LIBRARY HOURS

Monday, Tuesday, Thursday and Friday, 3:30 to 8:30 p.m.
Saturday, 10 A.M. to 2 P.M.
By Lucia Wilford

While the Independence Township Library is gaining increasing recognition for its service to the community, little is known about the gifts to the library which have done much to make its service possible. Since its beginning, contributions of books, furnishings and money have added importantly to the assets of the library, and are a measure of the esteem in which this local institution is held by individuals and organizations.

A review of donations made in recent years reveals not only the range and variety of the gifts, but furnishes one more perspective on the offering provided by the library to the public.

One of the most interesting types of gifts is that of organizations which take this means of showing their appreciation for the services rendered by an individual. For example, the Rotary Annals "compensated" a local speaker by presenting the library with a magnificent volume, "The Church and the Fine Arts," by Cynthia Pearl Maus. The Clarkston Community Women's Club recognizes the services of its past presidents with contributions.

A major donor, among local organizations, is The Pioneers which places memorial volumes on the shelves of the library upon the death of a member. These books, which are marked with an identifying label, include, "My Forty Years with Ford," by Charles Sorenson -- one of the more accurate biographies of the motor magnates business life; "Lincoln's Emotional Life," by Milton H. Shutes, M.D.; Masters of Deceit," by J. Edgar Hoover; and "How to Retire and Like It," by Raymond P. Kaighn -- one of several books aimed at enrichment of the later years of life.

An interesting furnishing, provided by the Seymour Lake Extension Club, is the book truck now used by the librarian.

Donations by individuals often are gifts of money to be spent at the discretion of the Library Board. One of the most appreciated, and touching, was that of a little boy offered in appreciation of happy hours of reading. Fittingly, the Board purchased two children's books, one of them being, "Tell Me About Christmas," by Mary Alice Jones.

Other gifts by individuals have included the Webster's New International Dictionary of the English Language, and the World Book Encyclopedia, which are memorials. Other gifts, many of them memorials, are "Angel on Snowshoes," by Adele Comandini; "Life is Worth Living," by Fulton J. Sheehan -- donated by a one time resident of the community in appreciation of the library's service; "They Knew Jesus," by George Cornell, an anthology; and "The Boy Scout Encyclopedia."

"Flowers: East and West," by J. Gregory Conway, a basic reference book, is an example of a fitting contribution by an organization, the donor in this instance being the Clarkston Branch of the Michigan Division of the National Farm and Garden Association.

The Library Board is happy to work with any individuals or organizations who would like help in providing living memorials or tributes.

Drawing Classes To Begin Soon

The Village Friends of Art announce their 10 week winter session of classes in drawing and painting beginning Tuesday, January 30, 1962, from 7 to 9 p.m. The instructor will be one of the areas most outstanding artists, Mrs. Kate McLean. She will instruct mainly in basic drawing, in charcoal, pastels, and other media.

Classes will be held in the old Methodist Church in Clarkston. Enrollment fees will be \$20.00 for members and \$25.00 for non-members. Exact time will be announced later. For further information call Mrs. McLean OR 3-1126 or Mrs. Puskas at 673-5918.

Oakland County P-TA To Meet

The regular meeting of the Oakland County Council of P-TA will be held Tuesday evening, January 16 at the Pontiac Lake School, located at 2515 Williams Lake Road. Registration will begin at 7:30 p.m. and the meeting at 8:00.

Featuring a program on Civil Defense, Virginia L. Warren will speak on current survival plans for the schools. Serving as Emergency Welfare Coordinator for Oakland County and South Eastern Michigan, she will present a film on the conversion of Pontiac Schools into a receiving center for small refugees evacuated from other schools in a simulated attack.

Her welfare program for schools is set up to provide food, lodging, clothing, medical aid and registration for the youngsters.

In the film, older students operate radio logical monitoring devices to screen incoming people and packages. Relief organizations including the Salvation Army and the Red Cross donate food, clothing and assistance. School officials become survival administrators at the warning bell and children move smoothly to their assigned places as in a fire drill.

