HOLD ONTO YOUR HATS: HERE COMES CINERAMA'S ROLLER COASTER

A breath-taking ride on a roller coaster introduced the world to "This Is Cinerama," the remarkable film that will play exclusively in Michigan at the Music Hall Theatre in Detroit.

Because the roller coaster is a succession of thrilling sights and sounds it was a natural way to show the remarkable audience participation possible with Cinerama.

As Lowell Thomas announces, "and now, This Is Cinerama," three projectors fill the giant curved screen. The theatre seat melts away and you are riding a roller coaster. It moves slowly at first away from the platform, gathers speed as it mounts the incline, then rushes over the peak and around the curves.

New York's Rockaway's Playland, scene of the filming of this sequence, reports that its business zoomed since "This Is Cinerama" first opened. Cinerama has helped make the roller coaster the most popular attraction on the midway, where a huge billboard proclaims it as the star of Cinerama.

In the filming of the roller coaster scene for "This Is Cinerama" the camera rode the roller coaster, banking on the turns and shooting up and over the peaks. Audiences viewing these sequences are actually "in the picture"; their gasps and squeals transform the theatre into an amusement park.

From the roller coaster ride to demonstrate thrills, Cinerama's entertainment moves on through the world of opera at La Scala, the Regatta in Venice, the Rally of the Clans in Edinburgh, on to an air voyage across America, piloted by famous test pilot Paul Mantz.

State Police To Hold Open House

As has been the custom the last several years, the State Police will observe Michigan Week with open house "Hospitality Day" Tuesday, May 23, at all posts, according to Sgt. Mike Ahlgrim, commanding officer of the Pontiac post.

Visiting hours at the Pontiac post will be from 10:00 A. M. to 10:00 P. M., and everyone is extended a special welcome to examine the equipment and facilities and ask questions regarding the operations of the department. Officers will escort the visitors.

"While visitors are always welcome at the post, Hospitality Day offers a special opportunity to look us over and in past years many have done so," said Sgt. Ahlgrim. "Those who call on us will learn about the services the State Police perform and how a post functions.

"To those who may not know the location, the post building, which is easily identified, is situated at 1295 North Telegraph Road, Pontiac. Stop in to see us."

In addition to open house, the State flag as well as the United States flag will be displayed all week at the post.

INVITATION TO GIRL SCOUT COUNCIL MEETING

The Northern Oakland Girl Scout Council cordially invites you to attend our May Council Meeting honoring the Girl Scouts around our country Tuesday, May 16th, at 8 P. M. Madison Junior High School Cafeteria, 1275 North Perry Street, Pontiac, Michigan.

The program will be of special interest to both men and women. The outstanding dedicated youth leader, the Honorable Probate Judge, Arthur E. Moore will speak on the subject of understanding and helping youth in our community.

You won't want to miss the film premiere of the 49th Birthday Girl Scout Jubilee celebration held at Miracle Mile in March of this year. Refreshments will be served.

BOY SCOUT NEWS

The Boy Scouts of Troop 134 are having their candy drive now, and they have about one week left to sell. They are selling Chocolate Peanut Clusters, and Ice Caps, which are real creamy on the outside, and filled with raisins, peanuts, and fruit, and are delicious and tempting; so treat yourself as well as the boys. When a boy comes to your door, buy a box. You won't be sorry! The two boys with the highest amount sold will have their pay paid to summer camp, part of this money also goes for equipment for camping.

We also have a new Scoutmaster who is Bill Cullen and who is very interested in the boys. He is very well pleased the way the boys are selling. He was a scout leader a number of years ago. So help fight juvenile delinquency and help our boys to be better citizens as well as scouts.

There will be a Scout Show at the Airport on May 20, 1961 from 1 P. M. to 5 P. M. There will be all kinds of concessions and you will have a good time so try and be there.

The troop has planned an overnight camp out. This is on Friday, May 12 at 8 o'clock in the evening, till Saturday night at 6 o'clock. The boys should be at the church no later than 5:30 P. M.

