leading by a score of 34 to 20. By the end of the third quarter, Clarkston had the upper hand in a 50-39 contest. All was well for Clarkston during the fourth period as Milford could not touch them. The final outcome was an outstanding 65-56 victory for Clarkston.

"MOMS" HONORED AT FINAL SEASON GAME

It was a heart-warming sight, Friday night at the final game of the season, to see the members of the basketball teams honor their "Moms".

It was between the Junior Varsity game and the Varsity game, that the boys lined up, facing the section where their Moms had been specially seated. In their hands, they each held a corsage, and on their faces they wore a proud grin! As each boy's name was called, he ran forward, presented his mother with the corsage, and gave her a big kiss! This immediately transferred the proud and happy smile to the mother's face!

The Junior Varsity Team had already contributed to the specialness of the evening, by winning their game over Brighton, and now the Varsity Wolves proceeded to wind up the night in grand style by winning their game.

Adding it all up, the corsage, the kiss and the victory — what Mother could ask for anything more!

ANOTHER TRIUMPH FOR CLARKSTON SENIOR HIGH

Mr. Robert Mills, Coach for the Clarkston High School Debate Team, has coached his team through another successful year, and his team will, in the near future, have another highly prized Debate Wall Plaque to add to its collection. The plaques are awarded by the Detroit Free Press, and are symbolic of having won approximately 75 per cent of its regular season debate contests.

Debating the question, "Resolved: That the United Nations Should be Significantly Strengthened," the Clarkston team took second place in the Wayne-Oakland League.

Members of the Debate Team who participated in Varsity Debates are Earl Pearson, Phil Smith, Carolyn Ruggles, Ron Fuslier and Fred Lissner. Other team members, who are aspiring for first team honors in the future are Mike Howey, Mary Fuslier, Tom Wells and Roger Pearson.

ON TO THE DISTRICTS

by Mary Robbins
 The first and second place winners in the Spring Forensics competition, which took place in the Little Theater, March 21, will participate in the District Forensic Contest which will be held at Clarkston High School on Saturday, March 25.

Taking first place in declamation was Betty Raby whose reading was "And God Created Man". Janet Tisch with "The Despondent and the Dedicated" placed second.

In the interpretative reading division the participants chose five topics from a list of twenty and prepared them. Before the contest they each drew one of the five and gave that one. Sally Moore placed first; and second was Alicia Lawrence.

An hour before they were to speak, the contestants for extemporaneous speaking drew their topics. Earl Pearson was first, and second was Gary Baker. Carolyn Ruggles took first place in original oratory for "The Man in the Balcony"; Linda Chapman for "A Challenge of the Times" was second.

Gay Ann Huffman took first place in the humorous reading division for "Memoirs of a Clotheshorse." Joan Payne was second for "How Beautiful With Mud."

A winning forensic season is anticipated by all.

683 times "around the world"... they pounded the pavements and proved that **concrete outperforms asphalt** these ways...

17 million miles of test traffic in 2 years... loads up to 64 tons

Sponsored by the American Association of State Highway Officials (AASHO), the 27 million dollar National Road Test was set up to establish basic facts of design and construction for concrete and asphalt pavements.

Test pavements were built on the same soil, to carry the same vehicle loads to designs currently used in various states. 99 loaded trucks — pickups to semi-trailers — pounded them 19 hours a day for 2 years. Millions of scientific measurements were made.

The test has demonstrated concrete's superiority for streets, roads and Interstate highways!

SCIENCE PROJECTS

by Glenn Jensenius
 Science projects have been assigned to the students in Mr. Maunula's fourth hour science class. Here is what a few of the pupils are going to make their project on and what they will include:

Garry Foraker is making inks. The inks will include permanent, nonpermanent, and invisible inks. The colors of the different inks will be black, red, green, and blue.

Lon Howey is making his project on the eclipses of the sun and moon, the phases of the moon.

Dennis Horrall is making a study of the human body. He will show how the heart works, and how the other organs of the body function.

Bruce Hamm is to show model airplane engines, their main parts and how they work. Gloria Bridges is preparing a demonstration of fabrics of the different kinds, how one can tell them apart, and how to remove stains.

Cheryl Burke and Sandra Brown are making theirs on the solar system, the planets, their moons, and the asteroids.

Linda Brodorb is making hers on the solar system, too. Hers will show the planets and the distances between them.

ALMOST EVERYBODY HAS ONE

 Mr. Grice's classes saw three movies the past week.

The first movie was called "Crystal Clear." It told some crystals and explained the process of growing new crystals and the cutting of them.

The second movie was "A Miracle for Mrs. Smith." It was about the telephone system and told about the telephone.

The third movie was about the development of the telephone system in our country and how the wars and depression affected it.

 Our class has been working on a history project about the Stone Age for two weeks now. We started February 16, 1961. It has turned out fine so far.

When we stated this project we asked the pupils what they would bring.

We have two scenes: the cave has trees and animals; the other scene is a hill. It has people, wild animals, tame dogs and it has a well. Mrs. Richley lets us use our spare time to work on our project.

Our class has made some beautiful paintings to put in the cave. Joyce Coyle and Charlotte Boggs are doing the weaving. We are not finished yet.

 The following officers have been elected for the second semester: president, Danny Aldrich; vice-president, Cheryl Miller; secretary, Nancy Grati; and tera-

surer, Bill Miller.
 In the recent spelling bee we had four students. Danny Aldrich, Judy Bellhumeur, Ursula Smith, and Dale Wanke. Judy was one of the top ten spellers in the sixth grade.

On the honor roll for the first semester we had Danny Aldrich, Judy Bellhumeur, George Lekas, Steve Lyons, Cheryl Miller and Ursula Smith.

We have finished our notebooks on South America. Since the beginning of the second semester, we have been using a reading program published by the Science Research Associates of Chicago, Illinois. This reading program is self administered by the child at his own reading level. Results have shown that almost every pupil has improved his reading in either speed or comprehension, or both.

The counselors, Mr. Thomas, and Mrs. Wilkinson, came over from the high school to talk with the eighth grade students about registration. The Junior High School play "Land of the Dragon" will be given Wednesday for the sixth grade, Thursday for the seventh and eighth grade, and Friday night for anyone interested.

The question is sometimes asked of Episcopalians, "Why do your clergy have to dress differently from lay people?"

They don't have to. Episcopalians don't think of it in that way. Wearing of week-day clerical dress and of service vestments is Ancient tradition. We think of it as the "uniform of God's ministers" — the submergence of the individual in the office he fills.

Clergy, acolytes and choir members are "vested" when they take part in an Episcopal service. It is democratic.

The humblest deacon, just out of seminary, and the rector of the

largest parish in the country are level as servants of God in clericals or vestments.

The Episcopal Church in Clarkston cordially invites you to its services of worship and to its Christian fellowship. If you desire to know more about the Episcopal Church, please call the Reverend Mr. Stewart.

The indestructible nature of man's spiritual faculties will be stressed at Christian Science church services Sunday.

Matthew's account of Jesus' healing of the two blind men (ch. 9) will be read. The Lesson-Sermon entitled "Substance" will also include this verse from Proverbs (20:12): "The hearing ear and the seeing eye, the Lord hath made even both of them."

A correlative citation to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (162:13-16): "The indestructible faculties of Spirit exist without the conditions of matter and also without the false beliefs of a so-called material existence."
