CLARKSTON, MICHIGAN, THURSDAY, MARCH 23, 1961

NUMBER 30

Clyde R. Kizer, Commissioned Navy Ensign at Pensacola, Florida

NEW COUNSELORS FOR TROOP 126

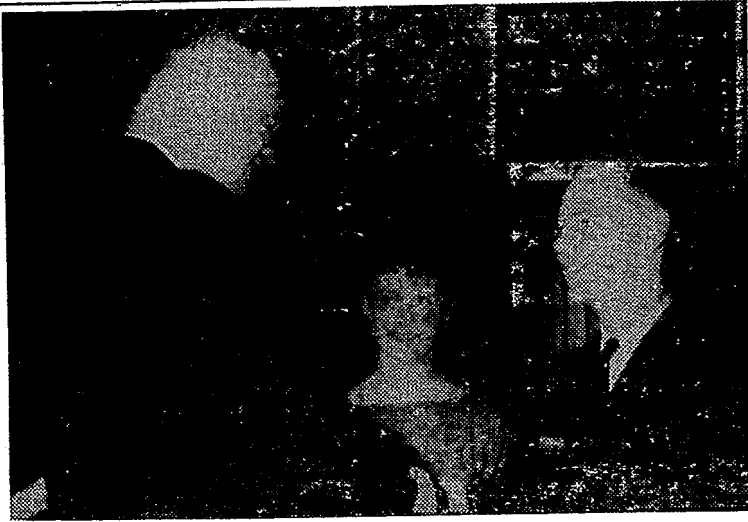

Scout Troop 126 of Clarkston has several new Merit Badge Counselors. Three of them are teachers in the Junior High School. Helping with Citizenship in the Nation badges will be Mr. William Jakeway, a Social Studies teacher. Mrs. Charles Beach, Science teacher, will assist with nature merit badges. Mr. Thomas Lamb, Shop Teacher will help with Woodworking Badges. Mr. Harold Goyette, a Funeral Director and Volunteer Fireman will work with boys interested in the Firemanship and Safety Merit Badges.

Clyde R. Kizer, son of Mr. and Mrs. Maynard J. Kizer of 80 Main Street, is commissioned a Navy Ensign by Capt. J. G. Hedrick, USN, his commanding officer.

His wife, the former Miss Hazel L. Miller of Clarkston, attended the ceremonies, February 17, at the Naval School of Pre-flight Naval Air Station, Pensacola, Florida.

He was commissioned after completing sixteen weeks of pre-flight training and has been assigned to the Sausley Field Station in Pensacola for primary flight training.

He is a graduate of Eastern Michigan University.

Methodist Men To Hear Speaker

Fresh, first hand views of the Congo, will be expressed at the next meeting of The Methodist Mens Club of First Methodist Church, Clarkston, by Dr. Robert White, who has served as Medical Missionary to three hospitals in the Congo, and four weeks ago, with his wife and three children were forced to return to The United States. Dr. White served among Patrice Lumumba's own Batetela Tribe of 300,000 natives. He will have an interesting account of this recently assassinated Congo leader.

"We saw a buildup of arms in the Congo, machineguns and uniforms not seen before, they had come from somewhere, and obviously the source had to be Russia. Prior to the present unrest the words 'imperialist' and 'capitalist', were words foreign to their tongue. Such words were learned from Radio Moscow which is daily beamed into the Congo," states Dr. White.

Dr. White is being sponsored by The First Methodist Church, Birmingham, while here, and will return to the Congo just as soon as conditions permit. Everett Butters president of Methodist men announces that dinner will be served promptly at 6:30 p. m., and seating will be restricted to 150 men. He further stated that the club will become officially organized by registration of all those who wish to become members of the club.

The program will be in charge of Vice-President Earl Hawke, with Dr. Robert Beuhrig hosting the speaker, and Dr. Donald Karr making the introduction. Steiner Clark was recently elected Treasurer, Darrel Blackett, Secretary, and Ivan Hovey, Sergeant at Arms.

The local chapter of Methodist Men is part of an international organization composed of 650,000 men and 13,000 chapters. Officers and men from the club will be attending the state convocation of Methodist Men at Michigan State University gathering of 2,000 men across the state. In July a contingent of men will attend the National Assembly of Methodist Men at Purdue University.

DR. HAMILTON GUEST SPEAKER TO INTERNES

Dr. A. S. Hamilton of Clarkston was a guest speaker at a Seminar on Thursday, March 16, at the Show Rooms of the Medical Supply Corporation in Detroit.

He addressed "internes in residence" of hospitals in the greater Detroit area on the methods of organizing and establishing a general practice, and discussed with them the equipment and supplies needed for such a practice.

