MSUO SCIENCE & ENGINEERING BUILDING

MSUO Dedicates New Building

Leading scholars in each of the sciences took part in a symposium of improving under graduate science education Saturday, February 10, dedicating Michigan State University Oakland's \$2,000,000 science and engineering building. In MSUO's "new look" program, every student takes a mathematics - science sequence, and its engineering curriculum emphasizes fundamentals rather than techniques.

Friends of Art Sponsor Lecture

The Village Friends of Art will present Adele Thomas lecturing on "The History of Opera" Monday, February 19 at 8:00 p.m. in the social hall of the new Methodist Church on Waldon Road.

Mrs. Thomas is organist and director of music at the First Methodist Church here. She is also accompanist at the Detroit Institute of Musical Arts.

Assisting her with vocal illustrations will be four outstanding area soloists: Beverly Spief, soprano soloist at Central Methodist Church in Pontiac, Mr. Olwin Coats, soloist at Kirk in the Hills Church, Bloomfield Hills. Delores Woloson guest soloist in many area churches. Delores has also been a soloist in the Detroit lecture series, "Conversations and the Arts"; Bruce Frances, Grinnell scholarship recipient who is presently on a fellowship at the University of Detroit.

The program and discussion will include the operas scheduled for the coming Metropolitan Opera season and will specifically concern the seven operas the Met will present in Detroit in May.

A cordial invitation is extended to the public. There will be no admission charge.

Mrs. Thomas has been responsible for bringing several interesting and entertaining programs to the community, and this one promises to be a most exciting evening.

"Ten Little Indians" MARKS 3rd VILLAGE PLAYERS PRODUCTION

The tom-toms are beating for "Ten Little Indians". The Clarkston Village Players are as busy as frenzied braves dancing around a Totem pole preparing for their third production, which will be presented in the Clarkston High School Little Theater at 8 p.m. on the evenings of February 23 and 24.

The cast is rehearsing three evenings a week. The production staff is energetically engaged in set building, prop-procurement, publicity, ticket sales, and the many other jobs aside from acting, necessary in staging a play. In professional productions there is usually a person or a staff of people for each job, but in little theatre work those involved often find themselves wearing many different hats or, in this case should we say "different feathers"?

Don't let the allusions to Indian lore fool you. "Ten Little Indians" doesn't concern itself with Hiawatha, Pocahontas, or even Chief Pontiac. Rather it is one of Agatha Christie's most intriguing and suspenseful mystery plays, a real "eat-edger" from beginning to end. Your hair may be raised but you won't be scalped if you become brave, leave the wigwag and find a buck to see "Ten Little Indians".

Tickets may be obtained from any member of the Village Players, Bob's Hardware Store, Clarkston Sporting Goods Store or Mr. John Witherup, MAple 5-2456. Student tickets are available at half-price.

Meet The Cast—
This is the first production in which Merle Bennett is actively participating. He is presently president of the Clarkston Village Players. Mr. Bennett, who

Before I begin, I would like to congratulate a Mrs. Smith in Waterford who recently delivered her nineteenth child. Can you imagine. I suppose it's like running a small hotel, with that many children. Again I'll say, "Congratulations Mrs. Smith wherever and wherever you are."

You know, I was wondering while still in the hospital, how in the world I was going to manage a baby, a 6 year old, a 3 year old, a puppy and a kitten. Well, believe it or not, now that I'm home, I'm still wondering which one of us will give out first.

How many of you mothers have tried to tie one child's shoe, give orders to another child, push a dog out from under your feet, answer the phone, stir the pudding, which is about to burn, on the stove, all while holding a hungry baby in your left arm. (Right arm if you're left handed.) Well, take it from me, it can be done. My mother told me there'd be days like that.

I was amazed to find how quickly I could have the house looking presentable when someone would call and say they'd be over in 15 minutes to see our new baby. By having one visitor a day, I figure I could really keep the house in good shape, without spending much time with it.

