

MICHIGAN BELL INSTITUTES A. N. C. SYSTEM

The long-familiar two-letter, five-numeral system of numbering telephones will begin a gradual 5-year retreat into history Saturday. The Michigan Bell Telephone Company announced it will start to introduce All Number Calling (ANC) on a progressive basis throughout its territory. Under the ANC plan telephones will be known by all numbers — no letters of a central office name. A number such as KLondike 5-2368, for example, will become 555-2368. Bell president, said that the supply of present two-letter, five-numeral numbers could soon be exhausted, pointing out the fact that about 17,000 telephones per day are being installed across the country. He said that the ANC numbering system, which will be in use nationwide eventually, makes about 50 per cent more numbers available immediately. Day said that as a general rule, the transfer to ANC numbering will be made whenever a customer's service request requires a visit to his home or office, along with a necessary change in the telephone directory. As for ANC's advantages to the customer, Day pointed out that tests show most people find it easier to locate numbers than letters on the dial. ANC eliminates the confusion between the letter "O" and the zero; between the letter "I" and numeral "one". Chances of misdialing through misunderstanding or misspelling a central office name are fewer, all of which are factors to faster and better service for the customer, Day said. Day said Michigan Bell expects to have about 20 per cent of its telephones on ANC in a year. Almost all telephones in Bell territory will be on the plan in about five years, he said. Michigan Bell Telephone Company announced it has installed "built-in" telephone wiring in more than 9,000 Michigan living units since last August 1 when the service was first offered to builders and individuals free of charge. Kenneth J. Boekeeloo general commercial manager, estimated that 60 per cent of the houses and apartment buildings being built have concealed telephone wiring. He said more builders are expected to take advantage of the free wiring service in their 1961 plans. The wiring is installed in walls of each room of houses and apartment buildings, except the bathroom, after electrical wiring is completed and before insulation, lath and plaster, or dry wall is placed. "Advance wiring ties into the modern living theme with built-in convenience features," Boekeeloo said. "It also assures home buyers of sufficient wiring for future telephone needs, which may include extensions, a second phone line, or the installation of Home Interphone — a new home intercommunications system combining telephones and speaker microphone units." Customers pay only the regular service installation charge when they order a telephone.

SPACE AND MISSILE EXPERT TO SPEAK

Wernher Von Braun, head of the Army's space and missile program, will speak May 5 at Michigan State University Oakland. He will speak first at a morning meeting of the MSU Science Club and will give a public talk, "Why We Must Conquer Space" at 2:30 P. M., in the Student Center. More than half the student body is planning to hear Von Braun. Remaining tickets are on sale at the Center to the public. Von Braun's talk at MSU is one of very few the scientist has not cancelled, since the Soviet Union's man-in-space feat.

Regular Meeting of the Village Council Held April 10, 1961. In the absence of President Waters the meeting was called to order by the Village Clerk. Roll: Beach, Goyette, Huttenlocher, Oakley, Terry, Wilford, present. Minutes of the last meeting were read and approved. Moved by Huttenlocher, "That a unanimous ballot be cast for Earl Terry for President Pro Tem of the Council for the year 1961-1962." Motion seconded by Oakley. Motion carried. Moved by Beach, "That the appointment of committees of the President be approved as follows". Motion seconded by Goyette. Motion carried. First named is chairman. FINANCE — Oakley, Goyette, Wilford. LEGISLATIVE — Terry, Huttenlocher, Oakley. POLICE and FIRE — Huttenlocher, Beach, Goyette. STREETS and SIDEWALKS — Beach, Terry, Wilford. VILLAGE PROPERTIES — Goyette, Beach, Oakley.

