CONSECRATION SERVICE HELD

The First Methodist Church of Clarkston was the scene of reverent consecration and high emotion last Sunday, when Bishop Marshall R. Reed, Resident Bishop of the Methodist Church, dedicated the beautiful new Georgian Colonial Church on Waldon Road.

The day's festivities began in the morning at 9:00 a. m. when over 800 members and children of the congregation followed the Reverend Mr. Leslie Williams, Flint District Superintendent, Mr. Everett Butters, Lay Leader, and The Reverend Mr. William J. Richards, Pastor, to the new church. Prior to the procession Mr. Williams, Mr. Butters, and Mr. Richards removed the cross and candles from the old Altar, and in the tradition of the children of Israel under Moses and the Covenant, the congregation was led by the Cross and candles where, with a sacred ceremony, they were placed on the new Altar. All the way down Buffalo Street and across Waldon Road the people were led in the singing of hymns by the former choir members under the direction of Mr. William Mansfield, Director of Music.

At three p. m. and four-thirty p. m. 1,123 people crowded into the new church for the two Consecration Services where Bishop Reed challenged the congregation with a sermon entitled, "From the Old House Into the New." The massed choirs of nearly 150 voices sang an arrangement of "This is My Father's World" under the direction of Mr. Mansfield. In a deeply moving ceremony Mr. Howard Huttenlocher, Chairman of The Building Committee, and Mr. Butters, presented a gold key, symbolical of the opening of the church, to Bishop Reed. With solemn ceremony, Bishop Reed then consecrated the church as a place of worship of Almighty God.

Assisting Bishop Reed in the service, besides the pastor, were Mr. Williams and Dr. Benjamin F. Holme, Executive Director of The Methodist Union of Greater Detroit under whom Mr. Richards began his ministry as Associate Pastor in Westlawn Methodist Church, Detroit.

The celebration of Consecration week continues this week. Listed below are the various Sunday School classes, teachers, and meeting places.

9:00, 10:00 and 11:15 a. m.

Nursery in the new Church General Room, for all babies from birth through 3 years of age. Teaching done only at the 11:15 time. Mrs. Harriet Bishop, Superintendent.

NEW CHURCH IN AREA

The newly formed Drayton Heights Free Methodist Church is holding services at the temporary location, Pine Knob Elementary School, 6020 Sashabaw Road.

The pastor, Thomas E. Dunn, is a graduate of Asbury Theological Seminary, Wilmore, Kentucky. Last summer he was the assistant pastor at the Pontiac Free Methodist Church.

Sunday School is held every Sunday at 10:00 a. m. with Paul Ragatz as superintendent. Worship services are at 11:00 a. m.

Plans are now in process for the construction of a new church building on the corner of Winell and Maybee Roads. Rev. Loyal H. Howison, pastor of the Free Methodist Church of Pontiac, is assisting in an advisory capacity.

Recently Rev. Dunn and his wife Barbara were honored at a surprise reception by members of the congregation. The Duns now reside at 5269 Drayton Road.

In Uniform

The service address of Gary Scott, son of Mr. and Mrs. Charles Scott, 5450 Marvin Rd., Clarkston, is as follows:
Gary Scott ENFA USN
A Division
USS Capricornus AKA57
c/o FPO New York, N. Y.

WOMENS CLUB NEWS

The first regular meeting of the Clarkston Women's Club will be September 28, at 8:00 P. M. in the Township Hall Building.

The speaker for the evening will be Mr. Tony Rogers, who will speak on Hypnosis in General. He will explain how it is used in medical, educational, and dental professions. Mr. Rogers stated he is going to have demonstrations for those in attendance that night.

Mr. Rogers attended Fenn College, Ohio, and U. of D.

All women interested in attending or membership are welcome!

Clarkston Locals

by Sylvia Seaman
call MApple 5-1895

Mr. and Mrs. Spenceley Butters and family spent the week-end with his parents Mr. and Mrs. Everett Butters. While here they attended the Consecration services at The First Methodist Church, with his parents. Spenceley and his family returned to Lebonon, Ohio, Monday.

Mr. and Mrs. Robert Kamrow, formerly of North Dakota were the guests of the Jack Watson family of Snowapple Drive last week-end.

Both Mr. and Mrs. Kamrow are teachers for the Waterford schools.

Wally and Bobbie Baumann of Plum Drive are leaving October 1st for Evergreen, Alabama. His business takes them away.

A going away party was given for the couple by Mrs. Frank Glowzinski of Plum Drive, last Friday night, September 15th.

A discount toy party will be given by Mrs. Frank Glowzinski of 6607 Plum Drive. It will be held in her garage, September 22, 23, and 24.

Mrs. Bisnett will make her home with her son and daughter-in-law, The James Leavers of Snowapple Drive.

Mrs. Bisnett is from Clawson.

Robert Klann celebrated his 9th birthday September 11th with four brothers and sisters, Robert is from Pear Street.

The people of Church Street have new neighbors. Mr. and Mrs. Lynn Jervis, and daughter Judy, formerly of Pontiac, have made their new home here.

Mr. Jervis is a teacher at Clarkston Junior High, while Mrs. Jervis teaches at the Senior High here in Clarkston. Little Judy just started kindergarten.

Randy Batchelder of Waldon Road returned to the Detroit Osteopathic hospital last week-end for his second eye operation. Randy is 3 years old.

Mr. and Mrs. Donald Turek and children Vicki and Randy, formerly of Clarkston, now of Rochester N. Y. who have been visiting Mrs. Turek's parents in Pontiac for the last few days, were visitors at the Kenneth Johnson home Friday afternoon.

Dan Craven of Wealthy Street celebrated his 15th birthday, with his family September 13th.

Clarkston Wolves Wallop Oxford; Take Season Opener 27-6

by Mike Howey
Head coach Tom Taylor and assistants Ralph Kenyon and K. Burnett must be proud of the Wolves as they started the 1961 football season by defeating the Oxford Wildcats 27 to 6. The Wolves had a certain spark about them on Friday night at Oxford that looks like victory throughout the season. The superb running of Willie Knox and Ron Bray; the outweighed Clarkston line opening holes big enough for a freight train; and the defense coming up with the big play every time, added up to victory.