Bob suggested we spend an evening out last weekend, which sounded just wonderful to me until I went to try on one of my "party duds." Brooother! I couldn't get a dress down to wearing position, let alone zip it up. Bob thought this was pretty funny until he realized I would have to buy something to fit me. My, how quickly a mans expression can change.

In closing, I want to thank all the wonderful people from Clarkston, and my friends and relatives at home for their cards and letters of congratulation to the baby. I would especially like to thank Mrs. W.A. Brian for her sweet letter.

Lutheran Women Hold Meeting

The ladies of A.L.C.W. (Augustana Lutheran Church Women) of Calvary Lutheran Church, held their February meeting at the home of Mrs. Leslie Purslow, 6320 So. Main Street.

A short business meeting was conducted by president, Mrs. Lynn Wycoff. Topic discussed for the evening was "Problems Facing Our Youth Today." It was presented to the group in the form of a skit under the direction of Mrs. Martin Gustafson. Assisting Mrs. Gustafson were: Mrs. Leo Erickson, Mrs. Leon Decker, Mrs. Roger Olney, and Mrs. John Alander.

Following the discussion, a game was played where the ladies were to guess the identity of each other from looking at baby pictures. This game brought many laughs and a prize for the winner.

The service project for the evening was fulfilled by making Valentine tray-favors for the children at the TB Sanitarium. These children have actually captured the hearts of eight ladies from A.L.C.W. who have volunteered their time and service to work at the TB Sanitarium on a weekly basis.

To close the meeting a delicious luncheon was served by hostesses, Mrs. Leslie Purslow, Mrs. Leo Erickson, and Mrs. Glenn Kirchoff.

At the last A.L.C.W. Unit meeting, 69 cancer pads were sewn for the Independence Township Cancer Society. These were made under the leadership of Mrs. Charles Schlutaw, who is Service Chairman of A.L.C.W.

Plans for the next Unit meeting will be to make slippers for patients at the Oakland County Convalescent Home. These slippers will be made out of washcloths and shoe strings that were donated by A.L.C.W. members.

EDISON RETIRES HOME SERVICE ADVISOR

In a move to better describe her work, Edison's Home Service Advisor in the Clarkston area, Miss Jean Hardy, will hereafter be called "Electric Living Advisor."

Electric Living suggests the impact that electricity is making on our way of life and more appropriately defines the work of Miss Hardy who does stage and school presentations, instore demonstrations, and uses many other means outside the home to reach and interest the homemakers of the Pontiac area.

The next regular monthly meeting will be held Sunday, February 18 at the John's home at 6986 W. Church Street. The next executive meeting will be March 7 after school.

Anyone of Junior High School age and Junior Luther League members are encouraged to attend.

Get Your Polio Shots

Don't forget the polio clinic on Friday, February 23, at the Clarkston Elementary School. Hours will be 1 to 5 p.m. and 6 to 8 p.m. All polio shots will be given, so get your shot, regardless if it's your first or just a booster. You owe it to yourself and your family to be inoculated.

In Uniform

Marine Pvt. Jerry F. White, son of Mr. and Mrs. Forrest E. White of Sashabaw Road, is serving with Headquarters and Headquarters Squadron at the Marine Corps Air Station, Cherry Point, N.C.

Medical Aid Group Resumes Meetings

Mr. Bill Mansfield and Mrs. Robert Phillips are codirectors of the old class of '61 Medical Aid Group. This group will meet the third Wednesday of each month at the Independence Township Power House building. They will revive the course that the class took last year. At present, they are working and learning through class participation.

The class is learning the use of many types of bandages and splints, and are also preparing first aid kits to be used in the homes.

Mrs. Brabbs and Mrs. Krobrack are helping the class with first aid techniques.

The group is also making hospital gowns, which will be stored in a locker at the Community building ready for use in case of a disaster.

Mrs. Carlson is in charge of these supplies.