INDEPENDENCE TOWNSHIP REPUBLICANS TO MEET

On Friday, May 12th at 8:00 P. M. the Independence Township Republicans will hold a meeting at the Community Building for the purpose of starting a Republican club in this area. Another purpose of this meeting will be to initiate a canvass to compile a list of the republicans in this area. Anyone interested is cordially invited to attend.

P. T. A. TO INSTALL OFFICERS

At the monthly meeting of the Clarkston Elementary School's P. T. A. an installation of officers for the 1961-62 term will be conducted by Mrs. William Mansfield.

Special feature of the evening will be when the fifth grade classes, under the direction of the fifth grade teachers, present "Ballad of America."

Following this the delegates to the Michigan Congress of Parents and Teachers Convention will make their reports. Refreshments will be served by the fourth grade room mothers.

Car Races To Start At O. C. S. C. Track

Officials of the Oakland County Sportsmen's Road Racing Club announced their first feature sports car race of the 1961 season to be held at the Club's mile and one half road course in Waterford, Michigan.

"The first of four weekends of racing, the Spring Sprints, is slated for May 20 and 21 and is expected to draw record entries from a six-state area and Canada," said Art Novac, Club President.

Patterned after leading U.S. sports car racing courses, the Waterford plant has attracted some of the nation's leading sports car drivers plus several Canadian driving champions. All of the automobiles competing are owner-driven by amateurs. Many are production models which can be seen on our expressways in Detroit today.

The primary purpose of the Club is to train and qualify drivers to handle sports cars on a road at high speeds and at the same time provide them a place to practice. "Growing spectator interest in this sport, coupled with the fact that ours is the only such track in and around Michigan, has urged us to make our facilities more comfortable for the public. Spectator areas, refreshment stands, public address systems, picnic tables, etc., were added to accommodate the growing spectator attendance (15,000 last year)," added Novac.

"Our growing membership (now 225) encouraged us to initiate a flag school at our Club so that enthusiasts who are not interested in driving have a chance to learn some other phase of the sport such as organization, flagging or race planning," Novac concluded.

The Waterford Hills Road Course is located six miles north of Pontiac and one quarter mile east of U. S. 10 (Woodward) on Waterford Road in Waterford, Michigan.

Racing begins on Saturday and Sunday at 10 A. M. Ample free parking is available at the club.

BRIDGE NEWS

The Clarkston Golf Course Duplicate Bridge Club held its weekly game on May 7th at the Club House.

The winners were: Dr. and Mrs. Maurice Willis, Mr. and Mrs. W. T. Owen, Mr. and Mrs. Earl Waterman, and Mrs. Ina Snader and Bruce Coryell.

CIRCLE MEETING

There will be a meeting of the Susannah Wesley Circle in the Church dining room on Thursday, May 18, at 10:00 in the morning. Co-hostesses will be Mrs. Jerome Galligan and Mrs. Harry Chapman. The Bible Study is going to be continued.

MENS CLUB TO TRAVEL TO ALASKA

On Thursday, May 18, the Clarkston Community Men's Club will meet at 6:30 P. M. at the Community Center on North Main Street. After dinner, due to many requests, the guests will travel to Alaska by means of slides and dialogue by Charles Beach. He has been invited to relate highlights of the Beach family trip last summer along the Alaskan Highway, through the Yukon where fishing was so good, and on into Alaska with a side trip to Mt. McKinley. He will tell of panning gold, visits to ghost towns, travel conditions and accommodations. An enjoyable dinner will be served and a large turnout is expected. Please make reservations by calling MAple 5-6621 or MAple 5-5231 as soon as possible.

RETREAT AT LAKE HURON

The Clarkston Methodist Youth Fellowship finished its year with a "Spiritual Life" Retreat on May 6th and 7th at Lake Huron Methodist Camp.

The youth left from the Church at 7:30 A. M. and arrived at the camp at 10:00 A. M. Very few activities were planned on Saturday because of the rain. At 9:00 P. M. Saturday night, the group went to the Chapel for Holy Communion and the traditional hour of silence.

On Sunday morning, everyone attended the Worship Service, conducted by Roger Richley, Dick Sheldon, Ronald Jyleen and Rev. Richards. After dinner, everything was packed up to return to Clarkston. At 1:30, the M. Y. F. met in the Chapel for an evaluation of the weekend and then left for home.