Willie Knox continued his great running feats by racking up 122 yards in only six carries. He tallied up his first six points of the year. Ron Bray showed that fullback may be his position for a long time to come, even though he was injured in the fourth quarter. Ron ran over the goal line twice for his twelve points. Mike Applegate's fine ball handling from the quarterback's position had the opponents in misery throughout the game.

While the offensive line was outweighed by the wildcats, they proved their ability by giving the backfield men time enough to operate and room enough to go. They were said to be Clarkston's big weakness, but you can't move the ball on the ground like Clarkston did without good blocking.

Clarkston's defense held the aggressive Oxford team to only 29 yards in the first three quarters and only 106 in the whole game. The line kept constant pressure on the backfield, allowing the quarterback to complete only one pass throughout the game.

After the Wildcats had their game starting kickoff returned to the 47, they found that Clark-

Attention! !

Don't forget the public reception on Sunday September 24 at The Clarkston Conservatory of Music. Mr. and Mrs. Osrald Lemans, who were recently appointed to head the Ballet Arts of the Conservatory, will be introduced.

Fire Department

September 15 — 9:30 a. m. Fire
Dr. H. B. Yoh residence, 21 E. Washington Street. Minor damage to a pump motor.

September 16 — 3:30 a. m. Fire
Louis Gross summer residence, 4625 Woodhull Dr., Drayton. A gas leak filled the house with gas, resulting in a tremendous explosion. The home and furnishings were completely destroyed. Estimated damage \$20,000 to \$25,000. The Gross' had returned to their home in Detroit. There were no injuries.

September 16 — 4:15 p. m. Resuscitator
James Baird, Jr., 5330 Cecilia Ann, in need of resuscitator. Taken to General Hospital in the Went Ambulance.

September 18 — morning Fire
Assisted Oxford on a barn fire on Ray Road. Barn completely destroyed. Other buildings were threatened, but saved.

PUNT PASS AND KICK

Practice time is nearly over for the many boys from the Waterford area who will be competing Saturday, October 7 in the first Punt, Pass and Kick competition.

The registration deadline is next Monday, September 25. If you wish to participate register at Beattie Motors - don't delay. The public is invited to watch grade school boys aged 6 through 10 test their skills in punting, passing and place-kicking footballs. Entrants will receive one point for each foot the ball lands on either side of a center line.

Robert Lawyer, Director of Recreation who will be Director of Competition, said each ball would be marked at the spot where it lands, and that distances immediately would be measured by the judges. He pointed out that boys would be competing against others in their age groups only, thus preventing unequal competition.

In case of ties in the competition for the first, second and third place winners in each age group, the competition will be repeated by those boys. First prizes will be football uniforms, second prizes will be warm-up jackets, and third prizes will be footballs.

In addition to winning the football uniform first prizes, the most skilled boys in each group also will be in the running for an appearance at one of the home games of the Detroit Lions, when regional winners will punt, pass and kick in an elimination to determine the five National Champions. Scores from every P. and K. competition in this area will be compared, and the best competitor in each age group chosen for the elimination appearance at the Lions game.

Mr. Lawyer said that in the case of ties between boys in this area, additional tie-breaking competitions will be held to determine the regional winners.

"We may be back in another week to stage a competition for one of our boys who is tied with someone in another part of the state," Mr. Lawyer said. "If so, the same procedure will be followed -- he will punt, pass, and kick for distance and accuracy, and his new score will be forwarded to P. P. and K. headquarters for comparison."

The competition, which will culminate with the choosing of five National Champions who will be given a reception at the White House and attend the National Football League Championship game with their fathers, is sponsored by the Ford Div. of the Ford Motor Co., in cooperation with the National Football League.

Local sponsor is Beattie Motor Sales.

The Clarkston Farm and Garden Club is holding a Rummage Sale Friday and Saturday, October 13 and 14 at the Community Center.

The reason for the Rummage Sale is to raise money for scholarships for two local students.

Members will be going door to door collecting used articles, the week of October 9th. If you have any articles to donate please call MApple 5-4411 or MApple 5-3001. All donations will be appreciated.

CAMP FIRE GIRLS
The Camp Fire group of Clarkston, met on September 13, at Jill Samson's home.

Following are the newly elected officers: President, Jill Samson; Vice President, Nanette Giles; Treasurer, Sharon Strehle; Secretary, Sharrel Eastman; Reporters, Judy Lessard and Barbara Moore.

The group made plans to begin work on their vests and beanies.

CHURCHES FIRST ANNIVERSARY

This Sunday, September 24, Calvary Lutheran will take note of the fact that it has been holding Services in the East Kindergarten Room of the Clarkston Elementary School for one year. The first Worship Service of the new Calvary Lutheran Church was September 18, 1960.

To commemorate this event the Worship Service at 9:30 a. m. will center around the theme, "A Vibrant Church." After the Service there will be a Coffee Hour sponsored by the A.L.C.W.

At the first Service one year ago there were 92 persons in attendance at Church. The average attendance for this first year has been 111.

On January 22, 1961, Calvary Lutheran organized as a Congregation in the Central Conference of the Augustana Lutheran Church with 76 Adults and 81 children on the Charter Roll. As of this date there are 90 Adults and 94 Children on the Roll, with several more persons having indicated interest in future membership.

Probably the most exciting event of the coming year will be the construction of the first unit of the Church Building on the site just north of the Clarkston Village in Clarkston Meadows. The building Committee has been hard at work in the interviewing of Architects. It has decided to engage T. Neel Eubank, Associates, Flint Michigan. Those on the Committee are, Martin Guntafson, Chairman, Mrs. William Sharpe, Robert Krik, Leslie Purslow, and Charles Schlutow.

Calvary Lutheran and her Pastor, Paul A. Johns, look forward to further years of service to this area, and invites especially those who have no active Church affiliation to "Come and See" (Jn. 1:39).

BARN DRAMA
The Pete Rose's barn is probably the most versatile to be found in any countryside. Having fulfilled its intended role as shelter for farm animals and grain, its generous insides were rearranged to become a unique home for the Rose family. For a number of years the barn has also played a part in the lives of many local children as quarters for the Deer Lake Nursery School.