At the business meeting preceding the program, Mrs. Robert Cliff, Library Chairman, will give out information pertaining to the Oakland County Council P-TA Library Workshops planned for January 24 at the Donelson School.

Refreshments will be served by the Pontiac Lake School P-TA of which Mrs. Leland Wood is president.

Clarkston P-TA

The Clarkston P-TA will meet tonight, Thursday, at 7:30 in the Elementary School Building. The program will concern a Special Education Program in our Clarkston Elementary Schools.

A panel consisting of the following teachers will be on hand: Mr. John Jadwin, visiting teacher; Mrs. Huttenlocher, Speech Correctionist; and Mrs. Kulazewski, Special Education teacher.

Refreshments will be served by second grade Home-room Mothers.

Mothers Of Twins To Meet

Members of the Twin Mothers Club will meet at the United Fund Building in Pontiac, January 11 to hear Mrs. Flora Hommel speak on, "Childbirth Without Pain". Mrs. Hommel, a 1958 graduate of Wayne University College of Nursing, developed this method of childbirth after study here and in Paris, France.

Hostesses for the meeting will be Mrs. Dallas Hilton, Oxford, chairman; Mrs. Harry Meharg, Pontiac; and Mrs. James Cleary of Lake Orion.

Card Of Thanks

We wish to thank our friends and neighbors for their acts of kindness and sympathy during the bereavement of our beloved wife and mother Frances M. McCarrick.

A special thanks to Reverend Edmond Watkins, Father Phelan, Sharpe-Goyette Funeral Home and the Police Department.

Lakeland Players To Present Play

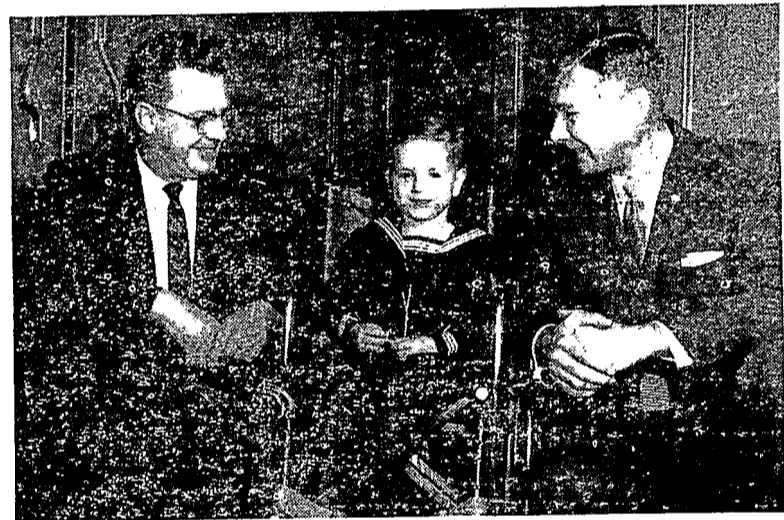

The Lakeland Players, Inc. will present their second production of the 1961-1962 season on February 23 and 24 in the Community Activities Building, 5640 Williams Lake Road. The Crucible, by Arthur Miller, is a tensely moving drama of the Salem witch purge of 1692 and could speak as truthfully of this century as it does the period in which the action occurs.

This show will use the familiar three-quarter round staging with an unusual use of lighting and props. Curtain time will be 8:00 p.m. with the price of tickets \$1.00.

Director, Peggy Rickard (Mrs. Robert) and Producer, Bub Crigger (Mrs. Harry) have announced the following cast for this highly dramatic presentation: Betty Parris, Barbara Coe; Reverend Samuel Parris, Bill Crisp; Tituba, Sarah Young (Mrs. R.); Abigail Williams, Peg Kurzman (Mrs. S.); Susanna Wallcott, Virginia Pattison; Mrs. Ann Putnam, Glenda Latozas (Mrs. J.); Thomas Putnam, Roland Hudson; Mercy Lewis, Nancy Fulkerson; Mary Warren, Kaye Grantham; John Proctor, Dennis Beach; Rebecca Nurse, Betty Appleton; Giles Corey, Jim Starnes; Reverend John Hale, Dick Joan; Elizabeth Proctor, Judy Packard (Mrs. S.); Francis Nurse, Verne Vaccara; Ezekiel Cheever, Bob Aiken; John Willard, Gary Montgomery; Judge Hathorne, Stanley Kurzman; Deputy-Governor Danforth, Stuart Packard; Sarah Good, Marge Aiken (Mrs. R.).