TROOPER LARRY MILLER SPEAKS TO MYF

Sunday evening the speaker at the Methodist Youth Fellowship was Trooper Larry Miller from the Pontiac Post of the Michigan State Police. He spoke on Scuba Diving in Police Work, ("Scuba" stands for "Self Contained Underwater Breathing Apparatus"). After his talk and a demonstration of scuba diving equipment two movies on water safety were shown.

The group then went to Kathy Bird's home on Allen Road where Mr. and Mrs. Bird and Mr. and Mrs. Ellsworth served punch and cookies.

This Sunday they will have an Easter Party at the home of Cheryl Hipp, after the meeting.

NEW CLUBS FORMED

Last week two new Slender-Vend Clubs were formed. Trophies donated by Slender-Vend were given to the Good Losers of Clarkston and The Waterford Fashion Your Figure Club. Each Club that is organized will be given a trophy to be presented to the member showing the most weight loss during such a time specified by the group.

TOUR TO DETROIT CATHEDRAL OFFERED

Monday, March 27 at 9:30 a. m. a chartered bus will take Episcopal women of St. Mary's-In-The-Hills, and all other women interested from St. Alfred's, Lake Orion, St. Phillip's, Rochester, Clarkston, Drayton Plains and the surrounding area for a day's tour of the new Diocesan Cathedral Center at 4900 Woodward, Detroit.

St. Mary's-In-The-Hills Episcopal Churchwomen invite all interested women to telephone their bus and luncheon reservations to Mrs. Arthur Dodge, FE 4-1202, or to Mrs. George Albert, MYrtle 3-2785.

White Goods Urgently Needed

During your spring house-cleaning, please remember the local Service Group of the Michigan Cancer Foundation, who give their time to make surgical dressings for cancer patients in this area. Won't you please give your discarded sheets or white shirts in clean condition?

If you do have white goods to donate or are in need of dressings, please call either of the following ladies: Mrs. Herbert Beach at MApple 5-7281 or Mrs. Joseph Sarvis at MApple 5-1529.

SENIOR CHILD STUDY CLUB AT IRWIN HOME

Mrs. Robert Irwin, 6695 Laurelton, was hostess to the Senior Child Study Club, on Wednesday, March 15, with Mrs. Howard Lord as her co-hostess.

Speaker for the afternoon was Reverend Paul Johns, of the Calvary Lutheran Church. His topic was Adolescent — or Teen-Ager.

He dealt mainly with the idea that our youngsters enter into adolescence and its problems at a much earlier time in life than we, a generation ago, did, and that, due to extended schooling years, they carry this adolescent period over a longer number of years, reaching emotional maturity at a later time in life. He was very interesting, introducing several new lines of thought for the mothers to ponder over.

Mrs. Howard-Sage, Mrs. Bill White, Mrs. Cecil Jennings, Mrs. Carl Anthony and Mrs. Leo Erickson were guests of the members for the afternoon.

The next meeting will be held in the home of Mrs. Paul DeLongchamp, with Mrs. Rockwood Bulard serving as her co-hostess. Members of the Clarkston Child Study Club will be invited as guests.

Obituaries

Grace H. Ware
Grace Ware, 6821 Desmond St., Waterford, passed away after a sudden illness, on March 17, 1961.

Mrs. Ware was born in Cleveland, Ohio on April 15, 1891, to Mr. and Mrs. Charles Brown.

On August 15, 1917, she was married to John H. Ware, in Cleveland. Her husband preceded her in death.

Surviving Mrs. Ware are three children: Miss Geraldine Ware, at home; Mrs. Arthur W. Meyer, Waterford and John H. Ware, Jr. of Rocky River, Ohio. She has five grandchildren. Mrs. Ware's brother, George Brown, lives in Detroit.

Services were held March 20, 1961, in the Lewis E. Wint Funeral Home at 2:00 P.M., with Reader Alfred E. Edson of the First Church of Christ Scientist of Pontiac, officiating. Interment was made at the Roseland Park Cemetery in Berkley.

Rose Bell Berry
Rose Bell Berry, 4805 White Lake Road, passed away on March 15, 1961, after a three day illness. She died in the Pontiac General Hospital.

Mrs. Berry was born in Crump, Michigan on April 28, 1911 to Maude and William Gilbert. On November 1, 1955 she was married to Russell Berry in Grand Blanc.

Surviving Mrs. Berry is her husband Russell; her parents, Mr. and Mrs. William Gilbert; four brothers, Frank Gilbert of Flint, John Gilbert of Waterford, Burt Gilbert of Alpena and Louis Gilbert of Pontiac.

