Mrs. Clyde Lehman, and her mother, Mrs. Della Neal of Northrup Street, left Friday for Dugger, Indiana, where Mrs. Neal will remain for several weeks visiting at her former home.

Mr. and Mrs. Al Kray have returned to their home on the Andersonville Road after being in Old Hickory, Tennessee, for two weeks. They drove south due to the illness of Mrs. Kray's brother, Lloyd Wescott. Mr. Wescott passed away while they were there and his funeral was held last Saturday.

A niece, Carol Wescott, accompanied the Krays home for a few days visit before going on to visit her sister in Cleveland.

The annual Waterford Community Church meeting was held last Tuesday evening following the Hyman Appelman Crusade. Annual reports were given and election of officers took place with the following results:

Church Council, 3 year term - Charles Maxwell and Hugo Magnuson. Trustees: Don Clapham and Ray Newmarch. Missionary Board: Henry Mehlberg and Frank Schultz.

Elected for 1 year. Treasurer, Albert Kray; S.S. Supt, Wallace Brown; Asst. Supt., James Hodges; Clerk, Elna Banghart.

A rousing vote of thanks was given for the work of the trustees during the building of the new church.

Mrs. Glenna Dugiud and her daughter Mrs. Kenneth Clark of Sylvester Street, spent Monday in Manchester, Ohio.

Mrs. Jack Hall of Waterloo Street entertained the Van Norman Lake Bunco Club at her home Wednesday evening. This club is made up of 12 neighborhood ladies who get together once a month. This was the last meeting until September when Mrs. Sarah Pieha will entertain the group.

Mrs. Beatrice Stevens of Fortune Street, who has been confined to her home with illness for the past two months, entered Ford Hospital Monday for further treatment and observation.

There were 34 present at the recent meeting of the Ladies Auxiliary at the Waterford Community Church. A miscellaneous shower was held honoring Miss Rosalie Farber, missionary candidate for 1 year. Miss Farber will be going to Costa Rica for language school, and then on to her mission field in Argentina. Election of officers was held with Mrs. Henry Mehlberg chosen as president. Vice-president, Mrs. David Mehlberg 2nd vice-president, and devotional chairman, Mrs. Carl Nilivard; 3rd vice-president and social chairman Mrs. W. K. Ryan; secretary, Mrs. William Banghart. Mrs. Earl Johnson and Mrs. William Barber are on the flower committee. For

the June meeting each member is asked to bring another person.

Bruce and Jackie Everett celebrated their birthdays with a joint party Saturday afternoon at their home on Clayton Street. Bruce was 6 years old on Saturday and Jackie was 4 on the 17th. The following young friends were invited to help enjoy the occasion; Gwen and Amy White, David and Bobby Miserez, Stevie and Jane Lervis, Mark and Dawn Fritz, Mark and Julie Aebersold, Sally Going, Wayne Snyder, Tim Walls, Brian Weil, Gary Schnitker, Bunny Allen, Susie Weber, Richard Everett, Dennis and Mary Lou Christensen, Debbie Scrivens, Kirk Tuson and Tommy Hammond.

Unchanging beauty is a theme of the Lesson-Sermon "Soul and Body" to be read at all Christian Science churches Sunday.

Included in the Bible selections will be these verses from Psalm 90: "Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the Lord our God be upon us; and establish thou the work of our hands upon us; yea, the work of our hands establish thou it."

One of the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (pp. 247,248): "The recipe for beauty is to have less illusion and more Soul, to retreat

from the belief of pain or pleasure in the body into the unchanging calm and glorious freedom of spiritual harmony."

