The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN MICHIGAN, the new mines in the southwest corner of the state were supplying the Union with desperately needed iron ore. And, all over Michigan, beer was supplying folks with

sparkling refreshment. For then as now, beer was the traditional beverage of moderation-light, sparkling refreshment that adds a touch of hospitality to any occasion. Folks in Michigan have always enjoyed the good fellowship that goes with every glass.

TODAY, in its Centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.