Now this same spacious barn has assumed still another role as rehearsal stage for the cast of "Light Up The Sky," the coming production of the Village Players. At this point, the actors and actresses are playing to a mute audience of sharpened-edged but silent critics - the saws, planes, and axes of Pete Rose's workshop. The barn has served them well and they will be ready to present Moss Hart's comedy on September 29 and 30 to a live and responsive audience in the Senior High School Theatre. Won't you join us then?

Tickets may be purchased from members of the Players, the Clarkston Sporting Goods Store or at the door.

Obituary
Donald L. Petiprin

Donald L. Petiprin of 30 Washington Street, Pontiac, passed away in his home September 18, at the age of 48. He had been in ill health for five years with a heart condition.

Mr. Petiprin is survived by his wife, Mary, five children, six grandchildren, two brothers and two sisters.

Mr. Petiprin died in state at the Lewis E. Wint Funeral Home, Clarkston, until Tuesday evening. He was then removed to the Huston Funeral Home, Caro, Michigan, where services were held Wednesday at 3:00 P. M. Burial was at Caro Cemetery.

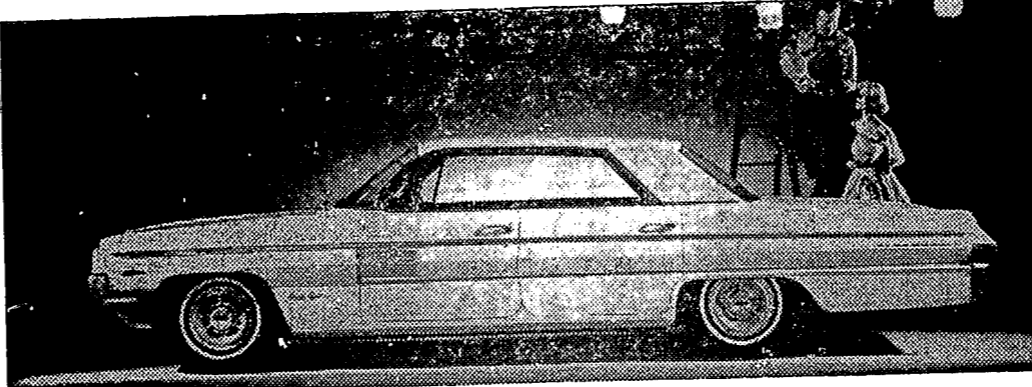

"BOBBINS" FROM BOB
by Robert Wilson

My main concern this week is to apologize to the Dixie Saddle Club, The O.E.S., The Farm and Garden club, and several other organizations whose articles didn't appear in last week's paper. The linotype (type setting machine) broke down Wednesday morning and the only thing I could do was run the type that was already set. I hope you understand and will bear with me during my very trying first couple of months as your new publisher.

Because of troubles with the press, the paper was not in the mail until Thursday afternoon. It's like the old saying goes, "When it Rains it Pours."

My wife and I are trying to put this paper out by ourselves therefore, it is sometimes Thursday before it hits the mail, so please be patient, you will definitely have your paper by Friday. Barring any more "big" problems, you will have your papers every Thursday.

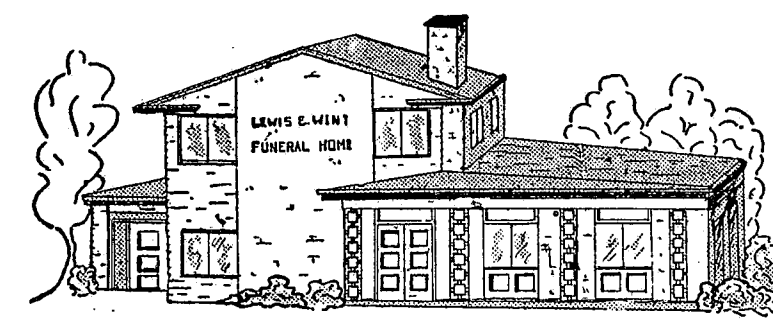

Thank you for understanding. See you next week.

With its advanced roof styling, the elegant, newly-introduced Oldsmobile 88 Holiday Sedan for 1962 (top photo, above) 1962 is shown in the lower photo. Performance and economy have both been improved in all models of this year's exciting new Oldsmobile. The 88 and Super 88 models are powered by a 330-horsepower Skyrocket engine and the Dynamic 88's Rocket engine is now rated at 260 horsepower.

PTA TO HOLD FIRST MEETING

The Andersonville PTA will hold its first meeting Thursday September 21, at 8:00 p.m. It will be a get acquainted session, so come meet your child's teacher. Plans are now being made for the Fall Festival which will be held November 11.

TUESDAY DUPLICATE BRIDGE CLUB MEETS

The Tuesday Duplicate Bridge Club played its regular session September 12 at the Community Center, with eight couples competing. Winners were: Pat Valentine with Helen Lake, Leora Ficus with Marcela Brodkord and Helen Gundry with Helen Kemps.

The Friday evening club played September 15 with five tables participating. Winners were Marian Gettel with Helen Honchell and Mr. and Mrs. Wm. Owen. Second place, The Dean Smiths and Dick Simpson with John Cey.

The next session will be played Tuesday, September 26 at 12:30 and Friday, September 29 at 8:00 P.M.

MARY CIRCLE MEETS

The Mary Circle of The Women's Society of Christian Service of The First Methodist Church of Clarkston met at the home of the chairman, Mrs. Robert Irwin, on Thursday of last week. Co-hostesses were Mrs. Ray Jewell and Mrs. Leland Masters.

A delicious luncheon was served at noon followed by a business meeting. Plans were made for a bazaar to be held in November.

The members were reminded that the general meeting of the Society would be held in the new church on September 21st. When the Society meets on October 19th, the Mary Circle will be host.

The next regular meeting of the Mary Circle will be held in the home of Mrs. Percy Lowery with Mrs. Leslie Greene and Mrs. George Perry as co-hostesses.

TWIN MOTHERS CLUB

The Twin Mothers Club will meet Thursday, September 25 at the 300 Bowl on South Cass, Pontiac.