She leaves eight children: Richard Denton, Auburn Heights; Louis Denton, U. S. Army, North Carolina; Mrs. Richard Grandy, Phoenix, Arizona; Jerry Denton, Pontiac; Patricia Denton, Phoenix, Arizona; Barbara Berry, Sarah Denton and Leslie Denton, all at home.

Funeral Services were held on Saturday, March 18, 1961 in the Sharpe-Goyette Funeral Home at 1:00 P.M., with Brother Lester F. Allen of the Waterford Church of Christ officiating. Interment was made in the Lakeview Cemetery.

Mr. and Mrs. Evan Leonard, 6341 Waldon Road, spent three days in Cadillac, Michigan, last week. They left on Thursday afternoon, returning Saturday night.

Civil Defense Equipment Needed

Civil Defense in Independence Township takes another step forward in the march against disaster — whether it be natural or man-made. An all-out effort is being made by Civil Defense Director, Ronald R. Bird, to have records made of where the following type of equipment could be located, if needed in case of emergency: wreckers, acetylene torches, trucks, bulldozers, chainsaws (a very necessary item). If you have any of these things, and are willing to have them used should disaster strike, call Mr. Bird at Orlando 3-0336. He will put your name, address and type of equipment on file. How tragic it would be for rescue workers to need the equipment you have, and not know where it can be located! Plans carefully laid ahead of time help to offset the hysteria and shocked numbness that sets in when the pattern of our lives is uprooted.

Ray Nelson's Sunoco Service on Sasabaw Road has registered a wrecker with the Civil Defense; Perry and Jones Sinclair Service Station, on Maybee and Sasabaw, has registered a wrecker and acetylene torch; Haskins Chevrolet, Inc. on Dixie Highway has registered a wrecker and acetylene torch. This is a good start, but, if these are needed, many more will be needed!

Mr. Bird can also be contacted in order for stretchers, crutches, wheel chairs etc., to be put to good use, should you have any you are no longer using.

ELEMENTARY TEACHER ATTENDS DCT

Anita Schultz, first grade teacher in the Clarkston Elementary School, will attend the annual Delegate Assembly of the Michigan Department of Classroom Teachers (DCT) to be held in Bryant Community Junior High School, Flint, March 25. She is the representative of the Clarkston Education Association to this organization.

About 300 classroom teachers, representing all 18 regions of the DCT, are expected to attend the day-long meeting, beginning at 8 a. m.

The largest department of the Michigan Education Association, the DCT has a state wide membership of more than 45,000 classroom teachers.

Featured at the conference will be the annual election of DCT officers and committee reports on such topics as: public relations, professional problems, nominations, educational planning, DCT constitutional revision, and Classroom Teacher Days on Campus.

EPISCOPALIANS CELEBRATE FIRST ANNIVERSARY

One year ago, on Palm Sunday, the first Episcopal service in Clarkston was held in the home of Mr. and Mrs. Jack Haupt, with thirty-five persons present. Although regular weekly services were not begun until June, this service marked the beginning of the Episcopal Church in Clarkston. The Church of the Resurrection. Then, in November, the Church called its first full-time clergyman The Reverend Alexander Stewart.

The people of the Church will celebrate its founding at a fellowship coffee hour following the service this Sunday.

Clarkston Locals

This newspaper has received word from Central Michigan University that Caroline O'Neill, daughter of Mr. and Mrs. Harold O'Neill on Paramus Street, has maintained a better than B average during the last semester. Caroline is a Sophomore at Central. She spent last weekend at home with her parents.

Mrs. Gordon Wells of Pinconning, Michigan, has visited for the past week with relatives in the Clarkston area. The week-end was spent with her brother and his wife, Mr. and Mrs. Forrest Jones, 80 N. Holcomb.

Johanna Wilford, daughter of Mr. and Mrs. Jerome Wilford 91 North Main Street, has been pledged to the Gamma Phi Beta Sorority, at the University of Michigan. She will become a full-fledged member in initiation rites this spring. Jody is a Freshman at the University.

Mr. and Mrs. Evan Leonard, 6341 Waldon Road, spent three days in Cadillac, Michigan, last week. They left on Thursday afternoon, returning Saturday night.

College Entrance Board Explained

The College Entrance Examination Board is a nonprofit membership association composed of college and school representatives. Its service and research activities all relate to the field of college admissions and are designed by its members to help students, schools, and colleges to cope with some of the problems in this field.

Perhaps the Board's best-known activity is its program of college entrance tests required by many colleges as part of their admissions procedure and by programs. These examinations are prepared by College Board committees of school and college teachers with the assistance of the professional staff of Educational Testing Service. The tests are administered for the College Board by Educational Testing Service on scheduled dates during the year at some 1,700 test centers all over the world.