At the meeting of the 21st a film will be shown concerning first aid to further educate the class.

Those people who have already received medical aid training are invited to come and join the group.

ROTARIAN'S HOST SCHULER REPRESENTATIVES

Michael E. Hurst & Fred Graczyk

Michael E. Hurst, Executive Vice-President of Win Schuler's Restaurants, Inc., and Fred Graczyk, manager of the Jackson Schuler Restaurant, were guests of the Clarkston Rotary Club Monday night.

Mr. Graczyk, who has been manager of the Jackson restaurant for 18 months, is the newest manager in the Schuler family. He said that one of the reasons he joined the organization was because of the young and vigorous outlook of everyone connected with the Schuler Restaurants.

Four qualities according to Graczyk, which are musts for Schuler's managers are: (1) Must be a college graduate; (2) Must have three years experience in food handling; (3) Must like the work, and be sold on the philosophy of Win Schuler; (4) Must be tactful and polite. Another requirement is that he be capable of training and understanding his employees.

A question-answer period followed Mr. Graczyk's talk, at which time he and Mr. Hurst answered many questions which have been asked many Rotarians and members of the Clarkston Business

Men's Association. Following are some of the facts brought out at this time.

Although Win Schuler has a particular interest in Clarkston as a location for one of his fine restaurants, the organization has committed itself yet. The factor that makes the difference whether or not they build is whether the local residents vote yes on the "liquor by the glass" referendum on March 12. Should the referendum be passed it is likely the town will see a beautiful Win Schuler Restaurant completed here by November of next year.

Off-street parking for Schuler customers will be provided for in abundance, should he build here. For instance, the Jackson restaurant seats 200 people, and provides parking space for 135 cars. Actually for 200 people, parking is needed for only 40 to 50 cars.

The manager of a Schuler restaurant acts and is treated as though he were the owner of the restaurant. He is always on hand to help local clubs, organizations, etc., in planning dinners and banquets. He even goes so far as to help find speakers for these special occasions.

Employees would be picked (preferably with no experience) from local people, and trained to Win Schuler's philosophy. There is only one waitress to every two tables. The rush hours generally start at 7:00 p.m. through the week and 4:00 p.m. on Sunday.

"Will it be noisy?" This was a big question. No, Schuler restaurants have never been known to be noisy. The manager runs it as though he lived right next door, thus keeping it quiet and smooth running, for the neighbors near by.

Win Schuler's Restaurants Inc. have been offered locations in Pontiac and have looked at several other locations in the area. The main decision is up to the Village of Clarkston. On March 12 it will be known whether or not Schuler builds here.

There will be no charge or exams, but you must attend 10 of the 13 classes to graduate.

The course is designed to teach first aid in the home and also in community disaster.

Obituaries

Clarence V. Ward

Mr. Clarence V. Ward, 58 of 3631 Drayton Plains, passed away suddenly on February 12. Cause of death was a coronary.

Mr. Ward delivered papers in this area for the Detroit Free Press. It was during a delivery that he suffered the fatal heart attack.

He is survived by his wife, Ethel, and a niece, Diana Sakofsky, who has lived with the Wards since her birth.

Funeral services were held Wednesday, February 12, 1:00 p.m., at the Sharpe-Goyette Funeral Home. The Reverend Thomas Dunn of Drayton Heights Free Methodist Church, officiated. Burial was at Oakview Cemetery, Royal Oak, Michigan.

Pearl Irene Mitchell

Following an illness of about a month, Mrs. Pearl Irene Mitchell, 63, of Royal Oak, passed away at N. West Grace Hospital, Detroit, on February 5.

She is survived by her husband Wilbur, and three daughters, Mrs. Ralph Wirsing of Southfield, Mrs. Lynn Van Gorder of Florida, and Mrs. Norton Redwood of Clarkston. Also surviving are several brothers and sisters.