FIVE PLACES HELD BY COLOMBIERE COLLEGE

Four Jesuit scholastics from Colombiere College carried off five places in a recent national contest for undergraduate students sponsored by Eta Sigma Phi,

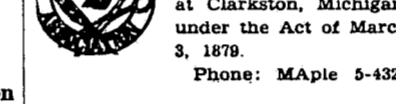

a national honorary fraternity of Birmingham-Southern College, Birmingham, Alabama. The contest, held in February of this year and open to all undergraduate students of Latin and Greek, had divisions in Greek and Latin translation, Greek prose composition, and an essay division on the subject of the "Essential Unity of the Aeneid." The Jesuit students at Colombiere entered each of these except that in Greek prose composition. The recently published results show that John P. Langan, S.J. captured first place and a prize of \$50 in the Greek translation contest. In the Latin translation contest Mr. Langan and Peter J. Harvey, S.J. were awarded second and third places respectively and prizes of \$15 and \$10. In the essay contest on the Aeneid, Anthony J. Prosen, S.J. took second place and \$35 and John A. Gallagher, S.J. sixth place and \$10. Thus these four Jesuits captured five out of fourteen possible positions in the contests.

Colombiere College is both a seminary and a college administered and staffed by the priests of the Society of Jesus. It offers a two year course in the humanities to all Jesuits of Ohio and Michigan who are preparing for the priesthood in the Society. Most of the students at the college will become teaching priests in

Telephone Lines

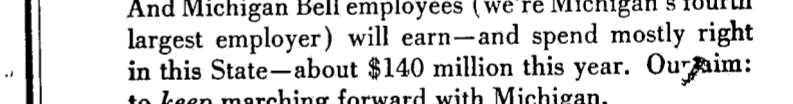

BY JOHN D. KAMEGO, Manager

"MICHIGAN MARCHING FORWARD"

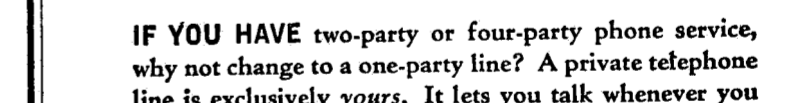

is the theme of Michigan Week this year, and all of us at Michigan Bell are proud to be right in step with it. For example, during the past 10 years Michigan's population has increased by 23 per cent and the number of telephones we serve has grown 62 per cent.

This year we're planning to spend nearly \$87 million on new construction to improve and expand service. And Michigan Bell employees (we're Michigan's fourth largest employer) will earn—and spend mostly right in this State—about \$140 million this year. Our aim: to keep marching forward with Michigan.

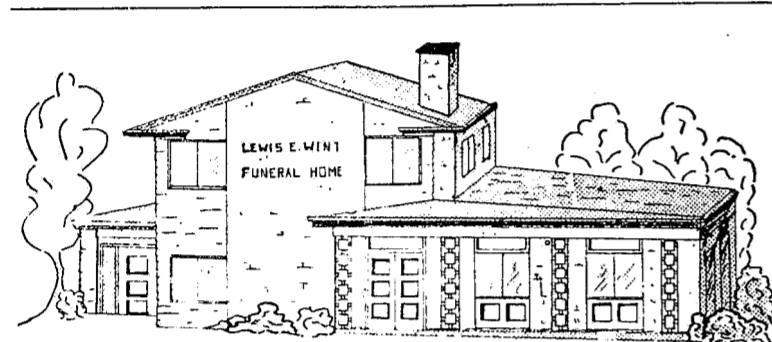

IF YOU HAVE two-party or four-party phone service, why not change to a one-party line? A private telephone line is exclusively yours. It lets you talk whenever you wish for as long as you wish, without interruption. Unlike a party line, it's always ready to make or receive calls. And in an emergency, you can use your telephone at once. You can enjoy the benefits of private line service for only pennies more a day. Just call us here at our business office.

MOST OF US hate to throw anything away that "might come in handy" some day. Your telephone company is like that, too. But Michigan Bell does more than keep worn-out things around. Such as broken shovels. Or damaged screwdrivers. Tools like these, where practical, are repaired and made useful again. That's just one of the many ways we economize—so we can keep giving you good telephone service at the lowest possible cost.

JEHOVAH'S WITNESSES TO HOLD MEETING AT UTICA

Jehovah's Witnesses of the Drayton Plains and Pontiac Congregations are prepared to attend a special three-day meet at Utica, Michigan, May 19-21, it was announced today. Coming from Mt. Clemens, Port Huron, Royal Oak, Bad Axe, Berkley and intervening points, some 1300 are expected to attend from 19 congregations invited. Some 400 from the 3 congregations expect to attend the conclave according to Mr. W. P. Strong, local presiding minister.