It is interesting to note that there are three husband and wife combinations in this play in addition to several faces familiar to Lakeland Player audiences and some new faces.

Open Letter to Clarkston Residents

January 9, 1962

The main purpose of the Clarkston Business Men's Association is community development. Our first project in this endeavor has been an attempt to locate Win Schuler Restaurants, Inc. in the Village of Clarkston.

There has been a great deal of rumor and discussion about this project. I would like to take this opportunity to present a few of the facts regarding it.

I am sure that there is little doubt in anyone's mind, but that the name Win Schuler means the finest dining available, not only in the State of Michigan, but in the nation as well. For the eighth consecutive year Win Schulers have been selected by Holiday Magazine for their highest dining award. We should be flattered indeed that this organization desires to locate in Clarkston.

The Village of Clarkston stands to gain much from this location.

An attractive early-american styled building would stand north of the village parking lot. The estimated investment of the Schuler organization in this location approaches half a million dollars. The business would employ from 100 to 200 local people. It is expected that this would mean upwards of \$600,000 a year in additional business in the Village.

I should also like to say just a little in generalities about this type of business. Food is one of the most rapidly growing industries. It is an industry which employs many local people. It consumes much locally produced materials. Visitors from outside spend money for other things. It is not dependant on any parent industry and does not have shut downs. It can adjust its employment to the necessities of increasing or decreasing patronage and thus be the most stable kind of business.

Methodist W.S.C.S. To Meet

The Women's Society of Christian Service will hold its regular meeting on Thursday, January 18, at 1:30 p.m. in the old church.

Mrs. Charles White will be in charge, and has arranged to show a color movie, in sound, concerning the Mission of the Church in Latin America, entitled "Little Man Stands Tall."

A violin solo will be played by Mrs. Shirley Thorpe.

Members of the Gertrude Atkins Circle will hostess the coffee hour following the meeting.

reality it is necessary that the registered voters of Clarkston support it. You will have this opportunity on March 12th. It is essential that you vote yes on the referendum regarding "the sale of spirits (in addition to beer and wine) for consumption on the premises in the Village of Clarkston, Oakland County, Michigan."

Make sure that you are registered to vote in the Village, if you are eligible. You can check this with the Village Clerk, Ralph Thayer or with Charles Robinson in the Bank.

If you have any questions regarding this endeavor please feel free to discuss it with any of the members of the Clarkston Business Men's Association who are wholeheartedly supporting it.

Sincerely,
Keith Hallman, President

"BOBBINS" FROM BOB

by Robert Wilson

As you can see by the above article, the Business Men's Association is trying to put Clarkston on the map. How? By working hard to bring one of the finest, if not the finest restaurant yours truly has ever dined in, to Clarkston.

If you don't know what I mean by putting Clarkston on the map, then just stop for a minute and think! What comes to mind when Detroit is mentioned? Automobiles! Traverse City? Cheries! Mackinac? The Straights! Clinton? The Woolen Mills! Grand Rapids? Furniture! Marshall? Schuler's! So you see, if Schuler's was to come to Clarkston, when Clarkston is mentioned, one would automatically think of Schuler's. And, as the town continued to progress, it may also be known as the Colonial Village, due to the colonial architecture of a vast majority of the homes, shops, and even the churches. My family and I fell in love with this town the first time we saw it. One feels so welcome, just driving through the village.

You and I realize what a wonderful town our town is, but it's going to take a large organization like Schuler's, to bring other people, such as business men here to see and possibly live here.

This is only the first step, but it will be a giant step in the direction of progress. Let's all get behind these men and work hard to better our town.

Alpha Delta Kappa Sorority

CHEVY II WINS AWARD FOR ENGINEERING EXCELLENCE !!!