Clarkston Locals

Miss Marcia Johnson, young daughter of Mr. and Mrs. Donald Johnson of 6968 Snowapple Dr., will be in room 137 at St. Joseph's Mercy Hospital for several weeks, recovering from severe burns on her abdomen and right thigh. She would enjoy hearing from her friends and classmates to help pass the long hours of her hospital stay.

Mrs. Bert Olliffe was a guest of her son last weekend, May 6th & 7th, at Central Michigan College, when the boys of the Sigma Phi Epsilon Fraternity entertained their mothers at "Mom's Day".

Lester J. Hagle, son of Mrs. George N. Groves of 9252 Cherrywood, was graduated from recruit training, April 29, at the Naval Training Center, Great Lakes, Ill. The graduation exercises, marking the end of nine weeks of "boot camp", included a full dress parade and review before military officials and civilian dignitaries.

The June picnic meeting will be held at the Sashabay Ranch home of Mrs. Harry Bates.

Members will conduct on May 30, the usual ceremony and decoration of graves at Oak Hill Cemetery, Pontiac. This is to honor the original Revolutionary soldiers who are buried here.

"Melodies In May" On Its Way

"Melodies In May" will be presented by the Waterford Civic Chorus on Friday, May 26th.

The chorus, directed by Richard Meier and made up of area men and women, will sing a varied program consisting of sacred and semi-popular numbers including "Get Thee Behind Me Satan", "Red Wing", "Syncope Clock", "Julida Polka", "Michigan Morn" and others.

To add variety to the program, members have organized into smaller vocal groups. A women's quartet, The "Honeybees", whose members are Margaret Ann Beatie, Sheila Jacobson, Martha Johnson, and Delores Frick will sing a group of popular songs, and a male barbershop double quartet, made up of Larry Stack, John Walker, Harold White, Norman Russell, Charles Jehle, Al Gedz, Roger Johnson, and Robert Morris will sing a medley of barbershop standards. Soprano soloist, Shirley Long will also perform.

The program will be presented at Waterford High School at 8 o'clock in the evening.

Tickets for adults and students can be obtained from chorus members or at the door on concert night.

PERRY SMITH NAMED "ALBION FELLOW"

In the list of 39 students at Albion College who have just been named Albion Fellows because of their final scholastic averages for the first semester of the current academic year, the name of Perry B. Smith is to be found.

All Albion Fellows achieve an average of 2.7 or more in their studies or at least almost an A rating. In addition to the honor, the designation carries with it special library and academic privileges.

Perry, a sophomore at Albion, is the son of Mr. and Mrs. Philip R. Smith of 6630 Cranberry Lake Road.

Campaign slogans and high-flung speeches will soon circulate to "inform" and persuade a students vote in the coming Student Government election. But I urge you to look behind the slogans, gimmicks and speeches to the person running for the office.

In today's article I would like to take up the office of treasurer. This is one of the most difficult jobs to run for. It requires a person who is not only capable in mathematics but a person who is responsible. A person who will be reliable in dealing with transactions within the Government.

Recommendations in this office goes to a person who maintains high scholastic ability, high citizenship rating and a head for business. This person has proved time and time again that she is completely capable of handling the job she is running for. During the past year the Government's funds have been her responsibility. Not only has she kept neat and excellent records, but she has contributed her unsurpassed leadership in the proceedings within the Government. And with this record behind her I would like to highly recommend Barb Buzzell as next year's Student Government Treasurer.

SPRINTERS TRAVEL AGAIN

Clarkston lost a tough track meet to West Bloomfield on Monday, May 1st. Clarkston made it an exciting event, though they only had four first places in 12 events, by taking many second & third place positions. When the final tabulations of the match were in, West Bloomfield had pulled out too many firsts to win 58 1/2 to 50 1/2.