Funeral services were held Thursday, February 8, at the Virgo-Kinsey Funeral Home. Officiating was the High Priest, Robert Murria. Burial was at Roselawn Cemetery.

New Directories Out Next Week

Michigan Bell Telephone Company will begin delivery of its new Clarkston telephone directory—with its new look in some telephone listings—on Wednesday, Feb. 15. D. Kamego, manager.

ago said that the new look will find its way into the new look in telephone listings called All-Number.

"These ANC listings glance will show how name are the same as letters—for example, the numerals 6-2 are in the same finger holes as the 'MA' on our dial. While the transition will be made over a period of several years, eventually all telephone numbers will be of the ANC type," Kamego said.

"Just seven digits are dialed—no letters at all," he added.

Distribution of the 4,100 directories will take a few days to complete. When the new directory is delivered, the old one should be discarded.

Davisburg Forms Civic Association

The Park Commission and the Junior Chamber of Commerce have appointed members to assist the Area Civic Improvement Association.

Bob Peters, Member of the Park Commission, took pictures of the town which were sent to Akron, Ohio for study by a reconstruction architect. The architect will construct a miniature village for study and later on come to Davisburg with plans for improvement. The public will be invited to a meeting to hear about potential improvements.

The Park Commission has given the Association money for flowers which are to be planted throughout the area.

Next fall prizes will be awarded for both residential and commercial landscaping improvements. Also a prize will be given for the largest flower grown from the plants that will be provided by the money from the Park Commission.

Pine Knob School Fair

The Pine Knob Elementary PTA will sponsor a School Fair to be held Friday, February 16, from 6 to 10 p.m. at the Pine Knob School.

There will be fun for the whole family, with door prizes, cake and doll walks, games, country store and bake sale, white elephants and fancy work, and much more.

Refreshments will also be available.

Here's what QUALITY has done:

At last count there were 1,499,927 Chevrolet trucks over 10 years old still working—424,381 more than any other make.

1962 CHEVROLET JOBMASTER TRUCKS
built better..work longer!

When Chevrolet builds a truck, it builds a *quality truck*. This policy makes sense. Chevrolet trucks work a long time . . . cost less than many other makes to operate and maintain over the years . . . consistently bring a higher trade-in price . . . and, as a result, are bought by more people.

We invite you to come in and examine this quality closely and to take a 1962 demonstrator out for a good long test drive. Note the cab comfort, the good visibility, the smooth ride, the solid feel of its quality. Compare Chevrolet truck features with those of other makes. Then decide which are your wisest investment. We're sure it will be Chevrolet's.

- Note how this Chevrolet cab roof is made of two sheets of metal, instead of one, with a layer of felt in between as insulation against cold, heat and noise.
- A Chevrolet truck tailgate is sturdier because it has double-wall construction and strong steel chains in tough rubber casing to support it.
- Quality independent front suspension fights road shock more effectively than other types—provides more protection for the truck, load and driver.
- The standard 235-cu.-in. 6-cylinder Chevrolet truck engine has worked more miles than any other. There are nine more engines to choose from.

 Sunday Service 11:00 A.M.
 The nature of true happiness will be brought out Sunday at Christian Science church services. Selections from the Bible in the Lesson-Sermon on the subject "Soul" include these verses from I Chronicles (16): "Glory ye in his holy name: let the heart of them rejoice that seek the Lord

Glory and honour are in his presence; strength and gladness are in his place."
 One of the citations to be read "Science and Health with Key to the Scriptures" by Mary Baker Eddy states (p. 57): "Happiness is spiritual, born of Truth and Love. It is unselfish; therefore it cannot exist alone, but requires all mankind to share it."