This is the Nova 400 Sport Coupe, just one of 11 Chevy II models you can pick from.

The men who know cars best put Chevy II to the test. And, after they had compared it with the rest of the '62 crop, the editors of *Car Life* magazine picked Chevy II for their coveted Engineering Excellence Award. Why? Here are some of the reasons in the editors' own words: "The Chevy II, in either 4- or 6-cylinder form, represents an important development in the American automotive field. The car is maximum transportation at

minimum cost..." And throughout the editors' reports on the engineering and road testing you'll find accolades like "easy maintenance"... "long wearing ruggedness"... "simple elegance"... "reasonable size"... "delightful car to drive." Get the full story in the February issue of *Car Life*. Better yet, see your Chevrolet dealer. See for yourself why luxury and low price have never been more beautifully blended!

"Sacrament" is the subject of the Lesson-Sermon to be read. It will lay special emphasis on commemorating the unselfish life of Christ Jesus by following his example.
The Apostle Paul's advice to Timothy constitutes the Golden Text (1 Tim. 4): "Be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (p. 4): "What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds. To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that He has done."

DAVISBURG LOCOS
Mr. and Mrs. Kenneth Aldrich announce the engagement of their daughter, Beverly, to Glen Gamrat of Lewiston, Maine. A March wedding is being planned.
Mr. and Mrs. Ralph Guthrie attended a Christmas family gathering at the home of Mr. and Mrs. Max Gardner at Lansing. Over the New Year's holiday week-end they were hosts to Mr. and Mrs. Robert Shively of Freeland. Other visitors were Mr. and Mrs. Ralph Guthrie, Jr., of Okemos.
Mr. and Mrs. Vern Darlington and son of Wixom and Mr. and Mrs. Karl Jubelt traveled to Willow Run Airport Saturday where they met Miss Karleene Jubelt, United Airline stewardess. She was able to take them aboard the jet airliner she was serving between flights. The Darlingtons and Jubelts spent Sunday and Monday at the Jubelts' cabin at Luzerne.
Sunday guests of Mr. and Mrs. George Prose were Mr. and Mrs. Richard Clark and daughter and Mr. and Mrs. Charles Prose and daughters of Penton.
Mr. and Mrs. Howard Chanter entertained Mr. and Mrs. Kenneth Young of Holly, Mr. and Mrs. Ed VanLeuvan, Mr. and Mrs. Fred Kramer and sons, Mr. and Mrs. Bill Kramer and family, Arthur Lowden and Mrs. Blanche Lowe at a family party on New Year's Day.

Robert Barnes and son Douglas attended Ham Radio School in Pontiac Tuesday evening. They attend the school once a month.

Jerry Samuel, son of Mr. and Mrs. Ted Samuel, left Willow Run Airport for California Tuesday.

Mr. and Mrs. Gordon Tower and family were Saturday night supper guests of Mr. and Mrs. Loren Tower. Monday evening visitors were Mr. and Mrs. O. Z. Watchpocket and sons of Drayton Plains.

Mrs. Grace Walls is a guest of her son-in-law and daughter, Mr. and Mrs. Ralph Lowes at Fenton.

Members of the Springfield Township Fire Department will be hosts on Tuesday, January 16 to the Northeast Oakland County Firefighters Association at the Masonic Temple. After dinner a representative of the Detroit Edison Company will speak to the group.
A recent houseguest of Mr. and Mrs. Lewis Hutchinson was Fred Hutchinson, uncle of Mr. Hutchinson. A former resident of Davisburg, the elder Mr. Hutchinson now resides in the Veterans' Home at Grand Rapids. He was very happy to renew acquaintances in Davisburg. This was the first meeting of the Hutchinsons in twenty-three years.

The Reverend L. Lear called on the Reverend Robert Searles, pastor of the Cass City Methodist Church, at Ford Hospital in Detroit Friday. Mr. Searles is a former pastor of the Franklin Community Church.