Mr. Strong said the purpose of the assembly was to further strengthen Jehovah's Witnesses in following in Christ's footsteps in their house-to-house missionary work that they might further aid good-will persons in the hope of God's kingdom and Bible understanding.

"The theme of the program, 'Walk in the Name of Jehovah Forever' from the Bible at Micah, chapter 4, verse 5," explained Mr. Strong, shows how security comes only from Jehovah God, through Christ Jesus and His kingdom on earth and not from modern science and weapons of war. This hope and confidence in God Jehovah's Witnesses try to convey to others."

The principal speakers on the program will be Mr. Nicholas Kovalak, Jr., District Supervisor and Mr. Edwin W. Kriefall, supervisor over the 19 congregations attending. Both are from the Watchtower Society's headquarters in Brooklyn, New York. Mr. Kovalak's address at the special public address 3 P.M. Sunday is "The Twentieth Century in Bible Prophecy".

Local members to appear on the program will be Edward Thornton, 3300 Elizabeth Lake Rd., Friday evening and Richard Baugh of 2876 James Rd., Saturday afternoon. Serving on committees at the conclave will be Erick Beitler of Crestview Rd., Clint Duck, Jr. of Parkway Rd. & Samuel J. Wallace, 517 Ease Pike St., all of Pontiac.

FARMER ENTERS CON CON RACE

O. F. Foster, manager for many years of Lakefield Farms for which he became nationally known as a breeder of fine Holstein cattle, has thrown his hat in the race to be the Republican candidate for Delegate to the forthcoming Constitutional Convention from the First Legislative District of Oakland County. He has not only been a successful farm manager but has owned and operated farms in Sanilac and Shiawassee Counties.

Mr. Foster believes in government that will retain the voice and interest of the citizen on the local level, a bicameral legislature with one body elected according to a regularly apportioned population basis to give fair representation to heavily populated areas and the other to protect the rights of the minority groups in less populated areas. He, also believes that the governor and other heads of state departments should be elected for four year terms at non-presidential fall elections.

Ora France Foster is a graduate of the University of Illinois where he was elected to the honor societies of Sigma Xi (an honorary scientific society), Alpha Zeta, and Scabbard and Blade. He was a member of the faculty of that university before coming to Michigan to manage a large livestock farm. He has been a member of the Farm Bureau since it was organized in Michigan and a 4-H Club leader. He is a Mason and a Past Patron of the Order of the Eastern Star.

O. F., as he is known by his friends, is married, the father of six children, five of whom are college graduates and the sixth will enter college this fall. Mrs. Foster and three daughters are school teachers or administrators. A fourth daughter has retired (from a position as vocational guidance director in the Indianapolis school system) to raise a

family. One son runs the family owned farm in Shiawassee County and the second son will graduate from high school this June.

Mr. Foster has never sought public office before but he believes he knows something of the problems of the educator, the businessman, the farmer and the laboring man with whom he has been closely associated. If nominated and elected he states that he will work for the best interests of all the people of Michigan.

CHARLES S. TOY CANDIDATE FOR CON-CON

Charles S. Toy, practicing attorney and farmer of Highland Township, Oakland County, Michigan is campaigning for election as delegate to the Michigan Constitutional Convention on the Republican ticket from the 1st Representative District of Oakland County, which comprises the 14 northern most townships of Oakland County: Addison,

Brandon, Oakland, Groveland, Highland, Holly, Independence, Orion, Oxford, Pontiac, Rose, Springfield, Waterford, and Whitelake.

Toy is 40 years of age and has been an active Republican for 40 years and maintains his practice of law in Highland Township where he also farms 300 acres doing the farming himself. A partial list of his activities include secretary of the Highland Township Zoning Board, member of

the Board of Directors of the Hi-White Boys Athletic Association, member of Michigan Farm Bureau and President of Highland Township Republican Club which he states, serve to give him an excellent and comprehensive background of experience into the needs of the Representative District 1.