Bloomfield opponent in the pole vault, as he cleared nine feet. Again the reliable relay team of Clarkston came through in nice time. Larry Blackett, Jack Lundy, Mike Simonson and Bill Powell made the distance in three minutes 58.8 seconds. George Thomas ran the 440 yard dash in 57.5 seconds, while the 880 yard relay team of Clarkston took another first place by carrying the baton 1/4 mile in one minute 42.2 seconds.

Wednesday, May 3rd, was the day of a Clarkston triumph over Our Lady of the Lakes. On this date, Clarkston earned 92 points compared to a total of 17 put up by their opponents. Only a tie for first in the pole vault event kept Clarkston from making a clean sweep of all first place honors.

A quick rundown of the meet shows the following: The shot put was taken by Ron Zumbrun with a toss of 35' 9". Mike Simonson jumped 5' 0" and took the 880 yard run in 2 minutes 21.3 seconds for his two first places.

17' 5" in the broad jump and 23.4 seconds in the Low Hurdles gave Ron Bray two firsts. Willie Knox sped his way to a first in the 100 yd. dash with a time of 11.1 sec. Willie was also a member of the 880 yard relay team with Dave Dengate, Dick Moore, and George Thomas, taking the distance in one minute 45.2 seconds.

Gary Hauser, Don Clement, Gary Bass, and Dan Ragatz ran legs in the 4 minute seven second mile relay. Dennis Kendall cleared 8 feet to tie for first in the pole vault. George Thomas did the 440 yard dash in 56.4 seconds, Bob Gordon the 220 yard dash in 25.2 seconds, and Jack Lundy the mile run in 5 minutes, one second to earn first places.

TWO TIGHT GAMES PLAYED

Clarkston's J.V. ball team played a fantastically high scoring game against Milford on Monday, May 1st. It looked as though Milford had the game wrapped up, as they took advantage of some slips made by the pitchers, to gain 14 runs in the first inning. Paul Walker started the game, but was relieved by Dan Craven when 10 runs had crossed the plate. But Clarkston, with some great clutch hitting, came back with 15 runs, while pitcher Dan Craven was firing the ball past the batters into

Mike Wood's mit. Dan did not allow a runner to touch home plate after the first inning. On Friday, May 4th, Clarkston faced Bloomfield Hills in a game that proved to be a thriller. Tom Petrie clobbered a ball on his first time up, and started to round the bases.

It looked as though Clarkston had pulled into an early lead, but Tom was so excited that he forgot to tag third base. This mistake turned his homer into a triple with an out attached. Paul Walker laid down a beautiful squeeze bunt to put speedy Dan Craven across the plate for the only Clarkston tally. Dan Craven allowed 4 hits, but two fielding errors cost him two runs. Clarkston came up with as many hits, while Bloomfield Hills was making two errors.

61-62 OFFICERS ELECTED BY Y-TEENS

At the regularly scheduled May meeting of the Y-Teens, officers for the 1961-62 school year were elected. New officers are President, Paula Parker; Vice President, Blair Bullard; Secretary, Marlene Smith; Treasurer, Mary Hinkley; Reporter, Janet Tisch; Chaplain, Janet Spangler & Historian, Sally Morgan.

Plans for the Initiation tea to be held on May 21 were also discussed, as was the dance planned for June 2. The proceeds from the dance will be used to send the President-elect to Summer Conference.

COURTS ARE OPEN!

Many questions have been asked about the tennis courts being left open this summer. I have great news, the courts are going to be left open.

The new courts will certainly get a suitable initiation this summer. But, if any destruction comes to the courts then, automatically they will be closed. So have fun this summer, but be careful.

AS THE EDITOR SEES IT

Friday, April 28, ended the fifth marking period. The following Wednesday report cards were passed out and many sighs of both relief and disgust were heard.

Along with the end of the fifth marking period comes the time of year when the weather warms up and a sickness called Spring Fever begins to strike people. Their illness strikes mainly in the area of schools, where the younger generation tends to be. The effects of Spring Fever are to lead a student to the ball field or to give him the want to stare out into space when he should be getting his work done.

These last six weeks of school are going to be six of the hardest weeks in school life. Spring Fever lurks everywhere on a warm, sunny day. It usually strikes between 8:00 A.M. and 3:00 P.M. Of course, everyone knows that these are our school hours, and that we should be at work and not at play.