Everyone connected with the College Board tests from the teachers who help prepare them to the supervisors who will administer them — realizes how important they are to you. The care that has gone into their preparation and the procedure for scoring and reporting scores guarantee you that examinations are as fair and reliable as can be made.

If a student is planning to attend Albion, Hope, Kalamazoo, or Calvin College, he must take one or more of the College Board Examinations. The University of Michigan requires the College Board Examinations before they will allow the student to enroll. Contact the high school counselors for information regarding the testing centers, dates and places regarding these examinations.

McCALLUM ELECTED PRESIDENT OF MOBILE HOMES ASSN

F. A. McCallum, Vice President, Director of Sales of Detroit Mobile Homes, Inc., St. Louis, Michigan was elected President of the Mobile Home Manufacturers Association at the organization's Annual Meeting held at Chicago. For the past year, he has served as Secretary to the Executive Committee and Chairman of the Promotion Committee.

The Mobile Home Manufacturers Association is currently engaged in their "Parks for Progress" program, a continuing program of providing better parks for mobile homes. In 1960, the association introduced its new standards program which all member manufacturers comply with. It assures an individual buying a mobile home that it is built to the finest of electrical, heating and plumbing standards to insure their health, safety and comfort.

O. E. S. FRIENDSHIP NIGHT INVOLVES 23 CHAPTERS

Saturday, March 18th was set by Joseph C. Bird Chapter O. E. S. as "Friendship Night". The meeting was held at the Independence Township Hall, 90 N. Main Street, Clarkston at 8:00 P. M. The local chapter was host to officers and members of the twenty-two chapters in Oakland County and to the chapters of Windsor, Canada.

Each officer of the host chapter had as a special guest a corresponding officer of one of the visiting chapters and the guest officers exemplified the degrees.

The Oakland County Association officers were honored by the Clarkston chapter on this occasion.

Mrs. Howard Johnson, refreshment committee chairman, was assisted by Mrs. Arnold Mann, Mrs. Richard Snover, Mrs. Robert Landis, Mrs. Elmer Conklin, Mrs. Albert Robinson and Mrs. Lillian Hodge. Mrs. Mann was in charge of the dining room and table decor and Mrs. George Lang assisted the Matron with other appointments.

4-H CLUB MEETS IN COMMUNITY CENTER

The Clarkston Happy Helpers 4-H Club met last Thursday at the Community Center. The meeting was called to order by the president, Karen Johnson. Jessica Jockwig read the minutes of the last meeting and Robin Kicker gave the treasurer's report.

Contracts Made For Freeway

Low bids on 45 highway construction projects totaled \$14, 928,378 at Wednesday's State Highway Department bid opening.

The major jobs on which bids were opened include more than 12 miles of Interstate 75 in Oakland county, the first construction contract on the \$15 million Water P. Chrysler-Edsel Ford Freeway interchange in Detroit, an interchange at Greenfield and Ford Roads in Dearborn and modernization of U. S. - 131 south of Cadillac in Wexford county.

The individual contracts are: OAKLAND COUNTY, 6.1 miles of I-75 from Holcomb Road west to M-87 including interchanges at M-87 and US 10, two miles west of Clarkston; grade separations at Davisburg and Rattlee Lake roads and a bridge at Deer Lake creek. Completion Date, November 30, 1962. Low Bidder: Canonic Construction Co. South Haven. \$4,020,380.

6.5 miles of I-75 from M-87 northwest to Evans Road, including an interchange at Grange Hall Road and grade separations at Belford and Lahring Roads. Completion date November 30, 1962. Low Bidder: (Joint Bid) C. E. Uterback, Mt. Pleasant and Hertel-Deyo Co., Grand Rapids. \$3,195,950.

A package for six structures on I-75 between Holcomb and Joslyn roads including interchanges at Ortonville Road (M-15), and Joslyn Road, grade separations at Holcomb and Clintonville Roads and two structures to carry the freeway over Clarkston Road.

The I-75 roadway between Holcomb and Joslyn roads is now under construction. Completion date on the structures is July 1, 1962. Low Bidder: (Joint Bid) Nolan and Jarvick and K. G. Marks, Port Huron, \$858,054.

Twin bridges to carry I-75 over the Grand Trunk Western railroad tracks 1.5 miles north of Pontiac. Completion date, October 1, 1961. Low Bidder: A. J. Williams Construction Co., Southfield, \$158,736. The two I-75 road contracts are the first six lane freeway in a rural area.

Normally rural freeways are built with four traffic lanes. However the section of I-75 between Clarkston and the Oakland-Genesee county line is being built with six lanes because of the anticipated growth in the area and the heavy volume of traffic expected to enter the freeway from old US 10 which crosses the freeway northwest of Clarkston.