DAVISBURG FIRST BAPTIST CHURCH NEWS
 Jack McCurry, Pastor
 The Annual Missionary Conference at the First Baptist Church will start Thursday, February 15, 7:30 p.m. All speakers are from the Conservative Baptist Missionary Society of Wheaton, Illinois.
 Thursday evening there will be special music by a quartet from the church. Members are Mrs. Jack McCurry, Mr. and Mrs. Raymond Garrison and John Pierce.
 The guest speaker will be Miss Elfrida Pruitt, a missionary to the Congo, home on furlough. She was a director of an elementary school at Singa, Congo, and she, along with Co-workers, helped to organize a Christian Church and choose a pastor from the natives there. This was a significant step because of the persecution of the native Christians, who refused to take part in the anti-white campaign or in radical political action. Miss Pruitt was forced to leave the Congo when elected government officials of the Kivu were kidnapped by the Pro-Communist forces from Stanleyville, and the soldiers harassed and threatened the white people.
 Saturday evening's conference meeting will begin with a Missionary Banquet prepared and served by the Ladies' Missionary Guild at 6:30 p.m.
 Special music will be by the girls' trio, whose members are the Misses Margaret and Jeanne Lawson and Linda Hutchinson.
 The speaker will be the Reverend Marvin Kowan, who is a home missionary. Mr. Kowan was preparing for the advancement in the Mormon priesthood, when through the intervention and faithful witness of some Christ-

2 MONEY-SAVING REASONS WHY YOU SHOULD BUY AN ELECTRIC DRYER NOW
Free Service! Buy an electric clothes dryer and you save money—Edison repairs or replaces electrical operating parts without charge for either parts or labor. That means no worrisome hunting for a qualified appliance repairman, too. A well-trained, courteous Edison repairman is just a phone call away. This service takes effect after the dryer maker's regular warranty expires.
Special Installed Price! Buy an electric dryer now and the price will include installation. This money-saver, available for a limited time, covers standard wiring (one 220-volt dryer circuit), when the dryer's installed on Detroit Edison lines in any dwelling up to and including a 4-family residence.
 There's a wide range of well-known electric dryer makes and models to choose from—now, while the price includes the wiring installation. You are sure to find what you want at your favorite appliance dealer's... but make sure it's electric!

HIGH SCHOOL THE WORLD OF ENERGY

By Ginny Galligan
On Monday, February 5, Mr. E. M. Clarke and Mr. Charles Thomson of the Detroit Edison Company presented an interesting program, "The World of Energy."

The students were shown many ways in which energy works. They saw heat energy change into electrical energy. Such instruments as a solar battery, a bolt meter a geiger counter, a thermo electric generator, and chemicals were used.

COURSES, ANYONE?

By Ginny Galligan
On Monday, February 5, Mr. Roger Shively of the Detroit Business Institute discussed to the members of the Senior Class. Mr. Shively discussed the secretarial and I.B.M. courses that are taught at the Detroit Business Institute.

The secretarial course covers a six term period in twelve to sixteen weeks. The four fields from which you can choose your type of secretarial work are: General, Legal, Medical, and Engineering. Mr. Shively also discussed where requirements for entrance, book fees, tuition, the scholarship plan, job placement and a refresher course.

Mr. Shively will return to Clarkston within the next month to give aptitude tests to students interested in taking the secretarial and I. B. M. courses. If any of the Seniors are planning on doing so, please contact Mrs. Wilkinson.

PREPARATIONS READY FOR LEAGUE CONCERT

By Carol Gill
On Wednesday, February 14, at 8:00 p.m. the first concert of the Wayne-Oakland County League Choir in the 1962 season, will be held in the Clarkston High School's Little Theatre. The League Choir is composed of 12 students from each of the eight schools in the league.

Annually there are four concerts and assemblies given to the various schools. Along with the members by the entire choir, there will be specialty acts from each of the schools. From Clarkston, the specialty act will be the Girl's Ensemble consisting of 13 seniors and juniors.