Mrs. Marry Julien of Oxford will review the book, "The Twins — A Guide to Their Education", by the Mainline Twin Mothers Club of Bergen County, New Jersey. The book was written to help mothers give their twins a sense of individuality and independence.

There will be an election of officers for the coming year. Mrs. Ted Nowoski of Rochester will be in charge of the election.

M.E.A. HOLDS MEETING

The first meeting of the Clarkston Education Association was held on Tuesday, September 5, in the Little Theatre of the Clarkston High School. The meeting was conducted by Mr. Leigh Bonner who is the president of C.E.A. Two representatives from the Massachusetts Mutual Insurance Company discussed their insurance program.

BREAKFAST FOR NEW TEACHERS

The Clarkston Junior High cafeteria was the scene of a breakfast held on September 5 for the new teachers of the Clarkston Community School system. It was sponsored by the Clarkston Education Association. Among the guests present were Dr. L. F. Greene, superintendent of schools, and the principals of each school.

The committee for this event included Mrs. Florence Foster, chairman, Mrs. Anita Schultz and Mrs. Patricia Thomas. The other teachers who helped with this event were Mrs. Isabelle Crowley, Mrs. Harriet Anderson, Mrs. Martha Bennett, Mr. William Dennis, and Mrs. Doris Mosseau who is vice-president of C.E.A.

ALCW MEETING

The September meeting of the ALCW (Augustana Lutheran Church Women) of the Calvary Lutheran church in Clarkston was held at the parsonage, 6886 W. Church Street. The meeting was called to order by president Mrs. Lynn Wycoff. Up to date reports were made by several committee heads as to the progress of past project and activities. The project of this month's meeting was to paste Bible verses in the Swahili Lang. onto pictures cut from old Christmas cards. These cards will be used by our Missionaries in Africa as a teaching aid. Members also brought a number of commemorative postage stamps which are used to purchase meals for children in Hing King. When the evening work was ended, a delicious luncheon was served by this month's hostesses Mrs. Paul Johns, Mrs. E. D. Farrell and Mrs. Delwin Uban.

From where I sit... by Joe Marsh
"Lost And Found, Found, Found, Found!"
I ran one of the most important "Lost and Found" advertisements in *Clarkston* history for the Widow Parker last week. Seems she lost her purse with \$8 in it at the last town meeting. We figured it would mean a lot to her if it were found and returned. Well, the ad ran and the strangest thing happened! We received four envelopes—from Buck Hanson, Windy Taylor, Curly Rice and Slim Thomas. Each envelope contained a note saying the enclosed money was found in or around Town Hall. We returned the lost money with 300% interest! From where I sit, people are pretty wonderful. I see it in a lot of little things. For instance, my neighbor always has a cold glass of beer on hand when he invites me over for dinner—though he prefers tea with his meals and has for years. His gesture is not only generous but tolerant, too... both are valuable assets to be "found" in any community.
Joe Marsh

NOW! A NEW WORLD OF WORTH!

NEW FROM DIESEL TO DAZZLE!
'62 CHEVROLET JOBMASTER TRUCKS!
WITH NEW **High Torque Power**
Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models. There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16% per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rain'n-to-work, ready-to-save engines.
Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models. You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost

Friday, September 29th
 St. Michael and All Angels:
 7:30 P.M., Holy Communion, at the vicarage.

We can never be truly wise without God. Unless in all our search for knowledge we maintain a reverent awe at the thought of God and a healthy respect for His will and His judgement, we shall go astray somewhere. People today have, by and large, forgotten that reverence towards God and the keeping of His commandments still remain the whole duty of man, and the moral chaos we are in shows that we are paying the penalty for this forgetfulness. It is imperative

that each of us work towards the recovery of the primary place for the truths of religion in our homes and in our personal lives. Reverence for God is caught as well as taught.

The Episcopal Church in Clarkston invites you to join in its worship of God and in its Christian fellowship.

FIRST CHURCH OF CHRIST SCIENTIST
 Oxford, Michigan
 Sunday School 11:00 A.M.
 Sunday Service 11:00 A.M.

A substantial foundation for assured thought and action will be pointed out at Christian Science services Sunday.

Keynoting the Lesson-Sermon on "Reality" is the Golden Text from the Bible (Phil. 4):

"Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Eddy states (p. 275): "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle. Love. No Wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is life but the divine; no good is, but the good God bestows."

CALVARY LUTHERAN CHURCH

Now meeting at the Clarkston Elementary School
 Paul A. Johns, Pastor

THE EDITOR OBSERVES

One of the most exciting parts of school life is sports activities, held for the enjoyment of all. In the fall, students are caught up in the whirl of football season, and at the first game everyone is in the stands, cheering with the cheerleaders, helping their team on to victory. Win or lose, everyone is behind their team, but often, school spirit begins slipping after the first game.

The same number of students attend the games, but the cheering and yelling suddenly fades out. This cannot be blamed on the cheerleaders, since they are at every game leading the cheers and chants. The fault lies with the student body.

Many students will not follow the lead of the cheerleaders, because they are afraid someone will think they're silly. This attitude is passed along until everyone feels this way, and the cheerleaders find they are the only ones yelling.

The only way to overcome this thinking is to realize that the team needs your support, and nothing will give the boys more confidence than to hear the crowd in the stands yelling for them, backing them up.

FROM THE ASSISTANT EDITOR'S DESK

Has our school spirit been slipping? The answer can be found in our own student body.

Student spectator participation at games has fallen off the past few years. Students have only been backing their team when it was on top and playing well. There are those who think a Pep Assembly is just another way to get out of class. These students wouldn't think of learning the Fight Song, following the Cheerleaders, or supporting any school function.

The reason for this kind of attitude is hard to answer, but this state of hinking is somewhat a disease and should be treated as such. The cure is a simple one and takes only a little effort. Take a sincere interest in our teams and support them to the fullest.

STUDENTS RECEIVE HONORS

17 students at Clarkston High School have received certificates for their outstanding performances on the National Educational Development Tests, announced Mr. M. Mason, school principal.