He was graduated by Grove College, Grove City, Pennsylvania with a Bachelor of Arts degree, having majored in both

Political Science and History. While waiting to be called into active duty by the Navy Air Corps, he was selected as one of ten college graduates from the State of Pennsylvania to attend the Wharton School of the University of Pennsylvania on a scholarship to the Institute to work on his Master's Degree in Government Administration. While there he did most of his field work at the Township Government level.

Toy states that he is greatly concerned about the obvious intent of many announced delegates and other forces to limit or even eliminate township government and feels that this, along with the distribution of representation to the Michigan legislature, the basis for assessing taxes, and the allocation of funds among the various governmental units will be the major problems confronting the forthcoming convention.

THE EDITOR OBSERVES
 To measure the importance of the office of Secretary of the Student Government is almost impossible, as this office holds the responsibility of recording and carrying out important issues within the government. In reviewing the candidates, we must not only ask for excellent grades but also for a practical mind.

The candidate that I feel is best qualified for this position has several outstanding qualifications to her credit. She is known among the students of CHS, and so, the contact between the students and the Government would be strengthened. She has exceptional talents in the field of speaking as she just won Regional Honors for Clarkston High School in the Original Oratory section of the Forensic contest. This would naturally mean sure representation for the student body at the meetings.

Her experiences in this field include a course in typing, position as secretary of the Junior High Student Council and secretary of the local 4-H Club. Her activities are many around the school and community as she takes an interest in all around her. But with the experience of having responsibility placed on her shoulders, we realize that she best fills the position of Secretary of the Student Government for the 1961-62 school year.

With this record, it is considerably easy to highly recommend Carolyn Ruggles for this position.

ROCHESTER VICTOR BLOOMFIELD DEFEATED
 by Mike Howey
 Rochester proved to have a team that had too much of a hot start to be contained by Clarkston's J.V. baseball team. On Tuesday, May 9, they scored 12 runs in the 1st inning. Dan Craven of Clarkston started, but was soon relieved by Arnold Elliott in the first, who, in turn, was relieved by Paul Walker. Walker did a good job of pitching, as he limited the powerful, Rochester team down to 3 hits and 2 runs. His pitching could not fire up a Clarkston threat, as they lost the game by nine runs 15 to 6.

Tom Petrie continued his fine playing by hitting a long ball that enabled him to run the complete circuit for a homer. Neal Norgrove has the leading team batting average, which is .500.

Clarkston rounded out their record at 2 wins and two losses, because of a mix up at Bloomfield Hills, who did not make the scheduled game on Friday, May 12th. The result was that Clarkston won by forfeit.

JUNIOR-SENIOR BANQUET OF 1961
 by Mary Robbins
 Adele Lynady
 The Clarkston High School class of 1962 presented the Annual Junior-Senior Banquet on May 13, 1961 at 6:30 p.m. in the Clarkston High School Cafeteria.

Mr. Ralph Thayer, again this year acted as toastmaster for the evening. Ron Jyleen delivered the invocation. The menu, consisting of Fried chicken, mashed potatoes, green peas, hot rolls, jello salad, banana cake, and ice cream was prepared by the kitchen staff and served by 13 girls of the sophomore class.

ask

As any sportsman knows, hunting and fishing are not only fun, but expensive as well. In checking out my equipment for this season, I found I own guns, tackle, and related gear worth well over \$1000, which I'd be hard put to replace if they were lost or stolen. Is there an insurance available that will give me full coverage on these expensive items?

Immediately after dinner the program began with the welcome to the Seniors given by Junior Class president Chuck Funk. Linda Chapman represented the senior class with the response.

Mr. Jerome Wilford, editor of "Production" magazine and a resident of Clarkston, was the speaker for the evening, giving an entertaining and educational speech on the topic "Inner Space".

