THE EDITOR OBSERVES

In our modern, democratic country, education has become a necessity. The trend today seems to be toward larger, more beautiful, and more modern school buildings, equipped with the most modern facilities.

In Clarkston, we are fortunate enough to have a modern high school with facilities provided for all. Each department, from the Science and Mathematics to the Commercial courses is provided with equipment used for the advancement students learning.

However, even with these opportunities presented to the students, we still find some who will refuse any attempts at making education easier and more interesting. Although this type of student is not numerous, they still lower the scholastic average of the school and thereby lower the possibility of advancement of student learning.

Certainly we, in Clarkston, can be proud of our high school and should strive in every way to make good use of the privileges granted us.

FROM THE ASSISTANT EDITOR'S DESK

It looks as though our school spirit may take an upward movement. Attendance at the games has been quite an improvement over the enthusiasm of past years.

However, all around school spirit still can be a great deal better.

For the amount of spectators that attended the games, the cheering was below level. It also seems that there are many students who are not yet familiar with our Fight song for it has always been a tradition to stand in honor of our school while the Fight song is being played.

These failures can be overcome by you, the student body. Clarkston students will have something to be proud of if these are overcome, for there will be no limit to our growing spirit in the years to come.

MEET ME IN ST. LOUIS

By Lona MacNeill

Yes, after an exciting and nerve racking try-out session, our Senior Play cast was chosen. It was hard to choose the players for the leading parts, since everyone who tried out was talented and could have played the parts well.

After much careful studying the following cast was chosen: Mr. Smith, Roger Richley; Mrs. Smith, Joan Payne; Rose, Sandy Podger; Esther, Sue Jackson; Prophet, Craig Smith; Katie, Diana Rounding; Mrs. Waughly, Suzanne Valentine; Ida Boothly, Floy Kulkaw; John Shepard, Rocky Bullard; Fred Gregory, Dave Smith; Lucille Pentard, Janet Spangler; Mr. Dodge, Melvin Smith; Mr. Duffy, Mike Applegate; Street Car Conductor, Roger Loop.

Behind the scenes, the students who will be helping Miss Weldon by working on committees are: Scenery—Colin Weber, Chairman, Shirley Bauer, Paula Parker, Jerry Powell, Jess Rogers, Norman Salvatore, Denby Smith, Kathy Taylor, and Barb Buzzell. Make-up—Sheryl Miller and Alicia Lawrence. Costumes—Ruth Broadie, Ron Weatherington, Sally Morgan, and Jim Wilson. Tick-

ets—Ron Applegate, Chairman, Shirley Brewer, Juliette Gadwa, Mary Von Koehnen, and Ron Zumbrunnen. Programs and Ushers—Judy Fife, Chairman, Agness Brewer, Marilyn Cornell, and Carol Gill.

Judging by the play and cast, "Meet Me In St. Louis" may prove to be the best Senior Play presented at Clarkston High.

VARSITY CLUB

By Mike Applegate

The Clarkston Varsity Club held its first meeting of the 1961-62 school year on September 25. The main purpose of the meeting was to choose officers for the year. Selected for the executive positions were: President, Jerry Powell; Vice-President, Mike Applegate; and Secretary-Treasurer, George Thomas.

The discussion then turned to the initiation of athletes who are eligible for membership. Roger Rolfe and George Thomas were appointed to set the rules for the initiation.

One of the club's first activities will be attending the Michigan State University-Northwestern football game, November 18.

FUTURE NURSES HOLD FIRST MEETING OF YEAR

By Kathy Poehlman

The Future Nurses Association met for the first time this year on Tuesday, September 26. Miss Cortis, the sponsor, read a list of rules concerning the election of officers, collection of dues, and what the club must do in order to retain membership in the High School Nurses Club of Michigan.

It was moved that election of officers begin, and after nominations were placed the candidates were put in office as follows: President, Mary Fusilier, Vice-President, Alice Olafson, Secretary, Carolyn Ruggles, Treasurer, Lynn Ellsworth.

The first Monday in every month was chosen as the time for future meetings. Other meetings will be held if there is sufficient need for them.

Suggestions for the year's activities were made, and trips to different hospitals to learn more about nurses' duties were considered. If at all possible, movies will be shown illustrating the training period and actual working duties of a nurse.

Also, speakers will be invited to address the group in the near future, and new reading material about nursing will probably be procured by November.

Anyone thinking of becoming a nurse will be welcomed into the club.

