big, open competitive road and track events to date, mechanical failure forced many

cars to quit. But Ford kept going-to win every time. That's performance with the

emphasis on durability. Speed and acceleration play only a small part. It's corner-

ing and steering and handling. It's holding the road. It's braking surely and safely.

And the consistent winner is certain to be a better car for the kind of driving you

RIVERSIDE,

Jan. 20 A Super Torque Ford finished first in this official NASCAR 500-mile event. In six hours at Riverside, the front running Ford pushed engine, transmission, brakes, suspension system-the whole carto the limits of endurance. That's total performance in action

PURE OIL TRIALS

Daytona, Jan. 27 A Super Torque Ford outpointed the field in braking, acceleration and economy tests at the Pure Oil Performance Trials. These tests duplicate normal driving conditions as nearly as possible . . . proved the practical side of Ford's total performance story.

ATLANTA, GA. March 17

Add another first-place finish for Ford-this time in the Atlanta '500." It takes only a few short hours to cover Atlanta's 500 milesbut every minute is brutal punishment. At Atlanta, Ford showed that built-in total performance reproduces victory again and again.