With this section, the I-75 freeway will be under contract for a distance of 34.5 miles from Pontiac to the Fenton-Cllo Freeway south of Flint. Contracts will be let in 1962 and 1963 to complete the freeway between Pontiac and Detroit.

INTRA MURAL BASKETBALL IN JUNIOR HIGH

For the first time in the history of Clarkston Junior High, the basketball program was conducted on an intra-mural basis. Over 200 boys participated in the program. The teams were selected from their home rooms. Each team consisted of about ten players, and had a Captain, and co-captain, who were in charge of the team. All the teams played an equal number of times.

At the end of the basketball season a double-elimination tournament was set up. All the boys worked hard and gave it all they had in trying to win the tournament. Most of the tournament games were close and exciting.

The winner of the seventh grade tournament were the "Lakers" with an over-all record of 22 wins and no defeats. The winner of the eighth grade tournament were the "Globe-Trotters", with an over-all record of 18 wins and 4 defeats.

The winners of the 7th and 8th grade tournament will receive trophies and medals which were bought by the Student Government. Mr. Treais and Mr. Pemberton will also select four boys to receive medals for their outstanding achievements in intramural basketball.

Mr. Pemberton and Mr. Treais feel that the program was very successful and that the boys did a real good job in helping to carry on the program, and would like to express their thanks to the boys who participated, for a job well done.

Lakers: David Osgood, Jerry Dark, Bill Ellsworth, Paul Sanchez, Steve Barnett, Ken Hicks, Danny Williams.
Globe Trotters: Dave Funk, Jerry Haggitt, John Knox, Dale Hartman, Frank Miller, Fred Yeager.

FIRST CHURCH OF CHRIST SCIENTIST

Oxford, Michigan Sunday School 11:00 A. M. Sunday Service 11:00 A. M.

The ever-availability of spiritual enlightenment will be emphasized at Christian Science churches Sunday.

Scriptural selections to be read in the Lesson-Sermon entitled "Reality" will include this passage from Isaiah (9:2) "The people that walked in darkness have seen a great light: they that dwell in the land of the shadow of death, upon them hath the light shined."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this correlative passage will be read (546:24-26): "The great spiritual facts of being, like rays of light, shine in the darkness, though the darkness, comprehending them not, may deny their reality."

The Golden Text is from Psalms (97:11): "Light is sown for the righteous and gladness for the upright in heart."

IS FATE IMMUTABLE?

A recent announcement by the American Cancer Society estimating the number of persons who will succumb to cancer in 1961 (265,000) set us to thinking about how this might apply, individually to you or me.

Statisticians tell us that out of every six deaths this year, one will be due to cancer. Yet that wouldn't necessarily apply to you or me, because only about one out of every 100 Americans will die in 1961. But there is another Cancer Society statistic which says, "One out of four persons some day will have cancer."

An optimist can say the odds are on his side: literally, three to one that he won't get cancer. A pessimist might turn the odds around and say that it's "One to three" that he will get it.

But what about a realist? He might say that neither is the case. If cancer is to develop in one out of four of us, is there more than just chance involved? Or are there biological facts which have something to do with it? To answer these questions, we must know something about cancer. We must know that it develops because something goes wrong with the mechanism of the cell and that wild, uncontrolled growth results and never ceases unless the cells are destroyed or death intervenes.

What makes a cell become cancerous? The scientist only knows that dozens of compounds will cause cancer if introduced into the cell, that continued exposure to radioactive rays will result in cancer, that cigarettes are the major cause of lung cancer, and that overdoses of hormones will cause cancer. He knows, too, that the genes of our forebears may have something to do with it and that antibodies, or a lack of them, may be a vital factor in getting the disease or in combating it.

So in the end, it's not just chance, is it? There are reasons, even if we don't know all of them. Refrigerate egg yolks and whites immediately and decorate the

more facts about these unknowns so that cancer no longer can poke a grim finger at one of us seemingly by chance.

THE EASTER EGG

Easter is a day of joy commemorating Christ's resurrection from the dead. But even before the Christian era, there were springtime festivals marking the end of winter and the return of new life to the earth.

The egg as symbol of new life has become an emblem of Easter. Easter traditions in America include the visit of the Easter bunny the Easter bonnet, and "egg rolling" on the White House lawn.

Each year hundreds of children take part in the traditional hunt for Easter eggs left by the Easter bunny. There are prizes for the ones who find the most and the least eggs and for the one who finds the special prize egg.

Anyone can cook eggs properly by following a few simple rules, but not everyone does. Low heat is the secret of successful egg cookery; high heat makes eggs tough and causes a dark surface on the yolks.