Our recent report cards brought both good and bad news. If the news was good, a comment something like this might be heard.

"Well, I've gotten good grades all year long. I don't have to work at all these next six weeks I'll pass easily."

Or, if the news was bad, a comment like this might be heard.

"Look at that, another bad grade. I'll never pass, I guess I might as well give up trying and go out and play."

People, who give remarks like these, are victims of Spring Fever. The remedy is to study.

Students who have made good grades all year long still need to study, so that they can make good grades for their final report cards. If one makes bad grades this last marking period, these marks will go down on his record. These grades one makes, may have a depressing effect on someone later on in life while he or she is trying to get a job.

So, my remedy for Spring Fever is to take one study pill at 8:00 A.M. This pill's effect will wear off about 3:00 P.M., giving off study waves during school hours.

Of course, we all know there are no such things as study pills, but I think if everyone resolves to get good grades this next marking period, regardless of what kind of grades one has made in the past, that he will pass with some good grades to go down on his record.

TENNIS ANYONE?

The Clarkston Jr. High's new tennis courts, certainly are not going to waste!

Beginners, pros, and experts are all having fun at this exciting sport.

Single players are trying desperately to beat their opponent. The little fuzzy ball goes flying over the net, and if you keep practicing, who knows? You may become a tennis champion. Tennis Anyone???

PLEASE KEEP THIS CONFUSION ORDERLY!

by Kris Smith
 An innocent by-stander, upon passing by the gym last Friday, at 3:15 would have wondered at the seeming confusion that reigned.

He would have seen a mob of kids, er, ladies and a few gentlemen scattered here and there, having what looked like the time of their lives. That is, until a certain Miss Jetter came along. Then he would have seen a very quick transformation in their appearances. Almost immediately, all would disappear to the stage and take their places on the risers.

By this time, our dear innocent by-stander might begin to get an idea of what was going on, and when he caught the faint drift of sweet voices, he would realize that actually, it was just a rehearsal for the Spring Concert, that the junior and senior chorus-

es are going to try valiantly to put on, May 23rd.

So you see, dear reader, all this really was, was a commercial.

COMEDY GALORE!

by Sue Hampshire
 Everyone's sides still ache with laughter for Mr. George Marks, America's funniest Ventriloquist, who entertained the student body, Friday afternoon. Mr. Marks presented "Waldo", a funny little wooden head dummy which was full to the brim with jokes. Next followed the well known "Punch and Judy" Play.

Mr. Marks, especially adept in the art of ab-libbing, made small comments on certain things which changed into the most hilarious act you have ever seen.

All in all the assembly was quite a success from what I have gathered, for it has caused much talk. I am sure that Mr. Marks will rate a Big welcome back. Hey Kids!!!!

CAVE MAN STYLE

by Carol Sage
 Whats this! Everyone's going around crazy like cavemen with clubs over their shoulder. Really there are no cavemen or clubs, but what you might see are students with tennis rackets flung over their shoulders. Yep, that's

the new fad. "Tennis" at C.J.H.S.! Gym classes, study halls, grown-ups, teachers, high school students, everyone's getting in on this caveman stuff." So if you see someone, anyone, who's trudging to the tennis court with a club over his shoulder don't think he's "nuts" because you might be he.

HOME ECONOMICS CLUB

by Margaret Keech
 The seventh grade Home Economics Club met on Monday, May 1, 1961 in room 110. There were seventeen people attending. The meeting lasted from 3:05 to 4:00 P.M. For Mother's Day, we are going to have a potluck dinner on Tuesday, May 16, 1961. It will be held at 6:30 P.M. We will also have some things for entertaining our mothers.

Hills Golf Course on Friday, April 28th, Clarkston came up with only a 179 stroke total against Mizford's 193. Jim Gunter continued his fine play, as he was match medalist with a 41. Gar Wilson tallied 44, Jim Jennings a 46, while Hal Weston was snooting a 48.

