by Chuck Clements The Clarkston J. V. lost their first game of the season, as they were defeated by Milford, 20 to 14. The game was played on October 3, under the lights in Clarkston.

Again Randy Armstrong's spectacular running accounted for much of the team's yardage. Of 52 plays Clarkston ran, he carried the ball 27 times, fith a average of 7 yards per carry.

The first half of the game be longed to Milford, as they made two touchdowns while holding Clarkston scoreless. Neither team however, were able to do anything with the ball until the next to the last series of the first quarter. Milford intercepted a pass on their own 37 yard line, and brought the ball down to Clarkston's 4. They then ran it

#### WORKING FOR GRADES

by April Hetherington Shelton's eighth grade lath class is prchably the only class in the building with so many grades in his grade book. He gives, what he calls, little games every Friday. But these so called little games, that he types out for the class, call for using the brain.

#### YEA!!! BUS DRIVERS

by Karen Johnson Many of the kids on my bus are complaining because of the way our bus driver is enforcing

Mr. Vincent, the new admincharge of the bus routes), is fects, polo, and arithrites, upon making these rules for our safety, so let's cooperate with him.

We (the students riding the bus) should also be more considerate to our bus drivers. I'm sure that if our bus drivers quit driving our busses we wouldn't like walking to school.

We also need to treat our bosses properly.

I would like to thank all of the bus drivers for being "bus drivers". Especially my bus driver, Mrs. MacDonald (Bus 41). Thanks a lot!

#### THE BOYS GYM CLASSES

by Richard E. Bass The boys seventh and eighth grade gym classes have been busy getting into shape this fall. On nice days they have been going outside and playing football and other sports. In bad weather they stay inside and do some indoor sports like: war, soccer, and varying games. They also do exercises such as: jumping-jack, pushups, deep-knee bends, etc.