CLARKSTON J.V. DEFEATS MILFORD

By Chuck Clements

The Clarkston J.V., in a sensational game, upset Milford 32-6. The game played at Milford on September 26, was Clarkston's second victory of the season.

Both teams were slow getting started, and the first quarter passed with neither team having scored or made any large yardage gains.

The second quarter went as the first although John Williams made a 33 yard run to make Clarkston's first touchdown. Randy Armstrong ran the extra point to make the score, at the end of the first half, 7 to 0.

As the third quarter began, Clarkston received Milford's kick off on their own 33 yard line and brought it back to Milford's 11, where they fumbled the ball and Milford intercepted. In the next play, Milford's quarter ran into the end zone to make a pass but dropped the ball. Bob Jennings, a Clarkston tackle, fell on it for a touchdown. Duane Turk kicked the extra point.

Retaliating for this, Milford, in the next series of play, scored their first and only touchdown.

The fourth quarter was entirely dominated by Clarkston as they racked up 252 yards to Milford's 7 yards.

The period began with John Williams making a 64 yard run for Clarkston's third touchdown. Milford receiving Clarkston's kick off, ran to the 38, but lost the ball in the next play as Bob Jennings intercepted a fumble. Clarkston then moved the ball to Milford's 2, and Jon Gary, the quarterback, went up the middle for a touchdown.

In the next series of play, Milford, unable to make a first down, was forced to punt. John Hilliams caught their punt on Clarkston's 10, ran 90 yards for a touchdown, and ended the game.

Altogether Clarkston made first downs, made six fumbles, of which they recovered four, and lost only one yard.

DEBATERS GO TO FLINT

Cherly Cinader

Friday, September 21, the Clarkston High debate team attended a model debate at Flint, presented by the Flint Junior College. The topic debated was,

"Resolved: The Federal Government should equalize educational opportunity by means of grants to the states for public elementary and secondary education." This will also be the debate topic for this year.

Those who attended the debate were Mike Howey, Dave Smith, Carolyn Ruggles, Roger Pearson, Tom Wells, and Ron Fusilier.

Newly elected officers for this year are, Co-Captains, Carolyn Ruggles and Dave Smith, and Secretary-Treasurer, Roger Pearson.

The first debate will be held December 5 at Clarkston against Northville.

HISTORY DOWNS

By Cathy Richardson
Thursday Sept. 28, Mrs. Beattie's history classes had history downs. The class would separate into two groups who went to opposite sides of the room. Then Mrs. Beattie started calling off names and dates, and places such as St. Augustine, Balboa, and 1513. Mary Wertman was the historian of second hour. Third hour it was between Gale Getznan and Rod Allen. Fourth hour ten people were still standing when the bell rang!
The ten were: Dennis Pine, Hugh Macgregor, April Hetherington, Cathy Richardson, and Jill Olliffe, Gwenda Ostrom, Virginia Eliet, Gayle Limbaugh, Erine Morgan, and Stuart Cooney.

We also have a bulletin board display made by Anne Lausten and Sharon Hellman of Current News. We have spaces for world United States and Local news. News items are brought in by anyone in the class, reported and posted.

We are making scrapbooks for

We are sorry to have one of our pupils, Jay Cunningham, move away. He is a good student and we hope he will be happy in his new school at Atlanta, Michigan.
Kurt Maslowski was elected to represent our room in student Government.
Everyone enjoys the gym period. This is new experience for the sixth grade.

OUR LIBRARY

By Sue Powell
From the courtesy of Mrs. Turner, Mrs. Willberg has put a display of new books in the show-case that she has in the library.
She has made some rules that she would like us to follow:
1. All pupils in the school are entitled to use the library and to draw books.
2. Reference books, such as encyclopedias and dictionaries are to be used only in the library.
3. Reserved books may be borrowed for one period. Or at the close of school and should be returned before the first class the following day.
4. All other books may be retained for two weeks, unless otherwise marked. Vertical file material one week.
5. Two cents a school day is charged for each book or vertical file material kept overtime. No books will be issued until such a fine has been paid.
6. Injury to books beyond reasonable wear and all losses shall be paid for.

HOMEWORK

By Dawn Hicks
Homework is a problem that isn't new to us. We do not want to do it but it really is a must. If we do not do it we always get an E and when it's time for report cards it isn't pleasant to see (or feel).

The teachers always nag at us, they say, "Get your homework done, or you won't be very happy when your report card comes!"
We will always have it; there is no doubt to it. So if we have to have it we should buckle down and do it.