Jim Gunter again came up with a fine nine hole score to be match medalist at Clarkston Golf Course on Wednesday, May 3rd. He shot a one over par 37 to pace a Clarkston 20 points victory over Milford, 166-186. Gar Wilson was another low Clarkston man as he shot a 41. Both Jim Jennings and Hal Weston came off the ninth green with 44's.

The following day saw Clarkston competing with Bloomfield Hills Golf Course. The Clarkston team lost a tough match that went to the wire 164-177. Jim Gunter again was the lowest Clarkston player as he shot a 41.

Davisburg Golf Course was the site of a Clarkston versus Holly Match on May 5th. On this day Gar Wilson was not as he came off the last green with a 42. Jim Jennings made a 44, Jim Gunter was off a little as he shot a 46, while, Cap Buehner came in with a 48. This gave Clarkston a final total of 180 strokes, but Holly was a little hotter with a 175.

WOLVES WIN SECOND IN ROW, DOWN KEEGO 4-1
by Dick Miskin

The happiest pitcher on the entire Clarkston varsity pitching staff, when Coach Ken Battani elected to pitch him in an area Wayne - Oakland league baseball game last week, was Bill Powell, the rangy right hander, who had been dropped from the regular pitching rotation because of an old leg injury, aggravated during a recent game, had been anxious to take his turn on the mound but his physical handicap, of course, made this impossible.

Powell, who claims he's snake bit unlucky, had a definite reason for wanting to get back with the club. Bill was determined to be a winning pitcher in the league even though his teammates consistently failed to support him with many runs, resulting in many wasted fine performances on his part in league affairs.

So, when Battani announced that he would be his pitching selection when the club was scheduled to play West Bloomfield on their current road trip, the towering 6'4" senior figured,

with the able advice of reliable sources, that the weak hitting Laker would be made to order for him, victory - wise; a few runs by his teammates and not as many runs off his pitching would enable him to post his first win of the season.

The ill-starred hurler was right on both counts in the encounter last Thursday. He recorded his first victory after a previous defeat (in one other performance, Powell did not figure in the scoring) with a brilliant 4-1 triumph at West Bloomfield.

With four runs, Powell must have felt he had found a treasure chest. He got a bit generous himself and issued five hits and the same number of bases on balls during the contest. Four of the five total hit sum by West Bloomfield, was made in the final two innings when Keego put together three most serious scoring challenges.

However, nothing much, to speak of, amounted from these late inning threats as the "Flame-throwing artist" and ace of the Clarkston pitching staff was consistently tough in the clutch. Again it was the veterans of the team that provided most of CHS's scoring punch.

After Rich DeBose went down on strikes in the Clarkston second, centerfielder Mike Applegate walked, then stole second and finally scored along with Ron Walter, who had singled, on a throwing error by Laker catcher Jim Lucadam.

The title bound Clarkston squad added their final two runs in the third inning, when Jerry Powell was safe on Laker first baseman, Mel Robar's infield miscue. After second baseman Ken Miskin advanced Powell to second on an infield out, Ron Lundy walked. With two on and two out, R.C. DeBose scored both baserunners with a bullet double into the corner in left field.

Keego scored their lone run in the sixth inning. Following a hit batsman and back to back singles by Jim Eliason and Mel Robar. Bill Powell walked pitching opponent Don Sweetman to drive home the first and last Laker run.

All told, the game's results, as the score very well indicates, were very impressive. The victory boosted Clarkston's record to 3 - 2 in the league standing with six games remaining to be played.

DRAMATICS CLUB PLAYS
A SUCCESS

by Kathy McDermott

Last Thursday night we had the opportunity to see our dramatics club do an excellent job of presenting three one act plays.

The first of these, "Just Another Saturday", presented Ginny Brown as a powder room attendant whose whole life revolved around a movie magazine. She innocently believed that it was just another Saturday night, as scenes of drama and humor were portrayed before her eyes

by members of the Saturday Night Dance Club. Members of the club were played by Barb Buzzell, Miki Kritters, Sheryl Miller, Jane Zumbunnen, Diana Rounding, and Irene McLott.

Next we found Suzanne Valentine, playing the dramatic role of a woman trying to escape the future by living in the past, in "Still Stands The House." Her brother and his wife, played by Ron Lundy and Linda Chapman, were the victims of her plan to return to her happier days.