PLANNING — Wilford, Huttenlocher, Terry. Moved by Goyette, "That the following appointments be approved". Charles, Robinson, Deputy Clerk; Kathleen Waters, Deputy Treasurer; Oakland County Health Department, Health Officer; Don Beach, Fire Chief; John Runk, Jack Beach, Frank Green, members of the Police Force; Robert Osgood, Forester; Frank Green, Building Inspector. The salary of Police Chief to be Twenty Five Dollars (\$25.00) per month, plus Two Dollars per hour while on duty; other Police to receive Two Dollars per hour while on duty. Forester is to receive One Hundred Fifty Dollars (\$150.00) per annum. Howard Keitt was named Village Engineer and Milton Cooney was named Village Attorney." Motion was seconded by Beach. Motion carried. Moved by Wilford, "That the Clarkston State Bank be designated as depository for all money received." Seconded by Goyette. Motion carried. Moved by Oakley, "That the Lee Clark Agency write the Treasurer's Bond for the amount of Six Thousand (\$6,000.00) Dollars." Motion seconded by Huttenlocher. Roll: Beach, yea; Goyette, yea; Huttenlocher, yea; Oakley, yea; Terry, yea; Wilford, yea. Yeas, 6; Nays, 0. Motion carried. Moved by Beach, "That Richard Carlson be appointed to fill the unexpired term of Robert Waters on the Zoning Board of Appeals for a period of two years and that Betty Smith and Ed Spohn be reappointed for 3 year terms." Motion seconded by Huttenlocher. Motion carried. Councilman Oakley was excused from the meeting.

Moved by Wilford, "That the following accounts be paid: General Fund Detroit Edison, Street and Parking Lot Meters, \$109.80; Consumers Power, Heat for Village Hall, 18.97; The Clarkston News; Publications and Ballots, 29.00; Frank Waid, Welding, 16.00; H. TYPISTS — Cheryl Hipp, Mary Robbins and Janet Tisch.

THE EDITOR OBSERVES

As the school year approaches its termination we still have before us the job of careful selection of the officers for the Student Government for next year. In following issues of the paper you will find up to the minute reports on the campaigns and also a short synopsis of the characteristics of each candidate.

In choosing a worthy person for each office the student body must keep ability and leadership uppermost in their minds. Mark your ballot for the candidate that will not only be able to do the job, but one who will carry out their responsibility to the utmost and have plenty of time to devote to their job.

My editorials in the next few issues will deal mainly with the candidates, who in my opinion, will best fill the offered positions and exactly why I believe so. These decisions will be based on scholarship, ability, willingness and past record. In no way do I wish to be derogatory to any other candidate as I just wish to voice my opinion as freely as any of the rest of you do.

The paper will be willing to print reasonable information about any candidate if it is written and handed in by the candidate's campaign manager and received by us Friday before the following issue of the paper. They will be printed with the school news.

SADIE'S SWING
 by Adele Lynady

The Clarkston High School's radio club called the Informers, sponsored the first turn-about or Sadie Hawkins dance of the year. The girls finally had a chance to ask the boy of their choice. Bob Knight and Gary Haizer were acting disc jockies as they played the new discs of the day.

Among the many couples seen dancing were: Martha Torr and Jack Lundy, Ruth Jackson and Roger Rolfe, Shirley Bauer and Gar Wilson, Lynn Ellsworth and Roger Reppuhn, Kathy Bird and Rusty Wilson, Eleanor Carney and Mike Simonson, Charlie Houston and Janet Tisch, Diane Larson and Jim Gunter, Vicki Burley and Bill Gillis, and Sharon Gotschall and Ron Zumbunnen.

Some of the students on the stag line were: Andy Winterbottom, Carol Walter, Mike Applegate, Rocky Bullard, Nancy Stanquist, Ron Walters, Dave Gresham, Mary Bates, Darlene Bost, Ben North and Gary Pike.

DRAMATICS CLASS PRESENTS ONE ACT PLAYS
 by Kathy McDermott
 Linda Hallman

Tonight in the Clarkston High School Little Theatre, the dramatics class will be presenting a series of one act plays. Miss Lorna Wildon will be directing the students in the three short plays.

The first of the plays, "Just Another Saturday", presents Grace, a cloak room attendant, who faces a galaxy of human emotions with unobserving eyes. Buried deep in the pages of her movie magazine, Grace misses the scenes of tragedy, comedy, despair, and romance portrayed before her. The cast includes: Ginny Brown, Barb Buzzell, Alicia Lawrence, Irene McLott, Sheryl Miller, Dianne Roundring, Pauline Slade and Jane Zumbunnen.

Suzanne Valentine, Linda Chapman, Ron Lundy and George Thomas star in "Still Stands The House", a serious drama of a woman who plots to preserve her home and memories of a happier past.

An old time melodrama will conclude the evening, entitled "Parted On Her Wedding Day" or "More To Be Pittied Than Scorned". Sandra Podger, George Thomas, Dennis Galligan and Alicia Lawrence star in this play along with Pauline Slade and Barb Buzzell.