To hard-cook eggs: Cover eggs in pan with water at least 1 inch above the eggs. Bring water to boil, turn heat to simmer, cover pan and simmer eggs for 15-20 minutes. Cool eggs promptly in cold water — this makes shells easier to remove.

Dye the Easter eggs with pure food coloring, following directions on the package. Trim with sequins, ribbons, beads, buttons, rickrack and bias tape. To make interesting geometric patterns on the eggs apply bits of adhesive tape to eggs before dyeing. When removed, a white pattern appears.

Hard-cooked eggs must be refrigerated; never leave them at room temperature. Actually, you may want to use empty egg shells for fancy Easter eggs because they need not be refrigerated. To empty egg shells, prick a hole in both ends of a fresh egg with a needle. Blow egg from shell. Refrigerate egg yolks and whites immediately and decorate the

shell. Favorite fancy ones can be kept from year to year.

Surround the Easter ham, chicken or turkey with nests of water cress or parsley grass. In each nest, place a colored Easter egg with the name of a person at the table on it.

Leftover eggs can be scrambled, fried, baked or shirred, or used in omelets, cakes, custards, sauces and a hundred other ways. Leftover hard-cooked eggs may be creamed and served on toast, or sliced and used in salads.

FENTON'S FINESSE STUNS CLARKSTON
 by Dick Miskin
 Over the years steady and well-planned basketball has become synonymous at Fenton High School. The present squad intensifies the association.

Last Saturday at Birmingham Seaholm the Genesee 'B' champs rolled over Clarkston, 67-47, in typical fashion to capture a regional title and to move into the quarter-final round of Class 'B' competition at Flint. With each passing game the Tigers of Fenton show further evidence that they have the ingredients necessary to make a real run for a state high school basketball championship.

The Tigers started slowly, leading by two points at the end of the first quarter, then hit their stride in the second period and completely blitzed Clarkston midway through the final stanza.

Despite the feverish demands of a fast breaking offense, Fenton's starters looked none the worse for wear when Coach Leroy Decker took them out of the ball game late in the fourth quarter.

The Tiger's pressing defense worked effectively in the very first period, as a number of steals and bad passes on the part of the Clarkston chargers led to numerous give-away baskets.

Whatever the opportunity happened to call for, the smooth Fenton machine supplied it Saturday. Taking the utmost advantage of any given opportunity, fastbreaking & following through with slow set patterns the State bound Tigers splurged to a 33-19 intermission led and as it turned out were well on their way to victory.

Bob Bruder, a versatile performer who averaged over twenty points a game, again provided the spark that ignited the Fenton assault. The "bomber" scored 11 points in the first half and finished the game with 28 for individual game scoring honors.

Bruder scored on drives and corner shots and consistently got down court ahead of the defense for layups. He was a real thorn in the side of the Clarkston attack.

After giving indication of putting up a battle in the first quarter Clarkston became frustrated, losing its shooting eye in the second period, and had to be satisfied during the remainder of the game with Fenton's style of play as the Tigers were in the driver's seat dealing out the cards. It was obvious that Clarkston was unaccustomed to the Tiger's style of basketball, and simply could not do anything to acquaint themselves with it.

Clarkston, being a definite underdog before game time, must have realized that they would have to play at their best if they had any intentions of coming home a regional champ. Unfortunately, as it seemed, forward Ron Lundy was the only individual of the Clarkston unit who seemed to realize this stark fact and who really tried to do something about it.

The Senior six footer did more than his part of effort by scoring 21-points, nearly half his team's total score and sparkled on defense. However, as good as his intentions certainly were Lundy missed sorely the support of his usually reliable teammates.

The Wolves who seemingly have no trouble in winning their own district title annually have yet to capture a regional crown since their existence in the W-O league. They thus finished their season with a highly respectable 14-7 record.

Fenton with a 16-5 over-all record and a regional title under their belts now wade into the final rounds of basketball in hope of recognition as the Class 'B' State champions.

Consensus of opinion shows that this year's powerful River Rouge team, winner of the 'B' title in 1959, has too many "guns" to be overhauled by anyone in the State.

CALLING ALL BOYS
 by Mike Howey
 Now is the time for all boys to sign up for all the spring sports. All boys that are interested in baseball, track, tennis, and golf may sign up any time for participation in these various sports. No one has to worry about the training they will get, for Clarkston has very capable coaches for every sport.