Cheryl Hipp and Bobo Christides followed with the Class Will, which brought laughs and shrieks of surprise to everyone. Some of the amusing wills were: Bonnie Buella willed her hair to Mr. McCurdy so he could transplant it; Charlie Ott willed his gymnastic ability to Mr. Varner so that when he makes a mistake he can bounce right back and Richard Momany willed his red hair to Miss Benjamin.

Janet Spangler rounded out the program with a farewell to the Seniors of 1961. Honored guests were Dr. and Mrs. L.F. Greene, Mr. and Mrs. Klingman, the members of the Board of Education, and faculty.

Responsible for the success of the banquet was the banquet committee, which consisted of: Ron Applegate, menu; Kathy Taylor, invitations; Paula Parker and Janet Spangler, assessments; Sneryl Muller and Barbara Bullard, programs; and Chuck Funk, Barbara Bullard, and Mary Von Koennen, directions.

FORENSIC MEET IS HELD
 by Marcie Fox
 On May 12, the Forensic Association of Clarkston High traveled to Farmington to participate in the regional forensic contest.

Of the four students participating, Clarkston was able to place two as first place winners.

In the field of Original Oratory, Carolyn Ruggles captured the meet with her oration of "The Man in the Balcony". The original oration is the writing and presentation of a speech concerning current problems. This is probably the most difficult section of speaking because the student is judge on the content of the speech, memorization, and interpretation.

In Declamation, which is the memorization and interpretation of a speech originally written by another person, Janet Tisch, a sophomore, took first place with her recitation of "The Despondent and the Dedicated". Declamation was opened only to ninth and tenth graders.

Clarkston certainly has a right to be proud of its Forensic Association.

BUSY! BUSY!
 The last week of May and the first few days of June are going to be the most hectic days at CHS. Most of the Seniors and their teachers will be running around with their heads cut off.

Beginning May 19 is the Student Government Convention, and following on May 24 is the Awards Assembly, which everyone looks forward to. May 27 marks an exciting day and night, the Prom. May 31 will roll around quite quickly as the Seniors march in with their caps and gowns on for the first time in the Senior Assembly.

Finally, the biggest of all events comes for the Seniors. Sunday, June 4, Baccalaureate exercises will take place in the Senior High School Gym at 3:00 p.m. Monday, June 5, at 7:30 p.m. the Seniors will say their last goodbye as a diploma is handed to each one.

GARDEN IN THE SPRING
 by Janet Tisch
 With a touch of today's popular branch of music, the Vocal Music Departments of the Junior and Senior High Schools will present to the public their annual Spring Concert on May 23 in the Little Theatre at 7:30 p.m.

Beginning the program in the setting of a garden, the Senior Chorus, under the direction of Miss Martha Jetter, will sing "Summertime", "Mood Indigo", "You Are Beautiful", and selections from the "Sound of Music".

Last year's production of "Peter Pan" was such a success that Martha Torr, who played Peter Pan, will sing two of the musical's selections.

Numbers from the ever popular "Wizard of Oz", will be sung by the Junior Chorus and, following them, will be the A Cappella Choir singing "Anywhere I Wander" and "Love Is A Many Splendored Thing". The girls will also do a version of "Chopsticks", adding a touch of humor to the program.

As a grand finale, the Senior Chorus will enter back of the stage and do the final number, "I'll Walk With God," enclosed again by the quiet gardens of the stage setting.

HIGH SCHOOL STUDENTS TO SEE PREVIEWS OF PROGRESS
 Have you ever seen a car run solely by the power of the sun? Or synthetic rubber manufactured in a pop bottle in 60 seconds? How would you like to understand how a jet engine works, explore the mystery of controlling tomorrow's space ships and listen to a radio which is powered by "liquid sunshine"?

These are some of the exciting moments in store for High School Students in Clarkston when Previews of Progress, the world-famous General Motors science show, is presented on May 22 at 1:30 in the Senior High School Gym.

Packed with exciting demonstrations of science's dramatic role in industrial progress under America's free economy, the 40-minute stage show is non-commercial and admission-free.

