NUMBER 29

Local Girls Make History

Six Clarkston girls set a preards, in the First Methodist on a delightful new comedy for Mr. Russell Coltson, who had Church. Never before, according your pleasure. to the Council has this Award been given in Michigan, although presented in the C. A. I. Building a number of the girls are working towards their awards.

Jacqueline Leonard, Jennifer Pike, Suzen Hampshire, Thea Robinson, Kris Smith and Elaine promises entertainment of a high-Keely have been working more than a year for their little crosses, under the guidance and direction of Reverend Richards and as Julie Gillis, a sweet young Mrs. Evan Leonard, their Scout Leader.

Their assignments have been many and varied. In the first young bachelor. place, it was necessary for them to have been confirmed and become a member of their Church. They have studied the history of their Church, its beliefs and standards, they have learned of the time. The ensuing fun adds up work done by the Church at to a lot of laughter and an evenhome and abroad, they have at- ing of relaxed entertainment. tended Sunday School and Church regularly and read their Bibles daily. Many many hours of service have given to the Church by these girls in the past year. They have been faithful, dependable help in Daily Bible School for two weeks during the summer, and Sunday after Sunday in the nursery. They have helped in the dining room and kitchen during church dinners.

Reverend Richards asked the girls to consider the little cross the beginning of a long and beautiful relationship with God and their church, rather than the end of something they had set out to do.

The parents of the girls join-Girl Scout Sunday, all the Brow- to right: Al Levy, Jim Starnes, Verne Vackaro. nies and Girl Scouts in the area with their leaders, were guests HOMEY ATMOSPHERE at the service. Nancy Chapman, daughter of Mr. and Mrs. Harry Chapman, Clarkston led the girls in the Girl Scout Promise, and Cindy Ford, daughter of Mr. and Mrs. Harold Ford, led the Brownies in the Brownie Promise.

Other honored guests for the event were: Mrs. Elwyn Tripp, Dunn, its Vice President, both of Pontiac, and Mrs. Homer Rich-Gentry's Colonial House, durmond, of Clarkston, who is North Chairman.

ADD MORE ROOM WITHOUT STRAINING YOUR PRESENT HEATING SYSTEM. Planning to enclose a porch or breezeway? Adding a bedroom or family room? Then be sure of cold-weather comfort by installing electric heat! It's easy and practical to do because electric heat is installed and operates independently of the existing heating system, no matter what type you now have.

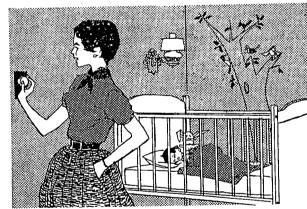

CLEAN HEAT. Electric heat is heat by wire instead of fire—it never creates smoke or soot. Walls and furniture, draperies and carpets will require less frequent cleaning.

This sign, displayed by qualified electric heating contractors, assures you of dependable installation.

EVEN HEAT, HEAD TO FEET. In an electrically heated room, the temperature seldom varies more than two or three degrees from floor to ceiling. There are no strong drafts-just even, cozy warmth.

INSTANT HEAT. Electric home heating is fast because the heat source is right there, in the room. And independent operation makes it ideal in spring and fall when one or two rooms need heating while others are warmed by the sun. Individual thermostats in each room make it possible to keep rooms at different temperatures automatically.

MATCH THE HEATING UNITS TO MEET YOUR NEEDS

Popular built-in electric heat systems use (A) cable embedded in ceilings, (B) baseboards, (C) forced air units or (D) radiant panels set into the walls.

URGENT BUSINESS

Voluntary health agencies are an integral part of our democracy and as such they are a tower of strength to our way of life. ference. Motion seconded by Terry. Roll: They have made the nation stronger through better health and Huttenlocher, yea; Oakley, yea; through a better understanding Terry, yea; Waters, yea; Wilford,

of people - people with a great desire to serve their fellow man and rid civilization of the profound tragedy cancer is.

The American Cancer Society is many things. It is doctors in their offices trying to detect cancer early, when it is most curable. It is scientists in their labratories seeking new cures and possible means of prevention. It is dedicated volunteers manning detection centers, providing comfort and service to cancer patients.

It is also more than just people. It is great corporations, businesses and institutions cooperating in the effort to save lives today and in the search for the eventual conquest of cancer.

The American Cancer Society is an organization driven by a sense of urgency. There are more than 1,000,000 Americans alive today who have been cured of cancer. This would have been thought impossible a few decades ago. But 45,000,000 Americans now alive will die of cancer if greater advances are not made. The American Cancer Society wants to see these lives saved, cancer conquered and then go oue of business.

Regular Meeting of the Village Council Held February 27, 1961 Meeting was called to order by

President Coltson. Roll: Huttenlocher, Oakley, Terry, Waters, Wilford, present; Beach absent.

Minutes of the last meeting were read and approved.

Moved by Wilford, "That Prudence Dunston, Mrs. Roy Addis, George Elliott, and George Harris be appointed to sit on the Election Board March 13". Seconded by Huttenlocher. Motion carried.

