The arrangement of the books, and the rules of the library were explained, and the children then were told that they could browse through the shelves. Pandemonum brke loose for a few minutes until the young people ofund books to read singly or in groups. Sitting in chairs at tables, and on the floor, outer space enthusiasts, budding naturalists, bridge builders and young adventurers, all found iterature to their liking. In one corner, tow youngsters were engrossed with a book of riddles, taking turns asking and pondering brain twisters. One ambitious student discovered a book on Lindbergh in the adult collection. When his teacher suggested a book written for his age level, he said, "This has all the information I need." Happily, a colorfully illustrated volume on the same subject was locattd, which also proved to have all the information that a boy might

In the course of the visit, other board members were introduced, and were received with rounds or applause. But, it was Mrs. Val. entine who carried the day. Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has doublewall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it. HAVE YOU LOOKED INTO CAMPER BODIES?

This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

See your Cherrolet dealer for trucks that keep working and working and working!

The Area Civic Improvement Association reports that plans are nearing completion for bringing in a reconstruction architect from Dayton, Ohio. Pictures were taken some time ago of the village and sent to the architect for the purpose of setting up a model village as previously reported However, the pictures went astray in the mail, and more must be taken this week and processed. This has created a slight delay. If the plans are accepted by the merchants, they will be used in cooperation with the "cean-up, pick-up" plans of the

A meeting was held at the Davisburg School Monday evening for the purpose of registering boys in the Davisburg Little League. This meeting was sponsored by the Community Actities Association. George Hayes, Carl DeVries and Paul Stack registered the boys who were accompanied by their parents. Whit ey McBide was in charge of handing out candy to the boys which will be sold to benefit the league. Another meeting has been tentatively planned for May 1. A definate date will be announced through the school.

Thirty people attended a meeting at the home of Mr. and Mrs. Clyde Nelsey last Wednesday evening.