Mrs. Vern Tower will entertain the Bertha Bell Past Matrons' Club January 17. Pot-luck dinner will be served at noon.
Davisburg students at the Holly Area Schools had a holiday from school Friday due to the icy roads. Expecting another holiday on Monday, some of them were quite disappointed when roads proved passable.
Something which might prove interesting to all parents of school children is the fact that the county road commissioners are not responsible for deciding whether there will be school or not due to bad road conditions. All they do is report the conditions of the roads when called by the schools. The final decision rests with the school authorities.
Miss Mary Jean Schoenhals has moved to Flint where she attends the Flint branch of the University of Michigan.

Waterford Locals
Word has been received from Mr. and Mrs. August V. Jacober, who recently left to spend the winter in Arizona, that they arrived in Phoenix as scheduled and had a good trip all the way down, missing all the reported storms enroute.

Mr. and Mrs. Alfred Beebe of Van Syckle Street attended his sister and brother-in-law's 25th anniversary celebration in Fenton on New Year's Eve.

Bruce Everett 6 year old son of Mr. and Mrs. Ray Everett of Clayton Street, has been ill with tonsillitis and now has the red fashioned "hard" measles.

Mrs. Jack Hall entertained the Waterford 500 Club at her home Tuesday evening. Mrs. Louella Beedle who has been ill and in hospitals for the past four months was able to re-join the group. Mrs. Joseph Helman will entertain the club for their February gathering.

The Waterford Womens Club will meet Thursday evening, January 18th at the C.A.I. building. FROM ASSISTANT EDITORS DESK

The Christmas season and New Year parties are over, and once again it is time to put our noses back to the grind. As we all know, semester exams are coming very soon. I'm sure that we realize the cramming involved on the night before one of these exams.

The school counselors have told us, a great many times, the problems involved in studying to hard on the night before exams. The time to start studying and reviewing is NOW!! If you put yourself out for just a short while you will be in your favor when test time comes along. This is good advice. If it is taken and used in the correct manner.

The correct way is this: At night, when you seem to have a few moments of spare time, pick up a text book and just look it over. You know you may come across something that interests you and causes you that certain topic. Skimming through your books could show quite an improvement, or you could start on a certain chapter every night. Browse over and out line the material. Then when tests come you have something to study.

Another good way to study is to self-test yourself. If you find it easy to cheat, ask your parents or a member of your family to help you review and study for your exam.

By using this advice and really studying for your exams, you can be sure that you won't have much trouble when the tests arrive.

RESOLUTIONS ANYONE?

By Lon Howe
 Not too long ago we celebrated the arrival of a New Year. Many good times were had by most everyone. An old New Year tradition is the making of New Year's resolutions. Some resolutions are kept but most are broken. The resolution to go on a diet lasts for about 3 weeks and the one to study a certain time each night usually lasts until you are asked to go skating, bowling, or skiing. Have you made any resolutions yet?

I'm interested in discovering what kind of resolutions are made at our school. If you have made any resolutions, jot them down on a piece of paper and give them to any newspaper staff member. Also put down how long you think they will last. If your resolutions are interesting you may find them printed in the High School News.

The Newspaper staff would like to wish you a HAPPY and PROSPEROUS New Year.

THE CARE DRIVE

By Sue Munsee
 Starting January 2 the Student Government sponsored a CARE drive. The drive will last two weeks. It is being held in the same fashion that it has for the past two years, that is in class competition. Each class is trying to see who can raise the most money.

As of January 4 the scale was as follows: Freshmen, \$23.11; Sophomores, \$11.72; Juniors, \$15.88; Seniors, \$10.38.

The Student Government hopes that the CARE drive for 1962 will be as successful as it has been in past years.

"WHO'S WHO"

By Connie Papi
 Two Freshmen were selected for Who's Who this week, they are, Sue Hampshire and Randy Armstrong.

Sue, commonly known as "Spots", lives at 6415 Sunnydale. Her parents are Mr. and Mrs. William Hampshire.

Sue likes to take part in school activities. She likes sports and likes to attend basketball games. She is an active member of Future Homemakers of America and Future Teachers. As well as school activities she also has a hobby, ceramics. She is always happy and has a kind word for everyone.

Randy is the son of Mr. and Mrs. Leo Armstrong of Allen Rd. His main interest is sports, a natural for he was on our J.V. football team this year.