Presented by a two-man team and narrated in understandable, non-technical language, the show uses exciting showmanship to make science come alive for more than three million students and adults who view it each year.

Previews has won wide acclaim from educators and civic and fraternal organizations for its success in wakening both students and adults to the importance of science in daily life and the vital need for more skilled hands to carry scientific progress forward.

ON COMING EVENTS
 These are the following activities for the rest of the year: May 18, G. A. A. Banquet; 19, Student Government Convention; 23rd, Spring concert (choral); 24th, Awards Assembly; 26th, Dress up day and League Tennis; 27th, Prom and League Tennis; 29th, Sr. Assembly; 30th, No School; June: 2nd, Y-Teens Dance; 4th, Baccalaureate; 5th, Graduation; 9th, School's out.

GERBECK, LUNDY HIGHLIGHT CLARKSTON VICTORY OVER BLOOMFIELD'S BARONS
 by Dick Miskin
 Through the slugging of third baseman Ron Lundy, and the fine combined pitching of Tom Gerbeck and Bill Powell, Clarkston's Varsity baseball team pulled off a stunning upset on Monday, May 8, when they defeated, with comparative ease, the high-strung Bloomfield Barons, 5-1.

Bloomfield, which had faced every team in the league except Clarkston up to that point, had been rolling toward an undefeated season while perching on top in the standings with a 5-0 mark. But, with Gerbeck in complete control of the situation at hand through the bulk of the game and being provided with a substantial lead during that period furnished from the scoring punch of Ron Lundy, Don Marsh, and Frank Richmond, the Barons' title aspirations were delayed at least temporarily, as Clarkston darted off with a victory while shooting up into third place in the league at a 4-2 clip.

Coach Ken Battani substituted relief ace Bill Powell on the mound for Gerbeck in the seventh inning, when it appeared evident that the stocky right hander had obviously tired from the inclement weather conditions, which prevailed on that occasion. In his brief appearance, Powell disposed of whatever thoughts the Barons had in mind, like possibly staging a late inning rally, by checking the opposition in one, two, three order.

Clarkston chased starter Bill Bennett with a three run explosion in the third inning and from then on it was no contest. Jerry Powell led off the Clarkston third with a base on balls. After Ken Miskin forced Powell with a ground out, Ron Lundy unloaded a long triple into deep left field to score Miskin. Catcher Don Marsh then followed immediately with a sacrifice fly to drive home Lundy. When Mike Applegate slapped a single into centerfield, Clarkston's daring left fielder stole second base thus putting himself in scoring position. Applegate scored moments later when Wolfe shortstop Frank Richmond ripped a single in the hole between short and third. This outburst spelled doom for Bennett. His successor, John Augustan, allowed two runs in the fifth when he walked Jerry Powell and Ken Miskin and then allowed back-to-back singles to Lundy and Marsh.

The last Baron hurler, Allen Hinds, was by far the most effective. In his two innings of pitching, Hinds retired six straight Wolves, three on strikes. Bloomfield's only run stemmed from an error by Jerry Powell. Bob Vydicik, leading off in the sixth, was safe when Clarkston's first baseman muffed a throw from across the diamond.

After advancing on an infield out, Vydicik scored the first run of the afternoon for the Barons on their only extra-base hit — a double to right by Ed Miller. Clarkston finished with five

runs on ten hits, coupled with one error, while Bloomfield was one, six and one. Starter Tom Gerbeck got credit for the win while Bennett took the loss. Gerbeck now boasts a 3-1 pitching record while Bennett is presently 5-1.

 Friday, May 5, the first United States Astronaut was launched into space. The Jr. High students listened intently to the historic trip as it was broadcast over the intercom system.

The spaceman, Alan Shepard, said "What a beautiful view", as he was catapulted one hundred fifteen miles into space.

The students proved to be very interested in the space flight.

Some of Mrs. Foster's English students are beginning to realize just how long a thousand word story is.

WHY NOT?
 by Karen King
 School is almost over; there are only four weeks to go. You can sit in class and dream of the lovely cool blue water; of those long lazy days in the sun; and long hikes through the woods. But hold it! Take time out to remember there is still four weeks of school! Those semester exams are coming up. Why not make a last and faithful plunge to show your teachers you are ready for high school? See you there, I hope!