Sandra Podger played the heroine, Faith Truehart, in an old-fashioned melodrama, "Parted On Her Wedding Morn." Poor Faith was blindly led to believe that Leander Mulbery truly loved her, but upon her wedding morn, she was left at the altar. After her wedding, her husband left her, never to be heard from again. Her father hearing of her wedding, cast her from his home forever. Not knowing where to turn, poor Faith went to live with a friend, Bowery Liz, who had a heart of gold. But her life was suddenly darkened when Desmond Dalton, the villain, appeared on the scene with his girl, complete with a plan to ruin Faith's life and gain the coal on her fathers land. The villain was played by none other than Dennis Galligan, while Opal Buckingham, the villainess, was in real life, Barb Buzzell.

But as all stories go, the hero must rescue the maiden in distress. Excelsior Colfax, Faith's childhood sweetheart, portrayed by George Thomas, literally (and physically) threw the villain out the window.

So Mother Mahoney, a neighbor and true friend of Faith's, was correct in saying that all would turn out in the end.

CHS PINS ARRIVE

Thursday, May 4th, the Clarkston High School Pins, that were ordered the end of April, arrived at the office of CHS. All of the pins were quite pretty and were worn as soon as they were distributed during the noon hours. The pins are gold and blue, with a "C" in the center. A gold chain hangs down from the pin

with the year that you graduate at the end of it. Also, the Student Government Pins came with the class pins. Both members and officers, that wanted the pins, ordered them with the class pins.

WOULD YOU BELIEVE IT?
by Cheryl Hipp

Would you believe it? No, I guess you wouldn't! But it sure is true. The yearbook for 1962 is already on the road and its layout is practically all finished. Copy is being written & pictures are being taken. And the best part of it is, that the yearbook staff is training next years yearbook staff. Under the direction of Mrs. Kelly Burnett, this years yearbook is going to be one of the most sensational books ever published by students at Clarkston. And what's even better is they are trying and doing their best to improve next years book as much. As you will notice, many new changes are going to be in this years book, but these changes are ones that I am sure that everyone will agree helped to make this years book such a great hit.

The 1961 yearbooks will be here towards the last part of May.

SUMMER SCHOOL COURSES
OFFERED AT CRANBROOK

Developmental reading will be one of six courses offered at the 1961 summer school for high school students sponsored by Kingswood School Cranbrook.

Applications are being accepted for the six-week school which runs from June 19 to August 11. Eligible students are girls and boys grades 9 through 12. Courses are non-credit and are designed to offer stimulating skills to students at these grade levels.

Three sections of developmental reading are scheduled: from 9 to 10 a.m., 10:05 to 11:05 a.m. and from 11:10 to 12:10 p.m. Under the direction of Baldrige Reading Services, Inc., it is an intensive, individualized reading program to develop reading skills of rate, comprehension and concentration.

All other courses meet from 9 to 10:30 a.m. and from 10:45 a.m. to 12:15 p.m. They include

creative writing and college preparatory composition, taught by Mrs. Evelyn Lynch of Wayne Memorial high school.

Miss Virginia Robb of the Kingswood staff will teach a class in advanced mathematics for students who have studied at least two years of algebra. This will emphasize new concepts and fields in mathematics.

A fundamental course in typing techniques, taught by Mrs. Johanna Tait of Kingswood, and a class in French conversation and dictation complete the list of subjects offered.

Sizes of classes will be limited to allow for individual participation by each student. For information and brochures, contact the director of Summer School, Kingswood, MI. 4-1600, Ext. 48. After 4 p.m. and on weekends, the extension number is 55.

"OPERATION ABOLITION"
TO BE SHOWN

The controversial film on Communism entitled, "Operation Abolition," will be shown this Saturday evening, 8:00 P.M., in the East Kindergarten Room of the Clarkston Elementary School.

Calvary Lutheran Church has been fortunate to obtain this film through the courtesy of Mr. J. H. Shimmick of Pontiac Motor Division. It does not intend to wholly underwrite or subscribe to its contents, but it does believe that adult men and women can profit by viewing and briefly discussing this film which has produced so much controversy.