Randy was elected as the Treasurer of the Freshmen class in October of last year. He has become well known throughout the school. The smile on his face and a cheerful hello helps him hold the friendship of his classmates.

MYSTERY PERSON

By Betty Harris
 The mystery person for this week is sixteen years of age and a height of five feet 7½ inches. He has brown hair and brown eyes.

Like many other boys, Mr. X enjoys tinkering with old cars.

He likes to swim and play basketball.

He thinks Clarkston is a pretty good school with very good sport activities!

Do you know the mystery person? To find out read next weeks Clarkston High School news.

Last weeks mystery person was Donna Ventimiglia.

G.A.A. ACTIVITIES

By Connie Papi
 All G.A.A. members can plan on being busy for the rest of the year.

For the next few weeks the girls will be finishing their basketball tournaments. When this is completed they will play recreational games such as badminton and table tennis. They also are planning on roller skating.

Spring will bring such sports as softball and tennis. They also are planning on going on hikes and campouts. Another activity planned for the spring is the annual mother and daughter banquet.

The Girls Athletic Association has proven to be a prosperous and worthwhile organization.

GYMNASTICS AT A START

By Connie Papi
 The first meeting of the Gymnastics Club was held on January 4. It was decided that meetings would be on Monday nights from 7:00 to 8:30 p.m.

The activities planned for this year are some what as they were last year. That is, they will be working on the mats, trampoline and also tumbling. Another activity will be putting on demonstrations of their tumbling half time of basketball games.

All students interested in the Gymnastics Club are invited to join by contacting Miss Ruesing.

Teen-Agers Add Lively Lift To New March of Dimes Drive

Slave auctions in this Civil War Centennial Year?

It can—and does—happen here, with the flower of American youth on the block.

But in this century, there's a difference. Now it's all in a good cause. Members of the New March of Dimes Teen Age Program (TAP) auction their services to the highest bidder among local merchants. The money goes to support The National Foundation March of Dimes attack on birth defects, arthritis and polio.

It's all part of TAP members' lively approach to volunteer community service. They also sponsor walkathons (shades of the Thirties!) in which teams from rival schools move toward the finish line as dimes are contributed. They dance for dimes at casual sock hops and formal balls, man concessions at school sports events, and hold community car washes.

Through such ingenious fun-for-funds projects, TAP's raised nearly three-quarters of a million dollars during the 1951 March of Dimes.

For the 1962 New March of Dimes in January, tens of thousands of the youthful volunteers are literally "on TAP" in more than 75 per cent of The National Foundation's 3,100 local county chapters, active TAP committees are determined to hit new highs in fun as well as funds.

Adult advisors who work with TAPs point out that underlying the outward frivolity of the teenagers' projects is a deep awareness of the need for increased research and progress in the fight against crippling birth defects, arthritis and polio. During the year, many youngsters assist in local patient services by reading to disabled children, writing letters for severely crippled arthritis or working as hospital aides.

A prime year-round responsibility of TAP members is distribution of information about National Foundation Health Scholarships to students in high schools and colleges. Each year, more than 500 four-year scholarships with a full value of \$2,000 apiece are offered for study in medicine, nursing, physical therapy, occupational therapy and medical social work. TAP members know the desperate need to reduce the shortage of manpower in the health professions by encour-

TOP TEEN—Katherine Anne (Katie) Keith, 18, of Columbia, Mo., has her hands full as newly-appointed chairman of the 1962 New March of Dimes Teen Age Program (TAP).

aging students to undertake careers in these fields.

Leader of the Teen Age Program for the 1962 New March of Dimes is national chairman Katherine Anne Keith, 18, of Columbia, Mo. Blonde, brainy and born to be busy, Katie will handle her major responsibilities as top TAP while she pursues an ambitious freshman schedule at the University of Missouri.

On the basis of past performance, juggling scholarship and volunteer service won't intimidate Katie. She was 1961 Missouri state TAP chairman during her strenuous senior year in high school. Under her leadership, Missouri TAPs showed record gains in membership, services to chapters and funds raised for the March of Dimes.