ENGLISH
 by Patricia Spohn
 For the last two weeks in English, Mrs. Foster's classes have been reviewing. Nouns, verbs, adjectives and adverbs are some of the review topics.

For some, this has been a struggle, but for the smarter ones, it has been quite easy.

The classes are now reading for a test on May 29, 1961.

On May 12, 1961, the short stories of 800 words or more are due. It will be quite thrilling to hear some of the ideas of the students.

when each specially picked piece was finished. Among these were: "Hayride", "May the Good Lord Bless", "Somewhere Over the Rainbow", (with a solo, contributed by Janice Hallman), "Aura Lee", and "One God".

Toward the end of the program, two very surprised and deserving girls were voted the persons that had accomplished the most during the year.

On the twenty-third, another concert will be held in the Little Theatre, combined with the Senior Chorus.

Everyone is invited to attend starting at 7:30 P.M. There will be a small admission charge.

WHAT IS IT?
 by Connie Papi
 On a recent survey, some students were asked what "sarcophagus" means. Some replies were as follows:
 Jenny Pike: "A kind of food."
 Linda Brodkorb: "A flower."
 Kerry Sanford: "I don't have the faintest idea."
 Ron Lippert: "A stomach full of sardines!"
 Linda Foote: "Some sort of bug!"
 Sue Munsee: "Some type of clothing."
 Bucky Hinkley: "A name of a magazine."

According to Thorndike, Barnhart dictionary "sarcophagus" is a stone COFFIN. Did you guess right?

SCIENCE
 by Patricia Spohn
 Mr. Grices' eighth grade classes received a paper with the title "Living Things". It was given to the classes May 12, 1961. The living things were divided into two groups.

The animal kingdom is divided into Phylum, Class, Order and Family in that order.

The plant kingdom is separated into Division, Subdivision and Class in that order, too.

To some pupils this paper was very interesting.

JAPAN
 by Margaret Keech
 The seventh grade geography classes saw a movie on Wednesday, May 10, 1961. The movie was on Japan. This movie lasted for fifteen minutes.

The six islands of Japan are rocky. The Japanese eat rice in place of bread and fish in place of meat.

In the springtime, the Japanese plant their rice. The rice grows in water. Every rice plant is planted by hand. At harvest time, the farmers cut the rice plants with sickles and knives.

The rice plant is the Japanese people's main crop.

The Japanese drink tea with

every meal and between meals. In Japan, almost two million babies are born in a year.

 In Mr. Wolven's room, six students have made the Honor Roll. They are: Danny Aldrich, George Leakas, Ursula Smith, Chryal Miller, Sharon Rolfe, and Judy Bellehumeur.

Mr. Wolven's class is planning a trip to Greenfield Village on May 19.

Many of the sixth grade classes are planning trips for the coming weeks. Some of the classes are: Mrs. Richley's class went to Greenfield Village last Friday. Mr. Wolven's and Mr. Pemberton on Greenfield Village. Students in Mrs. Henry's class plan to visit the Detroit Historical Museum on May 23rd. Mrs. Shelton's classes have not yet decided, but they are seriously considering the Detroit Historical Museum.

SIXTH GRADE ROOM 11 NEWS
 We have been so busy the past few weeks that we have neglected getting news ready for the reporters.

We are doing division of fractions and find them fun to do. In Science, we learned all the different ways that plants are propagated. We are carrying out some experiments showing how it is done.

Laura Moore has helped brighten our room by bringing a nice aquarium and gold fish.

Karen Crook has a tad pole in her aquarium. We are all waiting

to see it develop. Larry Salisbury brought in a terrarium that he had made. Our "Good Grammar Club" meets every Friday. We have a committee to watch for anyone making a mistake in grammar. The person making the mistake has to write it correctly one hundred times.

Susie Zamora has been absent a long time. She has had surgery twice in the past month. Hope you are soon back, Susie, as we miss your sunny smile.