So get out there and support your school by entering in spring events

for this type of sporting event the water is too cold. Normally a person will climb to the top of the nearest tree, let loose of a Tarzanic yell, and jump into the water. When he strikes the bitterly cold water, he will realize all too late that his body could not stand the shock, and there would be no hope for him. Even if he just slides in the water and finds that it isn't too cold for him he then tries to dive under and succeeds, but comes up under a floating piece of ice. This knuck's himself out and he will end up being another dead fish in the lake. So a warning to all Stay out of the swimming holes.

CHEERLEADING TRYOUTS
 by Marcie Fox
 "Will Ya' Win" seems to be the cry on the lips of many girls who are trying out for Cheerleading next year. These girls have been practicing very hard and it looks like the judges are going to have a tough time picking only twelve girls to make up the Varsity and Junior Varsity squads.

The girls will be judged on a point basis. They will be required to do two cheers, "Will Ya, Won't Ya" and one of their own choosing. They will also have to attempt a cartwheel and splits. Points will be given for how well each of these things is performed.

However these are not all of the things that the cheerleaders will be judged on. Character and neatness play a big part in the picking of a cheerleader.

The panel of judges will be made-up of five teachers, a representative from each of the four classes, and the three Senior cheerleaders of this year.

The tryouts will be held on March 27th and 28th. We wish the best of luck to all who are trying out are:

Pam Lovejoy, Darlene Borst, Martha Torr, Nancy Stanquits, Martha Madison, Linda Hallman, Joan Mansfield, Mary Von Koehnen, Sue Jackson, Carol Walter, Barb Buzzell, Kathy Gresham, Bev. Galligan, Angie Nelson, Sharon Gotschall, Carolyn Ruggles, Janet Spangler, Vicki Burley, Linda Hipp, Leslie Hurstfall, Connie Buzzell, Corrine Blackett, Kathy Golembeske, Mary Bates, Sue Allen

AS YOU WALK THESE HALLS
 by Cheryl Hipp
 Have you walked these halls before, the ones at CHS? They are so familiar now but as I sit and think about next year it really seems strange. Only nine weeks left and the class of 1961 will be graduating from its old "Alma Mater", leaving behind all of its precious memories and old school chums.

But there is still the banquet and the prom to look forward to in May. There is only one week left before the annual Senior Trip. These things will all pass so quickly and before anyone has time to count to ten this year will be over and next year begun.

Many of the old students will be attending their freshman year in college. And there will be many who will be going to work to earn their own living. All of these things you will think of as you walk these lonely and dark halls thinking of only nine weeks till graduation.

ask
 Talking with a friend recently about the rising cost of living, I was asked how much I thought my home, furniture, and personal effects were worth. I told him, and then he asked how much I had them insured for. I quoted a much lower figure, then realized how seriously underinsured I am if fire or disaster strikes. Can my present home insurance be increased to an adequate level at low cost?

NEW JUNIOR HIGH SCHOOL STUDENT
 by Carole Strohkirch

There is one new pupil here in Clarkston Junior High that everyone has not had time to meet but I thought it would be nice to see what she thought about our school.

Her name is Frances Hamblin. She came from Eastern Junior High in Pontiac.

When I asked her what she thought of Clarkston Junior High she responded with, "It's OK. It's nice!"

When asked about the teachers she said, "OK." I asked her about the pupils of Clarkston and she came back with, "As far as I can tell they are all nice."

And what really surprised me was when I asked her if she liked the way we set up our classes and the way the teachers teach them she told me, "They are OK but they are different."

"You see in Eastern Junior High the students all meet in home rooms and each home room group attends the same classes during the day. At Clarkston one is scheduled so he will not be with the same group every period."

She was surprised and so was I. One more thing I want to ask of all Clarkston Junior High pupils: Let's make Frances feel welcome.

VICTORY, VICTORY IS OUR CRY

 The eighth grade girls are practicing hard on the cheers the J.V. Cheerleaders have taught them; for, next month the cheerleader tryouts will be held.

The girls have learned such cheers as "Team Score" and "Fight Fight Wolves. Fight."

RESOLVE: Should There Be Slavery or Should There Not Be Slavery? That Is The Question.

 Mr. Jakeway's history classes have had either a debate or panel discussion on the topic of slavery.

The classes have divided into two groups, one for slavery and one group against slavery. It is interesting to hear the different opinions on the topic.

TALENT IS BUSTING OUT ALL OVER?
 by Sue Hampshire
 Put on your Dancing Shoes, or take out your old joke book, or maybe start singing up a storm -- For a talent Show is Coming to town! The Clarkston Junior High Student Government has dreamed it up. Months of thinking and preparation has been done.

Come, Come don't be shy, it won't hurt to at least try. Just start polishing up your hidden talent and be ready April 14th. Yes, you have to get on the ball but take your time, for our first Talent Show depends on YOU!