At the same time, Katie maintained grades that ranked her third in her graduating class of almost 300 students. She was a National Merit Scholarship finalist and received the Kiwanis Good Citizenship

award. She was business manager—and occasional sports-writer—for the school paper, treasurer of the National Honor Society, queen of the major social function of the school year, had a lead role in the school play, "Teahouse of the August Moon," and actively participated in math, history, English and French clubs.

She also teaches a Sunday School class at Missouri Methodist Church in Columbia.

After a summer in Europe, including study at the Sorbonne in Paris, the energetic Katie began to plan for a banner year of TAP activity for the March of Dimes. "Teenagers who are looking for a sense of satisfaction along with fun and friendship are missing a bet if they don't check TAP activities in their local March of Dimes chapters," she said. "A TAP committee isn't just another youth organization—it's not merely a club to serve youth. Instead, it gives us an opportunity to serve our communities."

Furniture Refinishing-

by BOB WILKIN

Here are a few tips you may find helpful in your furniture refinishing ventures. Did you know — that those pesky white spots which appear on furniture surfaces can be polished away? A steel-wool pad of the finest grade dampened with linseed oil, a furniture polish, or a good paste wax will do the job on dull finishes.

For medium surfaces which are neither dull nor glossy try rubbing with your household scouring powder dampened to a pastylike texture with water. If the whitened surface is a high gloss, dampen your steel wool pad with the pre-wax cleaner you use on your automobile.

Did you know — that white shellac is hard to work with and therefore, for most jobs it should be mixed with orange shellac? When you've once opened a can of any shellac, pour the unused portion into a glass jar for storage. Shellac will darken when kept in a once-opened can.

Did you know — that by brushing over two or three coatings of shellac with a coat of clear varnish you can have a finish that has all the wearing quality and beauty of shellac plus the toughness of varnish against alcohol stains, humidity and the like.

Did you know — that warped table leaves can be straightened? First, with a good semipaste remover, strip the finish off the leaves. Dampen a small portion of your lawn. Lay the leaves on the ground, concave side up near the dampened area and pour hot water on them. Then flip them over so that the wet, concave sides are face down on the dampened earth and the sun can get at the dry, convex (humped) sides. A good hefty rock placed atop the hump should speed things up a bit. Depending upon the degree of the warp, the straightening process will take from a few hours to a few days.

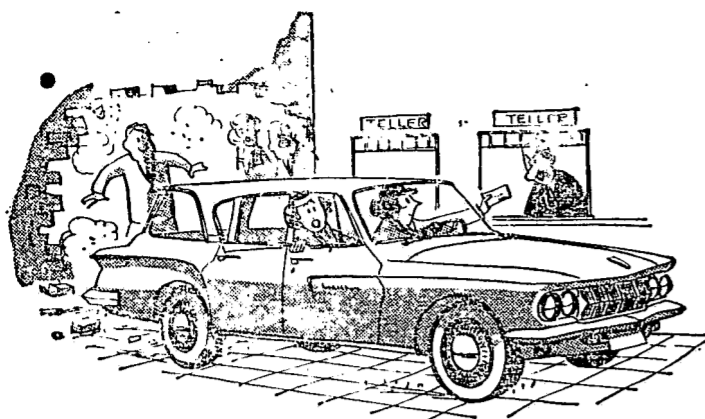

Did you know — that tired old finish can be snapped up by a good scrubbing with soap and water followed with several applications of a mixture of equal parts of turpentine and linseed oil. After the final application has been allowed to soak for an hour or so, wipe the surface dry. Then go to work with a good canuba wax.

Y-TEEN FUN

By Cathy Richardson
On Friday, the 29th of December, the Y-Teens of C.J.H.S. were invited to go to a pajama party at the Y.W.C.A. The party was from 9:00 p.m. to 9:00 a.m.

The girls from Clarkston who went to the party were; Heidi Buehrig, Cathy Richardson, Darlene Craven, Linda Bennett, Cindy Johnson, Jody Strothers, Sherry Withurp, Cathy Withurp, and Corky Moore.