The Certificates of Educational Development were awarded by Science Research Associates, a Chicago based firm serving education, industry and government through applied behavioral sciences. Recipients include: David L. Smith, Caroline Richmond, Gordon J. McInnes, Barbara J. Hagen, Marcelene Fox, David Pylman, Roger W. Pearson, Dennis P. Krithers, Robert J. Kriss, Carol M. Kieft, Bill M. Holcomb, Jon W. Gary, Ronald J. Fusilier, David B. Delongchamp, Dan R. Craven, Robert W. Cobb, Harry J. Chapman.

In March, 1961, according to Lyle M. Spencer, president of SRA, NEDT exams were administered to more than 366,000 students in 9th and 10th grade classes across the nation.

The certificates are provided for students scoring in the top quarter of each state's participants, by grade.

Prepared and administered by SRA, the NEDT provided scores in English, social studies, mathematics, natural sciences and word usage. The evaluation of educational strengths and weaknesses is particularly important at this stage of a student's scholastic career, the principal explained, so that school authorities, parents and the students themselves may make better decisions about future careers.

A special aim of the program, the principal added, is to enable parents and educators to provide realistic guidance and motivation for high school youngsters.

SENIORS WILL HAVE BUSY YEAR

By Susan Jackson

As usual, this will be the busiest year for the Seniors. It starts with the kick-off assembly for the Junior-Senior magazine sale, September 20. We will really have to work hard if we want to go on a Senior Trip, for this is one of the last selling projects to earn money for our trip, banquet

and graduation.

There are several things which are coming up soon, such as the dance we are sponsoring September 22, after the Milford game. Also, Senior pictures will be taken sometime in October.

The Senior Play is set up for November 16, 17, and 18. Tryouts for this will probably be sometime in October.

Spring will bring the busiest time of year for Seniors. Our long awaited Senior Trip will become a reality. When we return from the trip, there will be the banquet and prom to plan and enjoy. Then finally, our year of hard work will pay off with the coming of Graduation.

HIGH SCHOOL INITIATES HONOR STUDY HALL

By Alicia Lawrence

This week marks something new in our high school procedure: Honor Study Halls. These are study halls where the students are placed on their honor without a teacher in the room. This idea, though new at Clarkston, has been used in some high schools across the country.

Such a system benefits the students by giving them experience in accepting responsibility that they will have to face when they graduate from high school. These students are placed in a different room than the regular study hall.

It is a great privilege and honor to be selected by the counselors and study hall teachers for this new plan, and only a few are chosen. The students who have agreed to help us try this new system are: Diane Bogner, Judy Brown, Willie Knox, Peggy Phelan, Pat Snyder, Alan Augur, Barbara Armstrong, Bruce Banks, Leslie Hursfall, Larry Childress, Marty Halsey, Trudy Kobrak, John Koskela, Gordon McInnes, Janet Nelsey and Linda Soncrant.

There are many more honor students in our school, and in time they too will participate in Honor Study Hall.

SCHOLARSHIP QUALIFYING TEST TO BE GIVEN

All 1963 graduates of Clarkston High School who wish to enter the 1962-63 National Merit Scholarship competition should register now at the school, office Mr. Mason, principal, announced today.

The National Merit Scholarship Qualifying Test will be given in the school at 9 a.m., on Saturday, March 10, 1962.

Students who will graduate from high school in 1963 and enter college in the same calendar year are eligible for scholarship consideration in the 1962-63 Merit Program.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1.25 fee on the day of the test. Any interested student who is unable to pay the fee should consult the counselors.

Awards in the Merit Program are granted on the basis of intellectual merit, but student financial needs determine the amount of individual stipends. The stipends are renewable each year without further testing.

A student's performance on the qualifying test also provides him with information that is useful in career planning or in selecting courses in high school and college, Mr. Mason stated.

After the test, each participating student receives an interpretive folder prepared by Science Research Associates, the testing agency, that reports individual test results for comparison with scores of high school students across the country. Thus, Mr. Mason said, students can learn more about their educational strengths and weaknesses -- whether or not they plan to attend college.

In addition to the awards made by the National Merit Scholarship Corporation, about 130 business corporations, foundations, and individuals give scholarships through the Merit Program. A considerable number of other scholarship agencies utilize the services of NMSC in awarding their scholarships.

NMSC was established in 1955 through grants from the Ford Foundation and the Carnegie Corporation of New York. In six years of the program, nearly 5000 students have received Merit Scholarship awards and thousands of other highscoring students have been assisted in obtaining financial aid from other sources.

A'CAPPELLA MEMBERS CHOSEN

By Carol Gill

There were surprised looks on many girls' faces last Thursday afternoon when the A'Capella Choir members were announced. Among the fourteen girls chosen were five Seniors: Floy Kuklaw, Sandra Podger, Carol Gill, Carolyn Ruggles, and Kathy Taylor,

There were also nine Juniors selected: Martha Torr, Julia Wood, Joan Mansfield, Barbara Hagen, Mary Hinkley, and Blair Bullard.

Rehearsals for the choir will start September 27 at 3:00 P.M. and will continue every Wednesday afternoon thereafter.

The girls will participate in the Christmas Concert, the All-League Concerts, and other activities of the League Chorus will be held in Clarkston.

Qualifications for the choir members are as follows: they must have a voice that blends with others and an ability to sight read music and distinguish differences between notes and rhythms.

There is a reserve list of girls who have the qualifications of the choir and will be used if one of the members has to drop out.

MAKE A NOTE OF IT!

By Lona MacNeill

September 22 is the date of the first big Senior dance of this year. The dance will be right after the Milford game and will last until 11:30.

Members of the class have volunteered to work. Those helping to set up for the dance are Jerry Powell, Ron Zumburrun, Ron Bray, Tom Bass, Chuck Funk, Ron

Hetherington, Jess Rogers, Melvin Smith, and Colin Weber. Seniors who will be taking tickets at the door are Alicia Lawrence, Carol Gill, Denby Smith, and Joan Payne. After the dance Sue Jackson, Barb Bullard, Sheryl Miller, Mary Von Koehnen, Barb Buzzel, Richard DeBose, and Bruce Milton will be cleaning up the cafeteria.

For an admission price of \$35 stag or \$50 drag you can dance to top records played by the Informers. Now is your chance to see the friends you haven't seen all summer, so make a note of it and come to the Senior Dance.