The public is cordially invited to attend this program. There will be no charge for admission.

S. C. PLAYNIGHT
 by Punky Golembeske

If you passed by C. H. S. last Thursday night did you wonder what was going on? Well, things were all set up for the annual Students Council Playnight.

Student Council members from every school in the W. O. C. League came to have a night of fun and enjoyment. Sports such as: volley-ball, table tennis shuffleboard, badminton, basketball, and the trampoline were available for the using.

Each school was required to bring eight of their own school pennants to exchange with the other schools. The pennants received by Clarkston will be on display in the gym.

VICTORY AND DEFEAT GO TO GOLF TEAM
 by Mike Howey

Clarkston's golf team's record is now two wins and two losses. This came about after they lost a match to Bloomfield Hills on Wednesday, April 26th, and defeated Northville on the following day.

In each match at Clarkston Country Club and Golf Course, Jim Gunter was Clarkston's low man. Clarkston High's foursome pulled a 165 on April 26th, but were defeated by the steady Bloomfield Hills team effort of 154. In this match Jim Gunter earned a 38 while Gar Wilson was compiling a 42.

The same C. H. S. team, composed of Jim Gunter, Gar Wilson, Jim Jennings, and Hal Weston went against Northville on the following day. A 175 was posted by C. H. S., but they were 18 under Northville's 193. Here Jim Gunter had a 41 while Gar Wilson was right behind the match made list with a 43.

CLARKSTON SUBDUES CLARENCEVILLE FOE, 4-3
 by Dick Miskin

With Johnny William as starting pitcher, the Wolves pack of Clarkston High School will attempt on Monday, May 1st to stretch their winning streak to two games and strengthen their grip on their current position of second place in the Wayne Oakland League.

The crafty freshman fastballer, brilliant in his last appearance on the hill has convinced Coach Ken Battoni that he is ready to face the famed basketball champion, of Holly, Michigan. In his, and for that matter the entire teams, first appearance at the Holly Ball park Clarkston's pitching selection will try to establish a winning record. His pitching opponent at this time is undecided. The current one game Clarkston surge, accomplished by Tom Gerbeck and associates was decided in the last half of the seventh inning when it had been apparently wrapped up in the top of the frame. Two fielding lapses on the part of the Clarkston outfield threesome led to two Clarenceville tallies and enabled the Trojans to pull into a 3-3 deadlock in the final inning of this baseball affair. Up until this time it had been a case of ace righthander Gerbeck bolstering his reputation as a "Trojan Killer" but only through the conspicuous help from Terry (Booka) Powell. The veteran first baseman frosted the Detroit encounter against Ron Blovet by ripping a hard single to drive in Ron Walter who had been waiting impatiently on third base as the potential winning run, in the bottom half of the seventh inning.

Powell was a standout defensively too. As Battoni remarked after game time, Jerry always makes the key plays and I can't say too much for his hitting" Gerbeck gained his second league record against one defeat over a power packed Trojan squad and a habitual W-O league contender.

Clarenceville Coach and third baseman Joe Nye agreed that Gerbeck did not fire his fastball with the consistent speed of last and previous years. But he got his breaking stuff over the plate, Nye added.

Gerbeck had a troublesome start against Clarenceville. With two out in the first inning Joe Nye, Ron Blovet and Bill Garrick hit successive singles to push across a run before the big right hander checked second baseman Jerry Dowdy on an infield fly.

The wolves promptly pulled in to a tie in the fourth inning on an RBI single by Mike Applegate driving in Jerry Powell from third base until the sixth when catcher Don Marsh's ringing "wrong field" double knocked in both Mike Applegate and Ken Miskin who had opened the frame with singles.

The Trojans challenged Gerbeck only once after the first inning. Then a scoring development occurred in the seventh which was as I stated before due largely to the irresponsible play of the outfield crew. After the first two batters went out on rather routine plays, Clarenceville's leadoff batter punched a single in the hole between short and second base. Then Jerry Dowdy dropped in Texas style but rather flake bloop single to rightfield. With runners on second & third Joe Nye then set the stage by unloading a booming fly ball that was misjudged by Clarkston left fielder Ron Zumbunnen. The ball fell in for a triple, resulting in Clarenceville's final two runs.