Girls from four different schools attended the party. Besides the junior high girls there were Jefferson, girls from the seventh grade up to the eleventh grade.

Everyone was to bring her own bedding and if she wanted a snack to bring that, too.

There was dancing in the basement, and all over the house Christmas decorations were taken down. Christmas trees were stripped of their ornaments. Windows were freed of artificial snow.

Everyone stayed up till quite late, in fact into the morning but the girls admitted it was fun.

MOVIES IN GEOGRAPHY

By Joette Schultz
The seventh grade geography classes saw three movies in color on Thursday, January 4th. They were on Ireland, the British Isles, and France. The movies told about the people and the capital cities important rivers, and the climate of the different countries. They told about the land's natural resources, the crops the people grow, and the ways of living of the people. They also showed the industries, exports, and imports of these European countries.

MATH FORMULAS

By Cathy Richardson
In Mr. Jervis' math classes, formulas have been the main topic of conversation for some time now. Everyone has learned the formulas for the areas of trapezoids, squares, triangles, and others.

On one of the bulletin boards, there are pictures showing examples of the geometric designs and below them are their formulas.

Compasses and protractors are being used, too.

SEMESTER PROJECT

By Brenda Shaw
Mrs. Beach's 8th grade science classes have been handing in their semester projects. These projects must be on something the students have studied or going to study.

The kids take their projects to the front of the room and explain them. One project is a large box with hills and valleys. This project is showing the three types of valleys along with other details. There are also projects on the volcanos, soil erosion, and quite a lot on the Solar System. All the projects are very good.

They were to make a project over anything we have studied, or are going to study in our science books. There were many colorful and interesting projects, such as: Tom Masters made a scale model of an old valley, with shubbery and other vegetation growing along with model houses. Paul Sanchez made a project about planets. He used plaster of Paris for the planets with different colors of paint. Cathy Richardson made a project about how sedimentary rock was formed. Jeanie Slinkard made her's about planets, too. But, instead of using plaster of Paris she used Christmas ornaments for her planets.

Many of the students enjoyed doing the projects and learned more about the project by doing it.

The projects were due Friday, January 5, 1962.

MORE SCIENCE PROJECTS

By Star Bailey
Other science projects in Mrs. Beach's room are: Reptiles of Long Ago, Ricky Richards; Constellations, Jim Wooley; The Human Eye, Andy Rossano; Hair, Joanne Kriss; Glaciers, Danny Riggs; Clouds, Sharon Waddell; Phases of the Moon, Betty Belcher; Weather, Larry Lovejoy; Glass, Dianne Martin; Volcanoes, Billy Swane, Jim Tierry; Solar System, Ron Littlefair; Litmus Test, Margaret Keech; Formation of Valleys, Judy Ragatz.

NEW DICTIONARY

By Jeanne Shoots
The Student Government has purchased a new dictionary for the study hall. It has over two thousand six hundred sixty-two pages, and it is over a hundred years of research to make it. There is a notice above the dictionary that says, "leave book open at all times." It's a very fine dictionary and lets all do our best to keep it that way.

MRS. FOSTER'S ENGLISH CLASSES

By Pat Cook
In Mrs. Foster's English classes we are to hand in a book report for every month. It sounds hard doesn't it? But, really its not. If we would only try, and work on them we could get them in on time. Don't you think?

A B C'S OF SCHOOL

By Karen Johnson
If you are having trouble in school try these easy rules: A Always hand work in on time. B Be courteous to teachers and other students (behave). C Certainly do your best in every subject. D Doing your best in school is always rewarding!

SKIRTS

By Brenda Fitch
In Home-Ec, the seventh grade girls have just started their skirts, while other are almost finished. They are all very nice.

EXTRA HELP: CARE PACKAGES

By Margaret Keech
In Mr. Casteel's sixth grade class (room 30) the students have donated five dollars at their last count. They did this for Care packages which will be sent to Columbia, Equador, West Berlin, South Viet Nam, and Italy. They have been studying, Columbia, and Equador in social studies, this will give them a chance to have pen pals. They decided they would send the CARE packages instead of exchanging Christmas