By Lynda Soncrant
The Clarkston Chapter of the Future Homemakers Association, under the direction of Miss Gerant, held its annual officers installation Tuesday, January 23, 1962 at 7:30 in the Little Theatre. Elected were President, Edith McClard; Vice-President, Joan Smith; Treasurer, Linda McClard; Secretary, Jennifer Pike; Historian, Parmentarian, Margery McClard; and Reporter, Lynda Soncrant.

THE F.T.A. MEETS

By Sue Valentine
The Future Teacher's Association met on February 8th. Speaker for the meeting was Mrs. Ruth Purslow, principal of the Clarkston Elementary School and sponsor for the Clarkston F.T.A. She talked on "How to Become a Principal" and "Cadet Teaching."

WORK MAKES PLEASURE

By Linda Keller
Wednesday, January 31, students received their report cards. Most students do not realize the importance of a high school education or what effect it has on our future lives; nor do they completely appreciate the opportunity that is given to them. If the American teenagers would put forth more effort we would be a better nation. It is our duty as American students to do our best to obtain the knowledge necessary to have a better high school education. Do your part and it will pay off in the future.

JUNIOR HIGH PLAY PRACTICE

By Pat Cook
Last week began the practice for, "The Wizard of Oz." The students who are in the play are taking their parts very seriously. The directors of the play this year are Mrs. Beattie, Mrs. Foster, and Miss Jetter.

HISTORY

By Virginia Vliet
Some of the students in Mrs. Beattie's fourth hour history class have sent away for information on the Civil War. The students who sent away for information are: Hugh McGregor, Dennis Pine, Ernie Morgan, Jim Shannon, Cathy Richardson, Cindy Mosier, Cathy Lessard, Virginia Vliet, and Barbara Kirchoff. The places the sent to were as follows: Chamber of Commerce of Richmond, Virginia, Gettysburg, Pennsylvania, Atlanta Georgia, Vicksburg, Kentucky, Tennessee, Michigan, Massachusetts, the Library of Congress, and the Junior Chamber of Commerce in Atlanta, Georgia.

The information that the students receive will be helpful to them when they are doing their Civil War notebooks and when they are in eleventh grade.

SPELLING BEE

By Virginia Vliet
Wednesday the 21st a seventh and eighth grade spelling bee will be held. Anyone who passed the spelling test given in his English class, Thursday the 8th is eligible to enter.

There will be many students competing against each other, so the spelling bee should be a lot of fun. The words will be taken out of the eighth grade speller.

SPELLING

By Cindy Mosier
A test was given in all the seventh and eighth grade English classes. This test was to find out who would compete in spell down on February 21st. There were twenty words in the test and these words were taken from the eighth grade spelling book.

ART

By Cindy Mosier
Mrs. Turner's seventh and eighth grade art classes saw a movie on February 1st. This movie was the caring for art material. It showed how to care for paint, paint brushes, chalk, crayons, sissors, and art clay. The movie was interesting and helpful.

THE FUTURE HOMEMAKERS CLUB

By Margaret Keech
The Future Homemakers Club met on Tuesday, February 6th, in room 110, from 3:05 p.m. to 3:20 p.m. There were nine members attending.

They discussed things that they could do in the eight meetings left. They decided they would go bowling with the seventh grade Home Economics Club on Tuesday, February 13th, after school until 5:45 p.m. They would each bowl three games. After bowling they would return to the school and eat hot dogs in the Home Economics room. They would cook, play games, and do different things. They also discussed members attendance. They decided if one of the members missed two meetings, she would be out of the club.

TRAMPOLINE

By Virginia Vliet
About a month ago the gym classes began using their new trampoline. The boys used the trampoline first, and are still using it. The gym classes are having a lot of fun on it. It is nylon and is very strong so far it has only been set up on the stage.

DRESS-UP DAY

By Margaret Keech
On Thursday, February 8th the student Government sponsored a dress-up day. Cindy Alexander announced Wednesday, February 7th, that there would be a dress-up day held on Thursday.