That was the Trojans last chance to avoid their second straight defeat. They dropped a game in Bloomfield before moving into Clarkston.

BUZZ BUZZ-A-DIDDLE
 by Cheryl Hipp

Have you noticed all of the excited and anxious faces around CHS lately? I certainly have and it sure does seem good to think of only a few more weeks until the big exciting moments begin to happen.

The Juniors, in charge of the Junior-Senior Banquet this year, are buzzing around the halls like they have fire in their heels.

WORKING HARD AT SOMETHING AND DOING A GOOD JOB HAS ALWAYS BEEN THE TREND FOR THE JUNIORS AS THEY ATTEMPT ANY JOB.

Working on the main committees are: Menu, Ron Applegate; Invitations, Kathy Taylor; Assessments, Paula Parker and Janet Spangler; Programs, Sheryl Miller and Barbara Bullard; Decorations, Charles Funk, Barb Buzzell, and Mary VonKoehnen.

Toastmaster again this year is Mr. Ralph Thayer. The Invocaton will be presented by Ron Jyleen and the Welcome by Chuck Funk. The Senior Response will be read by Linda Chapman.

An evening full of entertainment is planned along with an inviting dinner. After dinner and the entertainment, Mr. Wilford will speak to the Juniors and Seniors. The Class Will will be presented by Cheryl Hipp and Bobo Christides. Ending the evening with the memories of the banquet well in their minds, Janet Spangler will present the Farewell.

So if you see any Juniors running around asking all sorts of silly little questions, or some Senior with a look of far away places on his face don't panic... it's Banquet time.

MUSICAL PROGRESS
 by Janet Tisch

Enjoying the mellow strains of excellently prepared selections, an audience of approximately 400 enjoyed to the utmost, the All School Band Concert that was presented April 29th in the Senior High School gymnasium.

Under the direction of Mr. Elwyn Eggert, the beginners band gave a demonstration of how they first learned to play their prospective instruments. Then the audience enjoyed some selections of old favorites such as Au Claire de La Lune, Abide with Me, and The Step-Off.

The sixth grade band, under the direction of Mr. Eggert also provided the audience with captivating music. Such selections as Daisy Bell, The Band Played On, Now the Day is Over, and Southern Roses were enjoyed by all.

Mr. Barton Connors, Directed the Seventh grade band in a few numbers some of which were Down in the Valley, Swing Song, and Sweet Betsy From Pike. He also directed the eighth grade band in very stirring selections of Sentimental Journey, Overture to Aladdin's Lamp, and I'll See You in My Dreams.

The evening was highlighted however by the playing of the Senior High Band, especially so in their playing of Trumpet Voluntary, which featured Tim Jockwig, Clarkston's First Cornet Player and also first chair in the All League Band, "Tenderly" an old favorite of many, featured Bob Sawyer on the trumpet. A most well received number was Gigi, a selection from the Broadway Musical of the same name. All in all it was a splendid Performance and the Bands and their directors are to be congratulated on a very fine and entertaining evening.

IT'S ALL NEW
 by Cheryl Hipp

Something new is being added around the school at CHS. There is a committee working out the new rules and regulations for the coming year. These rules and regulations are being made up by mainly Seniors who have looked into most reasons for rules and found a need for them, and by the students who feel there should be a change in some of the older rules.

Heading this committee is Mr. Thomas and chairman is Cheryl Hipp. Working under them are: Donna Harris, Linda Chapman, Fred Warrick, Earl Pearson, Jon Hicks, Mel Joseph, George Miller, Jane Zumbunnen and Judy Booth.

If there are any suggestions from either the students or the parents of students as to the rules or policies at Clarkston High School contact one of the committee members or Mr. Terry Thomas. Your suggestions will be appreciated as it is your school and it should be run by the students and for the students.

Junior High School News

HOME ECONOMICS CLUB
 by Margaret Keech

The seventh grade Home Economics Club met on Tuesday, April 25, 1961. This meeting was held in room 110. There were twenty-one people attending.

A pot luck dinner for the members' mothers for Mother's Day was discussed. It was decided to have the dinner.

Four committees were picked; they are: food committee, cleanup committee, entertainment committee and the servers.