SCHOLARSHIPS AVAILABLE AT MSU

Michigan high school students are eligible to compete in a new "scholarships for the creative" program being started at Michigan State University this fall.

The scholarships are for Michigan residents who are outstanding in the fields of art and sculpture, music composition, theatre acting, and writing. In combination with part-time work and loans, they may pay from partial fees to more than \$1,000, and they are renewable for four years.

"There has been much emphasis lately on scholarships for students interested in the sciences and

mathematics and engineering," Dr. Gordon A. Sabine, director of admissions and scholarships, pointed out.

"This new Michigan State program will give more balance to our total scholarship program by recognizing the talents of the highly creative boy or girl. In selecting the winners, we will pay less attention to standard test scores and more to the individual creativity the student has exhibited."

Students applying for regular MSU scholarships are urged to submit their applications before Christmas (the final deadline is January 15), but students applying for the new Scholarships-for-the-Creative must apply by October 15. The creativity scholarship applicants who are admissible to the University will then be given specific directions on how and where to submit their creative work.

The academic department concerned will conduct the creative scholarship competition. State finalists will be invited to the MSU campus for personal interviewing.

Special applications necessary for this new program are available in every high school in the state.

BUY - BUY - BUY

By Susan Jackson

The Junior-Senior magazine sale started yesterday, September 20, with a kick-off assembly first hour. The assembly was for the

purpose of introducing their salesman. He gave the students some tips on how to approach their prospective customers and the art of salesmanship. The students left the assembly awaiting with anticipation the meeting with their first customer.

The Seniors have a slight advantage over the Juniors as this is their second year of participation in the magazine sale. However, they realize that the Juniors will be quite a bit of competition.

For the Seniors, this is the last big chance to earn points toward their Senior Trip.

Best of luck to one and all!

GETTING INTO THE SWING OF THINGS

By Sue Munsee

The Pep Club held a meeting Wednesday, September 13, after school. This was the first meeting presided over by the new officers for this year. They are: Leslie Hursfall, President; Joan Mansfield, Vice-President; Marsha Booth, Secretary; and Blair Bullard, Treasurer. The Pep Club also has new sponsors this year, Mr. Schroeder and Mrs. Hanson.

At this meeting, dues were collected and memberships applied for.

Earlier this week awards from last year were given to the deserving students.

The club expects to be very successful this year, so all school-spirited students are invited to join.

CHEER! CHEER! CHEER!

By Connie Papi

For the past five weeks, Freshmen cheerleaders have been preparing themselves for the time when they will cheer their team on to victory. Although they won't cheer until basketball season, they are still having regular practice.

The cheerleaders, Donna Ventimiglia, Carol Sage, Nyla Lockard, Louise Sexton, Kerry Sanford, Vicki Fife, and alternate, Connie Papi, were chosen last spring. Louise Sexton was chosen captain by the cheerleaders and Carolyn Ruggles was chosen manager.

Being a Freshmen cheerleader will give the girls the experience they'll need to try out for Junior Varsity cheerleading next year.

Give the girls and team the confidence they'll need. How??? By attending the first game and CHEERING!