SCIENCE

By Cindy Mosier
Mrs. Beach's eighth grade science classes are discussing heat. The students are finding out what methods are used to heat their own homes. Mrs. Beach found out how our school is heated. There are many different ways and Mrs. Beach probably has examples of each from her classes.

SOLOS

By Virginia Vliet
Miss Jetter's seventh and eighth grade chorus classes are singing solos. They started this week and will finish the sixteenth of this month. It is very interesting to listen to the students sing. There will be a variety of songs, religious, camp songs, and popular songs.

SCIENCE

By Virginia Vliet
Mr. Hathaway's science classes are beginning unit five on heat. This unit will be very interesting but the problems at the end of the unit may be a little more difficult. Some of the things the classes will be studying are: What happens to heat during changes of state? How does heat travel from place to place? How do we keep our buildings warm and how do we keep things cool?

MOVIES IN ENGLISH

By Margaret Keech
The seventh and eighth grade English classes saw three movies on Monday, February 5th. The first movie was about making outlines for ideas and thoughts.

The second movie, Building an Outline, told that periods should be used after the letters, a capital letter on the first word on the topic and sub topic phrases, and other rules were shown.

The last movie was Building Better Paragraphs. It listed four things that one should know for building paragraphs. They were: (1) Stay to one main topic, (2) have a topic sentence, (3) select and arrange the information in order, and (4) finish the paragraph.

A NORTHERNER BY HEART

By Brenda Shaw
Kathy Thompson has just recently moved to Michigan from Shiveport, Louisiana. While she lived down South for one year and nine months, she attended the Hamilton Terrace school. Kathy was a cheer leader while she attended Hamilton Terrace school. Also, she was the Vice-President of the Student Council.

Kathy likes our school, and says everyone has been friendly to her. She also likes Michigan better than down South. Kathy likes all of her teachers. Kathy was born in Detroit. She lived in Ferndale, a suburb of Detroit. She has two brothers. Welcome to our school Kathy and may you enjoy it!

ask

Employees in large companies get the benefits of moneysaving group medical plans, but since we are in a company using only 5 people, my co-workers and I can't take advantage of big company group insurance. Is there a group medical plan available for employees of companies with a limited number of personnel?

the Great Books speak to Today...

On Suffering
 Fathers and teachers, I ponder, "What is it?" I maintain that it is the suffering of being unable to love.
 —FYODR DOSTOEVSKY (1,21-1881) Russian novelist

Suffering comes from three quarters: from our own body, which is destined to decay and dissolution, and cannot even dispense with anxiety and pain as dangers; from the outer world, which can rage against us with the most powerful and pitiless forces of destruction; and finally from our relations with other men. The unhappiness which has this last origin we find perhaps more painful than any other; we tend to regard it more or less as a gratuitous addition, although it cannot be any less an inevitable fate than the suffering that proceeds from other sources.

A Salute to the Boy Scouts of America

The Nation has been celebrating Boy Scout Week, and in recognition of the outstanding work done by our local Scouts we are happy to turn over our window for a most interesting display. Shown are some of the camping equipment, trophies, manuals, etc., used by TROOP 126, of First Methodist Church, Clarkston. The following area men have headed the hard-working Troop Committee this past year:

Jack Frost Scoutmaster
Royce Hyatt Neighborhood Commissioner
Bruce Embrey Ch. of Troop Committee
Don Rhoads Institutional Representative

To these officers and the leaders who work with our Scouts, congratulations on a job well done.

MICHIGAN IS THE FUTURE

Michigan is synonymous with progress. It has a brilliant record of accomplishments.

With skilled labor, management know-how, natural resources, brainpower and transportation, Michigan has established itself as a world leader in industry. Its achievements have brought to the entire world a better standard of living.

But the past serves only as a prelude to the future. Through research and ability to produce will come new Michigan-made products almost beyond our present understanding. Michigan will lead the way in progress of the future, as it has done in the past.

MICHIGAN IS EVERYTHING FOR INDUSTRY