Will it be a success or not? Well, time will tell. So Let's GO!!!

OH-OH —!!!
 by Katie Rossano
 On Wednesday the 15th of March, the students of the Clarkston Junior High received their "Report Cards!"

These were tense moments when the teachers passed them out.

place we have to go, but would do anything to get away from. Now the rest of us have an interest and respect for school. We join clubs, and become active in the different activities that school offers.

This is a form of learning, how to participate, and get along with others in groups.

Joining these various clubs helps make school a wonderful place, and helps one to feel that he belongs. As in everything there are just a certain few that remain active through the school years.

If the kids, that feel school is boring and not interesting, would join these clubs and become active in the school activities, they would find that school is not only an institution for learning, but a place of fun, and interest. Also it does wonders for one's attitude toward himself, friends, and school!

TALENT ANYONE ???
 by Bobette Buehrig
 The Talent Show is coming up soon. Wednesday and Thursday of this week, auditioning has taken place after school.

Skits, Songs and Dances are all being rehearsed and rehearsed. Everybody has his fingers crossed that his act will be picked.

But you need more than luck, you need confidence, determination and TALENT!!!

SPRING IS HERE!

 Yes, spring has come at last, you can take off those old boots, and heavy winter coats. Put away those wool clothes and start spring cleaning!

The gaily shopping for new spring Easter outfits is a sure sign of the glorious season of spring.

But maybe you had better keep a heater near by and a few wool slacks. Just in case mother nature tries to fool you!!!

ST. PATRICK'S DAY
 by Pat White
 St. Patrick has paid Clarkston Junior High School another visit, and has made March 17 a successful day. Students turned up in school wearing hundreds of different varieties of green. To some, this day is just another chance to "be different" and believe me they were! But to true Irishmen it means a celebration of the day that Saint Patrick brought Christianity to Ireland.

But all in all, we hope that your March 17, was as joyous as those at C.H.S.

HELP FROM THE COUNSELORS
 by Alice Upward
 Tuesday and Wednesday of this past week, Mr. Thomas and Mrs. Wilkinson came to the Junior High School to help the eighth grades pick their subjects for the next four years.

The eighth graders had to fill out registration cards and then the high school counselors helped them pick their subjects for the next four years.

Mr. Thomas and Mrs. Wilkinson explained what a counselor is and answered any questions the students might have had about the new high school.

WHAT'S "ALL NUMBER CALLING"?

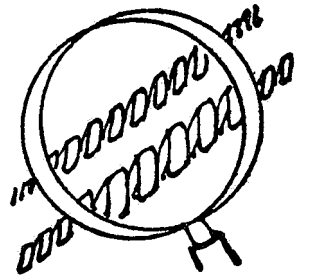

It's the latest development in telephone numbering. Now, in many communities throughout the country, you dial seven numerals to make a local call—no letters. For example, KL 5-2368 becomes 555-2368—a true telephone "number." Why was this done? Simply because we're running out of usable letter-number combinations. If we're to continue to grow and provide good service, we need to use the more flexible "all numerals" system. Some Michigan communities already have it. More will begin to use it soon. You'll find this new system more accurate and we think you'll like it.

To Help Yourself To Better Telephone Service—

1. be sure of the telephone number you wish to dial. Jot it down for reference.*
2. listen for the dial tone. This is an indication that the equipment is ready to accept your call.
3. dial the complete number, two letters and five numerals or seven numerals.
4. let the telephone ring a full minute (10 rings) to give the called party time to answer.

*A convenient memo book for frequently called telephone numbers is available for the asking — just dial 334-7642.

A SLIMMER, LIGHTER yet stronger spring telephone cord has been developed by Bell Telephone Laboratories and Western Electric. One secret of its new, sleek strength is the use of nylon, instead of cotton, thread. Slimming a cord seems like a small change—until you realize that it will save more than half a million dollars annually in cord costs! It's another instance of your telephone company's constant search for new ways to improve the equipment you use, while keeping the cost of your service low.

Brownie Troop 315 had a chicken dinner on Wednesday, March 22. They invited their mothers to be their guests. Twelve Brownies received their two-year stars and one was invested as a first year Brownie. They put on a program first. About forty people attended. The leaders, Mrs. Walter Norberg and Mrs. Harold Goyette prepared the dinner.
-o-
Troop 545 met at the Methodist Church on March 20, 1961. The

meeting was called to order by Virginia. Brenda passed out the treat. Sara is going to ask her father if he can get the lumber to make our bridge. We talked about what the pledge of allegiance means. We're going to have a test about Girl Scout History. We learned a new song called When Susie was a Girl Scout.
Respectfully submitted,
Jolene Schultz,
Our Scribe.