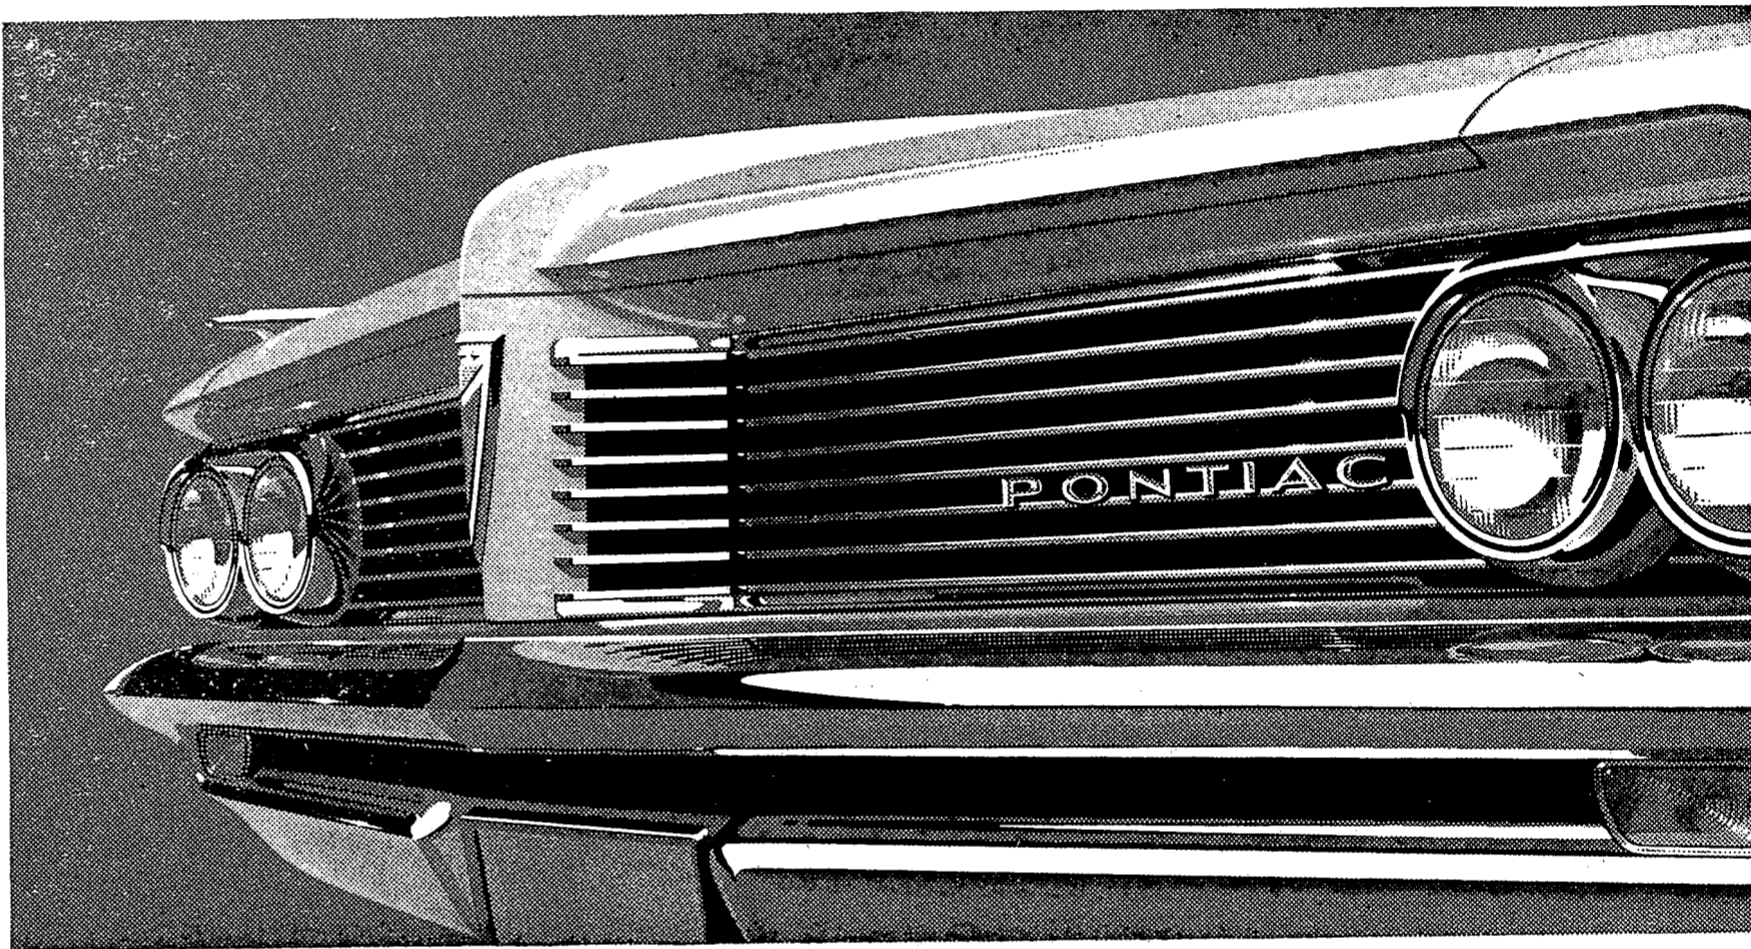

IT'S PICTURE TAKING TIME!

By Lon Howey

Once again the Juniors, Sophomores, and Freshmen will be "watching the birdie" while having their pictures taken. This event takes place Friday, September 22.

Manning the camera will be Mr. F. Fulkerson of the Supreme School Studios.

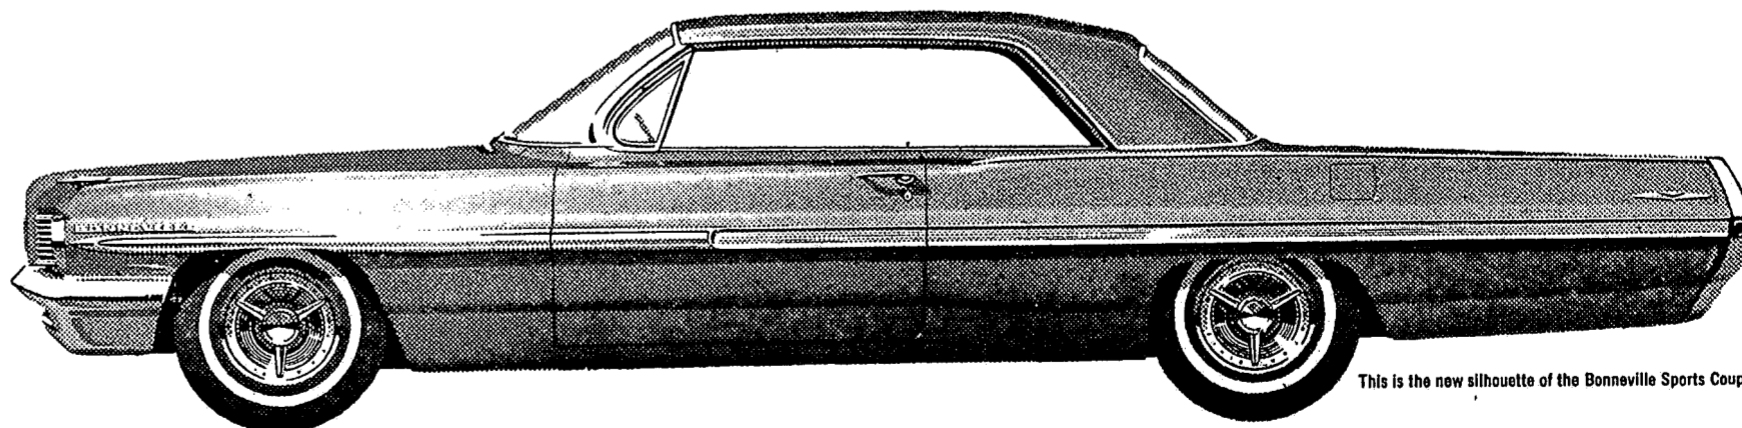

When the pictures are returned to the students, the traditional "swapping of pictures" will take place. Some will be happy with the finished product and, as usual, some will not.

When a car is this beautiful, you know Pontiac built it!

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. We've even cut the turning radius as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Come on in—and let a Pontiac show you its stuff while it's showing you off!

The '62 Wide-Tracks are here!

This is the new silhouette of the Bonneville Sports Coupe

telephone lines 

By JOHN D. KAMEGO, Manager

FIFTY YEARS AGO about 250 people met in Boston—birthplace of the telephone—to form the Telephone Pioneers of America. It's an organization dedicated to promoting ideals in the telephone business, and serving communities where Pioneers live. This fall nearly a quarter of a million active and retired members of this international organization—all having at least 21 years of telephone service—will celebrate the Pioneers' 50th Anniversary across the United States and Canada. The 6,000-member Michigan Wolverine Chapter will mark the occasion in special observances at nine state points. We salute the Pioneers on 50 years of accomplishment.