CHEERLEADING CHATTER
 by Patti White

On May 1, 1960, girls trying out for ninth grade cheerleading, "performed" for Mrs. Isola to decide which would participate in the tryouts.

The "real thing" will occur on May 2, in the Junior High School gym at 3:05. Girls are to report to the gym at the stated time.

And remember these points:

1. "C" average in all subjects
2. Appearance
3. Ability for acrobatic stunts
4. Personality
5. Attitude

The above qualifications will count heavily if not followed appropriately.

Well good luck girls and stay tuned to this column next week, for the announcement of girls surviving this "trial".

WOODBUTCHERS RECIPE!
 by Bobette Buehrig

The Woodbutchers must have had some pretty special secret ingredients to have made such a wonderful dance last Friday.

With a package of many excited students, a pinch of seriousness, a cup of wonderful records, a gallon of refreshments, and more than a dash of fun, the dance proved to be a great success.

Add all these together, and stir from 8:00 to 10:30 and I guarantee a perfect evening dance after dance after dance!

MOVIES
 by Margaret Keech

The seventh grade geography classes saw two movies. One of the movies was entitled Norway. The geography classes saw this movie on Thursday, April 27, 1961. This movie told about fiords, and other things.

The other movie was on Malaya. The geography classes saw this movie on Friday, April 28, 1961.

Malaya is a land of tin and rubber. Less than a hundred years ago, Brazil gave Malaya rubber trees.

Malaya also has some of the best tin mines. Malaya has very good rainfall which is very good for the tin mines. Tin is never used in tin form. Malaya produces one third of the world's tin.

ask

Until recently, I've been worrying along with minimum auto liability insurance, thinking that increasing my protection to a really safe amount would mean a big increase in premium I just couldn't afford. Then I found that a friend has adequate protection yet pays only a little more than I do. Is it true a substantial increase in auto liability protection requires only a surprisingly small increase in premium cost?

HEADS ANYONE ?
 by Jackie Leonard

If you're in need of a good head, I'm sure Mrs. Turner's art students would gladly help you out.

There are a few examples of their work in the showcase. Along with the heads is a beautiful chalk drawing featuring horses done by Sharon Waddle.

REPORTER AT LARGE
 by Kris Smith

It looks like we'll be seeing some Easter outfits May fifth, as that's when the Student Government is sponsoring the next dress-up day.

-o-

The Wood Butcher's sponsored a dance last Friday, April 28.

-o-

Last Friday marked the end of the fifth marking period. ... now everyone can start thinking about the final tests.

TALENT SHOW
 by Jackie Leonard

The following acts were chosen to represent the Junior High School in the High School Talent Show: The Teardrops singing "Angel Baby"; Nick Guras's Band playing "Grandfather's Clock"; Kathy Verbeck with her baton act; Guy Riddle portraying a fisherman with problems; Larie Walter's doing an ol' soft shoe; Patti Davidson singing "He"; Patti White, Louise Sexton and Linda Walters singing; Beverly Pylman with her graceful ballet, Kris Smith and Jackie Leonard doing in pantomime "Love Blooms in a Dump"; Heidi Buehrig with her hilarious impersonations and Jane Hallman and Mary Wertman doing a song and dance.

Everyone is quite convinced that these people will do a fine job and make the Junior High proud of them.

Plenty of hot water... all the time!

GAS

when **GAS** does the 7 big household jobs **AUTOMATICALLY**

Gas saves time and space. Saves money, too. Eight out of 10 new home buyers choose gas to cook food, heat and cool the home, dry clothes, heat water, refrigerate food and incinerate refuse entirely automatically. Gas is modern, safe, fast, clean, economical, dependable and silent. Low first costs and thrifty operation tailor gas equipment to everyone's pocketbook.

Your gas company or appliance dealer will gladly show you how economically gas will modernize your home.

Look for the American Gas Association's Blue Star Seal of Approval.