One of our students, Caroline Giles, has won honors in her hobby, which is Archery.

Janet Warner has moved, so that makes one more vacant seat. We were sorry to have her move away.

We are now studying South American geography. We enjoyed seeing a film about the Amazon.

Laura Moore is on the sick list. Duane Flynn and Bill Walton have been absent with the flu. We are glad to see them back in school.

We are making plans to visit the museum at Kensington Park Monday, May 1st, was the beginning of our last marking period. We are working hard, trying to do our best, so we will be ready for promotions.

BUSY BROWNIES Troop 233

We are going to Fly Up May 18th, this coming Thursday. Today we practiced for our ceremony for Fly Up. We are Flying Up in the Presbyterian Church, on Maybee Road.

We are glad to Fly Up and we can hardly wait to Fly Up. Scribe, Christine Bryce

BROWNIES TO FLY-UP

Members of Girl Scout Troop 233 of Sashabaw Neighborhood, Independence Township, will leave their Brownie status behind them as they fly-up into Intermediate Scouting Thursday, May 18th, at 7:30 p.m.

The Scouts will make their three part Girl Scout promise and receive their new Girl Scout pins in a candlelight ceremony witnessed by nearly 100 parents and guests.

Also during the ceremony, which will be held in the Sashabaw Presbyterian Church on Maybee Road in Independence Township, the girls will receive their Brownie Scout Wings, which are worn on their new Girl Scout uniforms to indicate that they have been Brownie Scouts and have thus "flown-up" into Intermediate Scouting.

Members of the troop will serve refreshments to their guests after the ceremony.

The girls who will be flying-up are: Patty Bailey, Cynthia Brewer, Christine Bryce, Janet Cobb, Bonnie Hess, Kathleen MacGregor, Penny Norris, Kathleen Putsey, Sandra Van Horn and Valerie Warren.

They have been assisted in their preparations by leaders: Mrs. John MacGregor and Mrs. Richard Bryce, and by Troop Committee Chairman Mrs. Orval Warren.

MOTHER — SCOUT BANQUET LEADS COURT OF HONOR

Boy Scout Troop 126 held their second annual Mother and Scout Dinner on Monday, May 15, at the Methodist Church.

After the meal of roast beef, mashed potatoes, tossed salad, rolls and butter and cake, which was served by the Father's, the Court of Honor was held.

First on the program was the Tenderfoot Investiture by Scoutmaster Jack Frost and Assistant Scoutmaster Norton Redwood. The new Tenderfoots are: Ron Bailey, Brian DiPietro, Steve McGill and Fred Hall.

Jake Drake then presented the second class awards to Roger Erickson, Rex Rhoads, Mark Richard, Clay Wilson and Thomas Woodard.

THINK YOU HAVE Termites?

Stop their costly damage before it spreads

Termite damage usually starts in the understructure of your home and spreads to other parts. In homes built on concrete slab, termites enter through joints and cracks to attack carpeting and woodwork. The cost of making repairs often amounts to hundreds, and sometimes thousands, of dollars.

Insured Protection Plan
Why risk costly termite damage to your home? Phone or write us for a skilled inspection of your property and information on a new Insured Protection plan that will relieve you of all termite worries.

Write or phone Miller & Beardslee Lumber Co. 89 N. Holcomb St. MA 5-1311

These presentations were followed by the Installation of Patrol Leaders and Assistant Patrol Leaders.

Bill Richard then awarded the First Class insignias to Jeff Drake and Kent Powell.

Merit Badges were presented to James Eliason, Richard Funk, Jack Frost, Morris Hyatt, and John Jones. Next on the program was the Star presentation with awards going to Jack Frost and John Jones.

Finally the big event of the evening came around, the Eagle Scout Ceremony. The Eagle award, the highest honor in Scouting, was presented to James Chapman, James Eliason and Richard Funk.

This Saturday the Troop will

participate in the Clinton Valley Council, Manito District Show-O-Ree at the Pontiac Airport. Tickets may be purchased from the Scouts.