TO EACH HER OWN PRINCESS! Like to surprise the lady of your life with something lovely as a princess, yet practical as a telephone? Well, you can, easily and economically with the Princess phone! Mother, teen-ager or grandmother will love the Princess. It's little, it's lovely, and the dial lights up in the dark! Comes in five regal colors, too. Order hers from our business office today.

MICHIGAN REACHED A MILESTONE in its communications history on September 14. Michigan Bell installed its 3,000,000th telephone—an outdoor public phone—at a safety rest area on Interstate Highway 94, seven miles west of Ann Arbor. It took 65 years to reach our first 1,000,000th telephone; back in 1942. In 1952 we put in the 2,000,000th. Only seven countries outside the United States have more telephones than the 3,000,000 we serve here in Michigan. We're proud indeed to contribute to the progress of our State by serving its growing communications needs.

Junior High School News

THE THEATRE OF EDUCATION

By Star Bailey
Clarkston Junior High is like a big theatre. We the students are the actors. We have to study hard to learn our lines, which in our case is our school work.
Our prompters and script-writers are the teachers and there to guide and direct us, and sometimes give us that extra little push when we fall down on the job.
But like any big theatre there has to be people that work backstage, and in our school it is the custodians, Mr. Horsch, Mr. Mil-

ler, Mr. Boyns and Mr. Kerton. They are always in the background, never mentioned much, but they are the ones that make our school clean and attractive.
We should help them keep our school clean and attractive by not throwing paper, or litter on floors, not writing on desks, or sticking gum under chairs and tables.
So to make our school function like a well run theatre, we should help others do their part and remember to do our own.

HOME ECONOMICS CLUB

By Margaret Keech.
Miss Thayer said that we may

have a Home Economics Club again this year for the seventh and eighth grade. We will have it when every thing is settled. We will cook and sew.

OUR CUSTODIANS

By Sue Logan
If we were to go to Clarkston Junior High School in the early hours of the morning, we would most likely hear the swish, swish of a broom. As Mr. Glenn Kerton goes from room to room and door to door. Mr. Kerton's day begins at 6:30 every morning and ends at 4:30 every night.
Mr. Kerton has been with the Clarkston Schools as custodian for 10 years.
He is married and has 2 sons and 1 daughter, they too are married.
The Kertons live at 99 Main Street in Clarkston.

WHAT'S COOKING ? ?

By Sue Patnam
Delicious food is cooking for the students and teachers of Clarkston Junior High.
There have been no changes made in the kitchen.
The women that work in kitchen and their classifications are: Chief cook Mrs. Turk, Assistant cook Mrs. Green, Baker Mrs. Waid, other helpers are Mrs. Bates, Mrs. Putnam, Mrs. Henry, and Mrs. Davis.
The seven of them have a lot

of fun together. I think all of the students and teachers hnt take "Hot Lunch" enjoy the good food.

FOOTBALL IS JUST AROUND THE CORNER

By Marsha Haskins
On crisp fall week-ends, thousands of persons gather at athletic fields to watch two teams of young men carry, throw, and kick a pointed oval ball.
Friday night, September 22 at 8:00 p.m., Clarkston Varsity will play Milford at Milford High School football field.
Let's hope Clarkston has a good team this year, and comes out on top.

WHAT'S IN THE SHOWCASE WINDOW?

By Linda Bennett
As you have passed the showcase window you may have noticed the many attractive book covers on display.
These are just a few of the many interesting books that are in the library for our reading pleasure.
Mrs. Wilberg our librarian hopes we make use of the reading references that are available there.

WHAT ABOUT THE LIBRARY?

By Cathy Richardson
Many of the students have been wondering when the library is going to open. Well, the good news is that Monday, September 25th is to be the day.
Eighty new books have arrived for the library this year, both fiction and nonfiction.
One of the new books for girls is June Finds a Way. The author Emily Hahn tells the story of a frightened and lonely girl, who goes to a new high school and meets problems.
A book that boys might be interested in is The Winning Quarterback by Charles Verral. This book is, of course, about football, and the author, a sports authority gives the reader a "seat on the 50 yard line."
The science teachers will be interested to know there are many new science references,

magazines and books.
For those who are interested in stamp and coin collecting there are three new stamp books and two new coin books.
Mrs. Wilberg extends an invitation to everyone to visit and use the library.

BACK TO SCHOOL AGAIN

By Jeanne Shoots
Vacation time is over, its back to school again. Paper, pencils, teachers, books, No more shiny fishing hooks. Desks and classes, blackboards too, Help us in our work at school. We've had our fun all summer long.
So get to work and you won't go wrong.
Let's all do our best for the rest of the year.
Then we can end this semester with cheer!

MISS BETHUNE

By Jill-Olliffe
One of our new teachers this year is Miss Barbara E. Bethune. Miss Bethune graduated from Holly High School and then attended Michigan State University. For awhile she taught swimming. Miss Bethune is now teaching English in room 113.
She enjoys watching sports car's race and hopes some day to own her own Jaguar XKE sports car.

CALLING ALL JOURNALISTS!

By Karen Johnson
The first (or starter) meeting of the journalism club was held

Thursday, September 14th at 3:05 p.m. in room 112 in the Junior High School.
The purpose of the meeting was to find out who is interested in reporting school news. This is done for the benefit of the students, the school, and "The Clarkston News".
Mrs. Foster the director of the club was unable to attend the meeting this time Mr. Owens, Junior High substitute teacher took over.
He told the group (which was quite large) the questions we should answer when reporting news. Some of the questions are: who? when? how? where and for why.
He also told us some of the many categories we could report news in. For instance the display in the show case, plans for the gym classes, science work, or any other interesting news topic.
We would like to thank the owners of the "Clarkston News" for giving us this opportunity to learn about reporting news and

OUR FIRST WEEK OF SCHOOL

By Marty Tisch
With sighs of contentment, Junior High students completed their first full week of school September 15th. At last books have been purchased and class schedules straightened out.
For many of the sixth graders entering the Junior High, it was new and an almost terrifying experience.
The between class rushes and noon hours added to their dismay, but now they are adjusted somewhat and are beginning to feel that they belong here.
The seventh and eighth graders are even having a little trouble getting adjusted again after lazy summer days, and the weekend was welcomed happily. All and all we are glad to be back to the gang, the classes and the familiar routine.