The film deals with the Un-American Activity Hearings in San Francisco and the student revolt to the Committee. It raises questions concerning Communism not only on a world-wide scale but especially within the borders of the United States.

An open invitation is extended to all who might like to view this film. Admission is free. We encourage persons to make use of this opportunity because it could be a very profitable evening.

DRAMATIC PINS

by Kathy DeArmond

Last Thursday, May 4th, the cast of Clarkston Junior High's first play "The Land of the Dragon" received recognition by the receipt of their Dramatics Club pins. The gold plated pin and guard will be a remembrance of the fun they had doing the play.

FIELD TRIP

by Kathy DeArmond

Last week students in Mr.

Grice's seventh and eighth grade classes took a field trip. They studied plant and animal life around the creek that runs under Church Street. They collected the plant and small animal life around the water and determined how old the creek is by the soil, the creek's depth and the speed of the water.

CHINA

by Margaret Keech

The seventh grade geography classes saw two movies; they both were on China. These movies were seen on Wednesday, May 3, 1961.

In both of these movies, China was shown to be one of the biggest countries in the world. There are almost four times as many people in China as there are in the United States. Peking is the capital of China. There is a North, a South, and a Central China. One of the most interesting things about China is that the people's power is man-power!

NEW HOME?
CHOOSE FLAMELESS
ELECTRIC
HEAT...

This White Lake family's glad it did!

Meet the Arnold F. Raglin family of
754 Bonita Drive, White Lake, Mich.

"Our home is as modern today as it was when built three years ago," says Mr. Raglin. "To make sure it stayed modern, we put in all the latest ideas and features we could find. At that time, electric heat was the most modern way to heat—and as far as I'm concerned, it still is and will be for a long time. We wouldn't have anything else—electric heat gives us clean, even heat without noise, odors or costly upkeep."

Only electric heat offers so many advantages

This family knows you can't beat electric heat for a new home. Because it's flameless, electric heat is the cleanest method there is—walls and furnishings stay clean with less care. And with electric heat, you get uniform warmth and comfort at a turn of a dial. There's no need to start up an entire system to get extra warmth in one room. Electric heat may cost more, but it's worth every cent in extra comfort, extra convenience. And Edison's Budget Billing Plan equalizes heating costs over the year.

If you're buying, building or remodeling, you'll find it worth while to check the many exclusive advantages of built-in electric heat. For all the facts, fill out and mail coupon below. We'll send you a copy of the free illustrated booklet "ELECTRIC HOME HEATING."

ask
Though it was expensive, my sister finally got her home furnished and decorated the way she wanted. Then her living room heater acted up, filling the room with smoke and ruining her brand new drapes, sofa, etc. Since she had only a basic fire policy, she is now out the cost of the new furnishings. Wouldn't an Extended Coverage Endorsement on her fire policy have covered smoke damage from sudden failure of a heating unit?

From where I sit ... by Joe Marsh

A "Tidy" Problem

Red Dolan dropped by the Widow Parker's last week to drive her to the depot. She was leaving on her annual month-long visit with her sister. "Land sakes the folks in this town are nice," she said. "You're the fourth person that's offered me a ride today and I've already arranged to go with Mrs. Phillips. But, Red, there is one thing you can do for me." "You name it," says Red. "Well," she replied, "in some diplomatic way would you let my nice friends know they won't do me a favor if they

come in and house-clean for me. They did last year and it took me three days to get things back to rights."

From where I sit, some folks start out with good intentions and end up interfering. We may not agree with the way our friends fix up their homes and they may not agree with our preference for beer with meals, but these are choices we each have a right to make. Respect for them is the biggest "favor" of all.

Trucks Create New Horizons

Michigan Week's theme — "Michigan's New Horizons" — ties in beautifully with truck transport and the service it renders the people of this State. For trucks do create new horizons through their ability to serve the most remote areas. They go wherever there are roads (and even where there aren't roads for that matter), carrying new products, new conveniences, new services to people all over Michigan... Yes, trucks stand ready to play a most important role as Michigan goes marching forward to new horizons!