Legal Notice

MILTON F. COONEY, Attorney
812-15 Pontiac State Bank Bldg. Pontiac Mich.
No. 77333
STATE OF MICHIGAN — The Probate Court for the County of Oakland. In the Matter of the Estate of Gertrude E. Thomas, Deceased. At a session of said Court, held at the Probate Court, in the City of Pontiac, in said County on the 18th day of April A.D. 1961. Present: Hon. ARTHUR E. MOORE, Judge of Probate.
ORDER APPOINTING TIME FOR HEARING CLAIMS
Notice is hereby given and it is hereby ordered that the time and place for hearing on claims against the above estate shall be the 5th day of July 1961, at nine o'clock in the forenoon at the Probate Court in the Court House at the City of Pontiac, Michigan.
All creditors or claimants against the above estate are further notified and ordered to prove their claims at said hearing and prior to said hearing to file written claim therefor with this Court and with the fiduciary of this estate, under oath, containing sufficient detail reasonably to inform the fiduciary of the nature and amount of the claim.
It is further Ordered that notice be given to all interested parties as shown by the records in this cause by delivering a copy of this order to each of them personally, or by mailing such copy to each of them by registered mail with return receipt demanded addressed to their respective last known addresses as shown by the files and records in this cause.
And it is further Ordered that public notice thereof be given by publication of a copy of this order once each week for three successive weeks previous to said day of hearing in the Clarkston News a newspaper printed and circulated in said county.

Great Trout Rivers
Every Angler Should Know

Here are 12 of Michigan's greatest trout-producing river systems. Well known to the Indians, and even better known to present-day anglers, these rivers represent the backbone of a trout fishery which over the years has become legendary throughout the nation. All told, Michigan boasts some 36,000 miles of rivers and streams, and in many of them rainbows, brooks, and browns challenge the sportsman's best fishing tricks. An estimated 185,000 fishermen will invade these waters during the state's April 29-September 10 season this year to enjoy their pangs of "trout fever".—Mich. Dept. of Conservation

Proceedings of a Regular Meeting of the Independence Township Board Held April 18, 1961.

Meeting called to order by Supervisor Hursfall.
Roll Call: Hursfall, here, Alt-

man, here, Johnson, here, Bauer, here, Bennett, here.

The minutes of the last regular and two special meetings were read, corrected and approved.
Correspondence from the

Township Attorney, Mr. Mandel concerning a special election with regard to the library issue, was read with no action taken.

June 6, 1961 was set as the deadline date for receiving bids to remodel the powerhouse.

A bill of \$115.00 to Forbes Printing for a desk and cabinet was approved as paid, March 1961.

Motion by Bennett, supported by Johnson, that a petty cash fund in the amount of \$25.00 be established to facilitate small purchases not to exceed \$25.00 by the Independence Township Fire Department; and to be issued to Don Beach, Fire Chief, for the above expressed purpose. Motion carried.

Motion by Bauer, supported by Bennett, that the petty cash fund in the office be increased from \$50.00 to the sum total of \$200.00. Motion carried.

Moved by Bauer, supported by Johnson that the Independence Township Fire Department purchase an Alco-lite aluminum ladder of 51' 1" extended length for emergency use; the sum of which shall be \$686.40 plus freight and installation.

Motion by Altman, supported by Bennett, that a contribution of \$25.00 be forwarded to the Michigan Cemetery Association for educational and public relations activity. The purpose of this contribution is to help insure the proper maintenance of our Township Cemeteries.

The possible purchase of a township truck in response to several bids, was delayed until such time as the proposed township budget for 1961 be approved by the County Allocation Board as submitted.

Motion by Bauer, supported by Johnson, that the submitted list of bills in the amount of \$2583.92 covering the month of March, 1961, be paid. Yea, 5, Nay, 0. Carried.

Motion by Johnson, supported by Bennett, that the meeting adjourn. Time 10:45 P.M. Carried.

Respectfully submitted,
Harold Altman,
Township Clerk

Proceedings of a Special Meeting of the Independence Township Board held April 25, 1961.

Roll Call: Hursfall, here; Altman, here; Johnson, absent; Bauer, here; Bennett, here.

The meeting was called to order by Supervisor Hursfall.

The members of the Zoning Board, Fred Turek, Joe Rhoades, Norman Auer & Dr. Tucker were asked to enlighten the Township Board as to an understanding or misunderstanding they may have, implied or otherwise, left with the parties present who were affected by their decision to approve the rezoning of that property aforementioned.

It was decided that the rezoning question be placed again before the Township Board at the next regular meeting for any action that the Board may take.

Supervisor Hursfall did wish it to be known that a three man committee was working on the revision of the Zoning Ordinance and Building Code and that the results would assist somewhat in the placating of our Township rezoning struggle. Mr. Hursfall also suggested the possibility of a citizens committee to work with the Township officials for the purpose of seeking, presenting and promoting all factors necessary to encourage manufacturing and industry within our Township.