Moved by Waters, "That the salaries of the elected Village Officials for the year 1961-62 be set as follows: Trustees to receive \$2 for regular meetings attended with no compensation for special meetings; President to receive \$10.00 for each regular meeting attended with no compensation for special meetings; Clerk to receive \$300.00 annually; Treasurer to receive \$300.00 annually; Assessor to receive \$200.00 annually". Motion seconded by Oakley. Roll: Huttenlocher, yea; Oakley, yea; Terry, yea; Waters, yea; Wilford, yea. Yeas, 5; Nays, 0. Motion carried.

ed pursuant to the provisions of Act 62, Public Acts of 1956, Michigan, to regulate and control the operation of motor vehicles upon the streets and public places of the Village of Clarkston; to provide for signs, signals and other devices for the control and direction of traffic in said Village; to repeal certain ordinances and parts of ordinances, in conflict herewith and, to provide penalties for the violations of this ordinance, and the rules and regulations of the Commissioner of State Police adopted by reference by this ordinance.

THE VILLAGE OF CLARKSTON **ORDAINS**:

Section 1: That this Ordinance shall be known and may be cited as the "Uniform Traffic Code of the Village of Clarkston".

Section 2: That from and after the First day May A. D. 1961, the effective date hereof, this Ordinance be, and shall consist of all the terms, rules, conditions and regulations of the Uniform Traffic Code of cities, townships and villages, compiled under the supervision of the Secretary of State, and promulgated by the Commissioner of State Police, commonly known as Michigan State Police, Uniform Traffic Code for cities, townships and villages, which Code was filed with the Michigan Secretary of State, November 14, 1957, and which code is hereby adopted by reference in its entirety, pursuant to and by authority of Act 62, Public Acts of Michigan, 1956.

Section 3: That a copy of said code hereby adopted, shall at all times be on file with the Village Clerk, and also available for public examination at the headquarters of the Chief of Police of the Village.

Section 4: Every person convicted of a violation of any provision of this ordinance, including any provision of said code, shall be guilty of a misdemeanor, and thereupon may be punished by a fine not exceeding One Hundred (\$100.00) Dollars, or by imprisonment not exceeding ninety (90) days, or by both such fine and imprisonment.

Section 5: That this Ordinance repeals all ordinances heretofore adopted by the Village of

house that had completely ob-

lier in the week, by using a defensive pattern that bottled up from the outside.

He only used a small part of

The big guy made the clutch baskets and managed always to crawling through the branches. She is also the sponsor for the

come up with the key rebound that seemed to inject "new life" into a fading attack, as the conest progressed. I hate to think would have happened if big Bill Powell had not come through as big, and at such an opportune time, as he certainly did. Clarkston however, took charge of the situation in the second half after Orion had held a 23-6 half-time lead. Sparked largely by a devastatig defense, featuring chief intigator, Mike Applegate, the doggedly persistent Ron Lundy, as well as others, the defensive combo forced Lake Orion to lose the ball frequently on bad passers, outright steals and other violations and played altogether better brand of basketball, which eventually influenced and showed up in their scoring. Though their shooting percentage hardly improved much in the remaining two quarters, the defensive crew made up for what the offense lacked, while looking like poetry in motion, and holding the ever dangerous Dragons to a measly 13-point half. Maintaining a slight, but hardly a comfortable 3-point lead, with less than four minutes remaining game-wise Clarkston's coach, Dom Mauti, uncorked a stratagem that made altogether the difference in the ball game, He substituted the slick ball-handler, Chuck Funk, and instructed the unit to freeze the ball. In basketball terminology, the freeze is simply a stalling tactic whereby the offense keeps, as long as possible, possession of the ball to enable a sure basket. The Wolve unit performed the plan to perfection, as the Dragons swarmed all over Clarkston ball handlers, wearing and tiring themselves more than they already were, while trying to retain possession of the ball. Once Lake Orion possession was gotten and especially with Clarkston's pressing defense, the big and bad Dragons could hard ly reach the rim of the basket once their shooting opportunity came. In my estimation, this move was the deciding factor in the game's outcome. In the end, four players anchor ed the Clarkston attack with Bill Powell tapping the winners with 11 points, and being the big reason for Clarkston's advancement to regional competition.

Chevy gentles rough roads with a Jet-smooth ride

Chevy owes its Jet-smooth ride to some mighty ingenious engineering . . . things like Full Coil suspension, precision balanced wheels, unique chassis cushioning and a superlatively insulated Body by Fisher. Nor does Chevy's ingenuity stop with ride. Take performance, for instance. You've a choice of 24 power teams ranging all the way up to the mighty 348-cubic-inch Turbo-Thrust V8's* with shift-free Turboglide transmission.*

More ingenuity: When you check Jet-smooth Chevy prices with your dealer you'll discover that nothing so easy riding was ever so easy to own. *Optional at extra cost

Bel Air Sport Coupe—one of 20 Jel-smooth beauties awaiting your pleasure at your Chevy dealer's