A motion by Bauer, supported by Bennett, waived the fees of furnace and building permits to the local Campfire Girl organization. Amount considered: \$18.00. Motion carried.

A motion by Bennett, supported by Bauer, set May 9, 1961, as building permit for the Walton Baptist Church be waived. Amount considered: \$24.00. Motion carried.

A motion by Altman, supported by Bauer, set May 9, 1961 as the date to hold a public hearing to discuss street lighting of the Lake Oakland Hills area in question. This hearing is to be for a two hour duration and to begin at 7:00 P.M. of the day set. Motion carried.

A motion by Bauer, supported by Bennett, that four wall type ash trays be purchased and placed in the downstairs lobby of the Township Hall. Motion carried.

A motion by Altman, supported by Bennett, that the meeting

adjourn. Carried. Time: 9:50 P.M.

Respectfully submitted,
Howard Altman,
Clerk

ORDINANCE NO. 47

An Ordinance promulgated pursuant to the provisions of Act 62, Public Acts of 1956, Michigan, to regulate and control the operation of motor vehicles upon the streets of public places of the Village of Clarkston; to provide for signs, signals and other devices for the control and direction of traffic in said Village; to repeal certain ordinances and parts of ordinances, in conflict herewith; and, to provide penalties for the violations of this ordinance, and the rules and regulations of the Commissioner of State Police adopted by reference to this ordinance.

The Village Of Clarkston Ordains:

Section 1: That this Ordinance shall be known and may be cited as the "Uniform Traffic Code of the Village of Clarkston".

Section 2: That from and after the 1st day of May A.D. 1961, the effective date hereof, this Ordinance be, and shall consist of all the terms, rules, conditions and regulations of the Uniform Traffic Code of cities, townships the supervision of the Secretary of State, and promulgated by the Commissioner of State Police, commonly known as Michigan State Police, Uniform Traffic Code for cities, townships and villages, which Code was

filed with the Michigan Secretary of State, November 14, 1957, and which code is hereby adopted by reference in its entirety, pursuant to and by authority of Act 62, Public Acts of Michigan, 1956.

Section 3: That a copy of said code hereby adopted, shall at all times be on file with the Village Clerk, and also available for public examination at the headquarters of the Chief of Police of the Village.

Section 4: Every person convicted of a violation of any provision of this Ordinance, including any provision of said code, shall be guilty of a misdemeanor, and thereupon may be punished by a fine not exceeding One Hundred (\$100.00) Dollars, or by imprisonment not exceeding ninety (90) days, or by both such fine and imprisonment.

Section 5: That this Ordinance repeals all ordinances heretofore adopted by the Village of Clarkston, which shall be in conflict with any valid provision hereof, including said Uniform Traffic Code as adopted by reference.

Made, Enacted and Passed by Village Board of Trustees of the Village of Clarkston this 27th day of February, A. D. 1961.

Russell Colton,
President

Ralph Thayer,
Clerk

THINK YOU HAVE Termites?

Stop their costly damage before it spreads

Termite damage usually starts in the understructure of your home and spreads to other parts. In homes built on concrete slab, termites enter through joints and cracks to attack carpeting and woodwork. The cost of making repairs often amounts to hundreds, and sometimes thousands, of dollars.

Insured Protection Plan
Why risk costly termite damage to your home? Phone or write us for a skilled inspection of your property and information on a new Insured Protection plan that will relieve you of all termite worries.

MICHIGAN IS SKILLED LABOR

The success of Michigan industry and the rewards of working in Michigan have developed a great supply of skilled workers in our state.

Michigan's workers are recognized for the ability to produce well above the national level. Recent government figures place their output at 18 per cent above.

Our workers are a highly diversified labor force, manning 365 different types of industry found in Michigan. Whatever the challenge from specialization to mass production, Michigan's skilled labor has the know-how to meet it.

Help carry Michigan's message to the nation. Clip this ad and mail it to someone in another state with your own comment. Let's talk up Michigan and its advantages for industry. Together, we can assure a greater future for all of us.

This ad is one of a series published as a public service by this newspaper in cooperation with the Michigan Press Association and the Michigan Economic Development Department.
